Willow Burial Park

Why Cemetery? Why Graveyard? Why not Burial Park? A Cemetery according to Webster is "a public burial ground." A Graveyard is given as "a burial place; cemetery."

A Burial Park removes the application and brings about a suggestive condition or existence, suggesting beauty, improvement, development, looking to beautification, and such. A Burial Park would remove the coldness and present the beautiful.

Why not apply Willow Burial Park and every one having loved ones resting there check up and see just what is due the Association, see that the proper person is furnished the amount and steps be taken to bring about a condition deserving of the intent?

With a few hundred dollars trees and grasses, walks and drains, fencing and general lay-out will bring about a condition worthy of the people of Haskell and community.

Willow Burial Park, along the main highway of the town, leading to and from, every visitor and all of us as some folks, day after day, could be made a beautiful spot not just a Graveyard, a Cemetery. A thing forgotten, as it were. Our duty is not done after the preacher closes, and we drive away from the grave; our duty lies beyond this last act of love and esteem; we must ever keep green and clean and beautiful that spot, where rests, those we love.

Too soon we forget. Too soon the grave sinks and grasses and weeds grow about the last resting place of the one we felt could never be replaced.

We saw that a suitable head stone was placed. We went out often and gazed upon the mound that had meant so much to us when the hour of sadness was upon us. But, what are we doing now? Have we forgotten? Have we left the up-leap to others? Have we closed our heart against those we love and turned away?

Of course, there is a man and a management, to see that weeds and grasses do not entirely remove the location of the dead. We might locate the spot we look close enough. Is our duty done? Should we go ahead and complete the intentions we had when we allowed the body to the grave? Don't owe to the one deceased that head stone, that marker, such as would have been done for you, and for me, under the circumstances?

Yes, we will have it Willow Burial Park and we will go out and look over the burial plot and see what can be done to make it a beauty spot, as our particular lot.

He will, today, see that the long planned head stone is purchased and placed. See that the lot is properly fenced and curbed and beautified, today. How could we forget this? Well, we did, and now we must make amends our loved one lies there. That same loved one would have done as much for you, for me, don't you think? Yes, we owe Association payments we are honor bound to pay. How thoughtful we must appear to those who are authorized to keep the records and see that the burial place of those we love is kept clean. How soon we forget. Willow Burial Park can be the beauty spot of Haskell and with our active help and financial assistance it shall be.

We are going to support the women who have the management of the Willow Burial Park in charge; they deserve our aid and assistance; we deserve their condemnation; we are ashamed.

Some one can tell us to whom to apply to learn what we owe the association. We owe to those who have come before us, and to ourselves as citizens, and to the name we bear, to support the Association having in charge Willow Burial Park.

How well do we remember the sadly selected graves we saw when we followed our loved one to the grave. How did it look to see those loved ones selected in that way. We were sure we could not treat a loved one's grave with such neglect, allow it to become an eye sore and a disgrace to those who see and can see after it as it should be cared for; we are sure we will do it that way about it. But, are we doing any better? Have we done our duty towards those that have preceded us to the grave? Are we showing proper respect? Have we forgotten?

The Sexton has a duty to perform, in general, so that the grounds will present a respectable appearance, but here is the touch of the hand of the loved ones left behind that makes the grave, the last resting place, pretty to look upon, beautiful to the eye, pleasing to the heart and in keeping with our duty towards those who have gone before us.

Will you help? Will you change your attitude and awaken to this duty? We are sure you will. If you will it can be done, it shall be done. Willow Burial Park shall be a beauty spot, a resting place of beauty, a place of pleasing survey, because you, and I and others would have it so.

Willow Burial Park shall be what we make it, you, and I, and in each improvement, each step towards beautification we build to the memory of those we love, we build in the esteem of the people with whom we come in daily contact, we build in the estimation of the passer by, and in the end, build within ourselves a stronger, better, satisfactory attitude of pride and respect, while building Willow Burial Park, we BUILD HASKELL.

A good rain fell in the Vernon community Saturday amounting to about three inches. Several fences and bridges on the Hoehn farm washed down but this put a good season in the ground for the farmers to begin planting their maize and other feed.

GOOD RAINFALL OVER MIDWAY COMMUNITY

A good rain fell over this community Saturday night which was needed very much because the land was getting pretty dry. Some of the farmers have planted some feed but think it will have to be planted over because there wasn't enough moisture in the ground. The grain crops are looking pretty since the rain.

Will you help? Will you change your attitude and awaken to this duty? We are sure you will. If you will it can be done, it shall be done. Willow Burial Park shall be a beauty spot, a resting place of beauty, a place of pleasing survey, because you, and I and others would have it so.

Willow Burial Park shall be what we make it, you, and I, and in each improvement, each step towards beautification we build to the memory of those we love, we build in the esteem of the people with whom we come in daily contact, we build in the estimation of the passer by, and in the end, build within ourselves a stronger, better, satisfactory attitude of pride and respect, while building Willow Burial Park, we BUILD HASKELL.

The New Occupant

GOOD RAINS OVER THE ENTIRE STATE

Heavy soaking rains Saturday night and Sunday covered all of Texas except the extreme south and southwest according to reports of the various daily papers. This rain was worth millions of dollars to the farmers and gardeners of the state and places the state in the best condition of this time of the year in many seasons. Slight hail was reported in various sections of the country and some wind was reported but no serious damage or loss of life was reported from any section from wind or storm. Haskell County received a down pour of from one half to two and one half inches of rain, Saturday night. The heaviest rain reported was around Sagerton where at least the maximum amount of rain fell in the county with slight hail and also slight damage to outbuildings were reported from the wind accompanying the cloud, in that section. The lightest rain fall was reported on Paint Creek near the Hughes ranch. This general rain assured enough moisture for all spring planting and game in time to save the small grain which was beginning to need, rain very badly.

BROTHER OF HASKELL MAN KILLED ON PLAINS

News reached here last week of the death of Frank Howard of Brownfield last Wednesday March 17, who is a brother to John Howard who has lived near Irbly on the Throckmorton road for a number of years. Mr. Howard is reported to have died from knife wounds alleged to have been inflicted by a man named Collins. The difficulty came up over a horse trade and was according to reports wholly unexpected. A man by the name of Fisher a brother-in-law of Howard was severely slashed with a knife alleged to have been done by this man Collins. Fisher is seriously injured but his chances for recovery are some what encouraging. It is reported that Mr. Howard who was killed was not concerned in the horse trade and only made a remark in a joke that caused the attack upon his life. Collins had not been apprehended on last report.

LARGE SHIPMENT BABY CHICKS RECEIVED HERE

C. O. Davis of Rule Delivered to J. F. Morrison of this city 1,000 White Leghorn Baby chicks from his big Hatchery last Wednesday afternoon. This is the first delivery of a 5,000 baby chick contract that Mr. Davis sold Mr. Morrison. Mr. Davis has a 12,500 egg hatchery and takes off about 2,800 baby chicks each week. Mr. Morrison has recently erected a large brooder house on his poultry plant and has it equipped with electric brooders to take care of his broods. He has the lumber on the ground to build the other brooder house at once so make ready for the remainder of his chicks.

HASKELL CITIZEN MAKES EXTENSIVE IMPROVEMENTS

Judge L. D. Ratliff of this city is making extensive improvements on his excellent home just across the Valley track on the east side. The building has been thoroughly overhauled and new lumber put in every place which showed the least part of decay both inside and out. Two coats of paint have been put on which makes it one of the most elaborate and beautiful homes in the city. Judge Ratliff has spared no expense in the improvement of his home.

Rev. J. L. Dilbeck of Happy, Texas was here Saturday visiting relatives. He formerly lived in the Weaver community and has many friends in this section who were glad to see him.

Farm Produce Pays the Grocery Bill For this Farmer

C. G. Stark a farmer of the Rose Chapel community is one who believes in producing your living from the farm. He sold during the month of January this year \$29.00 worth of butter on the Haskell market from his milk cows. He also sells quite a lot of eggs and chickens which according to his statement more than pays his grocery bill each month of the year. This gives him his entire crop of cotton and maize as a surplus crop. Mr. Stark was principally reared in Haskell county and is a splendid farmer.

RANCH DESIGNATED AS GAME PRESERVE

The Ballard Ranch, 10 miles east of Haskell consisting of 14,000 acres of land has been accepted by the United States Government for a game reservation for the next ten years. All papers and documents have been legally signed and the grounds turned over to the Government. The work of the stocking has begun, 200 quails have already been released and according to Mr. Ballard a number of wild turkeys were raised on this ranch last year and he has agreed to place enough bronze turkeys in the reservation to make at least 50 turkey hens which he says will soon become wild after they have been released. Paint Creek runs through this track of land and it will be stocked with fish just as soon as possible and other wild game will be added all of which will be closely guarded for the next ten years according to a contract with the Government. Mr. Ballard stated that in the settlement of this section that along the banks of Paint Creek on this ranch was the greatest retreat for wild game in all this country and he believes that it will soon become alive with game again during the ten years to follow. Other adjoining ranches are also being considered as an addition to this reserve, but nothing definite is known regarding any contract being made.

HOWARD SCHOOL TO PUBLISH YEAR BOOK

The eighth and ninth English Class at Howard are highly elated over the fact that they are to have a yearbook this year. All arrangements have been made to put out the book. Officers for every purpose have been elected. We believe that we are the only school in the county to have a yearbook and if so we are glad to have that honor. The year book which is being put out by this English Class is not a very expensive one but it will be based on the style of a college yearbook. The motive of the yearbook is to furnish a means and a method of remembering the good old school days at Howard. The entire class will also receive very useful training from the making of the book.

Each pupil in the class has one or more offices to fill. They have promised to do their part and are being relied on. The officers are: Ruby Medford, Editor-in-chief; Ila May Medford, prophet; Pearl Medford, historian; Clara Medford, poet; impossible things by Reba Dinsmore; A "Do you remember page" by Lydia Hise; A page of "Who is Who in our community" by Lola Nanny; Jokes by Lewis Nanny; Murle Howard, artist; Pearl, Ila May and Ruby Medford, scribes, and "Happenings on the school ground by all."

FORMER HASKELL MAN GETS FOOT CRUSHED IN OIL MILL

CENTER VIEW DEFEATS HASKELL CHRISTIANS

The Sunday school boys of Center View defeated the Christian Sunday school boys in a game of basket ball Friday night at the Christian church of Haskell. The game was certainly interesting to the on lookers and this much can be said of our boys that they certainly showed their stuff.

SALE OF MEMORAL COINS TO START SOON

According to Chairman Bruce Bryant the Confederate Memorial Coinage sale campaign has not been started nor stopped. Both banks have them for sale, he stated, and the remaining half of Haskell's quota has not reached the Haskell National bank, and one thing after another has held up co-operative action.

Both banks have the coin for sale at \$1.00 but after April 15th the price will be \$2.00, according to word from Executive Secretary McCarty, at Austin.

Haskell's quota sales do not show up very complimentary at the headquarters office, the quota being 439 and 19 sold.

The prize coin is also on hand and Judge Bryant will arrange a suitable program under which this might be sold at a premium, as other towns and counties have done over the state.

Surely the citizens of Haskell do not want their town to lag way behind Texas towns, at best, "states Mr. McCarty.

A history of the quotas and sales is to be bound in a book form and placed at Austin where all can see how each town responded to the call for aid in erecting to the Confederate soldiers the Stone Mountain monument.

What is your response to the tribute our government has bestowed upon our fathers?

Judge Bryant urges all who have not bought, do so at once, and when the drive comes, those who have not, are going to be asked to buy and buy heavy in order to dispose of the quota.

ELKS HOLD ANNUAL ELECTION OF OFFICERS

Following the usual procedure Haskell Lodge No. 1158 B. P. O. E. has elected the following officers for the usual term: Emanuel Siegel, Exalted Ruler; N. G. Walker, Esteemed Leading Knight; C. M. Conner, Esteemed Lecturing Knight; Eugene Tonn, Esteemed Loyal Knight; F. N. Clifford, Secretary; Raleigh Lemmon, Treasurer; W. C. Walker, Tiler; Eugene Tonn, Bert Welsh, T. C. Cahill, Trustees. Installation ceremonies will follow in the first Monday evening of April.

HASKELL COUNTY FARMER BELIEVES IN DIVERSIFICATION

Albert Klose a young farmer living east of the city is a believer in diversification. He is not sold to the one crop idea. He grows plenty of feed and small grain to run the farm, keeps hogs and cows and poultry which take care of his living expenses. He is through planting his maize and sorghum or was through last Saturday. The big rain which fell Saturday night might occasion him to have to replant, but in case he does he will have plenty of moisture to bring it up. He brought to the city 40 hens from his flock for which he received a fancy price. He has been bringing a full case of eggs to the city each week until he sold some of his hens to make room for the young chicks which he is now taking off. He is never indebted for his groceries. The hens pay his bills.

INTEREST GROWS IN CLUB WORK

According to County Agent Trice many boys and girls are taking interest in the club work this year and are joining one or several of the projects being put on in the clubs. Several club membership cards have been received during the past few days which brings the present enrollment to 48 members with many cards yet to come in.

The following named boys and girls have sent in their cards from the different schools in the county: Center Point School; Herbert Hannax, Calvin Jeter and H. F. Harwell Jr.; Midway; Calvin Frierson, Hollis Pitman, Velma A. Adkins, Pauline Frierson; Corinth; Virgil Sonnemaker; Ballew; Ralph Merchant; Cook Springs; Edwin Lott; Post; W. J. Church Sunday

First Baptist Church
The meeting which was to have begun last Sunday was postponed one week on account of the pastor's illness. We will begin next Sunday unless Providentially hindered. The pastor will do the preaching and Mr. William Young will lead the singing. We are depending on the Holy Spirit for leadership and power and on your help and co-operation to make the series of meetings what they should be. We cordially invite all who will to come to the services.

Following are some of the subjects to be discussed:
Haskell's Greatest Need.
Infamous Ingratitude.
What Must I Do To Be Saved?

Night Coughing Relieved At Once

Why suffer continually from a persistent, weakening night cough when you can get almost instant relief, and usually break the cough completely in 24 hours by a new method based on the famous Dr. King's New Discovery?
Here is the method: You simply take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. It has a double action. It not only soothes and heals irritation, but also removes the phlegm and congestion which are the real cause of the coughing. As a result even the worst cough usually disappears quickly.

Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too—no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for

The Reality of Personal Religion. Assurance—What Becomes of The Saved Sinners?

All services next Sunday will be at the usual hours.
We are expecting the largest attendance in Sunday School next Sunday that we have had this year. Make your plans now to come.

There will be no week-day services through the meeting. Services will begin each evening at 7:45.

We earnestly solicit the co-operation of all in these services.

Quarterly Meeting, Baptist W. M. U.

The quarterly meeting of the Baptist Associational W. M. U. Auxiliary, was held in the Baptist Church on Thursday March 18th. A good crowd was in attendance considering the fact of so much sickness in the various towns and communities. A splendid group of representatives was present from Munday and Rochester, several from Rule and two from the Post society.

The morning session opened at 10:30 o'clock and following a song, Mrs. J. E. Frazier of Rochester led the devotional. Mrs. Dick O'Brien of Munday discussed fully "Our Part in Training for Leadership", stressing the necessity of beginning early with our young people if we would have them go in the right way.

The Misses Free sang "Whispering Hope," which was very much appreciated by the audience.

The president of the Auxiliary, Mrs. G. C. Cowan, brought a splendid message on Personal Responsibility in the On-Going of the Lord's Work. She made very clear the call that comes to each christian worker, from the orphans, old ministers, our mission fields and other phases of the work. The song, "Jesus Calls Us," closed the morning program.

A bountiful lunch was served in the basement of the church, where bowls of lovely spring bulbs added their beauty to the well filled tables. A business session was held in the afternoon and several matters discussed. Mrs. B. M. Whiteaker was elected publicity chairman for the association and Rule was selected as the place for the next quarterly meeting.

A program on "Ways of Winning," was given by thirteen of the Haskell members with Mrs. R. C. Couch as director. A song and prayer closed a most beneficial day for the Baptist women.

Preaching at Midway

Rev. W. H. Albertson preached at Midway Sunday March the 14th to a large crowd. Mr. W. M. Free and daughters May and Fay were present. Some real good singing was rendered. Mr. Free and daughters sang some special songs and Mr. Young of Haskell was also present and sang for us which was enjoyed by all present.

The sermon brought by Rev. Albertson was one of the best we have ever heard and we are always glad for 2nd Sunday to come. Every one is invited to come each Sunday and share these good sermons with us

MRS. R. N. SQUIRES BURIED HERE THURSDAY

Mrs. R. N. Squires died at their home in the Midway community Wednesday March the 17, at 1:30 p. m. after a lingering illness of Many months. Funeral services were conducted by Rev. P. W. Walthall assisted by Rev. Forester at the home of her parents Mr. and Mrs. Jesse B. Smith at 2:30 p. m. Thursday after which her form was carried to the Haskell Cemetery and given burial. A large concourse of sorrowing relatives and friends followed her remains to the grave. She was one of our most noble Christian women having been a member of the Christian church of this city since she was a small girl. She was principally reared in Haskell county coming here with her parents from Bell County when she was a child. To know her was to love her and her sweet and loveable disposition made her a favorite with all her acquaintances. She will be keenly

missed by her loved ones and friends but we know that she has gone to that home forever to be with her Savior around the throne of God. She was only 22 years of age when the end came, but her short life was full of love and hopes were made bright and the world is made better by her having lived in it. She is survived by her husband and one small child two years of age, her father and mother and several brothers and sisters. May he who alone can pour balm into wounded hearts comfort the bereaved in this dark hour of sorrow.

Entertains Sunday School Class

Mrs. Felix Frierson entertained her Sunday school class at the school house Friday evening at four thirty. After playing several interesting games refreshments of Easter eggs, cake and sodapop were served to twenty four children and when leaving they all asked to be entertained as much as once a month.

News-Sims.

At the home of the bride's parents, Mr. and Mrs. G. C. Newsome in Weinert, there was solemnized the marriage of their beautiful and talented daughter, Miss Thelma Newsome and Mr. Raymond D. Sims, Jr., of Snyder, Texas, last Monday evening at 7:30 o'clock, with only the immediate family and a few friends witnessing the ceremony. The only out-of-town guest present was the closest friend of the bride—Miss Hazel Robertson of Abilene. While simplicity was a keynote factor in this quiet home wedding the bride was altogether lovely in a gown of beige crepe romaine, trimmed in an abundance of laces of creamy ecru and gold, which was smart in line and color, carrying an arm bouquet of bride's roses and sweet peas.

Miss Thelma Newsome is a product of the Haskell County schools, finishing the Haskell High School some years ago, where she also graduated. This year at southern university is also the matron of the groom, Mr. Raymond D. Sims, Jr., who was a star football player while there. The marriage ceremony was read by Rev. V. W. Tamm, pastor of the First Baptist Church of Weinert. Mr. and Mrs. Sims will immediately for a honeymoon trip, after which they will be at home in

Snyder, Texas, where the groom is engaged in the drug business.

Mr. and Mrs. Theron Cahill Celebrate Marriage Anniversary.

In their lovely new home Mr. and Mrs. Theron Cahill invited a number of friends to help them celebrate their second marriage anniversary last Tuesday, March 16th. This is the calico wedding and the color scheme of red and white was carried out in that material in table markers and tally cards for bride, which was played during the evening. Red candles and flowers also helped out in the color scheme. When the count was made at the close of the games, Mrs. Wayne Koonce was given a potted geranium for her ability at playing bridge and Mrs. Hill Oates was consoled with a dainty apron. For high score for the men, Mr. Marlin Wilson was given a tie and the low score prize were handkerchiefs given Mr. Jess Campbell. Many novel calico gifts were left this bride and groom of two years by Messrs. and Mesdames Clyde Grissom, John P. Payne, Hill Oates, Wallace Cox, Wayne Koonce, and little Miss Eloise Koonce, Mrs. Mary Oates of Haskell and Messrs. and Mesdames Jess Campbell, Marlin Wilson and Dave Earnest of Rule. Mrs. Cahill served her guests sandwiches and olives and apricot sherbert.

City's Federated Missionary Society.

The City's Federated Missionary Society will meet at the Christian Church Monday, March 29th in the regular fifth Monday meeting. This department carried this program in last week's issue of the paper, in part, but below is the programme in full and as it will be: Opening song, "Blest Be the Tie"; Devotional, Mrs. R. C. Couch Song. Topic, Planning, Home Beautification; leader, Mrs. Courtney Hunt; Some Town, Mrs. H. M. Smith; Reading, Mrs. Ward Boyce; Trees as Friends of Man, Mrs. M. L. Baker; Special Music, Mesdames Pinkerton and Cummins; Community Beautification, Mrs. B. M. Whiteker; Benediction; Social Hour with ladies of the Christian Church as hostesses.

Missionary Society.

The women of the Missionary Society of the Methodist Church met last Monday at the regular hour, three o'clock in a monthly business meeting. The president, Mrs. S. R. Rike, led the devotional with an opening hymn, "Sweet Hour of Prayer." This was followed by a series of sentence prayers especially for the sick of the church and the community throughout. The secretary, Mrs. W. A. Kimbrough, then called the membership roll and each member answered the number of calls made on the sick. Then each officer made her report, and for this early in the year they were unusually fine. A noteworthy feature of this society is the number of your matrons, who are shouldering some of the major responsibilities of the society. The president expressed thanks to the women of the church for their splendid response in donating to the layman's dinner last Thursday. Elected delegates to the convention in Lubbock in April are: Mesdames S. R. Rike, O. E. Patterson

and Guy Mays. It is very probable that the delegates will be instructed to aid and urge the convention to meet in Haskell next year.

Pay Your Cemetery Dues Now.

Will the Haskell county people who have lots in the Haskell or Willow Cemetery, please help to avoid unnecessary work on the part of the secretary of the Cemetery Association, by paying your dues at once? The association has worked hard to enlarge, keep up and fence the Cemetery and now if dues are not paid at once, the society will have to borrow the money or bear the expense itself to pay the janitor. We believe in these busy times that this is an oversight and that "you" will either mail your check immediately to Mrs. J. L. Odell or Mrs. Travis Ar buckle or leave it with Jones Cox Hardware Co.

Mrs. Guy Mays Entertains With Early Picnic.

On last Thursday afternoon Mrs. Guy Mays entertained her Missionary children with a picnic on the Methodist church lawn. All kinds of out-of-door games were played and then the basket lunch was enjoyed by twenty-five little members and their leader, Mrs. Mays.

Mrs. Wallace Cox Entertains the H. and R. Bridge Club.

Haskell's newest bride, Mrs. Wallace Cox, entertained in her beautiful new home last Tuesday for the H. and R. Bridge Club and recognized the season's holiday in color scheme in score pads and nut baskets which were in Shamrock green. Bows of violets gave their silent testimony that spring had come. After two tables of bridge had been enjoyed the greater part of the afternoon Mrs. Cox served a salad plate of shrimp salad, potato chips, olives, crackers and coffee to: Mesdames Dave Earnest, Marlin Wilson and Jess Campbell of Rule and Mesdames Hill Oates, Theron Cahill, Clyde Grissom and Wayne Koonce of Haskell.

Harmony Club.

The Haskell Harmony Club in its regular meeting on Wednesday March 17, continued chorus practice on the Easter Cantata "The Triumph of the Cross" by Ina B. Wilson. The story given is of the rejection of the Christ, His sacrificial death on the cross, the scene at the tomb on the first Easter morning, Christ risen victorious over death and the promise of eternal joy to those who love Him.

Interspersing the vocal numbers Supt. H. D. Neff will show a series of beautiful slides on screen, depicting the scene described in the songs.

This program which promises to be a very interesting one will be presented by the club at the Baptist Church Easter Sunday, April 4, at 8 p. m. The public is cordially invited to attend.

Weinert Matrons Club Meets

The members of the Matrons Club met at the home of Mrs. Fred Reid and rendered an interesting program on "Women of the Bible." The following ladies had parts: Mesdames M. V. Tatum, P. T. Weinert, G. C. Newsom and Al Marr. A refreshment plate of sandwiches, olives, chipped potatoes and lemonade was served. Those present besides the ones on program were Mesdames W. R. Weinert, R. H. Jones, C. A. Barton, C. P. Baker, G. R. Couch, Marshall Whitsett and the hostesses.

Law Enforcement Program at High School.

On the evening of Thursday, March 25th, at eight o'clock there will be a very fine program on Law Enforcement at the Haskell High School auditorium. Every number has been painstakingly selected and could be classed as a special. This will be one of the many educational programs sponsored by the Parent-Teachers Association this year and they have been drawing large crowds. Everybody is invited to attend, there will be no charges. The program follows:

Piano Solo, Mrs. Virgil Meadors; Song, America; Address, Hon. Clyde Grissom; Reading, Miss Lois Wear; Problem of Law Enforcement, Judge John Lee Smith, Throckmorton; Piano Solo, Mrs. John W. Pace.

Mrs. Fields Speaks at Seymour.

A very enthusiastic Regional Meeting of the Texas Conservation Society met last Saturday, March 20th in Seymour with the president, Mr. Kemp of Wichita Falls in the chair. Quite a number of Haskell citizens were present. The main topic of discussion was "The Advisability of Damming the Brazos River." Mrs. J. U. Fields represented the women and spoke on "Conservation Viewed by the Women."

Mrs. E. B. Hooten III

The people of Center Point are sorry to learn of the illness of Mrs. E. B. Hooten of that community. She and her family moved to Ploydada two years ago. She with her daughter Irene are in Mineral Wells now for her health. Her many friends wish her a speedy recovery.

Returns from Visit to East Texas Messrs T. D. Strickland of Sayles and W. E. Bland of Center Point returned to their homes Monday night after a weeks visit to Henderson Texas. Also they spent several days in Ft. Worth attending the Fat Stock show. They report plenty to eat and a real nice time during their trip.

A Card of Thanks

We take this means of thanking our neighbors and friends for their kindly aid and loving sympathy in the death of our husband and father. Words fail us to express our gratitude to those who were so kind to us during this dark hour of sorrow. May Heaven's richest blessings rest upon each of you and may happiness be your portion in life.

Mrs. Stephens of Pleasant View III

Mrs. Stephens of the Pleasant View community who has been very ill the past week is not improving as fast as could be hoped. The cause of her illness is not known but we trust she will soon be well again.

Resolutions of Respect

To the officers and members of Weinert Lodge No. 677 I. O. O. F., Weinert Texas.
We your committee to draft resolu-

tions of respect in memory of our departed brother W. E. Adams.

Whereas, our supreme Grand Master Almighty God, has seen fit to break the chain and take from us our beloved brother, therefore be it resolved, that while we know that a loved one is gone a voice we loved is stilled, a place is vacant in our midst which can never be filled, yet we bow in humble submission to Him who doeth all things well, He lived an Odd Fellow life, a useful life, a moral life and an honest life.

That our heartfelt sympathy be ex-

tended to the relatives and friends, and we commend them to him who alone can comfort them in this time of sorrow.

That our lodge charter be draped in memoriam for sixty days, that a copy of these resolutions be spread in the minute book, a copy be furnished the family and a copy be sent to the Haskell Free Press.

Respectfully submitted in P. L. & T.

BUY-AT-HOME CHECK MAKES ITS ROUNDS

What a dollar spent in Haskell will gather in its travels has been definitely established by the Board of City Development in an example as carried out under the auspices of organization recently.

A check of One Dollar was issued Secretary Hugh Ratliff of the City Water Department, on February 24th; Mr. Ratliff stepped into the Payne Drug Co. and cashed the check while treating several friends to one of those appetizing soda fountain drinks the Payne Drug Store is famed for.

From the Payne Drug Store the Dollar Check dropped into the Cash Meat Market and was exchanged for good things to eat from that cash house on the North Side of the square.

Evidently J. E. Bernard is a cash customer of the Cash Meat Market because the next endorsement shows he carried the check away from the Cash Meat Market and handed it to his old running mate and fellow worker in the interest of English Park and Camp Grounds, T. C. Cahill, whose business is given as Insurance and Real Estate.

Mr. Cahill seems to have grown hungry in his usual rounds and dropped in at the Elks Cafe and satisfied that inner man in the usual way.

He must have ordered a special cut of meats as the Elks Cafe Management stepped next door to the Irwin & Meyers Butcher Shop in rear of the Collier Grocery and left the Dollar Check for a spell.

Next we find the Dollar Check with Otta L. Johnson, where it was exchanged for a clean shave and trim and waited a short spell until County Agent W. P. Trice dropped in for his usual cleaning up, that keeps him spick and span. Mr. Trice stepped into the Oates Drug Store where Mr. Hill Oates sped it and exchanged it with Courtney Hunt & Co., where R. L. Lemmon and J. G. Mulkey, both of the Hunt & Co. force exchanged it between themselves, however we are unable to obtain the desired information, as to just how the exchange was made. Those who are better acquainted with these gentlemen can make their own guesses and draw their own conclusions, the writer refuses to present a reason, being a stranger in Haskell, as it were.

Mr. Mulkey dropped the Dollar Check in at Gholson's Grocery and there it took a blow, but, with another start dropped in at the Cash Meat Market again, apparently liking that establishment quite well.

The Cash Meat Market gave it another start when it was exchanged for merchandise at Pearsey & Stephens

Grocery, where our rural citizen, Roy Lancaster did not give it time to get cold in his hands, but hurriedly handed it to Payne Drug Co., in his usual trading, and again the Payne Drug Co. was in possession of this famous Haskell Dollar.

The next stop was No. 19 where Haskell's Dollar check made the longest jump, landing with Jones Cox & Co., where it was allowed to rest until it was passed to the Haskell National Bank, and there the bank stamped it with their endorsement and 20 endorsements had been placed upon this demonstration check and One Dollar had gone the rounds and been exchanged in commercial channels twenty times but had not visited as many merchants in its travels.

The main object in view was to show just what a dollar spent in Haskell might gather in its travels when exchanged in Haskell for Haskell wares as offered by the various merchants here.

Let us say it made for the merchant a profit of 10 per cent where it was exchanged each time. That is fair enough, for a talking point you will agree. Having visited 19 business houses, we have \$1.90 to credit this dollar with as earnings.

This \$1.90 in less than fifteen days is a fair profit for any dollar, you'll admit.

Very well, as it traveled it gathered profits but had it been mailed to some mail order house how many of these 19 business houses would have made this ten per cent, or whatever their profit might have been in these travels? Every dollar spent in Haskell will make as much money for Haskell, but when mailed out of town not a dime is gathered for Haskell but for another town, Haskell's Dollar builds another town whether in Texas elsewhere, and the value to Haskell, even for the dollar as earned counts into many many losses as the months go by and a year is counted.

Buy in Haskell as you earn in Haskell and though you labor under the impression you get a better deal and save a few cents when you mail your money away from Haskell, remember the worm will turn and sooner or later as these dollars go out of Haskell, never to return, the very position you hold or the demand for your service is being lowered as the practice continues and you have no one to blame but yourself, Mr. Haskellite.

It is regretted that the Mail Order Practice is not confined to the laborer or salaried man to any great extent but merchants in other lines seem to forget it is their duty to a neighbor merchant to trade with him and in turn enjoy a like trade and the clerks and the help in general from the neighbor merchant's force trade with the other merchant, and so on to make a complete transaction and keep Haskell Dollar in Haskell and each in turn earn its value day by day and make what each citizen desires to see it.

"What Texas Makes—Makes Texas" is the Industrial Week slogan, March 22-27th. Ask for Texas Made Goods, most of the merchants have them. Watch the show windows as you trade and call for Texas Made Goods. Build your native State Texas, or the State of your adoption, as the case may be, and when you earn a dollar in Haskell, spend it in Haskell, and that's building with a will and as it should be. Your dollar comes back to you when spent in Haskell. Sent out of Haskell it is gone forever and a day.

SOCIETY and Club

Porter-Craig Wedding Solemnized at Stamford.

The marriage of Miss Gaynelle Porter, daughter of Mr. and Mrs. N. D. Porter of Stamford, to Conway Craig was celebrated Sunday morning, Mar. 21, at Stamford, at the St. John's M. E. church, with the Rev. R. H. Sewart performing the ceremony. As the organist, Mrs. C. M. Francis, played the last note of the Sunday School music she changed into the wedding march, and the bridal couple entered, completely surprising everyone except the bride's sister, Mrs. A. L. Langford, and the Rev. Stewart.

Mr. and Mrs. Craig left immediately after the ceremony for an automobile trip to Wichita Falls, Fort Worth, Dallas and other points.

Mrs. Craig was graduated from the Stamford high school and has been a student at T. W. C., Fort Worth. Mr. Craig who was graduated with the class of '25 from Simmons University, was formerly an employe of the Abilene Daily Reporter and at present is connected with the Southwestern Engraving Company.

Miss Porter taught in the Post school in Haskell county last year and has many friends in this section.

Pre-Easter Week of Prayer Program.

Last Monday in a quiet corner of the basement of the Christian Church the women of the Missionary Society gathered and observed their Pre-Easter week of prayer program. No sooner were they well into the service until the entire room seemed permeated with an atmosphere of worship and reverence and they reviewed the mission work abroad and at home and discussed special characters who had given their lives to this great work, a better understanding of both fields came to them. The three divisions directed by three ladies were deeply spiritual and instructive. In the morning the program was on "Missionaries in Foreign Fields" and was led by Mrs. Press Baldwin. In the afternoon the first division was a Memorial Service in Memory of Mary Kingsbury, who was missionary in India for 43 years, by Mrs. H. S. Post, which was inspirational, especially during the ceremony of unveiling of a picture of Mary Kingsbury. The last was "Workers in The Home Land" and in her own original way Mrs. T. A. Pinkerton brought this message. This all day of prayer and reminis-

cence for and of the church will long be remembered by those present. At the noon hour the husbands of the ladies came in and a bountiful lunch was served cafeteria style from tables marked with the societies colors, purple and white.

Address to City's Federated Clubs Canceled.

Mrs. Lillie T. Shaver of Dallas, who was to have addressed the City's Federated Clubs at the Magazine Club rooms on Friday afternoon, March 26, wrote that it would be impossible for her to come. The Magazine Club will meet in regular session at 3 o'clock.

Magazine Club

The Magazine Club met in regular session Friday March 19, with Mrs. V. W. Meadors presiding. Among the things discussed in the business session was the study course for the ensuing club year. Mrs. Charles Parsons was elected federation councilor and Mrs. J. B. Post named delegate to district federation which meets in Vernon, Texas, in April. On account of the tea which Mrs. J. U. Fields will give for an out-of-town guest next Friday, the club will not meet until April 2.

The following was rendered:

- Leader—Mrs. Montgomery.
- 1. Roll Call. Response: A Present Day Texan in World Affairs—The Club
- 2. Names and Outstanding Events in Each Administration of Fourth Six Texas Governors—Mrs. Montgomery.
- 3. James Stephen Hogg and the Texas Railroad Commission—The Esch-Cummins Act—Railroad Service in Texas Today—Mrs. Wallace Cox.
- 4. Reading "The Governor's Family"—Mrs. Ballard.
- 5. Reading—Some Texas Statistics—Mrs. Lee.

During the social hour after the program, Mrs. Montgomery directed a very clever diversion. Each one present was asked to write an original tribute to Texas. The following tributes from Mrs. Meadors and Mrs. Keunster were first and second prize:

"The Lone Star of Texas shines over us all: The long-horns, the mustangs, the cowboys tall; Oh, may she ne'er weaken, nor divide her land; But always keep together the Panhandle and Rio Grande."

"Away out West in Texas; The home of the long-horn steers; There was plenty of work for both sexes. And happiness, sorrow, and tears."

The social committee served a plate lunch to the members and two guests Mrs. Bickley of Abilene and Mrs. C. E. Bray.

Miss Hazel Robertson, daughter of Mr. and Mrs. John Robertson of Abilene spent Monday night with her aunt and family, Mr. and Mrs. R. J. Reynolds on her way home from the Newsome-Sims wedding at Weinert.

Mrs. W. B. Vaughan left Tuesday of this week for Thomas, Okla., where she will be joined by her father, Mr. J. W. Shanks and they will continue on to Hidro, Okla., to see a brother and uncle Rev. F. E. Shanks, who is quite sick. Marvin Vaughan has a friend from Chillicothe visiting him the week, Hugh Huebsch.

L. A. Baker and brother, H. F. of Sagerton were in the city Tuesday on business. They report a big rain last Saturday night, amounting to more than 2 1/2 inches, accompanied by a little hail but not enough to do any damage at this place.

Miss Galen Robertson, daughter of Mr. and Mrs. R. V. Robertson, who is a student in C. I. A., Denton, spent several days with her parents and friends in Haskell this week between terms.

Miss Maurine Couch who has been quite sick with the flu came home with her mother Mrs. John A. Couch who had visited her in Baylor University during her illness and brought her home to recuperate, returned to her school last Sunday night.

Roberts To Give Play

There will be a play given at the Roberts school house Friday night April 2nd, for the benefit of the church. The name of the play is the "Arizona Cow Boy." The very best talent of the community will be used. The public is cordially invited to attend.

Uncle Tom Lemmon III

Uncle Tom Lemmon driver of the laundry wagon of the city has been confined to his room for the past several days with illness, but we learn that he is getting along nicely and will soon be able to resume his work. Mr. M. O. Lyles has been at work in Uncle Tom's place since he has been sick.

May Day Races

Preparations are being made to have the best races Saturday May 1st, that have ever been seen on the Fair Park track. Numbers of new horses are to be here. Reports have been received from race horse owners that they will be here for the next meeting. Three new horses are being trained in Haskell County for the next race meet that have never been seen. This will add to our present local horses and it has been intimated that one or two horse fanciers are negotiating for horses. This will make the favorites speed up if they hold their records.

Baptist Meeting Postponed

On account of illness of four members in the family of Rev. and Mrs. W. H. Albertson the Baptist meeting that was to have started last week will be postponed until next Sunday March 28th. As we go to press word comes from the Baptist Parsonage that all are improving.

MIDWAY

(By Velma Frierson)

The grain crops of this community are looking pretty since the rain. The orchards are also looking good and it surely does look like spring.

Mr. Bob Herrin and family spent last week end visiting relatives in Spur.

Mr. C. G. Burson went to the plains last Saturday on business.

The party at the home of Mr. Arthur Moser Saturday night was enjoyed by all those present.

The Snap shot society gave a program Wednesday for chapel.

The nice rainfall which fell over this community last Saturday was just what we have been needing for some time. We hope to get another one soon.

COURTNEY HUNT & CO.

Upon the shoulders of the men and women who conduct the affairs of the West Texas Utilities Company there rests a great responsibility. To them more than a hundred thousand West Texans look for that essential service made possible by the modern miracle worker—electricity, and without which, in this modern day, no home, no place of business, no industrial enterprise is adequately equipped.

It is no small thing, to be charged with such a responsibility as this. Where the comfort, the welfare, and even sometimes the lives of thousands of people are involved, the task becomes a serious business. It becomes a job wherein every man and every woman concerned must give the best that he has of conscientious, faithful, honest and skillful service.

And that is the ideal of this company, and the men and women who compose its working forces. The company, through its thousands of stockholders, has provided them with millions of dollars worth of the finest and most efficient machinery and equipment that money can buy, and has charged them with the task of employing that machinery and that equipment so that you may unfailingly have at your finger tips that magic force that has banished gloom and drudgery from your home.

These men and women are proud of the responsibility that is theirs and they are giving the best they have to the job of serving you honestly, faithfully and well.

Bad Color (liver trouble)

"OCCASIONALLY I am troubled with spells of constipation and inactive liver," says Mrs. John L. Pence, Broadway, Va. "I always use Thedford's Black-Draught when I feel a spell of this kind coming on, for it saves me a bad headache. My color gets sallow at times. I get real yellow, showing that the trouble comes from the liver."

"I have found Black-Draught to be the finest kind of a remedy for this. I take Black-Draught and make a tea out of it, and take it, along in small doses for several days. I have never found anything that served me so well."

"Since I have known about Black-Draught, I have not suffered nearly so much with headache, caused from indigestion. If I find my tongue is coated, and I wake up with a bad taste in my mouth, I know I have been eating indigestively, and I immediately resort to Black-Draught to straighten me out."
