

**First Baptist Church**  
All services next Sunday at the regular hours.

The B. Y. P. U. Training School this week is doing good work. There is an excellent attendance and the interest is above par.

Next Sunday morning the pastor will preach on the Eighth Commandment. Sunday evening the ninth commandment will be the subject for discussion.

Don't forget that our meeting begins the 21st of this month.

You are always welcome.  
W. H. Albertson.

**DEATHS**

**Baby Dies**

The little infant baby of Mr. and Mrs. Henry Thane of the Howard community died Friday March 5, at 3:30 p. m. This dear little one only came for a short stay with its fond parents, but like a lovely flower which blooms and fades away all too soon but leaves the sweet fragrance of its being in the minds and hearts of those who loved it so dearly. It was only a sweet baby boy's face that played its quiet music on the heart strings but will live in sweet memory to bless the lives of those who knew it so briefly but loved the Howard church Saturday evening so dearly. The funeral was held at at 3:30 o'clock by Rev. W. B. Vaughan pastor of the Haskell Methodist Church. After which its little form was laid to rest in the Howard cemetery. The bereaved loved ones have the loving sympathy of all the friends and neighbors.

**Mrs. Shies Buried Here**

The funeral services of Mrs. Lula Shies, mother of Mrs. John Briegh of the Post community was held at Willow cemetery at 2 o'clock by Rev. L. W. Walker of Stamford. The body was brought here on the early morning train Saturday. She died in Wichita Falls Friday March 5.

Mrs. Shies was seventy-two years old and had been a member of the Methodist church fifty years.

No words can comfort those who mourn for her, but our prayers is that the father who alone can heal the bleeding heart will speak peace to those upon whom the rod of affliction rests so heavily.

**Baby Dies**

News reached here early in the week of the recent death of little Virginia the one year old daughter of Mr. and Mrs. Newt Barham which took place near Goodnight on the north plains where her little form was laid to rest. She was born in Haskell while her parents lived here and she will be remembered by many Haskell people. She passed away from an attack of Pneumonia. The friends of the family extend their deepest sympathy to the bereaved.

**Cemetery Working at Pinkerton**

The working of Pinkerton cemetery will be Wednesday March 17th. Every one interested is requested to be present. Don't forget the date.

**1926 Texas Almanac**  
The Free Press is in receipt of a copy of the 1926 Texas Almanac and Industrial Guide published annually by the Dallas News.

To our mind it is the most complete edition yet produced and is filled with valuable information concerning Texas, that every progressive Texan should avail himself of.

Included among other interesting features one finds a list of principal Texas organizations, with names and addresses of presidents and secretaries, 1926 political calendar, principal radio stations, origins of names of Texas cities and towns, sport records, State games laws, Texas vital statistics, foreign trade, utilities, the results of the new agricultural census, complete calendar with supplementary matter for the year 1926, recommendations of the Educational Survey Commission revised Postoffice Guide, weather statistics and numerous other matters. A revised map of Texas in colors under the back cover.

Prof. T. M. Moore and wife of O'Brien were week end shoppers in the city last Saturday.

Sometimes you wonder why Women are Nervous!

It is a scientific fact that predominating wall colors react on the nervous system. Some distract and irritate. Others are quieting and restful. With Acme Quality No-Lustre Finish you get the desired effect. On walls and ceilings, its soft non-glaring tones are always soothing.

**ACME QUALITY Paint & Varnish**

For all walls and ceilings, there is a special Acme Quality product. Come to this Acme Quality Paint and Varnish Service Station and discuss with us any indoor or outdoor painting problem.

# SOCIETY and Club

**H. Morrison**  
 H. Morrison presented pupils in piano recital at the Club Library last Friday night. The program was presented by pupils of Mrs. Morrison in expression and one of Mrs. Virgil Meadows' violin tabulating from time to time. The program was made by these artists and women in the making of all honor and credit to them. An evening spent in program of musical numbers and classical dancing by Mrs. Morrison. Those having the program were: Mary Morrison, Audra Gayle Roberts, Looney, Geraldine Conner, Wair, Ruby Lee Pope, Helen Mabel Baldwin, Morrison, Eva Dell Squires, Couch, Frances Walling, W. Frank Fuller Bryant, T. A. Williams Jr., Ora H. Moser, Irene McGregg Walling, Maxine Walling, G. W. Reynolds, Hazel Hamilton, and Mrs. J. W. Gammell.

**Mrs. J. W. Gammell Entertains**  
 Mrs. J. W. Gammell entertained members of her Sunday School Class and especially invited guests. As is always the case in this home where boys and girls are loved, and thoughtful preparations are made from time to time for their entertainment, a splendid time was had playing indoor games. At a late hour Mrs. Gammell served fruit salad and cake to Ruby Spurlock, Hazel McIver, Ruby Fay Thompson, Wolda Pippin, Kathryn Wingo, Judith English, Beatrice Thomason, Bessie Bee Kaigler, Effie Moser, Vivian Bernard and David Leflar, Fred Aifins, Bates Thornton, Charlie Wingo, Don Eastland, Melton L. McDonald, Garland McWilliams, Gilbert Wilson, and Rob Simmons.

**Women's Missionary Society of Methodist Church**  
 The women of the Methodist church met in regular meeting last Monday afternoon in the study of the second chapter of the study course, "Across the Border," with Mrs. J. G. Mulkey as house hostess and director. Mrs. Mulkey taught the first division herself in a manner that not only showed study and preparation but divulged an inherent ability to teach, not possessed by every one. Others having part of the second chapter and bringing to light interesting knowledge about our sister country, Old Mexico, were: Mrs. Labry Ballard, Mrs. I. W. Kirkpatrick, Mrs. Bob Harrison, Mrs. A. Q. Gentry, and the president Mrs. S. R. Rike. No less interesting were the talks on visits to Mexican settlements, Old and New Mexico and to bazaars and fairs where Mexican products and textiles are to be seen, by Mesdames R. C. Montgomery, Burl Cox, S. R. Rike. During the business session, dues were paid, unfinished business dispensed with and some vital things concerning the church in general were discussed and voted upon.

**ident and the three former students of Mr. Penard:** Mesdames H. D. Neff, M. L. Baker, and Miss Ruby Fitzgerald, with special assistance on the part of Mrs. John W. Pace, are to be congratulated for bringing this noted artist to Haskell. Such programs as this one explains the oft repeated exclamation on the part of visitors to Haskell, "Why, Haskell Women certainly do know and appreciate good music." Little Miss Helen Neff met the guests at the door and supplied them with programs and when Mr. Renard had played his first number, she carried a tall handled basket of pink and white carnations with sprays of ferns to him, which he later presented to Mrs. Koonce with autographed numbers of the songs she sang. The baby grand piano that was used on this occasion was very graciously loaned by Mrs. Courtney Hunt. The following facts about this composer were conveyed to the audience with the programs: "With a back ground of nearly a quarter of a century of experience in North Texas, Frank Renard has a prominent place in musical and educational circles. Mr. Renard was born on the German-Swiss border, but for twenty years or over he has been a citizen of Texas. He has concertized successfully in Europe and America. As soloist with the Chicago Symphony Orchestra he won many encomiums. In prize competitions Mr. Renard has won fame and substantial recognition, his last award being from San Antonio Musical Club last spring, when his suite for string quartette was given first place.

**Mrs. L. E. Bland Entertains**  
 Mrs. L. E. Bland of Center Point entertained Messrs Shelby Johnson and Erban Harris also Misses Freddie and Vergie Johnson all of Sayles with a supper and 42 party last Thursday evening. At a late hour the guests departed thanking their hostess for plenty of eats and a nice time.

**Women's Missionary Society of Christian Church**

OF THE ORGANIZATION OF THE

## Retail Merchants Association

Affiliated With the State and National Associations

Object of this association is to furnish credit protection to all its members and to promote the development for the purpose of creating a business-like and fair system of and for handling of credits, and to eliminate existing trade practices which are detrimental to the merchants and to the buying public.

To co-operate with other local association throughout the State whose objects are the betterment of the business and promotion of a better understanding between the merchant and his customers.

To promote a fair and honorable competition between its members, encourage the strict enforcement of all laws and ordinances regulating retail trade, further honest advertising and clean business methods.

To furnish credit rating on individuals for mutual protection of its members and to keep in operation a reliable credit rating system in charge of a salaried secretary.

This organization has been created in the interest of fair and honorable business dealings in this community. People with honest intentions need not fear its operations since the character of these will only be enhanced in the hands of honest and professional men are to be known as protection to the merchants. Every worth-while trading center should find it necessary to organize these protective associations. Haskell is now responding to the need. It is sincerely hoped that an accompanying effect of the association will be to encourage thrift, industry and more prompt business methods and for these reasons it will prove a splendid public benefit. It should minimize merchants losses and tend to economy.

The RETAIL MERCHANTS ASSOCIATION has other beneficial features which it will strive to carry out. The 'dry', 'hot', 'cold' or habitual check writer will come under the espionage of the organization and be made responsible to the terms of the stringent Texas bogus check laws. Also its permanent advertising committee will endeavor to protect the community from the pest of fraudulent advertising solicitors and sellers of cheap unwarranted goods.

APRIL 1st, 1926, has been adopted by the association as the date when final reports will be made on the credit rating of customers of members of the organization. Until that date you are accorded an opportunity of having an understanding with your creditors with whom you may have accounts which are not in a satisfactory business condition.

**DO YOU OWE PAST DUE ACCOUNTS? Do you owe notes that have not been named? Are you in any manner obligated so that you should have an understanding with a business or professional man who has trusted you?**

If so, come in now and make some kind of satisfactory settlement. Pay the accounts up if you can or else make arrangements for their payment. There is not any disposition to be hard with any who display honest and earnest intentions.

## For the First Time \$500 Buys a Closed Car

If you plan to spend over \$500 F. O. B. Factory for an automobile, you can get the year-round comfort and convenience of a Ford closed car.

The price advantage which the public enjoys in purchasing Ford cars is the result of volume production. In 1920, when the Ford Motor Company was producing approximately only a million cars a year, the Ford Touring Car sold for \$575. Today, with production on the basis of nearly two million cars a year, the Tudor Sedan, a high quality all-steel closed car, can be purchased for \$520—\$55 less than the Touring Car sold for six years ago. Open car prices are correspondingly low.

While this program of price reduction has been carried on, important refinements and improvements have been made in Ford cars. The latest improvements include new and attractive body lines—a lower center of gravity, closed cars in color, all-steel bodies, new brakes and new style fenders.

However, the basic features of Ford design have not been changed. Three point motor suspension, planetary transmission, dual ignition system, torque tube drive, multiple disc-in-oil clutch, splash lubrication, thermosiphon cooling system—outstanding features of automobile design—have all been retained, regardless of cost.

**Christian Church Maintains Play Room For Haskell Boys and Girls.**

Certain leaders in the First Christian church are to be commended for preparing and equipping a "play ground" for Haskell boys and girls. On two evenings a week the promoters, Mr. Henry Smith as director and wife, the pastor, Rev. G. R. Forrester Mr. and Mrs. J. B. Post, Mr. and Mrs. T. A. Pinkerton, Mr. Dennis Ratliff, Mr. and Mrs. Pope are present or an equivalent number on each Monday and Wednesday evening when there are matched basket ball games between the home girls and some visiting team and between the church boys of Haskell. On Monday evening of this week two lively games were played, first by the Christian and Baptist boys, the latter winning 31 to 35 and the home girls against the Post school girls, the home girls winning 12 to 9. While this is in progress there are other balls and other paraphernalia for the young boys and girls to amuse themselves with. Three cheers for the Christian church for trying to take care of the whole community of boys and girls while Haskell citizens haven't yet time to prepare play grounds for her boys and girls.

**Harmony Club**

On the afternoon of February 24, the Harmony Club continued chorus practice on the Easter Cantata and perfected plans for the concert to be given by Mr. Frank Renard on March 3rd. Those present were Messadams, J. W. Pace, O. E. Patterson, H. D. Neff, M. L. Baker, George Morrison, J. A. Bailey, Ward Boyce, D. L. Cummings, G. L. Lewis, J. G. Foster, Misses Tucker, Jackson, Mary Sherrill, Mary Couch, Katherine Rike, Margorie Rogers and Bess D. Koonce.

On March 3, a short business session was held to check up on the sale of tickets to the Frank Renard, Concert

**NOTICE OF EASTER SALE**

On Saturday April 3rd, Mrs. Mulkey's Circle of the Methodist Missionary Society will conduct an Easter sale consisting of cakes, pies, candy, sandwiches, etc. Orders taken ahead of time to be given to Mrs. Sika, Mrs. G. M. Williams or Mrs. Mulkey. Place of sale to be announced later.

**Mr. Renard's Message to Haskell Boys and Girls**

At the conclusion of the recital at the First Christian Church last Wednesday evening, by Mr. Frank Renard, nationally known pianist and Texas composer, brought to Haskell by the Harmony Club, we asked him if there was any real talent in music among the students and music lovers that he came in contact with. Mr. Renard was extremely interested and answered: "This is the message I would like to leave with your boys and girls of Haskell."  
 "I was chairman of music contest at The State Fair at Dallas last year and we found tremendous amount of talent, but, it was all surface development, no work, no work, absolutely no application. May the Haskell boys and girls take this message seriously and realize that out in the business world, professionally or otherwise or in the fine arts there is still room at the top of the ladder.

**BUNKER HILL**

By Virginia McIntyre)  
Several new scholars present at school of which every old was glad. Rev. Henry Wainford preached a very interesting sermon after Sunday school singing.

One seemed to be well pleased with light rains which recently fell. We wish it would have been progressing nicely. Every day preparing things for the League. Mr. Lester Baise Friday afternoon and helped as for the singing. With Mr. Baise as leader and Mr. Baise and the following class: Cleo Lucille Brown, Ruby Fourtlova Barnett, Annie May Virginia McIntyre, Bessie Mae Alice Reece, Velma McIntyre, Lena Boedeker, Rozarts, Atley Wilson, Tom Chatner Boedeker and Robert McKunker Hill is expecting to sing a contest.

L. Jones of McConnell made a visit in the J. P. McIntyre this place, Saturday afternoon.

The Bunker Hill young men had a game of croquet at Mr. Jones of Plainview Sunday afternoon.

Mrs. G. J. Fourquean and Mr. and Mrs. J. T. Scott of the Plainview community.

Mrs. Wess Barnett and family accompanied by Miss Alice Reese community motored to Asunday visiting relatives and a few from this place took supper at the J. P. McIntyre home Sunday evening.

Alma Schade of Albany, who with her sister Mrs. Henry of this community was the many guests at the E. J. home Saturday night.

**WEAVER**

(By Alice Robison)  
Farmer of this community enjoyed a ball game Sunday afternoon.

Mrs. Smith of Abilene spent the weekend with Mr. and Mrs. Geo. and family of Weaver.

Gregory happened to the bad getting his home burned Saturday night about 11 o'clock.

White of Munday is visiting friend Mr. Lee Green of the community.

Robison and Marvin Medford to Stamford Sunday afternoon.

The young folks of Weaver enjoyed a ball game Sunday afternoon.

King is now on the sick list hoping he will soon be back in the saddle.

Latham has been ill the past week on account of vaccination against smallpox.

Opal Melton of this community cousin Miss Myrtle Melton Saturday morning for Rotan to visit Mrs. D. H. Craddock are Mrs. Craddock's sister in Hamden has been ill the past week.

Will Adams of Dennis Chapel community died Saturday March the was laid to rest in the Weinert cemetery Sunday at four o'clock.

Edgar Stanfield of this community has been very sick with pneumonia getting on nicely now.

There was a large crowd out to attend at Smith Chapel Sunday and night.

Musical Saturday night at I. J. was attended by a large crowd and ported a nice time.

Lone Star Boys basket ball team and Center Point are to play ball at Wednesday afternoon for championship. This being necessary because of a slight mistake in game played between Jud and Point as we should have played before they did.

**WEINERT**

We have had so much sickness in our school since Christmas that our work has been very ragged. But this cannot be helped when folks are sick. We are doing the best we can under circumstances.

The following pupils made 90 per cent or more on this month's examinations.

Tenth grade geometry: Olga Bowman 100, G. C. Newsom 100.  
Tenth grade history: Olga Bowman 95, Vera Riddling 95, Bailey Guess 90, G. C. Newsom 95, Mildred Cook 97.

Tenth grade latin: Frances Derr 93, Olga Bowman 95, Ruth Crump 90, Ione Weaver 95, Helen Weaver 90, Mildred Cook 91.

Ninth grade algebra: Morgan Bowman 100, Manuel Medley 90, Lucile Edwards 100.

Ninth grade latin: Florence Gregory 92, Alberta Cousins 98, Morgan Bowman 93, Lucile Edwards 97.

Eighth grade algebra: L. A. Stratton 100.

Eighth grade phys. geog: Gussie Caddell 90.

Eighth grade physiology: Willie Gregory 94, Thelma Therwanger 99, L. A. Shatton 96.

The remaining grades will be given next week.

Weinert folks are proud of the record of our basket ball team. We went into the county meet with only 5 men able to play and won the county championship. Then at the district meet at Abilene we had only 5 players able to go, the same 5, and beat one larger town school and then played Abilene a pretty good game.

Abilene played 15 men against our five and in the last half our boys scored the most points. The remarkable thing about it all is that they have practically had no coaching at all.

The following boys composed the team: G. C. Newsom, Willie Abbott, L. A. Stratton, Manuel Medley and Ellice Medley.

We had the state inspector from Austin and County Superintendent Heathington with us one day last week, looking us over relative to state aid.

Mr. Smith the inspector made a good report on our school and we hope to receive the aid asked for.

The Gillispie boys and girls came down last week and met defeat at the hands of our basket ball boys and girls. Mr. O. Z. Porter their coach and principal was with them and called the game. He is one of the very finest young men and we predict for him a successful career as a teacher.

**CENTER POINT**

(By Ethel Bland)  
We had a light rainfall over this community the latter part of the week. Not much but every little bit helps.

Sunday school and church wasn't very crowded Sunday morning, but a large crowd was there at the evening service.

The people in, around and about Center View will be glad to hear that Bro. L. T. Jenkins of Rule has accepted half time work (1st and 3rd Sundays) at Center View church. Every one remember the dates and be there.

Mr. and Mrs. Bryant Bristow and son of Gerard visited Mr. and Mrs. Morgan part of last week.

Little Naomi Morgan was ill Friday and Saturday.

Mr. and Mrs. Luther Watson of Rule called on Mr. and Mrs. W. E. Bland Sunday afternoon. Several of the farmers are still bedding land. Others are through until planting time. Quite a few have set out their onions, and planted potatoes for the coming year.

**New Way to End Dangerous Cough**

The most stubborn cough is relieved with the first dose, and is very often broken up entirely in 24 hours by a new method based on the famous Dr. King's New Discovery for Coughs.

Here is the method: You simply take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but also loosens and removes the phlegm and congestion which are the direct cause of the coughing. So with the cause removed, the severest cough usually disappears quickly.

Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too—no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for

*Electric Cookery is better cookery!*

The evenly regulated heat eliminates guesswork of cooking and substitutes scientific exactness. Cooking failures are rare—success the rule. The same heat which produces a satisfactory result one time will duplicate it every time.

Heat from the electric speed units is evenly distributed under the entire cooking utensil. There is no fluctuation in intensity, and no cool spots where food does not cook, nor hot places where it burns or not constantly stirred. This uniformity removes the danger of undercooking as well as burning.

The heat-insulated, air-tight oven prevents evaporation with consequent shrinking of roasts and loss of natural juices and flavor which always take place in an oven that must be ventilated in order for the fuel to burn. Nor are there any fumes or soot to contaminate the food.

Meats are richer, juicier; bread is more moist, keeps longer; cakes are more delicate in flavor and of finer texture; biscuits more beautifully browned; everything has a more delicious taste. Good cooks become better; inexperienced cooks quickly learn to cook with assured success.

# Fast Horse Races Saturday!

Fair Park Track 2:30

ADMISSION 50c

## Boys and Girls Clubs Being Organized By County Agent

According to County Agent Trice it will be impossible for him to visit all the rural schools and organize boys and girls clubs, yet if there are any boys or girls in any of the schools, between the ages of 10 and 18 years, who desire to join the clubs they may do so. They should write or see and him and get a club card to sign.

This year girls are being allowed to join the clubs and will have the same privilege to compete for the Special Club premiums, as do the boys, that will be offered at the Haskell County Fair, however, as Haskell County does not have a County Home Demonstration Agent they will not be allowed to compete for premiums at the Dallas State Fair. The boys will have this privilege and it is hoped that they will work hard to the end that many dollars of premium money and the special banners and cups offered will be brought back to Haskell County by their good work.

Both boys and girls have a chance to join several of the various clubs or they will join any one. There will be maize, cotton, chicken and pig clubs. If either the cotton or maize clubs are joined it is required that three acres be devoted to the growing of each and that good seed must be planted. Good seed will be furnished to those who join the maize club. If the chicken or pig clubs are joined good stock is required. The club member must set three hens or purchase at least, 20 baby chicks. A record is to be kept of every thing the club member does on his project, books for this purpose will be furnished by the County Agent, and should look forward to showing his club undertakings at the Haskell County Fair, and if worthy, also, the State Fair at Dallas, where thousands and thousands of club members compete for valuable premiums.

## SON OF LEE HUMPHREYS DIES IN ABILENE SANITARIUM

Arts Humphreys, eight year old son of Mr. and Mrs. Lee Humphreys of Rule died in a local hospital at Abilene at 2 o'clock Thursday morning. The body was shipped to Dublin on an early morning train Friday where it was laid to rest. Dublin was the former home of Mr. and Mrs. Humphreys. He is survived by his father mother and little brother Evon. Both of the latter are also confined to the hospital at Abilene.

## MAYOR GRISSOM ABLE TO BE DOWN TOWN MONDAY

For the first time in several weeks Mayor Hardy Grissom was able to be down town Monday morning. He has been confined to his room with the flu and is reported to have been real sick during the spell. It will be several days before Mr. Grissom can resume his duties at his business in the city in full, but his many friends will be glad to learn of his recovery from his illness.

## Mr. and Mrs. J. L. Odell Return from Plains.

Mr. and Mrs. J. L. Odell have returned from Lubbock where they spent several days visiting their son and family. Mr. and Mrs. A. D. Odell. They report going in a drizzling rain all the way and in hunting for the road that was not "quite so slippery", went three hundred miles to get to a point two hundred miles away. Mr. Odell also reports crop conditions fine in the plains country.

H. G. Hammer and family of the Howard community were Haskell visitors Saturday. Mr. Hammer is a good farmer and is doing nicely with his farm work chickens and cows.

No other high-grade baking powder is being sold at such a moderate price.

Leaves no bitter taste in the food.

## BOMAR MOORE MATCHED AGAINST GREEK CHAMP

A match that is being looked forward to with a great deal of anticipation, is on next Friday night's bill, when John Ellis of Houston, Greek light heavyweight champion, meets Bomar Moore of Anson, in a handicap match. Ellis comes here with an unbroken record of 27 victories, and says that he will beat Moore in an hour and fifteen minutes—two falls. In other words, Ellis believes he is easily the best man and is willing to handicap himself to that extent. Moore's friends believe however, that he is equally as good a man as Ellis, and that the match will be won by Moore. Either way it goes, fans are assured a real tough match, as both men are heavier than those matched here recently.

M. Barackman, favorite wrestler of this section, bore out his reputation in full when he defeated Chas. Olson of Bonham two out of three falls in a finish match at the Elks Hall last Friday night. Olson came with a string of victories behind him, and it seemed that he had plenty of supporters in the audience who believed that he could beat Barackman. He showed up well and proved himself a wrestler who is hard to beat, but Barackman had the "edge" in science. The Knox City man gained the first fall, the next one going to Olson, evening things up, and then Barackman came back stronger than ever to pin the Bonham man for the third fall of the match and the decision. Barackman has proven himself the best wrestler in this section, defeating all but two of the men that he has met in this section, one here and one at Knox City, and his admirers believe that he is the best of his weight in the state.

## ALMOST SUFFERS NERVOUS BREAKDOWN

When the news came from Graham Friday morning that twin boys had come to the home of Mr. and Mrs. D. H. Bolin of that city their grandfather F. L. Daugherty suffered a shock which came very near being a nervous breakdown, but he soon recovered sufficiently for Mrs. Daugherty to leave on the early morning train for Graham to visit her daughter's family and see those two fine boys. Mrs. Bolin was formerly Miss Dolores Daugherty of this city. The boys were not named when Mr. Daugherty heard from them last.

## REVIVAL MEETING AT CENTER VIEW JULY 4TH

The members of the Center View Baptist church went into conference Sunday night and set the date for the revival meeting at that place.

Time set was the 1st Sunday in July running to the 3rd Sunday. A motion

was made, seconded and carried that the Pastor Bro. L. T. Jenkins of Rule secure his own help. Lets remember the date everyone and come. Beginning July the 4th.

Born to Mr. and Mrs. M. L. Howard of the Roberts community Thursday March the 4th, a fine girl.

MARCH 22, 1923

1,000,000

DECEMBER 16, 1925

1,500,000

On March 22, 1923, Buick celebrated the building of the millionth Buick. Approximately eighteen years were consumed in the accomplishment.

On December 16, 1925, Buick reached the million and a half mark. A million Buicks in eighteen years—the same half million in two years and nine months.

At the present time, public demand calls for more than 20,000 Buicks every month. This means the next half million in the hands of Buick owners, within two years.

These here figures tell a graphic story of Buick's continuous advance in public regard. The great acceleration of demand, at the present time, speaks strongly of the increased value and desirability in the Better Buick.

Leadership belongs to Buick because a nation familiar with many motor cars has given it to Buick.

The American public wants "Amr transportation at lower cost", and Buick provides it!
