The Fourth of July celebration will begin at 5:00 p.m. at the show barn. There will be no charge, and everyone is invited to attend.

Brisket sandwiches, tea and coffee will be sold at the concession stand, as well as homemade ice cream and cake. Plenty of food will be prepared so they will not run out, like they did last year.

Indoor and outdoor games are being planned.

It is hoped that everyone will plan to attend this Fourth of July celebration.

Fees will be \$25 and the class is limited to 20 people. Please call 847-2617 to sign up.

Swimming Pool Opening Delayed

The opening of the Silverton swimming pool has been delayed due to the rainy weather.

The pool has been sand-blasted and two coats of paint applied. This must cure for seven dry days before the pool can be filled.

If the pool were to be filled before the curing is complete, the paint would peel off, and this would be very costly to the pool stockholders.

Jess Brannon is shown presenting a check to Mr. Cavitt on behalf of Mrs. Jennings' sixth grade class. Members of the class are Diana Araujo, Russ Baird, Jess Brannon, Angie Castillo, Matt Francis, Ramon Garcia, Lance Holt, Stacy Helton, Zane Henderson, Stoney Hubbard, Robert Leal, William Malone, Christi McWaters, Kami Martin, Greg Perkins, Kayla Ramsey, Becky Scarce, Trent Smith, Braden Towe, Christa Tucker, Ashleigh Wyatt, Johnny Patino and Julian Davila. They had a bake sale in the cafeteria and raised \$135.00 for replacement of trees and shrubs pulled up. They also planted ground cover in planter boxes at the entry of the Junior High building.

Attend Cantwell Reunion At Lake Cisco

Fred and Vivone Arnold spent the Memorial Day weekend at Lake Cisco at the Cantwell Reunion. Vivone's family started having reunions when the family grew too large to meet in one house at Christmas. This year was the 15th year for the reunion and there were sixty-two members present. Fifteen members were unable to attend. Most of the family arrived Friday night.

Everyone enjoyed softball, swimming, golf, card games and dominoes, and lots and lots of visiting. One of the highlights of the weekend was the auction. Every year each family brings homemade gifts and then bids against one another to purchase the items. The money raised at the auction pays for the facilities used during the weekend.

Vivone surprised her family with a story she had written about their family. She presented each of her brothers and sisters and nieces and nephews with a copy of the story. Then she presented each of her brothers and sisters and mother with a photo history she had compiled for them. Everyone was thrilled and there were many laughs and a few tears as they reminisced over the books.

Boy Scout News

About two weeks ago we took a trip to Copper Breaks State Park near Quanah. The trip would have been better if the clouds weren't there or if the wind would have stopped blowing. Bro. Kingery did our Sunday services for the trip, and we want to thank him for the good message he gave us. We want to thank Briscoe County Activities Association for re-chartering us for another year. They're a great bunch of people. We also want to thank everyone who bought poppies from us.

If anyone has any jobs this summer for any young men—maybe you need your junk room cleaned out or you need a go-fer in your business—give me a call. I have a few boys who need some work.

We want to wish Steven Jasper "happy birthday."

Our next meeting will be Tuesday at 5:30 p.m. at the Scout Hut. We will be tying knots and planning June's activities and will elect a new Patrol Leader and assistant Patrol Leader.

June 14 is Flag Day, and we will be putting out flags that day. It would be nice if everyone paid for your Flag Service before then.

Braden Towe sold the most poppies and Scout Show tickets. Steven Jasper also sold several tickets and poppies. They did a good job. I just wish the others had done the same.

Frank Bezner, jr., a Hereford farmer, surveys the canola crop growing on his farm south of Hereford. Bezner is growing the canola under contract with Frito-Lay. The crop will be harvested in June. Bezner has grown contract corn for the snack food company for seven years and last year was honored by Frito-Lay as one of its top corn growers.

Frito-Lay Looks to Contract Canola With More Growers

Representatives of Frito-Lay, Inc., the nation's leading snack food company, met with area farmers, Extension Agents and business people during May to demonstrate their interest in contracting additional acreage for canola and to promote it as an alternative crop for High Plains agriculture. The meetings took place at three Panhandle farms where contracted canola is currently being grown. Since this initial crop proved very successful, the company is interested in expanding its grower base and acreage for the 1988-89 growing season.

Attendees viewed and inspected canola grown under different planting, irrigation and fertilization conditions at each site. Frito-Lay agronomists explained the basics of their contract program and added farmers to a waiting list for the Fall. Current growers and seed companies also were on hand.

In essence, Frito-Lay is looking to contract direct with farmers who will plant certified canola seed and then sell the resulting crop direct to Frito-Lay at a fixed market cost.

According to Lane Burtz, director, oil purchasing for the company, Frito-Lay has contracted with farmers for over 25 years. "We currently contract with about 1,000 growers across the country for the corn and potatoes used in our snack foods," Burtz says. "Since we're looking for commodities that meet our specifications and high quality standards, we've found it easier to deal direct with our growers and they in turn have grown to appreciate the expertise our agronomist and researchers have provided in return."

Frito-Lay contracted with 17 farmers in the Texas Panhandle and Eastern New Mexico last Fall. Contracts were spread among growers in an area bounded roughly by Olton, Clovis, Sunray and Wellington to test the crop's viability under a variety of conditions. Growers were given guidance as to cultural practices to follow; however each farmer adapted his own equipment and land to the crop. The results will provide Frito-Lay agronomists with sufficient data to recommend the most

effective production methods for use this Fall.

Canola is planted in early September with harvest roughly two weeks before winter wheat, according to Burtz. The crop requires approximately the same direct costs and equipment as

wheat, tolerates dry conditions, and demonstrated its winter hardiness during this past season.

Yields will vary according to farming practices and moisture received. Expected yields may approach 1,400 to 1,800 pounds per acre for dryland and 3,000 pounds per acre for irrigated land.

Frito-Lay will offer flat price contracts in July and August before the crop is planted. The exact price has not been set as the company wants to review this year's harvest results first. Establishing a price before planting is attractive to farmers, according to Burtz. "Flat pricing appeals to a grower who is a good planner and knows his costs," says Burtz. "He can pencil out an expected profit, obtain crop financing, and then go about concentrating on what he does best, growing his crop, and not be concerned about volatile fluctuations in commodity prices nor where to sell the crop when harvest comes."

Frito-Lay operates an office and commodity storage facility in Hereford. Farmers interested in

contracting with the company can contact the office at 806-364-3811.

Four Elected To Silver-Haired Legislature

Four Texas Panhandle senior citizens were elected recently to serve on the second Texas Silver-Haired Legislature.

Three members, Poppy Hulseley of Tulia, Melvin Kunkel of Amarillo and Joe Gidden of Canyon, were re-elected to two-year terms. Perryton resident Travis Baker was elected to replace former legislator June Kindy, who was not a candidate for re-election.

Ballots in the election were cast at senior citizens centers throughout the Panhandle, and votes were tabulated by a group of volunteers at the office of the Panhandle Regional Planning Commission.

The Silver-Haired Legislature is a body of 116 citizens aged 60 or older that discussed and promotes legislation to meet the needs of senior citizens and other Texans.

Baker will represent seniors living in Dallam, Hartley, Sherman, Moore, Hansford, Hutchinson, Ochiltree, Lipscomb, Roberts and Hemphill counties.

Mrs. Hulseley will represent Oldham, Deaf Smith, Parmer, Castro, Swisher, Briscoe, Hall, Donley, Collingsworth, Gray and Wheeler counties.

Kunkel and Gidden will represent seniors in Potter, Randall, Armstrong and Carson counties.

Training sessions for the new legislators will be held July 31-August 3 at The University of Texas in Austin. The first

scheduled legislative session will be September 19-22 in the state capitol legislative chamber.

Lake Mackenzie Fishing Report

Water temperature at a four-foot depth at Lake Mackenzie is 68° and the depth at the dam continues to hold at 109 feet.

Once again, largemouth bass have provided a lot of the fishing excitement during the past week at the lake.

May 24, a 3¾-pound largemouth bass was caught on a purple and black spinner bait at the mouth of the Tule by David Hooper of Halfway.

May 25, three-pound and 3½-pound largemouth black bass were caught on crank bait in Tule Creek by Bob Coker of Earth.

Sunday, three-pound, 2¼-pound and two-pound largemouth bass were caught on black rubber worms in Deadman's Creek by Johnny and Jason Rowan of Canyon.

That same day, a four-pound channel catfish was caught on minnows in Tule Creek by Darrell Jensen of Tulia.

These were the big fish weighed in at Cactus Cove Marina during the past week.

According to Justice Department statistics, crime rates in the U.S. are falling.
