## DEFEATS ANSON 18 TO 0

Haskell high school defeated Anson on Fair Park to win a 100% decision in the largest game in Haskell history which made the Indians in the race for district victory which made the Indians as Coach Dodson's team for a certain moral

## FARMERS PLANNING NEXT YEAR'S CROP

As the cotton crop is being rapidly removed from the fields plans are being laid for the production of another crop during the coming year.

Each year according to County Agent Trice farmers are taking more pains with their work to receive in return the greatest amount of money. The expenditures for labor are less each year as the farmers are taking advantage of the labor saving equipment being manufactured by various implement and plow companies.

In addition to the preparation of the land for the greatest retention of moisture during the fall and winter through channels that have been known for many years, some farmers are taking advantage of terracing and are producing from a third to a half more each year by saving the surface moisture and building up the soil each year.

The demands for terracing work are growing each year according to County Agent Trice, who stated that many farmers have already put in requests for this work during the coming fall and winter.

Terracing according to County Agent Trice is a piece of work that has to be done a certain way and no other way will do. If the farmer or person is not thoroughly sold on the idea that terracing will increase his crop yield, save the soil moisture and assist in building up the soil year after year it is best for him not to waste his time with the work if he is not willing to run rows parallel with the terraces and follow all directions.

## Two Local Horses Rank As Favorites In Coming Races

Tom P. Foster, for many years a lover of race horses, has kept the faith and has been raising good horses and now has two three-year-old colts to enter the races next week. Their names, Mary Malon and Zev, promise to give a good account of themselves. The sire of these two colts is an old timer, but has many victories to his credit and the dams are from an old strain of fast running horses. Mr. Foster did not give up during the long years of no racing, but took care of his stock and has been producing race stock all the while. Some of it, sad to say, pulled the plow and wagon, and never had the pleasure of showing its merit on good tracks with other horses, but now again Mr. Foster hopes to see the result of his years of careful breeding bring glory to the old strain of race stock that he has cared for during the years.

## POULTRY PLAY SCORES BIG HIT

"Keep only pure-bred birds. Weed out the slacker. Give your birds a comfortable house. Feed a perfectly balanced ration. Keep records of the feed used and results produced and figure your profit."

This was the theme of the intensely interesting lecture on "More Profitable Poultry Raising" as presented by Wm. O. Wood, Poultry Field Man of the Purina Mills Poultry Educational Department at the High School Auditorium at Haskell, Texas, November 1, 1927.

The meeting was called to order by W. P. Trice, who explained the purpose of the meeting. After this, Mr. Trice introduced Mr. Wood who took charge of the meeting.

Instead of the usual dull lecture, the points were brot out very forcibly in the form of an interesting play in four acts, entitled, "The Lay of a Hen."

The hero of the play was Raymond Thompson, Field Service Man for the Purina Mills, as "Mr. Lett M. Russell." The Poultry Field Man took the part of "Phil R. Basket." C. Christian was "Phil R. Basket," the feed dealer and poultry service man.

The play itself was educational, the plot being worked out to show how the average poultry raiser loses money every year by haphazard methods in feeding and caring for his flock.

"Lett M. Russell," brought many good laughs from the audience by his characterization of the fellow who is utterly disgusted with his luck in raising chickens.

His wife, however realizes that one can make a comfortable income with their poultry and persuades him to call their poultry, Phil R. Basket, who is on a neighbor, Phil R. Basket, who offers Russell advice and assistance toward making his flocks more profitable.

Excellent music was rendered to the appreciative crowd, by Miss Marjorie Rogers.

Misses Madalin Hunt and Lewis were Abilene visitors last Saturday.

## COTTON GINNINGS SHOW INCREASE

According to Jas. E. Lindsey, correspondent for the Bureau of Census, there were 19,245 bales of cotton ginned in Haskell County from the crops of 1927 prior to Oct. 18th, 1927, as compared with 13,536 bales ginned to Oct. 18th, 1926.

## RESIDENT OF HASKELL DIES

Mr. E. I. Henry, who resided 8 miles north of Haskell died after a long illness at his home Sunday, October 23rd. He has been a resident of the county for the past two years, coming here from Gainesville. His funeral was held Wednesday, October 26, and he was buried at Gainesville, Texas.

Mr. Henry was aged 46, and leaves a wife and two children, Noble and Archie.

## Much Interest Is Being Taken In Racing Event

Now that the question as to the quality of horses that a meet can draw in Haskell has been settled to every body's satisfaction by reason of the entries that have been received, interest is growing by leaps and bounds all over the territory. The fact that each day's program will contain four big races besides the feature events that are being arranged has drawn much favorable comment from every source. The management is at the moment trying to get a polo game as one of the free extra events. It is believed that a polo game will interest everyone that likes polo and will certainly be pleasing to those who have never seen a game played. The various features of the horse show will be absorbing and good advertising for Haskell County for it will give an opportunity for all to see the kind of equine stock that is being raised. Every day will be jam up with a good long afternoon's entertainment.

## MANY FAST HORSES COMING FOR MEET

The people are assured good races next week at the County Fair Track. Already some thirty horses are entered and more to come. Here are some of the entries. From Graham 10 horses are coming, from Sweetwater 5 fast horses and from Plainview three long distance horses are booked and from Albany four head are entered. All these horses are race horses with reputation, some raced at the Dallas Fair, others at Amarillo and San Angelo. When the race meet was first talked it was with some misgivings as to good horses to fill the races, but no further worry from that source. It would not be surprising to see from five to eight horses or even more in every race. This will give the horse race lovers something to enjoy. Unlike some other small meets, the coming meet will have horses and to spare. Within the next few days some of the horses will be here training on our track. Letters every day come asking for programs. This indicates that our meeting is well advertised and every day we hear from nearby towns and far away towns that they are coming to see the races. It will be a great sight to see the sleek thoroughbreds go to the barrier for their part and when the word is heard "they're off" the excitement begins and when they go under the wire it will be known who was a good judge of a horse race.

## NEGRO MISSIONARIES COMING TO BAPTIST CHURCH

Three Negro Missionaries will have charge of the service at the Baptist church next Sunday night. These Missionaries will do the singing, preaching and praying. It will be a service long to be remembered and will help to create a missionary spirit in our churches. Too much cannot be said about this service, but without saying any more we challenge you to "come and see."

The balcony of the church will be reserved for the Negroes of the city and community. Please help to spread the news among them.

## YOUTH KILLED AS AUTO OVERTURNS

Floyd Chesnut, 21, was killed five miles north of Knox City Monday night when his automobile overturned on the Knox-Benjamin City road. Chesnut's skull was crushed and he was otherwise bruised and mangled. Some mystery surrounds the accident as the road at the point where the car overturned is straight. A witness who saw the youth just before the crash stated that he was driving at a very high rate of speed. The boy had been sitting on a box resting on the chassis as the car was stripped down.

Chesnut came here yesterday seeking work and today he said he was going to see his uncle, E. V. Landreth, who lives near here. The youth was from Brazos.

## LARGE NUMBER ATTEND INSTITUTE

Two hundred and sixty teachers, from Haskell and Knox counties, attended the Teacher's Institute here last Friday and Saturday in one of the most successful meetings ever held in this city.

The sessions during Friday were conducted in sections with Dr. Kimball of Dallas, Mr. Leonard Power of Dallas, and Miss Essa May Barnes of Cleburne in charge of the high school, intermediate and primary sections respectively. The instructions for the day were highly interesting and satisfactory to the teachers in the divisions.

On Saturday the sections were conducted by local teachers. Problems peculiar to the sections were discussed in round table order. These meetings were profitable also. Supt. R. D. Green of Abilene addressed the body on Saturday just before noon. Mr. Green's subject was the aims and accomplishments of the Texas State Teachers Association. This address was enjoyed by all the teachers present and after the address most of the teachers who were not already members of the Association, joined.

Mrs. Gose of Haskell gave a very inspiring address on the value and aims of the Parent Teachers Association. Supe. C. B. Breedlove of Rule addressed the group upon the subject of The County as a Unit of School Administration. Mr. Breedlove directed his message favorably to the County Unit System.

On Friday at noon the Business Men's Luncheon Club was host to thirty visiting Superintendents and Principals. The football game on Friday afternoon also proved to be a very enjoyable feature for the visiting teachers. From the welcome address by Mr. O. E. Patterson to the report of the committee on resolutions, expressing pleasure with the treatment and program for the two days, the time was spent pleasantly and profitably by all the pedagogues.

May we have the honor of having the teachers with us again in the near future.

## DISTRICT COURT TO ADJOURN SATURDAY

Very few cases of importance has been tried in district court this week, which will close the present session Saturday night.

The Bryant Conner rape case was reset last week to be tried today, but will probably be postponed again on account of the illness of the defendant's attorney.

W. E. Carlisle, charged with swindling was convicted and given a two-year sentence in the state penitentiary.

H. F. Favors, who was convicted of manslaughter during this term of court and given a two-year sentence, is expected to withdraw his appeal and accept sentence before the term closes.

Alvy R. Couch, of Sagerton, R. L. Huddleston of Rochester and R. B. Neal of Rule were appointed by the court as jury commissioners.

Mrs. L. F. Taylor, Mrs. John Couch and Mrs. Tom French motored to Waco Tuesday where they will attend the Cotton Palace.

Rev. and Mrs. W. P. Walthall were last week's guests of his daughter and family, Mr. and Mrs. Farris Morrison, and took home with them for a visit, little Miss Janice Morrison.

Misses Marion Guest, Johnny Morgan, and Mildred Darnell returned last week from a visit to friends and to the state fair at Dallas.

## KING BROTHERS GIVEN 99 YEARS

A verdict of guilty with a penalty of 99 years in the state prison was returned at 7 o'clock Saturday night by the jury in district court here in the case of Walter and Joe King, who were tried jointly for the murder of J. K. Beauchamp, Haskell nightwatchman, on October 23rd, 1926.

The testimony in the case was given to the jury at 5:30 Saturday afternoon and the verdict came after an hour and a half of deliberation.

Many of the spectators had waited at the courthouse and the courtroom was crowded when the verdict was read. Judge Bruce Bryant warned, when the jury foreman announced that they had reached a verdict, that any demonstration would be met with a heavy fine.

The defendants, 19 and 20 years old, were apparently little moved by the verdict and left the courtroom with a firm step to return to their cells in the county jail, where they have been since their arrest shortly after the shooting.

Evidence in the case revealed that Beauchamp was killed when he surprised two youths in the act of robbing the Davis Economy store in Haskell in October, 1926. Purported confessions made to District Attorney Clyde Grissom and statements made before the grand jury were introduced by the state in the trial.

Attorneys Odell and Owens of Throckmorton, were appointed by the court to defend the two youths. Judge Bryant praised the attorneys very highly for accepting the appointment, which was without pay—coming here from Throckmorton, spending their time and money with the defense, as much as if there had been a big retainer fee in their work.

Henry Townsend of Rule and Deputy Sheriff Craddock of Seymour, were here and assisted the local officers in handling the work of the court.

## RYCE PIERSON BURIED IN ABILENE FRIDAY

Funeral services for Ryce P. Pierson, 29, popular young business man and member of a prominent pioneer family of West Texas, were held from St. Paul's Methodist church in Abilene Friday afternoon with the pastor, Dr. Albert L. Scales, officiating, assisted by Dr. J. W. Hunt.

Mr. Pierson's death occurred very unexpectedly shortly after midnight Thursday at his home, 219 Victoria street, following a rupture of a tumor on the brain. He had suffered considerably in recent months from stomach and head trouble and had been under treatment for some time. However, he was at his office daily and on the golf links as late as Monday. News of his sudden death stunned his business associates and friends.

Besides his widow, who was Miss Hazel Jennings, member of a well known Abilene family, Mr. Pierson is survived by a 2-year-old son, Don, and a daughter, Doris Jane; his mother Mrs. M. S. Pierson, Abilene, and several brothers and sisters. The sisters are Mrs. G. W. Waldrop, Mrs. Oliver Cunningham and Miss Mary Pierson, Abilene; the brothers are J. C. Pierson, Ranger and A. C. Pierson, Haskell. Several half-brothers and half-sisters also survive. They are Judge William Pierson, associate justice of the Texas supreme court, Austin; Lee P. Pierson, Los Angeles; Marshal Pierson, Haskell; S. B. Pierson, Ropesville, and Mrs. D. R. Couch of Aspermont.

## MRS. W. D. JOHNSON OF O'BRIEN DIES

Mrs. W. D. Johnson of O'Brien suddenly became ill last Tuesday, October 25 and died at 4 o'clock the next morning. Mrs. Johnson is well known all over the county and has been a resident of O'Brien for many years. She was fifty-three years of age and is survived by her husband and eleven children, all of whom reside at O'Brien except one daughter, Mrs. Pete Southall, of Plainview. Mrs. Johnson also leaves 14 grandchildren. The funeral services were conducted at O'Brien in the Baptist church by Rev. E. D. Dunlap of Abilene, assisted by Rev. English of Knox City. Mrs. Johnson was buried at 4 p. m. Wednesday at the Rochester Cemetery. She was an intensely religious woman and had been a member of the Baptist Church since she was 14 years old. Her many friends and relatives will grieve at the passing of a woman beloved by all that knew her.

Misses Ruby Martin and Lola Taylor of Simmons University were Halloween guests of their respective families.

Mrs. C. W. Bledsoe and daughter, Melba and son Edwin and grand-daughter Willie Mae Adams spent last week end with her daughter and husband, Mr. and Mrs. M. A. McLoughlin of Rule.

**PUT YOURSELF IN OTHER MAN'S SHOES**

"It is noteworthy that the business men and property owners who are to be found aiding and abetting government ownership and allied schemes

tending toward complete socialization are seldom if ever to be found supporting similar schemes applied to the business in which they may be engaged," says Henry Swift Ives, Vice President, Casualty Information Clearing House, Chicago.

"When government competition, regulation or control touches them, they are loud in their protests and cry to high heaven to save them from the naughty socialists. But when somebody else's business is endangered, they often are either entirely complacent as to the outcome or are very willing that political sovereignty be extended over it, feeling perhaps that they may personally make some gain if the other fellow is repressed by the strong arm of the state.

"These human inconsistencies—and they are quite human—and these inter-business prejudices and suspicions may be observed in the everyday relations of life. What we need in America is a wider toleration of the other fellow's viewpoint, especially in business affairs."

Sidesaddles are becoming popular again in England. Now if the Prince had only been a girl.

It seems a lot easier for some folks to get a divorce than to stay married.

Historians tell us that swearing was unknown among the Indians, but then the Indians didn't have radios or play golf.

Women live on an average two years longer than men, it is claimed. But we doubt that it seems any longer.

It is said the green color quiets the nerves, but a roll of green sometimes excites them quite a little.

**Fouts & Mitchell**

In some respects, it was an uninteresting game—uninteresting in that sensational plays, or anything out of the ordinary, were a nonentity in the first three quarters. It was just two equally balanced teams fighting it out, with neither able to gain a decisive advantage or a break that would bring a thrill to even the most disinterested spectator. Consistent gains were at a minimum, fumbles were rather frequent, and offensive play of either team was inconsistent.

It was in the final period that the sensations came—the like of which few if any of the spectators here today ever saw. They witnessed a powerful football team as it was disheartened and torn to shreds and three touchdowns piled up in the last seven minutes of play. Two of those touchdowns came in almost unbelievable fashion, and the third came just because the opposition had collapsed completely and, in the vernacular, "didn't know what it was all about."

**Then Came the Crash**

Haskell launched its driving offense at the start of the third quarter. Pushed steadily backward Eck Curtis' heavy eleven finally found itself backed to its 19 yard line, with no apparent cessation in the steady drive of the opposition. It was then that the peculiar fourth period was ushered in.

Fate played its first card immediately. After three thrusts at the line, in which Banks, quarterback, gathered in nine yards, the signal caller had to fumble and lose the ball on the fourth play, after it seemed certain he had made the required distance. Anson punted out of danger from the ten yard line—only to be confronted with that steady driving attack again.

The drive was successful, for the Indians took to the air, gaining two first downs in rapid order in this fashion. Hinshaw went out of bounds for no gain, and Banks found three yards at right tackle. Banks then passed over the goal line. Three Anson players were there. Leaping high they took a whack at the ball together, sending it spinning earthward toward the goal line. Marrs, who came rushing in almost head foremost, stretched out his arms and gathered it in, just as he stepped across the goal line.

**Court Scene**

That halted the ball game for at least five minutes. Coach Curtis, official,

one for the pass after it had been touched by the Anson players, and it was permitted to be tabulated as a touchdown, much to the joy of the Haskell fans and the discomfort and displeasure of Anson's rooters. Banks' attempt at goal was blocked, almost the entire Anson team breaking thru.

Crying and determined, the Anson team lined up for the kick-off. Banks sent the ball end over end down the field to Cutrell who returned it to the 38 yard line.

Then came the second queer quirk, and it was a play that one sees but once in a decade. Far behind his scrimmage line, Cutrell took Smith's pass from center. He hesitated, as two of his wingmen scurried far down the field where they would have none but Banks to interfere with them as the ball came through the air.

**Another Freak Play**

But Haskell forwards were rushing Cutrell and he brought his arm forward for the hurl. As the ball left his fingers, W. Kimbrough, jumping high in one of the most sensational plays of the game grabbed the ball, tucked it under his arms, and ran 30 yards thru a clear field for a touchdown. Cutrell was bewildered by the sudden turn things had take, and did not realize what had happened until Kimbrough reached the 15-line. He struck out in hopeless pursuit. Banks attempt to pass over the goal line for the extra point was knocked down.

That looked like the end—but it wasn't. Anson resorted to punting and Haskell to passing, with the advantage for Anson because Haskell was penalized 20 yards in rapid order. Finally however, Henshaw took a fling at left tackle. It looked like he was completely smothered, but he wasn't. Suddenly his figure appeared from beneath the scramble of players, and in an instant he was in an open field for a 40-yard dash for a touchdown. Banks' tee was wrong and he missed goal for placement.

On the offensive the best team came out the victor, there can be no question about that. Any team that can hold Eck Curtis' club to six first downs—none in the second half—and in turn can register ten first downs, eight of which came in the last half, is entitled to something. That team got something—a victory, and is justly happy. It was a grudge game, and nothing could please Haskell any better than winning from Stamford, except beating Anson.

**How They Stand**

Strange as it may seem, the game does not clear the scramble in this section of the Interscholastic League. In fact, it makes the situation more scrambled than ever. Anson was the only undefeated class B team in the running and was a favorite to win. Hamlin defeated Haskell, Anson won from Hamlin, and Haskell took Anson and Stamford to cleanings—so that's the status of it. They're no further along towards a sectional championship than they were a month ago.

After all is said and done, Haskell can lay most of the credit of the victory to Banks. It was he who guided the team as signal caller, and was the only player who could gain consistently. He didn't get away for any long runs for touchdowns, but he carried the ball down where touchdowns could be made.

**Banks is Bearcat**

Here's just how valuable he was, he gaining three minutes after the third quarter. He ripped right tackle for 8 yards, came back again for 4 and first down. Hinshaw got 4 at left tackle. Banks tried right tackle for 2, got 3 at right end, and with 1 to go, was stopped at right tackle, the ball going over on Anson's 45-yard line. Anson punted. Pittman skirted right end for 15 yards. Hinshaw picked up 2 at left end, and Pittman added 2 at right tackle. Banks found 4 at right tackle, then darted through the same position for 12 yards and first down. A pass was incomplete and he skirted right end for 9. Hinshaw added first down off right tackle as the third period ended.

Banks smashed the right side of the line three times in succession for a total of nine yards. On the fourth play he fumbled and recovered for no gain, the ball going over on the 10-yard line. Anson punted and Hinshaw made 9 off right end. Banks passed 11 to Kimbrough for a first down. Hinshaw got 1 at left guard and Banks passed 6 to Pittman, who ran 5 to the 10-yard line for a first down. Hinshaw went out of bounds and Banks got 3 at right tackle. Banks then passed over the goal line on the play that ended in a touchdown.

**Wilson Stopped**

Wilson, Anson's diminutive quarterback and broken field flash, was in his old time form in the first half, but he didn't stand a chance in the second, for Anson was forced to punt on almost every occasion when the ball was obtained. But Wilson did succeed in carrying his team to the 11-yard line twice and the Tigers lacked the push to carry the ball over. The Haskell line stiffened and the Tiger attack was stopped flat.

The line-up: Haskell—W. Kimbrough and Medley, ends; Marrs and Hinshaw, tackles; Branch and Stewart, guards; Reynolds, center; Banks, quarterback; Pittman and Hinshaw, halfbacks; E. Kimbrough, captain and full back.

Anson: Hendricks and Pierce, ends; Leaman and Scott, tackles; Glaze and Begley, guards; Smith, center; Wilson, quarterback; Bartlett and Thurman, halfbacks; Edwards, fullback and captain.

Officials: Swain (Buffalo, N. Y.) referee; Rathmell (Simmons) umpire; R. Stevens (A. C. C.) headlinemen.

Substitutions: Anson: Cutrell, Woods, Pierce, Dean, Thurman, Womack, Woods; Haskell: none.

**TREMENDOUS PRODUCTION FACILITIES**

In their fifteen-acre factory, Atwater-Kent engineers and experts since the inception of radio have worked out manufacturing economies which smaller factories perhaps could not accomplish. These advancements have not only enabled them to make, but to improve, the standards of their products.

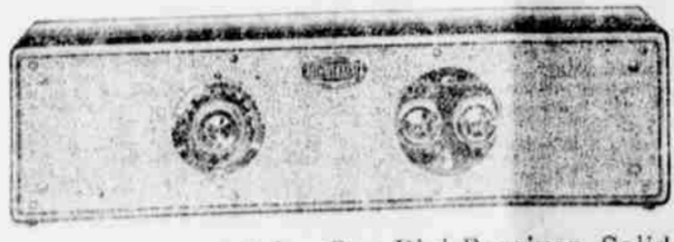

**SHARING PROFITS WITH THE PUBLIC**

The new prices are in keeping with the long established ATWATER-KENT policy of sharing with the public the result of economies as they are put into practical operation. It is only right that purchasers should share in the results of up-to-date manufacturing methods in everything. This is a tendency of the time.

**Mrs. Mammie Barron Entertains Sundry School Classes.**

Mrs. Mammie Barron entertained in the home of Mr. and Mrs. Courtney Hunt last Wednesday evening for her class and that of Mr. Henry Smith of the Christian Sunday School.

The house was lovely with Halloween decorations, and games and contests and ghost stories were the diversions. Young ladies present were Misses Maurine Shook, Geneva Golden, G. V. Reynolds, Alpha McClair, Helen Barron and Madalin Hunt; boys with their teacher, Mr. Henry Smith, D. L. Cummins, Edwin Pope, Belton Duncan, Jake Prince, Marvin Branch, O. B. Ratliff, Robert Whitman, J. B. Smith and Herman Pitman.

**Mrs. T. A. Pinkerton Hostess to Sunday School Classes.**

Mrs. T. A. Pinkerton was hostess last Monday evening to the three classes of the Christian Sunday School taught by Mr. Henry Smith, Mrs. Mammie Barron and herself. The party met at the Payne Drug Store where they were served cold drinks and given Halloween caps by the hostess. From there they went to the High School and "took in" the carnival. Then they drove to the country home of Mr. and Mrs. T. A. Pinkerton where the guests were received in the yard by a ghost who led them through a garden and a grape arbor where more ghosts and spirits of all kinds were rendezvousing and making the most weird noises. They drank of the witches' stew, presided over by Mr. DeBusk and then the leading ghost took them into a dark hall where they were greeted by an icy hand and told to go slow. This they did as the hall was strewn with debris of every kind, from great mill wheels, broken furniture and farm implements to a bale of cotton, more or less, and when they reached the stairway they were told to crawl on hands and knees to Ghost Land. Here they were given written fortunes which when read told them to bark, crow mew and so on like various animals all at once and for partners to find each other by the sound they made. This started the real fun and numbers of comical contests followed each other until someone suggested that it was time to leave for the Midnight Matinee.

They were: Mr. and Mrs. Dennis Ratliff, Mr. and Mrs. Eugene English, Mr. and Mrs. DeBusk, Mrs. Thompson, Mrs. Loan, Misses Joe Loan and Camille Davis of Garner; Mr. and Mrs. Thomas Morrison, Mr. and Mrs. Wayne Koonce, Mrs. Mammie Barron, Mrs. C. M. Kaigler, Misses Lela King of Three-Morton, Geneva Golden, Dollie Golden, Ella D. Koonce, Louise and Bessie Bee Kaigler, Mary Helen Barron, Florence Shook, Maurine Shook, Matilda Gunn, Dorothy and Jessie DeBusk, Fay Thompson and O. B. Ratliff, Marvin Branch, Hugh Ratliff, D. L. Cummins, J. B. Smith, Edwin Pope, Johnny Banks, Russel Thompson, Frank and Irwin Cook and the host and hostess, Mr. and Mrs. T. A. Pinkerton.

**Jaunita Perry has Halloween Party.**

Jaunita Perry entertained her friends with a Halloween party last Saturday night and game after game followed each other until a late hour, and the hostess served her guests hot chocolate and cake. In an apple eating contest Lillian Kaigler won the large stick of candy. The girls present were Catherine Wingo, Ruby Spurlock, Elizabeth Gilbert, Lillian Kaigler, Helen Cox, Letha Fay Davis, Francis Ratliff, Norma Gilstrap, Lillie Fay Stoker and Morris Lancaster, Charlie Wingo, Jeff McDonald, Cecil Leflar, Myrton L. McDonald, John Oates, Jr., Bates Thornton and Edwin Bledsoe.

**Was in Misery All Over**

"I was in a dreadfully run-down condition," says Mrs. Chas. L. Lacroix, of Montgomery, La. "I suffered a great deal of pain. I was in misery all over. I could not sit up and I could not lie down. I couldn't sleep and at times I would have dreadful vomiting spells. The aches and pains seemed to cover my whole body.

"One night my husband brought me home six bottles of Cardui and I began to take it. I could tell that I was improving from the first bottle, but I kept on taking the medicine, for I knew that I needed a tonic that would build me up and strengthen me where I was weak and run-down. That is exactly what Cardui did for me. After I had finished the six bottles I felt fine.

"I feel truly thankful for what Cardui has done for me, for I could not have gone on living in the desperate condition I was in."

**North Ward P. T. A.**

The North Ward P. T. A. gave a very interesting and instructive program on health, Thursday October 27. It was rendered as follows:

Song—"America The Beautiful."

Health Habits—Mrs. W. A. Kimbrough.

Modern Health Teaching—Mrs. J. A. Bass.

Solo—Miss Chrisman.

Prevention of the Spread of Contagious Diseases—Mrs. Wayland.

Violin Duet—Martha Lou Rogers and Miss Brannon.

It was a noticeable fact that more teachers were present at the meeting than parents—we wonder why?

The first number of the Lyceum course was a decided success and we thank everyone who contributed in any way, toward making it a successful evening. The second number, De Longs Accordion Trio will be here on Monday evening, November 14. Season tickets for the remaining four numbers may be secured at the Corner Drug Store. Further notice will be given next week.

**THINK OVER THIS**

"Here is the best argument I have ever heard for safe farming in Texas: At a typical county seat in North Texas, the first week in February, a meeting was held, attended by about 200 farmers, bankers and leading business men of the town. Several addresses were made on the present cotton crisis and the danger of further losses from another big cotton crop.

"Finally one of the bankers present asked all farmers who had corn in the crib, of their own production, to arise. Twelve men arose. After they were seated he asked all farmers who had meat in the smokehouse, of their own raising and curing, to rise. The same twelve men got to their feet. After they were seated he asked all who had money in the bank, which they did not borrow, to arise. The same twelve men arose."

**A SHORTER ROUTE**

Throckmorton county votes November 19 on nearly two-thirds of a million dollars for the purpose of constructing highways through that county, connect-

ing with paved roads in Shackelford, Stephens and Young counties.

There is an element of considerable interest in the outcome of this election. If the bonds carry, it will mean a shorter and a paved route between Wichita Falls and South Texas, via Throckmorton, Abilene, etc. It will be possible to travel from Abilene to Wichita Falls by way of Albany, Woodson, Throckmorton, Olney and Archer City by a much shorter route than the one now employed through Jones, Haskell, Knox and Baylor counties. That means it will be easier for Northern tourists to travel this same route in going to and from the Gulf Coast country.

Travel follows the shortest routes—when the shortest routes happen to be the only paved ones.

It would seem that Haskell and Jones counties are running serious risks of isolation in failing to fall into line in the construction of a north and south paved road. If the Throckmorton proposition goes through, it will mean the diversion of practically all the Wichita Falls, Abilene, San Angelo and San Antonio traffic to that route.

Both Jones and Haskell are working on the good roads proposition, and being highly typical of West Texas there is no reason to doubt that they will solve their problems and get on the band wagon in due time.—Abilene Reporter.

**INTERESTING NEWS FROM THE POST COMMUNITY**

The Home Demonstration Club of Post community met in an interesting meeting Thursday, October 27th, at the home of Mrs. W. H. Overton, with 14 members present.

Miss Gunn, our Home Demonstration Agent, acting as President, called the house to order.

After disposing of the unfinished business and discussing future plans, Miss Gunn demonstrated the making

and many uses of cottage cheese.

Probably the most enjoyable part of the meeting was when the ladies were allowed to sample each dish of the delectable drink made from the whey.

The next meeting will be held at the home of Mrs. Joe Lee, Thursday, Nov. 3rd, at 2 o'clock. All members are urged to come and bring a new one. —Reporter.

# SOCIETY and Club

## Class Parties Thursday and Friday.

As there was no school last Thursday, Superintendent Bass gave his consent for practice for parties to begin on Thursday. This was the Sophomores party at the Baptist Church; on Friday night the Freshmen held forth at the Methodist church, the Juniors at the home of Mr. and Mrs. T. M. Poteet and the Seniors at the home of Mr. H. O. Case.

## Hallowe'en—Hallowe'en—Hallowe'en.

Quite in keeping with the times and occasion the Harmony Club draped the Magazine Club rooms in Hallowe'en motifs for the background for their annual Hallowe'en program last Wednesday week. Mrs. O. E. Patterson had this program in charge and she met the guests at the door and introduced them to Mrs. H. D. Neff, who presented them to the receiving line headed by the president, Mrs. J. G. Foster and Misses Erlene Mask, Marjorie and Martha Lou Rogers, Mildred Simmons, Mary Patterson, Clarence Brannon, Eunice Hunkabee, Mrs. J. L. Southern, Mrs. Tom French, Mary Couch, Miss Maybel Taylor, and these gave beautiful interpretations of Witches Dances, Ghosts' Dances, readings vocal solos, piano and violin numbers. The guests were shown to their seats by Mrs. C. L. Lewis. Pumpkin pie and coffee were served the guests.

## North Ward and High Schools Score Big Success in School Carnival.

The North Ward and High School P. T. A. with Mrs. B. M. Whitaker, President scored a big success last Monday night when they held their Hallowe'en Carnival. Miss Elaine Mills as general chairman worked untiringly to register the success that was attained, but so also did all of the sub-chairmen and members and the student body. In unity there is strength, and this was proven last Monday night. All of the earmarks of the commercial street carnival were in evidence and on going inside some of the shows the result was about the same. The "advertised kisses" were when certain young ladies were seen near the "Tent" door, and when bought were very sweet. There was a constant stream to see the Hu-

lu Hulu Dancers, the well matched wrestlers, and in fact every attraction was well patronized, but another feature that all who failed to see will sigh with regret when they think of it, was the "Lebo Tight Rope Walkers." There was plenty to eat in the H. E. Department. The crises of the evening's entertainment was reached when the Queen of the Carnival, Miss Frances Ratliff was crowned by the King, Wallace Sanders, surrounded by the herald, Catherine Wingo, crown-bearer, Eleanor Foote and attendants, Nancy Guests, Lena Bell Kemp, Vada Thomas, Gladys Moser, Gilbert Pitman, Myrton L. McDonald and Ed Hester. The Parent-Teacher Association will clear over one hundred dollars.

## Mrs. J. B. Post Hostess on Two Consecutive Evenings.

On last Thursday evening Mrs. J. B. Post entertained with bridge, using season's motifs only in the menu and service. Hallowe'en colorings were used in table spreads and the salad course was served in pumpkins. The guests were: Mr. and Mrs. Wiley Reid, Mr. and Mrs. John P. Payne, Mr. and Mrs. Jos Hendrix, Mr. and Mrs. Clyde Grissom, Mr. and Mrs. V. Meadows, Mr. and Mrs. Dennis Ratliff, Mr. and Mrs. John Draper and Mrs. Mamie Draper Barron.

High score was won by Mrs. Barron who was given an imported vase; low score, Mrs. John Draper; high for men, Mr. John Payne, given a linen handkerchief, low, Mr. Wiley Reid. Both low prizes were Hallowe'en trinkets.

On Friday evening Mrs. Post entertained with 84 and served, the same menu as the evening before. At the close of both the bridge games, a Hallowe'en diversion was enjoyed. Guests for the 84 party were:

Mr. and Mrs. Clayborn Payne, Mr. and Mrs. R. C. Montgomery, Mr. and Mrs. Henry Smith, Mr. and Mrs. C. M. Connor, Mr. and Mrs. John Couch, Mr. and Mrs. J. H. Wair, Mr. and Mrs. T. C. Rogers, Mr. and Mrs. Courtney Hunt, Mr. and Mrs. Marvin Post, Mr. and Mrs. R. R. English and Mr. and Mrs. Virgil Meadows.

## Mrs. Emilee Walden Receives High Honors.

Mrs. Emilee Walden, wife of Claudis Walden, who has been Superintendent of the San Jacinto School of Amarillo for four years, and who is the son of our townsman and wife, Mr. and Mrs. Jim Walden has received high honor as the excerpt taken from an Amarillo paper will show. Two Amarillo members of the 1927 class of the West Texas State Teacher's College have just been elected to graduate membership in the Scholarship societies of the Southern States through the Allen Chapter here.

They are Mrs. Emilee Walden, teacher of chemistry in the Amarillo public schools and Miss Lucile Astracan, graduate of the Amarillo High School, now teaching in the high school at Miami.

Only eight members of a class of more than eighty were eligible for this honor; it is based on scholarship and character.

## Presbyterian Auxiliary Hostess To Federated Missionary Society.

The members of the various Missionary Societies of all the churches in Haskell were guests of the Ladies Auxiliary of the Presbyterian church last Monday afternoon. Mrs. R. R. English, President of the local society, Mrs. R. E. Sherrill, Mrs. M. L. Baker and Mrs. C. P. Petty greeted the ladies at the entrance. Mrs. English presided. Mrs. R. E. Sherrill led the devotional in her own quiet, charming way. Home with its many angles was discussed by Mrs. J. U. Fields whose deep interest and knowledge of those vital things that go into true home building, qualify her well to discuss on such a subject. Mrs. Vaughn Bailey showed much thought and preparation in her talk on the "Quiet Hour and Religious Training in the Home." Home Demonstration Agent, Miss Matilda Gunn hewed to one line of her subject, "Lightening Labor in the Home." This was the menu. Miss Gunn stated that there were many devices for lightening labor in the home these days, but that she was convinced that the menu problem was the greatest that the house wife had to confront. Miss Duke gave the very appropriate reading, "Home" by Edgar A. Guest. Musical Quartette, Misses Clarence Brannon, Martha Lou Rogers, Mrs. M. L. Baker and Mrs. John W. Pace. Mrs. T. A. Pinkerton, President, then took the chair for the business session which closed the meeting.

## Harmony Club.

The Harmony Club met Wednesday afternoon with Mrs. J. C. Foster presiding. Miss Gunn and Miss Chrisman were elected to membership. Mrs. Morrison directed the study course assisted by Misses Martha Lou Rogers, Mary Couch, Madeline Hunt, Erlene Mask, Mrs. A. C. Foster and Mrs. Harry Stalcup. Our lesson was on "Primitive and Oriental Instruments," "Early and Medieval European Instruments." Those present enjoyed the interesting lesson. Miss Taylor was hostess to the club.

Hallowe'en parties by all other clubs, the Magazine club met last Friday in regular business and study course, with Mrs. H. M. Smith, the president in the chair. The club rooms were made more attractive by the use of fall flowers.

Mrs. H. S. Post directed the study of Florentine Sculpture renaissance, assisted by Mrs. V. W. Meadors and Mrs. Wallace Cox. A round table discussion of Italian primitives of earlier sculptors concluded the afternoon's program.

The November cover of the Texas Federation carries a splendid cut of Mrs. J. U. Fields and on page seven of the same issue is one of the best pictures of the "Haskell Magazine Club Library" that we have seen in print, accompanied by a full historic page about the Magazine Club. As we go to press thousands of Texas club women are preparing to go to El Paso to the State Convention and with them will go many members of the Magazine Club, including the State President, Mrs. J. U. Fields.

Mr. Courtney Hunt has returned from a business trip to Dallas.

# BUSINESS IS VERY GOOD

at

# SIEGEL'S DRY GOODS COMPANY

We are having the greatest business since 1919 and are receiving new goods every day. We are selling out every week and buying new stock at once. It may be the styles or the merchandise our judgment tells us to buy—something mysterious is going on anyway—for we can't keep these new goods in stock. Somebody wants them almost before we can get them unpacked. You don't see the same goods over and over again—it's all new. We will make a sworn statement that we turned our stock over completely in October—in fact we sold as much this October as we did last year in October, November and December, all put together. We have kicked the much-used plan of long profits and small sales into the discard—and NOW with Siegel it is big volume, quick turn-over and **SMALL PROFITS**. It's the low prices at SIEGEL this year that moves our stocks so quickly. We are selling you the best that money can buy for less than you expect to pay. Every day at Siegel looks like Saturday. Just keep on coming to Siegel's.

## The More You Buy--The More You Save

Here is our pledge to you—we are **POSITIVELY** going to continue cutting prices to the bone all during this fall and if you have not purchased your fall bill for the whole family—just bring it to us and let us bid on it. We promise you a worth-while saving.
