FORTY-FIRST YEAR

DAY HORSE RACE MEET HELD

The first day of the races was marked by good racing throughout and well attended races. The only thing that marred the perfect success of the first day was the serious accident to Jock Clowers who was thrown from his horse breaking his leg in two places. Rexey Savoy, a Haskell horse, was the first race of the meet with the Child second and Grey Eagle third. The second was won by a very margin by Queen Cup with Moore E. G. Cooper's Trigger was second and Ruth third. In the third race the second was given a treat when young Mattie S. was third. In the fourth race Winnie May and San Saba led it out on the stretch with Winnie May winning by a nose. Blue Bird finished a poor third.

The second day of the Haskell horse race was bigger and better than the first. It featured by Westey's San Saba winning in close finish with Winnie May in the Armistice Day Derby. A large crowd braved sand storm and other to see the ponies run. In the first race Rexey Savoy, Dess up, remained yesterday's performance by finishing easily with Red Robin, second and Gray Eagle third. Rexey Savoy is owned by H. W. Hill of Haskell. Queen Cup also won again today in the second race, with Moore up. W. E. Warren's Ruth taking second and White Child third. The poor start working up to nose out of third. Speck, thirteen months old jockey riding Mattie S. thrilled the entire crowd with superb horsemanship when he came from behind to win from Orphan Boy, the favorite and yesterday's winner in the third race. Orphan Boy's Starlight was third the balance of the field being outclassed. Armistice Day Derby was complete upset as the favorite Winnie May won easily yesterday against practically any field, but San Saba could not be beaten. Track was in excellent shape. Extra event of Shetland Pony race with only owners up was appreciated.

The third and last day of the race was featured by close races and thrilling finishes. H. W. Hill's Rexey Savoy won for the third straight time in the first race. Red Robin being just nosed out after coming up from behind. Day Eagle was third. Orphan Boy owned by J. A. Zimmerman was the favorite and won 2nd race under the whip being pushed at all times by Trigger. E. C. Cooper's bay gelding, Ruth took third. In the fourth race Queen Cup won easily by four lengths. Starlight taking second and Efficient Boy third. The fourth race, the Haskell Derby was declared no-winner between the Saba and Winnie May for first and second place and the purse split between them. Mattie S. with the distinctive T. Speck was third. The last race specially for non-winners was won by Dollie Cleveland with Red taking second and Peanuts third. The meet was run off smoothly from start to finish and was the first successful meet of more than one day ever held in Haskell County. It is the intention of the Fair Association to hold several meets during the year.

BANKERS MEET HELD FRIDAY

The Haskell-Knox-Baylor Bankers Association met at the City Hall in Haskell November 11th (Armistice Day) as the guests of the local Bankers. There were sixty delegates present and all of the nineteen banks in the three counties were represented except one.

At the business session the matter of the service charge was fully discussed and most of those present were in favor of it. After adjournment the members repaired to the Tonkawa Hotel where a nice luncheon was served. Music was furnished by the West Coast Orchestra. After the luncheon the members were given tickets to the races at Fair Park.

WEINERT BABY DIES SUDDENLY WHILE VISITING IN ANSON

Marie Weaver, the two and one-half months old baby of Mr. and Mrs. Pat Weaver of Weinert died suddenly early Monday morning while the family were guests in the home of Mr. and Mrs. C. W. Bartlett of Anson. The death of the baby was a great shock to its parents and others, as it was supposed to be in perfect health and had shown only a little indication of fretfulness about 9 o'clock Sunday night. The baby had no fever, did not vomit, and died in a short time after waking its parents with its struggles about 4 o'clock Monday morning.

The remains were carried to Weinert for interment in the family cemetery. Mr. Weaver is a brother of Mrs. Bartlett.—Anson Enterprise.

STAMFORD-ANSON GAME TIED 0-0

Stamford and Anson battled Friday to a bitter scoreless tie, further muddling the situation in this end of District 3. If the two teams do not play again and the result is declared a no-game, Haskell wins the championship of the north end. If Anson is given on the verdict by reason of penetrating Stamford's 20 yard zone oftener than Stamford penetrated hers, it will mean an Anson-Haskell play-off for the title next Friday. Five times in the last twenty minutes of play Anson was thrusting at Stamford's goal, each time to be beaten off.

The first half was see-saw, with Stamford having the better of the milling, the count on first downs being five to one. In fact the first down record for the entire game Stamford six to Anson's four. As the second quarter ended a Stamford pass, Kilpatrick to Kimpson netted 20 yards for the longest gain of the half.

Second Half Offensive

Anson's second half threat opened with a 32-yard pass from Wilson to Hendricks, putting the ball on Stamford's 12-yard line where Hendricks was run out of bounds by Captain Rucker of Stamford. The Bulldogs heroically held the Tigers on three line plunges, and then Wilson passed over the goal line, Rucker batting the pass out of Hendrick's waiting hands.

Anson threatened no more until the middle of the last quarter when Stamford was backed to her 20-yard line. Hager, Bulldog center, got off a low passback to Hanson on the fourth down. Pierce blocked Hanson's kick and ball was Anson's on Stamford's 12 yard line. Stamford held tightly, took the ball on downs, and punted out of danger. A bit later the Bulldogs had the ball and Brady, substitute quarter, dropped it when tackled on the Stamford 15-yard line. Anson recovered but a Tiger pass sailed over the goal line untouched. Stamford tried to kick out of danger on the 00-yard line but Pierce and Morrow blocked the kick and Hendricks recovered for Anson on the Bulldog's 13-yard line. The Stamford line again rose to the occasion, holding the Tigers for downs. Hanson punted to Wilson, who was hurt when tackled. Anson marched right back to the 18-yard line on a series of tackle brushes, and once more the Bulldog took the ball on downs, on the 18-yard line.

Last Shot at Score

Anson made its final threat when Smith, Tiger center, broke through to block Hanson's attempted punt, Hendricks falling on the ball on the 14-yard line. Two line plunges were hurried back without gain, after which Hendricks attempted a field goal, narrowly missing. The whistle blew and the game was over.

NEW FORD TO BE ON MARKET SOON

There is a strong belief prevailing in automobile circles that the public will not be kept waiting much longer for the long looked announcement from Dearborn which will give in detail a complete description of the new Ford car.

That the big plants are now in production of parts is a well established fact. These parts, to a certain extent are now being shipped to various assembly plants, but not the assembled cars, and everything possible is being done to get into quantity production of the completed car at the earliest possible moment.

Mr. Ford, however, refuses to be rushed. He is aware of the fact, better than any one else, that a false start means considerable trouble if not disaster. He is personally looking after every detail; he is daily working in overalls, with his small army of automobile engineers and if his new model is not all he says it will be, he alone will shoulder the responsibility.

No official statement has as yet seeped through the walls of the executive office that would indicate when the announcement will be forthcoming, and considering the mammoth task of designing and building a complete line of new cars, the secret has been well kept. It is a case of making speed slowly.

Mr. Ford announced several months ago that when the car is offered to the public for either approval or disapproval it will be the best he knows approval will be in the low price field.

Before the public will have an opportunity to buy, every dealer in the country must be supplied with a "copy." This in itself is a big order, not yet begun. The factories are ready and waiting for the whistle that will start production in quantity.

Box Supper at Rose

There will be a box supper at Rose school house next Saturday night, Nov. 19, for the benefit of the playground equipment fund. Everyone is invited to come and bring a box.

Notification Committee

County Agent Gives Demonstration of Farm Terracing

County Agent Trice states that he held a terracing demonstration on the farm of W. H. Spister, 2 miles West of Sagerton, the past Thursday and that more than 20 men were present. In addition to running lines for several terraces the work of a Corsicania Terracing Machine was demonstrated for the construction of terraces.

According to County Agent Trice more interest is being manifested in terracing work in the Sagerton community than any other community in Haskell County. The farmers of the Sagerton section are thrifty and take readily to any practice that improves their farm income.

Cows, hogs and chickens can be found on the farms in the vicinity of Sagerton according to County Agent Trice, which pay their owners an income daily.

FATHER OF N. I. McCOLLUM BURIED AT CLYDE TEXAS

News reached Mr. N. I. McCollum last Friday that his father Mr. W. J. McCollum was very ill in El Paso. Mr. N. I. McCollum left at once and reached El Paso and his father's bed side a few hours before the end came, as he passed away Sunday at 11 o'clock a. m. at the home of his daughter, Mrs. O. C. Kinnison. Interment was made at Clyde, Texas, last Tuesday. Mrs. N. I. McCollum and daughter Miss Nettie McCollum left Haskell Monday for Clyde to be present at the funeral services. Mr. McCollum had been in poor health for several years, but was taken seriously ill only ten days ago. The sympathy of the entire community is with the bereaved family at this sad hour.

HASKELL INDIANS TO PLAY SWEETWATER

When Stamford played Anson to a nothing tie last Friday Haskell got the chance they have been wishing for and deserved. The team will go to Sweetwater Friday this week to play for sectional supremacy in District three. If they win there they will play the winner of the DeLeon-Rising Star game to be played on the same date. Haskell can win at Sweetwater. There are very few teams in the State that can score on the Indians if they are right. It is to be presumed that Banks will turn in a doubtful game as usual and without a doubt Sweetwater is afraid of him. They have reason to be but some trepidation is undoubtedly felt by them at the mention of the Henshaw pair, the two Kimbroughs, Pitman, Reynolds, Medley, Marrs, Pippin, Stewart and Branch, a real team of All Stars. It is to be hoped that Haskell does not take the chance they took with Anson by having another attack of stage-fright early in the game. If Marrs plays another game like he played against Anson, Sweetwater is due for a tough time of it on offense. Most of the newspaper writers give the Indians a slight edge over Sweetwater but add that the playing of the game away from home is likely to have its effect. The Sweetwater game is the big chance for Haskell and every member of the team will have his chance to carve a niche in Haskell's Hall of Fame Friday if he will take it. There is a possibility of having a special train to carry the team and rooters to the game as a committee is working to get the required number in order to get the special equipment and a reduced rate of three dollars for the round trip.

HASKELL DEFEATS MERKEL 36-0

On Armistice Day morning in a combination sandstorm and norther the Haskell Indians played Merkel a football game, if you don't care what you say. The total score was a whole lot or many to nothing. Everybody played except Coach Dodson. The game should have been played with second or third Freshman team.

REV. W. B. VAUGHN RETURNED TO METHODIST CHURCH

Rev. W. B. Vaughn has been returned to the Haskell Methodist Church for his third year, by the North West Texas Conference that convened in Big Spring last week. The daily papers of near by cities carried reports of the conference and among them was the report from Haskell as given by Rev. Vaughn which showed an increase in membership, and all collections up, but a report of this kind can not tabulate the good that a pastor does his congregation and Rev. Vaughn is the type of preacher that studies to make himself approved and puts forth every effort to advance all lines of church work. Not only his own people but the community welcomes back Rev. and Mrs. Vaughn for another year.

Haskell Girl Gains Distinction In Scholarship

Miss Mary Sherrill, daughter of Mr. and Mrs. R. E. Sherrill of Haskell, is one of eighteen members of the sophomore class of Austin College, Sherman, on the "merit list" published by the registrar of the college in recognition of good scholarship for the first six weeks' period of the fall term. Seventy students in all are on the list.

Aside from her studies, Miss Sherrill is active in student interests, including the choral club, the Kappa Gamma Chi Literary Society, Y. W. C. A., the Girl's Council and other organizations.

MRS. J. U. FIELDS SURRENDERS GAVEL TO NEW PRESIDENT

Mrs. J. U. Fields who has served as President of the Texas Federation of Women's Clubs for the past two years efficiently, and untiringly to foster all that was worthy while in the organization and sponsored every new movement that was uplifting and far reaching, has spent a strenuous term but retires with the knowledge that she did her best for Texas club women. Mrs. Fields very graciously surrendered the gavel to the incoming president Mrs. W. R. Potter of Bowie and pledged her ardent support to the new administration. Mrs. W. H. Murchison also held a responsible position, that of Corresponding Secretary and contributed very largely to the success of the administration under Mrs. Fields. The following ladies have returned from the El Paso convention: Mrs. J. U. Fields, Mrs. W. H. Murchison, Mrs. Courtney Hunt and Mrs. F. T. Sanders.

MRS. J. D. STODGHILL LAID TO REST

Mrs. J. D. Stodghill died at the home of her son, Mr. Will Stodghill in the Center Point Community last Wednesday morning, November the 9th, at 2:30 o'clock, and was buried in the Willow Cemetery on Thursday. Rev. H. R. Whatley conducted the funeral services. Mrs. J. D. Stodghill was born in LaGrange Ga. in 1852 and was 75 years, 1 month and 1 day old when the call came to come to her reward. "Grandma" Stodghill was a life time member of the Methodist church and was always a consistent christian and let her light shine that others might see her good works. She is survived by six children and a number of grand children to mourn her loss. All were present for the last sad service with the exception of Mrs. Wilks Scott of Roaring Springs, who had visited her mother only a short time before. Those present were: Mr. Jim Stodghill, of Childress; Mrs. Joe Brown of DeLeon; Mr. Ed Stodghill and Mr. Will Stodghill of the Center Point community; and Mrs. R. E. Malone of Hobart, Okla. The Free Press joins all friends and acquaintances in sympathizing with the loved ones at this sad hour.

MRS. C. R. FULTZ AND DAUGHTER, MRS. S. J. COOK OF LOS ANGELES, CALIF., CAME TO HASKELL A FORNIGHT AGO TO VISIT MRS. FULTZ'S SISTER, MRS. W. D. KEMP, WHOM SHE HAD NOT SEEN FOR SEVENTEEN YEARS

They went to Archer City last Tuesday week to visit another sister, Mrs. C. R. Stubbfield. Mrs. Fultz and Mrs. Cook are making the tour overland in their car from California.

M. E. CONFERENCE APPOINTMENTS MADE

Bishop John M. Moore Saturday night read out the appointments of the preachers of the Northwest Texas Methodist Conference for the ensuing year. New presiding elders were announced for four districts as follows: Plainview Mark M. Beavers; Vernon, Joe Haymes; Clarendon, W. M. Murrell and Sweetwater, L. N. Lipscomb.

Following are the assignments in the Stamford District: Presiding Elder: J. H. Hamblen. Aspermont: George W. Montgomery. Aspermont Circuit: J. G. Johnson, Supply. Elbert Circuit: E. B. Thompson. Goree: J. E. Short. Haskell: W. B. Vaughn. Jayton: R. R. Gilbreath. Knox City: J. A. Scoggins. McAdoo: J. S. Johnson. Munday: R. B. Freeman. Munday Circuit: A. G. Hulle. Rochester and O'Brien: J. E. Harrell. Rule: L. B. Smallwood. Seymour: J. M. Fuller. Seymour Circuit: J. H. Morris, Supply. Spur: A. B. Davidson. Spur Circuit: J. B. Hibbert. Stamford St. Johns: R. A. Stewart. Stamford Circuit: W. J. Knoy. Throckmorton: C. B. Thompson. Vera and Benjamin: Sam A. Billing, sley. Weinert: Cecil Fox. Westover: B. H. Terrell. Woodson: O. B. Herring.

There were fewer changes in the Stamford District than in the other districts. There were changes at the following places: Aspermont Circuit Jayton, McAdoo, Munday Circuit, Spur, Spur Circuit, Stamford Circuit, Weinert Westover.

M. M. Beavers was made Presiding Elder of the Plainview District and L. N. Lipscomb was sent to the Sweetwater District. These men started their preaching here at Haskell.

Ed R. Wallace was transferred to the West Oklahoma Conference and made Presiding Elder of the Panhandle District. The Conference meets next year at Lubbock.

The Methodists are congratulating themselves over the fact that Rev. W. B. Vaughn is to remain in Haskell.

Appreciation for Telegrams

On two occasions when our football team was playing away from home at Abilene and Stamford respectively, the boys received a number of booster telegrams from home people and home firms. These messages were appreciated and no doubt gave the boys pep to win.

However, the messages were often delayed until the games were practically over and sometimes were not delivered at all. It has come to us that it is the policy of Western Union to commercialize the situation and solicit business on such occasions. We do not want any firm to feel obligated to wire the team when they are away from home.

The team know that they have your backing and your best wishes for the game and are going to do their best to win. So unless those left behind wish to voluntarily send messages, the team will not feel offended or neglected.

Signed, J. O. Dodson, Coach

Mrs. Ina O. Whitaker of Sulpher Springs is the house guest of her sister, Mrs. Wiley Reid

Mrs. C. E. Stamps and sons of Putnam were recent guests of her sister and family, Mr. and Mrs. N. I. McCollum.

INTERESTING NEWS FROM HOWARD COMMUNITY

A. J. Josselet and family spent the week end in Cisco visiting Mrs. Josselet's sister.

John Anderson was buried at the Howard cemetery Wednesday afternoon. Rev. Alvis conducted the funeral services. Mr. Anderson was the son-in-law of Mr. McClintoc and resided in this community until a few years ago. At the time of his death he lived near Jud.

Mr. Bonnie Gay and Miss Ruby Raburn were married Saturday afternoon by Justice of the Peace Simmons. The young couple left immediately for a brief visit with friends and relatives in Wichita Falls and Olney. We extend to this young couple, congratulations and best wishes.

The Parent Teachers Association met in the school building Friday evening and installed the following officers: Mr. Grady Hammer, President; Mr. John B. Nanny, Vice President; Mrs. Paris Trimmer, Secretary; Mrs. R. L. Medford, Treasurer.

Mrs. B. M. Whiteaker of Haskell addressed the parents and teachers. We appreciate very much Mrs. Whiteaker's talk and assistance in completing our organization.

BOWIE WOMAN HEADS T. F. W. C.

Two Wichita Falls women were notable in the club house conference. Mrs. A. R. Wilgus presided in the absence of the state chairman, Mrs. P. P. Langford.

Mrs. Ben Oneal's report on Wichita Falls Woman's Forum was an excellent resume of its inception, history and progress. Her description of the exterior, interior and furnishings of the building was given clearly and forcibly, the recounting of past and coming attractions, privileges accorded to members and various departments elected much favorable comment from a national club director present.

Our Forum was conceded to have given more to its members for their dues than any other known similar organization in the United States.

Prizes for Best Story

A prize for the best short story among federation members was awarded to Mrs. L. A. Wells, Amarillo. Mrs. Mark Henry of Crowell, state chairman industrial art, gave an interesting talk on various phases of that subject. She will be remembered as president of first district in a meeting at Wichita Falls. She also presented a plan for re-districting the state.

An outline of plans for biennial were presented by San Antonio. That should be in accordance with Texas atmosphere. All Texas club women were urged to come three days before convention to assist in planning for their duties as joint hostess.

The polls opened early and voting continued until noon. Excitement became suspense when 4 o'clock in afternoon arrived without a report from election committee. The locked ballot box was handed to president by chairman, Mrs. J. I. McDowell of Big Spring at 5:05 o'clock, with the report that with 320 eligible voters, 317 votes were cast.

President Mrs. W. B. Potter, Bowie, 177, Mrs. M. H. Hagaman, Ranger, 51, Mrs. D. L. Stephens, Anson 85.

Texas director to general federation, Mrs. Maggie Barry, College Station, first vice-president; Mrs. Frank Tompkins, Corpus Christi; second vice-president, Mrs. Frank Fried, Ozona; recording secretary, Mrs. Fred Flemming, Corsicana; corresponding secretary, Mrs. John Hunt, Bowie; treasurer, Miss Ollie Bird, Denton.

Mrs. Fields Honored

The nomination of Mrs. J. U. Fields as general biennial chairman for Texas was confirmed by unanimous vote of convention.

The new state and district officers were then installed. In presenting the gavel to Mrs. Potter, Mrs. Fields made an appropriate and pleasing address, pledging her loyalty and co-operation. Immediately afterwards, Mrs. Walter Coffield of Bowie, read a telegram from the mayor and several business men, testifying to their appreciation of Mrs. Potter's worth.

HIGH SCHOOL LENGTHENS DAY

The schedule of recitations in Haskell High School was changed on Monday of this week to allow four periods before noon and four afternoon. The former schedule ran five periods before noon and three afterwards and all periods were short.

Although the new schedule requires classes to run until four o'clock where they formerly ran until 3:15, it is certain to result in better work by both students and teachers. Students are excused to leave the building in the afternoon as their classes are finished for the day.

VERY FINE SERVICES AT CHRISTIAN CHURCH

The congregation of the First Christian Church were the recipients of a spiritual feast, a patriotic inspiration and a perfect Armistice Day address on last Sunday at the 11 o'clock hour by their efficient and much loved pastor, Rev. G. R. Forrester. Words are inadequate to express appreciation for a service of this nature, but the congregation of last Sunday was as one man in voicing the sentiment that it was a great occasion and one long to be remembered.

King-Lawson Moves

The King-Lawson Motor Company, Hudson-Essex dealers for Haskell County have moved back to their old location and have leased the entire building. They have completely equipped a repair shop and have employed experienced mechanics to service Hudson and Essex cars. They are also in position to repair all other makes of cars. They are located in the Town Building.

Miss Mollie Williams of Abilene was last week's guest of Mrs. Mamie Dwyer Barton.

Miss Mollie Williams of Abilene was last week's guest of Mrs. Mamie Dwyer Barton.

Presbyterian Church
The usual services will be conducted at this church next Sunday, Nov. 20th. Sunday school opens at 9:45 a. m. and the morning church service will begin at eleven o'clock. The pastor will be present and will bring a thanksgiving message to the congregation.
The Junior Christian Endeavor will meet at five o'clock in the afternoon.
The Senior Christian Endeavor will meet at 6 o'clock and the evening church services will begin at seven o'clock.
At the close of the morning service the congregation will hear a report from the building committee on the approximate cost of finishing the church basement. This will be of special interest to every member of this church and all are urged to be present. An effort will be made in the next few weeks to raise the money to finish the basement, everyone will be given the opportunity to give as much as they are able, but no one will be unduly pressed to give, or in any way embarrassed if they do not give. Those who care to do so will be given the opportunity to make their gift or pledge next Sunday.

Good English Club Organized in Sophomore Class.
The B section of the Sophomore English class called a meeting on Thursday October the 27th, for the purpose of organizing a Good English Club. The following officers were elected: President Joe Thomas; Vice president, Clarence Whitaker; Reporter, Ola Bell Kennedy. The first program presented by the club was enjoyed by the class members at the regular class period on November the 7th, as follows: Topic, Improvement; two minute talks on, 1st. Recent Improvements in Texas; 2nd. Needed Improvements in Texas; 3rd. Improvements of Discipline in Schools; 4th. Recent Improvements in Haskell; 5th. My Method of Study and How I Might Improve it; 6th. Each pupil was then asked to write a short paper on one of these topics, which had been discussed by an individual, for two minutes. The next program will be given at the regular class period, Nov. the 21st.

Full Work on the Farm
The more important farm activities in November, as noted by the Weather Bureau, which maintains its various forecasting services with the farmer's needs in mind, are as follows: Shucking and cribbing corn, picking and ginning cotton, marketing potatoes, late truck and small grain, and fall plowing for spring crops. The picking of cotton usually continues throughout the month in the northern cotton districts, but in the more southern localities the work is largely completed during Oct. From 80 to 85 per cent of the cotton crop is ginned as a rule by the close of November. The sowing of winter grains and the planting of all and winter gardens continue during November in the more southern states, and also in southern California. Citrus fruits are being picked in Florida and Arizona and oranges begin to ripen in California. Sugar-cane harvest continues in the South, and the harvesting and threshing of late rice are accomplished where this crop is grown. The digging of sugar beets continues in the Rocky Mountain and plateau districts, and by the close of the month the bulk of this crop has been delivered to the factories. In most of the western range districts stock is usually moved from the higher levels to the lowlands or feed lots; the increase in rainfall in the North Pacific Coast States greatly improves pastures during this month, and green feed is usually plentiful. In the more northern States farm activities are frequently restricted during November for outdoor work.

BIRDS FEEDING ON INJURIOUS INSECTS ACTS AS CROP SAVERS
Birds in general are useful as well as beautiful. Without birds to keep the insect pests in check it would be more difficult to grow food. They also eat many weed seeds and so give a better chance for the planted seeds. The Biological Survey finds, however, that some birds are not beneficial and this branch of the United States Department of Agriculture studies the birds in order to be able to inform farmers and legislators as their comparative merits. As a general rule, the birds that eat largely of insect foods—for example, the wren and the nighthawk—are particularly valuable. On the other hand, the gray grosbeak and the brilliantly colored painted bunting are valuable because they depend for a great part of their food on troublesome weeds, such as the foxtail and pigeon grass seeds.
The barn owl, like other owls, commonly is shot on sight, but ought not to be, for it is one of the most serviceable birds in destroying small rodents, particularly the pocket gophers in the West. For its size, the house wren is one of the most effective bird enemies of the insects. Wrens usually rear two broods of young each year, and the parents keep busy from morning to night bringing food for the hungry young. The wren's diet is almost exclusively animal, and a pair of wrens will account for an enormous number of insects in a season.
The boat-tailed grackle is one of the few birds that do more damage than good. It is fond of corn in all stages, from the first ears to the ripened grain.

destroys much rice, and gets few injurious insects, because it gets most of its animal food from the small marine animals along the seashore.

writes:

"The life of an actress is one of nerve-strain. If she sings, also, her worries are doubled. Her audiences reflect her moods. If she is mentally tired, she cannot help but convey her fatigue to those out in front and the result is a form of ennui on both sides of the footlights. I have found a sure cure for such fatigue, on the part of the player, is a good cigarette. For years I have smoked Lucky Strikes and the mental balm and real enjoyment I have derived from them have helped me marvelously. In addition they have protected my voice. I use no other brand."

deeply spiritual program directed by
 Mrs. J. M. Martin on the general topic,
 "For Texas and Japan," assisted by
 quite a number of the members. The
 morning session started at 10:30
 o'clock with the devotional lead by Mrs.
 F. L. Caldwell and the afternoon ses-
 sion was to have been opened by the
 devotional by Mrs. W. B. Vaughn but
 as she was away in attendance upon the
 annual conference, Mrs. Martin gave it
 herself. Mrs. Guy Mays' Junior Mission-
 ary Society was represented by three
 little girls; the first two told a delight-
 ful story entitled, "Educating a Span-
 ish Girl" with the Alamo being the
 back ground for the story.

Elizabeth Gilbert told the first part
 and Ethel Irlay concluded the story;
 then Lillian Kaigler sang, "In the Gar-
 den," which was followed by a free will
 offering for the Juniors. An offering
 was also taken for the adult society.
 By special request next Monday will
 be devoted to the "Texas Number" in the
 Missionary Voice of the September
 number. There is no doubt but this
 issue alone is worth the year's subscrip-
 tion to the voice and an afternoon's
 study of this number will acquaint
 Methodists of early Methodist history,
 of all Texas missions and a great deal
 about our great state.

It is hoped that a full attendance of
 the membership will be present next
 Monday at three o'clock.

**Mrs. Joe Hendrix and Mrs. R. E. Hall
 Compliment Friends with Lovely
 Bridge Party.**

Mrs. Joe Hendrix and Mrs. R. E. Hall
 were joint hostesses on last Tuesday
 afternoon to quite the social event of
 the week, a lovely appointed bridge
 party for Haskell, Stamford and Rule
 friends. The color tone for decorations
 was pink and green and the flowers
 used were chrysanthemums. At three
 o'clock the bridge tables were bright-
 ened by the attractively gowned ladies
 who whiled the afternoon away by the
 popular diversion, bridge. The hos-
 tesses served their guests jello topped
 with whipped cream with nuts and
 cake squares and the plate carried a
 pink flower to Mrs. J. U. Fields, Mrs.

Miss Lela Welsh and Lois Earnest
 were gracious hostesses in the home of
 the latter on Armistice Day, last Fri-
 day morning at 11 o'clock entertain-
 ing their friends with bridge and ser-
 ving candies while the games were in
 progress. Lovely white and yellow
 chrysanthemums brightened the recep-
 tion suite. At the noon hour lunch was
 served "pot luck" style, consisting of
 meat loaf, congealed salad, olives, plum
 pudding, caramel sauce topped with
 whipped cream and coffee. After the
 lunch a cut for prizes gave high cut to
 Miss Eunice Huckabee and low to Mrs.
 Clyde Grissom. The following guests
 enjoyed this lovely hospitality and con-
 tinued the party to the horse races at
 Fair Park: Misses Agnes Cox, Madalin

TO STAMFORD

Three cheers and a hearty Bull-dog to the plucky Stamford team that fought Anson to a standstill Armistice Day. The Bull-dogs must have caught something of the spirit of the day last Friday for they fought a battle that brought the crowd to its feet time and time again in a frenzy of excitement and admiration. There seemed to be an invisible wall behind Stamford that Anson could not pierce, Stamford played good clean football, win or lose and Haskell wishes them success next year.

DEER HUNTERS

There was a general exodus of so-called deer hunters from Haskell Monday and Tuesday of this week. All of them left in high spirits and full regalia for South Texas. Horace Pinkerton, W. H. Starr, Jess Pinkerton and Tom Donohoo headed for Mason County. M. O. Field, F. A. West and Mac McDonald chose Uvalde County for the scene of the killing with the cross-mark showing where the deer was once. Dr. L. F. Taylor, J. W. Gholson and Rev. H. R. Whately, hunters de luxe, were very reticent about their destination. Sam A. Roberts and Hugh Smith left Monday but most of us who heard the account of what was laughingly called the "hunt" last year feel that they went just for the buggy ride. A. Pate and Jason Smith have announced their intention of holding off until word is received as to whether or not the deer has been killed. If it is reported still on its feet they will leave about the 28th, and doubtless the hunt for this year will be over as they have been practicing with tear bombs and laughing gas. If this fails A. Pate has planned to broadcast a bed-time story and slip up and make the capture while the deer is dreaming peacefully of fenceless pastures and closed seasons.

Raymond Morgan has returned from the Abilene Sanitarium where he underwent an operation for appendicitis. He will soon be able to be back in High School.

**Just Tottering,
So Weak**

"I was in a bad state of health and was going through a critical time of my life," says Mrs. Ella Scarborough, R. F. D. 5, Dothan, Ala. "Several different things were recommended to me, but I did not get any real relief until I began to take Cardui.

"I was just as weak as could be. My legs were shaky, and often I would just totter around the house. I finally got so bad that I was in bed several weeks.

"It was then that I began to take Cardui. I kept it up for quite a while, and at last I regained my health. Cardui was certainly a friend to me in time of need.

"My health is splendid now, and I seldom have to use medicine, but I gladly say a word about Cardui whenever I find a friend going through the same suffering which I endured."

CEDAR CHESTS PROTECT AGAINST MOTHS

Experiments conducted by the United States Department of Agriculture have demonstrated the value of chests made of red cedar, Juniperus Virginiana. However, to be effective these chests must contain in the body proper at least 70 per cent of three-quarter inch red-cedar lumber. The attention of the public is called to the

fact that chests made of neutral woods lined with a red-cedar veneer are not genuine red-cedar chests and can not be depended upon to kill clothes moths. Experiments have proved that clothes moths can develop from the egg through the worm or larval stage, to the adult moth in chests lined with red-cedar veneer. They can not do this in genuine red-cedar chests that are in good condition.

STANDARDIZATION OF COTTON DISCUSSED

The Agricultural Committee of the American Bankers Association invited Mr. Charles H. Alvord, Director of Extension Service of the A. and M. College of Texas, to appear before them at their meeting in Houston October 28 for the purpose of discussing before the Committee the subject of cotton grades and standards, and methods of marketing. Mr. Alvord is chairman of a state-wide committee which has for its purpose the standardization of cotton by communities, and was in position to give the latest information on this subject to the Committee representing the banking interests.

"The Extension Service of the A. and M. College," said Mr. Alvord, "has been for many years interested in the improvement of cotton, and has been instrumental through the county agents, in introducing improved cotton seed on hundreds of thousands of acres of land in all parts of Texas. We have found, however," said he, "that the results of our work are practically futile so far as any increased price to the farmer is concerned on account of the present system of marketing, under which plan buyers insist on paying an average price for all the cotton produced in any community. We desire the assistance of the bankers and merchants," said Mr. Alvord, "in breaking up this system and encouraging the buyers to pay a premium for a good quality of cotton."

and penalize the man who insists on producing a short cotton such as half-and-half or a similar type. We have interested the Buyers Association," continued Mr. Alvord, "and they have pledged to co-operate with us in effecting a change in the system of buying, grading, and paying for the cotton according to its length and strength of fiber as well as its class with reference to middling basis. We know," continued Mr. Alvord, "that the spinner pays a premium for a better staple cotton, and we want the man who grows this cotton to receive this premium. If they don't receive it, no one can blame them for growing short staple, and if present conditions of marketing continue, Texas will continue to lose its prestige in the cotton markets of the world, and when once lost it will never be regained."

The purpose of the Cotton Standardization Committee, of which Mr. Alvord is chairman, is to assist the Extension Service and County Agents in helping the farmers to standardize their community on one type of cotton. This can be done where the gins will co-operate and devote their gin exclusively to the ginning of this kind of cotton, or devote certain days to the ginning of this cotton so that seed will be kept pure, and the bales will all represent the same type of cotton.

After the cotton has been ginned, then the co-operation of the bankers is desired to see that the cotton is properly financed until such time as it can be graded and stapled and sold on a basis of its quality. Mr. Alvord states that it is expected that these projects will be put on a county-wide basis in several counties in Texas next year.

INTERESTING NEWS FROM O'BRIEN COMMUNITY

Saturday afternoon Mrs. Leggett gave a birthday party at the home of her 11 year old daughter, Opal Leggett. The guests arrived about 2:30. They were met at the door by Oleta Leggett and Mrs. Walsworth. After all the had arrived Mrs. W. B. West led the way to the back lawn where a number of games were played which were led into the dining room where the Halloween idea was used. The dining room was nicely decorated. Refreshments consisting of ice cream, cake and fruit were served to 17 guests. All went away saying it was good to be there and that Opal would have another soon.

Mrs. N. Walsworth and Mrs. Tolan gave a miscellaneous shower at the home of Mrs. Walsworth in honor of Miss Keys on last Saturday afternoon. The house was beautifully decorated in white and yellow. Refreshments consisting of cream chocolate cake were served to 42 ladies, all went away feeling glad they were

MODEL 602, \$90 IN WALNUT

"like life itself"

the new
Viva-tonal
Columbia
from
\$90.00 to \$300.00

"Get people to listen just once, that is literally all you have to do!" was the emphatic remark of a well-known business man who for many months had listened quite unresponsively to glowing words of praise concerning the Viva-tonal Columbia, and then, almost by chance, suddenly heard it played.

He sat there amazed by the authority and convincing wholeness of the music, amazed by the overwhelming sense of a great orchestra in the very room, and, as he said, even still more amazed that all the verbal descriptions had failed to give him the glorious truth.

His former point of view may be yours. It surely is if you have not heard the Viva-tonal Columbia Records played by the Viva-tonal Columbia! Talking, writing, even imagining, cannot tell you. You must hear!

One record will do it, one. Come to our store and ask to hear No. 1055D. For sheer pleasure follow it with some of the others also listed. You will be thrilled and amazed!
