Early Greyhound season record now 2-0 after a 38-6 win against Memphis last week

Head Football Coach Wayne Hutchinson took his Greyhounds on a long road trip last Friday, traveling up into the Texas panhandle to take on the Memphis Cyclones in a non-district game that Knox City won 38-6.

Senior Riley spells led his teammates to victory with 175 yards on 13 carries with 1 touchdown, Junior Quentin Spells had 71 yards on 12 carries with 2 touchdowns, and Sophomore Cody Wainscott scored once while running with the ball for 40 yards on 6 carries. Ben Simmons added 38 yards on 4 carries, Andy Shaver had 14 yards on 5 carries, C.J. Bruce had

9 yards on 2 carries and Evan Clark rounded up the rushing totals with 3 yards on a single carry.

Knox City scored once in the first quarter, once in the second quarter, twice in the third quarter and twice in the fourth quarter.

Knox City's offense saw impressive totals, picking up 350 yards on the ground and another 135 in the air. Andy Shaver completed 10 of 12 passes for 119 yards and 2 touchdowns. Quentin Spells completed 1 of 3 passes for another 16 yards.

The Knox City receiving corps was led by Derrick Magana with 5 receptions for 67 yards and 2

touchdowns. Tye Chisum caught 3 passes for 29 yards, Quentin Spells received the ball twice for 23 yards and Ryan Harrington received 1 pass for 16 yards.

Our Greyhounds will host the Class AA Stamford Bulldogs this Friday night at Greyhound Stadium for the Knox City High School 2004 Homecoming. Game time is set for 7:30 p.m. and the Homecoming festivities will take place before the game.

With a large crowd expected for this non-district game, fans are encouraged to arrive at the stadium early for good parking and seating.

Vanessa Solis is Houndette Player of the Week, Kayla Martin is all-tourney

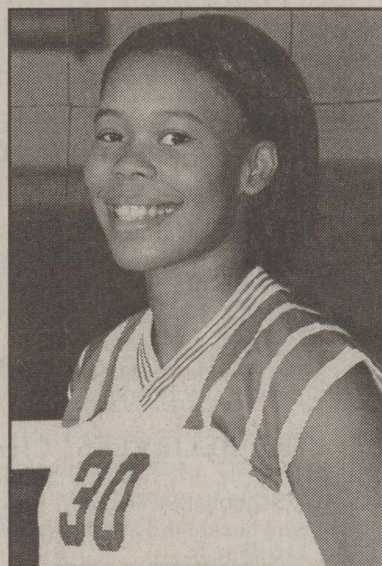

VANESSA SOLIS

Selected as this week's Houndette 'Player of the Week' is KCHS sophomore Vanessa Solis.

Coach Jaree Elliott selected Vanessa for this honor by saying that even though she is on JV, she takes on the leadership role of a varsity player. Vanessa, who is an OH on JV, is always one to keep the flow of practice up in the gym and she is a go to girl in games. She is leading the JV team in kills this season.

In last Tuesday's game with Harrold, KC won in four 25-13, 25-18, 18-25 and 26-24. Coach Elliott said it was a really good game and the girls overcame a hurdle of winning a close game.

On Saturday, the Houndettes went to the Harrold tourney, playing Chillicothe first at 8:30, the

KAYLA MARTIN

Electra JV, and then Northside JV. All games were best 2 of 3 to 25 points with a cap of 30.

Coach Elliott continued by saying, "being tired from school and activities and coming off the band bus late the night before from Memphis hurt the team mentally and physically and the girls had a rough day."

She continued by saying KC lost to Chillicothe, which should not have happened, but "we beat ourselves". The score was 12-25 and 23-25. That put KC in the consolation bracket and the Houndettes beat Electra JV 25-20 and 25-12 and KC beat Northside JV to win consolation, 25-14 and 25-15.

Kayla Martin was named all-tournament.

Bike-a-thon is set for Saturday

The Knox City "Wheels For Life" Bike-A-Thon will be held this Saturday, September 11, beginning at 9:00 a.m. in front of the Knox City Elementary.

Coordinator for this year's event is Kerri Stiewert, who is encouraging all residents and businesses to support this community effort.

Funds from the Knox City Bike-A-Thon make research possible. The citizens of Knox City work hand in hand with the researchers, technicians and doctors at St. Jude's to provide treatment and cures for children of catastrophic diseases.

St. Jude Children's Research Hospital in Memphis, Tennessee, was founded by the late entertainer Danny Thomas. The hospital is an internationally recognized biomedical research center dedicated to finding cures for catastrophic diseases of childhood.

Kids can bring new meaning to grandparents day

On National Grandparents Day, September 12, encourage you child to give a gift a Grandparents will treasure - a handwritten letter.

Many grandparents today grew up in an era where important communication was accomplished through handwriting. In today's world that is no longer true, yet most grandparents still appreciate handwritten letters.

On this Grandparents Day, you child can handwrite a letter or poem to tell his or her grandparents how appreciated they are. At the same time, your child will gain practice in handwriting, a critical life skill that is frequently overlooked.

According to handwriting experts, handwriting will remain a critical life skill that must be taught through a developmentally appropriate process. Proper handwriting technique improves literacy and proficiency and improves self-esteem.

"Good handwriting applies to many facets of life," said Richard Northup, vice president, marketing, Zaner-Bloser. "Studies show that children with legible handwriting have improved academic and test performance. It is impor-

"Walking through the jungle, a hunter found a dead ferocious-looking rhinoceros with a Pygmy standing proudly beside it. Amazed, the hunter asked, "Did you kill that rhino?"

"Why, yes," said the Pygmy.

"How could a little fella like you kill a beast like that?"

"I killed it with my club," explained the Pygmy. The astonished hunter exclaimed, "Wow! How big is your club."

The Pygmy replied, "There are about 90 of us."

Dear Friends,

Effective August 24, our tanning business and location sold to Tony and Kendra Hunter. This young couple has taken an interest in Knox City and has invested in their future here.
We always prided ourselves on our tanning operation and feel that the Hunters will continue to offer the best in tanning and are so glad that Knox City will still have this service available.
This business, coupled with Kendra's hairstyling and massages by Amy White, will all be available under one roof known as 'The Body Shop'.
We ask that you stop in and welcome them to the community and see the changes they've made.

To all of our customers who have become like family to us through the past nine years, we thank you from the bottom of our hearts - we will miss you and the great times we shared.
We hope you will embrace the new owners as you have us through the years.

God's blessings to you all,

From this angle

Even though we are attempting to 'labor' on Labor Day, there is very little traffic downtown this morning. Either some are taking advantage of the holiday and going out of town or maybe others are enjoying hunting. Students are in school today so that accounts for some. Anyway, it is a pretty day, with just a little wind. Probably just the kind of weather our cotton farmers are hoping for right now with the beautiful crops.

Zo Felts, her husband Carol, her sister Beth Whitaker of Benbrook, and Beth's granddaughter Rachel Masters of Weatherford were in Abilene Sunday afternoon to visit the ladies' aunt, Ila Lindsay on her 87th birthday.

Here for the annual Perdue family get-together that Marion Perdue and her late husband Neil started on Labor Day 58 years ago were Biff and Susan Perdue of

Houston, Duane and Charlotte Seay, Don and Laurie Chandler, Wesley and Jenny Wilson, Baldemar and Kristen Perez, and Wes Chandler, all of Snyder, and Katie Nance of Austin.

Spending the weekend with Leo and Ervalene Beason were their son and his wife, Ray and Sandra Beason of Burleson and Mary Jo Sharp of Amarillo.

Wilma Hogan, her sister Mary Lu Grant of Littlefield, and their two brothers James Measles of Lehi, Utah, and Bobby Measles of Mineola, Texas, honored their mother, Mary Measles, with a birthday party Saturday in the Weinert Gym. Mrs. Measles, who lives with Wilma and her husband, Bud in Munday, was 95 years young on September 1. Ninety people attended coming from Florida, Tennessee, Utah, Nevada, and from the top of Texas in Amarillo to Houston. This in-

cluded 10 grandchildren, 27 great-grandchildren and seven great-great-grandchildren. Wilma told us that all but one granddaughter was here, and she would have been but as she was ready to board the plane in Ontario, California, they discovered a suspicious bag and everyone had to leave and this caused her to miss her flight.

It was good to have Estelle and Weldon Skiles visit in the News office Tuesday. Weldon is still taking physical therapy in Wichita Falls. He really is enjoying getting to be home and has been out to visit those playing golf at the KC Country Club. Good to have you home, Weldon.

Don, Marla, and Travis Hawkins attended their annual family reunion at Lake Brownwood over the Labor Day weekend. Their daughter, Kimberly, a HSU student, met them there.

Benjamin news

By Gladene Green, Benjamin Correspondent

The Benjamin Mustangs plagued by penalties suffered a loss to Samnorwood Friday night. The game ended with a 22-14 score at Samnorwood. This week the Mustangs play Paint Creek here. Earlier in the week, the volleyball girls won their first district game after making the trip to Rotan for the matchup. This week's games include Lueders-Avoca here Tuesday and the Newcastle tourney on Saturday.

About our ill -Jane Gideon spent last Thursday night in Knox County Hospital. Was released on Friday p.m. but is not doing too well. Has appointments with two specialists this week - one on Tuesday and one on Thursday. Maybe they can determine her problem and get her back on the road to better health.

Visited with Odessa Cox Thursday at Haskell Health Care. She seemed to be feeling pretty

well physically but was a little confused. Probably from medication. She was very glad to have company.

Reports are that Omitene Barnett may get to come home early this week. I know she's ready as she's been in the hospital several weeks.

Sympathy to the family of Rita Curd who passed away Friday night. Her health had not been good for awhile and I believe she had been hospitalized a couple of days before her death. Also sympathy to Sandy Gore of Vera, now of Amarillo, whose father passed away last week. Sandy finished school here and is known, (as were her parents) by everyone here.

Here 'N There - Kathy Tomlinson of Denton and Betty Parker and family of Aspermont were Sunday guests of their parents, Leroy and Gloria West.

Sue Terry and children of Dal-

las were weekend guests of her mom and dad, Jane Gideon and Weldon Gideon and her sister, Lana Mendoza and family.

Debbie and Mike Moorhouse enjoyed grandkids, Bailey, Joe Don and Lexi Taylor of Childress, Saturday and Sunday.

Mary Jane Young reports that their daughter, Debbie and family who reside in Boca Raton, Florida, had no effects of Hurricane Francis. Always makes us wonder when we know folks in those areas that have had such destruction and were very thankful to hear that Debbie and her family was OK.

Little Kinsey Benson had a weekend visit with her grandmother, Kathy in Graham.

Enjoyed a visit with Parker and Janice New (who live near San Antonio) on Saturday night. They were in the area for the Gilliland homecoming Sunday.

Thank you . . .

We would like to say a big Thank You to the Knox City community for all the support and love you have shown since Brandon's accident. Thank you for making the benefit a huge success. We have been overwhelmed with your support.

SMALL towns do it BIG when it comes to helping each other.

Through therapy, Brandon gets stronger and more determined each day. He looks forward to coming to Knox City and seeing his friends "at home".

SEEDS FROM THE SOWER
 Michael A. Guido
 Metter, Georgia

One morning a father read the Bible to his family and prayed. Just as soon as he said "Amen!" his little boy shouted, "Now let's do something."

He had the right idea, for the Bible says, "Be ye doers of the word, and not hearers only."

Many listen to the Bible, but they don't accept the Christ of the Good News. They pray that sinners might be won to the Lord, but they don't put feet to their prayers and witness to them.

Oh, it's easier to preach than to practice. It's easier to say than to do; most sermons are heard by the many, but taken to heart by the few

Point of sale sticker printing being introduced in Knox Co.

Point of Sale Sticker Printing (POSSP) and a new vehicle registration sticker design are being introduced in Knox County. The new registration stickers feature several improvements to deter sticker misuse and eliminate the need for state inventory control.

The new process was piloted in Caldwell and Bastrop Counties and will be implemented in 185 counties across the state beginning August 25. This initial phase involves counties that do not process transactions through subcontractor stations (e.g. grocery stores) or automobile dealerships. These latter types of transactions will be piloted in McLennan, Williamson, Angelina and Harris Counties over the next few months, will full statewide implementation expected to be completed by early 2005.

Registration stickers will not be printed at the point of sale. Information specific to the registered vehicle will be printed directly on the sticker, which will help deter theft. TxDOT switched from license plate stickers to windshield stickers for most passenger vehicles about a decade ago to cut down on theft, and the new method will enhance these efforts. (Plate stickers are still used for motorcycles, trailers and some other types of vehicles.) Each sticker will show the last eight digits of the vehicle identification number, the license plate number, county of registration, and registration month and year.

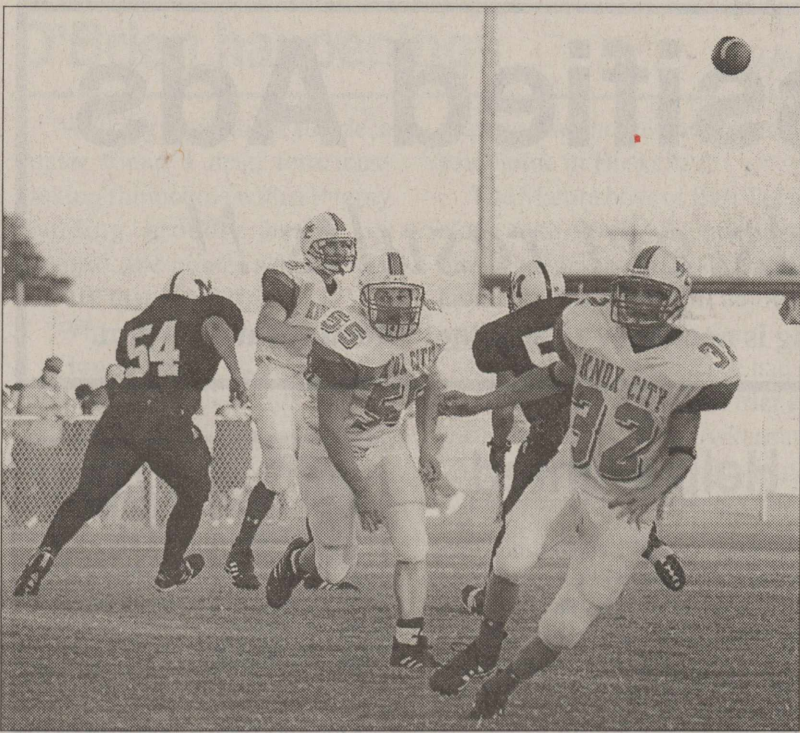

damaged and a replacement sticker would be necessary. Plate stickers should be peeled from the front of the form.

When the POSSP method is completely implemented, the new type of sticker will be issued for all registration renewals, including in-person, mail-in and Internet transactions. POSSP prints the sticker on the customer's receipt, so stapling stickers and maintaining manual sticker books will no longer be necessary. This also eliminates the manufacturing and storage of 400,000 pre-printed sticker books annually for the current system.

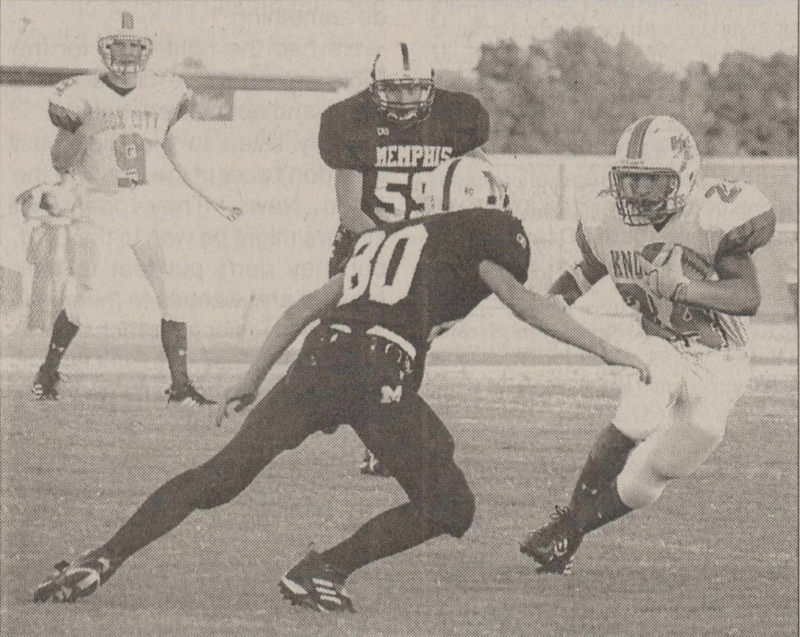

In the past, yearly windshield stickers were printed in mass quantities based on projections of annual vehicle registrations. POSSP will eliminate the waste of excess stickers resulting from this process each year. As each sticker is printed "on demand" for a specific vehicle rather than pre-printed and later assigned to a vehicle, any internal accounting of the blank forms used for the POSSP is now optional rather than required.

Registration transactions will be tracked through the state's automated Registration and Title System in much the same way as the previous method.

"This new method is a significant improvement in our processes," said Kim McLemore, Knox County Tax Assessor-Collector. It offers greater protection for vehicle owners by making the stickers worthless if they're stolen. We also expect to im-
