VOLUME 80

NUMBER 45

Briscoe County Has Good Turn Out For The Election

Approximately 80% of all Briscoe County voters, 1090, to be exact, cast ballots in the General Election, and gave the nod to the Democratic Party nominees in every race.

The Dukakis-Bentsen ticket outpolled Bush-Quayle for President-Vice President 574-464, while Bentsen captured 724 votes for United States Senator compared with 319 for Boulter.

Bill Sarpalius captured 640

Briscoe votes while Larry Milner got 375 for the United States Senate.

In another District race of interest, Mel Phillips outpolled Teel Bivins 598-412 for State Senator.

For State Representative, Warren Chisum garnered 622 Briscoe votes, while 358 went to Tom Christian.

In local politics, Becky McPherson outpolled Tom West 383-173 in a write-in contest for District Attorney.

County Judge Jimmy Ross outpolled write-in challenger George Martin 748-262.

Sharon Pigg received 348 write-in votes for County Attorney.

Sheriff Dick Roehr was returned to office with 813 votes as compared with 198 for write-in Donald Paul Fleming.

County voters approved amendments one and two, and voted against amendment three.

A chart showing how the county's precincts voted in all the races may be found on page two.

Cheerleaders Invite Everyone To Pep Rally

The cheerleaders have issued an invitation to everyone to pack the gym at the Pep Rally at 3:00 p.m. Friday to raise the spirits of the players before they leave for the bi-district game at Amherst.

Silverton will be the visiting team at the game, and the cheerleaders are urging everyone to help make the Victory Line at about 7:00 p.m. Friday at Amherst.

beat bovina!

Temperature Dipped to 31°

The temperature dipped to 31° early Sunday morning, giving this area its first kill of the season on tender plants.

This is quite a few days past the seasonal average for the first freezing weather, and even though it was a very light freeze, it was most likely welcomed by all the cotton farmers who have just been waiting for their bumper crop to get ready for stripping.

Win Owls!

Neal Edwards looked like he was back on top of his game after suffering a couple of injuries earlier in the season. He rushed for 190 yards on 26 carries, scored touchdowns on runs of eleven, four and nine yards, intercepted a McLean pass and was credited with ten tackles in the game Friday night. For his performance, he was named the Amarillo Daily News Player of the Week in Six-Man Football. Kendal Minyard is shown blocking for Edwards.

Crop and Livestock Surveys Needed

The Texas Agricultural Statistics Service will begin contacting farmers and ranchers across the state in late November for 1988 acreage, yield and production totals and end-of-year livestock and poultry inventories.

"Changes in the national farm program and this summer's dry weather certainly had an impact

on Texas agriculture, and these surveys should help us summarize where the industry stands at the end of 1988," state statistician Dennis Findley explained.

"Information from these confidential surveys conducted by mail, telephone or in person will also help producers make their plans for the coming year.

"Sound production and marketing decisions require good, reliable information and some advanced planning, and our reports provide producers with solid facts and figures they can incorporate into their plans," Findley added.

The Texas service will be trying to keep survey costs at a minimum this year because of budget cuts, so Findley is urging producers to return their mailed questionnaires as soon as possible.

"Remember, these are sample surveys, so if you are contacted it is important to provide the requested information, since one producer represents similar operations of the same type and size. Our estimates can be no better than the numbers producers provide," Findley noted.

Results of the surveys will be published in early 1989. Anyone wanting a copy of the results can write Information Section, Texas Agricultural Statistics Service, P. O. Box 70, Austin, Texas 78767.

Windbreak Trees Need to be Ordered Now

Caprock Soil and Water Conservation District is selling windbreak trees again this year. Orders need to be placed as soon as possible to insure receiving the trees wanted. If you would like to order some trees, please go by the Soil Conservation Service office or call 823-2320.

Prices vary from 50c to \$1.50 per bareroot tree. There is a sheet which shows all trees available at the SCS office. Please drop by and someone will assist you in choosing your trees for your homestead.

Community Thanksgiving Service Planned

Silverton Ministerial Alliance has planned a Community Thanksgiving Service to be held at 7:30 p.m. Sunday, November 20, at the First Baptist Church.

People from the various churches will be taking part in the service, and those from all the churches are invited to attend.

Ladies are asked to bring refreshments for the fellowship afterward.

Christmas Jubilee Meeting Planned

L. O. A. Junior Study Club will be having a Christmas Jubilee meeting Wednesday, November 16, at 6:00 p.m. in the Wayne Nance home.

Any organization or business wishing to participate is asked to have representatives at this meeting.

Silverton Received No Rainfall During October

Weather across the Texas South Plains during the month of October 1988 turned out to be dry with slightly above normal temperatures. In Silverton, it was very dry because no measurable precipitation was received.

Temperatures averaged 0.4 degree above normal and ranged from three degrees above normal at the Muleshoe Wildlife Refuge to 1.5 degrees below normal at Spur.

Maximum temperatures averaged 0.8 degree above normal and ranged from 3.6 degrees above normal at the Muleshoe Wildlife Refuge to 2.4 degrees below normal at Tulia. The highest temperature reported during the month was 96 at Matador on October 18.

Minimum temperatures averaged exactly normal and ranged from 2.4 degrees above normal at the Muleshoe Wildlife Refuge to 2.6 degrees below normal at Muleshoe. The lowest temperature of the month was 33 at Muleshoe on October 24.

Silverton's average maximum temperature was 74.1 degrees and the average minimum was 43.9, for an average October temperature of 59.0 degrees.

Precipitation was almost totally lacking with four stations reporting none and six only a trace. The few stations that did record rainfall received only enough for an area average of 0.04 inch and that was 1.96 inches below normal. The range was from 1.36 inches below normal at Friona to 2.51 inches below normal at Paducah.

To a chilled, halved grapefruit add a topping of cooked cranberries and a thin sprinkle of mint leaves.

Owls Fly Past McLean And Into State Playoffs

Silverton's Owls knew what they had to do last Friday night at McLean, and they went right to work to get it done beginning at the opening whistle when they took the kickoff and moved right down the field for a touchdown.

In the coin flip between Higgins, McLean and Silverton which followed the game, McLean lost in the "odd man out" and Higgins and Silverton were left to represent the district in that order because of Higgins' win over the Owls.

Higgins gets Lazbuddie, and the game has been set at Groom at 7:30 p.m. Friday.

The Owls will travel to Amherst to meet Bovina, for the second time this year, at 7:30 p.m. Friday.

Word is that Bovina has gotten much better during the season, and has gotten some injured players back into the lineup that were out when they played in Silverton early in the season. It was in the Bovina-Silverton game that Neal Edwards received

his knee injury toward the end of the first quarter when he had already made about 85 yards rushing. Last Friday night, Edwards looked to be near his old form as he rushed for 190 yards on 26 carries.

The Owls made 21 first downs as compared to 12 for the Tigers. Silverton rushed for 323 yards and added 98 yards of passing for a total offense of 421 yards, while the Tigers made 74 yards rushing and 71 yards passing for an offense of 145 yards. The Owls lost the ball via the fumble route twice.

McLean opened the game by kicking off to the Owls. Bradley Brunson picked up seven yards on first down and the team moved to a first down at the McLean 15 on a pass from Kendal Minyard to Brunson. Edwards carried the touchdown with 7:44 remaining to be played in the first period. There was no PAT and the Owls held a 6-0 lead.

Silverton's kickoff was taken by McLean at the Tiger 35, but a

loss of four yards on the series was the best the tigers could do, and they punted to the Silverton 15.

The Owls also were unable to move the ball in spite of a completion from Minyard to Edwards for seven yards, and punted away. McLean ran for a first down on the Owl 39, then for another to the Silverton 5. They scored with 2:55 still showing on the first-quarter clock, but there was no PAT, and the score was knotted at 6-6.

After Will Rowell carried the kickoff out to the Silverton 26, the Owls went to work on runs by Edwards and Rowell. Wayne Henderson, who had a good night rushing, picked up a first down on the McLean 33, and on the next play, Rowell went all the way for the touchdown with 1:24 remaining in the first quarter. Henderson kicked the PAT, and the Owls moved into a 14-6 lead.

The Owls kicked off to the Tigers, and as the second quarter opened, Silverton's defense held and forced a punt to the Silverton 28. Rushes by Rowell and Edwards picked up a first down on the McLean 34, and an aerial from Minyard to Denny Hill moved the ball for another first down at the McLean 22. Rowell, who also had a good night rushing, picked up four yards, and Edwards scored with 7:18 left in the first half. Henderson kicked the PAT, and moved the Owls out front 22-6.

After the Owls kicked off to McLean, the Tigers took over at their own 35 and started throwing the bomb again. The Owls were called for pass interference, giving McLean a first down on the 39. Defense by Jamie Frizzell, who was sizzling as usual, set the Tigers for a four-yard loss, but on the next play they passed for a first down to the Silverton 25. On the next play, Edwards intercepted a Tiger aerial on the Silverton one. Then on Silverton's first down, McLean recovered an Owl fumble in the end zone for a touchdown. There was no PAT, and the Tigers had narrowed the score to 22-12.

Rowell picked up four yards following the kickoff, and a pass from Minyard to Frizzell was complete for a first down on the

McLean 10. Edwards carried the touchdown with 3:04 remaining in the first half, Henderson kicked the PAT, and the Owls moved into a 30-12 lead.

The Owl defense held the Tigers on their next series, and on fourth down when the punt came to the Owls, they fumbled and McLean recovered on the Silverton seven.

From here it was just a chip shot into the end zone, and the Tigers scored with 19 seconds remaining until halftime. They kicked the PAT and narrowed the lead to 30-20. It was nervous time all over again, because it was beginning to look like the Owls were trying to shoot themselves in the foot.

Silverton kicked off to open the second half and allowed the Tigers to pick up a first down on the Owl 16 before shutting them down and getting the ball back on downs on the eight. Henderson picked up 10 yards on first down, and on fourth, needing inches, the Owls moved to a first down on their own 24. A pass from Minyard to Henderson moved the ball to the 36, and McLean was penalized for roughing the passer to give the Owls a first down on the McLean 32. Silverton's next offensive series bogged down in penalties, and the ball went over to McLean on the Tiger 19 with 4:09 remaining in the third quarter.

The Owl defense held and forced a punt which carried to the Silverton 17. Henderson and Edwards combined talents, complimenting one another, for a first down on the 34, and with Rowell's help moved the ball to the McLean 23. Edwards picked up 14 yards as the fourth quarter opened, and a pass from Minyard to Brunson was good for a first down on the Tiger two. Henderson carried the touchdown with 9:04 remaining in the game, the PAT was blocked, and the Owls had moved into a 36-20 lead.

The Tigers came back with a passing attack and picked up some penalties against the Owls which moved the ball to the Silverton 13. They scored with 6:07 remaining on the clock, kicked the PAT, and had narrowed the score to 36-28.

Again the Owls came back to answer the score with Edwards and Henderson picking up a first

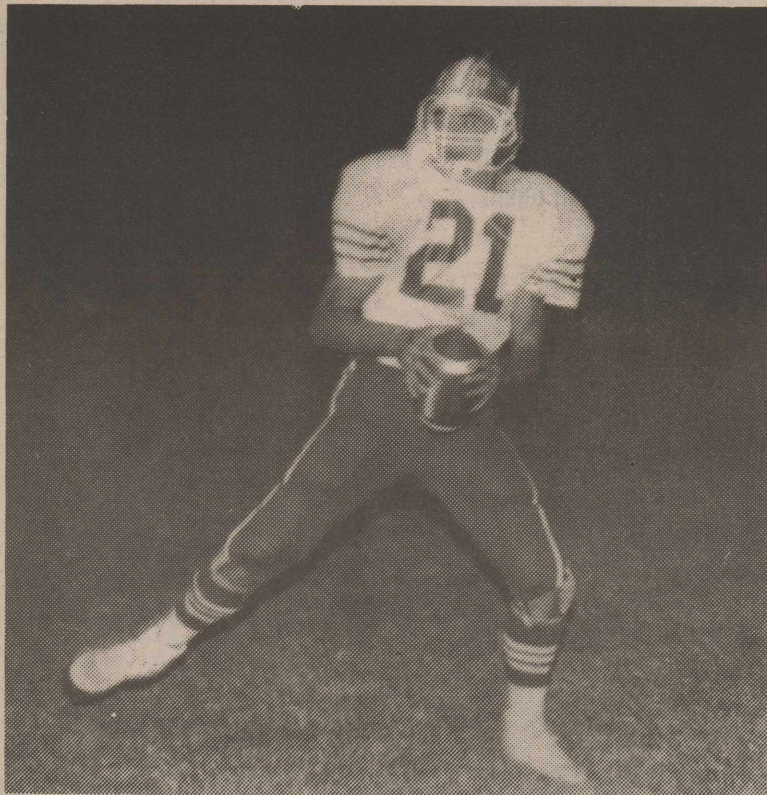

down at midfield, and the team moving ahead on a pass from Minyard to Frizzell. Edwards moved the ball for a first down on the McLean one, and Henderson scored with 2:48 still to be played. There was no PAT, and the Owls led 42-28.

On McLean's next series, defense by Frizzell and Henderson held the Tigers to a loss of two yards, and the ball went over to the Owls on the McLean 30 with 1:24 still to be played. Henderson ran for seven yards and Edwards picked up a first down on the McLean 12. The Owls were charging hard for another score and the Tigers seemingly had given up as time ran out in the game.

The celebration that followed was as wild as the one that followed the bi-district game at Higgins last season. No one was in any hurry to leave, because a pre-arranged meeting was to be held between the coaches of Higgins, McLean and Silverton to determine which of the three teams that had tied for the district championship would represent the district in the state playoffs. When the Higgins coach arrived, Coach Jack Shely took his "lucky coin" and joined McLean's Coach Miller (brother of Silverton's ag teacher and assistant coach, Ronnie Miller) for the flip. Each coach tossed his coin into the air, the coins hit the ceiling and came down with all three lying heads up. On the second toss, the coins of Silverton and Higgins lay heads up and the McLean coin was tails, eliminating the Tigers. It was a hard way for the Tigers to end their season after having been undefeated in district play going into the game with Silverton.

Groom beat Lefors 58-12 and Higgins beat Miami 67-24 Friday night, and the final standing in District 2-A was Silverton, 4-1, 7-2; Higgins, 4-1, 6-2; McLean, 4-1, 6-3; Groom, 2-3, 3-7; Miami, 1-4, 3-7; Lefors, 0-5, 3-7.

So the Owls now advance into what will be the most important game of the year. They need all the help and support fans can give them this week and on the road to the playoff game. Make plans now to follow them to Amherst, to pack the stands with red and white and cheer the Owls on to another victory.

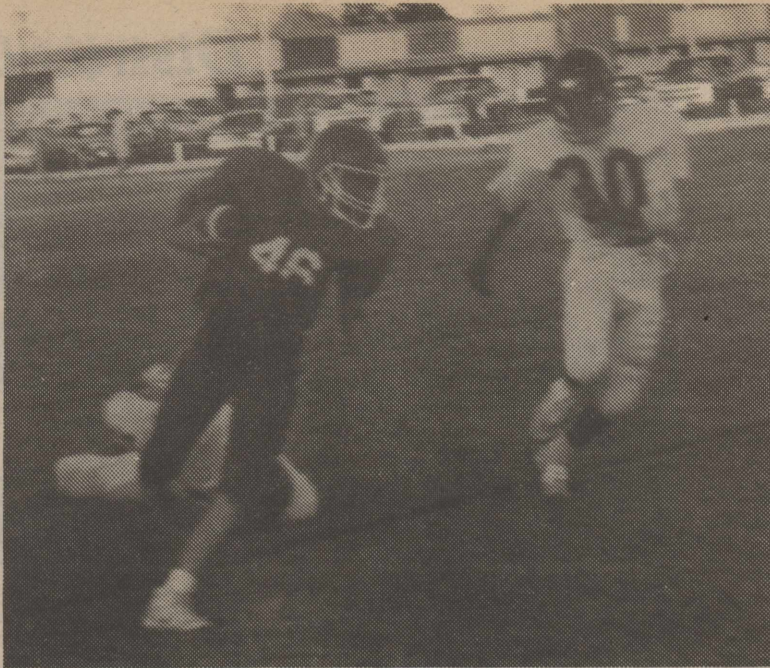

Jamie Frizzell caught a couple of key passes in the game at McLean Friday night. This one was good for a first down on the McLean ten-yard line. Frizzell also has been a key player in interceptions and bone-jarring defensive tackles for the Owls this year.

Briscoe County News Photo

Bradley Brunson took a pass for a first down on the McLean two-yard line in the game at McLean last Friday. The Owls scored two plays later. Brunson also got seventeen tackles on defense.

Briscoe County News Photo

Stephen Cavitt has been a very dependable ground-gainer for the Junior High Owls this season. He played up to his usual form in the game against McLean here last Thursday afternoon.

Briscoe County News Photo

Junior High Owls End Season With Victory Over McLean

Silverton's Junior High Owls made a very exciting game of it when the McLean Tiger Cubs came to call Thursday afternoon of last week.

Steven Cavitt ran to the McLean 26 on first down after the Owls had received the kickoff on their own 37, but on the next play the Owls lost the ball via the fumble route and McLean recovered. The Cubs gained a first down on the Silverton 28, then the Owl defense tightened and on fourth down, needing 11, the ball went over to the Owls on their own 16.

The Owls came back with runs by Cavitt and Casey Frizzell, and Cavitt picked up a first down at midfield with 1:04 remaining in the first quarter. Frizzell raced to the 20, and a pass from Cavitt to Frizzell moved the ball to the McLean 13. On the first play of the second quarter, the Owls picked up a first down on the McLean 8. A pass from Frank Ramirez, jr. to Lance Smith was complete for a touchdown with 5:26 remaining before halftime. Cavitt ran into the endzone for the PAT, and the Owls held a 7-0 lead.

The Tiger Cubs came back and in spite of defense by Cavitt, Ramirez, Frizzell and Wil T Bomar, picked up first downs on the Silverton 33 and two. After holding the Cubs to no gain for three plays in a row, the Owls allowed them to score with 2:21 remaining in the second quarter. They passed for the PAT, and even though it was complete, Cavitt was able to hold the receiver out of the endzone. Thus the Owls still held a slim 7-6 lead.

McLean kicked off and Cavitt took the ball in the endzone and brought it out to the Cub 23. Frizzell passed to Cavitt for a first down on the Silverton 39, and on the next play, an Owl fumble was recovered by the Cubs on the 35. On their first down play, the Cubs fumbled, and the Owls recovered on the Silverton 22. Back in business again, Cavitt went to work and picked up seven yards for the Owls and on the next play McLean intercepted an Owl aerial on the 25.

The Cubs charged toward the goal with Smith preventing a longer gain on the Owl 15 with 15 seconds remaining in the first half. The Cubs scored with two seconds remaining on the clock, there was no PAT, and McLean held a 12-7 lead.

Silverton kicked off to open the second half, and defense by Bomar, Stan Gamble and others held the Cubs to a first down on the Owl 15 and caused the ball to go over on downs on the seven. Frizzell ran for eight yards on first down and passed to Cavitt for a first down on the 22 on the second play. Cavitt ran for 10 and a pass from Ramirez to Bomar picked up a first down on the McLean 33. Then a Silverton pass was intercepted on the McLean 33 with 1:35 remaining in the third quarter.

Defense by Bomar, Cavitt, Ramirez and Frizzell held the Tiger Cubs, and the ball went over on downs to the Owls on their own 35. Cavitt picked up three or four yards on first down and Ramirez passed to Frizzell on second down. Frizzell picked up the first down on the 25, and then completed a pass to Cavitt for a touchdown with 4:19 remaining in the game. The pass for PAT fell incomplete, and the Owls were in the lead again, 13-12. And that was where it ended, with McLean charging hard for another score and Frizzell, Ramirez, Gamble and Bomar working hard to stop them. The Owls got the ball back on downs with 18 seconds remaining, and Ramirez killed the clock.

The Junior High Owls have had a successful season, and have gotten a lot of experience that will carry them over into next year. They will be sending some good players into high school and will have a few back to play again next year.

The eighth graders are Cavitt, Frizzell, Bomar, Dusty Martin, Lance Bradford, Smith, Gamble and Ramirez. The seventh graders are Zane Henderson, Matt Francis, Braden Towe and Lance Holt. All of the boys have gotten to play in most of the games this year.

HAPPY BIRTHDAY TO...

November 11—Pam Rampley, Earl Jarrett, Alesha Patton, Darrah McCammon

Wayne Rampley

Rampley Elected To Who's Who In Midwest

Wayne Allan Rampley of Muskogee, Oklahoma, appears in the new twenty-first edition of Who's Who in the Midwest. This publication provides biographical information on men and women of distinction whose influence is concentrated in the midwestern sector of North America. Such individuals are of decided reference interest locally and, to an increasing degree, nationally. They are chosen on the basis of position or individual achievement within their own locale.

Rampley, the second son of O. C. and Faye Rampley, was born July 8, 1948 in El Paso, Texas. The family was residing in Las Cruces, New Mexico, where O. C. was coaching high school football as assistant to Coach Aulton Durham. Being loyal Texans, the Rampleys had determined that this child would also be born a Texan, even though they were not presently residing in their home state. He was moved with the family to the Rampley farm six and one-half miles southeast of Silverton, Texas at the age of six weeks and resided there until his graduation from Silverton High School in 1966.

He attended Southwestern Oklahoma State University at Weatherford, Oklahoma, where he received his BS degree in pharmacy in 1971. He worked as a pharmacist at the City Drug in Tulia in 1971-72, then moved to Amarillo where he was manager of the Sav-On Drug from 1972 until 1979. He then moved to Muskogee, Oklahoma, where he became co-owner and manager of the Kendall-Rampley Pharmacy of Muskogee. Rampley currently owns and operates Muskogee Family Pharmacy; he also is engaged in a private practice as real estate investor and developer in Muskogee.

Rampley is a member of the American Pharmaceutical Association, Panhandle Pharmaceutical Association (president 1977), Phi Delta Chi, Masons, Elks and Shriners. He served six years in the National Guard. Rampley is an active member of the Chandler Road Church of Christ in Muskogee. His recreational interests include sailing, flying and traveling.

He married Pamela Dean Young (Thompson) on June 7, 1967 and they have three children: Michael Wayne Rampley,

Family Members Celebrate Birthday of Mrs. Dudley

The children of Zelda Dudley were in Silverton over the weekend to be with their mother in celebration of her birthday. Mrs. Dudley was 80 years old on November 2.

who is currently enrolled as a student at Musicians Institute in Hollywood, California; Kimberly Rene Rampley, a junior in high school, and Mandy Dawn Rampley, a fourth grade student in Muskogee, Oklahoma.

The family resides at 3208 Phoenix Drive, Muskogee 74403.

Family members attended Sunday services at the First Baptist Church with Mrs. Dudley. John and Jeanine Graham, a grandson and his wife, presented a vocal duet during the service.

Family members who were in Silverton for the occasion included a son and his wife, Norlan and Doris Dudley of Tulia; three daughters, Jeanne and Hop Graham of Lovington, New Mexico, Connie Comer of Coleman, and Mary and Carol Davis of Silverton. Durward and Edith Brown of Clovis, New Mexico, a

brother and sister-in-law of Mrs. Dudley, also were here.

Grandchildren and great-grandchildren included Mr. and Mrs. Clayton Pigg, Krissi, Mandy, Ben and Justin, Quitaque; Laura McNamara, Rhiana and Jeris, Lubbock; Joan Vining, Vanessa and Van, Pampa; Mr. and Mrs. John Graham, Jaron

and Tyler, Lovington, New Mexico; Andy Graham, Dallas; Max Davis, Silverton, and his guest, Dana DeVore, San Angelo; Christi and Cami Comer, Coleman.

Rev. and Mrs. Jim Browning, Julie, Juree and Shad joined the Dudleys for a covered dish meal and program.

SINGING GROUP RETURNS FROM CONCERT ABROAD

Eber Gill, son of John and Wilma Gill, returned to Lubbock Sunday after being a part of an 18-voice singing group, Revelations, on a concert tour that took them to Honolulu, Hawaii and Auckland, New Zealand. The group is associated with First Christian Church in Lubbock and performs classical, religious and popular selections.

The young men and women in the group range from students to lawyers and businessmen. Revelations has been presenting programs for the past year, raising the money to pay their expenses on this trip.

Here's Looking at You, 2000—A Drug-Free Future. The SHS Class of 2000 is supervising the "Send a Mouse to College" project for the Briscoe County unit of the American Cancer Society, as well as stressing the public's awareness that citizens are striving for a drug-free America by the year 2000. Mrs. Darrah McCammon's section of the class is shown with her on the left and Mrs. Fern Parker and her section are shown on the right. The boys and girls are (sitting, left to right) Adrian Ramirez, Clint Ivory, Debbie Vargas, Misty Edwards, Lisa Comer, Katy Hester, Will Hill, Martin Younger, Ana Pena, Crystal Hunt; (back row) Maria Louisa Maciel, Laura McCammon, Nathan Francis, April Martinez, Misti Mattheus, Aaron Wederski, Christopher Rice, Kayla Davis, Vanessa Reyna, Lacey Shely, Charlie Bomar, Heather Rice, Tanner Wood, Kenda Wood, Ryan Minyard, Daniel Reagan, Mickey Juarez and Dara Johnston.

Briscoe County News Photo

Students Will Be Sending A Mouse To College

Students in the Valley and Silvertown Schools will be participating in the "Send a Mouse to College" project during November. This is an activity of the Briscoe County unit of the American Cancer Society.

It costs 25c to purchase a mouse for cancer research, and students will be asked to send as many mice to research labs as they can afford.

The project is underway in the Silvertown School this week, and will be featured in the Valley School on Monday, November 28.

County 4-H Food Show Is Tuesday

The County 4-H Food Show will be held Tuesday, November 15, in the Silvertown School Cafeteria with judging beginning at 4:00 p.m. and the public exhibit and awards program set for 6:30 p.m.

Over 50 boys and girls have been participating in 4-H food and nutrition project meetings and learning activities conducted by volunteer leaders in Silvertown and Quitaque.

This year's leaders and assistants are Kathy Kingery, Martha Cavitt, Gail Wyatt, Dorothy Martin, Janinne Brooks, Lee O'Neal, Connie Smith, Shelda Tiffin, Diane Johnston, Vici Baird, Betty Stephens, Margie Pinkerton, Debra Turner, Vera Pinkerton and Roye Pigg.

In order to enter the County Food Show, 4-H members must

enter a completed day's menu which includes the dish they are entering as well as a copy of their recipe. These entry materials are due in the County Extension Office by 5:00 p.m. today (Thursday).

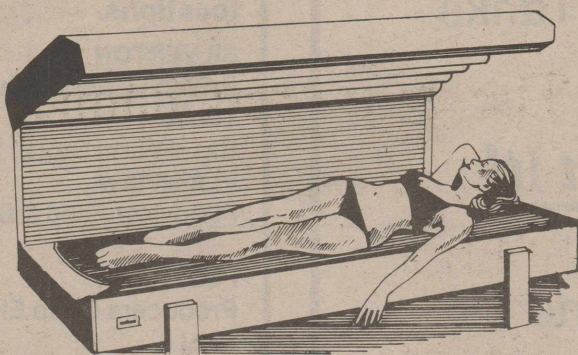

Food Show categories are main dish, fruit and vegetable, bread and cereal, or nutritious snacks and desserts. Junior I, Junior II and Senior age divisions

will be judged separately in each food category.

Winners in each division will advance to district competition December 10, at Texas Tech University.

Try making pancakes with club soda or ginger ale instead of milk. Reduce sugar amount when using ginger ale.

**Dr. Ahlschwede
To Address
Sheep Meeting**

Swisher County Sheep Breeders Association will be meeting on Monday, November 14, at 7:30 p.m. in the Courthouse Annex Meeting Room, 310 West Broadway, in Tulia.

Dr. George Ahlschwede, Extension Sheep and Goat Specialist from San Angelo, will be presenting the program on ewe and lamb management. The program will cover nutrition, health, breeding and lambing.

If you have any questions concerning any problems which you are having with your flock, this would be a good time to visit with Dr. Ahlschwede, who is one of the most highly regarded experts in the state on sheep and goats.

users that if they can put it away for a day, maybe they can quit using it.

The first Great American Smokeout took place on November 20, 1976. At that time, 37% of the United States adult population were smokers. A decade later, only 30% of the population still smokes. A total of 37 million Americans are ex-smokers.

Go Owls!

**Great American
Smokeout is
November 17**

Board members and officers of the Briscoe County unit of the American Cancer Society in Quitaque, Silvertown and Turkey are making plans and distributing literature for the Great American Smokeout which is to be Thursday, November 17. This 24-hour period annually is observed on the Thursday before Thanksgiving.

Smokers are asked to put away their cigarettes, pipes, cigars, snuff and chewing tobacco for one day, and not smoke all day November 17. ACS members hope that this will show tobacco

Friday — Hamburger with Cheese, Salad, French Fries, Cookie, Milk

New Ambulance Came Off Line Last Week

At the regular meeting of the Silverton Volunteer Ambulance Service on Tuesday night of last week, President Anthony Kingery announced that the new ambulance would be coming off line in Florida the following Thursday, which was November 3. Part of the light bar had to be back-ordered. It was not known for sure when the new unit would arrive in Silverton, but Kingery estimated that it would take another six weeks to get the new radios installed, equipment and supplies stocked, and have the unit certified by the State Department of Health. A buyer is still being sought for the old unit that is to be retired from service here.

There was a discussion of when some of the ambulance personnel would be getting their next in the hepatitis vaccine immunization series.

It was noted that some problems have been occurring with radio transmissions.

Runs made in October were reviewed and a burns education program was given by Kingery.

Attending were Kingery, James Edwards, Diamond Williams, Janice Hill, Alan Grimland, Fay Perkins, Tom Burson, Larry Comer, Fred Hill, Norma Garcia and Mary Ann Sarchet.

In 1917, the United States Steel Corporation became the first firm every to have assets in excess of a billion dollars.

More than seven and a half billion dollars. That's what AT&T realized in one fiscal year just before its breakup.

Don't Let 'Em Get Away!

"No Place For The Faint Hearted"

Hesston '88 National Finals Rodeo Buckles Are Available Now!

Cards of Thanks

Words are inadequate to express our thanks and appreciation to everyone for all the wonderful things you have done for us while Geneva was in the hospital and since she came home. We love you and are glad that we live in such a caring and loving community.

Geneva and James Griffin

We would like to say many thanks for all the nice things you have done for us.

Thanks to Mule and Mary and Ted Kingery for sitting with the family during James operations. To Emmett and Anthony, thanks for taking him to the hospital. For all the prayers, cards, calls, visits, flowers and for your concern for our welfare, we are most grateful.

We are at Colonial Manor nursing home in Lubbock. James is improving and we hope to be home one of these days.

Thanks again and may God bless each of you as He has us with lots of friends, love and concern for each other.

We love you,
James and Lallie and family

SOMEONE HAS TO SET THE STANDARDS.

They're a cut above... a different breed of car dealer. They're your local neighbors... your High Country Chevy Dealers. And we want you to know what makes us different.

We don't have to tell you what a great value every Chevrolet car and truck is. More people in the High Country area have bought Chevys over the years than any other make.

But more than that... a Chevy dealership in our part of the country is a badge of integrity. It's a

commitment to customer service and satisfaction that you simply won't find anywhere else.

In any field, someone has to set the standards. And here, the standards are set by our dealership. Fair prices, trouble-free service, a great selection... you get it all!

The exciting new 1989 Chevrolets are now on display, and there's more new than ever before. Stop in soon and see the great line-up for '89.

Someone has to set the standards.
