RAILROAD FOR THE FAIR

The Railway Commission of Haskell County is holding the big fair of the county. The fair is being held at the county seat. The fair is being held at the county seat.

HUMORIST-CARTOONIST FIRST LYCEUM NUMBER

Alton Packard, humorist-cartoonist, will be the first presentation of the Dixie Lyceum Bureau here, sponsored by the local organization of the Parent-Teachers Association. Newspapers over the country have hailed him as "one of the best on the road" and the "greatest cartoonist." The Philadelphia Bulletin calls him "the genius with the crayon." Packard was for many years a newspaper cartoonist, but his determination to make the "chalk talk" one of the most pleasing and wholesome of stage entertainments is responsible for his interesting musical and variety comedies, one of which he will present here early in October.

The season's program will include four other numbers, with dates ranging through January. The entire schedule, according to officials of the Parent-Teachers Association, is the best for which they have arranged. The program, of which a large portion is musical, promises exceptionally good entertainment.

The second number of the series will consist of violin, harp, flute and vocal selections presented by the Demarco Quartet. Following this will come DeLong's Accordion Trio, composed of girl artists. The fourth number is a program featuring the Schubert Male Quartet, appearing often in costume numbers. Miss Christine L. Cochran, violinist and pianist, assists the company of singers. The appearance of Miss Emma Dee Randle, reader is scheduled as the conclusion of the course. Miss Randle will fill a return engagement, having been featured here on the 1926 program.

The program for the season will be on sale for the next week, when the early order will be given. The Association is soliciting the aid and co-operation of the people of Haskell, feeling confident that the citizens will not be disappointed in the offering which they are making this year.

DRY CLEANERS MOVE TO NEW QUARTERS

The Tarkenton Dry Cleaners, are now occupying the northeast corner of the Tarkenton Hotel building, having moved their plant from the rear of the building to the front this week. Bob H. Conroy is the general proprietor of this establishment, and states that in their large quarters they will be able to handle their rapidly expanding business.

WOMEN WILL TEACH ADULT CLASS AT THE BAPTIST CHURCH SUNDAY

Next Sunday beginning at 9:45 a. m. Mrs. A. Couch, the former teacher of the Adult Bible Class of the Baptist Church will teach the class by special request. LOCAL NEWS FROM SAYLES COMMUNITY

Bob Young and wife and baby visited in Stamford Monday. The base ball game on Sayles diamond Sunday was very interesting to all. Virgil Irving's brothers Alvie and Joe Willey are visiting Mr. and Mrs. Irving. Mr. A. E. Mercer of Stamford is visiting friends here. O. L. Stand of Haskell spent the week end with his parents, Mr. and Mrs. A. E. Stand and family. Mr. and Mrs. Baron of Weisert are visiting their daughter, Mrs. Ethel Irving of this community. Mrs. Stand spent the week end in Stamford the guest of Miss Rachel Stand. Frank Falwell of Haskell visited Mr. and Mrs. Tom Falwell of this place Sunday. L. Stand visited Mrs. H. D. Stand of Haskell. Mrs. Stand and Emma Kate Stand visited in Stamford Friday and Saturday of last week. Mrs. Stand, cotton buyer of Waco, visited in the city last Thursday, to look after the balance of cotton in the market. She has been buying cotton in the market for the past four or five years. The cotton market is accepted by the cotton growers as marking the official start of the cotton season.

MORE THAN 2000 BALES BINNED HERE

According to the six local gins there has been more than 2000 bales of cotton ginned in Haskell this season. The reports were gathered yesterday at noon from the different gins. (This has probably not been increased but very little today on account of the rain which began falling yesterday morning, delaying picking until the weather is settled.) Conservative estimates place this year's crop in the county far below last year's production. So much of the cotton in the county is late this year and is in a position to make a bumper crop if everything is favorable. But if conditions should be unfavorable during the next few weeks, the production from the late cotton may be cut to almost nothing. The leaf worm has appeared in some sections of the county in large numbers—just how much damage will be done is problematical as the majority of the farms have begun to poison in an effort to destroy the pests.

HIGH SCHOOL SENIOR CLASS IS ORGANIZED

The Senior Class of the Haskell High School held its first meeting Friday, September 10, 1927. The following officers were elected: President—Mary Couch. Vice President—John Banks. Secretary—Mary Pearsey. Sergeant-at-Arms—Ernest Kimbrough. Sponsor—Miss Elaine Mills. Reporter—Marjorie Rogers. Mr. and Mrs. Hilal Oates returned week before last from their vacation trip in Medicine Park and Wichita Falls. Mrs. John Oates and her son, John Oates Jr. have returned from Mineral Wells where they visited relatives. Misses Ruth and Oleta Stanley of Stamford were guests of Haskell friends last week. Mr. and Mrs. R. C. Montgomery returned last Thursday from Carlsbad Caverns, New Mexico, the Davis Mountains and attended the famous Hoy's Camp Meeting, which has been holding annual meetings for twenty-seven years. Mrs. H. L. Thornton has returned to her home in Graham, after visiting Mrs. J. S. Rike. Mrs. John Baker and daughter Miss Ann Holman of Dallas, spent last week and with Mrs. Baker's parents, Mr. and Mrs. J. P. Fisher.

Fate of Good Roads to be Decided by Voters

DICK CALHOUN BACK IN RACING GAME

If Dick Calhoun's crash on the Abilene track a year ago this month had any effect on his driving, the change has been for the better. By his daring yesterday, the best ever witnessed by local fans, he piloted his car over the Cushing dirt speedway to first place in all races. In the time trials preceding the races, however, he was beaten by Fred Frame in a Miller special. Frame's time was two and one half seconds better than Calhoun, the runner-up. The entry list also included Ted Simpson, piloting a Miller special.

PROF. REID TO JUDGE POULTRY AT FAIR

Professor D. H. Reid, head of the Poultry Department of the A. and M. College, has been secured to judge the poultry at the Haskell County Fair October 6, 7 and 8th according to J. P. Payne, director of the Poultry Department. Professor Reid will be remembered as the man who judged poultry at the first annual Haskell County Fair. Judging in the Poultry Department will be done the first two days of the fair according to Mr. Payne. Entries in all departments close at 9 a. m. and the first morning will be used in classifying the entries and judging will start the afternoon of the first day.

NEW PNEUMATIC TIRES

When the hundred-millionth Goodyear tire was produced in April by the Goodyear Tire and Rubber Company at Akron, Ohio, it marked a manufacturing accomplishment without parallel in the rubber industry, according to Mr. J. F. Kennedy, Goodyear dealer. This achievement is of particular significance to the user and car owner. Mr. Kennedy said, "for into every Goodyear tire goes the experience gained in the production, and the skill of the largest development and engineering organization in the tire business. In addition to the hundred million pneumatic tires, Goodyear has produced more than three million solid and cushion tires and thousands of bicycle and carriage tires in the early years of the company's existence. Beginning in 1898 the Goodyear organization started a line of unbroken developments in tire building which included the first practical cord tire, the pneumatic truck tire, and the company's latest product, a scientifically designed balloon tire which was placed on the market in January of this year after two years of development and road service on the Goodyear test car fleet. The widespread acceptance of this new tire has been remarkable, more than one million being sold in eighty days in all parts of the world." Mr. Kennedy declared.

WIFE OF DECEASED

According to the local Goodyear dealer it would require 54,000 freight cars composing a railroad train more than 200 miles long to transport the one hundred million tires built by Goodyear. Mr. and Mrs. W. W. Thane of the Howard community are rejoicing over the arrival of a fine girl on Wednesday August 26th. Born to Mr. and Mrs. George Babin of this city on September 1st, a fine girl. Mr. and Mrs. Byron Hayswood of this city are the proud parents of a daughter who arrived in their home on September 6th. Born to Mr. and Mrs. Florence of this city, on August 26th a daughter. Mrs. W. FOOTBALL SCHEDULE FOR THE SEASON IS ANNOUNCED

Superintendent J. Horace Bass and Coach J. O. Dodson were in attendance at a meeting of the Superintendents and Coaches of the Interscholastic Football districts last Saturday afternoon. During the afternoon at Stamford, the following schedule was set for Haskell: September 22—Stamford at Haskell. September 29—Munday, place not determined. October 7—Hamlin at Hamlin. October 14—Stamford at Stamford. October 21—Winton or Coward, place not determined. October 28—Anson at Haskell. November 4—Open day. November 11—Moran at Haskell. No games were scheduled after Nov. 11 as Haskell expects to play two district games between that date and Thanksgiving. Should Haskell be eliminated, two other games will be scheduled for the dates in November. Mr. Bass and Mr. Johnson of Stamford have been named to represent this district on the executive committee which meets at Abilene on September 24th.

HELD ON COMPLAINT OF CRIMINAL ASSAULT

Bryan Connor, operator at a local Theatre was arrested Tuesday morning on a complaint of criminal assault, which was filed by the girl's father. The complaining witness is said to be under 15 years of age. The attack is said to have been committed Monday afternoon. Connor is reported to be in jail in a nearby county awaiting an examining trial which will probably be held the last of the week. Mrs. C. H. Morrison has returned from Dallas where she visited relatives and took a short course in piano. Mr. and Mrs. Morris Gilbert and children of Seymour were last week the guests of their mother and family, Mr. and Mrs. W. J. Howell. Mr. and Mrs. A. H. Wain entertained in their home last week. Mr. and Mrs. P. A. Dutton of Ft. Worth. Mrs. Sam Worland had her first baby last Friday. Mrs. M. D. Smith of this city.

SOCIETY CLUB

The Cemetery Association Met Last Sunday with Mrs. E. B. Fields.

There are no more loyal hearts and faithful workers to be found in Haskell than the few members of the Cemetery Association who put forth so much effort to care for the City of Our Dead in Haskell. But we are so prone to forget that this faithful hand is always handicapped when they would go forward with the work that is always needed to be done for the cemetery, often they do not have funds to meet current expenses, this would not be the case if every body would pay their cemetery dues promptly every year. Please keep these ladies in mind and pay your dues, either to Mrs. Courtney Hunt or Mrs. T. J. Arbutckle. Also they will operate a booth on the square during the Haskell County Fair and every body in the county as well as in Haskell, who in any way is interested in the Haskell Cemetery, who will donate frying sized chickens will please notify Mrs. Courtney Hunt, telephone 289. Also sandwiches, candy and pies will be sold and if you will donate any of these listed things please let it be known at least a week before the fair.

The Ballard Re-Union

On last Sunday week, Mr. and Mrs. T. E. Ballard enjoyed having all of their children and grandchildren present with them for the day. The climax of the occasion for the grown-ups as well as the children was the noon hour when a feast of all of the good things to eat that the season and markets afford, drew the twenty-five immediate members of this pioneer family together around the dining room table. The one place in the large family, where the cares and individual tasks are forgotten is at the meal time. And this reunion will be remembered in the future largely for the splendid dinner served and the many incidents and the things said at the noon hour. Mr. and Mrs. Ballard have reared a large family to the years of self-reliance and accountability and they are numbered with Haskell County's best citizens. It is such families as this one, that inspired Edgar A. Guest to write his mater piece: "It Takes a Heap O' Livin' in a House to Make it Home."

There were present on the above occasion: Mr. and Mrs. J. C. Pyatt, now of Haskell; Mr. and Mrs. Curtis Ballard and children of Villa Green, Colorado; Mrs. J. O. Galloway, Kansas City, Kansas; Mr. and Mrs. T. L. Ballard and children of Ballard's Ranch; Mrs. Labry Ballard and children of Haskell; Miss Christine Ballard, Paul and Henry Ballard, Haskell and Mr. and Mrs. T. E. Ballard.

Pinkerton Reunion

On last Sunday in the home of Mr. and Mrs. J. F. Pinkerton, one mile west of the Haskell Square, all of the children with their wives and husbands gathered for the first time in about ten years, and with them were all of the five grandchildren with their husbands and wives with the exception of Mr. and Mrs. Rex DeSpain of Wichita Falls.

IT DRIVES OUT WORMS

The surest sign of worms in children is nervous, lack of interest in play, fretfulness, variable appetite, picking at the nose and sudden starting in sleep. When these symptoms appear it is time to give White's Cream Vermifuge. A few doses drives out the worms and puts the little one on the road to health again. White's Cream Vermifuge has a record of fifty years of successful use. Price 35c. Sold by Oates Drug Store.

and there were also present eight great grand children. They only had the one day to gather as some of them had to leave for their homes on Monday so a big turkey dinner with all accessories was enjoyed by this happy family and after dinner some splendid music was enjoyed, for among "the children" are accomplished musicians, on the piano, violin and voice. Mrs. Anna Pinkerton Baker has maintained her private studio where she teaches voice in Dallas, for fifteen years, and she sings regularly over the radio. Those present were, Rev. and Mrs. G. H. Morrison, Haskell; Mr. and Mrs. John Baker and daughter, Miss Anna Hor-tense of Dallas; Mr. and Mrs. Thomas Morrison and children, Dallas; Mr. and Mrs. T. A. Pinkerton, Haskell; Mr. and Mrs. J. F. Mrs. T. J. Lemmon Breaks Both Bones in Right Wrist

Last Sunday morning at the close of the 11 o'clock church service as Mrs. T. J. Lemmon was descending the steps from the Methodist Church she slipped and fell on the bottom step and broke both bones in her right wrist. The attending physician dressed Mrs. Lemmon's wrist Tuesday and stated that it was well set and would be straight when it knits back together.

Mrs. J. W. Gammell Entertains Sunday School Class

On Saturday night, a week ago, after making the third attempt, and in each instance being interrupted by rain Mrs. J. W. Gammell entertained her Sunday School Class of the Methodist church with a lawn party at the church. A good time was had by class members and a few friends as follows: Irma and Lucia Mask, Madge Hambleton, Lillian Kaigler, Ruby Spurlock, Judith English, Vivian Bernard, Eleanor Poote, Katherine Wingo, and Charles Wingo, Garvin Foote, Jeff Davis McDonald, Wayne Vaughn, Calloway and Rankin Gammill, Rev. and Mrs. Vaughn, Mrs. C. M. Kaigler and the hostess.

Mr. and Mrs. G. F. Mullino and family have moved to Haskell from Clarendon.

Order for Road Bond Election
BE IT REMEMBERED, That at an adjourned regular Session of the Commissioners' Court of Haskell County, Texas, on the 13th day of August, 1927, at the town of Haskell, at the Court House thereof, with all of the members thereof, to-wit:

Jesse G. Foster, County Judge; J. S. Abarnatha, Commissioner, Precinct No. 1; R. B. Guess, Commissioner, Precinct No. 2; T. C. Gordon, Commissioner, Precinct No. 3; L. C. Phillips, Commissioner, Precinct No. 4, being present, and among other matters coming before said Court, was the following:

THAT WHEREAS, an election has been called by said Court, to be held on the 17th day of September, A. D. 1927, for the purpose of determining if the qualified voters of this county desire to tax themselves in order to build hard surface roads, and to bond themselves in the sum of \$1,000,000.00, for said purpose, and for a better description of said election and the purpose of the same, reference is here made to the order calling said election.

Proposition No. 1: BONDS
 NOW THEREFORE, Be It Known, that the Commissioners' Court of Haskell County, Texas, hereby propose and agree to carry out the following program as set out in the Propositions as hereinafter enumerated, in the event that the people of Haskell County, Texas, do see fit to vote said bonds as above stated:

The Commissioners' Court hereby agrees not to sell said bonds or any of them, until after the election. It is further agreed that no bonds are to be sold until said Haskell County shall have received assurance of a sufficient allotment from the State and Federal Highway Departments, that all of the said designated highways in this County shall be completed as hereinafter defined and, then, only sell bonds as the money is called for by the State Highway Department, and is matched in sufficient funds by the said State Highway Department, to insure as above stated that all roads will be completed as hereinafter named and defined: In case Haskell County receives said assurance of a sufficient allotment by said State and Federal Highway De-

partments to complete said roads, the same shall hereinafter be named and defined, and in the manner as hereinafter set out, then sufficient bonds shall be sold to start immediate work on the lateral programs of Roads in Precincts No. Two, Three, and Four, the amounts to be sold and allotted to said Precincts to be the approximate amounts as shown and stated in the order calling said Bond Election, to be determined accurately by the taxable values of said precincts as shown by the 1927 rolls.

Proposition No. 2: ROADS

The Highways to be built shall be the following named State and Federal Designated Highways:

Highway No. 30, starting at the North Boundary line of Haskell County, and passing through the town of Weinert and Haskell and continuing on to the South Boundary line of said Haskell County.

Highway No. 120, starting at the East Boundary line of Haskell County and passing through the towns of Haskell and Rule, and continuing on to the West Boundary line of said County.

Highway No. 18, starting at the south Boundary line of Haskell County, and going in a northwesterly direction, passing through the town of Sagerton, and continuing on to the West Boundary line of said County.

Highway No. 51, starting at the north Boundary line of Haskell County, and passing through the towns of O'Brien, Rochester, Rule, Sagerton, and continuing on to the South Boundary line of said County.

It is distinctly understood and agreed that the exact locations of all of said

roads shall be determined and approved by the State and State Engineers of the Highway Department, but the Commissioners' Court of this County hereby agrees to use its influence as far as possible to have the present location of Highway 51, as it now passes through the town of Rochester, retained.

Proposition No. 3: TYPE OF ROADS

It is understood and agreed that one of three types of roads is to be built and constructed, that is, that one of three types of hard surface roads, is to be constructed, and that all of said four highways are to be the same type of road. The three types of road to be considered are, the brick paved road, the concrete road and the crushed rock with asphalt topping or other similar topping, an example of which is the Palo Pinto County roads. The State Highway Department is to be asked to approximate the cost of the three different types of roads, and if there is assured enough finances to build all four roads with brick, then same shall be used, but if not enough money to build with brick, then one of the other two types of road shall be constructed, and all four roads are to be constructed of the same material, and similar in nature. But it is understood that in the event there is not enough money to build all four of said roads as heretofore defined and in the manner of construction as herein stated, then no bonds are to be sold, and none of said roads are to be built, but that the said bonds are to be cancelled. If there is more than sufficient bonds to complete said program of roads and set aside as stated in the order for the election, the money for the lateral roads, then all bonds so remaining on hand after said completion of said program, shall be cancelled and held for naught.

Dated this the 13th day of August, A. D., 1927.

Our Predictions Have Come True

In the Free Press of September 8th, we warned the voters of Haskell County to beware of false and misleading statements that might be circulated by the opposition to good roads in Haskell County.

These "Last Minute Misrepresentations" are now being circulated in the form of a circular headed "Don't Be Deceived," Every statement contained therein is false and misleading. From the gross misrepresentations that have been circulated throughout the county it is evident that the opposition to the Road Bond Issue believes that there is enough ignorance in Haskell County to defeat the Road Bonds. The Anti-Road Bond Committee knows these statements are not true and are reflecting upon the intelligence of the Citizens of Haskell County in trying to make the voters believe them.

They know that under the pre-election court order that we can never sell these bonds if we do not get State and Federal Aid. This being true, why worry about not getting State and Federal Aid? We have never claimed that the State and Federal Governments will pay one dime of the 1 1/2 million dollars, but we do state that if we ever sell these bonds that the State and Federal Governments will match our money with approximately \$2,040,323.

As To Tax Rate

Bond Issue	\$1,500,000
Total Interest for 40 years	1,500,000
Total cost to county including Prin. & Int.	\$3,000,000
Average amount to be paid per year for 40 years	is 1-40 of \$3,000,000 or \$75,000.
Present total value of County, approximately	\$10,000,000.
Rate necessary to produce \$75,000 per year on \$10,000,000	will be 7/100 or .7% valuation.
This rate will decrease as our value increases.	

Who Will Pay This Indebtedness?

42 per cent of the total value of the county is property other than land.

40 per cent of total taxes of county is paid by non-residents.

These facts brand as false the statement that the farmer is paying for these roads. The opposition is appealing to class hatred or prejudice in this campaign.

Don't Be Misled at the Last Minute

Every statement made by the "Good" Road Bond Committee in "Facts Concerning Road Bonds" is true and cannot be disproved.

Sensational Advance Seat Sale to "Countess Maritza" at State Fair of Texas, Oct. 8-23

Roy Rupard, secretary of the State Fair of Texas, says that never before have there been so many advance applications for reserved seat tickets to an attraction in the Auditorium as have already come in for "Countess Maritza," which is the name of the Broadway comedy musical show "adapted" to be presented at the Auditorium during the State Fair period, Oct. 8 to 23.

"The great majority of these applications are from out of the city and a surprising number are coming from the smaller cities and towns," says Mr. Rupard. "It seems to have become known that 'Countess Maritza' is the kind of a show that will please everybody, because it is full of good, lively music, beautiful melodies, song hits, plenty of comedy all through it, lots of good dancing and all that goes to make up a bright, keen entertainment.

"And, furthermore, it is becoming known that the company that will play 'Countess Maritza' here is the very same, absolutely, that played it for the many months of its long run in New York—the same talented prima donna, the same handsome leading man, the same fiery gypsy girl, the same four comedians, the same clever dancers and the complete

Hungarian Gypsy orchestra. There are eighty people in the show, counting the orchestra, and every one that played in New York will be seen in Dallas."

Clean heat

No black kettles to scour!

How much pleasanter cooking is, when there are no black pots and pans to scour afterward! Every woman who cooks with a Perfection Oil Stove is spared that horrid nuisance.

There is never a speck of soot. For in the long chimneys, every drop of oil is completely burned before the heat reaches the cooking.

Soot, as you know, is half-burned hydrocarbons—just wasted heat. With Perfection you have real fuel economy, for all the oil is changed into cooking heat. They burn only hydrocarbons, the safe household fuel.

FIVE DESSERTS FROM OLD NEW ENGLAND

(Editor's Note: This is one of a series of unusual cooking articles running exclusively in this paper.)

Sweets belong in the daily food quota. And what more logical than that they be served as desserts? Almost every lunch and dinner is better when topped off with dessert. But never serve a heavy, rich dessert with a hearty meal. Light, easily digested desserts—fluffs or custards—are the rightful accompaniments of such meals.

Miss Lucy G. Allen, principal of the Boston School of Cookery, and author of several cook-books, gives tested recipes for five pleasing desserts.

Pineapple Fluff

To one-half cup of juice from canned pineapple add one well-beaten egg, one dessert spoon of sugar mixed with one-half teaspoon of cornstarch. Cook till thick in a double boiler, or in a saucepan over hot water, stirring constantly.

When thickened, remove from stove and add one cupful of pineapple cubes cut from slices of canned pineapple. When cool enough, fold in gently one-third cup of heavy cream beaten stiff with an egg-beater and flavored with one-eighth teaspoon of vanilla. Place in sherbet glasses or in a large glass dish, if preferred, and chill. This amount will serve six persons.

For a Lighter Meal

Baked pudding makes a filling addition to light salad-and-soup meals.

Mix six tablespoonfuls of corn meal with three tablespoonfuls of flour and dilute with one-half cup of milk. Add this to one pint of scalded milk and cook until thickened. In a bowl break one egg and beat slightly, add one-half cup of sugar and one-third cup of molasses, one-half teaspoon of salt and one cup of cold milk.

Add this mixture to the hot mixture, add another cup of cold milk, and pour into pudding dish. Dot over with tiny lumps of butter and bake in a slow oven for three hours or more. Sweet apples or pears sliced and added last, using two or three of either, make a pleasing addition. Serve with cream or with butter.

Creamer Plum Pudding

Beat about an hour on the mixer, instead of pudding, in creamer—stiff.

Put into the eight cooking creamer add five cups of milk, one-fourth teaspoon of salt, two-thirds cup of sugar and four eggs slightly beaten. Add three-fourths cup of molasses, flavor with a few drops of almond.

Place in buttered pudding dish; cover the top another two tablespoonfuls of butter in small pieces, and bake in a moderate oven about two hours, serve with or without sauce.

TO TELEPHONE PATRONS

Let us have your order for a telephone so that your name will appear in the new directory, do not list after September 23.

Delightful Bread Making

No one will ever object to eating delicious bread, pudding. It is the touchstone of the spot when your teeth are itching. And, better, from the cook's point of view, than any stale bread.

Soak one pint of milk, add one cup of stale bread crumbs which have been rubbed through a sieve, and set aside to cool slightly. Beat one egg slightly, add one-third cup of sugar, one-eighth teaspoon of salt and add to scalded milk.

Melt over hot water one square (one ounce) of cooking chocolate, stir to a smooth paste with three tablespoonfuls of boiling water and add to mixture.

Four into a buttered pudding dish, set dish in a pan of hot water and bake in a moderate oven. It will take about one hour. Serve with either cream or a hard sauce.

Apple Pan Dowdy

Inexpensive and quickly made. These are two of the virtues of old-fashioned apple pan dowdy. Pare five or six large apples, cut in eighths and put into an aluminum saucepan. Add three tablespoonfuls water, one quarter cup of sugar, one teaspoonful grated nutmeg, or one-half teaspoonful cinnamon if preferred.

Cover and cook about five minutes. Mix thoroughly a cup bread flour, three tablespoonfuls baking powder and one-half teaspoonful salt. Cut in with knife two tablespoonfuls butter, then add one-half cup of milk, stirring with knife.

Handle as little as possible and spread the dough over the apples. Cover closely, place on an asbestos mat over the flame and cook until done without lifting cover, for about one-half hour. Invert pudding upon serving dish, garnish with sugar and cream or the following sauce:

Foamy Sauce: Beat very stiff the white of one egg and then beat in 1/2 cup of powdered sugar; transfer egg beater to yolk of one egg and beat very stiff, add light cream, then beat in 1/2 cup of sugar. Cut out and fold into mixture, beat in two tablespoonfuls cream or top milk and serve with vanilla.

All of these desserts are simple and quickly made, according to Miss Allen's tested recipes.

NOTICE OF BOND ELECTION
The State of Texas,
County of Haskell.

In the Commissioners Court of Haskell County, Texas.
On this the 9th day of August, A. D. 1927, the Commissioners' Court of Haskell County, Texas, convened in regular session, at the regular meeting place thereof in the Courthouse at Haskell, Texas, all members of the Court, to-wit:

Jesse G. Foster, County Judge; J. S. Abarnatha, Commissioner of Prec. No. 1; R. B. Guess, Commissioner of Prec. No. 2; T. C. Gordon, Commissioner of Prec. No. 3; L. C. Phillips, Commissioner of Prec. No. 4; being present, and among other proceedings had by said court was the following:

There came on to be heard and considered the petition of Jas. F. Cadenhead and 552 other persons, praying that an election be ordered in said Haskell County, for the purpose of determining the following proposition:

Whether or not the bonds of said County shall be issued in the sum of One Million Five Hundred Thousand (\$1,500,000.00) Dollars, for the purpose of the purchase of district roads and the further construction, maintenance and operation of macadamized, gravelled or paved roads and turnpikes, or in aid thereof, throughout such County, and whether or not an ad valorem tax shall be levied upon the property of said County, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity; and

It appearing to the Court that said petition is signed by two hundred and fifty resident property taxpaying voters of said Haskell County; and

It further appearing to the Court that the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Haskell County, and

It further appearing to the Court that the following road district in Haskell County, Texas, has heretofore issued road bonds under the provisions of Chapter 2, Title 18, Revised Civil Statutes of Texas, 1911, as follows:

Road District No. 1; Bonds originally issued to the amount of One Hundred and Fifty Thousand (\$150,000.00) Dollars, dated the 1st day of November, A. D. 1918, numbered consecutively from one (1) to one hundred and fifty (150), inclusive; of the denomination of (\$1,000.00) each, aggregating the sum of \$150,000.00 due and payable serially as follows, to-wit: \$5,000.00 on the 1st day of March A. D. 1920, and \$5,000.00 on the 1st day of March, of each and every year thereafter up to and including the year 1943, and \$6,000.00 on the 1st day of March during the years 1944 to 1948 both inclusive; and bearing interest at the rate of five (5) per centum per annum, interest payable semi-annually; of which amount of said issue of bonds there is now outstanding and unpaid bonds numbered 41 to 150, both inclusive, of the denomination of \$1,000.00 aggregating the sum of One Hundred and ten Thousand (\$110,000.00) Dollars. It is therefore considered and ordered by the court that an election be held in said Haskell County on the 17th day of Sept. A. D. 1927 which is not less than thirty days from the date of this order, at which election the following propositions shall be submitted:

Whether or not the bonds of Haskell County, Texas shall be issued by the Commissioners' Court of said County in the sum of One Million Five Hundred Thousand (\$1,500,000.00) Dollars, for

the purpose of the purchase of district roads and the further construction, maintenance and operation of macadamized, gravelled or paved roads and turnpikes, or in aid thereof, throughout such County, as follows:

FIRST: Bonds aggregating the sum of One Hundred and Ten Thousand (\$110,000.00) Dollars, to be issued for the purpose of the purchase of district roads in said County, and which bonds shall have the same rates of maturity, bear the same rate of interest, and have similar options of payment as the bonds heretofore issued and now outstanding against Road District No. 1 of Haskell County, Texas; and

SECOND: Bonds aggregating the sum of One Million Three Hundred and Ninety Thousand (\$1,390,000.00), Dollars, to be issued for the purpose of the further construction, maintenance and operation of macadamized, gravelled or paved roads and turnpikes, or in aid thereof, throughout such County, and maturing at such times as may be fixed by the Commissioners' Court of said County, serially or otherwise, not to exceed forty years from the date of said bonds, and bear not more than five per cent interest per annum, and

THIRD: Out of the said sum of \$1,390,000.00, the Commissioners' Court of Haskell County, Texas, hereby propose and agree to set aside for the purpose of building lateral roads, the approximate amounts to the following three precincts, as hereinafter set out, the said amounts to be computed accurately according to the taxable values of said precincts as shown by the tax rolls for the year of 1927:

Commissioners' Precinct No. 3 the sum of \$73,000.00; Commissioners' Precinct No. 2, the sum of \$60,000.00; Commissioners' Precinct No. 4, the sum of \$57,000.00.

And, whether or not an ad valorem tax shall be levied upon the property of said County, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity.

The said election shall be held under the provisions of Chapter 3, Title 22, Revised Civil Statutes of Texas 1925.

All persons who are legally qualified voters of this State and of this County, and who are resident property taxpayers in this County, shall be entitled to vote at said election, and all voters desiring to support the proposition to issue the bonds shall have written or printed on their ballots the words:

"For the issuance of bonds and the levying of the tax in payment thereof."

And those opposed to the proposition to issue the bonds shall have written or printed on their ballots the words:

"Against the issuance of bonds and the levying of the tax in payment thereof."

The polling places and presiding officers of said election shall be, respectively as follows:

At the regular voting places in said County, to-wit: In the District Court room of the Courthouse, in the City of Haskell in voting Precinct No. 1, with O. E. Patterson, as presiding officer.

Clyde Gordon, Commissioner of Precinct No. 3.

L. C. Phillips, Commissioner of Precinct No. 4.

To the Voters of Haskell County:

Replying to Circular letter sent through the mails, by unknown parties, styled, Facts (not fiction) concerning Road Bonds in Haskell County, of which we deny in part because of its misrepresenting, and which has for its purpose to mislead the people. We do not believe the Federal Government has promised Haskell County one dime Federal Aid on roads. As proof to this assertion, we refer you to the following letters signed by Mr. Loeh and Mr. Cone Johnson.

Signed,
ANTI-ROAD BOND COMMITTEE
August 20, 1927.

Mr. S. A. Hughes,
Haskell, Texas.
Dear Sir:
Your letter of Aug. 17, 1927 regarding State Highway 20 is received.
Beg to advise you that except for the preliminary designation of this highway, through Haskell County, we have had no arrangement with the Highway Commission regarding improvement of the road.
As to work contemplated by the Texas Highway Commission I would suggest that you write the Commission direct.
Yours very truly,
Signed: A. E. LOEH,
District Engineer.
July 12, 1927.

Mr. S. A. Hughes,
Haskell, Texas.
Dear Sir:
Replying to your letter of June 28, I beg leave to say that no agreement has been entered into with the Bureau of Public Roads in regard to Federal Aid on Haskell County roads, as the matter has not arisen yet. The Federal Bureau will extend aid, not to exceed fifty percent, on such projects as its Federal System of it may approve.
Yours very truly,
Signed: GORDON GREGG,
District Engineer.

election, and in addition thereto, there shall be posted other copies of this order at three public places in the County one of which shall be at the Courthouse door, for three weeks prior to the date fixed for said election.

Just Tottering, So Weak

"I was in a bad state of health and was going through a critical time of my life," says Mrs. Ella Scarborough, R. F. D. 5, Dothan, Ala. "Several different things were recommended to me, but I did not get any real relief until I began to take Cardui."

"I was just as weak as could be. My legs were shaky, and often I would just totter around the house. I finally got so bad that I was in bed several weeks."

"It was then that I began to take Cardui. I kept it up for quite a while, and at last I regained my health. Cardui was certainly a friend to me in time of need."

"My health is splendid now, and I seldom have to use medicine, but I gladly say a word about Cardui whenever I find a friend going through the same suffering which I endured."

Money to Loan on Farms and Ranches

By the Bankers Life Company at 6% per cent interest, interest payable once a year. Loans are made for ten years, and give you the privilege of paying as much as one fifth of the principal at the end of any year, and you can pay the loan during the first five years if you desire. You assume only one third of the interest and recording fees. You get all the money you borrow. If you want a new loan or renew an old loan, it will pay you to see or write me. I know the loan business, and can please you and save you money.

THE NEW STORE WITH THE NEW GOODS

Miss Mace Entertained
The beautiful new country home of Mrs. S. A. Mace on the 7th evening, their daughter was entertained with a lovely party. A green rug was spread beneath the trees and with brilliant lights above, made an ideal setting for a most of door party. Various games were played and the hostess served punch and cake to Lou Ella Wood, Virginia Sills, Gertrude Ross, Ruby and Dudley, Gladys and Beatrice and Bates Thornton, Marvin and Stoker, Wallace Sanders, and Miss Rose.

Miss Weaver Has Party at Home
Mrs. S. A. Mace and Mrs. Maloy on the 7th evening in the home of Mrs. Maloy, Miss Clara

Weaver entertained on the lawn for a number of her friends. Lights and seats were conveniently arranged and the usual out of door sports enjoyed. Before leaving the guests were served ice cream and cake by the hostess; they were: Misses Pauline Walthall, Eastland; Lou Ella Woodson, Elsie Bradley, G. W. Reynolds, Selda Maples, Vivian Bernard, Lena Bell Kemp, and Wallace Sanders, Merton L. McDonald, Grady Murchison, Bates Thornton, Mark Walthall, Eastland; Cecil Leflar, Vernon Stoker, Barton Welsh and Rogers Gilstrap.

Missionary Society of Christian Church
The Missionary Society of the Christian Church met last Monday afternoon in the home of Mrs. W. W. Fields, who was assisted in entertaining the society by Mrs. Elam Parish. The director of

the program was Mrs. T. A. Pinkerton and she led a very spiritual devotional using the theme "Who Is My Neighbor?" Mrs. Henry Smith discussed, "The World My Neighborhood," "Our National Life and Missionary Message," Mrs. D. L. Cummins; vocal solo, "Some One Must Tell Them Who Knows," Mrs. Wayne Koonce; Intercessory Period, Mrs. G. R. Forrester; Round table discussion, Forceful thought proves interdependence of countries. Misses Evelyn Pope and Louise Katler Taking Course in Dallas
An extraordinary course in Beauty Parlor work was offered all who would avail themselves of the opportunity in a school being conducted in Dallas for a fortnight, and Misses Evelyn Pope and Louise Katler of the Hunt Beauty Parlor, left Sunday for Dallas. They will take lessons in permanent and marcel waving but will specialize in all of the new hair cuts for ladies; facials, and treatment for the skin and scalp. Miss Pope is already a graduate artist and when these young ladies return, they will be prepared to give all of the latest waves and hair cuts.

Mrs. Joe Hendrix Club Hostess
On last Tuesday afternoon Mrs. Joe Hendrix entertained the Tuesday Bridge Club in the home of Mrs. Virgil Hudson. At the conclusion of the games for the afternoon the hostess served peach ice cream and chocolate cake to Mesdames Dave Earnest and Marlin Wilson of Rule, Miss Edwina Smith of Houston and Mesdames J. F. Payne, Hill Oates, Wayne Koonce, Wallace Cox and R. E. Hall.

CARD OF THANKS
To our tried and true friends, many of them life time friends, we wish to express our sincere thanks, for the many kindnesses shown our dear mother not only during her recent illness and death, but all through the years that she has suffered here in your midst. We also thank you for the beautiful floral offering. With hearts full of love and gratitude, we are
Very sincerely yours,
Mr. and Mrs. W. H. Patterson and family.
Mr. and Mrs. Sam Donohoo and family.
Mr. and Mrs. W. P. Brown.

North Ward P. T. A.
The first meeting of the North Ward and High School P. T. A. will be held in the school building on Thursday afternoon Sept. 22nd at 3:30 o'clock. A good program is being arranged and we urge that all members be present. If you have not belonged to our association before, we extend to you a cordial invitation to become a member. This organization is for both fathers and mothers or anyone who is interested in the development of child life and

our schools.
The following from our hand book gives a splendid idea of what the P. T. A. really stands for:
"To promote child welfare in home, school, church and community, to raise the standards of home, to secure more adequate laws for the care and protection of women and children."
"To bring into closer relation the home and the school, that parents and teachers may co-operate more intelligently in the training of the child, and

to develop between education and the general public such united efforts as will secure for every child the highest advantage in physical, mental, moral and spiritual education."

Mr. Clyde Grison is in Court this week in court and was accompanied by Mrs. Grison.
Mrs. Laura Ingram of Abilene is the guest of Mrs. Marshall Pierson and Mrs. Jim Gilstrap.

What this world's record means to you

In April, 1927, Goodyear finished the 100,000,000th Goodyear pneumatic motor vehicle tire

When we offer you a Goodyear Tire we offer you the benefits of world-record production.

Your money buys more because the Goodyear tire is the product of an organization that does things in a big way. For example, Goodyear uses nearly one-seventh of all the crude rubber produced annually—almost 50 percent more than any other manufacturer! Good year uses 100,000 bales of cotton yearly, operates its own cotton plantation, textile mills, rubber plantations, coal mines, factories and branches.

You get all the benefits of this efficient, economical production when you buy a Goodyear Tire.

We're Goodyear right here in Your Neighborhood.

When you buy a Goodyear Tire from us you make a direct and close association with the Goodyear organization. As Goodyear's accredited representative in this district we are pledged to do everything possible to see that the Goodyear Tires on your car give you satisfactory service—long, economical mileage. We offer the free service of application, inspection, inflation, and maintenance for any sign of unusual wear. All you have to do is drive around at regular intervals.

QUALITY AT LOW COST

Harry A. Oimsted, President of the State Fair of Texas, is one of Dallas' prominent business men and is well known throughout the state, particularly among the newspaper fraternity. He has been on the board of directors of the fair for many years and has served several terms as president in the past, always with success. He is responsible for many of the new ideas introduced this year. Like all of the other directors of the State Fair, he serves without pay.

Roy Rupard, the new Secretary of the State Fair of Texas, has been connected with that institution for about 13 years. He began his work in a minor position in the office and has worked his way to the top, now having the distinction of being the secretary of the largest State Fair in the United States. Mr. Rupard is a man of pleasing personality, keen knowledge of what the public wants to see at a great State Fair and ability to procure it.

There has just an interesting bag of callers as there are in the world. Perhaps if we were to have an opportunity to put our stamp up against the champions of the state in the effort east we would win hands down. Trouble is we don't know just who is the champion of Texas. That difficulty will disappear, however, because a hog-calling contest is "on the slate" of the State Fair of Texas this fall. Besides the money prize for the winners, there will be a gold medal for the champion. Applications to enter this contest, which will be the first to be held in Texas, are coming in already and, strange to say, the very first entry was a "city fellow." Bob Paul, one of the assistant managers of the Adolphus Hotel at Dallas, has been nationally proud of the fact that he was brought up on a farm in Milam County, where, as he says in his application, "the hogs roamed about in perfect freedom and had to be called at feeding time." Paul says he may need to "rehearse" a little, but that by the time the fair opens he will be in shape to offer competition to any and all comers from the state of Texas. The "points" which the judges will take into consideration in determining the winner will be: individuality, expression of caller, volume, distance, tone, persistency and effectiveness. Key blanks and prize list for this contest may be had by addressing Roy Rupard, Secretary of the State Fair of Texas, Dallas, Texas.

WALTER BURTON SAYS
Walter Burton, known to every poultry man in America as the author of the "Poultry Department" of the State Fair of Texas, has a message for his Texas friends. He asks us to say this:
"Copy this word for it, the State Fair this fall will be so much better in every way than ever before than I am using you, with all the earnestness that I can command, to begin right now to get your birds in condition for the greatest poultry show you ever saw!
No matter what your past experience has been, be sure to show this fall. If you have been winning, don't be content to rest upon your laurels. A win this fall will mean more than ever before.
If you have not been entirely successful, try again next October. Begin to look your flock over at once. Pick out the likeliest birds and get them in shape. You may win a higher prize than last year.
And if you never have shown, don't miss this chance. Get into the game when it will mean the most to you."

Let us have your order for a telephone so that your name will appear in the new directory. Cannot list after September 22.

Miss Mary Nell Wilson, daughter of Mr. and Mrs. John Wilson, has finished her course in telegraphy at Tyler and now has the office in charge at Tahlequah, Oklahoma.
Howard Wilson, son of Postmaster and Mrs. John Wilson, has returned from a visit to relatives in Mankin.
Misses Annie Beth Thomason and Virginia Sills were guests last week end of Misses Ruth and Oleta Stanley of Stamford.

Lindbergh
the Leader

In his historic flight from New York to Paris, Col. Lindbergh led the way. He showed it could be done.
His great achievement added another to the long list of leading aerial accomplishments in which Gargoyle Mobiloil has been depended upon to provide unfailing lubrication for the engines. These include the flight of the Army fliers from San Francisco to Hawaii, Byrd North Pole Flight, the Dawn to Dusk Flight, and the Army Round the World Flight.
This same Gargoyle Mobiloil is available here for the unfailing lubrication of your car. Let the same engineering skill that specified "stock" Mobiloil for these great achievements help you get the utmost economy and efficiency from your motor.

All services next Sunday will be at the usual hours.
Bible School 10 a. m.
Communion and Preaching Services 11 a. m.
Preaching Services 8:00 p. m.
Both services were well attended last Sunday. The pastor preached at the 11 o'clock hour on the subject "A Model Christian" and at the 8 o'clock hour on the subject "The Power of the Gospel."
The Bible School is gathering inspiration and momentum as it moves on toward promotion day, which will be Sunday September 25th. The superintendents of the various departments earnestly urge that the fathers and mothers of the children see that they are present next Sunday, see that they may prepare for the promotion day program and be assigned their work for the new quarter.
Everybody is cordially invited to attend our Bible School and Communion and Preaching services. Come and we will make you feel at home.

Mr. and Mrs. A. H. Wair Introduce Mrs. J. D. Hughes To Haskell Society
Mr. and Mrs. A. H. Wair entertained at their home last Thursday evening with nine tables of "84" with a prime motive of introducing Mrs. J. D. Hughes, one of Haskell's latest brides to Haskell Society. Mrs. Wair met the guests at the door and introduced them to Mr. and Mrs. J. D. Hughes and then they found their places at the tables, either in the reception suite, on the porch or on the lawn. Bowls and vases and poarch and lawn baskets were filled gracefully with roses and astors and at the close of a delightful evening Mrs. Wair was assisted by Mrs. J. G. Compression

That higher compression POWER you paid for in your new car demands a Gasoline designed for it—

MANY cars of 1926-7, and still more cars of 1927-8, simply cannot give you their best results on old-style gasolines.

Power, pick-up and hill-work are at once improved. Open road time from point-to-point is cut down.

One hundred percent vapor at the spark!—that is how Texaco, the new and better Gasoline, feeds—and its dryness gives even the oldest cars appreciably better performance. Unsuitable gasolines form a wet gas—a mixture of vapor with drops of liquid gasoline which choke the power.

Compression ratios are higher and piston speeds are different. A different gasoline with a different way of acting is required if you are to get the maximum results in ease and mastery in the new set of traffic conditions that you face.

To get these results, fill up with the new Texaco Gasoline which is designed to meet these new conditions.

Fill up with Texaco, the Gasoline that forms a dry gas. Buy it wherever you are, at the sign of the Texaco Red Star and Green T.
