Objection Filed to Proposed Tax Increase

Early this week, Leon Lavy was pictured with the new sign that advertises the Caprock Jamboree that is being held in Briscoe County on the first Saturday night of each month. Lavy was instrumental in putting the sign in place near the corner of Highway 86 and Main Street.

Caprock Jamboree is Saturday, October 7

The next Caprock Jamboree is Saturday, October 7, at the County Showbarn in Silverton.

Quitaque Chamber of Commerce will begin serving supper at 6:00 p.m., and refreshments will be served all during the Jamboree.

This month's program filled early, and two new bands will be

here to entertain you.

Please remember to bring your lawn chairs, because there aren't enough chairs on hand to go around.

For a fun-filled evening of musical entertainment and visiting for those of all ages, make plans now to attend the Caprock Jamboree Saturday night.

Senior Citizens Elect New Officers

Silverton Senior Citizens had their monthly meeting September 15, and new officers were elected for the coming year.

Those chosen were Myrt Edwards, president; Zelma Lee Mayfield, vice president; Vivian Hughes, secretary; Flo Fitzgerald, treasurer.

The Rock Creek Church of Christ ladies were hostesses for the luncheon.

The next luncheon and business meeting will be Friday, October 20.

Mammograms Offered At Caprock Hospital

Mammograms will be offered at Caprock Hospital in Floydada on October 11, 1989. For an appointment, please call 983-2875.

The cost is \$70.00 for ValuCare patients and \$75.00 for others.

Lem Weaver has been a patient at Swisher Memorial Hospital in Tulia since being taken there by the Silverton Volunteer Ambulance Service Sunday morning.

In a special meeting of the Briscoe County Commissioner's Court on Monday, September 25, with all four commissioners, the judge and county clerk present, an objection to the proposed tax increase was presented to the court.

The objection stated that "we the undersigned represent various taxpayers of this county" and that "prior to the adoption of any tax rate for Briscoe County for 1990 the following objections are hereby brought to the attention of the court. The tax increase is not supported by minutes of the court, adopting the proposed rate as published. The budget, as published, is legally insufficient and misleading to the taxpayers of the county in that it fails to reflect funds on hand in the amount of \$560,443.73, as of August 1989, as required by section 111.004, et seq of the Texas Local Government Code. It is this budget which must support any tax levied by this court. The proposed tax rate of \$0.44 per \$100 valuation is excessive and not the result of a good faith effort on the part of this court to fix a lawful tax rate for this county for 1990, for the following reasons:

"1. The rate of taxation proposed exceeds the budgeted needs of the county and therefore is excessive under the Constitution of the State of Texas.

"2. The proposed rate of taxation is improper and not in good faith in that it seeks to generate revenues which are merely a subterfuge for production of excessive funds which will be paid into the general fund of the county in excess of the legal rate.

"3. The law is well settled that '... surplus was an item to be considered by the Commissioner's Court when it came to fix the tax rate...' Since the county's surplus was not an item of the budget, it could not, from the face thereof, have been considered.

"We would respectfully invite the court's attention to the provisions of sections 16.04 and 26.05 of the Texas Property Tax Code which entitle taxpayers to an injunction against the taxing authority from adopting and collecting taxes when the taxing

Commissioners Accept Resignation of Judge

Briscoe County Judge Jimmy Ross gave his resignation to the Commissioner's Court last Thursday, and it was formally accepted by the court.

Judge Ross made the following statement to the media.

"I have had the honor of serving the people of Briscoe County as judge for the past two years. During that time, we have examined the need for a more diverse economy and have taken some initial steps to make Briscoe County an even better place to live. There is still work to be done.

"I have submitted my resignation as county judge effective

immediately. I do so to pursue other interests and to spend more time with my family, which has moved from Briscoe County because of health reasons.

"I hope my successor will continue to work with the task force which has been formed to attract tourists and sports people to the county. Only in diversification will Briscoe County grow and prosper."

It is expected that the Briscoe County Commissioners will soon interview and take steps to appoint Ross' successor. Ross was appointed to office following the resignation of the late Judge Fred Mercer on July 1, 1987.

Tulia Wheat Growers Plans Open House

Open house will be held Tuesday, October 10, in the newly-remodeled Briscoe Division of Tulia Wheat Growers, Inc. "This will be a family affair," said Division Manager Donald Russell. "We want husbands, wives and friends to attend the open house and see the new equipment we have installed to bring our facility into top-notch condition."

Open house hours will be from 11:00 a.m. until 2:30 p.m. Silver-

ton Volunteer Fire Department will be serving grilled hamburgers, and everyone is invited to have lunch with them.

Russell moved here with his wife, Louise, in August to become manager of the Briscoe Division. He had operated a gin in Olton and had been in Roswell, New Mexico since 1980. Russell's hometown is Plainview and his wife is from Nazareth, so, in effect, they are "coming home" to this area.

The Russells have five daughters, three granddaughters and a grandson. They are anxious to meet and become friends with you, and extend an invitation to everyone to attend the open house, whether or not you are a member of the co-op family.

Today is the moving day our family has been looking forward to for several weeks now. They began loading the house at Wayside Monday morning, and are scheduled to move the house today.

My grandchildren are so excited! They've been "living out of boxes" for so long, and as Brandon says, "I just can't wait to sleep in my waterbed again!"

Each of the kids will have his or her own bedroom in the house, and after camping here and there for several months, this will be quite a treat. A closet of their own and a chest of drawers of their own is another luxury that they had taken for granted until moving here. It doesn't matter to them that the old house looks pretty ugly now since the add-ons that couldn't be moved have been cut off, or that it will be awhile before the exterior can be made to look like they want it to look. All that matters now is that the HOUSE IS COMING!

Jonann and I attended a Department of Human Resources meeting in Austin Saturday that dealt with child nutrition in connection with her child care feeding program. The speaker

for the purpose of discussion re-opening the budget process, the four commissioners and Deputy Clerk Anita Ramsey were present (Mrs. Ramsey attending in place of County and District Clerk Bess McWilliams who was attending a continuing education seminar).

In the absence of Judge Jimmy Ross, Commissioner Younger made motion to appoint Commissioner L. B. Garvin as presiding officer. Commissioner Jack Chandler seconded the motion and it carried.

Commissioner Garvin read the resignation of Jimmy Ross as Briscoe County Judge. Commissioner Chandler moved to accept Ross' resignation, Garvin seconded it, and the motion carried.

Discussion was heard regarding re-opening the budget process. Scott Garvin spoke regarding the budget and Doris Peugh discussed finding a new judge.

Mr. Warnick said the figure left out was nearly one-half million dollars, approximately \$480,000.00, and John Francis reminded those present that the county has three more months remaining to operate this year.

Commissioner Garvin spoke on behalf of the court, and said the court will comply.

Jimmy Burson asked if the budget is re-worked, will there be minor changes. The court answered, "Yes, if necessary."

County Attorney Pigg said the minutes needed to be corrected before October 9.

Commissioner Younger moved to re-open the budget, Commissioner Bryant Eddleman seconded, and the motion carried.

The information for this news story was taken from the unofficial minutes of the Commissioner's Court which have not yet been approved by the court since minutes are read only during regular monthly meetings.

authority has not complied with the code and the non-compliance is not in good faith.

"Respectfully submitted, William F. Warnick, Rush S. Wells," attorneys who have offices in Lubbock.

Mr. Warnick addressed the court and said he represents about 150 persons in Briscoe County who are objecting to the proposed tax rate increase and

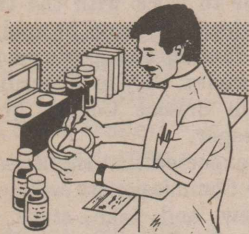

budget. He spoke at length, explaining the law concerning objections.

Citizens addressing the court about the proposed tax rate increase and budget were D. M. Cogdell, Grady Tyler, Doug Forbes, Homer Stephens and Mrs. Virginia Hardin.

County Attorney Sharon Pigg suggested to the court if they thought the budget was not in complete order, and Mr. Warnick thought it was not in complete order, and both seemed to be in agreement, then her informal suggestion was to re-do the entire budget.

Upon motion made by Commissioner Aaron Younger and seconded by Commissioner Garvin, the court voted to adjourn.

Owls Fall to Guthrie

Junior Varsity Team Earn 15-14 Decision

Silverton's Owls fell to the powerful Guthrie Jaguars last Friday night, 58-20, but were good enough to score the first points that Coach Harvey Wellman's boys have given up this season.

Guthrie kicked off to the Owls and Denny Hill carried to the 23. Kendal Minyard passed incomplete and Bradley Brunson carried for 11 yards and a first down on the 39. Wayne Henderson and Brunson combined talents for another first down, but the next fourth-down play for the Owls was an incomplete pass, and the ball went over to Guthrie.

With Bryan Ramsey doing a good job on defense, the Owls held Guthrie and forced a punt. Brian Martin and Brunson picked up several yards, but the ball went back to Guthrie on fourth down.

Guthrie topped off the next series of plays with a touchdown on a one-yard run. The PAT kick failed, and Guthrie moved ahead 6-0.

After Guthrie kicked off to the Owls, Minyard, Henderson and Brunson combined for a first down, and Brunson scored on a one-yard run. The PAT was kicked by Henderson, and the Owls held an 8-6 lead.

In spite of good defense by Breedlove, Frank Lowrey and the other Owls, Guthrie moved the ball through a first down and got another first on a penalty against the Owls. On second down, needing 27 yards, Guthrie scored from 58 yards out. The extra point was good, and the score became 14-8.

The Owls were forced to punt on their next series, but defense by the Owls caused Guthrie to conclude their next offensive series with a punt also. The teams traded possessions a couple of times before Guthrie scored from 27 yards out. The PAT kick was good, and Guthrie moved into a 22-8 lead, and this was the halftime score.

The Owls kicked off to Guthrie to open the second half of play, and Guthrie marched down the field to score on a pass and run play. The PAT was kicked, and Guthrie held a 30-8 lead.

Following Guthrie's kickoff, Hill carried to the 26 after which the Owls fumbled and Guthrie recovered. Guthrie scored on a short run, kicked the PAT and moved into a 38-8 advantage.

The Owls got their offense cranked up, and runs by Martin and Henderson moved the ball into scoring position. Minyard completed a pass to Henderson

Bradley Brunson (30) was gone for a score in Friday night's game between the Owls and the Guthrie Jaguars.

who carried the touchdown 33 yards, but the PAT kick failed. The Owls had narrowed Guthrie's lead to 38-14.

Guthrie came back to score a touchdown of their own, failed at the PAT, and moved ahead 44-14.

Silverton wasn't able to move the ball, and Guthrie wasted no time getting the ball back and scoring on a 16-yard pass and run. The PAT kick was good, and Guthrie had extended the lead to 52-14.

Martin and Henderson picked up a first down after Silverton received the after-TD kickoff, and Martin carried to about one foot outside the goal. The offense got set for a loss, then Brunson scored from three yards out. There was no PAT, and the Owls had moved into a 52-20 deficit.

The Jaguars added yet another touchdown late in the game on the series in which Henderson received a painful knee injury which will keep him out of action for at least three weeks. There was no PAT, and the final 58-20 score had been made.

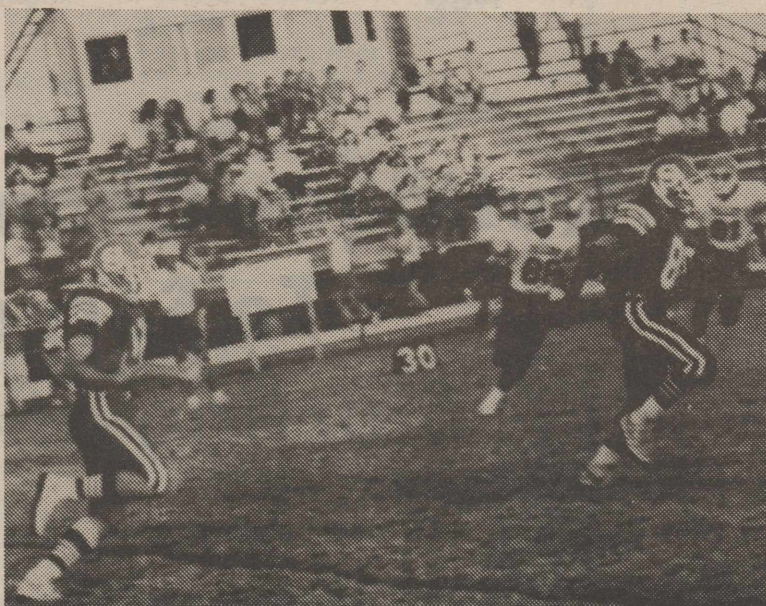

This week the Owls are on the road to Ropesville to play the 0-4 Eagles who are playing as an independent team this, their first, year in six-man football. Ropes lost to Midland Christian last week, 50-40.

The Owls need all the support they can get from their fans as

they attempt to get back on the victory trail. Plan now to help pack the stands and cheer for the Owls as they attempt to put Ropes in their victory column. It has been a tough non-conference schedule for the Owls, and they really need encouragement to keep their spirits up.

Win Owls

Brian West (10) was the leading ground gainer for the Junior Varsity Owls, as they beat the Valley Patriots 15-14 here last Thursday. Also in the picture are Stephen Cavitt (24), another outstanding rusher, and Lyndell Ivory (88), who tackled Valley in the endzone for the game-winning safety.

Briscoe County News Photo

The Junior Varsity Owls played a game with Valley here Thursday evening which was not scheduled until late Tuesday and which didn't receive any publicity because of its not being on the schedule.

Valley kicked off to the Owls and Brian West took it out to the Silverton 36. Runs by West and Stephen Cavitt gained an apparent first down, but the Owls fumbled and Valley recovered on the Patriot 37. The Patriot offense was unable to move the ball, and Valley punted to the Silverton 10.

On the next play, West ran to the Valley 26 for a first down, but runs by Cavitt and West failed to pick up another first down, and the ball went over to the Patriots on the Valley 16. From this point, the Pats were set back by the defense of Wil Bomar and other Owls and on fourth down, needing 16 yards, Valley punted to the Silverton 27.

The Owls came back with a six-yard gain by West and a pass completion to Lyndell Ivory, but the team was assessed a 10-yard penalty and was never able to make up the lost ground. On fourth down, the Owls punted and Valley brought it back to the Silverton 34.

From this point, defense by Cavitt and Stan Gamble held the Pats to a six-yard gain, and on fourth down, with Valley needing five yards, Frank Ramirez, jr. intercepted a Patriot pass at the Silverton six. Runs by Cavitt and Joey Leal failed to pick up the necessary yardage, and on fourth down the Owls punted. Casey Frizzell took the punt receiver out at the Silverton 39.

On their next play, Valley scored. The PAT kick was good, and with 5:16 remaining to be played in the first half, the Patriots led 8-0. When Valley kicked off, the Owls fumbled and Valley recovered on the Silverton 28.

The defense held, with Ivory pushing the ballcarrier back to the Silverton 35 on third down, and on fourth, the Pats punted to the Silverton 17. Once again, the Owls were unable to move the

ball and punted away to the Valley 39.

On first down, Ramirez intercepted a Valley aerial on the Silverton 27. Back on offense, the Owls picked up a first down to the Valley 35 on runs by Cavitt and West. Cavitt carried to the Valley 35 and West went to the 30 before time expired in the first half.

Valley started on the 20 with a touchback after the Owls kicked off to open the third period. The defense held and a pass fell short on fourth down. The Owls moved for a first down on the Valley three and then scored on a run by West with 7:07 remaining in the third quarter. There was no PAT, and the Owls continued to trail, narrowing the distance to 8-6.

Silverton kicked off to Valley again, and held the Patriot offense. On fourth down, Ramirez intercepted a Valley aerial, and the Owls went back on offense. West carried on first down, and a penalty against Valley gave the Owls another first down on the Valley 10. West carried the touchdown with 3:52 still showing on the third-quarter clock. Cavitt carried the PAT, and the Owls had come from behind to move into a 13-8 lead.

Valley carried the Owl kickoff out to their own 35, and picked up first downs on the Silverton 30 and 15 before scoring with 1:16 remaining in the quarter. There was no PAT, and the Patriots now held a 14-13 lead.

The Owls picked up a first down on the Valley 30 as the fourth quarter began, and on the next fourth down the ball went over on the Valley 21. The Patriots were held on offense, and on fourth down they punted short to the Valley 35. The Owls picked up a first down on runs by Cavitt to the Valley 16, but a quarterback sack lost considerable ground for the home team, and even though Cavitt carried to the Valley eight on fourth down, the Owls saw the ball go over to the Patriots with 3:42 remaining in the game.

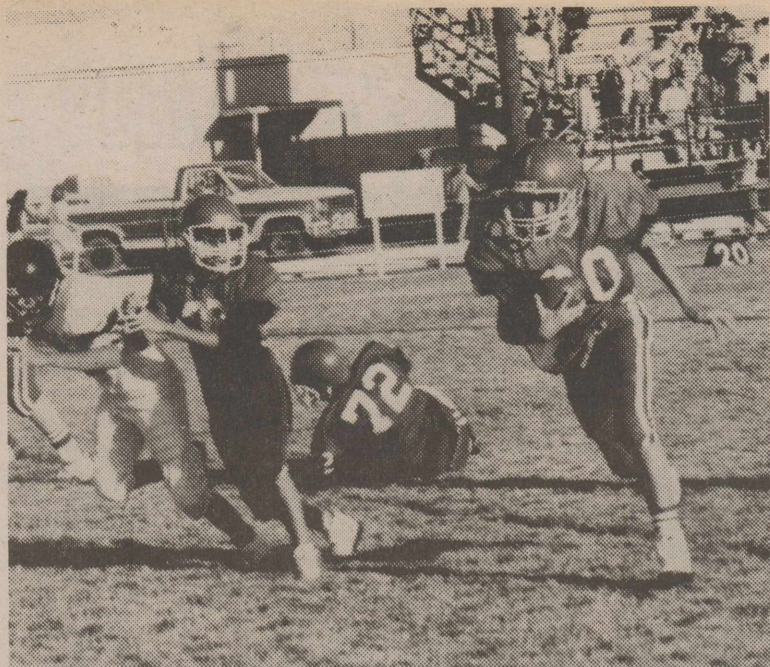

On first down, with the Patriots operating near the endzone, the quarterback bobbled the ball and recovered, and was tackled in the endzone by Ivory. This gave the Owls a two-point safety, and the Owls moved into a 15-14 lead with 3:32 remaining in the game.

Valley free-kicked to the Silverton 35, but the Owl offense was unable to pick up a first down and punted into the endzone.

Starting on their own 20, the Patriots went to work. They were penalized for illegal procedure on first down and on second down were penalized for delay of the game. Ivory set the team back to the Valley five on second down, and on third, the Pats passed complete. On fourth down, needing 30 yards for a first, Valley passed complete but short, with good defense by Frizzell. The ball went back to the Owls with 1:08 still showing on the fourth-quarter clock.

The Owls received a couple of penalties on this series, but were content to watch time expire on the game clock.

Junior High Owls Earn 18-6 Victory

Silverton's Junior High Owls rolled to a big 18-6 victory over Cotton Center here last Thursday afternoon. The Owls started slowly, kicking off and giving up a first down on their own 10

before seeing Cotton Center score with 2:11 remaining on the first-quarter clock. There was no PAT, and the home team trailed 6-0.

On taking the ensuing kickoff,

the Owls made a first down on the Cotton Center 12, before Lance Holt carried the touchdown with six seconds remaining in the first period. There was no PAT, and the score was knotted at 6-6.

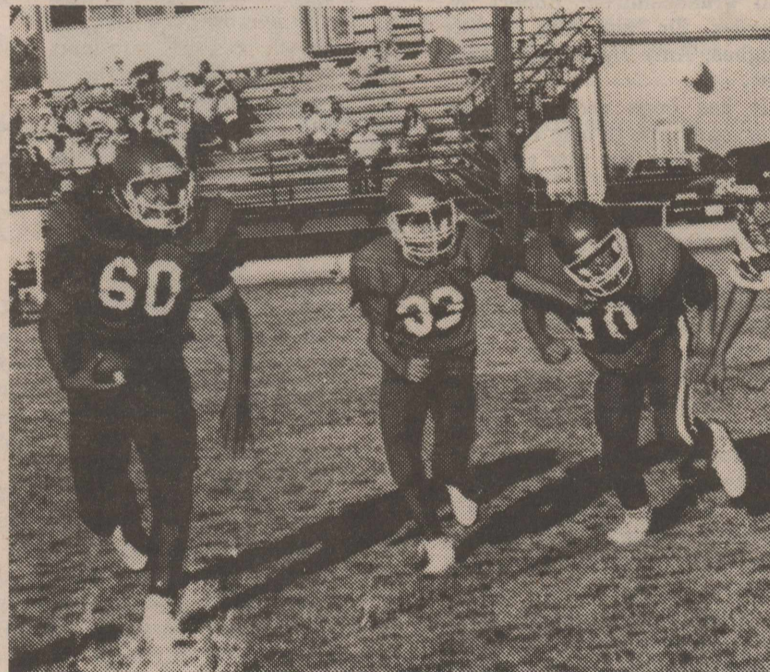

Silverton's kickoff went for a touchback, and this time the Owl defense was able to hold and force a punt which Michael Hill took all the way back to the Cotton Center 15. Runs by Hill and Holt moved the ball into scoring position, and Hill carried the touchdown with three minutes remaining before halftime. There was no PAT, and the Owls led 12-6.

Once again, the Owls kicked off and the defense held Cotton Center to a five-yard gain and forced a punt which Hill carried out to the Cotton Center 35. Hill passed complete to Holt for a 14-yard gain, and Braden Towe passed to Matt Francis for a first down on the Cotton Center five. Hill carried the touchdown with eight seconds remaining before the half, and there was an incomplete pass for PAT, giving the Owls an 18-6 lead.

In the third quarter, the ball changed hands several times, and on Cotton Center's last possession of the period, they were held on first down by good defense by Peter Trevino. On fourth down, there was a punt which Hill carried all the way for a touchdown, but the Owls had hit the Cotton Center punter and this gave the visitors a first down. A quarterback sack resulted on the next play, courtesy of Johnny Patino, and shortly after the fourth quarter began Cotton Center punted. Jess Brannon carried the punt out to the Cotton Center 36. From there, the Owl offense was unable to do much and on third down quarterback Towe was sacked back on the Silverton 30. Hill punted on fourth down, and this went into Cotton Center's endzone for a touchback.

Cotton Center picked up a first down at midfield, but got little else due to defense by Brannon and the other Owls, and the game ended without further scoring.

The Junior High Owls will be traveling to Miami this afternoon for a game at 5:00 p.m.

The former Georgia Mae Standridge and Mr. Rackley exchanged wedding vows October 14, 1939, in Atkins, Arkansas.

Southwestern Club Meets at City Hall

The Southwestern Extension Homemakers' Club met on September 28 at the City Hall in Silverton. Virginia Hardin, hostess, opened the meeting by reading a poem from the yearbook.

Florene Fitzgerald presided over the business meeting. It was decided that the club would participate in the Halloween Carnival if it is held this year. Each club member should bring 25 items for the Fishing Pond.

The Nominating Committee recommended that the 1989 officers be elected to serve again in 1990. The club voted to accept this recommendation.

Virginia Hardin gave a report on her trip to the National Extension Homemakers' meeting in Manhattan, Kansas.

Lois Ziegler led the program on "Exercise." Two videos, "Having a Healthy Back" and "Office Exercises" were viewed. Members participated in many of the exercises as they watched. In keeping with the program on fitness, the hostess served delicious fresh apple cider and oatbran muffins.

Century of Progress Club Opens New Year

Century of Progress Study Club met in the home of Geneva Griffin recently, and new yearbooks were introduced and roll call was answered with "A Trip I Took as a Youth." Annell Davis gave the devotional.

Tracy Tomlin gave a very interesting and informative program on her trip to Russia.

John Cavitt gave a very good program on the HOBY International Leadership Seminar he attended in Canyon, "Motivating Tomorrow's Leaders Today."

Refreshments were served to Beverly Bowman, Annell Davis, Junis Hutsell, Barbara Knowlton, Polly Montague, Faye Rampley and Peggy Strange by hostess Geneva Griffin.

New Arrival

Brandon Clark Bittner is the name that has been given to the son of Tommy and Sonya Bittner of Midland. The baby was born there September 14, weighing seven pounds, seven and a half ounces.

Welcoming her brother into the family is daughter, Rikki, who is 2½ years old.

Grandparents are Dwain and Shirley Henderson, and Shorty Cowell is the great-grandfather.

Some people believe the first frost will be six weeks after a katydid is heard.

Couple To Celebrate Fifty Years of Marriage

MR. AND MRS. BERTON HUGHES

1989

Friends and relatives of Mr. and Mrs. Berton Hughes are invited to celebrate their golden wedding anniversary between 2:30 and 5:00 o'clock on the afternoon of Saturday, October 14, in the Pioneer Room at First State Bank in Silverton.

Hosting the party will be the couple's sons, daughter-in-law and grandchildren, Robert W. Hughes, Dr. and Mrs. Randy Hughes, Amy Lynne and Matthew.

It has been requested that everyone come to help celebrate this occasion, but that there be no gifts.

Berton Hughes and the former Vivian Renfro have known one another since they were childhood friends and playmates when both of their families lived in Oklahoma. Their families were close friends when they lived near Gainesville, Texas, but when the families moved from Oklahoma they lost track of one another until several years later when Renfro family members attended a reunion near Gainesville. The reunion was written-up in the newspaper. Grace (Hughes) Vaughan saw the article in the paper and wrote to Vivian Renfro. Before long, Berton Hughes also was writing to her. After several letters and meeting one another for visits and dates, they were married at high noon on Sunday, October 15, 1939 at the First Christian Church in Henrietta, Texas.

For the 50 years of their married life, except when he was in the service during World War II, stationed in Junction City, Kansas, they have lived in Silverton, where they are members of the First Baptist Church.

MR. AND MRS. HUGHES

1939

Their union has been blessed with two sons, Robert, who lives in Chicago and is a partner in "The New Texas Design Co.," and Randy, who is pastor of Emmanuel Baptist Church and lives in Waco with his wife, Judy, and their children, Amy Lynne and Matthew Allen.

New Arrival

Mr. and Mrs. Scott Webb of Mesquite are parents of a son, Scott Wayne, jr., born at 10:55 a.m. October 1. He weighed seven pounds and fifteen ounces.

Grandparents are Rev. and Mrs. Royce Combs of Silverton and Peggy Webb of Mesquite.

The couple was married October 8, 1924 at the Baptist

parsonage in Tulia. He had moved to Tulia from Perryton when he was 21 years old, and the former Eula Elkins, she was born seven miles east of Tulia. They have made their home in Tulia throughout their married life.

They are parents of Jarus Flowers, and have numerous relatives in this area in the Stephens and Vaughan families.

Kelli LaBaume Seeks Colligate Office at Tech

Kelli LaBaume, daughter of Jon and Elaine LaBaume, was elected to the Texas Tech University Home Economics Student Council this past week. She ran against six other candidates for this office.

Miss LaBaume transferred to Texas Tech from Abilene Christian University this fall.

She will be serving as Freshman Class Representative of this governing body for the College of Home Economics. Through serving on the council, Miss LaBaume will plan numerous activities for the college. One of these will be Home Economics Awareness Week which is an effort by the college to make the students and public more aware of career options and opportunities as well

as honor students and alumni.

Collegiate 4-H, Campus Advance and American Home Economics Association (AHEA) are a few of the organizations in which she is involved thus far.

She is the granddaughter of Ashel and Mildred McDaniel of Silverton.

"Granny" is Young At Heart at 100 Years

For her 93rd birthday, Curtis Burroughs took his grandmother, Kate Burroughs, for a spin on his Harley.

"Everyone was whoopin' and hollerin'," said the 35-year-old Burroughs of Buena Park.

On Sunday, Kate Burroughs, affectionately known as "Granny" to family and friends, was overwhelmed by yet another special birthday—her 100th.

"You just don't feel any different," she said. "You know it in your mind, but you can't believe it."

Her sons, grandchildren, even a one-year-old great-great-granddaughter, and neighbors she's lived near for more than 25 years, helped her celebrate.

She was presented with 100 wrapped presents, 100 balloons and a birthday cake.

A balloon tucked inside a pot of purple flowers that said, "Young at Heart," expressed Burroughs' character to a T.

Wearing a blue and white dress with a red ribbon that read "100 and Huggable" and a green peridot birthstone necklace—a gift—Burroughs reminisced about the last century of her life.

She was born and reared in Brownstown, Arkansas, and lived most of her early years in different parts of that state.

When she lived in the eastern part of the state, Burroughs recalled "there was so much malaria that it killed the frogs."

After she married at age 21, Burroughs said she moved around a lot, including Washington and Montana.

Burroughs, who was separated from her husband who died in 1964, has four sons—all of whom are still living.

BRISCOE COUNTY NEWS

When asked how many descendants are on her family tree, Burroughs said, "I haven't counted them up, but I know I've got a bunch of 'em."

She has six grandchildren, nine great-grandchildren and two great-great-grandchildren, said granddaughter Debbi La Pointe, 30, of Garden Grove.

Burroughs has lived with her eldest son, Roy, for 27 years at his Anaheim home.

Roy Burroughs, 79, had a stroke five years ago, and his mother has since taken care of him. "When he can take care of himself, I'll be ready to go," Burroughs said. "I wouldn't want to leave him at someone else's mercy."

Another son, Jack, 72, of Garden Grove, stops by to do the grocery shopping, mow the lawn and shave his brother.

"She's just been a good mom all these years," Jack Burroughs said.

Son Van Burroughs, 70, who has been visiting his mother since the week before the party, lives in Oregon.

Kate Burroughs still cooks, washes clothes and does the dishes.

"I've worked hard and kept myself busy," she said. "The good Lord has kept me here to take care of my son; I give him the credit, anyway."

"I just try to live right and he'll take care of me."

Until a couple of years ago, Burroughs sewed aprons and pillows for family and friends.

She used to be an avid gardener, but LaPointe said her grandmother told her she quit because she's "getting tired."

Her hearing isn't as sharp as it used to be, but Burroughs has managed to stay healthy.

"She's amazing with what she can do; she's got good eyesight and a good memory," said Nina Burroughs, who is married to Burroughs' son, Fred, 76, of Coalinga.

Burroughs attributes her long life to never smoking nor drinking and to living a simple life.

She has lived through wars, the invention of the automobile and many social changes. But she said the best inventions were ones that helped women do the house work.

"There's been a lot of good

things that happened for women—like the washing machine," said Burroughs, who admitted she's still an old-fashioned gal.

Burroughs said for years she'd wash clothes for her four children and husband on a rub board. "It took me all day to wash," she said.

Mrs. Burroughs is a cousin of the Steeles.

Letter to the Editor

Dear Editor,

Today (September 28) was a very sad day in the history of Briscoe County. A man elected by a majority vote was forced from office, not by vote of the people but by threats. Threats of lawsuits against the county on matters that should be settled out of court by people of reason.

Jimmy Ross left the office of Briscoe County Judge a sad but much wiser man. He is sad because many innocent people have been hurt as a result of the actions of a few citizens. He is wiser because he has learned that not all people are what they represent themselves to be.

I hope this incident has revealed to us that this county must begin to take stock of our actions. We have to take a close look at our very souls and ask the questions that need to be asked. Questions such as, "Why has this happened in Briscoe County?" "Am I a responsible citizen?" "Who will serve this county as the next County Judge?"

In choosing a man to fill the office of Briscoe County Judge I feel the citizens must be very careful to secure a judge who tries, as did our last judge, to treat every person entering the courthouse in the same manner. The County Judge MUST be a person as unbiased as it is possible for a human to be.

All of us entered this world with nothing but the hide that covers our bones. We will exit this world with the same hide and nothing else. So it is that no group of persons should be allowed to control any elected official in Briscoe County.

After the disruption in our county government it will be difficult to secure a judge willing to serve through a transition period. Trust and respect will have to be built up again between the people and their elected officials.

Only the Creator knows at this time who the next judge of this county will be. He knows that person will not be faultless as we humans expect our officials to be. My prayer is that the next judge will serve all of the people without regard to race, creed, financial or social standing.

I love the people of this county with all my heart. It is my hope that hurts and anger will be put aside in favor of the best interests of Briscoe County. Our image is a little tarnished at the moment and it will take all of us to help polish it and make it bright once more.

Those of us who have been working on projects to improve the quality of life in Briscoe County plan to continue working right on to reach our goals. When the general falls another leader comes to the front while the

troops keep working on the tasks at hand.

TEXANS REMINDED THAT STATE FUELS TAX PERMITS ARE NEEDED

State Comptroller Bob Bullock recently reminded Texans buying diesel fuel tax-free that state fuels tax permits are needed to comply with the law.

Bullock said that some customers can buy diesel fuel tax-free in Texas by signing a statement saying that they don't own or operate any diesel-powered vehicles driven on Texas roads. The Comptroller's office provides the printed statements.

Purchases made in this way are restricted to 2,000 gallons or less at any one time with a monthly limit of 10,000 gallons or less.

The statement becomes invalid if the customer buys or uses any vehicles powered by diesel fuel on Texas highways but taxpayers have a couple of options if that happens, Bullock said.

First, they could pay the fuels tax of 15 cents a gallon and file for a refund with the Comptroller's office. Refunds are given for tax paid on any diesel fuel that wasn't used on Texas roads.

Or, they could prepay the tax to the Comptroller's office for vehicles weighing 10,000 pounds or less. The cost is based on the vehicle's weight.

To buy diesel tax-free for vehicles that weigh more than 10,000 pounds, owners need a bonded user's permit. For this they must maintain records and file quarterly reports with the Comptroller's office. They also may need to post a bond with the Comptroller's office.

Bullock cautioned fuel suppliers to keep a copy of an up-to-date permit or a signed statement from each customer before selling any diesel fuel tax-free.

To order forms or for more information, call the Comptroller's office at 1-800-252-5555.

Boys and Girls Express What 4-H Means to Them

(These short essays were written by some of the Briscoe County 4-H members as they celebrate National 4-H Week.)

I've enjoyed 4-H for many years. The part I love most is going to State 4-H Roundup for method demonstrations. Penni and I have had many fun experiences. I have also learned about many different things.

—Julie Towe

I like 4-H because I enjoy the camps and dances. I also appreciate it because it has taught me how to be responsible in taking care of my animals.

—Langdon Reagan

I like being in 4-H because you get to show different kinds of animals in many different places. You get to meet different people and make new friends.

—Russell Baird

Through 4-H I have had many experiences that I would not have normally gotten. It has taken me to many places, and I have met lots of friends. The nine years I've been in 4-H has meant a great deal to me.

—Penni Fogerson

4-H has taught me to be more self confident. The public speaking contests are fun and help develop speaking skills. My

animal projects allow me to show in the Houston and San Antonio stock shows. 4-H camp is a lot of fun because there are lots of girls and you can dance and learn about new projects.

—Josh Brooks

What I like about 4-H is that we have stock shows and we learn to cook and sew. We also go to the dances and be with our friends.

—Lindsey Jennings

What I like about 4-H is people are nice and we have a nice president. The leader is nice, too.

—Rico Cordes
Age 12

I think 4-H is a good opportunity for kids to have a good time. 4-H is very educational and you have a good time.

—Marshall McCammon

I like 4-H because it is fun and neat. Also I learn a lot.

—Michael Reagan

What I like about 4-H is that you get to meet a lot of people.

—Dara Ramsey

4-H is special to me! I enjoy 4-H! I learn many things.

—Molly Brooks

You can do lots of things in 4-H.

—Trey Wyatt

I enjoy 4-H because you get to show animals in 4-H.

—Carrie Baird

Monday 4-H learned about emergencies. Ted Kingery let us

go to the ambulance. He turned on the lights and siren. I had a good time.

—Lindsey Weeks

What I like about 4-H is you learn a bunch of things and you meet a lot of people.

—Shauna Kingery

4-H is fun because we have speakers and victors. We have all kinds of fun things to do.

—Lacy Brunson

The 4-H Club is a great experience for kids. Everytime you go, you learn something.

—Brandon Sarchet

I like 4-H. I think it's fun. It means a lot to me.

—Heidi Tiffin

4-H is very special to me. We learn a lot of things in 4-H, for instance, today we had an Emergency Medical Technician here.

—Kimmie Blazier

In 4-H, we learn all kinds of things and have fun too.

—Kendra Rhoderick

Working with the Clover Club has many rewards. Along with the 4-H'ers, I have the opportunity to learn and do many things. Many believe that 4-H is only about animals but that is not true. 4-H has a vast amount of subjects to learn about and projects to get involved in.

Being Club Manager enables me to get to know our youth and be involved with them.

Our community has many educated and talented people who volunteer their time, and help us with our meetings and projects. I'd like to say a big THANK-YOU to these people.

—Charlotte Rhoderick

Armour

"Wherefore take unto you the whole armour of God" ...

In Paul's letter to the Ephesians, he makes a comparison of the children of God and warriors. He says that our loins should be girt about with truth, and having on the breastplate of righteousness. He makes many more comparisons that exhort us to a proper life. Another thing that Paul urges is that we gather together and worship the Lord. No part of our armour is greater than regular church attendance. Much strength for the week is derived from worshiping with others.

Complete your suit of armour ... attend church this week.

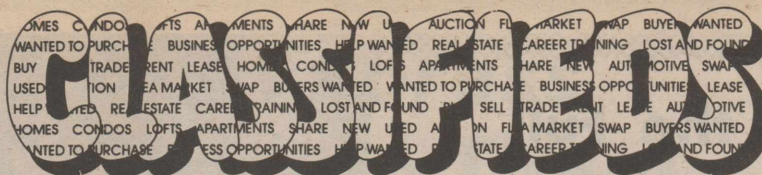

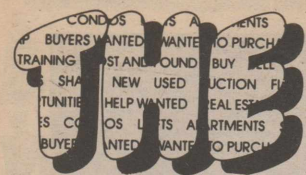

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
