CHANGING OWNERSHIP, Knox County Cleaners in Knox City will be owned and operated by Sammie Offield as of January 1. Pictured here in front of the business, Sammie will begin serving customers after the New Year's holiday, opening for business on Monday, January 5.

Knox County Cleaners changes ownership

Beginning Monday, January 5, Knox County Cleaners in Knox City will be under the ownership of Sammie Offield of Knox City. Officially taking over the business on January 1, Sammie will have the cleaners open for business after the New Year's holiday weekend.

With 15 years of experience in cleaning and dry cleaning clothes, Sammie is excited about the opportunity of having her own business. In announcing the change of ownership, Sammie said her main goal will be "to please the

customers", further stating that "without the customers, we have nothing."

Serving the clothing cleaning and alteration needs of Knox County and the surrounding area, Knox County Cleaners has undergone a complete renovation while under the ownership of Judy Lain for the past year. The business is still located in the same building that was formerly known as City Cleaners when it was owned and operated by Lorene Bradford. Sammie worked for Mrs. Bradford for many years and

customers from throughout the area already know her.

A lifelong resident of Knox City, Sammie is married to Eddie Offield.

Knox County Cleaners will be open Monday through Friday, opening early at 7:30 p.m. for customers to drop off clothes on their way to work, and closing at 5:00 p.m. each day. The business will be closed on Saturdays and Sundays. Along with a full range of dry cleaning and laundry services, Sammie will also offer some alterations on clothing.

WILLIAM H. (BILL) HEATLY

preme Court. He is licensed in all state courts, as well as before the United States District Court's Northern, Southern and Western Districts of Texas.

Heatly currently serves as a councilman for the City of Paducah and was mayor pro tem in 2001 and 2002. He is a member of the Paducah Lions Club, First Baptist Church of Paducah and the Masonic Lodge.

He and wife Kay have five grown children. Heatly has been active in farming and ranching in Cottle and Motley counties, and his hobbies include golf, hunting, fishing, birds and wildlife photography.

"I feel that my 36 years of experience as an attorney in all areas of the law qualifies me for this position," states Heatly. "As judge I will follow the law, be punctual and available to the attorneys and their clients, and will keep an office in each of the four counties. Court will be regularly scheduled in all counties."

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN A WATER QUALITY PERMIT RENEWAL

PERMIT NO. WQ0011162001

APPLICATION. City of Benjamin, P. O. Box 286, Benjamin, Texas 79505, has applied to the Texas Commission on Environmental Quality (TCEQ) to renew wastewater disposal Permit No. WQ0011162001 to authorize the disposal of treated wastewater at a volume not to exceed a daily average flow of 42,500 gallons per day via surface irrigation of 10.5 acres. The domestic wastewater treatment facility and disposal site are located south of the City of Benjamin, approximately 0.75 mile south of the intersection of U.S. Highway 82 and State Highway 6 and approximately 800 feet west of State Highway 6 in Knox County, Texas. This application was submitted to the TCEQ on November 14, 2003. The permit application is available for viewing and copying at Benjamin City Hall, 303 South Hinton Highway, Benjamin, Texas.

The TCEQ executive director has determined the application is administratively complete and will conduct a technical review of the application. After completion of the technical review, the TCEQ will issue a Notice of Application and Preliminary Decision.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. The TCEQ will hold a public meeting if the executive director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

Written public comments or requests for public meeting must be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087.

ADDITIONAL NOTICE. After technical review of the application is complete, the executive director may prepare a draft permit and will issue a preliminary decision on the application. Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list or the mailing list for this application. That notice will contain the final deadline for submitting public comments.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for public comments, the executive director will consider the comments and prepare a response to all relevant and material, or significant public comments. The response to comments, along with the executive director's decision on the application, will be mailed to everyone who submitted public comments or who requested to be on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the executive director's decision and for requesting a contested case hearing. A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

A contested case hearing will only be granted based on disputed issues of fact that are relevant and material to the Commission's decision on the application. Further, the Commission will only grant a hearing on issues that were raised during the public comment period and not withdrawn. The TCEQ may act on an application to renew a permit for discharge of wastewater without providing an opportunity for a contested case hearing if certain criteria are met.

MAILING LIST. In addition to submitting public comments, you may ask to be placed on a mailing list to receive future public notices mailed by the Office of the Chief Clerk. You may request to be added to: (1) the mailing list for this specific application; (2) the permanent mailing list for a specific applicant name and permit number; and/or (3) the permanent mailing list for a specific county. Clearly specify which mailing list(s) to which you wish to be added and send your request to the TCEQ Office of the Chief Clerk at the address above. Unless you otherwise specify, you will be included only on the mailing list for this specific application.

INFORMATION. If you need more information about this permit application or the permitting process, please call the TCEQ Office of Public Assistance, Toll Free, at 1-800-687-4040. General information about the TCEQ can be found at our web site at www.tceq.state.tx.us.

Further information may also be obtained from City of Benjamin at the address stated above or by calling Mr. Ronnie White at (940) 459-3131.
