Indira Monge is Houndette of the Week, district play resumes

Selected as this week's Houndette 'Player of the Week' is KCHS junior Indira Monge. Indira transferred this month from Benjamin. Even though she was going to school at Benjamin, she resided in the Knox City-O'Brien CISD school district, so was eligible to play after 15 days of her arrival.

Coach Jaree Elliott stated that Indira is a good athlete with very good work ethic and understands that there are roles you must fill on the varsity level and she fills her role very good. Coach Elliott continued on by saying that Indira is an amazing server and she was chosen this week because during the Paducah match, the Houndettes were down 21-15 in the second match. She also pointed out that it is very hard to come back and win in rally scoring when the other team is that close to winning and KC is six points down. Indira

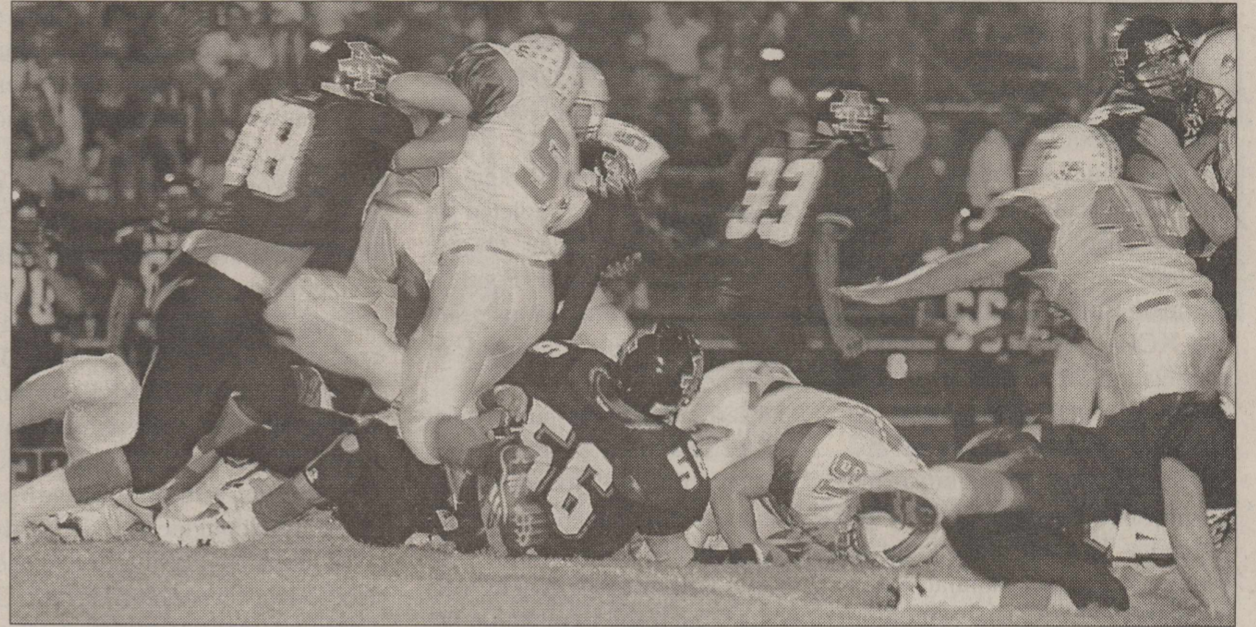

INDIRA MONGE

met the challenge, stepped back to the line to serve and served 10 consecutive points with five aces to win the game. Anyone who can step up to a challenge like that makes the team more whole and deserves player of the week,

Coach Elliott said.

Tuesday, September 14, KC hosted Paducah's junior high and varsity. Junior high won 25-20 and 25-14. Mea Abila scored eight consecutive points serving the first game while Jessica Ledesma did the same in the second game. In varsity, KC won in three with 25-17, 25-212 and 25-19. Saturday, September 18, we hosted Albany JV and varsity and Notre Dame varsity. KC only played best out of 3 against Albany JV and varsity and defeated them in both. In JV, KC won in two with scores of 25-22 and 25-21. This was a big win as Albany is tough every year and though KC will play them more than twice in a season usually, the Houndettes have yet to win, Coach Elliott said. Albany always has a very competitive team that goes past district, so

Tigers claw Greyhounds, but Knox City plays tough and hangs on for 24-20 win over Anson

The 0-4 Class AA Anson Tigers flexed their muscles last Friday night for their homecoming game, barely losing to Knox City's Greyhounds, 24-20.

Playing at Tiger Field, the 'Hounds seemed to start the game a little overconfident of their 4-0 season record while Anson looked like they were trying as hard as they could to change their 0-4 record.

Anson took control of the game in the first quarter as they moved the ball against the Greyhound defense and rushed the 'Hound Offense.

Knox City began a rally in the second quarter, then came back really strong after halftime to play an outstanding third quarter. Not staying down for long, Anson took control of the fourth quarter, losing only after not being able to score in the closing minutes of the game.

Playing a brutally physical game, Knox City lost starters Derrick Magana and Chris Norton to injuries, while Anson lost one of

their starting running backs. Magana has already had surgery on his left arm, and Norton could miss several games with a leg injury.

While the game was close and hard fought right up to the last minute, the Greyhounds proved that they are able to come back from being behind on the scoreboard, and that their depth in several key positions will be a key factor as the season progresses.

Even though Player of the Week honors went to Eric Lewis, Drew Barnard, Riley Spells, Ty Chisum, Kylin DelValle and Adon Silva, the entire team is to be congratulated for their comeback effort to win the game.

On offense, senior Riley Spells leads the team so far this season with 435 yards on 54 carries with 4 touchdowns. Junior Quentin Spells is not far behind with a total of 384 yards on 41 carries with 7 touchdowns. Sophomore Cody Wainscott is also a team leader this year with 163 yards on 17 carries and 2 touchdowns.

Quarterback Andy Shaver has thrown the ball 44 times, with 33 completions, 594 yards and 9 touchdowns.

Derrick Magana leads the receivers with 15 pass receptions for 273 yards and 6 touchdowns. Receivers that will step up their pace with Magana's injury this week are Quentin Spells, who already has 6 receptions for 123 yards and 1 touchdown, along with Ty Chisum, who has 9 receptions for 94 yards and 1 touchdown.

Defensively, the 'Hounds are lead by senior Eric Lewis with 49 tackles, followed by Kylin Delvalle with 37, Cody Wainscott with 33, Ben Simmons with 31, Tomas Myers and T.J. Richardson with 26, Riley Spells with 24, and C.J. Bruce with 23.

The Greyhounds travel to Baird this Friday night for their last non-district game. Kickoff time is scheduled for 7:30 p.m.

The team has an open date on October 1 before taking on Albany at home for the district opener on Friday, October 8.

O'BRIEN MID-SCHOOL CEI LAB has earned an exemplary status from the Creative Education Institute (CEI) of Waco. CEI lab facilitator Isabel Rodriguez, center of photo, received the honor by meeting CEI's stringent recommendations for running a successful lab. The school administrators implemented the lab, which used CEI's educational software programs, to help students develop new learning patterns and strengthen weak processing. This effective combination of teaching methods frequently results in improved test scores, self-esteem and overall performance. Shown Monday morning of this week with Isabel are Russ Chisum, O'Brien Mid-School principal; and Audrey Murphy, regional education coordinator. Chisum credited the entire O'Brien Mid-School staff for a job well done and for making a difference in the lives of students. (NEWS digital photo)

Historical museum building for Knox County is underway

The historical museum building long planned for Knox County is underway. Officially named the Wichita-Brazos Museum and Cultural Center, the museum site is on the north side of U.S. Highway 82 in Benjamin, about one block east of the Knox County courthouse.

Phase one, putting the building "in the dry" is now underway. The building's finance committee made a decision last spring, to buy and store rebar and metal. The purchases made then have saved a few thousand dollars. Jeff Jordon of Olney is donating his labor and has started work on the foundation.

It was good news announced at the September 14 meeting of ways to raise money for the completion of the museum. (1.) A Knox County historical calendar is on the way to an Abilene publisher. Kenneth Roberts and members of the KCHC staff have been collecting photos of Knox County buildings since last spring and working out the format for the calendar. Every community in the county will be represented in the calendar. The calendar should be available for the annual Knox County Veterans Day celebration in Benjamin, Thursday, November 11. Old pictures of places, people and events in Knox County are being collected for future calendars. (2.) A quilt, called "Flowers Around the World", has been pieced by Mary Cartwright of

Munday as a museum fundraiser. Tickets for the completed quilt will go on sale in October. (3.) A garage sale to benefit the Wichita-Brazos Museum and Cultural Center's building fund will be held at the Truscott Community Center October 16. (4.) A cookbook has been suggested for a future project.

Anyone who wants to help with one or more of the upcoming events can call the Knox County Historical Commission office at 940-459-2229 located in the Knox County Courthouse. Volunteers are needed to donate pictures for future calendars, donating items to the October 16 garage sale, selling quilt tickets and sending in recipes.

In addition, Mary Birkenfeld of Rhineland has completed an application for a grant for the building from the Priddy Foundation of Wichita Falls. This grant would help complete the inside of the building. The traditional hamburger meal will be served after the Veterans Day program on November 11. The meal will be at the Benjamin Ex-Students Center and that money will go to the KCHC Veterans Fund, used to maintain the memorial and to add named to the granite markers. Volunteers are needed for serving the meal and helping at the historical exhibit in the courthouse on that day. Items are needed to display at the exhibit.

Kindergartners off to busy year at Knox City Elementary School

The Kindergarten classes at Knox City Elementary have been very busy this school year. After three days of getting acquainted, learning the rules, and studying about watermelons, the students began their study of letters, shapes and numbers.

During the first full week of school, they learned the letter "L" and the sound it makes. They discussed things they like/love. They also read stories and discussed different animals that begin with the "L" sound such as lion, lobster, lamb and ladybug.

On Friday many of the parents came and brought a dish of food that their child liked. Shaped taught in Pre-K were also reviewed.

"O" was the letter for the second full week of school. They studies the ocean and many of the creatures that live in the ocean. They examined shells, a starfish and some water and sand that actually came from the ocean. On Friday, the kindergartners had an "Ocean Feast" consisting of goldfish crackers, octopi (made from weiners cut in half and then sliced half way up to make eight tentacles), shrimp and tuna fish. In math, they worked on recognizing, counting and writing the numbers to 5.

The third week of school was full of good readers. We studied the letter "G" and continued to work on counting, recognizing and

writing numbers.

Students discussed the importance of learning to read as they learned their first word "log". Some of the Greyhounds came and read to them. They were Riley Spells, C.J. Bruce, Ryan Harrington, Eric Lewis, Andy Shaver, T.J. Richardson and Ben Simmons. Some Grandparents that came and shared a story were Sherry Hacker (Elissa's mamma), K.B. Guerry (Hailee's Grannie Goobie), Cindy Muhle (Gabby's grandma), Ernie Eaton (Kayla's Grandpa) and Paulette Moore (Kristopher's grandma).

Thursday, Skylin Ledesma's mother and little sister came and brought two goldfish to observe. Trey Ledesma's mother and little brother brought a guinea pig to show the classes. That afternoon, during music class, Eric Lewis, brought his guitar. The kindergartners sang songs and listened to him play.

On Friday, the Greyhound mascot, Brittany Hawkins, came in her suit and shared a story. That afternoon, students got on the bus and went to the golf course. Each child got to practice swinging a golf club, looked at the hole where golf balls go in, and then a very nice man who happens to be a big "Greyhound Fan", Sammy B. White, gave each child a golf ball. They were all very excited. That was a great way to top off a busy "G" week!

The Hounds held on Friday night staving off a fourth quarter rally by Anson to win 24-20. However, we had two players injured during the game. Derrick Magana and Chris Norton both suffered injuries early in the game. Derrick underwent surgery Sunday in Abilene. According to his mother, his arm was broken between his wrist and his elbow and his recovery time should be between four to six weeks. She told us Monday morning that he was doing well. According to reports, Chris's knee injury did not require surgery. Our best to both of these Greyhounds!

This weekend the First United Methodist Church will be observing its 100th anniversary with a homecoming on Saturday and Sunday. Then in two weeks on October 9-10, the First Baptist will be celebrating its 100th anniversary. In doing a little research in the *Knox County History* published in 1966, we learned that The First Methodist Church was organized on July 23, 1904, in a downtown building. The congregation continued to meet in a vacant downtown building until a school house was built and the churches alternated in holding services in it. The First Baptist Church was organized in 1904 in the Reeder School house, which stood where the Knox City Cemetery now is. In 1906, a church building was erected on land that was later added to the school property. Both of these special

occasions are expected to draw a number of out-of-town guests.

A.P. and Kay Denton and Lou Vail spent last weekend in Austin attending the University of Texas volleyball tournament. A.P.'s granddaughter, Rachel Denton, plays volleyball for Liberty University in Lynchburg, VA. Although Rachel's team did not win, the group enjoyed all of the games including the Saturday night game against the University of Texas. The band, cheerleaders, mascot, and announcer made the game a lot of fun. Rachel is the daughter of Tim and Darlene Denton of Burnet. Also attending were Lois Bruton of Olney, David and Gay Denton of Arlington, Danny, DeLynn, Allison, and Andrew Denton of Flower Mound, Donny, Chrisy, Shelby, and Christopher Denton of Bedford, Audrey and Gary Wright of Fort Worth, Tim, Darlene, Renae and Tyson of Burnet, and many of Rachel's friends from Burnet. They all stayed at the same hotel and had fun playing games and swimming and eating in the local restaurants.

Lou Vail and Lois Bruton spent several days in Arlington with David and Gay Denton. Gladys Vail stayed with her daughter, Phyllis and Bob in Haslet.

Our sympathy goes out to the family of Jo Hacker, who died Saturday in Bowie after a long illness. Services were Tuesday in Bowie.

Sympathy also goes out to the

Felts family. Funeral for Carol's mother was held Saturday at Lueders.

There have been several in our community who have undergone surgery the past few weeks and we like to keep our readers informed.

Peggy Clarke had back surgery in Lubbock on September 10. She was able to return home on September 15 and reports that she is progressing nicely.

Renella Watson had surgery for carpal tunnel syndrome in Abilene about three weeks ago and reports that she is feeling really well.

Birdie Helton has begun pain management procedure and will have an evaluation this week to determine future treatment. Birdie says that right now she is free of pain due to medication.

Joanna Goodman, who, with her husband Floyd moved north of town several months ago, underwent surgery in Lubbock on September 2. After a couple of weeks in the hospital, Joanna is now recuperating at home. She will go back to Lubbock for a follow-up on October 4. She said that she was going to be able to take chemo in Abilene.

We certainly wish all of these ladies speedy recoveries!

The paper will be printed one day earlier next week, so we are asking our readers to call in their news by Monday noon. We will appreciate your helping us out!

O'Brien student council 'little red wagon' wins at Knox City pep rally

By BRANDON BRADLEY

The latest school activity of the O'Brien Student Council was the "little red wagon" competition at the high school pep rally. It's where you decorate a red wagon with Greyhound spirit and walk around the gym with the wagon.

There were three people to judge which classes won. The O'Brien Student Council made a wagon and won. Our next activity will be Fear "Factor" and it will be written about in the next article.

'WHEELS-FOR-LIFE' Bike-a-thon participants rode Saturday, September 11, to benefit the St. Jude Children's Research Hospital. Participants were Casey Stiewert, Christopher Espinosa, Spencer Edmonds, Stuart Edmonds, Saylor Edmonds, Jordan Stiewert, Stratton Edmonds, Cara Espinosa, Aaron Espinosa, Tanner Snider and Devin Harris. Also collecting money was Jose Espinal. (Courtesy photo)

Benjamin news

By Gladene Green, Benjamin Correspondent

Another week has begun - lots of things going on over this way but most of it is not to newsworthy. Folks are busy with their regular routines which most of us agree is not too exciting!

Good to report that the news of our ill is better. Omitee Barnett seems to continue daily. Is able to be home and she is very glad about that. Her sister, Wynelle Holloway of Fredericksburg, is here with her for awhile.

Jane Gideon spent a night in Wichita Falls hospital last week. She has several blockages and the doctors are taking care of them one by one. Last week they did the one to her kidneys and within the next couple of weeks she will have the one to her leg and stomach done. She's feeling better but will not be completely back to normal til all these trips to the doctor are over.

Seth Kuehler, a senior in BHS, is in Hendricks in Abilene. Was taken there Saturday after a few days in Knox County Hospital. He has had some tests and had an infection in his knee so had surgery for that Saturday night. Is on antibiotics and will be for several days. He (and his family) hope to be home here in a day or so.

Sympathy to the families of Don Morrill and Nora Hertel today. Both passed away on Saturday and their funerals were today (Monday). Don has been in Wichita Falls in and out of the hospital and care home after surgery in the spring. He was doing pretty well but suffered a stroke last week and really never did very well after that. Nora had been in Munday Nursing Center

several years and had really failed the last two years. Both were in their 90's and had enjoyed a long life of pretty good health until recently. They will be missed by all their friends and family.

Also sympathy to the family of Austin Tomlinson Jr., who passed away last Wednesday in Denton. Jr. was married to the former Cathy Clower. His funeral was Friday in Johnson Cemetery at Munday.

Sports - Friday night the Mustangs had an open date so maybe a week's rest will have them ready to meet Patton Springs here this coming Friday night.

The volleyball girls won again Tuesday when they met Aspermont here at home. We hope the trend continues tomorrow (Tuesday) when Knox City comes here for a match.

They all went to Guthrie Saturday for cross country. The high school girls came in third. The boys placed second and junior high won first. Several also did well individually.

New Arrival - Kayla Jo Hunter has a big announcement to make. She has a new baby sister. Elizabeth Ann was born Thursday, September 16, at 7:30 p.m. in Abilene. She weighed 7 lbs., 3 oz. and their parents are Tony and Kendra Hunter.

Grandparents are Penny Eaton and Ernie Eaton of Benjamin and Johnny and Carol Hunter of Knox City.

Great-grandparents are Dorothy Spikes of Benjamin, Mr. and Mrs. J.E. Hunter of Munday and Helen Strickland who lives in the Dallas area. At last report, everyone is doing fine.

Here 'N There - Sybil Chandler of San Diego, California, is here for a few days visit with Fred and Nancy McGreger and with friends and relatives in Crowell.

Lorene Powers was in Midland a few days last week visiting and attending to some business matters.

Anthony Lamb of VRJC was home for the weekend. And speaking of VRJC Brittney Sheedy is also going over there. I failed to get her name in when I sent the "off to college" list in.

Leslie Morrill who lives near Houston, Glenda and Larry Bearly of Erie, Colorado, and Jim Cox of Corinth were here Monday for the funeral of Don Morrill.

Don Hertel's sons Kent and family of Coppell, Craig and family of Gainesville and Scott and family of Dallas were here Monday for the funeral of their grandmother, Nora Hertel. Kent and family were here Sunday and their young daughter Olivia was christened Sunday morning in the Methodist Church. Olivia is 13 months old.

Reports on Odessa Cox who is now residing in Haskell Health Care is that she's having some pretty unpleasant days. She would like to be home and is having trouble adjusting to her new way of life. If you are in Haskell run by and see her. She's always glad for "company to come".

I just learned that Debra Hudson Ebraheim is in a Lubbock hospital. Her problem is heart related and doctors are trying to decide what treatment they will use or if some surgery may be needed. We wish her well.
