

FIFTH SUNDAY MEETING WILL BE HELD HERE

The Fifth Sunday meeting of the Haskell Association will convene at the Haskell Baptist Church Friday night January 29th, and continue until Sunday, closing Sunday night. A large delegation of Baptists over the county are expected to be in attendance. An excellent program has been prepared and all who come will enjoy the services.

FRIDAY WAS COLDEST DAY OF THE WINTER

Snow has been on the ground for the past seven days although very little snow remains to be seen after the two days of sunshine which put in appearance Tuesday and Wednesday of this week. The coldest day of the winter according to Judge P. D. Sanders was early last Friday morning when the thermometer stood at 10 degrees above. Monday morning was the coldest this week when the temperature registered 13 above. It is believed that the moisture gained through the snow fall will be of untold benefit to the farmers of this section.

There seemed to be something a little peculiar about the cold periods in the weather in this section the past week. Very little wind was in action in all of West Texas. It is said, by weather forecasters that there was a high pressure in West Texas and the wind going outward left a suck-hole in this section and the cold air which was at zero temperature 3,500 feet up took advantage of the vacancy and dropped carrying the mercury down with it. The breeze starting up shortly after the drop and the temperature rose thereafter and the sudden frigidly almost like it came.

CHAS. M. CONNER ANNOUNCES FOR RE-ELECTION

We take pleasure this week in making the announcement of Chas. M. Conner as a candidate for the office of Tax Collector to succeed himself subject to the action of the Democratic primary in July. Mr. Conner has made Haskell county an efficient officer and is asking for re-election on the record he has made during the past. The following statement is made by Mr. Conner regarding his candidacy.

To the Voters and Citizens of Haskell County:

"I feel that I need no introduction to you. I am glad to have had an opportunity to serve the citizenship of Haskell county, and am grateful to you for your hearty co-operation and past favors.

"During my administration as county Tax Collector I have endeavored to give you faithful, fair and efficient service. There are certain duties of the Tax Collector that are mandatory, and I have tried to perform these duties to the best of my ability.

"I will appreciate your vote and influence during the coming campaign and election. If you see fit to reelect me, I promise to give you the same faithful, fair and efficient service in the future that I have endeavored to render in the past."

Yours for Service,
Chas. M. Conner.

LOCAL FIRM STAGES IMPLEMENT DAY

"Oliver Day" Tuesday at McCollum, Ellis & Couch Hardware Company of this city was pronounced a success by the firm. Farmers and other citizens of the city and county thronged the store all day and to make things more enjoyable, Mrs. McCollum, Mrs. Couch and Miss Elma Kinnard served hot coffee and cakes to the visitors in the afternoon. The firm realized a profitable day from the venture and trading in implements and other merchandise was lively throughout the day. T. A. Calman of the Plainview community received the cultivator No. 35 on the highest sealed bid over 24 other contestants, paying \$65.37 for the cultivator which retails for \$70.00. He then traded the cultivator back to the firm on a line of two-row implements, receiving the retail price for the single row cultivator in the exchange. McCollum, Ellis & Couch are a wide-awake progressive company and are striving to please their customers in selling them first class merchandise.

Mrs. Salome Ware spent the last week end with her parents, Mr. and Mrs. C. W. Hledsoe. She was on her way from Stephenville Texas where she has been employed for several years, to St. Louis, where she has accepted a position.

Whoa, There! January

ROCHESTER VOTES FOR WATER SYSTEM

The city of Rochester held a bond election Tuesday January 26, for the purpose of putting in a water system for the city which carried with only a few dissenting votes. When the votes were counted the ballots stood 121 for and only 11 against. Rochester has been without fire protection since it has been a city and many disastrous fires have occurred in the city in the past few years and the citizens waked up to the fact that they must have a water system for their protection against the ravages of the flames.

Only a Few Days Left In Which to Register Your Car

All owners of cars and other motor vehicles are warned by the sheriff's department to register all motor vehicles and tag them properly with the 1926 registration tags before Saturday night January 30, 1926. It is not the will of the Sheriff's department to cause any one trouble, but the law demands that this be done and of course the sheriff must enforce the law without fear or favor. Be sure you do not let the few remaining days go by without registering your car or truck. It will cost you 25 per cent after Saturday January the 30th.

JUD DOWNS FOSTER IN FAST GAGE GO

On Friday afternoon January 15th Jud basket ball quintet motored to Foster and played them a hard game and returned with the big end of a 19 to 10 count. The scoring was almost even in the first half but the visitors got away to an excellent start in the second frame when Anderson, Jud star player, made a field goal from mid court, which greatly astonished the Foster fans as well as players. The Foster boys failed to score in the last half, save two free tosses for goal. The features of the game were the sensational guarding by Ivey and West and goal tossing by Karnes and Anderson for the visitors.

MUCH CREAM BEING SHIPPED FROM HASKELL

O. L. Reaves who is shipping cream from Haskell reports a decided increase in his shipment of cream since the new year began. He receives cream every Saturday for shipment and last Saturday which was a very disagreeable day his receipts showed more than 100 gallons of cream had been received. Mr. and Mrs. Reaves are teaching the Gauntt School and they come to town to receive cream each Saturday in the week and are thus furnishing a needed market for this fast growing dairy product.

Mrs. J. U. Fields returned last Wednesday morning from the General Assembly of Women's Clubs, Washington D. C.

Expression Class Will Present 3-Act Play Tomorrow Night

Of all sad words of tongue or pen, The saddest are these: It might have been. But more tragical words, as you'll agree, are: It is, but it hadn't ought to be.

The Expression Class of the High School will present, "The Bashful Mr. Bobbs," a three act farce comedy, at the high school auditorium, Friday, January 29, at eight o'clock. This play will be directed by Frances Grisson and Bruce Bryant under the supervision of Miss Wear, and will constitute a part of their term's work. All directing, special training, stage setting properties and costumes will be managed by them. Not only will you be interested in the play but also in seeing what kind of work these girls can do.

The plot is simple, centering around Marston Bobbs, a society flirt, his cousin, Robert who gets blamed for his cousin's affairs and is so miserably bashful that the sight of a girl makes him act like a lunatic; Jean Graham the fiancée of Marston and Celeste, the movie actress who makes havoc of the whole plan. Obadiah Stump and Mrs. Wiggins furnish plenty of fun throughout. It is a light comedy thoroughly amusing.

The cast is as follows:
Katherine Henderson, a young wife—Frances Grisson.
Frederick Henderson, her husband—Leo Duncan.
Mrs. Wiggins, the landlady—Nella V. Whetaley.

Obadiah Stump, a fresh, country product—Orval Graham.
Francis Whittaker, an athletic girl—Mary Kimbrough.

Rosalie Otis, a society bud—Veta Humphries.
Robert V. Bobbs, the bashful one—Louis Sherman.
Jean Graham, a Delaware peach—Bruce Bryant.

Marston Bobbs, anything but bashful—Chester Strickland.
Celeste Vanderpool, of the movies—Christine Ballard.

Julie, her French maid—Jessie Maud Hayes.
TIME.—Day before yesterday.

FIRST METHODIST CHURCH OF HASKELL ORGANIZED IN 1884

According to F. G. Alexander the Methodist Church organization took place in this city in the summer of 1884 with seven members and he and Mrs. Alexander were two of the Charter members. The organization progressed nicely from the start and the next year a preacher was given the organization. Rev. J. H. Wiseman was the first minister and he served on a mission for Jones and Haskell County giving half of his time to Anson and Haskell which were the only organized churches at that time. Mr. Alexander could not recall the names of all the charter members but he and Mrs. Alexander are the only ones living in Haskell who were in the first organization.

Miss Margaret Hallmark returned to her home in Lampasas after spending a month with her aunt and family Mrs. Jesse Collier.

TAXES MUST BE PAID BY SATURDAY NIGHT

According to the books of Charles M. Conner Tax Collector of Haskell County there has been only 3,680 poll taxes paid up to 10 o'clock Wednesday morning of this week. The tax rolls show 5,750 renditions for poll taxes, which leaves 2,070 poll taxes unpaid according to the rolls. The total number of poll tax receipts issued last year was, 4,770 and this year is expected to exceed the number of last year when all the payments are in.

There were only 2,267 automobiles registered up to the same time Wednesday and only 140 trucks. A little over 4,000 registrations were made the past year on trucks and automobiles which show that many automobiles and other motor vehicles in the county are still unregistered. One month's time has been allowed to all to register their cars and trucks and Saturday January 30th is the last day. All cars and trucks which have not been registered will cost the owner after Saturday Jan. 30, 1926, 25 per cent additional to register them.

Pleasant Valley School Will Give Play Friday Night

The pupils of the Pleasant Valley school will put on the play entitled "The Poor Married Man," at the school house Friday night January the 29, which will be a splendid entertainment. The proceeds will be used for school and playground equipment and a liberal patronage is expected. This is expected to be the best play ever staged in this section.

HASKELL MERCHANT HELPS INSTALL NEW MUNDAY STORE

W. H. Atkinson manager of the "M" System here spent several days in Monday last week helping install the "M" System Grocery store in that city. He also reports a very satisfactory business from his store in this city.

Mrs. Will Tompkins III RETURNS FROM MEET

The many friends of Mrs. Will Tompkins will regret to learn that she is ill this week, but it is hoped by all that she will soon recover her health.

COUNTY AGENT TRICE RETURNS FROM MEET

County Agent Trice has returned from Dallas where he attended a County Agent Conference the past week. He states that several hundred county agents and home demonstration agents were present for the meeting from various counties in the State. The meeting was for the purpose of giving intensive schooling in the various activities which demand the attention of the employees in this service. Representatives of the federal government and the Agricultural and Mechanical College of Texas were the main speakers before the Conference.

HASKELL TELEPHONE CO. BUYS MEGARGEL SYSTEM

The Haskell Telephone Company has purchased the system at Megargel and will make it a part of the system of the company. The linemen and other workmen are giving the lines and office an overhauling and when completed will add much to the service at Megargel and its trade territory.

FARMERS TURNING TO DIVERSIFICATION

According to the statement of County Agent Trice the attention of the farmers of this county is being turned more each year to the upbuilding of his soil. Terracing of the farm lands has done its part in bringing this fact before the people, yet terracing in itself does not solve the problem if the farmer continues to grow the same crop on the land year after year, and the sooner he comes to the realization that a diversity of crops is necessary along with the sow, cow and hen to their rightful places on the farms in Haskell County.

Cotton, it is true is the leading money crop of Haskell County, yet we believe that this crop can be too large. This fact is brought home to us each year as we pass various cotton fields in the country and see the results where cotton has been following cotton year after year. We see dead stalks galore, stalks that are stunted and spots in the field where it seems that cotton will not grow and we wonder if it is true that different crops require somewhat different elements for their proper development? We pass other fields in the same locality and note the difference in the two crops. On questioning the farmer we find that his land has been prepared under practically the same conditions as that in the other field, yet when he stated that he never grew cotton on his land more than two years in succession we found the answer to our question.

Did you ever stop to think what it would mean to Haskell County if every farmer would plant, at least, one third of his land to grain and feed in the proper rotation?

A. A. HEATHINGTON ANNOUNCES FOR RE-ELECTION

A. A. Heathington makes his announcement this week as a candidate for re-election to the office of County Superintendent of Public Instruction subject of course to the action of the democratic primary to be held in July.

Mr. Heathington is now serving his first term as County Superintendent and is making the county a good one. The schools of the county are in excellent conditions under his supervision and we might add that there has been less friction in the rural schools during the past two years than was ever known before. The records of the office have been kept in a very systematic manner, which is a credit to Mr. Heathington as well as Haskell County.

According to democratic custom, when an officer gives entire satisfaction he is entitled to a second term, and the Free Press believes that the voters of Haskell County will reward Mr. Heathington for his work by returning him to the office for another term.

Mr. Heathington may not have an opponent in the coming campaign, but if he does not he will appreciate your vote and influence, just as much, as if the office was being contested by an opponent. He promises if elected the same fair and efficient work in the future that he has endeavored to render in the past.

RETURNS HOME AFTER SUCCESSFUL OPERATION

Mrs. Scott W. Green Jr. returned to Haskell Sunday night from the Baptist Sanitarium of Abilene where she underwent a successful operation a few days ago and she was getting along nicely on last report.

KNIGHTS OF COLUMBUS TO ERECT BUILDING

The Knights of Columbus of this State will erect a two-story stucco chapel at A. & M. College of Texas in the near future, which will cost approximately \$20,000. The building will be located just outside the north gates of the College Campus. The second story will be used as a chapel where services for the Catholic group will be held on Sundays, and the lower floor will be fitted out as a reading and entertainment room for use of the Newman Club. Work on the structure is expected to begin within a month or six weeks.

HASKELL RECEIVING MUCH PUBLICITY

Haskell is, perhaps, enjoying more publicity through the newspapers than many towns in West Texas in her class or larger, according to Manager F. N. Clifford of the Board of City Development.

In this section, called West Texas, the monthly paper from the West Texas Chamber of Commerce, sent all members and thousands of exchanges and libraries in many states, West Texas Today, is carrying stories and photographs of Haskell and her people and views of interest. This publication deserves the careful reading of every member and brings a message worth while and also shows the value of the organization itself.

The Fort Worth Star-Telegram, one of the dailies of Texas ranking high in circulation uses quite a lot of Haskell news. These items, in the majority of instances are not found in the earlier edition coming to Haskell and this section but, the correspondent reports a very satisfactory check each month, although he sees few of his articles in the paper, which assures him his "stuff" is being used or it would not be paid for.

The Dallas News, another big daily newspaper enjoying a wide circulation in the country, in general, has several editions, two of which are received in Haskell; one in the morning and one in the evening; and carries quite a number of stories or news reports as well as photographs from Haskell.

To explain why many items dated Haskell are not seen in this newspaper locally, Mr. Clifford stated, on Sunday morning, January 10th the News missed connection at Abilene, and subscribers bought the later edition in the evening. The early edition went over a vast territory, of course, and in that edition Haskell was represented by 7 items. The evening edition carried another item which had not been in the early edition. Thus, because Haskellites taking these papers do not see the articles sent in, it is not a fair suggestion that Haskell is not well represented by local press correspondents.

No complaint has been heard, so far, but it is well that this explanation is presented, he said, in fairness to the correspondents here who are really watching Haskell's end in a manner complimentary to them and these papers should be considered very fair to Haskell in this connection.

The Wichita papers have correspondents here, as has the Abilene papers and readers of these papers are aware of the items found in them, he said.

It might be added, in justice to the local correspondents for outside papers, that stories uncomplimentary to Haskell are not used, as a general practice and in this the correspondent is to be complimented because they do not seek the compensation more than a desire to present the town in a complimentary attitude, something many news correspondents overlook in a desire to enjoy a large pay check.

Around her trade territory, the Free Press is carrying a splendid amount of advertising, very attractive publicity. Note the folks trading here from adjoining trade territory and be convinced. Also, more than 18 items classed as news graced the Free Press pages the past week; items suggesting Haskell intends to continue to develop. A close observer of the value of news matter, commonly called local items, will find this a fact.

PREACHING AT WEAVER BY FORMER PASTOR

Rev. W. T. Priddy of Peacock a former pastor will preach at Weaver Sunday morning at the 11 o'clock hour and also at night. The membership of the church is urged to be present. They expect to call a pastor and the voice of the full membership is wanted in this work.

Man Seriously Injured

Bro. Warnick who has been living in the Brushy community for the past two or three years was thrown from a plow and seriously injured one day last week while plowing in the field. His injuries might prove fatal, but it is hoped that he will recover. He was unable to fill his appointment to preach at Pleasant View last Sunday. This was said to be his last appointment at that place, but it was not expected to come through his injury.

HASKELL MAN RECEIVES NEWS OF BROTHER'S DEATH

Mr. J. E. D. Chambers of this city received a wire last week telling of the death of his younger brother, H. Chambers which occurred in Dallas Monday January 16th. The body of Mr. Chambers was shipped to Haskell by his sorrow.

TWENTY YEARS AGO

Taken from the files of the Free Press of January 27, 1906.

C. H. Burton of Sagerton was in Haskell the other day and told us that the town was considering the water problem, that surveys had been made which show that it can be solved by a tank located so it will furnish an abundance of water.

E. R. Tucker received a message by phone yesterday informing him that his little son had just died at Abilene from injuries received when his brother was killed a few days ago by a train on the T. & P. Railroad near Abilene.

T. L. Atchison was in town Thursday and said he finished picking cotton and that he got nineteen bales from 65 acres cultivated by himself and his son.

Sagerton is on a building boom. There are three lumber yards putting in here. The Grey Lumber Co., the Spencer Lumber Co., and the Higgins-botham. Two doctors and two cotton buyers have located here.

Tax Collector J. W. Collins informs us that \$22 poll taxes were paid up to noon yesterday and that there were 600 on the rolls unpaid.

Earnest and Sanders have ginned 2,000 bales of cotton this season. Leonard Mauldin, Byron Wright, K. Collier and Frank Robertson spent Tuesday on the Brazos hunting. We understand the hunt was a success.

T. G. Carney was in town Thursday and had us set his subscription up for a year to the Free Press.

Married at the Methodist parsonage in this city January 21, by Rev. J. H. Chambliss, Mr. A. R. Atchison and Miss Lillie Hallmark.

Married—Thomas H. McCluer of Bell county to Miss Sarah Robertson of Haskell county, January 21, 1906 at the home of the bride's parents 15 miles north of Haskell. Squire J. T. Knowles officiating.

Mr. Pink Miller who was on the hack line to Seymour in 1896 at which time he left here, has returned and will locate.

We noticed trading in the city. G. F. Atchison, W. M. Woods and Commissioner Cousins.

J. S. Sloan of Pinkerton was in the city Saturday.

J. J. Sharp was in town Tuesday. C. F. Terrell returned to Baird Monday.

Miss Eva Fields is visiting friends in Kaufman. A. L. Kendall of Jud was in the city Wednesday.

John Epley of Jud was in the city Monday. J. F. Norman was in town Wednesday.

J. F. Norman was in town Wednesday. W. T. Brown of the south side was in the city Wednesday.

J. F. Stephens of Munday was in town this week.

W. I. Brown of Coryell county is visiting his uncle, A. J. Brown this week.

J. E. Irby has purchased lots in the northeast part of town and will erect a residence on them and move to town. Mr. F. A. Klose of the east side was in our office Saturday. He is a subscriber to the Free Press.

The track on the Orient Railroad was laid into the new town of Rule the first of the week and it was announced that President A. E. Stilwell and other officials would come up the road to that point Wednesday. Quite a number of Haskell people drove over to see the new town and witness the arrival of the first train. There was a disappointment as to the latter, however, as the train made a night run up from Sweetwater and had gone back before the Haskell crowd arrived on the scene.

As yet there are only two or three stores in operation, a livery stable, blacksmith shop, meat market, restaurant and three lumber yards.

J. W. Allen of the northwest part of the county was in town the first of the week and reports everything seems in his section, barring the fact that the farmers are behind with their work.

Mrs. W. F. Rupe and Mrs. C. D. Long left Thursday to visit the family of W. B. Anthony at Austin. Before they return they will visit Corpus Christi and be gone about a month.

WEINERT

The following pupils were tardy during Monday and Tuesday of this week: Myrtle Pickering, Oleta Pickering, Jonnie May Logston, Mannie Pickering, Gussie Caddell, Vera Riddling, Carrie Mae Rich, Ruth Crump, Edith Mae Green (2), Flora Logsdon (2), Joe Logsdon (2), Elva Pickering.

It would seem as if I had said enough about tardies, but really that is the greatest evil in our school at present. We cannot teach our children if they are not here. It is safe to say that we have more tardies than most

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Strengthen it. Doctors prescribe Grove's and give praise by its strengthening, invigorating effect.

schools 4 or 5 times as large as Weinert. We think in most cases it is because folks sleep too late. Why not try sending them on time.

The following pupils made grades of 90 or more on last examination.

Tenth grade history—Olga Bowman 94, Carrie Mae Rich 90, Vera Riddling 93, Willie Abbott 94, Bailey Guess 95, Lone Weaver 90.

Ninth grade history—Dorothy Boone 95, Morgan Bowman 90, Manuel Medley 90, Lucile Edwards 90.

Eighth grade history—Jack Rich 93, Willie Gregory 94, Thelma Therswanger 97, Mayme Terry 91.

Tenth grade geometry—Olga Bowman 100, Carrie Mae Rich 97, Vera Riddling 97.

Ninth grade algebra—none. Eighth grade algebra—Thelma Therswanger 92.

Those in high school neither absent nor tardy during the month.

Tenth grade—none. Ninth grade—Dorothy Boone, Florence Gregory, Alberta Cousins, W. B. Miller, Hood Furrh, Manuel Medley, Lucile Edwards.

Eighth grade—Willie Gregory, Bob Edwards, Max Merchant, Ellice Medley, Vada McClaren.

In the tenth grade Olga Bowman ranked first with an average of 95 plus Mildred Cook second with an average of 90 plus.

In the ninth grade Morgan Bowman ranked first with an average of 87 and Alberta Cousins second with an average of 86.

In the eighth grade Thelma Therswanger ranked first with an average of 92 1/2. Willie Gregory second with an average of 92.

If Thelma had not missed 5 days her average would have been 97.

The Weinert basket ball team played Rochester at Rochester Monday at 4:30 with a score of 17 to 11 in favor of Rochester.

The teachers and pupils of the Bomarton High School put on the Drama entitled the Black Heifer in our auditorium Friday evening to a well filled house. Music was furnished by the Bomarton high school orchestra led by J. F. Odor who organized and directed their orchestra last year.

Alberta Cousins delighted the audience between scenes with an excellent reading.

The receipts were \$40.80. Our school receiving \$10.20 of the amount, which will be put in Library books.

The Weinert P. T. A. met on Monday evening at the regular hour. A bill for supplies for the school was allowed. Among other things it was decided to give a public program on two weeks from this time at the regular meeting. Everybody will be invited to attend.

We wish to publicly thank Mr. King for his hospitality to our band in having them at the show last week. The show was splendid and we enjoyed it.

Hall's Catarrh Medicine

Those who are in a "run-down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Combined Treatment, both local and internal, and has been successful in the treatment of Catarrh for over forty years. Sold by all druggists. F. J. Cheney & Co., Toledo, Ohio.

BUNKER HILL

(By Virgie McIntyre)

Bunkerhill school has just finished a busy and prosperous week. Our "Better Speech Week" was a decided success. Our police force did very effective work in arresting all violators of the Better Speech Rules.

We raised a large sum of money from our box supper Friday night. Miss Faye Campbell of the Plainview community won the cake for being the prettiest girl.

Plainview may have the pretty girls but Bunker Hill has the cooks. The home economics girls raised enough funds selling cakes and coffee, to pay material used and had a neat little sum left for other purposes.

Plainview boys and girls gave us almost a surprise visit, Thursday afternoon, although Bunker Hill won both games with a final score of boys, 12 to 10; girls, 9 to 5.

Mr. and Mrs. Henry Schoeder visited in the E. J. Boedeker home Sunday afternoon.

The party given at the home of Mr. and Mrs. J. P. McIntyre's Saturday night was well attended.

Mr. and Mrs. Jim Reece and daughter Alice, and Mr. and Mrs. West Barnett and daughter Flova, and Mr. J. T. Banister of this community visited Mr. and Mrs. Bill Hammitt of the Plainview community Sunday.

The farmers of this vicinity are very proud of the moisture the recent snow has put in the ground. A snow fell Wednesday night of about two inches and one fell Saturday night of about four inches.

There has been quite a bit of sickness in this community lately. George Turner was absent from school the full past week on account of sickness and Miss Alice Reese has had a severe cold the past few days. Miss Orine Barrow, our primary teacher was sick last Monday. All of them are in school now, however.

Mr. W. C. McKenzie, the principal of our school and coach of the boys basketball team took the boys to Stamford Friday night to see a basketball game between Iowa Park and Stamford.

Mr. and Mrs. West Barnett of this community spent Sunday night in Aspermont.

Quite a few of the Bunker Hill boys took a "joy ride" on horses Sunday afternoon.

Henry Knipling of this community started Monday to Stamford school in order to finish the grade he failed in last year. He is going with his brother Arthur Knipling and Norbert Boedeker. Everyone come to Sunday School Sunday morning and let's make up for what we lost last Sunday.

ROBERTS

(By Lillian Lewellen)

Mr. and Mrs. J. M. Hinkle and son Hicks of this community are reported to have the Small Pox. There was preaching at Roberts Sunday and Sunday night by the pastor Rev. Kinsor of Abilene.

Miss Edith Jones teacher of Roberts spent the week end with home folks in Haskell.

The Roberts Seniors and Juniors played Weinert Friday on the Weinert court. The seniors won by a score of 10 to 6 while the juniors lost by a score of 14 to 10.

The Roberts girls will play a game with Pleasant Valley next Friday afternoon. Large attendance is expected and we ask you to boost for your home team.

Roberts school reports a number of new pupils Monday morning. Miss Jimmie Stanford left Friday to spend two weeks with her cousin Miss Nell Brummitt of Truscott.

Carl Wheatley spent Sunday with Manuel and Martin Robertson of Pleasant Valley.

There was singing and preaching at Roberts Sunday afternoon. Rev. Pickens of Weinert did the preaching.

LONE STAR

(Dovie Randolph)

Lone Star is progressing nicely with school work and we have 106 enrolled to date. More coming all the time.

R. N. Morrow of this community is moving part of his family to Throckmorton but the children will remain in school here.

Dale McAfee has been very ill with appendicitis but is improving. We hope for him a speedy recovery.

Bang! That is the way the "Lone Star" basket ball teams went at Cliff last Friday evening and what they did not do was not worth telling. The girls team won by a score of 6 to 16 and the boys team won by a score of 16 to 32. We are proud of our ball teams because they make their school work before they can play on the team.

The Cliff girls never scored after the first quarter.

The musical at Mr. John Crouch's last Friday night was well attended and all report a nice time. The Morrow brothers made the music.

A party was enjoyed Saturday night at the home of Mr. and Mrs. Elbert Owens. A nice time was had by all. Mrs. Jess Randolph of Lamesa was visiting in the community this week also Mrs. Hester Davenport of Lamesa.

Mr. and Mrs. J. A. Melton of this community gave a singing Sunday night for the young folks and a large crowd attended and report a real nice time. Mr. and Mrs. Melton certainly love music and it is enjoyable to be in the home on such occasions.

Lorene Alexander visited her sister in the Cliff community, Sunday. Born to Mr. and Mrs. Norman Stewart on January 4th a baby girl.

Miss Hazel Webb visited Lorene Alexander Sunday afternoon. Mr. and Mrs. A. C. McBeth of Cliff visited in the home of Mr. and Mrs. J. D. Smith Sunday evening.

Mrs. Ches Forehand visited Mrs. Elbert Owens Sunday afternoon. A general report of our basket ball games is given below.

Gillespie 28, Lone Star 8; Cliff Boys 0, Lone Star 6; Cliff girls 2, Lone Star 6; Weinert 22, Lone Star 8; Cliff boys

16, Lone Star 32; Cliff girls 6, Lone Star 16.

We have won everything in our class so far and have two games scheduled for this week.

Tuesday Bridge Club Entertains Husbands.
Five members of the Tuesday Bridge Club were joint hostesses last Tuesday evening January 19th at the lovely new home of Mr. and Mrs. Theron Cahill, and entertained members and their husbands with a delicious buffet luncheon at seven thirty o'clock and finished the evening by playing bridge. They were the house hostess, Mrs. Theron Cahill, and Mesdames J. B. Post, J. P. Payne, Hill Oates and Dave Earnest of Rule. Growing narcissus added cheer and a delicate perfume to the living rooms caused the guests to forget the winter's gloom of the outside. Mrs. Jess Campbell of Rule won high score for the men and Mr. J. B. Post was reminded of making low score by being presented with a clown doll. Guests were: Messers and Mesdames Clyde Grissom and Marlin Wilson, Jess Campbell of Rule, Wayne Koonce and the husbands of the hostesses; Messers, Theron Cahill, J. B. Post, J. P. Payne, Hill Oates, and Dave Earnest of Rule.

Thrift Program at Haskell High School Wednesday January 27th.
In response to the request of the P. T. A. program committee, the local Parent-Teachers-Association will put on a splendid Thrift Program at the High School Wednesday afternoon at 2:30 o'clock. Notice will be taken that the day and hour are changed to the time of general assembly of the High School student body in order for them to get the benefit of the program.

Everybody in Haskell is invited to these programs. Come and bring someone with you.

Thursday Luncheon Club.
The Thursday Luncheon Club met in another delightful all day meeting last Thursday in the hospitable home of one of their members, Mrs. S. A. Roberts, and after enjoying the bountiful spread at the noon hour, they settled to an afternoon of hand work, mostly consisting of making Normandy Lace patterns, so popular just at present. Only members were present, they were, Mesdames Alfred Pierson, Wiley Reid, John Couch, R. J. Reynolds, W. H. Wilson, Elmer Irwin, O. E. Patterson, B. M. Whiteker, T. J. Arbuckle, M. B. Lebo and the hostess, Mrs. S. A. Roberts.
In Memory of Mrs. F. M. Morton.
The yearbook committee of the Missionary Society of the Methodist Church, Mesdames O. E. Patterson, Vaughan and S. R. Rike are including a beautiful page in memory of Mrs. F. M. Morton, who was a charter member of the society at the time of her death. Mrs. B. Cox, a close friend of Mrs. Morton, is helping with the page and a part of Tennyson's "Crossing the Bar," a favorite of Mrs. Morton's, will be used. The members of this society loved Mrs. Morton and are glad to thus honor her memory.
Mrs. D. Scott Gives Dinner Party.
Mrs. D. Scott honoring her husband Mr. D. Scott and Mr. Connor Christian, whose birthdays came on last Thursday January the 14th, with a seven o'clock dinner and afterward the following guests spent the remainder of the evening playing 42. Miss Clitus Edwards, Mrs. Carrie Moser, Mrs. Reardon, the hostess and Messers D. Scott and Connor Christian.

Ladies Aid Society.
The Ladies Aid Society of the First Christian Church met Monday January 18th in the beautiful new home of Mrs. R. B. Fields and daughter Miss Dulin, Mrs. J. B. Post presiding.
The splendid annual report showed progress in all phases of the local work.
New Year:
The following are the officers for the new year:
Mrs. Henry Smith—President.
Mrs. Virgil Meadors—Vice President.
Miss Dulin Fields—Secretary-Treas.
Mrs. J. B. Post—Reporter.
Mrs. Courtney Hunt—Parliamentarian.

Mrs. J. U. Fields Has Returned From Washington, D. C.
Mrs. J. U. Fields returned last Wednesday from Washington, D. C., where she attended the board meeting of the General Federation of Women's Clubs which convened at headquarters. The Texas women who were in attendance were Mrs. Percy V. Pennybacker, past president; Mrs. Florence C. Floore, Treasurer; Miss Annie Shelton, Director from Texas and League Chairman of General Federation; Miss Galvin, secretary of the Treasurer; and Mrs. Maggie W. Barry, Chairman of the Department of American Homes. In an interview with Mrs. Fields she gave out the following high points as being of special interest: The General Federation Headquarters, 1734 North St., is located in one of the best residential sections of the city. It is a handsome residence, with an original cost of \$70,000 with added improvements costing another \$70,000. The interior decorations, hand carved walls, handsome mirrors and hand woven hangings made admirable furnishings for this stately home of the General Federation of Women's Clubs. To meet and converse with women from every state was a great pleasure and special privilege; one special phase of the work that was outstanding, was the efficient and effective managing of the money, the General Federation is on a solvent and dignified financial basis; this is accounted for because of "Two Texas" women are at the head of the financial department. "Of course," laughed Mrs. Fields in her characteristic way, "I took special notice of our Texas Women and found that each was forwarding her work as much as possible. And too we had the pleasure of seeing some of the work of our representative, Mr. Marvin Jones, and heard such compliments many times as "He is said to be one of the brightest, most energetic and most promising of the men in Congress; he keeps ever in mind the interests of his District and presents its

claims; he has the courage of his convictions."
They had the pleasure of being in the home of Mr. and Mrs. Jones and found her to be a true daughter of the West. They enjoyed a Silent Reception at the White House and shook hands with President Coolidge. Several hours were spent at the Capital where they met Senator Earle B. Mayfield and representatives Jones, Fritz Lanham and Say Rayborn and heard a lively discussion of the Italian War Debt. Among the especially interesting things discussed in the convention hall were: A new division of Law Observance was added; Junior Membership was stressed; plans were presented for the Atlantic City Biennial, May 24. Every moment away from the convention was spent in being entertained by the heads of some national organization or being feted in their private homes.

Relic of Stamford College Given McMurry College.
A magnificent old silver loving cup, a relic of the days of Stamford College has just been presented to McMurry College, Abilene, Texas, by Mrs. J. C. Pace, daughter of Mr. and the late Mrs. J. B. Smith of Stamford, and a former student of the Stamford College. The cup was a trophy awarded the champion tennis players both in singles and doubles for men and women, and the names of the winners of 1912 are engraved upon it. The names carved upon the cup are those of Mildred and Vera Smith (both are well known in Haskell, the former having taught in the Haskell High School) they both are now foreign missionaries, Miss Mildred, as Mrs. J. C. Pace in India and Miss Vera as Mrs. Harmon Lowry in Soo Chow, China. The other two names are Sam Hay, son of Bishop

Hay and Culver Griswold, son of presiding elder J. T. Griswold of the Clarionton district. The cup is some two feet in height as it stands on its pedestal, and is unusually heavy. It is one more connecting link between the old Stamford College and its successor, and will be used as a trophy for tennis champions in the new institution, following the precedent of having the names of the winners engraved upon it each year. Mrs. Pace is now on a vacation to this country and during a district meeting of the Woman's Missionary Society at the Methodist Church in November delivered a lecture to a packed house. She and her husband are now in New York, preparatory to sailing to India where they will continue their work.

Harmony Club.
The Haskell Harmony Club met in regular session Wednesday Jan. 20 at 3:30 p. m. Chorus practice was renewed under the direction of Mrs. H. D. Neff.

During the business meeting Miss Tucker, Supervisor of Music of the Haskell Public Schools, told the members of the club that it would be impossible for Haskell to enter the Music Memory Contest on account of lack of funds unless the public responded with loans or gifts of a number of records. If any one has any of the following list of records which he is willing to lend or give to the Haskell Schools, please notify Miss Tucker or Mrs. Clarence Lewis, President of The Harmony Club, and it will be highly appreciated.

Mr. Carlton Couch in Abilene Sanitarium.
Mr. Carlton Couch was taken to the Baptist Sanitarium in Abilene Monday morning and was operated on at 11 o'clock for appendicitis. His condition was considered serious when he was first examined, it being a pus case, but he stood the operation nicely and a telephone message to his brother, Mr. J. A. Couch at 7 o'clock Monday evening stated that he was resting very well, but would not be allowed to have company for five days. Mrs. Couch is with him. The Free Press joins his many friends and relatives in wishing him a speedy recovery.

MANY LETTERS FAIL TO REACH US IN TIME

We regret very much that number of our correspondents did not get their letters to us in time to set them into type and get them in the issue of the paper in which they were intended. The paper goes to press now on Wednesday afternoon and if a letter does not reach us Tuesday we can not get them in the paper in that issue. We would advise that our correspondents along the Orient mail their letters Saturday each week and if any thing important comes up call us by phone collect after they have mailed their letters. This will help us very much and assure you of your letter getting in the office on time.

PLEASANT VALLEY

(By Bessie Thornton)
Pleasant Valley is going to put on a play January 29th for the purpose of raising money to get things for the school. The title of the play will be "A Poor Married Man."

We hope everybody will come out and see the best play that was ever put on in Pleasant Valley. The Pleasant Valley girls have a good basket ball team and are open for a game with any other school in the county.

Farmer Moves from Ballew to Center Point Community.

Mr. and Mrs. Davis of the Ballew community have moved to the Center Point community near the school building to make their home this year. The people of Center Point welcome them to that community.

Fred Ellis In Baptist Sanitarium In Abilene.

Mr. and Mrs. John Ellis left Saturday night with their son Fred for Abilene where he was operated on for appendicitis on Sunday morning at 10 o'clock. Fred is reported to have stood the operation nicely and a letter to friends Tuesday stated that he was doing as well as could be expected. Of course a boy of Fred's age will pull through alright and be "hiking" back to High School before very long.

R. L. Briggs of Munday who is now with the International Harvester Co. was in the city a while Saturday. Mr. Briggs made himself famous by breeding Patridge Wyandottes and showing them at the various poultry shows of the state. He says now that he is going back in the business and has a dozen fine hens and will soon be back in the business and has a dozen fine hens and will soon be back in the ring.

Quick Way to End Dangerous Cough

Why let a dangerous cough hang on when you can, through a simple treatment, get speedy relief and often break it up completely in 24 hours?
This treatment is based on the famous Dr. King's New Discovery for Coughs. You take just one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. It has a double action. It not only soothes and heals irritation, but also removes the phlegm and congestion which are the real cause of the coughing. So the worst cough quickly disappears.

Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too—no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for

MANY SCHOOL BUILDINGS HAVE FIRE HAZARDS

County Superintendent A. A. Heathington received a letter from State Fire Marshal Timmins which is in itself a request for all to be more careful and protect the school buildings and other school property from fire loss. The letter is self-explaining, which we give below:

"Dear County Superintendent:
"Too many school buildings are burning in Texas from preventable causes entailing great property loss and endangering lives, and believing that County Superintendents will help to eliminate these preventable fires, especially in the rural schools, I am asking that you make a survey of all rural schools in your county, correct all fire hazards and such as unsafe flues, unsafe heating devices, the accumulation of paper and trash in or near the building, the dumping of hot ashes near the building and any other fire hazards that are found.

In order that the lives of the pupils be made safe in case of fire see that all doors open outward, do not permit screens to be tacked or nailed but hung from hinges outside. Have Fire Prevention taught in every rural school and require fire drills. This department will be pleased to furnish requirements and samples of literature to be used by any teacher in your county.

If a Parent-Teacher Association could be organized in connection with every local school, it would be an easy matter to carry out the above suggestions.
"May I have your co-operation and help in the above matter?"
"Yours for better and safer schools,
J. J. TIMMINS,
State Fire Marshal.

PEACOCK FEATHERS IS FASCINATING

The Haskell Theatre will present one of the truly worthwhile comedy-dramas of the season in "Peacock Feathers," a Universal Jewel in which Jacqueline Logan and Oullen Landis have the steller roles. Thursday Jan. 28.

The picture is unique in that it marks the screen premier of Prince Youca Troubetzkoy, a member of the Russian nobility, and is also the third production on American soil of Svend Gade, noted Danish director.

The story is from the novel by Temple Bailey, being adapted by James O. Spearing, former dramatic editor of the New York Times. All of these facts were blended by Carl Laemmle to give one of the finest achievements of the current season.

There is not a dull moment in the picture. When the plot hesitates in its ceaseless trend, a bit of comedy is injected to round out a complete play which is a splendid family picture.

Besides those mentioned others in the cast are George Fawcett, Edwin J. Brady, Carolyn Irwin, Ward Crane, Emmett King, Aggie Herring and Dunbar Raymond.

The story deals with the problems of a young couple, both poor, who had hesitated before marriage because of their poverty. When they think they have inherited wealth they marry but find they have nothing but a neglected Western ranch which has been deserted for years. The girl accuses the boy of tricking her into the marriage and their troubles begin.

COMPARATIVE REPORTS ON COMMUNICABLE DISEASES

Statistical reports compiled by the state board of health on communicable disease for the years 1924-25, show an appreciable decrease in Texas for 1925 over 1924 of the following diseases, dengue, malaria, dysentery, typhoid fever, measles, pellagra, trachoma, and tuberculosis.

The only diseases showing any appreciable increase in number of cases during 1925 are influenza, pneumonia, and chicken pox. Influenza leads this list with an increase of 85 per cent, due to an influenza epidemic that swept the state the early part of the year. In pneumonia, an increase of 56.3 per cent is shown, and in chicken pox, an increase of 18.3 per cent.

Babies and Snakes

The other day I over heard a conversation between my Amy 5 years old and her brother Herbert two years her junior.
"Isn't it good," said Amy that mother was not bitten by a rattle snake when she was in the Catskills. Yes asserted Herbert. You see resumed his sister. "If Mamma had been killed by a Rattle Snake we would have been born with out her."

Too Short.

A colored woman demanded refund on a pair of hose recently purchased. The floorwalker asked:
"Did they not come up to your expectations?"

"Lawdy, no, no," she answered. "Dey hardly come to my knees."

Floral Reception.

"What sort of reception did your wife give you when you got home?"

"The dear woman threw flowers at me."

"Good gracious! How did you get that black eye then?"

"She neglected to take the flowers out of the pot."

COLORADO MAN PROVES BARACKMAN'S WATERLOO IN LAST FRIDAY'S MATCH

August Sepp of Boulder, Colo., defeated M. Barackman of Knox City in the main event of the Elks wrestling match staged last Friday night.

Barackman, who has been on the card here for the past four events—and who has defeated every man to go on the mat with him here, met his Waterloo in the man from Colorado, and from the beginning of the match, it was seen that Barackman was up against a real wrestler. Every hold gained by Barackman was easily broken by Sepp, and in fact it seemed to worry him none at all for the Knox City man to clamp on all he had; and after some twenty minutes Sepp gained a hold that Barackman could not break for the first fall—Barackman signalling the referee that he was down.

After going back on the mat, both men settled down to hard work, and Sepp soon had his man for the second fall. The fall was hotly contested by Barackman and his manager, both saying that Sepp had fouled Barackman; who refused to continue the match. The referee called the fall for Sepp—stating there had been no foul—and that Sepp was the winner of the match, the majority of the fans agreeing in this.

This was Sepp's first appearance in this section, but from the ease with which he handled his man Friday night he proved himself a clever, scientific wrestler—the best who has ever appeared in this section. He will probably appear here again in the near future, as plans are being made for a match between Sepp and a Bonham wrestler. Arrangements have not been completed for this match, but it will probably be held Saturday night if both men are in condition and can be booked for that date.

Improved!

A Type of Performance Never Before Obtained In Any Low Priced Car

If you are one who has not yet been behind the wheel of the improved Chevrolet you have more than a treat in store. You have yet to experience a type of performance never before offered in any low-priced car.

A performance so effortless, so smooth, so powerful, so spirited that you will call it nothing short of a revelation! Chevrolet's leadership has been based on giving quality at low cost. Now the

Improved Chevrolet gives another reason for an even wider margin of leadership—performance the equal of which has heretofore been unattainable in the low-price field.

Drive where you will—and as long as you like, through traffic, through sand, through mud, over hills—and over mountains, if you please. Expect something really new, really worthwhile, something really unique—and you will not be disappointed.

CENTER POINT

(By Ethel Bland)

We are having our part of the snow and rain over this way. The farmers expect this to put a good season in the ground for the coming crops.

Mrs. Will Tompkins is reported on the sick list this week.

Mr. and Mrs. Omer Jeter and children of Haskell visited the former's parents, Mr. and Mrs. Will Jeter Sunday.

Mr. and Mrs. Toby Hatch of Sweet Home visited in this community last week.

Mr. and Mrs. Roy Greenway of Sayles visited Mr. and Mrs. Davis in this community Sunday.

On account of the weather Sunday School was not attended Friday, but let's all come next Sunday morning at 10:30 sharp. We invite all who do not attend Sunday School elsewhere to come, especially all the new people in and around Center Point.

Miss Verlie and the writer spent Saturday night with Miss Jessie Bland of Sayles.

Several in this community attended the party at Plainview Friday. All reported a nice time.

Misses Arab and Loyal Jeter, Mrs. W. E. Bland and daughters of Center Point, Mr. and Mrs. C. E. Bland, Messrs. Otis Johnson and Archie Wiseman visited Clyde and Jessie Bland of Sayles and played 42. Otis Johnson and Jessie Bland claimed the championship.

MEETING OF TEXAS BAND TEACHERS ASSN. INC.

The Texas Band Teachers Assn. Inc. met in Waco at the Raleigh Hotel Monday and Tuesday Jan. the 11th and 12th, having more members and more interest than at any previous meeting.

Many interested topics were discussed such as a "Band Journal" to be published for the benefit of the members. Also steps are being taken to investigate the possibility of members of the association giving music credits that will be recognized by all schools.

Many changes of improvement were made in the rules and management of the contests. Waco offered \$5,000 for the next band contest of the Eastern Division, and is now being considered as the place to hold the next contest in that division, while other towns are also bidding for the contest.

The Western Division of the Assn. will meet in Amarillo March the 6th for the purpose of getting ready for the contest in Amarillo to be held in conjunction with the West Texas Chamber of Commerce Convention in June. We are expecting fifty bands at this contest.

Election of officers for the next two years were as follows:
President—G. C. Collum, Stamford
Secy. Treas.—E. A. Lightfoot, Bryan
Allen Academy.

Vice Pres. of Western Division—P. A. James, of Memphis.

Second Vice Pres. Western Division—D. G. Hunnewell Stephensville, John Tarlton College.

First Vice President Eastern Division—G. T. St. Peters, Midlothian.

Second Vice President Eastern Division—Geo. Fairleigh Camron.

Mr. Collum was the former Secy. Treas until he was elected President at the recent meeting.

Sickness Kills Fewer but Automobiles More.

Along with the announcement by the department of commerce that the death rate in the United States was lower in 1924 than in 1923, comes the further statement that deaths from automobile accidents mounted. In the registration area 15,528 fatalities were reported. This by no means included all the deaths from such accidents. It is a matter of record also that some 15,000 persons are burned to death each year. Careless handling of automobiles and lack of precaution in handling fire are thus responsible for more than 30,000 deaths each year.

What makes this showing the more sad is the fact that the great majority of deaths from these two causes could be prevented. Thirty thousand persons are equal almost to a division in the army. If the army were suffering the loss each year in peace time of one of its divisions through its own carelessness, some vigorous steps would be taken promptly to stop the sacrifice.

To stop the waste of life by automobile and fire will require more public education in rules of safety. Progress is being made by the medical fraternity in combating and preventing disease and in increasing the span of life. It is tragical that its great work is offset in such large measure by the increase of violent deaths, resulting from preventable causes.

Farmer Breeds Black Minorcas
Charlie Frierson of Midway was in our sanctum early Friday morning and while here stated that he had just sold a number of friers to the produce house that he had grown this fall. Charlie advocates the Black Minorcas for an all purpose fowl. He says his birds are good layers and that some of his hens will weigh around six and seven pounds. He has been breeding them for years and he speaks from actual experience and not from an idea or a fancy of what he imagines.

McGregor-Blakenship Wedding
Mr. Porter Blakenship and Miss McGregor were united in marriage Christmas. They will live near Rule. We wish them a happy life.

Judge W. H. Murchison has returned from a business trip and to see his son W. H. Murchison, Jr. who is in school at State University.

Farmer Diversifies
W. B. Gregory of Weinert who owns a tract of land south of town was in the city Friday and while here renewed for his home paper. Mr. Gregory is a diversified farmer and does not depend on one crop for profits or living expenses. He plants the best cotton seed and sells planting seed to his neighbors. He keeps a flock of hens from which he sells infertile eggs for a fancy price and he remarked while here that he had sold five dozen eggs that morning gathered from his poultry yard the day before. He feeds laying mash and other good feed and keeps the hens on the job. He is not keeping hens, but the hens are keeping him. He believes in giving the hen a chance before she is culled out and sold as a non layer.

Sends Check For Free Press
T. A. Greer formerly of Rochester but who is now living at Donna in the Rio Grande Valley sent us his check for a years subscription to the Free Press. He says that he is now living in a fine country, the land of sunshine and flowers and will farm by irrigation.

Baby Chicks Reported by Farmer
E. B. McDonald of the Ballew community reports a hatch this week of 29 baby chicks from two setting of eggs which he placed under two hens about the first of the year. He is breeding the Barred Plymouth Rocks and gets lots of winter eggs so he tried his hand at hatching early and had splendid results. Mr. McDonald is a successful poultryman, and also milks several good cows, selling the butter at a fancy price the year round. It is nothing uncommon in the store where he markets his butter to hear the customers calling for butter from McDonald.

Moves to New Home in the City
H. H. Cook of the West Side Barber Shop has just completed a new 5 room bungalow and has moved his family to his new home in the northwest part of the city. Mr. Cook is one of our progressive young men who realizes the importance of owning a home.

Mrs. Mary Oates returned Sunday from a visit to Dallas friends, she was accompanied by her daughter Mrs. Marlin Wilson of Rule.

Are You a Nervous, Irritable Woman?

San Antonio, Texas.—"I used Dr. Pierce's Favorite Prescription for feminine trouble, and it helped me very much; I suffered at times so I would have to go to bed. I would have headaches and a dragging sensation and was very nervous and irritable, but after taking the 'Prescription' I gained in weight and felt better in every way. I certainly am glad to tell others what this medicine has done for me."—Mrs. J. D. Scott, 223 Keller.

Put up in both fluid and tablet form. Send 10c to Dr. Pierce, Buffalo, N. Y., for trial package of tablets. Write for free medical advice.

urged to bring their lunch and remain at the church for the noon hour and assist in making the guests from other communities feel at home. All local people who are not members of this congregation are most cordially invited to attend the meetings and enter fully into all phases of the day's program and activities. The music promises to be an attractive part of the services, and those who are responsible for it are putting forth great effort to render it worthy of the occasion. We hope that the weather conditions will permit a large out-of-town attendance and that the day will prove a great blessing to all who attend.

No Demonstration can reveal all of BUICK Excellence

ANY time you drive a Buick you will wonder how such a remarkable car can be sold at a moderate price.

In just a few minutes you will realize that you are starting, stopping, parking, driving with much greater ease and security. And that you are surrounded by quality and luxury which rank with the very finest.

But demonstration will tell only part of the Buick story, and you should know all of it.

A demonstration cannot show you the enduring

stamina of body and chassis that belongs to Buick. Years are necessary for that. It can only suggest the powerful ability of Buick's 75 horsepower Valve-in-Head engine, built for hills. It cannot tell you how thoroughly the Buick "Sealed Chassis" and the Buick "Triple Sealed" engine will protect Buick performance on dusty, gritty roads.

And it cannot even hint of the mental ease you will enjoy, with Buick Authorized Service "just around the corner," everywhere in America.

OLIVER NO. 23 TWO-ROW CULTIVATOR

With the Oliver No. 23 two-row cultivator one man can care for double the usual cultivated acreage with no more time and effort than is required to operate a single-row cultivator. It does good work and twice as much of it.

Built just for use in cotton, corn and other South-western crops, this cultivator has the wide range of adjustability which fits it for the variety of planting widths encountered where both single and two-row planters are used.

By means of convenient levers the gangs can be set to work in 32 to 40-inch rows and each pair of gangs can be shifted to work close to or away from the plants.

We will gladly explain the many other advantages of the Oliver No. 23. They are now on display.

There's always a right time to buy

HONEST merchants are in business to help you with your buying problems. You may reply, "They are in business to make money!" And, of course, they are. But the point is: They know that the best way to make money is to serve you honestly and efficiently.

One of the most valuable services a merchant can render you is to tell you when to buy. He knows the market. He is kept informed about raw materials and manufacturing problems. He gets all the advance tips on styles. He even knows pretty well what your particular circumstances are, and what your needs will be.

So, his advice—as offered through his ads in this paper—is worth money to you. When he announces a special sale, or displays a new line of goods, it is well for you to investigate.

There's always a right time to buy, and the ads in this paper will keep you posted. Read them and follow their advice!

Sam West is visiting his cousin, Jessie West of Haskell. Jessie Allen of Abilene visited his uncle and aunt, Mr. and Mrs. John Epley this week.

Mrs. Ada Webb returned last Thursday night from Duncan, Okla., where she has been visiting relatives and friends.

B. H. Ivey is attending court in Haskell this week.

Ab Hutchens and family visited Mr. and Mrs. Hutchens of the New Mid community last week end.

Frank Harcrow made a business trip to Stamford Thursday.

TANNER PAINT

Health is very good this week. John L. Morris is mending; he is able to be up again.

It seems that news is very scarce at present. Everybody is farming and moving.

Mrs. Bill Kittley daughter Mr. and Mrs. Ollie McCain is visiting them from Rule this week.

Our school is progressing nicely. We think we are having a splendid school so far, and hope it will continue.

Mrs. J. E. Place, Jr., of Rule, is visiting Mrs. Place.

Mr. and Mrs. Ollie McCain spent Sunday with her sister, Mrs. Joe Holcomb at Jud.

Mr. and Mrs. Barnett visited at Tuxedo Sunday.

Miss Mary Yarbrough is visiting her sister in Rule this week.

L. N. Rector is loading his car. He is moving to his home on the plains.

We hate to see Mr. Rector leave but hope he will be pleased with his new location. Mr. Rector has been living here for nineteen years.

Henry Crow was in Haskell Friday on business.

Mr. and Mrs. Lee Barnett are visiting his father north of Rule at present.

Little Mildred Culpepper is right sick at this writing.

Mrs. H. T. Smith and son John, mother and brother of C. N. Smith and Mrs. C. Y. Morris, who have been living at Sidney, Texas, have come here to make their home.

Lightnin'

"Lightnin'" will strike this town next week! This is not merely a prediction it is a certainty. However, it will not be serious. On the contrary, it will be highly entertaining, because "Lightnin'" will hit here as one of the seasons most promising photoplays, being booked as the attraction at the Haskell Theatre, opening Feb. 4th. Jay Hunt will be seen in the role of Lightnin' Bill Jones, a character made fam-

ous by the late Frank Bacon on the stage. Supporting Mr. Hunt will be Madge Bellamy, Ethel Clayton, Edythe Chapman, Otis Harlan, J. Farrell MacleDonald, James Marcus, Wallace McDonald, Brandon Hurst and Richard Travers.

DEATHS

W. T. Breigh Dies.

Mr. W. T. Breigh age 77 died in this city Friday morning January 22, at 7 o'clock. He has lived in Haskell county for the last 25 years and had many friends over the county who will regret to learn of his death. He was born in Louisville Ky. April 23, 1849 and came to Texas early in life and when he came to Haskell County he purchased a farm in the Post community and lived there a number of years. Funeral services were held at the Baptist church Saturday afternoon at 4 o'clock by Rev. W. H. Albertson after which his remains were given burial in Willow Cemetery. He is survived by four children who were all present at the funeral. John W. Breigh, Mrs. J. A. Gilstrap of Haskell County and Mrs. Susie Hall of Eola Texas.

The Free Press extends condolence to the bereaved in this dark hour of sorrow.

Baby Dies

John Anderson (Buster) Newsom, the little 18-months old baby of Mr. and Mrs. L. T. Newsom died Sunday morning January 24th at 4:35 o'clock at the family home west of town. The little fellow had been afflicted most of his life and the parents made a trip to the west during last summer for the benefit of the little fellow's health but all proved fruitless as he could not recuperate sufficiently and he passed away in spite of all that medical aid and human hands could do.

Funeral services were held at the Baptist church Monday afternoon at 2:30 by Rev. W. H. Albertson, after which his little form was given burial in Willow cemetery. The sorrowing loved ones have the deepest sympathy of their many friends.

Death of Mrs. Houston.

Mrs. Margaret Ann Houston, age 73, passed away Monday afternoon January 27 at 3 o'clock at the home of her sister, Mrs. Clark in this city. The passing away of Mrs. Houston came very suddenly. She had some trouble with her heart a few days ago and in speaking of that she quietly told her relatives and friends that she could not withstand another attack, but in case she did not she was ready to go. In the passing away of this good woman

her many friends and relatives will miss her pleasant smiles and encouraging words and a life filled with love for all. She was very kind and was a great favorite with all who knew her. She was converted and joined the Church of Christ when she was 30 years of age and has lived a consecrated Christian and was faithful unto the end of her life. She is survived by a number of relatives who live in the city and elsewhere.

Funeral services were held Tuesday at 2:30 p. m. at the residence by Rev. W. H. Albertson, after which the body was given burial in Willow Cemetery followed by a large concourse of sorrowing relatives and friends.

OLD PIONEER OF THROCKMORTON COUNTY FOUND DEAD

(Throckmorton Tribune)

R. P. Owens for more than thirty years a resident of this county was found dead in bed Friday morning, January 8th. He failed to appear at the usual time and a member of the family went to call him and found that life had passed sometime during the night.

He was born in Boone County, Ark., in 1849 and was seventy-six years of age at the time of his death. Tho quite young at the time of enlistment he served in Price's army during the civil war.

Mr. Owens came to Throckmorton in the early nineties and has resided here since that time and has been a great factor in the development of the county. He leaves many friends who appreciate the great loss this section sustains in his death.

The remains were laid to rest in the Elbert Cemetery January 9th, at 4 p. m. by the Masons of the County, he having been a member of that order for many years.

The deceased is survived by his wife and several children to whom the entire County extends condolence in their great sorrow.

To Stop a Cough Quick

Take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues.

A box of GROVES' O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey in the throat combined with the healing effect of Groves' O-Pen-trate Salve through the pores of the skin soon cures a cough.

Both remedies are packed in one carton and cost of the combined treatment is 50c. Just ask your druggist for HAYES' HEALING HONEY.

POST

(By Mrs. W. W. Griffin)

The health of the community is good at this writing. Only a few minor illnesses are reported.

Everyone is enjoying the big snow that we've been having.

Mr. and Mrs. Mart Summers and family visited Sam Singleton Sunday.

Mrs. J. E. Bristow is on the sick list this week.

Mr. and Mrs. Louie Keunster visited Mr. and Mrs. G. V. Middlebrook Thursday.

Mrs. Willie Ketron returned home Monday where she underwent an operation for goitre.

PLEASANT VIEW

(By Veda Edwards)

We are all glad to see this snowy weather for it will put a season in the ground for the farmers.

Grover Jones of near Pleasant View has purchased a new Ford.

Miss Inez Brittain spent Tuesday evening with Eunice and Veda Edwards.

Mr. Pird Edwards who has been attending Draughons Business College at Abilene is at home with home folks to spend a few days but will return back to stay until he finishes the course.

Mr. Barney Rhine was in this community Tuesday and Tuesday night.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVES' TASTELESS CHILD TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 6c per bottle.

SUNSET POULTRY FARM SINGLE COMB WHITE LEGHORNS.

Largest and best equipped poultry farm in this part of the State. Devoted exclusively to Single Comb White Leghorns.

Over 600 now mated for high egg record results. Every pullet on our farm is trap-nested one year to determine the best layers.

Trap-nesting and pedigreeing call for extra work and costs money, but we are sparing neither to be able to give the public that which is always in demand, the best.

Our stock is given the best of care and attention in housing, feeding and watering, with unlimited range, insuring strong chicks that will live and grow.

Our stock in the hands of our customers, here in Haskell County, have averaged above 65 per cent egg production for November and December.

We have spared neither time or expense for foundation stock and we have as good Single Comb White Leghorns as money can buy.

If interested in White Leghorn Baby Chicks, come to our farm and pay us a visit, look over our plant, see our stock and see just how we run our farm.

Beginning the 11th of January we will have a hatch come off each Tuesday until June. Order now to secure preference of date you desire.

THE HEART OF THE KITCHEN

The modern Electric Range of today "The Heart of the Kitchen" truly, gives an entirely new atmosphere to the kitchen.

It creates a place to generate heat for the cooking of better foods, finer in appearance and better in taste. A place that is always clean without smudge, smoke, or smell. A place where minimum of time should be spent in preparing meals.

Turn the button; instantly the cherry red heat is available. No preliminaries.

No bringing in fuel or taking out ashes. The air carries no greasy soot.

There is very little difference in the cost of operating an electric and an oil stove. There is no fire danger with an electric, and it is so simple a child can operate it.

They are sold at a very reasonable price and on easy terms if desired.

BUILD HASKELL

(Continued from First Page)

mill got it later in this transaction and the cashier at the cotton mill bought some cigars, and then all endorsements were filled in so it went to the bank where the Treasurer of the Chamber of Commerce was employed, and the public was asked to guess just how much that Dollar Check earned in its travels—and the amount it would have earned if it had been paid out to a salesman representing some out of town firm handling the same manufactured products found in that town; or if sent to a mail order house for goods found in that town; and the figures presented the Chamber of Commerce would surprise you. Just do these items down and see what that Dollar Check earned.

Listen, see if it can be bought in Haskell First, see if it is MANUFACTURED FIRST ON Haskell, then try elsewhere,—but try in your state—TEXAS.

Would you like to see Haskell enjoy a large "Tin Bucket Squad"? Then help do it by asking for Haskell Brooms, (none just now).

Haskell manufactured anything Listen we have tank makers here: cis-terms of metal, we mean; have well many first class, prize winning manufactured products, right here in Haskell, and if you can't find out from your husband—ask your Chamber of Commerce

In a bigger "Tin Bucket Squad" we

have a bigger Dollar Check, more Dollar Checks means more revenue for Haskell, Merchants, more Dollar Checks for the Merchants family; so when you as a merchants wife call for Haskell Made Goods, Texas Made goods, were not made in Haskell, and you are sure of it, you are making it possible for you and yours to enjoy more money and encouraging local development, building your husband's trade, regardless of his line, and in the end, and just about the biggest item—You are BUILDING HASKELL.

Roberts vs. Pleasant Valley

The Roberts girls played the Pleasant Valley girls a shut out game of basket ball last Friday afternoon at the Roberts court. The weather was very disagreeable but the game was staged and played just like the weather conditions were lovely. The score stood 20 to 0 in favor of the Roberts team.

The boys played a hot game in which the Roberts boys won by a score of 17 to 12. A large crowd witnessed the games for the weather to be so unfavorable.

Roberts vs. Weinert

The Senior and Junior girls of Roberts played Weinert girls in basket ball Friday afternoon on Weinert's court. The Roberts Juniors lost to the Weinert Juniors, 10 to 14, but the Weinert Seniors lost to the Roberts Seniors 6 to 10.

The Roberts girls will play again on the Roberts court Friday afternoon with Pleasant Valley.

The Snapshot Society Gives Program
The Snapshot Society of Midway gave a program Wednesday morning and had as their guest the "Cannon-Balls." These two societies are full of life and pep. Each society has about forty members. The following officers were elected for the societies.

Cannon-Ball—president, Linnie Adkins; vice president, Velma Frierson; sec. treas., Ethel Edrecon.

No. 1126 in Bankruptcy Notice of First Meeting of Creditors

In the District Court of the United States for the Northern District of Texas, in Bankruptcy, Abilene, Texas, Abilene, Texas, January 20, 1926. In the matter of John Calvin Reddell, trading as Golden Rule Drug Store, Bankrupt. Office of Referee.

To the creditors of John Calvin Reddell of Rule in the County of Haskell and District aforesaid, a bankrupt. Notice is hereby given on the 13th day of January A. D. 1926, the said John Calvin Reddell was duly adjudged bankrupt, and that the first meeting of his creditors will be held at my office in the city of Abilene, Taylor County, Texas, on the 2nd day of February A. D. 1926, at 10 o'clock in the forenoon, at which time the said creditors may attend, prove their claims, appoint a trustee, examine the bankrupt and transact such other business as may properly come before said meeting.

Referee in Bankruptcy.

LOCAL ELKS HAVE ROUSING MEETING MONDAY NIGHT

Well, did they turn out? Who? Why them Bills, them B. P. O. E. boys. That's who.

No question about it, the fellows that failed to let other attractions keep them away from their lodge were well paid for their two hours time, delightfully set aside for their lodge—their B. P. O. E. lodge, we mean.

Applications? Yes, more than a dozen and promises of more; and new, snappy, youngsters, business and professional men.

Listen, Old Bill, Stamford, Rule, Weinert, and several boys from the forks of the creek have filled in their "apps," and, others are asking for it. Twins, trios and quartettes; one quartette has two brothers in it, another is three brothers, another two brothers and a close friend; how's that for a starter?

Haskell Elks are selecting members, not soliciting every Tom, Dick and Harry. Get that straight. They ain't selling memberships, that's that.

Listen, the wrestling matches will be continued; no betting, will stand as before, "NO BETTING ALLOWED." These matches are for the Elks and their friends. The small percentage that is enjoyed goes into the Charity Fund. Nobody gets a dime, nobody wants a dime, everybody wants to enjoy the fun. Your brother Elks are playing the game fair and clean. Please understand several Elks are bringing their wives, that is, each Elk his own wife. A number of reserved seats have been requested for the next match by men and their wives, leading citizens of Haskell—your hometown. These programs are for ladies and gentlemen. If you enjoy wrestling, you are invited. If you enjoy comedy, if you know how to laugh, and want to laugh, come see the special stunts that precede the wrestling matches. Ask these gentlemen who brought their wives and sweethearts and daughters to the matches so far offered. They can tell you very plainly whether it is a clean program, a place for ladies and gentlemen, or not.

The floor committee has openly requested "rough-necks" trying to bet that this is prohibited by the lodge and will not be stood for, that has caused gossip, gossip begets gossip and the story goes that bets are made and money made by some and the Elks Lodge gets little. This is not the facts. Any one holding membership in the Haskell Lodge, a visiting Elk or any fair-minded citizen of Haskell or the community can get the facts in the case by applying to the Exalted Ruler or any other officers who have assisted in this program of entertainments as offered up to date.

The matches will be continued, that was agreed upon by the several present Monday evening. The moment they do not measure up to the satisfaction of the House Committee and Entertainment Committee, they will be discontinued. That has been agreed upon.

Can the Elks Lodge of Haskell take its place in the social circles of Haskell and enjoy the old time support it once enjoyed? That is a question asked of the Elks who have been the wheel horses and now have slipped off the regular attendance list but retain membership.

Judging from the new memberships already in hand and the interest expressed by those who attended Monday evening and admitted they have been slipping because they just got the habit of slipping, a larger attendance will be on hand next Monday night, the regular meeting night. Several initiations will be conferred on this night also.

The House Committee reported a gift of a handsome, modern pool table, from Mr. L. Schwarz, father-in-law of E. Seigel, of Lockhart. It will be installed as soon as received as well as will new covers be placed on the present tables.

Enlistment blanks for the Elks Army have not been received but the Recruiting Officer is ready and a number have asked to be listed promptly. Are you ready to join the army?

Watch Haskell Elks Lodge toe the line and bring home the grapes whether you help or not, Old Bill, but here's hoping you help, and here's betting (just a friendly bet) you will—ain't it so?

Center Point Honor Roll

Below is the excellent report of children making straight A's in the Center Point school.
George Sellers, Truit and R. G. Brannen, Jaunita and Bernice Morgan, Bonnie Gregory, Lena Sellers, Pearl Patterson, Virginia Brannen, Edith Sedberry, Lola Mae Sellers, Inez Patterson, Elven Bland, Annie Bell Harris, Morris Sedberry, Mary Cleo Morgan, Verlie Bland and Lola Jeter.

They are having a good school at Center Point, taught by Mrs. R. G. Brannen and Misses Freddie and Vergie Johnson. Every pupil should be in school every day and do their best to be on the honor roll next month.

CARD OF THANKS

We take this means of thanking our neighbors and friends for their aid and assistance during our illness. We hope that your reward will be happiness and prosperity through life and that we may meet you all again. In our going away we hope to be benefited by the move and where ever we go will never forget our friends and neighbors of Haskell county who were so kind to us in our affliction.
Mr. and Mrs. A. E. Summers and family.

Hancock's Final Clean-Up SALE!

We have just finished taking our Annual Inventory and we find that our stock is a little too heavy on a great many lines at this season of the year.

Our policy is to close out everything at the end of the season regardless of first cost, rather than pack it away until the following season, as merchandise packed away is like burying money under the house—it's useless, inactive, and too expensive. The money this would represent can be converted into New Spring Merchandise and by quick turn-over enable us to operate our business on a smaller margin of profit and in this way save our customers a great deal of money during the year.

Our Final Clean-Up Sale opens Friday morning January 29 and will continue until Saturday February 6th.

During this Final CLEAN-UP SALE we are offering some Extra Low prices on all Winter Merchandise, prices that you can not afford to pass up as the values we are giving at this time are worth your due consideration.

At these prices you are saving money if you have to put the merchandise away until next season—you would make good interest on your investment.

We are listing a few items that we are closing out during this FINAL CLEAN-UP SALE—and as our sizes and stock is limited it would pay you to come in at an early date in order to supply your requirements.
