9,308 BALES COTTON GINNED TO DATE

9,308 bales of cotton have been ginned in Haskell this season up to Tuesday noon according to reports from the local gins, and if the weather is favorable for the balance of the week the total will exceed the 10,000 bale mark, as the cotton is coming in at a rapid rate. A local canvas of the gins was made Tuesday noon by a representative of the Free Press and the amount ginned by each gin was furnished us by the respective managements with the exception of the Farmers Gin, J. A. Gilstrap, manager, refused us the information, stating that he did not care to give out the information for publication. However a careful check of the metal tags in the local cotton yard and from other sources believed to be reliable, an estimate was made of the total amount ginned by this firm, which is presumed to be approximately correct. The following is the number of bales reported by each gin:

Sanders & Crawford	2469
Farmers Gin Co. (Estimated)	2124
Duncan Gin Company	1416
Haskell Electric Gin Co.	1300
Davis & Mitchell Gin Co.	1080
Harrison & Spurlock Gin Co.	919
TOTAL	9,308

PROSPECTS BRIGHT FOR HORSE RACES

Mr. Henry Alexander, president of the Fair Association and Race Director is greatly pleased with the reception given locally to the plan of holding a three-day horse race meet at Fair Park on November 10, 11, and 12. Also the article is last week's Free Press announcing that plans were on foot brought several inquiries from various horse-owners over the state and they expressed their approval and intention of participating if the races were held. Mr. Alexander is in touch with the race director of the Dallas Fair and states that arrangements are under way to get quite a number of horses direct from the big time. This would raise the standard of the races here far above that usually available to race meets held outside the big cities and would give race fans of Haskell county a chance to see some real competition in fast time.

Merry Madcaps Big Tent Theatre Here This Week

The Merry Madcaps Stock Company is here this week, playing to large crowds in their big tent Theatre at the Haskell County Fair Grounds, under the auspices of the Fair Association.

The Merry Madcaps have the reputation of being one of the best shows on the road today. Music is furnished by their own 10-piece concert band and 8-piece orchestra.

Friday night will be feature night when one of their best plays "The Top Sergeant" will be given. This play is a war story and will appeal to the theatre going public.

JOCKEY CLUB IS ORGANIZED HERE

A meeting was called of the business men of Haskell at 3:30 o'clock in the office of Marvin Post, Wednesday afternoon and the Haskell Jockey Club was organized to underwrite a race meet to be held at Fair Park, November 10, 11 and 12. The Jockey Club is a non-profit organization and the profits of the meets held will go to the Fair Association to help cover the deficit caused by the bad weather during the last Fair. The race director of the Fair Association, Henry Alexander and secretary, C. M. Conner were asked to serve in their respective capacities for the Jockey Club.

ACCIDENT FOOTBALL VICTORY

A rather serious accident cast a gloom over the celebration of the victory over Stamford last Friday afternoon when Ed Henshaw turned a Willys-Knight Sedan over in an attempt to avoid a collision with a Buick touring car owned by W. M. Mask. Cecil Bradley and Bill Henshaw were injured and taken to the Stamford Sanitarium at once for treatment. They were the only occupants of the car that were badly hurt. The Willys-Knight was wrecked until it was doubtful if it could be repaired.

Rev. G. R. Forrester, Mr. and Mrs. T. A. Pinkerton, Mrs. Courtney Hunt, Miss Mamie Barron and Miss Dulin Fields were in Breckenridge one day last week in attendance upon the convention of the Christian church.

Courtney Hunt & Company Open Big Sale Friday

Preparatory to the opening of a gigantic Profit-Sharing Sale, beginning Friday, Courtney Hunt & Company will remain closed all day Thursday. The entire sales force, together with extra help, is being used to get the enormous stocks purchased for the event in readiness. Practically all lines of merchandise carried are to be included in the sale which will be conspicuous by reason of the price-slashing in the face of the fact that all lines of dry goods are advancing rapidly in price and when the stocks are replenished the same merchandise will be much higher. This issue of the Free Press carries a double page advertisement covering the announcement of the sale.

Mr. and Mrs. Leo Southern, Mrs. Hill Oates, Misses Mary Patterson, Rozella Chrisman, Agnes Cox, Lois Earnest, Lela Welsh and Elaine Mills were Dallas visitors over last week end.

Judge W. R. Jones of Atlanta, Ga., who assisted Ratliff and Ratliff in the defense of the H. F. Faver murder trial last week, left for his home Sunday night.

Misses Grace Cearley and Velma Clanton are visiting friends in Ft. Worth and will also go to Dallas to the State Fair.

In response to news that her mother Mrs. J. D. Davis of Belton had dislocated her right shoulder, Mrs. D. L. Cummins left for Belton Tuesday morning where she will remain until her mother is better, and Mr. and Mrs. Davis will return with her and spend the winter in Haskell.

HASKELL POURS IT ON STAMFORD FRIDAY

Without a shadow of a doubt the team that beat Stamford 25 to 0 Friday at Stamford would have beaten Hamlin 50 to 0. Haskell's Indians certainly were a radically different football team against their ancient rivals and were that despite the prediction, even locally, that they would be beaten decisively. In other words they upset the dope. They upset it in such a manner that from here on out the dope should be that no Class B team in the state can beat them and if the dope holds they could beat Breckenridge and Eastland, for Breckenridge only beat Stamford 12 to 0 and Breckenridge held Eastland to a tie. Of course the dope only holds good if Haskell can continue to play the same cool-headed and aggressive football they demonstrated Stamford's poy-eyed and flabber-gasted team and rooters too, for that matter. In all fairness, Stamford has in Kilpatrick, one of the best running backs the writer has seen in high school football notwithstanding the fact that is more than a six footer. Several times he registered some healthy gains by brilliant broken field running shaking off a tackler or two on every tip. In the latter stages of the game his efficiency was minimized by the simple but oft used system of the opposing team being instructed to tackle him in droves from all sides as hard and often as possible on the slightest pretext. This pleasant pastime was indulged in until Haskell was penalized five yards for roughing.

Haskell's backfield, composed of Banks, Ed Henshaw and Kimbrough had everything they needed Friday. Banks called a good game and used every opportunity to advantage and never failed to produce when he carried the ball. Henshaw rivaled the famous Five-yard McCarty of Chicago except that he usually gained eight or ten yards instead of five. Bradley produced some of his regular spectacular broken-field running for long gains and Kimbrough bored through like a caterpillar truck every time he was called. When Bradley, injured when tackled after receiving successfully a pass from Banks, was replaced by Pittman, that speedy first-year man showed plenty of ability and carried the ball over the line for the final touchdown after being mainly responsible for its being in scoring position. Bradley, Henshaw and Kimbrough each accounted for a touchdown. The line was composed of Medley and Bill Kimbrough, ends, Marrs and Pippet, tackles; Stewart and Branch, guards; Reynolds, center. They held like a stone wall and if a criticism could be made it would be that they held too solidly, piling up on the line to such an extent that the back field men had to climb or fall over to get past. Medley made an exceptional showing at end and on one occasion beat a long punt down the field dropping the Stamford receiver in his tracks. All in all, we repeat—it was a wonderful game for Haskell.

Haskell is now looking to the Indians to produce a Class B Championship and it can be done. On Friday of this week the team plays Abilene High at Abilene. They are a class A team and they defeated Big Spring last week 75 to 0.

H. F. FAVER GIVEN 2-YEAR SENTENCE

H. F. Faver, on trial for the killing of J. A. Lisle, Rule gin man was sentenced to two years in the penitentiary. The verdict returned by the jury, after deliberating 20 hours and 30 minutes, was manslaughter. The case closed Saturday afternoon at 3:30 o'clock, when the attorneys' arguments were concluded and the Judge's charge delivered. The Jury's verdict was returned at 11:30 o'clock Sunday morning. The state sought a life sentence. Faver's testimony in his own behalf was one of the high lights of the trial. He testified that he killed Lisle for alleged insulting advances to Mrs. Faver and in defense of his own life after having been warned by his son that Lisle had made threats against him. In rebuttal, the State presented evidence to prove that Lisle was a peaceful law abiding citizen, and had made no threats against Faver.

17 CRIMINAL CASES TRIED THIS TERM

The jury which has been summoned for service in District Court this week was discharged Monday morning for the reason the week had been set aside for the trial of civil cases, and on account of the illness of Judge W. H. Murchison, who was representing either the plaintiff or defendant in most of the cases, being unable to appear, the Grand Jury reconvened Monday morning, and it was impossible for the court to take up the criminal docket, as District Attorney Clyde Grissom's time is being occupied with the Grand Jury.

During the present term 17 criminal cases have been disposed of by trial, which will materially help the crowded condition of the docket, but in a conversation with District Judge Bruce W. Bryant, he stated that although the new law creating another term of court in Haskell each year, was passed, the county has not been affected by the change, and would not until the January term, which will be the first extra term held here since the law was passed.

In the trial of the Favors case last week, Judge Bryant complimented the venire men very highly on their willingness shown to co-operate with the officers. Not a man was reported absent, only a few were excused on account of sickness in the family, and only two asked to be excused on account of business reasons.

Harry King, who was convicted at the last term of court and given six months in the penitentiary for driving a car while intoxicated, appealed his case, which was affirmed by the Court of Criminal Appeals this week.

The appeal of L. M. Nichols, from a 15-year sentence at the last term of court, has been withdrawn and sentence accepted. Nichols was convicted of the murder of Dock Coker in Stamford.

Boss McGregor, who was given a 2-year sentence in the penitentiary for possessing intoxicating liquor for the purpose of sale, during this term of court, and gave notice of appeal, has filed a motion to withdraw his appeal and accept sentence, which will be heard Saturday afternoon at 1 o'clock.

The case of Bryant Conner, charged with rape, has been set for Tuesday October 25th, and a special venire of 80 men summoned in the case.

THE FAIR

While the inclement weather during the dates scheduled for the fourth annual Haskell County Fair caused a large loss of revenue and left the Fair Association facing a deficit, the Fair in principle, purpose and management was a distinct success. A fair is held partially in celebration of the harvest season but mainly for the exhibition of the artistry, craft and skill of the people of the county. Such an exhibition invariably encourages diversification and versatility but is important in that it proves the possibilities of the county we live in and the people who live in it. It is educational for the reason that actual accomplishments are exhibited and in most cases the manner of achievement, the result is public property. The fair just held was an outstanding success when its real purpose is considered. The exhibits were larger and more numerous and some new buildings will have to be built before next year if all of them are to be housed properly at the next fair. The quality of the exhibits was out of the ordinary and showed a marked improvement over all other years and the keen interest with which they were inspected by the thousands of visitors proved that the painstaking care with which they were prepared and shown was certainly not wasted. Haskell County's Fair is an assured permanent institution and everyone in the county should feel proud of the many complimentary comments made by outsiders who attended. There is nothing to compare with it in West Texas except the regional fairs and next year, the fifth, should mark a development that will rival even them.

North Ward P. T. A. Will Have Halloween Carnival

When the North Ward Parent Teacher's Association puts on a program all other engagements for that evening are cancelled and no new ones made for everybody has come to know that there will be a full evening's entertainment for every body. The association has a plan on foot at present that is being worked out in detail for a "Halloween Carnival" on Halloween Night that will embrace the High School student body, the High School faculty, teachers from the ward schools and members of the P. T. A. for it is to be a real carnival. Booths of every kind, fortune tellers, side shows and mysterious tents. There will be foreigners from many lands, girls from the islands of the seas, all giving their native dances. This promises to be one of the most complete evenings of fun and frolic ever sponsored by a local organization. Everybody in Haskell or out of Haskell who has a desire to come has a cordial invitation to do so. This is a splendid way to have lots of fun. Let's pool our fun and see just how much fun we can have at one time altogether. At the Haskell High School Monday evening October the 31st.

Surprise Party for Miss Ruby Spurlock

Miss Ruby Spurlock was altogether and delightfully surprised last Monday evening to find that her sister Miss Grace Spurlock had planned a party and invited quite a number of her friends to the home of her parents, Mr. and Mrs. M. F. Spurlock to help celebrate her fourteenth birthday. Ruby was told that a theatre party was being planned at one of the neighbors and when several girls and boys gathered at the neighbors instead of going to the theatre, they went to the Spurlock home where the honoree found the guests had arrived and had brought a shower of gifts for her. Indoor and out of door games were begun when it was whispered around that a number of "upper classmen" from the Haskell High School were in sight and that word had been received that they were going to carry off some of the freshmen and all of the refreshments. The "upper classmen" advanced, with Joe of the House of Spurlock leading the charge but they truly reckoned without their host" for guarding every door were four young ladies, exstudents of Haskell High School who knew what the maneuvers were likely to be. When the young ladies attacked, all but three of the gallant upper classmen gave up the fight. And when the battle was over the freshmen shouted for joy for not a man was missing and refreshments were still in store. The wounded were cared for very tenderly by the hostess Miss Grace Spurlock, and Misses

Miss Maybell Taylor was last week end guest of Miss Pauline Jones at Abilene.

Use TEXACO MOTOR OIL

With the first sign of *Colder Weather* most cars require a change in grade of oil

More than 85 per cent of all cars require this change
Consult the Condensed Texaco Lubrication Chart.

Fine, frosty mornings; brisk, crisp weather; winter on the wind! These are exhilarating days for you, critical days for your motor oil. For the very quickness of the air that you feel so keenly slows up the oil in your engine.

Ten starting seconds with motor oil slow to circulate may do more harm than hours of driving.

Yes, you should change. But before you change the grade, make sure of the brand—any oil less alert than Texaco will not do.

Every grade of golden Texaco circulates with the first turn of the crankshaft.

Remember—Texaco Motor Oil is clean, clear and golden, free of the paraffin wax, tar and cylinder stock which cause oils to thicken and slow up. This visible purity is your guarantee of complete engine protection. There is a correct winter grade for your engine. Insist upon it. Drive in wherever you see the Texaco Red Star and Green T.

Haskell, Texas, Thurs. Oct., 13, 1927

Throckmorton County Commissioners' Court has ordered a bond issue election for November 19 covering the hard surfacing of the designated highways. It is a matter of interest that they are especially interested in surfacing the road running north and south from the Baylor county line, where it connects with a road that will be paved into Seymour, to the Shackelford county line where it connects with a highway now being surfaced into Albany. In other words, a study of the map will show that in the near future traffic from Wichita Falls to Abilene will be able to make the entire trip on hard surfaced roads by taking Highway 330 to Seymour, then south to Throckmorton and on to Albany and Abilene. A further study will show that the distance is no greater than by any other route. The significant point to the residents of Haskell county is that the proposed re-routing diverts the travel away from Haskell, which fact, by any stretch of the imagination, could hardly be sufficient reason for giving three cheers. In fact, one cheer could be considered more or less extravagant.

North Ward P. T. A.
The North Ward and High School P. T. A. met in a business meeting on last Thursday afternoon. Reports were given by the chairmen of standing committees and the work of each outlined. Annual dues per member were changed from \$1.00 to 50 cents and the committee reported that a drive would be put on soon in which it is hoped to enlist all parents who have children in school, as members of the P. T. A.

The Magazine Chairman secured several subscriptions to the "Texas Parent Teacher" and the "Texas Outlook," both splendid magazines along our line of work. By a unanimous vote it was decided to have a school carnival in the High School building on Halloween evening Monday, October 31st. This event promises some real fun for those who attend. Miss Elaine Mills is general chairman.

Services at this church for next Sunday October 23, will be as follows:
Sunday School begins at 9:45 a. m.
Junior Christian Endeavor meets at 5:30 p. m.
Senior Christian Endeavor meets at 6:30 p. m. The juniors and young people are most cordially invited and urged to attend these meetings.
The mid-week prayer services are held on Wednesday evening at 7:30. At present the Gospel of Matthew is being studied.
The regular church services are held each first and third Sunday, morning and evening.

Baptist W. M. S.
The Baptist W. M. S. met in the church on Monday afternoon at the usual hour. Mrs. R. C. Couch read the devotional chapter and was also leader in an excellent Bible lesson on the book of Ecclesiastes. The members discussed different phases of the lesson as based on the scriptures as follows:
The Emptiness of Pleasure, Mrs. D. Scott.
The Emptiness of Riches, Mrs. M. Pierson.
The Emptiness of Folly, Mrs. J. A. Gilstrap.
The Emptiness of Impiety, Mrs. Cates.

A business meeting followed and the monthly financial budget was adjusted to the causes fostered by the society. By unanimous vote it was decided to contribute \$50.00 to the Breedlove Loan Fund for Simmons University; \$25 toward supporting a Mexican boy whom the association is keeping in school and \$50 to the charity fund of the West Texas Baptist Sanitarium. It was also decided to send a box to Buckner Orphan's home, during the month.

Harmony Club.
The Harmony Club met Wednesday afternoon, Mrs. F. M. Squires, hostess. The president Mrs. J. G. Foster, presiding. Mrs. C. L. Bailey presented Mrs. Foster and Mrs. Wayne Koonce with beautiful sprays of flowers. Mrs. Demmitt Hughes, Miss Madeline Hunt, Mrs. Andrew Shriver, Miss Mary Ella Pace and Mrs. A. C. Foster were elected to membership in the club.
Parliamentary law was directed by Mrs. C. L. Lewis. Those present enjoyed the drill.

Miss Sula Mae Ratliff spent last week in Decatur, Arlington and Dallas visiting relatives and the State Fair.

Magazine Club
After vacationing through the summer months the Magazine Club opened for the fall, winter and spring term with President's Day at the Magazine Club Library last Friday afternoon at three o'clock. Mrs. R. R. English gave greetings at the entrance and Mrs. H. D. Neff introduced members of the receiving line who composed the executive board, headed by the president, Mrs. H. M. Smith, and Mrs. W. H. Murchison, Mrs. R. C. Montgomery, Mrs. C. L. Lewis, Mrs. O. E. Oates,

Yellow cosmos were the flowers used in decoration. After guests had arrived there were two interesting contests, the first one was the exhibition of quite a number of pictures and Mrs. C. L. Lewis was given, copy of "Song of the Lark," for knowing the names of the greatest number of the artists. In contest No. 2 quotations were given and the one who gave the greatest number of quotations in full, about artists, was given a prize, this was captured by Mrs. H. M. Smith who was awarded two flower vases. The presi-

chair and asked the secretary, Mrs. R. C. Montgomery to call the roll, when Mrs. J. U. Fields' name was called, a letter of regret that she could not be with the Magazine Club on their opening day was read and attention called to the beautiful bouquet of red carnations that she had sent the club. Two piano numbers were rendered by Mrs. M. L. Baker and Mrs. O. E. Patterson. About twenty-six members and a number of out of town guests were present and were served a delicious plate with hot tea by Mrs. Clay Smith, Mrs. Hill Oates and Mrs. Theron Cahill.

Now Read What 11,105* Doctors say About Lucky Strike Cigarettes Because "It's toasted"

Paul Whiteman,
Noted
Orchestra Leader,
writes:

WHAT is the quality that Giscomio Rimini, Margaret D'Alvarez, Cesare Formichi, Armand Tokatyan, Emma Trentini, William Faversham, Florence Reed, Paul Whiteman, and other famous singers, actors, broadcasters and public speakers have found that makes LUCKY STRIKES delightful and of no possible injury to their voices?

"It was but recently, when I started to act as master of ceremonies with my band at the Paramount Theatre, that I realized how vital perfect voice condition was to a performer. I have always been a consistent smoker and, fortunately, Lucky Strikes were my favorite brand. Like their toasted flavor and, best of all, I can smoke as often as I like, without fear of irritating my voice, which is becoming a great asset in my work."

For the answer we turned to medical men and asked them this question:

Do you think from your experience with LUCKY STRIKE cigarettes that they are less irritating to sensitive or tender throats than other cigarettes, whatever the reason?

11,105* doctors answered this question "YES."

These figures represent the opinion and experience of doctors, those whose business it is to know.

"It's toasted"
No Throat Irritation—No Cough.

* We hereby certify that we have examined 11,105 signed cards, confirming the above statement.

SICKLY, PEEVISH CHILDREN

Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 35c. Sold by

 A young daughter of Mr. J. H. Herring of New Mid was present and represented her community with a splendid song which was appreciated very much by all present.
 Miss Ross of Sagerton helped greatly in the services at the piano and her playing was pleasing to the audience.

SOCIETY and Club

Church Missionary

October 10th, Mrs. R. B. Fields and the Dulin Fields were hostesses of the Woman's Missionary Society of Christian Church in their home. Mrs. Henry Smith was the director and the devotional, "My Neighbor," by Mrs. V. J. Hunt discussed the subject, "Present Day Needs of Home Work Among the Mexicans in the United States." Mrs. W. W. Work Among the French in Louisiana." Mrs. J. G.

Morrison. Fourteen members answered to roll call with hidden answers, which gave briefly the type of work done in home and foreign fields. Mrs. Goode of Long Beach, Calif., was a guest.

East Side Circle of Baptist Missionary Society.

The East Side Circle of the Woman's Missionary Society of the Baptist Church met on Monday October 10th, in the home of Mrs. B. F. Oliphant with eight ladies present. After the devotional by Mrs. John B. Lamkin they divided and visited the sick and new members. The circle will meet on October 24th with Mrs. C. M. Crane in the continuation of the study of the Book of Acts.

Methodist Missionary Society.

The ladies of the Methodist Missionary Society met last Monday in regular

session at the church with Mrs. R. L. Harrison leading the devotional, using the 7th chapters of Matthew. Fifth and sixth chapters of the Mission study book, Temples Hills, were taught by Mrs. Ethel Irby and Mrs. Guy Mays. The society is deeply indebted and thankful to all who in any way contributed to the success of the booths, especially Mrs. Wayland and her girls of the D. E. Department of the High School who made the candy and to Mr. George B. Miller for the space for the booth on the square.

Midway Demonstration Club

The Midway Demonstration Club met in the home of Mrs. Date Anderson Tuesday October 11th with twenty-one ladies present, including visitors. The house was called to order by our president, Mrs. Dr. Paremy. After a short business session in which it was decided to pay dues of ten cents a

month for three months. Mrs. Paul Frierson, Mrs. Tom Baker and Mrs. J. S. Hays were appointed our program committee after which the meeting was turned over to our County Demonstrator, Miss Gunn, who gave us a demonstration on salads. Also an instructive talk on different combinations of foods. Oh! those beautiful and palatable salads, I must say they did not last long when at last we ladies were told to get crackers and taste them.

Our next demonstration will be on school lunches. That is a problem for we country mother's now.

Our next meeting will be in the home of Mrs. Tom Baker, Tuesday, October 25, at 2:30 o'clock. We extend a cordial invitation to visitors.

ITALIAN QUARTET NEXT LYCEUM NUMBER

The program of the DeMarco Italian Quartette is really a series of musical pictures, very effective because of the fine artistry displayed, not only from the musical standpoint, but from the standpoint of costuming and stagecraft as well. The gifted musicians offer a program of action; a program of brilliancy and snap, and above all, a program of unquestioned artistry.

See and hear them in the High School auditorium Tuesday evening, Oct. 25th, 8:30 o'clock. Season tickets for the five Dixie Lyceum numbers are \$1.75, and may be secured at the Corner Drug Store.

INTERESTING NEWS FROM O'BRIEN COMMUNITY

The weather has been fine for the last week and every one is very busy gathering the cotton.

School opened here Monday morning with a large attendance, however the cotton will keep some out for a while. On last Thursday Mr. Linzy Keys and Miss Bernice Qualls were united in marriage. Both of these young people have been reared in this community and have a host of friends who wish for them a happy and prosperous married life.

Mrs. W. B. West and Mrs. S. N. Reed entertained the Intermediate B. Y. P. U. class on Saturday afternoon the 15th with a picnic. All the young folks gathered at the church at 2:30 and went in a truck to West Bridge where a good time was enjoyed. Refreshments consisting of soda pop and sandwiches were served.

On Sunday the 23 the Junior B. Y. P. U. will put on a program before the church just before preaching at 7 o'clock evening hour. Everyone is invited to attend. At the close of the preaching service there will be a baptizing.

The Methodist League gave a box and pie supper at the M. E. Church on last Saturday night the 15 in interest of the league. The sum of \$30 was received.

We have preaching every Sunday; Baptist days, second and fourth Sundays; Methodist days, first and third. Sunday school every Sunday at both churches. Every one is invited to attend.

A CANADIAN TRIBUTE

Canada will pay a grateful tribute to the American soldiers who joined the Canadian forces prior to the entry of the United States into the World War and who lost their lives on the battlefields of France and Belgium. It will be in the form of a monument to be erected in the Arlington National cemetery near Washington.

This monument, which is entitled "The Cross of Sacrifice," has been completed in Canada and will be shipped to Arlington for erection as soon as the foundation now under construction is ready. The dedication ceremonies will probably be held the latter part of this month, attended by representatives of the Canadian government, the President of the United States and other dignitaries.

By this thoughtful recognition of the sacrifice of the brave young Americans who shared with her own sons the first shock of the great war, Canada forges another link in the chain of friendship and mutual esteem which binds the two great countries of this continent.

Mr. Joyner of Dallas, salesman for Gentry Chile Powder Co., of Los Angeles, Calif., was in Haskell Thursday on business. While here he visited his sister, Mrs. C. O. Scott of Midway.

"How best can I trade in my present car for a new car?"

WHEN you are ready to trade in your present car for a new car, you naturally want full value for your present car. But most of all you want full new car value.

It will therefore pay you to consider varying trade-in allowance offers in the light of these basic facts:

- 1 Your present car has only one fundamental basis of value: i.e., what the dealer who accepts it in trade can get for it in the used car market.
- 2 Your present car has seemingly different values because competitive dealers are bidding to sell you a new car.
- 3 The largest allowance offered is not necessarily the best deal for you. Sometimes it is; sometimes it is not.
- 4 An excessive allowance may mean that you are paying an excessive price for the new car in comparison with its real value.
- 5 First judge the merits of the new car in comparison with its price, including all delivery and finance charges. Then weigh any difference in allowance offered on your present car.
- 6 Remember that you are making a purchase—not a sale. You are buying a new car and simply using your present car as a credit against the new car's purchase price.

WE publish this message, believing that the public is entitled to have all the facts. And we invite you to send for the facts about General Motors products by using the coupon below.

Dreaded Aches, PAINS Disappeared

"My health had been poor for ten years, before I took Cardui," says Mrs. Anna Cronin, of Rockport, Ind. "I was lifeless and 'no account'. I dragged around day after day, every move an effort, and never feeling the joy of being well.

"At times, I had a dreadful ache across my back, and my sides hurt me. I worried alone, sometimes hardly able to leave my bed, but the demands of a growing family had to be attended to; so I would get up, do what was absolutely necessary, and then lie down again.

"One day, someone suggested Cardui to me. I took it for several months, and all the time I was growing stronger, and less nervous. My aches and pains finally disappeared.

"That was two years ago. My improvement has been permanent. The good health, which followed the taking of Cardui, is still with me, so I do not hesitate to recommend it to my friends."
