## Mansfield To Meet Burk In Title Match

The world's championship roping contest will be held this year in Midland, Toots Mansfield, the only man ever to hold the title three years in succession, and Clyde Burk, high man to date this year on points, and twice world's champion, will meet in Midland September 13 for the title.

The match was made in Midland Sunday when Mansfield met here with Clarence Scharbauer, president of the Midland Fair, Inc., Leonard Proctor, rodeo chairman, and John Dublin and Roy Parks, of the Midland Rodeo committee.

Mansfield came here direct from Cheyenne, Wyo., where he and Burk agreed last week to meet for the world title. Both expressed a preference for holding the match in Midland, and the committee has completed details of the contest.

"We didn't think it would be right to attempt to hold our full rodeo program this year, due to war conditions," said Scharbauer, "but the one-day world's championship roping will give us the best show possible, and give the thousands of visiting soldiers a chance to see something of our cowboy showmanship."

"To those who like roping, this will be the opportunity to see the world's best ropers in action," said Proctor. "These two men are young and among the best of the nation, and their exhibitions will be as interesting as the feature, except for the championship angle."

**Other Matches**  
Other great ropers have been engaged for the show, in addition to the champions, Jim Epsy of Fort Davis, and Sonny Edwards of Big Spring will rope in a 4-calf contest. James Kinney, a Midland roper, now living at Marathon, has agreed to rope against a suitable opponent. These three men are top-notchers in all of the shows of the nation, and their exhibitions will be as interesting as the feature, except for the championship angle.

**Soldiers Are Interested**  
Men at Midland Army Flying School will be admitted half price to the show, officials stated.

"We have had hundreds of inquiries from the soldiers," said officials, "about our rodeo. We know that it is best not to have the big three-day event which we have had in the past. But this one-day world's championship will give our visitors a chance to see the best in roping, and will help all of us to keep alive the old West life."

"We wish to thank the public for the support of the past, and to go on record as ready to reopen the full rodeo show as soon as the war is over."

Mansfield and Burk will rope 12 calves each. They agreed to rope 230-pound whiteface stock, which will be cut out at once and put in shape for the roping. Men in the other matches will rope the same type and weight animals. Each will furnish his own mount.

There will be a jackpot roping for all who wish to enter, in addition to the matched ropings. Cowboys of the area are welcomed to enter. Men will furnish their mounts for these events, as in the others.

## Dairy Feeding Will Be Discussed Here By A&M Specialists

Dairy feeding problems will be discussed Tuesday night in Midland, by a group of specialists from the Texas A. & M. College extension department, and all dairymen and others interested are invited to attend. The meeting will be held in the district court room, third floor of the courthouse, starting at 9 o'clock, said Ira O. Sturkie, county agent.

E. R. Eudaly, dairy specialist, will lead the discussion. Jim Prewitt, district agent, and G. W. Barnes, beef specialist, also will talk.

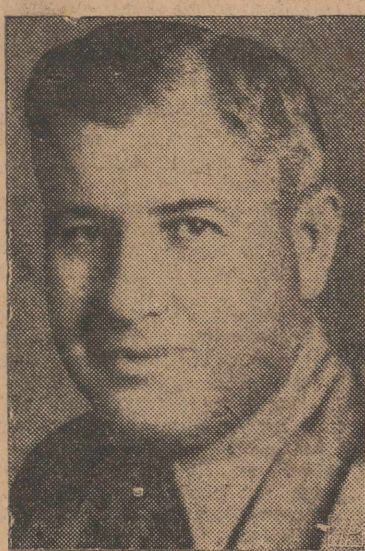

Special attention will be devoted to home-grown feedstuffs, due to the many transportation problems now facing the industry.

Midland County dairy interests have been accelerated by the development of the Midland Army Flying School.

## Midland Invites Senate Committee To Hold Meet Here

Midland Monday invited the Senate public lands committee to hold here a meeting in connection with its investigation of the problems confronting the independent oil producer. A series of meetings in the Southwest is scheduled to begin about August 10. Senator Hatch of New Mexico heads the committee.

Mayor M. C. Ulmer and Ralph Barron, chamber of commerce president, have invited the committee to meet in Midland during its study in the Southwest. O. C. Harper heads a committee to bring the meeting here.

Harold L. Ickes, petroleum coordinator, may attend the sessions.

## Ordnance Plant Workers Strike

POINT PLEASANT, W. Va. (AP)—A large number of workmen—estimated by some sources as high as 4,000—quit work Monday at the huge West Virginia Ordnance Works the government is building on an 8,000-acre site in Mason County.

Lieut. James Raber, public relations officer, said the men walked out in support of their demand for higher wages.

## WAR BULLETINS

MOSCOW (AP)—Aided by divebombers which hammered crawling columns of fresh thousands of German men and vehicles, the Red Army declared Monday that it had repulsed the Germans in all the vital sectors except south of Rostov where "severe defensive" battles were being waged.

BERLIN (From German Broadcasts) (AP)—The German high command declared Monday that one of its tank columns was approaching the upper course of the Kuban River in the Caucasus.

REYKJAVIK, Iceland (AP)—A German plane bombed and machine-gunned a remote military installation of Southeastern Iceland Sunday, United States military authorities announced Monday, saying there were no casualties and only negligible damage.

CAIRO, Egypt (AP)—Britain's four-motored Halifax bombers have joined American planes of like size in bombing enemy shipping in the Mediterranean and ports in North Africa.

ROME (From Italian Broadcasts) (AP)—Violent artillery duels on the El Alamein front in Egypt were reported by the Italian high command Monday which said the opposing air forces were "very active."

## British Holiday Crowds Blasted By Nazi Raiders

LONDON (AP)—Britons spending the August bank holiday at seaside resorts or celebrating at home were targets of German air raiders who swooped from the clouds to bomb scattered towns in England Monday afternoon.

A trail of bomb damage was left across a southwest seaside town, but casualties were believed slight and there were no immediate reports of fatalities.

Crowds watched a Spitfire pursue one raider.

## Carnival Attacked

A North Midlands town, where a carnival was held for those heading to the holiday at home, was subjected to low-level bombing by a lone raider. Two bombs fell in a park near an outdoor theater, but only minor casualties resulted.

Considerable damage was done to business and residential properties of a Northeast Coast town where a single Nazi bomber struck during the lunch hour. Rescue parties searched the debris for possible victims.

Scattered Nazi air stabs over Britain Sunday night were reported Monday to have cost the raiders three bombers and to have caused no serious damage or casualties.

## Attack Not Struck

The German radio broadcast a DNE report saying the towns bombed Monday night were Bedford, north of London, Harwich and Great Yarmouth on the East Coast. York was raided Sunday morning, DNE said.

At least one of the downed German raiders was a Dornier 217, one of the Nazis' biggest bombers.

## July War Bond Sales Total \$900,900,000

WASHINGTON (AP)—Americans purchased \$900,900,000 in War Bonds last month, with 18,000,000 workers authorizing wage deductions and 11,000 firms operating payroll savings plans.

It was the second highest month for War Bonds. In January, immediately following Pearl Harbor and the declaration of war against the Axis, sales soared to \$1,060,546,000. The treasury said it was "highly gratified."

Secretary Morgenthau set the August quota at \$815,000,000. For the fiscal year starting July 1 the goal is \$12,000,000,000.

July figures released by the Treasury do not include sales of War Stamps.

## Colbert To Oppose Senator Chandler

LOUISVILLE, Ky. (AP)—Unofficial returns from more than three-fourths of Kentucky's 4,375 precincts Monday gave Senator A. B. "Happy" Chandler a lead of 66,996 votes for the Democratic senatorial nomination over John Young Brown, Lexington attorney.

In the Republican senatorial primary, Richard J. Colbert of Lexington apparently was named to oppose Chandler in the November general election.

The incomplete and unofficial returns also showed all of Kentucky's congressmen, eight Democrats and one Republican, apparently had won re-election without difficulty.

## Continue Increased Sugar For Industries

WASHINGTON (AP)—Increased sugar allotments granted industrial and institutional users for July and August will be extended through September and October, the Office of Price Administration announced.

## Fighting In Jungles Of New Guinea

General MacArthur's Headquarters, Australia (AP)—The possibility that the Japanese have reinforced their garrison at Buna was acknowledged by an Allied spokesman Monday as General MacArthur's headquarters reported a renewal of savage fighting in the New Guinea jungles midway between that enemy base and Port Moresby.

The communique announcing the jungle fighting declared Allied troops had routed Japanese outposts near Kokoda, 80 miles east of Port Moresby, and said Allied bombers had set fire to enemy supply dumps in that area.

It was the first reference to the existence of such supply dumps, and an Allied spokesman said it was not impossible that Japanese had been moving men and equipment in from Lae—some 165 miles north of Buna.

## Down Enemy Planes

There have been no indications, however, that the original force which the Japanese landed July 22 in the Buna area—estimated at not more than 2,500 men—has been reinforced by sea, the spokesman said.

In addition to attacking the supply dumps at Kokoda, Allied heavy and medium bombers pounded enemy positions near Buna. Japanese fighters rose to intercept the Allied planes and a hot fight ensued in which five of the enemy planes were shot down, General MacArthur's headquarters said.

## Select Three MAFS Officers For Duty On All-Army Teams

Three officers of Midland Army Flying School, former collegiate football stars, have been selected to play with All-Army teams against eleven of the National Professional League, in Army Emergency Relief games in September.

Lieutenant Don Scott, All-American back at Ohio State, and Lt. Joseph W. Bailey, former Kentucky University grid star, were selected for the western squad. They will train in California.

Lieutenant Eino K. Sarkkinen, Ohio State halfback, was selected for the eastern squad. He reports to Col. Robert Neyland, former coach of Tennessee, for training at Yale University.

The three former football stars will report immediately for training in Southeastern Crane, is fishing for slip, bottomed at 1,650 feet in anhydrite.

## Americans Down Japs In Raid On New China Base

Japs Try Knockout New U.S. Outpost In Central China Area

CHUNGKING (AP)—A second big battle for control of the skies over China was reported Monday over Hengyang Air Base between United States planes and new Japanese fighters apparently massed for an attempt to wipe out the Americans' outpost in Hunan Province.

## Assembled Special Force

Stowell's headquarters had announced earlier that the scale of the first big Japanese attack on Hengyang last Thursday and Friday indicated the invaders had assembled a special force of improved fighter planes for the express purpose of trying to wipe out the American Air Base.

A total of 17 Japanese planes was reported destroyed in the first Japanese attack.

## Southwest Spread Of Barnhart Reagan Pool Made By Amerada Well

Amerada Petroleum Corporation No. 1-RG University has extended five-eighths of a mile to the southwest the Barnhart deep pool of Southeastern Reagan County.

The well now is shut in after flowing 204.32 barrels of oil part of which was circulating oil, in nine hours and 45 minutes through 1/2-inch choke on 2-inch tubing set at 9,140 feet, with packer at 9,105. Gas-oil ratio was 1,905. Operators may elect to acidize the well before taking potential gauge.

No. 1-RG University, a part of the Permian-Pennsylvanian black shale at 9,035 feet and is bottomed at 9,254 feet in dolomite of the Ellenburger, lower Ordovician. Five and one-half inch casing cemented at 9,246 feet was gun-perforated with 119 shots from 9,144-74 feet. The extension well is in the center of the southeast quarter of the southwest quarter of section 4, block 48, University survey.

## Glenn Gets Drillstem Test

A 45-minute drillstem test from 5,337-70 feet in Magnolia Petroleum Company No. 1 D. K. Glenn, Southwestern Crane County Ellenburger well, returned 35 feet of drilling mud slightly cut with gas. It was the fourth attempt to get a test, the first three having failed because of leaky drillpipe. No. 1 Glenn now is drilling ahead at 5,410 feet in Ellenburger dolomite and chert. It topped the Ellenburger high at 5,258 feet.

## Ranchers Receive Millions For Cattle

CHICAGO (AP)—Texas farmers and ranchers received almost \$169,805,000 last year from the sale of their meat animals, the American Meat Institute announced.

Texas cattle and calves marketed in 1941 brought in more than \$132,109,000; Texas hogs, nearly \$23,274,000; and Texas sheep and lambs, mostly lambs, almost \$14,422,000. Animals dressed on the farm were not included.

## Red Army Lashes Out Against Germans In New Show Of Strength

By James M. Long  
Associated Press War Editor

Adolf Hitler's Russian offensive appeared Monday to be losing impetus against slowly tightening Russian defenses at the Don Bend approach to Stalingrad and along the last rail line to the oil fields of the Caucasus as the Red Army lashed back in a new show of strength.

Along the whole 300-mile arc from Kletschkaya, 80 miles northwest of Stalingrad, to Kuschchevka, 50 miles south of Rostov, the Russians still were on the defensive; but the strengthening of their stand was indicated by counterattacks which they reported hurled the Germans back with losses of 6,000 dead in a single day.

Don and Kuban Cossacks led the counterattacks in the critical salients of Kuschchevka and Salsk, 100 miles southeast of Rostov, in the first intimation that the big garrison of the North Caucasus may have been thrown into the fight.

It was in this sector that the Germans made their deepest penetration into the Northern Caucasus.

## Lee Heard Dies In Midland; Was Pioneer Rancher

Lee Foster Heard, 77, pioneer ranchman and formerly a big cattle operator in the area south of Midland, died Monday at the home of his son, Allen Heard, in Midland. He had lived in Midland 60 years.

Heard was still active in the livestock business at the time of his death. For several years he had engaged in real estate and other business here.

He is survived by his widow, the former Miss Lucy Nichols, whom he married in 1902 and by their two sons, Lee of Odessa and Allen of Midland, and their two daughters, Mrs. M. H. Crawford of Lamesa and Mrs. Van Turner of Midland; by his two sons by a former marriage, Doak Heard who ranches in New Mexico, and Frank Heard, now in the navy, and by eight grandchildren.

Mr. Heard was widely known among oldtimers of Midland and of this area. He was a native Texan, born October 10, 1864, in DeWitt County. He came to Midland in 1882.

Funeral arrangements are pending word from the elder sons. The Ellis Funeral Home is in charge.

## Russian Ship Sunk In Gulf; Toll 408

(By The Associated Press)

Nine ships announced last week to have been sunk by submarines in the Western Atlantic and another victim disclosed Sunday brought to 408 today The Associated Press unofficial tabulation of Allied and neutral wartime merchant-ship losses in the area.

The latest announced sinking was that of a medium-sized Russian cargo carrier July 4 in the Gulf of Mexico.

## Ranchers Receive Millions For Cattle

CHICAGO (AP)—Texas farmers and ranchers received almost \$169,805,000 last year from the sale of their meat animals, the American Meat Institute announced.

Texas cattle and calves marketed in 1941 brought in more than \$132,109,000; Texas hogs, nearly \$23,274,000; and Texas sheep and lambs, mostly lambs, almost \$14,422,000. Animals dressed on the farm were not included.

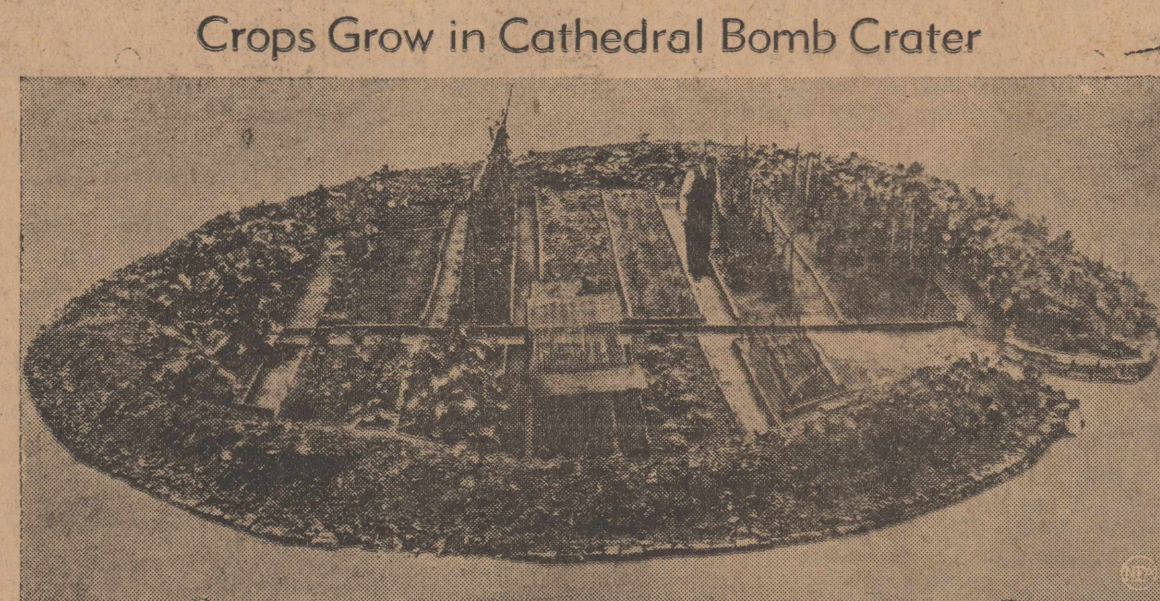

Presumably these were fifth columnists. It was not clear immediately from what group of the Soviet peoples they had been recruited. However, large German settlements had developed before the war in the German Volga area, a large section some 150 miles north and northeast of Stalingrad. Germans in this area were understood to have been rounded up and moved back from the potential battle area soon after the war started.

## Demand Second Front

Moscow newspapers gave increasing space to demands for a second front to ease the strain on the Red Army. The Communist party newspaper Pravda, declaring that "the danger in the south is more acute," said "the enemy is draining Germany and German-occupied countries to send all reserves into the fight."

British military quarters said in London that sixteen Nazi divisions had been transferred from France and the Low Countries to the Russian front, but added that this did not necessarily indicate a "weakening of Germany's defenses to the east."

COME ALL OUT FOR GOD: Choose ye this day whom ye will serve.—Josh. 24:15.

Progress Report

This may be the time for a progress report on consumer goods which we have given up, as an incident of our entrance into a total war economy.

The War Production Board issued such a summary the other day, in skeleton form — a factual document, as government publicity properly should be, and unadorned with adjectives.

Playing around with the statistics contained in the release, we have come up with some facts that seem worth passing on.

By government order, production for civilian use has been stopped in domestic oil burners, mechanical refrigerators, washing machines and ironers, electrical appliances, electric ranges and fans, fishing tackle, golf clubs, metal household furniture and signs, musical instruments, radios, outboard motors, many toys and games, vacuum cleaners, vending and amusement machines.

There has been sharp curtailment in the manufacture of baby carriages, bedding and mattresses, bicycles, caskets and burial vaults, church goods, cutlery, domestic cooking and heating stoves, coal stokers, hot water heaters and tanks, ice boxes, fountain pens and mechanical pencils, hair and bobby pins, incandescent and fluorescent light bulbs, jewelry, kitchen and household utensils, portable electric lamps and shades, razors and blades, and sewing machines.

Quite an imposing list, isn't it. And what have we gained?

Enough rubber for 9005 flying fortresses plus 18,011 medium tanks.

Enough aluminum for 2434 flying fortresses.

Enough steel for 109 Liberty ships plus 33,333 flying fortresses plus 12,820 medium tanks plus 4208 destroyers.

Enough lead for 12,544 medium tanks plus 26,909 armored trucks.

Enough brass for 1,377,766,000 rifle or machine gun cartridges.

Enough tin for 260 destroyers.

Enough zinc for 11,037 10-ton pontoon bridges plus 72,330 medium tanks plus 63,687 armored cars plus 21,050 large Signal Corps radios.

Enough iron for 13,221 two-and-a-half ton Army cargo-mover trucks.

Enough nickel for 2100 medium tanks plus 4600 armored cars.

Enough chromium for 1047 medium tanks plus 370 armored cars.

Good exchange? You bet. Bad news for Hitler? You win that bet.

And even now, we retain more civilian comforts and conveniences than most peoples possessed before they began giving up bread for guns.

Juxtaposition

It could have been sheer coincidence that led the New York Times, one day recently, to place side by side news stories bearing the following headings:

"Roosevelt Weighs Appointing Lehman Arbitrator of Wages."

"Lehman Throws Support to Mead, Dropping Poletti, His First Choice—Joins Roosevelt in Backing Senator for the Nomination for Governor."

One would not be cynical. One would like to take at face value the President's implied statement that, since he is too busy for "fool stories" about politics, he is too busy for politics. But the news does speak for itself.

—Buy War Bonds And Saving Stamps—

A Little Competition

Harold L. Ickes insists that trouble will come out of the OPA's decision to eliminate gasoline dealer rationing in the new East Coast system. He is afraid price cutting will result.

The public does not share that fear. A little price competition is appreciated by consumers. But more than that, the motoring public has the notion that available gasoline should be distributed where it can be used, and not left to lie idle in some areas while others suffer from drought. The new regulation is designed to remedy that evil.

—Buy War Bonds And Saving Stamps—

Your Typewriter

The Army and the Navy need your typewriter, and 599,999 more. They will pay for them.

Uncle Sam could have new typewriters made. That would use up critical materials needed for weapons. He has bought all the extras that business firms could spare but needs more.

Is the work you do on your typewriter as important as that the Army and Navy need it for? If not, and the machine was made since Jan. 1, 1935, here's a way to help beat Hitler.

—Buy War Bonds And Saving Stamps—

Losing His Hold?

The English Gallup poll finds that Winston Churchill's popularity is at a new low. Only 78 per cent of the British approve his conduct of the war.

Well, Britain has been taking it on the chin, and Germany has been dishing it out. But do you imagine that a really secret poll in the Reich would give Hitler a 78 percent vote of confidence? We doubt it.

The Army and Navy need at least 500,000 typewriters. Anything to add more punch

We're leading into fall — the time for hunting big game and big game tickets.

Mr. and Mrs. G. B. Rush and son have returned from a week's visit in Wichita Falls.

Mrs. Tamer Laine and Miss Mary Jo Neer left Sunday afternoon for Wichita Falls after a weekend visit in Midland. Mrs. Laine visited her husband, who is stationed at Midland Army Flying School.

Mr. and Mrs. Felix Stonehocker took Mrs. M. D. Johnson and Mrs. John M. Sewell to Arlington Friday to attend the Killian family reunion held Saturday and Sunday. The Stonehockers visited relatives in Dallas and Sunday attended the reunion. They brought back to Midland as their guest, an RAF cadet, John Charles Wilson.

## Hope for folks pestered by KIDNEY PAIN

No more getting up at night! Swamp Root quickly relieves bladder pain and backache due to sluggish kidneys—makes restful sleep possible.

Thousands of middle-aged folks say Swamp Root helps them sleep like they did when young. Swamp Root flushes out painful acid sediment from the kidneys, enabling them to do a thorough job before going to bed. So there's no urge to get up at night.

In addition, Swamp Root quickly relieves bladder pain, backache and that general "misery" that comes from lazy-acting kidneys. You can't miss its wonderful tonic effect. Swamp Root was originally created by a well-known physician, Dr. Kilmer. It combines 16 herbs, roots and balsams—all good ingredients that help you feel better fast.

Try this remarkable stomachic and intestinal liquid tonic FREE. Thousands have found relief with only a sample bottle of Swamp Root. Send your name and address to Dr. Kilmer & Company, Inc., Department 000, Stamford, Conn., for a sample bottle free and postpaid. Be sure to follow directions on package. Offer limited. Send today. All drug stores sell Dr. Kilmer's Swamp Root.

## American Designers Show Fall Fashions In Tune With War

CHICAGO (P)—American designers of women's apparel unveiled Monday the result of their efforts to produce smart, serviceable Fall and Winter fashions while conserving fabrics and metals for war use.

Retail merchants and department store buyers began two weeks of inspection of new styles at the meeting of the Interstate Merchants Council and attendant merchandise expositions.

Peg-top lines on skirts which are slender and straight but never tight, soft front fullness and side shirring and draping make the most of every inch of material allotted to civilian use.

Because unnecessary details clash with conservation aims, costumes are ornamented effectively through use of contrasting fabrics, self material loops and tucks on fold trimming.

The boys-style coat, smart for nearly all occasions, remains as fashionable as it has been in the past among women. Dressy coats are slim through the body but have an easy fullness about the waist.

Suits have short jackets with self stitching details, new pocket treatments and unusual yokes. Skirts are slim in appearance but allow for walking and sitting comfort with gores, kick pleats, shallow box pleats and sharp trouser-press pleats.

Accessories show no loss in charm from lack of metals. Wood, plastics, colored stones, yarns and other non-critical materials have been utilized in trimmings.

**Club Holds Annual Picnic At Park**

## Loud Speaker System Aids Dancers At Second Hangar Ball

A loud speaker system which enabled dancers to hear the music better over the big dance floor contributed to the success of the second "Keep 'em Smiling" dance at the Army Airways hangar, Saturday night. The Hell from Heaven Swingsters played.

Hundreds of soldiers from Midland Army Flying School and hundreds of girls from towns of the area attended.

A floor show given by the soldiers was a feature of the evening.

## Young English Flyer Guest Of Stonehockers

Cadet John Wilson of the Royal Air Force, and now in training in the RAF air school at Terrell, Texas, is a guest here of Mr. and Mrs. Felix Stonehocker. He arrived with them Sunday for a few days visit.

Mrs. Stonehocker, Mrs. Ed Darrell and Mrs. Mark Carroway took the young pilot Monday to see the Carlsbad Caverns.

Cadet Wilson, from Manchester, England, has been in Texas 13 weeks, and has just finished the pilot phase of his training. After a few days leave he will begin his fighter training, also at Terrell. He is 19 and has been in the RAF a year.

Barney Grafa, Jr., is here visiting his parents, Mr. and Mrs. Barney Grafa, Sr. He arrived this weekend from Camp Crockett, Dallas YMCA camp near Grandbury, Texas, where he has been serving as camp physician. He will be here about two weeks and then he and Mrs. Grafa, Jr., who has been visiting her husband's parents here for the last three weeks, will go

to Dallas before the opening of Baylor University. Barney, Jr., has one more year in the medical school.

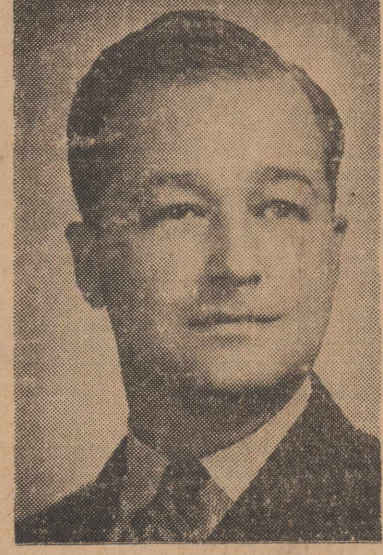

Sergeant Larry Johnson of San Antonio visited Miss Marian Newton this weekend.

# McKENNEY ON BRIDGE

By William E. McKenney  
America's Card Authority

The list of Life Masters in contract bridge was increased to 31 when Albert Weiss of Chicago accumulated the required 260 points. Weiss has long been acknowledged as one of the outstanding players

of the Middle West. The event that put him over the top was the Northern Illinois team-of-four contest on May 2nd, and here is one of the hands that helped him win. The choice of contract, a risky four hearts instead of an easy five diamonds, was made because of the match-point value of the extra 20 for the major suit game. Several North players chose four hearts, but only Weiss made the contract.

The first trick went to dummy's ace of clubs. Next came the ace and a low diamond, setting up the suit. East led the queen of clubs. Weiss saw that this defense would cause trouble if the adverse trumps were not split 3-3. He decided to bank on the spade finesse instead of the trump split, so he let the queen of clubs hold. East continued clubs and dummy trumped with the eight.

Weiss now cashed the king and ace of hearts and led the ten. West, having been stripped of diamonds and clubs, could return only a spade or the trump. In either case Weiss was sure to get in to pull the last trump and then the diamonds could be cashed.

### Viscountess Astor Sounds Sour Note

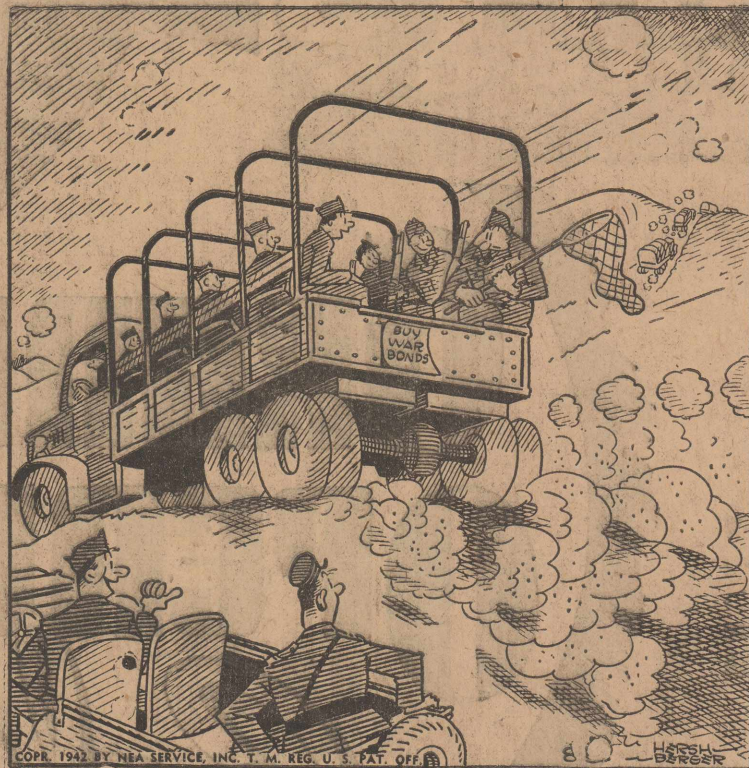

By DeWitt MacKenzie  
Wide World War Analyst  
Viscountess Astor, America's contribution to the British House of Commons, sounded a rather sour note when she remarked in a speech that she is "grateful to the Russians, but they are not fighting for us. They are fighting for themselves."

Having been acquainted with Lady Nancy for years, I'm confident she had no intention of making an invidious remark which might damage Allied unity. However, one of her outstanding characteristics is that she gives a loose rein to a frequently brilliant but often caustic and indiscreet tongue. Certainly her comment was ill-chosen at a moment when the Bolsheviks are standing between the Allies and a catastrophe which might mean total defeat for us.

#### SERIAL STORY

### BANNERS FLYING

BY MARY RAYMOND

**CHRISTIE** LOSES SOMETHING  
 CHAPTER IX  
**THREE** things—Tommy's letters to the family, Sandra's job, and the loss of Stephen's were the sparks that touched off the marital explosion.

Tommy's bitterness and his petty jealousy of Bart, smoldering always near the surface, were all too apparent in those brief notes home. He didn't see much of Sandra, he wrote. Girls always went for insignias and stripes, and it didn't matter whether they were worn by single or married men. Girls were funny that way. Sandra had her entertainer's job and gave Bart credit for landing it.

Mrs. Colton said irritably: "I think Tommy has a right to be angry. Why should Bart waste any time with this girl? Bart has a wife, and if I do say so, a lovely one. I think all this is a reflection on you, Christie."

### Cats, Missions Tied For Second Place In Texas

(By The Associated Press)

The week in the Texas League began with Beaumont far ahead of the pack, despite a double defeat Sunday at the hands of the six-time-place Tulsa Oilers, and with Fort Worth and San Antonio tied for second place, thanks to victories won by both teams before Sunday crowds.

Hank Oana, the Hawaiian outfielder, recently converted into a pitcher, annexed his tenth win of the season when the Cats wasted a 5-3 defeat on the Houston Buffs at Fort Worth.

The Missions toyed with the last-place Rebels, beating them 5-0 at Dallas behind the four-hit pitching of Sidney Peterson.

The Exporters, apparently resting on their laurels, allowed the Oilers to defeat them 7-5 and 6-1 at Tulsa.

At Oklahoma City the Shreveport Sports swept both ends of a double-header with the Indians, 4-1 and 4-3.

Both Henry Wyse and Joe Berry, Tulsa twirlers, won their fourteenth triumphs of the season against Beaumont.

Although Manager Sally Parker of the Sports twisted his right knee in the eighth inning of the first game with Oklahoma City, he came back to play in the second.

**PRETTY BRUNETTE IS ATHLETIC DIRECTOR**

HOUSTON (AP)—War-time conditions have forced women into many jobs ordinarily reserved for men—so the selection of pretty Ruby Deloach, 22-year-old brunette, as athletic director of the Hughes Tool Company is no occasion for eyebrow lifting.

The trim girl is a Stephen F. Austin College graduate and last year's physical education director of the Vidor, Tex., high school.

**CLUB HAS NOVEL PLAN FOR BUYING STAMPS**

STANTON — A novel plan for the buying of War Savings Stamps is being followed by the Lake View Home Demonstration Club. Instead of serving refreshments at each meeting, the hosts purchase 50 cents worth of War Savings Stamps and members draw for these. No person who has received stamps is allowed to draw for them a second time until all members have received some.

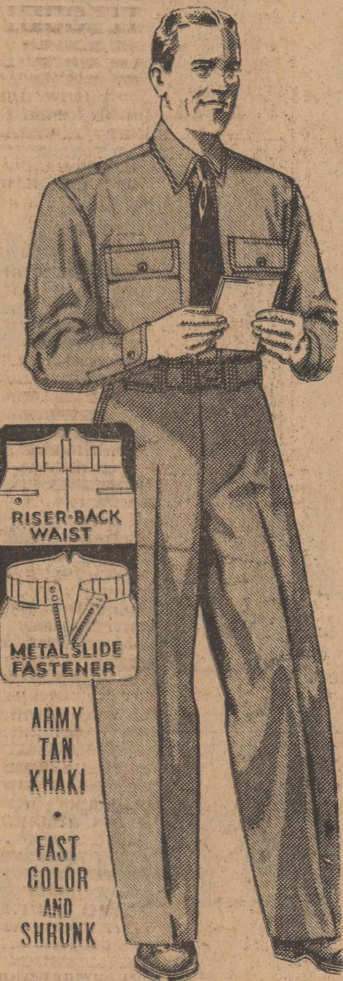

**TEXAN NAMED ON ALL-ARMY GRID TEAM; START PRACTICE**

### Texas Golfers Play Monday For St. Paul Open Championship

ST. PAUL (AP)—Two of golf's "H" boys, Chick Harbert and Dutch Harrison, climb around the rugged Kellar public links in an 18-hole playoff for the St. Paul Open golf championship Monday and the \$1,000 that goes with first place.

They finished all squares Sunday with 280 strokes each—eight under par—at the end of the regulation 72 holes.

Both, Harbert of Battle Creek, Mich., and Harrison, the Arkansas traveler working out of Harrisburg, Pa., have been tabbed by their compatriots as the up-and-coming golfers of the day—players whose names might someday rest beside those of Ben Hogan, Craig Wood, Byron Nelson and others in the fan-clan. Therefore, an additional punch has been added to this playoff.

Both boys the former Texas Open champions, the 27-year-old Harbert winning it this year in a playoff with Hogan, and Harrison taking it in 1933.

**Harbert Comes Up**

Harbert—his the guy who whistles while he puts—was four strokes behind leader Gene Kunes of Philadelphia as the field entered the last 36 holes Sunday and three behind Harrison. On the first 27 holes of the day, Harbert stood five under par after firing a 68 and turning in a 35 on the first nine in the afternoon. With nine holes remaining, he led Harrison by three strokes.

The drawing Arkansas took a 73 and a 36 and appeared lost in the shuffle while Kunes faded badly to leave the gate open.

But Harrison settled down to shoot three straight birdies at the start of the last nine, while Harbert also fashioned two birdies but nullified them with a pair of bogies to post a 36 for 71. Coming up to the last green, Harrison needed a birdie four to tie. He got it by pitching six feet from the cup and holing the putt for a dazzling 33 and a 69 for the round.

Jimmy Hines missed a six-foot putt on the last green and finished third with 281, followed in order by Johnny Revolta and Kunes.

### Sports Roundup

By HUGH FULLERTON, Jr., Wide World Sports Columnist

NEW YORK — Is it hot enough for you? Well, football gets underway this week. Most of the pro teams are starting to train; Lieut. Col. Bob Neyland's All-Army players are heading for their New Haven, Conn., camp and the Texas high school all-star game and recruit roundup is scheduled for next Saturday at Abilene.

**The Answer Men**

When Manager Luke Sewell of the Browns was soaked a \$25 fine for a recent run-in with an ump he said he was tempted to pay it with a rubber check. "Just so when Harridge notified me the check was bad I could say, yeh, and it makes us even—so was the decision," he explained. "And when someone asked old Sam Paige what kind of food made him so durable, he replied: 'I'm on a strict diet—strictly fried foods, that's all I eat.'"

A Texas horseman, who doesn't want the boys making touches, tells that he has had a \$20 straight bet on every horse Ben Jones has started this season and so far the profits are \$1,600. The Oklahoma campus is excited about a wire from Lieut. Col. Bob Neyland asking for Jack Jabos' address. The boys figure that means Jack will be on the Army All-Star squad.

**W. C. FROST DIES**

SAN ANTONIO (AP)—A heart attack Sunday night proved fatal for W. C. Frost, 58, pioneer merchant of Southwest Texas and vice president of Frost Bros. here.

Mrs. B. W. Floyd was discharged Sunday from Ryan's Hospital. Also dismissed from the same hospital Sunday was Tom Patterson.

### Dodgers, Giants Set Big Game That Will Give Coin To Army Relief

Game Expected To Draw Record Crowd, And Add \$100,000 To The Fund

(By The Associated Press)

The Brooklyn Dodgers, who might not be so far along with their work had they met the New York Giants more often, tangle with their hecklers from Harlem Monday evening in a contest that has generated more excitement in Gotham than any baseball battle since the last World Series.

This interborough brawl was just another Monday ball game when the schedule was drawn months ago, but now it's an important struggle with Army Relief the principal beneficiary.

**Expect Big Attendance**

When the two National League rivals played for Navy Relief in the Dodgers' park in May they took in about \$60,000, a mark none of the other teams has touched. This time they'll have the major league spotlight to themselves and they have promised to do even better by the Army.

With everybody who goes through the gates buying a ticket and many others purchasing ducats without going to the game, officials won't be satisfied with anything less than \$100,000.

The extra special attraction will be Van Lingle Mungo, new addition to the Giants' pitching staff, hurling against the Dodgers, whose uniform he wore when he was the terror of the majors not so many years ago.

**Will Be Hot Game**

A quirk in the schedule has kept the two teams apart since Memorial Day. In 11 outings this season, the Dodgers won six and the Giants five. Whitlow Wyatt will be Brooklyn's starting pitcher for this joust, which opens a four-game series.

The Giants helped the Dodgers preserve their nine-game lead Sunday by splitting a doubleheader with the second-place St. Louis Cardinals, which is all the Dodgers could do with the Chicago Cubs.

It took the Dodgers ten innings to turn back the Cubs, 5-4, in the first game. In the second game, Claude Passeau pitched the Cubs to a 7-1 triumph.

**Hubbell Wins Fifth**

Carl Hubbell pitched the Giants to a 7-1 decision over the Cardinals for his fifth straight win. Then Mort Cooper tossed a four-hitter at the Giants and the Cards won, 3-2.

The Cincinnati Reds clung to their one-game third-place margin over the Giants by splitting with the Boston Braves, Al Javery blanketing the Reds 7-0 on five hits in the first game, but Cincinnati took the second, 4-2.

The Pittsburgh Pirates dumped the Philadelphia Phils, 4-2 and 3-2, and hopped over the Cubs into fifth place.

**Yankees Win Two**

In the American League the New York Yankees downed the St. Louis Browns twice, 4-2 and 10-0, and stretched their lead to 12 1/2 games over the Cleveland Indians, who wrested second place from the Boston Red Sox with the help of the Detroit Tigers.

The Indians nosed out the Philadelphia Athletics, 4-3 and 4-2.

The Detroit Tigers knocked the Boston Red Sox into third place by four percentage points, taking the first game, 8-4. The Tigers annexed the second, 6-2, on the nine-hit hurling of Virgil Trucks and Al Benton.

Washington's scheduled doubleheader at Chicago was postponed.

**Schniederjan Arrives To Work At Scharbauer**

### CIO Moves For Peace With AFL

PITTSBURGH (AP)—The possibility of a reconciliation between the Congress of Industrial Organizations and the American Federation of Labor was revived Monday by a proposal of CIO President Philip Murray for renewal of peace negotiations.

Murray wrote William Green, president of the AFL, that he had named a CIO peace committee of three and asked Green to appoint a similar AFL group to discuss "possible establishment of organic unity between our organizations."

There was no immediate reply from Green.

**U-Boat Designer To Be Questioned**

WASHINGTON (AP)—Simon Lake, veteran submarine designer and builder, promised to lay before a Senate military subcommittee the solution of the U-boat menace.

Lake, who said he had been called before a committee that has been seeking to step up production of aerial freighters, declared that as one of the inventors of the modern submarine he knew "what the Axis nations can do with it."

**JAPANESE MILITARY LEADER GOES TO MANCHUKUO**

CHUNGKING (AP)—Unconfirmed reports reaching Chungking Monday said Lieut. Gen. Tomoyuki Yamashita, Japan's German-trained conqueror of Malaya, had gone to Manchukuo "possibly to take up the supreme command there in preparation for an attack on Siberia."

**CANADA BEGINS TEA AND COFFEE RATIONING**

OTTAWA (AP)—Canada began rationing tea and coffee Monday, allowing each person over 12 years an amount of either deemed sufficient to make 12 1-2 cups a week.
