## Allied Planes Score Hits On Two Japanese Vessels

### Bomber Attacks Third Craft In Raid Off Rabaul

ALLIED HEADQUARTERS IN AUSTRALIA—(AP)—Allied bombers, continuing their incessant attacks on Japanese positions above Australia, scored hits on two ships off Northwest New Guinea Saturday, and attacked a third vessel which was moving under a small naval escort toward Rabaul, New Britain.

These successes were announced in the noon communique, while other reports indicated there might have been a second submarine in Lae Harbor Friday when Allied bombers destroyed one U-boat there. There was no report, however, that this second submarine was struck. The submarine that was sunk was of large size, with barges clustered about it to take its cargo ashore.

**Kaimama Attacked**

In Saturday's actions, a B-25 Mitchell bomber scored a direct hit on a 10,000-ton merchantman about 25 miles east of Cape Vandenberg in Dutch New Guinea, and followed it up with a vicious strafing attack.

Australian-manned Hudsons attacked nearby Kaimama from low altitude, starting a fire on the deck of a merchantman of undisclosed size.

A Liberator on reconnaissance found a small group of vessels moving off the Gazelle Peninsula toward Rabaul, picked out a 6,000-ton ship and attacked it, but the results were not observed.

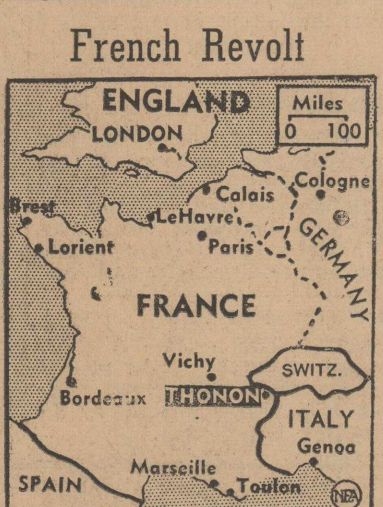

Madang, facing Astrolabe Bay on the north coast of New Guinea, above Lae, was visited by a heavy bomber which attacked Japanese installations on nearby Bellia Island.

**Amboina Bombed**

Below there at Finschafen, New Guinea, on the Huon Peninsula 60 miles from Lae, fires were started among buildings by heavy bombers.

After dusk Saturday, heavy Allied bombers roared over the town of Amboina on the island of Ambonia some 600 miles north of Darwin, Australia, dropping 500-pound bombs and incendiaries but clouds prevented observation of results.

Southeast of Amboina in the Kai Islands, Allied planes swept in two waves over Langer which has been receiving increasing attention from Gen. Douglas MacArthur's air arm. The medium bombers scored direct hits, then strafed the village of Faan on their way back to base.

French patriots with parachuted delivered aid from Britain are staging an armed revolt against the Nazis in the Alps near Thonon, but many are surrendering because of lack of food and arms.

## Many French Patriots Quit

AT THE FRENCH FRONTIER IN SWITZERLAND—(AP)—Lack of food, arms and adequate leadership have driven a number of French patriots down from the hills of the Haute Savoie region where they took refuge in an effort to escape the Nazi forced labor program, but reports received Saturday night that a substantial portion of them had succeeded in reaching organized insurgent bands which were said to be waiting an opportune moment to strike.

Reports continued to conflict. One placed the number of organized insurgents who were reported adequately supplied with food and ammunition as high as 7,000. Another said the chief center of resistance was not Haute Savoie, but the wider region of Aveyron. However, this could not be confirmed.

## Prime Minister To Speak Sunday

LONDON—(AP)—Prime Minister Winston Churchill will speak to his nation and the world at 9 p. m. (3 p. m. CWT) Sunday night in an address expected to outline Allied prospects in the coming year, and which may contain hints of the promised invasion of Europe.

His radio address, to be delivered at the beginning of the usual mid-evening news program that has millions of British listeners every night, will be beamed to the United States and all the Allied nations.

Churchill is expected to speak for nearly an hour. The broadcast time allows 75 minutes for the speech and news comment following.

## Cadet Killed As Two Training Planes Hit

TUCSON, ARIZ.—(AP)—Two training planes collided while circling Mesa Field before coming in to land late Friday night resulting in the death of one aviation cadet and slight injury to another, the public relations office announced Saturday.

## War Bulletins

**LONDON—(AP)—Speedy Mosquito bombers of the RAF attacked railway targets at Louvain and other points in Belgium at dusk Saturday evening, the Air Ministry reported Saturday.**

**LONDON—(AP)—Russian troops killed 800 Germans and demolished 15 tanks Saturday in the Chuguev area, Moscow announced in a communique indicating that the Soviet Donets line was holding firm.**

**LONDON—(AP)—The Berlin radio Saturday made a wholly unconfirmed claim of victory in the battle of the Atlantic with the complete destruction of a Britain-bound convoy of 32 ships totaling 204,000 tons and a destroyer. Almost invariably, German claims of naval successes have proved to be grossly exaggerated.**

## Nine Killed In Bus-Train Crash

GRANITE CITY, ILL.—(AP)—Nine persons were killed and 16 were injured Saturday in a bus-train collision.

An intercity bus almost had cleared the last rail of a grade crossing at the moment a fast Illinois terminal electric train sent it whirling top-like, smashed its front on the rebound and ramed its shattered chassis between two rows of telephone poles.

All the dead and 14 of the injured were on the bus. Two train passengers were injured slightly, although the three-car interurban remained on the tracks and continued its run after a slight delay.

Fragmentary descriptions brought forth the scene's horror, with bodies and wreckage strewn for 100 feet.

## Midland Bombardier Officers Transferred

Seven staff bombardier officers of the Midland AAF Bombardier School have been transferred to other stations, it was announced Saturday.

They are: Second Lieuts. Albert J. Simone, Carl E. Cooper, and Harry L. Metzger; First Lieut. Albert N. Elmer and Second Lieuts. Charles R. Vickery, Glenn F. Perry, and Carl C. Lee.

**WEATHER**  
WEST TEXAS: Little temperature change.

## Americans Prisoners Of Germans

This photo just received in New York by Clipper from London and obtained through neutral sources is one of the first purporting to show American troops taken prisoner by the Germans in Tunisia and being marched off to an Axis prison camp. (Passed by U. S. mail censor in New York. NEA Telephoto.)

## Club Show Will Open Tuesday

About 100 club youths will show citizens of the Midland area the results of several months of labors when they place their club animals on exhibit in the Midland Livestock Show here Tuesday. The show, open to the public, will be held Tuesday and Wednesday in the Elder warehouse in the 300 block of South Baird Street.

A Midland County show will be held Tuesday morning, with entries restricted to boys of the county.

Club calves, lambs and pigs will be shown in the four-county classification show, scheduled to open at 9 a. m. Tuesday. Champions in each division will be selected and prizes of war stamps and ribbons will be awarded.

## Kiska Again Heavily Hit

WASHINGTON—(AP)—Army bombers of the Aleutians command, allowing the Japanese garrison on Kiska no peace, blasted the enemy base there with explosives twice on Thursday, the Navy reported Saturday.

These raids, the 18th and 19th made on Kiska this month, were carried out by Liberator heavy and Mitchell medium bombers protected by Lightning fighter escorts. All the aircraft returned. Results were not observed.

The communique also reported that in the South Pacific a force of Wildcat fighters strafed Japanese positions at Munda on New Georgia Island in the Central Solomons Saturday (Solomons time) and all planes returned.

There was no mention of enemy resistance to the American aerial assaults in either the North or South Pacific.

## 48-Hour Week Is Recommended For Steel Industry

WASHINGTON—(AP)—The steel industry is urged to accept a 48-hour week to provide the manpower for increased productive facilities, and to compensate the loss of workers to the armed services.

In addition to Murray, the committee is composed of six officials of the United Steel Workers of America, CIO organization.

It was appointed early this week to work with the WPB steel division, and the industry in a move to obtain maximum production of steel for war purposes.

**Discussions Planned**

The average work week in the steel industry during December was 41 1/2 hours, WPB said. Allowing for injuries and other unavoidable occurrences, a 48-hour industry-wide work week would mean actual operations averaging about 46 1/2 hours, it was said.

Under the wage and hour laws, all overtime beyond 40 hours a week would carry a time and a half pay rate.

The committee's recommendation will be discussed with H. G. Batchelder, director of the WPB steel division.

## Fire And Smoke Damage Agnes Cafe

Agnes Cafe, 118 West Wall Street, was damaged by fire and smoke at 4:30 a. m. Saturday. The blaze apparently started from the flu, and spread into the ceiling over the kitchen.

Firemen quickly extinguished the flames and held the use of water to a minimum, but smoke damage resulted in the restaurant and in offices on the second floor of the Butler Building.

Repairs will be made promptly and the cafe will be open for business again Monday or Tuesday, Agnes Fitzsimmons, proprietor, said.

No estimate of the amount of damage was available.

## Illinois Candidate For President Dies

TUCSON, Ariz.—(AP)—Death came Saturday to Frank O. Lowden, son of a blacksmith-farmer, who rose to the governorship of Illinois during the first world war and twice was a candidate for the Republican presidential nomination.

He was 82 years old. Already feeble and in ill health, he was stricken with pneumonia two weeks ago.

## American Parachute Troops Led Air-Borne Units In North Africa Conquest, British Air Ministry Reports

LONDON—(AP)—American parachute troops led all other air-borne soldiers in action in North Africa and were the first flying fighters of the Allied nations to be flown directly into battle from distant bases, the Air Ministry said Saturday in disclosing details of the November operation for the first time.

British parachute troops did not fly directly into the fight, but were used to capture enemy airfields in the second phase of the Allied landing operations. They left Southwest England Nov. 10, three nights after the Americans departed.

**Destination Unknown**

A few hours before the operation started, the Americans were quietly assembled at two airdromes in Southwest England. They didn't know where they were going.

At various group headquarters, officers waited for the signal. To ensure against mishaps, a chain of officers was assigned to a telephone hookup to receive the radio message from Gen. Eisenhower's headquarters and transmit it to dispatching stations for action.

No Hitches In Plans

At the pre-arranged zero hour, all listeners lifted their telephone receivers and heard a wireless operator say as the dots and dashes came through:

"It's coming through. Advance."

## Red Army Holds In Donets Area

LONDON—(AP)—Russian troops along the Donets River below Kharkov against ceaseless attacks killed 800 Germans and smashed 15 tanks, while in the north Moscow announced Saturday that the Red Army had scored fresh gains in hand-to-hand fighting south of Lake Ilmen and capture additional localities in the push on Smolensk.

German tanks loaded with Tommy gunners attempted to break into one populated place in the Chuguev sector, 22 miles southeast of Kharkov, but "struck our minefield and were blown up," said the midnight bulletin recorded by the Soviet monitor.

Thus the Russians indicated that their southern lines were holding firm under repeated onslaughts by reinforced German troops, while the armies of the center and northwest continue to gain despite deepening mud caused by a thaw.

The German radio claimed the capture of Chuguev, which is on the western or lower bank of the Donets, and also Sevsk, 170 miles northwest of Kharkov, but this was not confirmed by the Russian communique.

## British Move Near Donbaik

NEW DELHI—(AP)—The British Indian Army appeared Saturday to have absorbed the force of a determined Japanese counter-attack and was moving back against Donbaik north of Akyab, in the wake of a punishing naval bombardment which had started numerous fires in the enemy jungle stronghold.

"Fighting continues in the Arakan district," a communique from Marshal Vavell said. "In the Mayu Peninsula our forward troops have made progress toward Donbaik."

The coastal naval forces were challenged by Japanese shore guns but escaped without damage or casualty.

**Hitze Bombed**

Donbaik lies almost due west of Rathaung, 25 miles north of the shallow water port of Akyab, across the Mayu River. It is at the tip of the Mayu Peninsula.

East of the Mayu, the British said their positions were maintained without important change for the last 25 hours.

Hurricane fighters swept Japanese positions at Hitze twice at tree top level Friday and bombers followed up, losing explosives in the target area. The Japanese airdrome at Magwe, east of Akyab, and the village of Pinebu, northwest of Mandalay on the Mu River, also were bombed. One bomber was lost.

## Mrs. Lon J. Roberts Dies In Rising Star

Mrs. Lon J. Roberts, a resident of Midland for more than 20 years, died in Rising Star, Texas, Saturday morning, at the home of her sister, Mrs. Fannie Wolf, where she had gone on a visit.

She is survived by her husband and two sons Harry Roberts of San Antonio, and Sgt. Leo Roberts of Paris, Texas.

Funeral services will be held in Rising Star Sunday afternoon. Interment will be in Rising Star.

Mrs. Roberts had been in ill health several years. Her husband and her sons were at her bedside. She was a member of the First Baptist Church here.

Sgt. C. Roberts and Mr. and Mrs. Alvin Roberts left Saturday night for Rising Star to attend the funeral services.

## Lower Point Values On Some Items Due

DALLAS—(AP)—Consumers may expect lower point values when the new chart for commercially processed foods is released by the Office of Price Administration, J. H. Kuitgen, regional OPA food rationing officer, said Saturday.

The relaxation, he said, will be only on certain items that have not been selling rapidly enough in retail stores throughout the nation since the rationing of processed foods became effective.

Kuitgen, who recently returned from a Washington conference with other OPA officials, said that "attractive point differentials will be set up on the new charts to move stocks that have been lagging on the grocer's shelves."

## Crew Escapes Injury In Crash Of Bomber

HAPPY—(AP)—An Army Air Force Liberator bomber crashed and was destroyed 12 miles north of here before dawn Saturday after 11 crew members and a passenger parachuted to safety.

The ship was on a routine flight from the Clovis air base.

It was the second Liberator lost before dawn Saturday, the other crashing near Sweetwater with the plane destroyed and the crew safe.

## There Won't Be Much Room For Isolationists

What we need is not so much more evidence for our faith, but to test what we have by living it: If they hear not Moses and the prophets, neither will they be persuaded tho one rose from the dead.—Luke 16:31.

## The Right Incentive

Members of 4-H and F. F. A. organizations of Midland, Martin, Glasscock and Upton counties who exhibit stock at the Midland Livestock Show Tuesday and Wednesday are united in a single cause. They are anxious to earn the livestock business thoroughly, for they realize the future of this great West Texas industry will soon rest on their shoulders.

The boys have a lot of advantages their fathers didn't have when they started out on their own. The latest information on successful livestock raising is available to them.

Stockmen and cattle raisers have been cooperative in making their best stock available for purchase by the boys, and all the animals to be exhibited here are products of expert breeding. It is the finest obtainable and with his background, club stock will continue to reach championship calibre.

With the cooperation and backing of their club leaders and of the ranchers these boys are building into substantial citizens of tomorrow—as necessary a quality for the future of the livestock as good livestock.

These youths have the right incentive and are headed in the right direction to reach both goals.

## Rationing Complication

Let's have one thing understood at the outset. This is no complaint. The difficulties to be mentioned are unavoidable in connection with rationing, and certainly rationing is necessary.

At any rate, inauguration of the point system has created several problems of which two are important. One is the financial and manpower burden placed upon retailers. The other is a new boost in the already high cost of food for the family.

Rationing is going to cost the nation's food retailers around \$125,000,000 a year, and more as new items are added. It is going to require services equivalent to the full time of 100,000 men and women, an unmeasurable part of which presumably can be supplied by doubling up of work; the rest will demand additional employees.

This covers inventory and marking of stocks on the point system, the collection of coupons, their sorting, counting and other handling. It does not include added duties in the general offices of chains. Nor does it take a sugar or coffee rationing, or that of meat, butter, etc., recently announced.

The housewife must pay more for rationed canned and packaged goods, even though there is no rise in their prices, because she is going to have to buy more of the extensive smaller sizes.

She must buy smaller cans in order to get some variety in her family's meals with the coupons available. The small family will be hit harder than the large family.

She will buy smaller cans, often, because in that way she can obtain more fruits and vegetables for the coupons given her. So long as she can pay, she will prefer to get the utmost in quantity for her ration points, even at the expense of financial economy.

This can be illustrated with tomato juice, on the basis of actual prices marked on the stock of a large store.

For 32 points the housewife can buy 47 ounces for 23 cents in a single large can. For the same 32 points she can get 56 ounces in four small cans. But that would cost 42 cents. If she chooses 8-ounce cans for variety, to preserve freshness when use is limited, and to get more juice for the same number of points, it will cost her almost 40 per cent more for tomato juice than if she could buy a large can.

The illustration is typical. It suggests that the housewife as well as the merchant is in for a lot of headaches.

—Buy War Bonds And Savings Stamps—

## Lion's Stand-In

Most women will sympathize with Mrs. Betty Phillips of Los Angeles in her desire for a divorce. It does not seem unreasonable for a pretty bride of less than a year to object because her husband frankly admires a 130-pound lion cub more than he does her.

Felix Leo, the lion, died soon after Mrs. Phillips gave up and left home. Still she won't go back. Apparently it was not just Felix Leo that her husband loved more than her—it was animals in general. And Mrs. Phillips declares that she will not be "a stand-in for a lion."

—Buy War Bonds and Saving S'tamps Today

The sooner all of us are on our toes, the sooner we'll stomp all over Hitler's, Mussolini's and Tojo's.

Having a swelled head is a fine way to get yourself in a tight place.

With the rationing of tires and fuel, young folks will be gassing on the steps this summer instead of stepping on the gas.

Hens seem to be the only ones who can sit around and make it pay.

Whether it's pay-as-you-go, or four payments a year, it's still pay-as-you-go-broke with lots of people.

## Shamrock Resident, 104, Says U. S. Erred In Voting Woman's Suffrage

SHAMROCK —(P)— Taylor Lovelace of Shamrock, who walks about town looking younger than the 105 years he will celebrate March 24, would like folks to know that "The United States missed it when they voted in woman's suffrage."

"If women wanted to know anything they ought to let 'em ask their husbands . . . I shore didn't vote for it," he declares, rapping the pavement with his cane.

Lovelace is six feet, two inches

tall, weighs about 175 pounds, and is a man of determination who didn't give up his last tooth until he was 103.

Dental bills were no problem when the teeth were coming out, he says, because he always "pulled them with the wire pliers."

Stopping smoking 14 years ago was no problem either. He believes, "Any man that's got will power can quit anything he wants to."

One day he was plowing and the wind blew sparks and tobacco back into his face. He threw the cob pipe to the ground and plowed it under. He hasn't smoked since.

He is the oldest citizen in the Texas Panhandle, is the father of 11 children, and has 23 grandchildren and 31 great-grandchildren.

## Congratulations To

Mr. and Mrs. L. E. Ford on the birth of a daughter in a Midland hospital.

Mr. and Mrs. Jimmy Dale of Fort Davis on the birth of a girl in a hospital here Saturday.

MIDLAND HARDWARE & FURNITURE CO. welcomes these new arrivals and requests their parents to call by our store and receive a welcome gift for them. (Adv.)

## Always Right

Never a worrisome moment about your looks when you're wearing this flattering princess house frock.

Pattern No. 8380 is in size 34, 36, 38, 40, 42, 46 and 48. Size 36 takes, with short sleeves, 4 5/8 yards 35-inch material, 5 yards fabric.

For this attractive pattern, send 15 cents, plus 1 cent for postage, in coins, with your name, address, pattern number and size to The Reporter-Telegram Today's Pattern Service 530 South Wells St., Chicago, Ill.

Sewing seriously? Then you'll want, at once, our new sewing guide and pattern book, FASHION. This engrossing 52 page book contains new patterns, patterns for re-making old clothes, sewing hints, information on fabrics, colors and fashions. The price is 25¢.

## UMW Refuses To Join In Appeal On Wage Issues

NEW YORK —(P)— The United Mine Workers of America Saturday night voted down a proposal made by the Southern Coal Producers Association to submit jointly and immediately to the government disputes over wages in the drafting of a new work agreement to replace that expiring March 31.

Failure to join with the operators, Edward R. Burke, president of the Southern Coal Producers Association told an earlier meeting, would result in the mine owners taking the step independently.

John O'Leary, international vice-president of the UMW, immediately asked for time to consider the proposal and the meeting was adjourned until eight o'clock Saturday night.

Northern and Southern miners and members of the UMW have been meeting here for the last nine days in an attempt to agree on a new wage contract to replace that expiring March 31. The coal miners have demanded, among other things, an increase of \$2 per day in wages for some 450,000 workmen.

## SCHOOL OFFICIALS ATTEND TEACHERS' ASSOCIATION

Frank Monroe, superintendent of Midland Schools, and G. B. Rush, principal of Midland High School, attended the District 4 Teachers' Association in Lubbock Saturday.

## Stars

Spencer Tracy and Katharine Hepburn co-starring in M-G-M's "Keeper of the Flame," now showing at the Yucca Theatre.

## Ways And Means Committee Raps Ruml Tax Plan

WASHINGTON —(P)— The House ways and means committee majority contended Saturday on behalf of its administration-backed tax collection plan that revenue raising must rest on "true and tried" methods and that the Ruml skip-a-year proposal would:

1. Be "like robbing Peter to pay a bonus to Paul."
2. Constitute "gross violation of the principle of ability to pay."
3. Impede the war effort by damaging the morale of the armed forces.
4. Stimulate "the forces making for inflation."
5. Shift a part of the tax burden from the few at the upper income brackets to the many at the middle and lower brackets.

Cleveland, Ohio, is the largest ore market in the world.

## French Guiana Is Swung To Allies After Quiet Coup

CAYENNE, FRENCH GUIANA (Via San Juan) —(P)— A peaceful, bloodless coup carried out on March 16 by high colonial Army officers with the backing of a population enthusiastically supporting both the anti-Axis French factions of Generals Giraud and De Gaulle brought France's largest western hemisphere possession to the Allied side in the war.

In the midst of the revolt against Vichy connections, Governor Rene Yebel and four cabinet members fled.

**Governor Resigns**  
The governor resigned after representatives of the army and the people had forced him to issue a declaration advising the United States and Brazilian consuls that the colonial government of Guiana had decided to join the Allies.

A committee acting in behalf of the civilians and the military then took control and dispatched cables to Giraud in North Africa and De Gaulle in London.

Taking action which possibly will set the pattern for similar actions in other French colonies such as Martinique and Guadeloupe, spokesmen for the army and civilians called on the governor March 16.

While the atmosphere of Cayenne and the rest of the colony remained calm and orderly Yebel was forced to make his decision and to cable Giraud.

## Solons Planning Legislation To Outlaw Strikes

WASHINGTON —(P)— A number of congressmen of both major parties, watching contract negotiations between John L. Lewis and bituminous coal mine operators, expressed the view Saturday that any walkout by the miners would be followed swiftly by legislation to outlaw strikes for the duration.

In fact, Rep. Mott (R-Ore) reported that a bill for this purpose already has been prepared, to be introduced if developments warrant. He declined to outline its details or to identify the author.

Rep. Monroney (D-Okla) said that "if a strike call comes, it will bring every speedy action by Congress. And it is apt to bring about very rigid controls."

Three labor measures, two of which have passed the committee stage, are pending in the House. They include a measure aimed at curbing absenteeism among war workers.

## K. P. Cottons

For K. P. on the home front, Toni Gilman, New York actress, wears this brown cotton chambray whose sleeves button up to reveal the initials of that arduous task.

## HARBOR WORK PLANNED

WASHINGTON —(P)— The War Department proposes to spend \$71,800 for maintenance of harbors in the territory of Hawaii during the fiscal year beginning next July, the Army engineer corps told a House appropriations committee.

## BEEF ACREAGE CUT

WASHINGTON —(P)— A sharp reduction in acreage to be planted to sugar beets this season compared with 1942 is forecast by the Agriculture Department.

## House To Check Welfare Bureau Salary Increases

AUSTIN —(P)— An investigation of why salaries were increased in administration of old age pensions while amounts paid the old pensioners themselves were being reduced will start early next week in the House of Representatives.

Speaker Price Daniel announced he would name the five-man committee Monday. The resolution directing the investigation calls for the committee to report back to the House in 15 days.

Rep. Manor Westbrook, author of the resolution, said that administrative salaries had been boosted while old age grants were still \$3 below the amounts authorized. The Senate also has under consideration a measure providing that the term of the director of the department be set at two years instead of the present indefinite tenure, and directing that the Board of Public Welfare submit to it for confirmation or disapproval the name of a director within 10 days of the effective date of the bill if passed.

Meanwhile it was learned that Director J. S. Murchison of the department has already appeared before the House appropriations committee studying departmental salaries.

## CHUCK HOUSTON INJURED

### Ickes Declares Third Pipe Line To East Needed

WASHINGTON—(P)—Petroleum Administrator Ickes said Saturday it is "quite within the realm of possibility" that a third big pipeline to the east may be found necessary.

Ickes made the statement in a letter to Rep. Snyder (D-Pa.), chairman of the Army appropriations subcommittee, in opposing the Trans-Florida canal project from the viewpoint of the wartime petroleum situation.

Ickes said that pipelines can be built in a relatively brief period of time, that they use materials and power with greater efficiency than any other carriers except ocean tankers, and that they are economical to operate.

"This time element, alone, I should think sufficient to decide the issue," Ickes said. "However, regardless of the time for construction, from a petroleum transportation standpoint the canal would be ruled out on the basis of efficiency in the use of materials and manpower, compared with the use of materials and manpower for pipelines. Very careful calculations have indicated that barges and tugboats would use steel for the delivery of oil with only about 55 per cent of the efficiency of a large pipeline.

"I have every confidence that, with these facts and such others as you wish to obtain from the experts upon my staff, you will understand why we are so thoroughly convinced that pipelines are the most effective means of moving oil in this country during this emergency."

Ickes did not elaborate on his statement concerning the possibility of a third big pipeline.

### Deep Wildcat In Winkler Gets Gas In Simpson Sand

By Frank Gardner, Oil Editor  
Completion on pump of a one-half mile east extension well in the South Cowden pool of Ector County, and showing of gas on drillstem test of the middle Ordovician by a deep wildcat in North Central Winkler County led West Texas developments as the week closed.

Latest reports, by counties:  
**Andrews County**  
Phillips Petroleum Company No. 37 University-Andrews flowed 84 barrels of oil in 24 hours through open 2-inch tubing after acidizing with 500, 1,500 and 3,000 gallons, respectively, in open hole from 6,207 feet, where 5 1/2-inch casing is set, to total depth of 6,250 feet. Operator now is gun-perforating casing to increase gas volume. The well is producing from the Tubb zone of the Clear Fork, lower Permian, and extends the Embarras-Tubb pool of Southern Andrews one-half mile east.

Also seeking Tubb pay, Phillips No. 35 University-Andrews, a south outcrop, is drilling at 5,814 feet in lime. The firm's No. 38 University-Andrews, in the Embarras-Ellenburger, lower Ordovician, pool, is drilling lime at 5,250 feet.

Skelly Oil Company No. 1-K University, Southern Andrews scheduled 7,500-foot wildcat two and one-quarter miles east by northeast of the Emma pool, is drilling past 3,358 feet in anhydrite and shale.

Texas Pacific Coal & Oil Company No. 2 Emily M. Jackson et al, short southeast outcrop, to the Fullerton deep Permian pool in Northwestern Andrews, is preparing to run tubing with packer to acidize intermediate pay. It was treated with 2,000 then with 6,000 gallons while bottomed at 6,395 feet, in the upper pay zone but no tests were reported after the treatments.

**Crocket County**  
John I. Moore and P. D. Moore, brothers, of Midland No. 1 American, S. Texas estate et al, deep wildcat in Western Crockett County, is coring below 7,126 feet in an unreported formation. It went out of Strawn, lower Pennsylvanian, into detrital at 7,000 feet. Coring was started at 7,092 feet but recoveries of the first two cores were not released.

In the northwest sector of the shallow Noelke pool in extreme Western Crockett, Shell Oil Company, Inc., No. 1 State still is fishing for tools, bottomed at 480 feet in blue shale.

**Ector County**  
Union Oil Company of California No. 1 Mrs. E. R. Kone, one-half mile east extension of the South Cowden pool, pumped 101.75 barrels of oil and 33 barrels of water on 24-hour Railroad Commission potential upon completion at 4,656 feet in lime. The well was shot with 550 quarts of nitro from 4,460 to 4,651 feet. It is 1,980 feet from the south and 660 from the west line of section 41, block 42, township 2 south, T. & P. survey.

**Gaines County**  
Stanford Oil & Gas Company No. 15 American Warehouse Company, proposed 11,000-foot Ordovician test in the Cedar Lake pool of Northern Gaines, is drilling below 4,315 feet in anhydrite and lime.

**Hockley County**  
A wildcat east of Ropesville in extreme Southeastern Hockley, George P. Livermore, Inc., No. 1 G. C. Thomas, is drilling San Andres lime at 4,317 feet. Acreage on which the test is being drilled was assembled by W. R. Bowden, Midland oil operator.

**Pecos County**  
Standard Oil Company of Texas No. 1 Douglas Oil Company et al, Ordovician test on the west side of the shallow Yates field in Northern Pecos, is drilling past 3,500 feet in dense gray lime.

**Magnolia Petroleum Company**  
No. 1-29 H. J. Eaton, six miles southeast of Imperial in Northern Pecos, is drilling at 7,793 feet in shale and lime of the Simpson, middle Ordovician.

**Magnolia and Anderson-Prichard Oil Corporation**  
No. 1-96 State-Mrs. E. C. Powell, Ellenburger test one and three-quarter miles north-east of the Apco-Warner Ordovician pool, is standing at 100 feet in red beds with 13-inch casing cemented at 83 feet.

**Culbertson & Irwin, Inc.**, of Midland No. 1 R. G. Heiner, second test and five-eighths mile southwest outcrop to the Heiner Ellenburger pool west of the Apco-Warner, is drilling at 1,210 feet in lime.

**Phillips No. 1 Ada C. Price**, deep wildcat 29 miles southeast of Fort Stockton, is drilling in shale at 9,865 feet.

**Reagan County**  
Humble Oil & Refining Company is preparing to drill plug from 7 1/2-inch casing cemented at 4,790 feet in its No. 1-B Sawyer Cattle Company of Texas, proposed Ordovician test 12 miles east of Still and 20 miles north of the Barnhart Ellenburger pool. Present depth is 4,820 feet in black shale.

**Amerada Petroleum Corporation**  
No. 1-RN University, in the Barnhart pool, is swabbing after perforating 5 1/2-inch casing with 198 shots from 9,237-71 feet. It went to total depth of 9,382 feet in Ellenburger dolomite and cement inside casing is drilled out to 9,328.

Also in the Barnhart pool, Amerada No. 1-RO University is drilling at 6,647 in shale and lime; No. 1-RP is drilling at 6,148 in shale and lime; No. 1-RQ is standing at 2,200 feet in lime after cementing 7 1/2-inch casing at 2,197 feet with 600 sacks; Amerada and Ogden & Hawn No. 1 University unit is drilling at 1,663 feet in anhydrite, and Skelly No. 1-L University is building derrick.

**Sterling County**  
B. C. Mann No. 1 W. B. Atkinson, Southern Sterling wildcat, re-set 8-inch pipe at 1,298 feet and is drilling below 1,365 feet in anhydrite and shale.

**Col-Tex Refining Company**  
No. 1 W. N. Reed et al, deep test in Northwestern Sterling, is drilling at 9,088 feet in black shale.

**Ward County**  
Belfort Oil Company No. 1-W University, wildcat southeast of Pyote and Magnolia-Sealy (South) pools, is drilling unchanged at 3,048 feet in lime. Three drillstem tests of horizons in which pay was looked for showed nothing, and the well probably will be abandoned at 3,100 feet, contract depth.

Shell No. 3 Sealy-Smith Foundation of Galveston, one-quarter mile

### Mascho & Culbertson & Irwin Stake Wildcats In Lea County, New Mexico

HOBBS, N. M.—Lea County figured heavily in Southeast New Mexico developments this week when it gained locations for two new wildcats, both to be drilled by Midland independent firms.

Seven miles northwest of nearest production in the Vacuum pool of Lea, Mascho Oil Company of Midland will drill No. 1 State in the C SE SE section 3-16s-32s. The test is on acreage farmed out by the Phillips Petroleum Company and is contracted to 5,100 feet. It will be drilled with rotary and is scheduled to commence operations on or before May 1.

James A. Mascho, president of the company, said National Refining Company, Malco Refineries, Inc., and Forest Development Corporation are supporting the well.

**Moving In Material**  
Material is being moved to the other new Lea wildcat. It is the Culbertson & Irwin Inc., of Midland No. 1-N Bowman, C SE SE section 26-16s-32s. The projected 3,000-foot test is two and one-half miles east by southeast of the East Lusk pool and three and three-quarter miles northeast of the Halfway pool.

R. Olsen Oil Company of Oklahoma City and Atlantic Refining Company No. 1 Langlie (Justis), deep wildcat in the C SE SE section

11-25s-37s, on the east flank of the shallow Langlie pool of Lea, is drilling at 9,543 feet in Ellenburger, lower Ordovician, dolomite topped at 9,110 feet.

V. S. Welch No. 1 Ayers-State, C SE SE section 36-20s-32s, Lea wildcat four and one-half miles south-east of the Halfway pool, is drilling below 3,137 feet in lime.

A new test in Lea's Majlamar pool, Johnny Cockburn No. 13-B Pearl Miller, C SE SE section 25-17s-32s, is drilling below 308 feet in red beds.

**New Grayburg Producer**  
Western Production Company No. 5-C Keely, section 24-17s-29e, in the Grayburg pool of Eddy County, flowed 157 barrels of oil per day on natural gauge through 3 1/2 inch choke on 2-inch tubing set at 2,936 feet. It topped pay at 2,910 feet and drilled to 2,975 feet in lime. Before running tubing, the well flowed 350 barrels in 24 hours through open 7-inch casing. Oil is 38.2 gravity, corrected.

No. 1 J. W. McMillen and Fred Turner, The Hunt Oil Company of Dallas, both of Midland, Southern Otero County wildcat in the C SW SE section 5-26s-16e, possibly was in Mississippians as it drilled to 2,065 feet in black lime. It is contracted to 5,000 feet for a test of the Ordovician.

**San Angelo Bombardier Drops Bombs On Sub Base Although Fatally Hurt**

AT A UNITED STATES BOMBER STATION IN ENGLAND — (P) — Jack Mathis, 20 year old country boy from San Angelo, need be an anonymous hero no longer. His family has been notified that he is dead.

Mathis was the lieutenant bombardier on the Fortress "Duchess" west of the discovery producer of the Mouthaus-Tubb pool in North-eastern Ward, recovered only two and one-half feet of dry lime by coring from 5,625-43 feet, present depth, and is preparing to run another drillstem test. It blew 147,000 cubic feet of gas per day on first drillstem test, taken of zone from 5,581 to 5,607 feet.

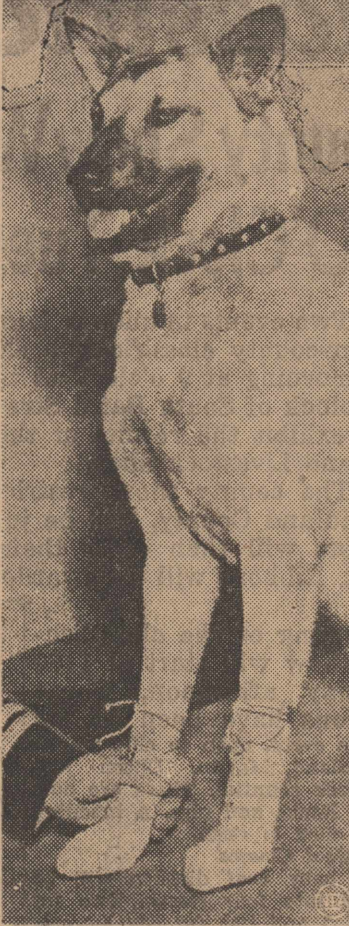

**Winkler County**  
Magnolia No. 20 State-Walton, between the shallow Kermit and Keystone pools in North Central Winkler, was drilled stem tested from 9,950-70 feet, with testing-tool open nine minutes. Packer held only the first four minutes of the test. Operators recovered 1,700 feet of drilling mud heavily cut with gas when drillpipe was pulled. Zone showing gas is comparable to the McKee sand horizon of the Simpson, found productive in the Abell field of Northern Pecos. No. 20 State-Walton was cored from 9,970-73 feet, recovering one foot and eight inches of hard sand bearing a slight odor of oil or gas, and six inches of hard, chalky sand. It is coring ahead below 9,978 feet in sand.

Four miles farther east, Amon G. Carter et al No. 2-C Pure-J. B. Walton is drilling at 9,117 feet in lime and shale, probably near the base of the Simpson.

**Yoakum County**  
Barnsdall Oil Company No. 1 H. D. Heath, Northeast Central Yoakum wildcat six miles northeast of Plains, was only five feet short of original contract depth as it drilled Saturday to 7,495 feet in hard dolomite.

Humble No. 1 Tamehill Brothers, Inc. et al, scheduled 7,500-foot wildcat four miles west of the Wasson field in Southwestern Yoakum, is drilling past 4,520 feet in lime.

### Dog in Boots

### 250 Union Leaders Will Get Taste Soldier's Life At Indiana Army Camp

DETROIT — (P) — Nearly 250 leaders of United Automobile Workers (CIO) war plant unions, accepting a War Department invitation, leave Sunday to join military units at Camp Atterbury, Indiana, for a three-day taste of the life of a soldier.

Until Wednesday, these war workers will be under military discipline, living and working with Army men toughened by months of intensive training, seeing at first hand how the Army makes use of the weapons produced in the plants from which the union men come.

Undersecretary of War Robert P. Patterson described their visit "an unparalleled opportunity what the Army needs."

In a letter to R. J. Thomas, CIO international president, Patterson said, "the Army believes your shop committee-men will turn to their factories more vinced than ever that they apply all their energies to production of war materials, that they will communicate conviction to the workers who to them for leadership."

**Firemen Praised For Work At Agnes Cafe**  
Praise for Midland's firemen for preventing a serious fire at Agnes Cafe was voiced Saturday by Fred A. Wemple who sent the volunteer department a check as "a concrete expression of my esteem."

"But for your timely and effective work, Midland would have had a disastrous fire," Wemple wrote. "As I later reviewed the work and realized the sacrifices and hardships you men undergo to protect the property and even lives of our citizens, I realized how casually most of us take your organization and how little we really appreciate your work until an emergency arises."

Wemple described the Midland firemen as "a splendid, unselfish group of patriotic citizens."

**A. R. Ellis' Infant Son Dies Saturday**  
Amon Ralph Ellis Jr., infant son of Mr. and Mrs. A. R. Ellis, died in a Midland hospital shortly after birth Saturday morning.

Funeral services were conducted by the Rev. Dewey Jackson at the Ellis Funeral Home. Interment was in Fairview Cemetery Saturday afternoon.

**Dismissal of Suit Asked**  
MIAMI, Fla. — (P) — Mrs. MacFadden asked dismissal of her divorce suit filed Saturday on the ground that the year-old physical culture expert had not been specific in his charge of specific cruelty and undue temper.

MacFadden filed a divorce here several weeks ago.

### New Helium Plant Operating

WASHINGTON — (P) — Secretary of the Interior Harold L. Ickes disclosed Saturday that America's second helium plant "somewhere in Texas" has begun production of the gas which is used for blimps, barrage balloons, and many other war purposes.

Ickes said four more plants would come into production before the end of the year increasing output of American helium to 40 times the pre-war rate.

No other country in the world is known to have helium, and Ickes recalled with gratification that he refused in 1938 to permit any helium to be sold to Germany.

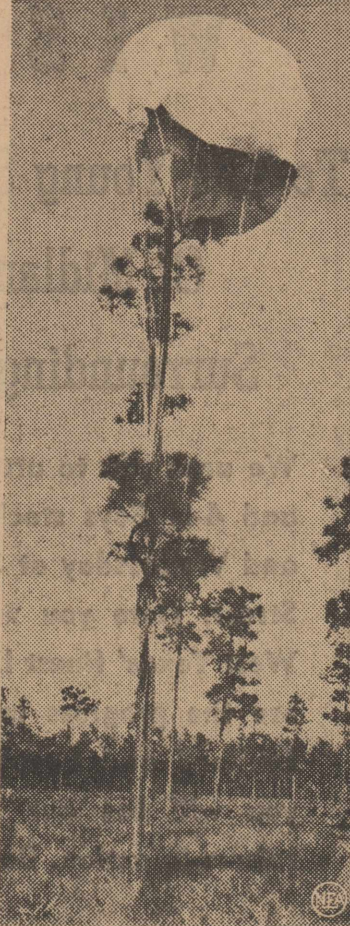

Ickes added that the original helium plant at Amarillo, Texas, has multiplied its output by five times. The new plant which shipped its first carload of helium-filled containers last week is bigger than the Amarillo plant. Location of the other four plants was described as "in the southwestern area."

### 4,000 CHAPLAINS NEEDED

WASHINGTON — (P) — The Army needs approximately 4,000 chaplains by the end of 1943, Brig. Gen. William R. Arnold, chief of Army chaplains, reported Saturday.

Arnold said the number required included 3,028 Protestant, 959 Catholic and 69 Jewish chaplains.

### Up a Tree

(Signal Corps Photo From NEA) Neatly capping a tree is a 'chute left behind by misguided paratrooper on maneuvers in Alabama.

### Navy Gun Crew Downs Eight German Planes

WASHINGTON — (P) — The Navy gun crew aboard the Liberty ship William Moultrie shot down eight German planes, damaged twelve others, drove away a submarine and scored a direct hit on a torpedo, causing it to explode, during a recent voyage to an Allied port, the Navy reported Saturday.

The Moultrie, due to the gallant fighting, made the trip unharmed. She was one of a convoy which was under almost uninterrupted attack from the air and from under the sea for a week.

### BITING LESSON

BOSTON — (P) — Helen J. Hinckley, 52, found an effective way to frustrate a man who tried to grab her handbag.

She bit him. Police later took into custody a man with two lacerated fingers.

# Four-County Classification Event To Be Held In Midland

## Farmer Will Get Animal

Three widely known men will serve as judges in the Midland Livestock Show and in the county club show here Tuesday.

E. J. Hughes of the Soil Conservation Service at Sterling City will judge the county show Tuesday morning. He was a member of the livestock judging team at A. and M. College, and has judged the sheep division at the San Angelo show, in addition to judging many other events throughout West Texas.

W. L. Marshall of San Angelo, county agent of Tom Green County, will judge lambs and calves in the classification show. He has been stationed at San Angelo about 12 years and he is one of the men whose efforts resulted in the creation of the annual show there.

Lee Billingsley of Lamesa, hog buyer and breeder, will have charge of the hog division of the classification show. He is known as an expert on hogs.

## Supplies Own Hay

Suppliers of animals at the Livestock Show will be required to supply their own hay, directors of the show announced Saturday.

## Returns Home

County Agent Hans, who has been serious in El Paso hospital for months, has returned to here. He is reported im-

## Three Outstanding Experts Will Judge Stock At Show Here

## County Show Will Be Opened 9 O'Clock Tuesday Morning

Two events in one—a Midland county club show and a four-county classification show—will be started Tuesday morning at 9 o'clock at the Elder Warehouse in the 300 block of South Baird Street as 4-H and F.F.A. members exhibit the results of their feeding projects in the Midland Livestock Show.

The county show, restricted only to club members of Midland County, will be judged at 10 o'clock and exhibitors will then enter their stock in the four-county event. Ribbons will be awarded all winners in each division.

Judging of the classification show will start at 1:30 Tuesday afternoon. Three divisions have been set up for the event, open to club youths of Midland, Martin, Upton and Glasscock counties. These are club calves, lambs and pigs. A breeding cattle class is open.

**Four Beef Classes**

The baby beef division will be divided into four classes, two for milk fed and two for dry lot calves. All calves will be weighed upon arrival at the show grounds, and an average weight set. Calves weighing the average and above will be placed in the heavy classes and all others in the light classes. Judging will be on a point basis, and champions will be determined from both the dry lot and milk fed classes.

Only one class each will be set for the pig and lamb shows.

All prizes will be paid in war savings stamps and in ribbons.

**Breeding Class Open**

The breeding cattle class is open to all exhibitors, and a large number of livestock raisers are expected to enter stock in this division. No prizes will be awarded.

The show barn will be lighted at night for the convenience of persons wishing to see the stock but are unable to attend the show during the day. The animals will remain in the building until time for the club sales Wednesday afternoon.

The club auction is scheduled to start at 1:00 o'clock Wednesday afternoon at the Texas Cattle Sales barn, opposite the Producer's Gin. Each boy may sell one calf or two lambs in the auction. A commercial auction stock will follow the club sale.

Judges for the classification show have been announced as follows: lambs and calves, W. L. Marshall, county agent of Tom Green County; and hogs, Lee Billingsley of Lamesa.

**Hughes To Be Judge**

E. J. Hughes of the Soil Conservation Service at Sterling City will judge the Midland County Show.

Any boy who will not be twenty-one years old before March 16 and who have been regularly enrolled in a 4-H Club or in Vocational Agriculture work for this particular project is eligible to enter baby beef, fat lambs or fat pigs for competition in the show, provided he has owned his animal prior to the specified date for the feeding period. He must have personally fed and cared for his stock under the supervision of the county agent, staff member of the Extension Service, or a teacher of Vocational Agriculture.

All entries must be exhibited by

## Trained Horse Will Perform In Midland

One of the feature side-attractions at the Midland Livestock Show here Tuesday and Wednesday will be an educated horse.

Darrell Garrett, Sterling City rancher and horse trainer, has notified officials of the show that he is bringing a trained horse here to perform for visitors at the show. The animal has been trained to perform many stunts.

## Winning Calves To Be Shown At Hotel

Persons unable to attend the Midland Livestock Show will have an opportunity to see the winning club calves in both dry lot and milk-fed classes, directors have announced.

Champion calves in each division will be exhibited in the lobby of Scharbauer Hotel Wednesday night until about 11 o'clock. Their owners will show the animals in specially-constructed pens in the hotel.

## Elkins To Show Bull From Glass Herd At Monahans Stock Show

Arthur R. Elkins, Monahans cattleman, was in Midland last weekend on business. Elkins purchased a calf from the George Glass herd at the Pecos Valley Livestock Show at Monahans last March and he told Glass this week that it will soon be one of the outstanding bulls in that area.

The calf, which sold for \$800, weighed 830 pounds when Elkin purchased it, and now weighs 1400 pounds. Elkins plans to show it in the breeding cattle division of the fourth annual show at Monahans this week-end.

Glass will take about five head of cattle to the Pecos Valley show.

Seventy-one per cent of British children under five are provided with fruit juices and codliver oil by the government.

the owner, except when he has more than one entry in one class or cannot be present to show his animal. In these cases, any other 4-H Club or Vocational Agriculture student taking part in the show may exhibit the animals. Parents, teachers, extension agents or other adults will not be permitted to show stock.

## Purchasers May Kill Stock For Own Use

Individuals who purchase calves and other livestock may kill the animals for their own use until March 29. Alton Reeder of the OPA district office at Lubbock has advised the executive committee of the Midland Livestock Show.

## Large Number Of Entries Due In Monahans Show

MONAHANS — Over 200 entries are expected in the fourth annual Pecos Valley Livestock Show to be held here Friday and Saturday, the only event of its kind in West Texas this year. The show will be held in the county exposition building on the Royalty Highway.

Club youths from Ward, Winkler, Reeves and Pecos Counties will enter stock in the show, and at least eight calves will vie for grand champion honors. Carl D. Estes, general superintendent, said.

Classes of Herefords, Jerseys and horses are open and a large number of entries are expected in these divisions, Estes said. Among exhibitors in the breeding cattle divisions will be George Glass of Midland, Jim Parker of Odessa, Pink Mitchell of Kermit, and a large number of others.

Ward County club boys planning to enter calves in the show include Buddy Ice, Jimmy Williams, Pat Wilson, and Clayton Tatom.

Many special features are being planned for the show although war conditions will cause curtailment of many attractions formerly offered, Estes said. Ribbons are to be given instead of cash prizes this year.

S. W. Estes Jr., of Monahans is president of the annual event, and Fern Tatom is secretary. Pink Mitchell of Kermit is chairman of the Hereford committee and Arthur Elkins and Tatom head the Jersey division.

The program for Friday has been announced as follows:

10:00 a. m. All livestock in show barn.

1:30 p. m.—Down town parade.

2:00 p. m.—Judging of 4-H Club calves and lambs.

2:00 p. m.—Judging of Hereford breeding classes.

4:00 p. m.—Judging of Jersey cattle.

The schedule for Saturday is:

10:00 a. m.—Horse show judging.

2:00 p. m.—Auction of club calves and lambs.

4:00 p. m. Registered Hereford bull sale.

Ribbons will be awarded the winners in each class with the exception of the boys' baby beef show. Winners in this division will receive the grand champion ribbon and a \$25 War Bond.

An added attraction to this year's exposition will be the auctioning of a 175 pound hog donated by Mr. and Mrs. S. W. Estes. Proceeds of the sale will be given the local Red Cross chapter.

## Permits Needed To Slaughter Or Sell Livestock

The Midland County USDA War Board has received instructions on issuing permits for the slaughter of livestock and for issuing permits to dealers and agents who buy and sell livestock.

Effective April 1, all local slaughterers, butchers, and farm slaughterers will be required to have a permit before slaughtering cattle, calves, hogs, pigs, sheep and lambs, and all livestock dealers and agents will be required to obtain a permit to purchase and sell livestock. Application blanks may be obtained at the office of the County USDA War Board on the second floor of the courthouse.

**Terms Defined**

The following definitions are set out in Food Distribution Order No. 26 and 27:

1. The term "local slaughterer" means any person who in 1941 slaughtered livestock with a total live weight in excess of 300,000 pounds and who is not registered with the Office of Price Administration as a slaughterer in accordance with Meat Restriction Order No. 1.

2. The term "butcher" means any person, other than a farm slaughterer, who slaughters livestock and who in 1941 did not slaughter livestock with a total live weight of more than 300,000.

3. The term "farm slaughterer" means any person who if chiefly engaged in producing agricultural products as the resident operator of a farm, who slaughters livestock, and who in 1941 did not deliver meat from the slaughter of livestock with a live weight of more than 10,000 pounds.

4. The term "dealer" means any person who buys livestock for the purpose of resale. A person who buys livestock for dairy, wool, or meat production, or for breeding, feeding, or finishing, and who keeps the livestock not less than 30 days shall not be considered a dealer.

5. The term "agent" means any person who buys or sells livestock on a commission or agency basis, either as an employee or agent of the buyer or seller.

Farmers who slaughter exclusively for home consumption on their farms are not covered by Food Distribution Order 27, and are not required to secure a permit. If, however, any portion of the slaughtered meat is delivered (the term "deliver" means to transfer physical possession of meat to any other person) a permit must be secured.

A sign reading UXB means, in the language of the armed forces, Unexploded Bomb.

## Permits Needed To Slaughter Or Sell Livestock

The Midland County USDA War Board has received instructions on issuing permits for the slaughter of livestock and for issuing permits to dealers and agents who buy and sell livestock.

Effective April 1, all local slaughterers, butchers, and farm slaughterers will be required to have a permit before slaughtering cattle, calves, hogs, pigs, sheep and lambs, and all livestock dealers and agents will be required to obtain a permit to purchase and sell livestock. Application blanks may be obtained at the office of the County USDA War Board on the second floor of the courthouse.

**Terms Defined**

The following definitions are set out in Food Distribution Order No. 26 and 27:

1. The term "local slaughterer" means any person who in 1941 slaughtered livestock with a total live weight in excess of 300,000 pounds and who is not registered with the Office of Price Administration as a slaughterer in accordance with Meat Restriction Order No. 1.

2. The term "butcher" means any person, other than a farm slaughterer, who slaughters livestock and who in 1941 did not slaughter livestock with a total live weight of more than 300,000.

3. The term "farm slaughterer" means any person who if chiefly engaged in producing agricultural products as the resident operator of a farm, who slaughters livestock, and who in 1941 did not deliver meat from the slaughter of livestock with a live weight of more than 10,000 pounds.

4. The term "dealer" means any person who buys livestock for the purpose of resale. A person who buys livestock for dairy, wool, or meat production, or for breeding, feeding, or finishing, and who keeps the livestock not less than 30 days shall not be considered a dealer.

5. The term "agent" means any person who buys or sells livestock on a commission or agency basis, either as an employee or agent of the buyer or seller.

Farmers who slaughter exclusively for home consumption on their farms are not covered by Food Distribution Order 27, and are not required to secure a permit. If, however, any portion of the slaughtered meat is delivered (the term "deliver" means to transfer physical possession of meat to any other person) a permit must be secured.

A sign reading UXB means, in the language of the armed forces, Unexploded Bomb.

## MICROSCOPE DISCOVERY

Recent discoveries have increased the magnification of microscopes from 3,000 to more than 200,000 times.

## 1802 SAFETY LAW

The world's first law to safeguard the health of factory workers was passed in Great Britain in 1802.

**BEST WISHES**

To The Young Stock Feeders Of Midland And Surrounding Counties

We urge you to attend the F. F. A. and 4-H Boys stock show Tuesday and Wednesday at 300 South Baird Street. Here you will see some of West Texas' finest livestock, you will see the progress made by boys of Midland and surrounding counties, you will see our future livestock raisers in action. Be there!

# Club Boys To Exhibit Stock In Show Opening Tuesday

## Midland County Youths To Exhibit Large Amount Of Livestock In Show

Evidence that Midland County club youths are taking an active interest in producing better livestock is seen in the list of entries for the Midland Livestock Show, to be held here, Tuesday and Wednesday.

### Program

**MIDLAND COUNTY CLUB SHOW**  
Tuesday:  
9 A. M. —Show opens.  
10 A. M. —Judging of stock.  
**MIDLAND LIVESTOCK SHOW**  
(Classification)  
Tuesday:  
9 A. M. Show opens.  
1:30 P. M. —Judging of stock.  
Wednesday:  
1:00 P. M. Club sale starts.  
(Commercial auction to follow).

### Annual Dairy Day Set For April 24

Date for the Midland Dairy Day, an outstanding event each year, was set for April 24 at a meeting of officers last week. Arrangements for the dairy show will be made this week.

## Best Breeds Of Four - County Area Will Be Displayed Here

Back of the club youths whose efforts are to be revealed in the Midland Livestock Show this week are the ranchers and leaders of the four-county area comprising the show. It is through their assistance that the interest of the youths in producing better stock continues to grow.

All of the stock to be shown in the two-day event came from the best herds in West Texas. Club calves from more than a score of widely-known breeders will be exhibited, and sheep and pigs from top stock of the area will be shown.

About 40 calves, 70 lambs, and 64 pigs compose the entry list of youths from Midland, Martin, Upton and Glasscock counties. In addition, three club calves are expected from Crane County.

## War Boards Aid In Classifying Of Farm Workers

COLLEGE STATION—Texas' 254 county USDA War Boards were handed the job this week of assisting in the selective service classification of agricultural registrants.

County war boards were asked by Secretary of Agriculture Claude R. Wickard, to make requests immediately for the deferment of registrants who are necessary farm workers and farm operators not now in Class II-C or Class III-C and whose deferment has not been otherwise requested.

To be eligible for Class II-C or III-C, a registrant must be necessary to and regularly engaged in an agricultural occupation or agricultural endeavor essential to the Food for Freedom program.

"The young men of Texas who are producing Food for Freedom are serving their country as loyally as though they were in the Armed Forces," B. F. Vance, chairman, Texas USDA War Board, said and added that "The farm boy's overalls are his uniform, and it's an honor to wear them."

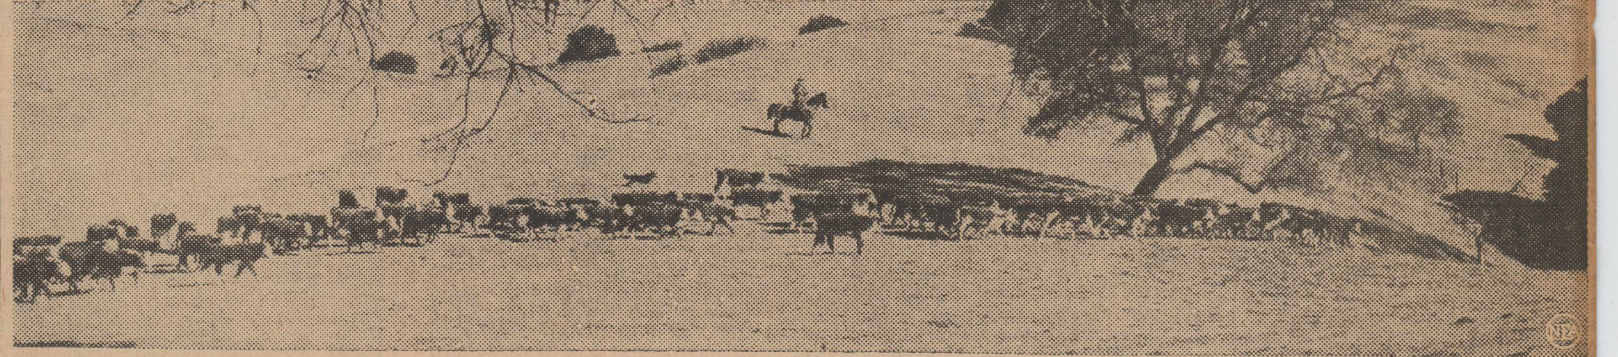

At the same time, he appealed to all Texas farmers and ranchers to plan for maximum war production this year, despite the shortages with which they are confronted.

### Sturkie Is Active In Livestock Work

County Agent I. O. Sturkie has been in Midland County since May, 1941, and has carried on an active program of work to improve farming and ranching conditions. He is one of the leaders in the Midland Livestock Show.

Sturkie graduated from Texas A. and M. in 1936, and did master's work in sheep and wool courses at the University of Wyoming. He was a vocational agriculture teacher in McCullough County before coming to Midland.

## Club Boys Look Forward To Better Herds

Encouraged by livestock shows such as the Midland event Tuesday and Wednesday, and given definite instructions and help by leaders, club boys of the Midland area are looking forward to becoming the livestock leaders of the future. These young stockmen will develop many such herds as the one pictured here.

## Many Men Active In Preparing For Livestock Event

Many livestock men have been working hard the past week making preparations for the Midland County Livestock Show. They arranged for the use of the Elder warehouse on South Baird Street as the show barn, and have cleaned it out, arranged for pens and other facilities, and have it in readiness for the opening of the show.

Site of the event was changed from the rodeo grounds to the location in town to save gasoline and wear on tires and to make the show more convenient for the public and the exhibitors.

County Judge E. H. Barron is president of the show, and George Glass is general superintendent. Clarence Scharbauer, Jr., is assistant superintendent, County Agent I. O. Sturkie is director, and Harlan Howell, Midland vocational agriculture teacher, is secretary.

Committees in charge of the various classifications of the show are composed of Carl Smith and A. G. Bohannon, hogs; Sherwood O'Neal and Raymond Carter, calves; Warren Skaggs and Dick Midkiff, sheep.

Members of the general arrangements committee are Leonard Proctor, John Dublin, George Glass, H. G. Bedford, Andy Faskin, E. B. Dickenson, Charlie Cox, Walter Harrel and M. F. King. Bill Collins, manager of the Midland Chamber of Commerce, is in charge of prizes and awards.

and has been active in other phases of the work. Many others have been working hard in preparation for the show.

Members of the Chamber of Commerce committee appointed to obtain funds for the show include T. Paul Barron, Luther Tidwell, M. F. King, O. W. Stice, P. A. Nelson, Elmer Bizzell, John Casselman, J. Howard Hodge, R. D. Scruggs, J. E. Hill and Leonard Proctor.

## Congratulations . . .

### 4-H CLUB and FFA BOYS

... your achievements are outstanding! In the near future the nation will call upon you to produce a major part of its food supply — you will be prepared to answer the call.

We welcome the boys of Midland and neighboring counties, and their friends, to this great show.

Tuesday and Wednesday — March 23 and 24

## The Midland Chamber of Commerce

## WE SALUTE

### THE 4-H and FFA BOYS

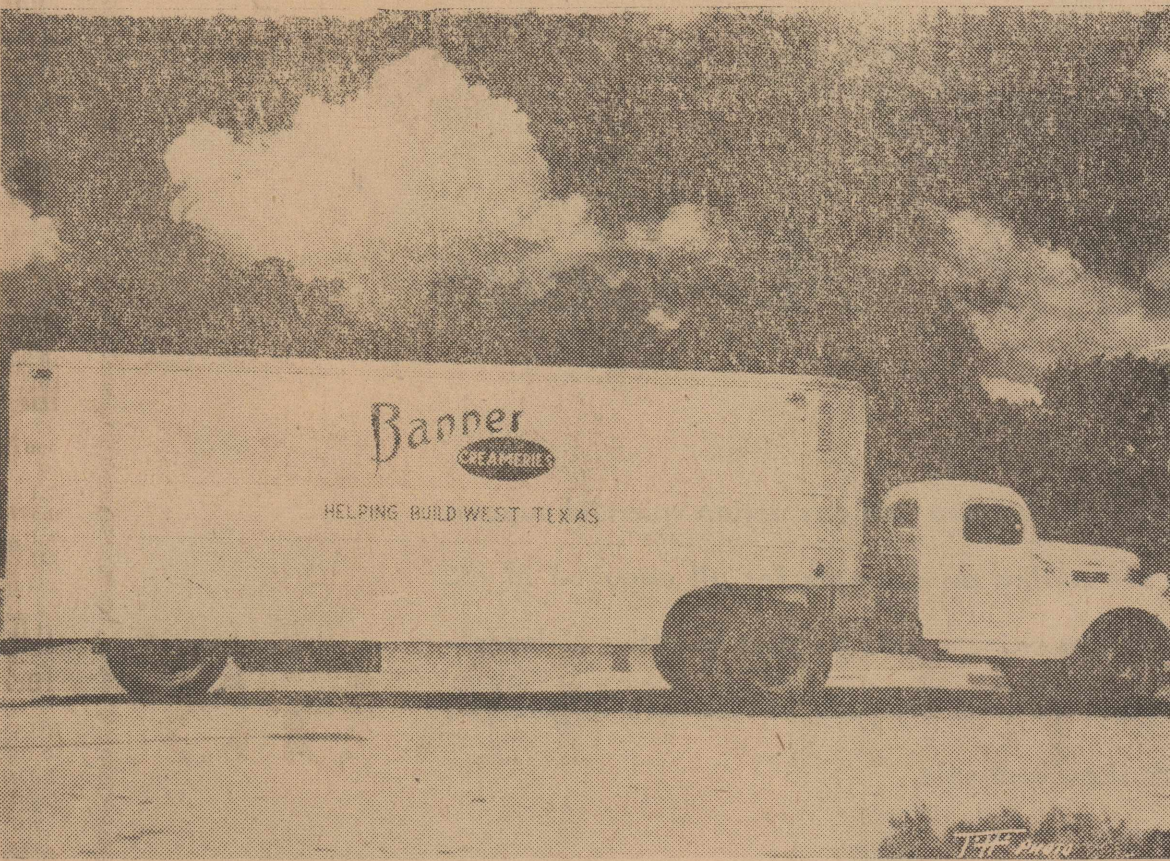

These boys have gained valuable knowledge pertaining to the raising and feeding of livestock. They realize the importance of protecting their stock, of feeding properly balanced feed containing necessary minerals. We urge you to attend this show.

Call on us when we can be of service.

- VACCINE • BONE MEAL • MINERAL POWDERS

## DR. J. O. SHANNON

VETERINARIAN

(This refrigerated truck is one of the modern pieces of equipment used to transport Banner Milk in West Texas.)

## Congratulations

... to the Future Farmers and 4-H Club Boys on the splendid work they are doing in the development of the livestock industry in West Texas.

ATTEND THE LIVESTOCK SHOW  
TUESDAY and WEDNESDAY  
MARCH 23 and 24

## BANNER CREAMERY

### About 200 Hogs To Be Sold Wednesday

Approximately 200 head of hogs and many other animals are expected to be sold Wednesday afternoon in the commercial auction following the sale of club calves exhibited at the Midland Livestock Show, officials have announced. Many packers buyers have indicated they will be present for the sales.

Any producer is eligible to offer his stock for sale in the auction. Usual fees will be charged. The auctions will be held at the Texas Cattle Sales barn.

### Midland Auctioneer Has Busy Schedule

M. C. McConnell, Midland auctioneer, has a busy week in view. In addition to handling the sale of club stock for the Midland Livestock Show and the commercial auction to follow Wednesday afternoon, he also will handle the regular Thursday auction sale at the Texas Sales Barn.

Saturday he will go to Monahan where he will serve as auctioneer for the sale at the close of the fourth annual Pecos Valley Livestock Show. He will be assisted in each of the sales by Earl Ray.

### Farming Equipment Available For Use

Supervisors of the Martin-Howard Soil Conservation District have made light equipment available for use by the farmers and ranchers cooperating with the district in installing a conservation program.

This equipment includes three Texas terracers, two 3-foot Fresno; three 1 1/2 feet Fresno; and a long-wing Kelly plow.

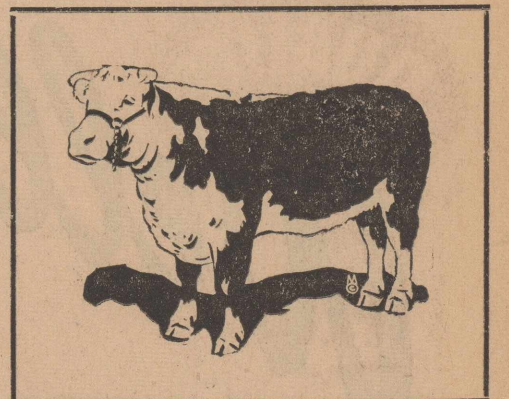

### LEWELLEN ACTIVE

Kelly Lewellen, Midland County club member, will show eight pigs at the Midland Livestock Show Tuesday and Wednesday. He also has a registered gilt.

Jerry Bohannon of Midland will probably be the exhibitor of the greatest number of pigs at the livestock show this week. He has 15 club pigs.

Many persons from nearby counties are expected to attend the livestock show here this week.

## Midland Will Entertain Many Important Visitors March 23rd and 24th.

★  
BUY  
WAR BONDS  
and  
STAMPS  
★

Many youngsters will come with their calves to compete in the 4-H Club and F. F. A. Show and Sale. They come from many surrounding counties . . . they come with high hopes that their calf will be judged just a little better than the rest. These boys are engaged in a serious and important business—the business of properly feeding livestock. They deserve all the support we can give them. Let's attend the Show and Sale.

Our interest in these young men is natural, for we can proudly name scores and scores of cattlemen who are our customers. Their fathers . . . yes, and their grandfathers, were customers before them. The Midland National Bank works with the cattlemen . . . knows cattlemen . . . understands their problems.

## THE MIDLAND NATIONAL BANK

# Martin County Club Boys Have Non Many Honors With Stock

## Calves Are Tops In Several Shows

STANTON—Martin County club boys have won many honors with their stock on March 6 of this year. Six calves were shown by youths in the county, and W. D. Chandler's entry was named grand champion. A calf shown by Bobbie Glenn was chosen reserve champion. On January 23, 1936, county units of Martin and Midland counties organized a 4-H Club at Stanton, with the membership won from youths at Lenora and Bryan. Lyn Henson vice president, Jones secretary, and Hoyt reporter. Calves fed by the boys were shown at the stock shows at Midland and Odessa in January and the Midland and Martin County boys had 30 calves at the Fort Worth Fat Stock Show March, 1936.

Paso and the fourth won the championship at Big Spring in March, 1936. At the March show in Big Spring, Martin County boys as a group won every first place except one, and third place in the lightweight class. Twenty-three calves were entered in the calf show held in Stanton in February, 1939, and the top winners were the Sadler brothers, Russell and Billy. Billy won grand champion honors and Russell had the reserve champion. The brothers won the same places with their calves at the Big Spring show held the following March. The Billy Sadler calf, "Ole Draw," was bred by E. B. Dickenson, Martin County ranchman, and the Russell Sadler calf, "J. C.," by J. C. Saie, a young Martin County ranchman.

**Club Has Best Group**  
At Big Spring the Martin County boys won first place in a group of five calves shown from any one county, and also took first place in a group of 15 calves shown from any one county. Sixty-one calves were entered. At the San Angelo show March 6-9, 1939, Billy Sadler's calf, "Ole Draw," was named reserve champion, the judge deciding on a lighter weight calf for champion. On the same date at the Amarillo show Russell Sadler's calf, "J. C.," won reserve champion honors. At the Sand Hills Hereford show at Odessa in March, 1939, Billy Sadler won the grand championship with his calf, "Spot." The calf won first place in class of light-weight calves (calves weighing under 800 pounds) and was placed over "Ole Draw," shown by Russell, which won first place in heavy-weight class.

In prize money at Odessa, Martin County boys won \$143.75, with Billy Sadler taking \$51.25 of the jackpot. At the Junior South Plains Fat Stock Show at Lubbock in April, 1939, Russell Sadler with "Ole Draw" won the grand championship. Martin County 4-H boys carried off the first four places in the heavyweight class, second in the lightweight class, and first in the county group of five calves. Russell Sadler's grand champion calf, weighing 1,000 pounds, sold through the action ring at Lubbock for 40 cents per pound.

The 1940 calf show held in Stanton on February 24 included calves, pigs, lambs and sheep, with a total of 82 head of livestock exhibited. Russell Sadler with a calf from the "C Ranch," Midland, of which H. G. Bedford was manager, won top honors. Billy Sadler won reserve champion honors with a calf from

the Millard Eidson ranch of Lovington, New Mexico.

In March the boys exhibited calves at the Amarillo show, winning first with groups of 13 and 15 calves. Russell Sadler won top place with the showing of group of five calves fed by one individual.

**Take State Awards**  
At the March, 1940, show at Lubbock, Billy Sadler had the reserve champion calf, which had won the same honors in a previous show at Stanton. The calf was furnished by the Scharbauer & Eidson ranch of Lovington, New Mexico, and the Sadler calf which won reserve championship honors at Lubbock in 1939 was bred by George Glass, Midland ranchman.

Martin County 4-H Club boys won several awards in state contests conducted for 4-H Club boys, and Billy Sadler and James Jones of Tarzan were selected Gold Star boys for their club work in 1939. The award is made each year to the 100 club boys in Texas who do outstanding work for a period of three years. There were some 24,000 4-H Club boys enrolled in the work that year.

Russell Sadler was awarded a gold medal by the Wilson Packing Company for the best record in the county contest in meat animal demonstration work. To enter the contest Sadler was required to submit records to the state and national contests showing his expenses, receipts and accomplishments in club work for the past three years.

**Bond, Led Boys**  
Entries in the calf show in March, 1942, decreased considerably because officials held up decisions on whether the show would be held in the face of wartime conditions. Elmer Anderson had the grand champion calf in the show. FFA members joined in the show and they exhibited several pens of poultry.

When the 4-H Club was organized in Martin County in 1936, Geo. A. Bond Jr. was county agent. It was under his direction that the club boys made the very excellent showings in the feeder calf program. Bond was given a leave of absence from his office by the county commissioners and he enlisted in the cavalry at Fort Bliss in June, 1941, as a second lieutenant. He now is Major George A. Bond, stationed at Columbia, South Carolina.

**CHANDLER CALF WINS**  
STANTON—A calf exhibited by W. D. Chandler was adjudged grand champion of the Martin County 4-H Club and F. F. A. Show held here March 5.

## Outstanding Martin County Cattleman

One of the outstanding ranchmen of West Texas is E. B. Dickenson, pioneer Martin County resident who has devoted the greater part of his life to the breeding and raising of pure-blood, white face cattle. Dickenson, shown at left, lives 12 miles northwest of Stanton in a beautiful ranch house, equipped with electric lights, telephone and all the conveniences of modern house. Located in the midst of a cluster of large shade trees, the ranch home is on the eastern edge of the 21,700-acre Dickenson ranch. Some of his stock is pictured below.

## Martin County Agent Takes Active Part In Promoting 4-H Club Work

STANTON—One of the main reasons Martin County 4-H Club boys have increased their interest in club work and projects the past two years is the leadership of Hubert Martin, county agent.

Martin, who came to Stanton on July 7, 1941, has built up interest in better production not only among the club members but among ranchers and other livestock men as well.

**Graduate of Tech**  
He is a native of Dublin, and a graduate of Texas Tech. He received a B. S. degree in agricultural education and majored in both husbandry and agronomy.

After graduating from college in 1937 he taught vocational agriculture in Belton High School for four years. While in that city he was instrumental in organizing the Central Texas Hereford Breeders Association, and served as secretary of the organization two years and as president one year. The association promoted shows and sales of registered cattle and hogs, and sponsored club shows.

After coming to Martin County he started a far-reaching program of 4-H club work, and through his initiative 4-H Club shows were held in 1942 and 1943. Elmer Anderson

exhibited the grand champion calf in 1942, and W. D. Chandler of Tarzan had the champion in the 1943 show, with Bobbie Glenn Tom showing the reserve champion.

**Always Available**  
Martin has carried on a program of assistance to farmers and stockmen of the county which has helped increase the quality of cattle and in improving other phases of the industry. He has been active in terracing work for farms and ranches, and his help in culling poultry has improved the breed of the county's many chickens and turkeys.

Like all other county agents, he is on call day or night, ready to help anyone in need of his services.

## Martin Youths Will Enter Nine Calves In Livestock Show

STANTON—Nine club calves will be entered in the Midland Livestock Show by 4-H Club members of Martin County. County Agent Hubert Martin has announced. In addition, several lambs and pigs also will be shown.

Boys planning to enter calves are W. D. Chandler and Bruce Key, two calves; James Holloway, Virgil Holloway, L. D. Shoemaker, Bobbie Glenn Tom and Whitney Connell, one each.

**CLUB PIGS INCREASE**  
Only four club pigs were entered in the livestock show in Midland last year. About 65 are expected this year.

## Former Club Youth At Stanton Now In Nation's Air Corps

STANTON—Last March he was the proud exhibitor of the grand champion club calf in the Martin County Club Show, held here. His calf placed fourth in the Sand Hills Hereford Show the same year. But Elmer Anderson of Knott won't be showing club stock this year. Instead, he is training to sow destruction to the country's enemies. He now is stationed at the San Angelo Flying School.

## Glasscock Show Set For Monday

GARDEN CITY—Glasscock county club boys will hold their annual county club show here Monday and will move their stock to the Midland Livestock Show Monday afternoon. B. N. Duff, county agent, and Marvin Scott, vocational agriculture teacher, are in charge of the local. A big barbecue will be held at noon Monday and the general public is invited. A large crowd is expected to visit the show during the day.

Spring Practice To Start Here Monday

About 40 boys, the majority of them freshmen and sophomores, are expected to report when Coach Gene McCollum opens spring football practice for the Midland High School Bulldogs Monday afternoon at 3 o'clock. The conditioning program will continue a month.

Hard work will greet the boys on the opening day and will continue to be meted out during the 30-day training period, McCollum indicated Saturday. As soon as they learn enough plays, scrimmage will be started and intra-squad games probably will be arranged.

Already on the schedule is an intra-team tilt, set for Friday, April 2. Others may follow. An above-mediocre team is forecast for the fall season if the material develops out during the spring practice.

Two Favorites In Post Tournament Are Turned Back

A pair of favorite teams in the Midland AAF Bombardier School basketball play-offs were handed stunning defeats in the opening games of the championship finals at the Post Service Club Friday night. The league leaders, the 494th squadron, were upset by the 483rd by the score of 42 to 27.

The crack-passing 83rd edged out the 814th, 22 to 19, while the 491st defeated the Ordnance company, 8 to 24. Highlighting the 486th squadron's victory over the league champions, Private Berry, star guard, hand-cuffed the accurate shooting of Cpl. Dave Murphy so well that Murphy garnered but three points during the game.

Pairings of the games announced for Monday night place the 814th against the 493rd; Ordnance vs. 494th; 83rd vs. 490th; and the 491st vs. the 486th.

A survey of rejected draftees indicates the highest incidence of bad teeth occurs in New England.

Cardinals' Farm System Proving To Be Valuable

CAIRO —(AP)—Even more than in peace-time, the St. Louis Cardinals' farm system is proving its value Saturday at the champion's spring training camp where Manager Billy Southworth faces the problem of replacing his war losses.

Three world series heroes—outfielder Enos Slaughter and Terry Moore and Pitcher Johnny Beazley—are in the armed forces and second baseman Jimmy Brown has been called for his physical examination with possible induction in mid-April.

Yet, Cardinal fortunes have not yet been affected to the extent that similar military contributions have weakened the majority of the other major league teams.

Sports Bomber

Along the sports front, the "Hub" at the Midland AAF Bombardier School is over the current championship basketball tourney. The eight top teams of the past league season are in a "double-elimination" tourney.

An indication of the tourney interest, the largest crowd of the season was on hand Friday to cheer their organizations on to victory. The winner and runner-up are to be awarded championship trophies at the conclusion of the tourney, and at the conclusion of the play-offs, a first, second and third team all-star quintet will be announced by a league committee.

Corp. Sherman Perr, one-time industrial designer from New Jersey, is preparing a sport sketch resume of athletic events on the field. Staff Sgt. Frank Del Deo of the 494th was busy leading his squadron in a pep session Friday night.

Pvt. Dick Wells, hard working manager of sport activities of the 487th, promises to have a strong combination ready for the opening of the softball season next month.

Pvt. "Red" Bottom of the physical training department is doing a yeoman's job in assisting Pvt. Roy Kincaid in giving the men at this field rubdowns after their daily paces of general exercises and calisthenics.

Corp. Jack Sharkey and Pfc. Lee Saavedra reported last week that their boxing classes are increasing daily while Pvt. Bud Hummel, wrestling instructor, conducts a class every afternoon along this line.

Two Intersectional Tilts Dropped By SMU

DALLAS —(AP)— Postponement of Southern Methodist University's two intersectional football games scheduled for next fall was announced Saturday by Coach James H. Stewart.

Stewart said the game with Pittsburgh Oct. 23 at Dallas and that with Temple Oct. 8 at Philadelphia had been "postponed until such time as conditions warrant resumption."

Survivors Of Three U. S. Ships Rescued

LONDON —(AP)—Thirty-four survivors from three American ships torpedoed in the Atlantic have been landed at a North British port and are recuperating at a yacht club taken over by the United Seamen's Service.

Two of the men, Frank McCallen of Camden, Mo., and Preston Boyter of New Orleans, were torpedoed twice within 11 hours. Along with the others, they were brought ashore by a British destroyer.

Flying Cross Awarded Lt. A. C. Yenalavage

A Midland AAF Bombardier School graduate, Second Lieut. Anthony C. Yenalavage, 24, of Kings-ton, Pa., has been awarded the Distinguished Flying Cross, the War Department has announced. Lieutenant Yenalavage was a member of bombardier class 42-8.

Randolph Field Is Victor In Baseball Series With Aggies

COLLEGE STATION —(AP)— Randolph Field swept a two-game baseball series with the Texas Aggies Saturday, winning 13-1, with Tom Finger allowing the Maroon only nine scattered hits.

Dodgers Work Hard In New York Hills

BEAR MOUNTAIN, N. Y. —(AP)— The Brooklyn Dodgers are getting into shape so fast up here in the hills that they are beginning to feel sorry for some of the other major league clubs.

University Takes Track-Field Meet

AUSTIN —(AP)— Winning eight first places and showing balanced power down the line in all events except the pole vault, the University of Texas track and field team Saturday defeated Texas A. & M. and Southwest Texas Teachers of San Marcos in a triangular meet.

Fredregill And Baker Operate Western Cafe

C. O. (Fred) Fredregill, popular Midland business man, now is managing the Western Cafe at 110 South Main Street which he and C. J. (Jack) Baker recently purchased.

TEXAS BEEF IS HELPING AMERICA FIGHT

Along with planes and tanks and bombs and other implements of war, beef is essential in the campaign for victory. With several million of our fighting men on the battlefields and many more in training camps at home, Texas' vital livestock industry takes on a new importance. Our government is looking to Texas, the nation's leading cattle-producing state, for tremendous quantities of beef, mutton and pork. It's a big job — but Texas livestock men will do it. It's everybody's job to help keep the supplies of victory rolling — In this great effort America's banks are active partners—helping to supply the funds and handling the multitudinous complicated financial details necessitated by this great all-out effort.

## Praises Ring For Civic Theater As Citizens Enjoy Second Presentation

More than 600 Midland citizens are singing the praises of the Midland Civic Theatre, following its second presentation of the timely three-act drama "Watch On The Rhine," at the City-County Auditorium.

Seats became scarce Friday evening, and a number of theater-goers stood in the rear of the auditorium rather than miss the final performance of the drama.

But all were appreciative and liberal applause was given the cast, which moved through the three acts without a hitch. Few professional casts would have given a better performance.

**Concerns Anti-Fascist German**  
The play concerns an anti-fascist German who brought his American wife and their three children to the safety of her mother's home in the United States. Complications followed which made the play by Lillian Hellman, a thrilling which has attracted large crowds throughout the nation.

In the cast were Dr. Velma Scott, Sgt. Conway McCracken, Mrs. Dorothy Harpist, Ralph Utley, Mrs. Clarice Utley, Sgt. Arthur Cole, Mrs. June Kingon, Jerry Jordan, Roane Puetz, Miss Ann Ulmer, and C. G. Cooper.

Mrs. Wilmer B. Stowe directed the play, Miss Elma Graves was assistant director, Mrs. Kitty Perkins was stage manager, and Mrs. Mary Tomkins was assistant stage manager.

Scene artists were Sgt. Herbert Pierce, Lt. Jack Tomkins and Mrs. Mary Tomkins.

The staff included Mrs. Perkins, original set design; Mrs. Ruth Bartha, publicity manager; Miss Graves, tickets, and Mrs. Naomi Lancaster, properties.

**ABILENE VISITOR**  
Mrs. Louise Logsdon of Abilene is visiting in the home of her son and daughter-in-law, Mr. and Mrs. Larry Logsdon.

## Many Couples Dance At Club

Coffee, doughnuts and music highlighted a regular ballroom dance at the Soldier's Service Club Saturday night.

Doughnuts were made at the Midland AAF Bombardier School and Mrs. Clara Hood Rugel, Mrs. Mollie Ramsey and Mrs. Ben Rogers served refreshments.

## High School PTA To Elect Officers

Officers for the coming year will be elected at the regular meeting of High School P-T-A at 4 o'clock Tuesday afternoon in the auditorium.

The Rev. Hubert Hopper, pastor of the First Presbyterian Church, will speak on "Religion At Home With Children."

## Nazarene WFMS To Have All Day Meeting And Luncheon Friday

Mrs. Fannie Barrett opened the program with a prayer when the WFMS of the Church of the Nazarene met Friday at the church.

Members attending included Mmes. E. M. Hocker, W. J. Blauvelt, Ira Cole, J. E. Feeler, Barrett, A. E. Barker, and Yeakum and Miss Elizabeth Barker.

The scripture was read by Mrs. Barrett. Members voted to have an all-day meeting next Friday, at which a covered dish luncheon will be served.

## Royce Howard Is Host To Party For Large Group

To entertain a group of friends, Royce Howard was host at a play party Friday evening at his home south of town. Several games were played and popcorn was served.

The guest list included Eileen Eiland, Charlie Welch, Otis O'Kelly, Joan Williams, Vera Williams, Donald Merritt, Calvin Smith, Dorothy Smith, Doris Smith, Christine Smith, Wilma Smith, O. C. Collins, Virginia Countiss, Fredda, Lou Truelove, Vivian Clark, Wanda Harris, Lillian Harris, Elvis Beasley, Joyce Beasley, Yvonne Fain, Jack Livingstone, Troy Livingstone, Morgan Stewart, Betty Jo Stewart, Lavena Brooks, Maxine Eckart, Doris Merritt, and Doris Nell Adams.

## Intermediate BTU Enjoys Weiner Roast At Cloverdale Park

A wiener roast was enjoyed Friday evening at Cloverdale Park by members of the First Baptist Intermediate BTU.

Those attending included Thelma Jo Brown, Kelley Lewellen, Dorothy Shelburne, Glenn Murray, Dorothy Rose Otto, Joe Howard, Frances Palmer, Garrett Arnett, Louis Whingo, James Kerr, the Rev. and Mrs. Vernon Yearby, and Sgt. and Mrs. Jess Kallerman.

## Girls Auxiliary Plans Party Friday Night

Imogene Smith, Melba Storey, Nancy Booth, Irene Harwell and Opal Scribner appeared on the program of the Calvary Baptist Intermediate Girls Auxiliary Friday at the home of Mrs. Leonard Jones. Missionaries were discussed.

Plans were made for a party honoring the Royal Ambassadors class Friday night at the O. C. Hamlin home.

## Ester Louise Hocker Entertains Friends

Miss Ester Louise Hocker entertained friends with a barbecue and party Friday evening at the home of her parents, Mr. and Mrs. F. M. Hocker, 300 South Big Spring.

Approximately 15 persons were present.

## Baptist R. A. Meeting Is Well Attended

"Stepping Stones or Stumbling Blocks" was the theme of the program presented by the Royal Ambassadors of the Calvary Baptist Church at their meeting Thursday at the church.

Those present included Charles Williams, Carl Smith, Edwin Ware, Bert Scribner, Robert Webb, Dewain Webb, Dale Bizzell, Roy Wayne Frazier, Willie Etheridge, Sid Storey, Bobbie Gorman, Delbert Shelbourne, Don Bizzell, T. A. DeVore, Ray Douglas, Mrs. O. C. Hamlin, councillor, and Mrs. Roy Frazier, visitor.

## Low And High In New Spring Hat Fashions

YOU can have 'em low—and you can have 'em high, this spring—and both kinds of bonnets will be right in style, as evidenced by the pair of millinery fashion inspirations pictured above. The one at left is a charming double-decker of Sally blue felt, the crown being a little hat in itself, set on a sweetheart brim. Black straw cording forms a many-looped bow and streamers for decoration at the back. Of course, if you want to go "high hat," you can have a topper like that at right, reminiscent of the Empire mode. Of navy blue felt, it's trimmed with an upside-down madonna blue velvet bow. The high, shell-shaped brim is attached to a little cap, making an effective adjunct to the chignon coiffure.

## Seven Women Complete Home Nursing Course

A visit to the City-County Health Unit Friday concluded the Red Cross home nursing class, "Health and Happiness in the Home and How the Community Protects the Health of the Family," which has been conducted at the First Baptist Church.

Seven women, Mmes. Ralph Fitting, Jr., H. K. McKimmon, Reed Alsbrook, C. D. Ware, W. D. Reiger, Rector Land and T. K. Price, completed the course taught by Mrs. Addison Young. Cooperating in the instruction were Gene Burnett, Midland sanitarian; Mrs. Ruth Rhodes, public health nurse of Midland Health Unit, and Mrs. Tom Roper, members of the Midland County Nutrition Council.

## Women Have Chance To Join Services

Ensign Marguerite Stewart, WAVES recruiting officer, will be in the basement of the post office April 8 to interview women interested in joining the WAVES, SPARS and Marines.

Women interested in any of these branches of service may call at the post office on that day and complete information will be given.

## J. D. Foe Home Is Scene Of Bridal Shower Honoring Miss Jane Tidmore

STANTON—Honoring Miss Jane Tidmore, bride elect of Cadet Tom Houston of Stanton, Mrs. J. D. Foe entertained with a bridal shower Thursday evening at her home. Hostesses for the affair included Mmes. Leo Turner, Jack Estes, Jack Turner and Flora Morris and Miss Maurer Deavenport.

The bride elect, daughter of Mr. and Mrs. Dave Tidmore, former residents of Midland, recently has been employed at the Goodfellow Field in San Angelo. Cadet Houston is stationed in Grand Prairie with the U. S. Naval Air Corps.

Members of the house party included Mrs. F. M. Bryston II, Misses Irene Barker, Eileen Peters, Nina Holder, Vera Blackford, Ruby Atheson, Nina Cason, Saunye Laws, Bernice Cason, Kathleen McCreeless, Betty Zimmerman, Bobby Jean Wilkinson, Nora Allene Purser, Gene Hardy, Patsy Wilkinson, Zora Lou Houston, Fay Holder, Bobby Peters, Mrs. W. E. Milam, and little Sue Jane Zimmerman, Miss Frances Joy Barker, Mary Frances Burnam and Mrs. M. S. Estes.

### Invitation List

Tea was served from a lace laid table with a bride and groom as the centerpiece. The honoree was presented gifts.

Those attending or sending gifts included: Mrs. O. C. Donelson, Mrs. Edmund Tom, Mrs. R. N. Deavenport, Mrs. W. C. Houston, Mrs. Merle Bernsted of San Antonio, Mrs. C. M. Houston, Mrs. L. M. Estes, Mrs. Sam Martin, Mrs. Phil Berry, Mrs. Clara Mae Martin, Mrs. Chas. Barker, Miss Frances Barker, Miss Doris Etheridge, Mrs. Milton Moffett, Mrs. Loy Mashburn, Mrs. T. E. Bentley, Mrs. C. E. Storey, Miss Annie Jo Estes, Mrs. Hubert Martin, Mrs. J. E. Kelly, Mrs. Jack Turner, Mrs. Gordon Stone, Mrs. L. P. Holder, Miss Faye Holder, Mrs. E. P. Woodard, Mrs. Albert Louder, Mrs. J. A. Wilson, Mrs. Hoover, Mrs. B. P. Eldson, Miss Joyce Gill, Mrs. Guy Eiland, Mrs. Paul Peeler, Mrs. Edd Bloomer, Mrs. H. O. Blocker, Mrs. Raymond Bennett, Mrs. J. R. Sale, Miss Bethy Glendenning, Mrs. A. W. Keisinger, Mrs. Jesse Widner, Miss Hope Pinkerton, Mrs. Dale Kelly, Mrs. Jess Woody, Mrs. J. R. Bassett, Mrs. Emma Jean Flannigan of Odessa, Mrs. Grover Stephens of Sierra Blanca, Mrs. Lewis Gregg, Mrs. J. E. Moffett, Mrs. Lela Flannigan, Miss Belle Crow, Mrs. Beulah Ragland of Los Angeles, Calif., Mrs. B. A. Purser, Mrs. D. B. Cross, Miss Mamie McDurnon, Mrs. Chas. Ebersole;

## Attention To Hair Must Be Constant

You cannot have hair that looks even passable all the time if you: Try to make your hair "do" an extra day or so. Go to the hair-dresser regularly in these days when beauty shops are busier and appointments are not always arranged on the spur of the moment. It's well to have a standing weekly appointment.

Ask to have the drier turned off before your hair is dry. Leave the shop before your hair has been carefully brushed and the curls or waves pushed back into place by the person who set them. Dye your first gray hairs and then let your resolve to have the dye job repaired at regular intervals.

Let anyone persuade you that brushing makes hair more oily. Believe for a moment that a weekly shampoo will make your hair dry, brittle and encourage dandruff.

Wear the same coiffure month after month, year after year. This applies particularly to the most universal practice of recent years—choosing a hairdo which is a fashion rather than a style. Hair fashions, like clothes, change often and definitely "date" you. Hair styles, as with dresses, change very slowly and are concerned largely with attractive and individually suitable and becoming lines. Style, a simple center or side part with locks cut straight or short and shaped to enhance your face, is the important thing nowadays. A ten-year-old hair fashion, no matter how popular it once was, looks extremely weary and passe.

### LEAVE FOR AUSTIN

Mrs. Helen West and daughter, Margaret Ann West, left Saturday morning for Austin where Miss West is a student at Texas University. Mrs. West will continue to Victoria to reside.

# SOCIETY

## Marian Locklar Weds Staff Sergeant Nichols

The marriage of Miss Marian Locklar, daughter of Mr. and Mrs. John Locklar of Dallas, to Staff Sgt. Walter B. Nichols of the Midland AAF Bombardier School was solemnized Saturday evening at the home of Mr. and Mrs. S. P. Hall, 1004 West Tennessee, in the presence of several friends. The ceremony was read before an improvised altar of red carnations in white wicker baskets by the Rev. J. E. Pickering, pastor of the First Christian Church.

On the white mantel red candles burned in white holders and a blue picture mirror carried out the patriotic note in decorations.

### Wears Navy Blue

The bride wore a Navy blue dress with white trimmings. Navy hat and gloves, and red shoes and bag. Her corsage was of white gardenias. Little Carolyn Kay Cole, daughter of Mr. and Mrs. Bill Cole, carried the ring on a white satin pillow. She wore a blue and white pique dress.

Miss Locklar is a graduate of Midland High School and since moving to Dallas she had been employed with the Southwestern Bell Telephone Company there.

Staff Sergeant Nichols, son of Mr. and Mrs. B. M. Nichols of Monticello, Ark., was graduated from Drew Central High School and attended Monticello A. and M. College.

### Reception Honors Couple

Immediately following the wedding a reception was held at the Hall home. The dining room table was centered with a white two-tiered cake topped with a miniature bride and soldier groom. White candles burned in crystal candelabra on each end of the table.

Mrs. J. C. Locklar assisted Mrs. Hall with the reception and each wore a white gardenia corsage.

The guest list included Staff Sgt. and Mrs. Woodrow Shaffield, Staff Sgt. Sir Mack, Mr. and Mrs. Bill Cole and Carolyn Kay, Mrs. Sallie Holliman, Mr. and Mrs. J. C. Locklar, Mrs. Lois Locklar, Mr. and Mrs. R. E. Dupuy and Cynthia Ann, Mrs. D. D. Downing, Mrs. Paul Martin, Mrs. J. E. Pickering and the host and hostess, Mr. and Mrs. Hall.

After a brief honeymoon, Staff Sgt. and Mrs. Nichols will reside in Midland.

## Poll Of Student Opinion Shows Seniors Favor More Education

Not many of us a few years ago would have thought that before this present graduation class had finished their education, each member would be called upon to make a supreme decision. The decision to make is school or war. In this following student poll, you may judge for yourselves what the majority favors.

L. Are you going to college after graduation?

The majority said "yes." Very few of the students favored going to work after graduation, and wanted to get what education they could while it was possible.

II. If you expect to go to the Army, will you go to college after the war?

This was a question mostly for boys and, surprisingly enough, most seemed to be in favor of a college education or a part of it after the war is over.

III. Do you think students should be allowed to finish high school before induction?

By a large vote, practically every student favored being allowed to finish before a "call to arms."

IV. Should students leave voluntarily for war before graduation?

The answer to this was an unanimous vote of "yes," and justly so since now, more than ever, education is being recognized as a deciding factor in our present conflict.

V. If you go to college, will the national emergency affect your major?

Most students said "yes," some said "no," some were undecided as to whether it should or not.

## Who's Who--Billy

Have you ever seen that boy around school that's always laughing? You guessed it, it is Billy Howze.

Billy's main interest is radio. He has been announcing over KRLH for about six months. He says that he has enjoyed working and has had more fun at the radio station than ever before. Billy plans to make radio work his career. Lux Theater is his favorite of all radio programs. Lanny Ross is his favorite radio singer and the best dramatic star, in Billy's opinion, is Arch Obler.

Miss Carden is Billy's favorite teacher, and he likes literature better than any other subject. Billy likes table tennis.

He takes part in all the dramatic productions of Midland High School, and this year he made a sound board for the school. He now is directing a one-act play, "Square Pegs," to be presented in assembly Wednesday. Billy laughingly says, "I'd get along O. K. if Briggs didn't give me so many dirty digs." Billy was assistant director of the junior play, "The Very Light Brigade." He handles nearly all the technical details of each play.

He will finish school at mid-term next year and if the war is not over he is going to join the Coast Guard and "help get it over with." If the war is over he plans to continue working at the radio station as announcer or anything they want him to do.

## Know Your Faculty — Ralph Utley

Ralph Utley has been teaching in Midland since the beginning of the school term. He directs the Midland High and Junior High School bands and is in charge of the "Music Masters" orchestra. He taught in Eastland and Fort Worth before coming to Midland and at Eastland he directed the school band and taught general science.

Utley received his degree from Texas Wesleyan College where he majored in music and speech. While attending T.W.C. he was a member of the Thespian Club and was a pep leader of the student body. He was president of the class in his freshman and junior years.

Before beginning teaching he was in the dance business. He has been a member of Paul Whiteman's and Johnny Gray's orchestras and had a dance band of his own for three years.

A hobby of Utley's is collecting records of negro dance bands. He is a member of the civic theatre.

His favorite sports are football and horseback riding.

When asked what his favorite type of music was, Utley replied, "I don't think any well balanced musician should have any definite preference, but a background of all types."

## Bulldog's Kennel

Well, the beehive of activity around high school was stirred up with a tennis racket this week as eliminations started for boys' and girls' singles and doubles.

Boys' doubles participants were Cole and Hall, Carter and Prickett, Hazlewood and Richards, Netherlin and Kelly, Wingo and Elkin, Rhodes and Prager, Hale and Yeager, Hoesckendorf and Hightower.

Girls' doubles teams were Currier and Murray, Garner and Blair, Williams and Hart.

Boys' singles entrants were Charles Barron, F. Schottlander, C. Daugherty, W. J. Cooper, B. Davidson, and C. Funk.

## Library Displays New Fiction And Non-Fiction Books

Miss Sue Allen, librarian, has received a shipment of 16 new books. The covers are being displayed on the library bulletin board.

They include: "Thrills of a Naturalist's Quest" by Raymond Ditmars; "Martha Berry" by Tracy Evers; "The Grey Room" by Eden Phillpotts; "Letters To Susan" by Margaret Bennett; "On The Staked Plain" by Eric Killy; "The Spell of The Yukon" by Robert Service; "Call of the Mountain" by Cornelia Meigs; "Mythology" by Bulfinch; "They Tell No Tales" by Manning Coles; "Random Harvest" by James Hilton; "Young La Faye" by Jeanette Eaton; "Life With Father" by Clarence Day; "Behave Yourself" by Betty Allen and Mitchell Pirie Briggs; "Journey's End" by R. C. Sherriff; "Gaily The Troubadour" by Arthur Guiterman; and "Highdays and Holidays" by Florence Adams and Elizabeth McCorrie.

## 'American Composers' Is Topic Of Junior Music Club Program

Isabella Morehouse was mistress of ceremonies of a program on American composers at the regular meeting of the Junior Music Club Tuesday at the North Ward School.

Alberta Smith gave a sketch on the life of George Gershwin, and Sue La Force played "Rhapsody in Blue." The girls' trio, composed of Sue La Force, Norma Conley, and Belva Jo Knight, sang "Deep In the Heart of You," accompanied by Mrs. De Lo Douglas, one of the club counselors.

Betty Ruth Pickering played "Americana Polonaise." Barbara Brown, accompanied by her mother, Mrs. Yates Brown, played a saxophone solo, "Beautiful Dreamer" by Stephen Foster. Virginia Ann Dunnagan played "From An Indian Lodge" by Edward McDowell, and "Juba Dance" by Nathaniel Dett.

Twenty members were present, and guests included Mrs. Brown, Mrs. Lee Cornelius, and Mrs. A. A. Jones.

## Music Masters Will Play At All School Dance In Gym Friday

"The Music Masters," high school swing orchestra, will play popular dance numbers for the students at the all-school dance in the gymnasium Friday.

This will not be the orchestra's first appearance but it will be its first time to play for a school dance.

The dance, sponsored by the teachers of the high school, will be held from 8 until 12 o'clock.

Bonds and stamps will be sold and a goal of \$900 has been set. All teachers have been urged to wait until the night of the dance to buy their monthly bonds in order to help the students reach the "Jeep" goal.

## Students Will Sell War Stamps In Hall

Beginning Monday students of Midland High School will sell stamps and bonds daily in the first floor hall of the building.

Delegates from the senior, sophomore, junior, and freshmen advisory groups will sell the stamps and bonds from 8:30 until 9 o'clock in the morning, at noon, and 30 minutes after school. The groups will alternate daily.

Purpose of these sales is to boost the sale of stamps and bonds in order to buy a jeep.

## School Census Will Be Completed April 1

Midland public schools now are taking a school census, with the High School, Junior High, North and South Ward Elementary, Mexican, and Negro schools taking part.

Frank Monroe, superintendent, asks anyone knowing of a child between six and eighteen who has not been registered to get in touch with the school principal. The office hopes to have the census completed by April 1.

## Production To Resume On Few Civilian Items

WASHINGTON — (AP) — WPB Chairman Donald M. Nelson said Friday some civilian items whose production has been halted "for the duration" would be brought back into production to supply essential civilian needs.

Household refrigerators probably will be among the items, Nelson told a press conference, because the food shortage demands additional refrigeration facilities. The War Production Board is reviewing the whole field of consumer goods with manufacturers and sellers, he added, to learn which other items are most urgently needed.

Use of computers and other mechanical devices aid bombardier at the Midland Bombarrier School in determining from what altitude bombs can be dropped most successfully on various types of targets.

Potatoes whose growth has been stimulated by ethylene gas have been found to contain increased percentages of Vitamin C.

## Calendar Of Coming Events

Monday — Spelling.  
Tuesday — Stock Show. Spelling.  
Wednesday — Stock Show. "Square Pegs" in assembly.  
Thursday — Clubs. Victory Concert on the courthouse lawn.  
Friday — Junior Music Club program in assembly. All school dance in gym.

## Chemistry Students Visit Ice Plant

There is no ammonia in ice! This and many other things were learned by the chemistry class when they visited the Southern Ice Company's plant Wednesday.

The students were shown through the plant by Paul Jackson, engineer, and Mr. Sandusky, manager. The men explained the process of making ice.

It was the first of a series of field trips which will be made by the class.

Students making the trip included Bill Elkin, Charles Rorbaugh, James Kinkie, J. V. Stokes, Fred Wemple, Elaine Hedrick, Margaret Mims, Ann Vannaman, Glennia Graham, Martha Jane Preston, Mary Fern Bray, Melba Glendene, Evelyn Jones, Johnnie Mae Collier, Neil Shattuck, Frances Umberson, Orilla May Osburn, Calvin Campbell, and Charles Sherwood. Miss Margaret Stuart, science teacher, accompanied the students.

## News Of Exes In The Service

Bernice Aston, who was a freshman in high school, has joined the Marines. He expects to be called soon and will take a seven-weeks training course at the San Diego Naval Base.

Leland Foster, 1940 graduate of Midland High, is a sergeant at the Midland AAF Bombarrier School.

A. P. Baker is a second class seaman at the San Diego, Calif., Naval Base.

Pat Corbett, an apprentice seaman in the Coast Guard, has been sent to a seaman's school at Manhattan Beach, New York. Pat attended Midland High in 1941.

Joe Conding, 1941 graduate, has been in the Coast Guard at New Haven, Conn., three months. He recently was made second class seaman.

Sgt. David Holster Jr., who is stationed at Coleman, Texas, is visiting in Midland. He graduated from Midland High School in 1939.

Pic. Herbert Rhedders, '41 graduate, stationed at Sheppard Field, is home on a four-day furlough.

## Personals

Mary Frances Carter was absent from school last week because of illness.

Norma Conley had as her house guest over the week-end, Madeline Slaven from Kerrville, Texas.

Nell Shattuck has as her guest, Doris Gross of Big Spring.

Jeanette Barnett, a freshman, spent last week-end in San Angelo.

Bob Stallworth spent last week-end in San Angelo.

Calvin Campbell is spending the week-end in Dallas.

Jackies Theis visited in Odessa Sunday night.

Virginia Stolle and Sue Le Force spent Tuesday afternoon in Odessa.

Faye Doris Douglas spent Thursday in San Angelo.

## LT. HEATH IN IOWA

Lt. George Heath, who is on a leave of absence from the superintendent's office while serving in the Navy, now is stationed in Mount Vernon, Iowa.

Use of high speed planes such as the Vega Ventura prepares bombardier students at the Midland AAF Bombarrier School for bombing conditions they will face in actual combat.

Private hospitals in Great Britain receive government grants for special services, such as the treatment of certain types of disease.

## Good Skate for Red Cross

Herman, educated pet of Comedienne Gil Mason, collects contributions for the Red Cross from willing donors in New York.

## Midland High School Band Gives Program

The Midland High School band, under the direction of Mr. Ralph Utley, presented a program in assembly Wednesday.

Following numbers were played by the band: "Pavanne" by Martin Gould, "Malaguena" from the "Andalucia Suite," "Waltz of the Flowers" from the "Nuttercracker Suite," "Morning, Noon, and Night in Vienna," and "Down the Street March."

## Annual Junior-Senior Banquet Set April 9

Preparations for the Junior-Senior Banquet to be held April 9, are underway with Miss Iva Butler in charge. All dates and names of guest must be turned in by April 1.

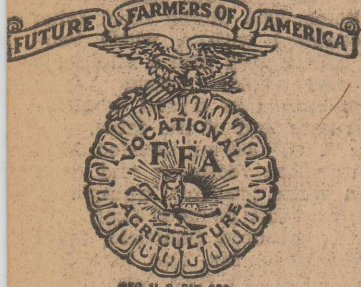

## Four New Students Enroll In School

Four new students enrolled in school last week. Betty Heinz, sophomore, of Odessa, formerly attended Midland High; Vivian and Helen Cooper are juniors from Morton High School. The only new boy is Eugene Monsieue from San Antonio.

## School Officials Attend Meeting In Lubbock

Frank Monroe, high school superintendent, and G. B. Rush, principal, attended the Texas State Teachers Association of district 9 in Lubbock Saturday.

Dried persimmons leaves boiled in water have been found to yield large quantities of vitamin C.

R. C. Vest spoke at the Lions Club weekly luncheon Wednesday. The F.F.A. boys were in charge of the Rotary and Geologists luncheons Thursday. The members, gave model chapter meeting.

Rules and plans have been completed for the F.F.A. public speaking contests. Harlan Howell announced. Each class may have voters, but each boy must select and write his own speech, which must not be over ten minutes in length. The subject must pertain to F.F.A. work.

Howell will select a boy from each of the three classes, and the three speakers will be judged by several men outside of school. Winner of the contest will be awarded an animal by the A. and L. Housing and Lumber Company through Paul McHargue. The winner will represent the Midland F.F.A. chapter in the district contest.

The fifth period agriculture class, captained by R. C. Vest, was winner in the basketball tournament last week in which the three agriculture classes participated. Members of the winning team were Utley Lewellen, R. E. Roach, Earl Branch, Jerry Bohannon, Bill Baldeck, and Vest. Mal Kidwell and Robert Wheeler were captains of the other teams.

## Choral Club Sings Six Classical Numbers In Assembly Friday

The Choral Club, under the direction of Mrs. De Lo Douglas, presented a program in assembly Friday.

The numbers sung were "Sanctaria," "Four," "Moonbeams," "Herald," "Snow," "Eggar," "Barcarolle," "Hfentach," "The Sleigh," "Kountze," and "Glow Worm," Lincke.

The Choral Club was accompanied at the piano by Alberta Smith.

## Bicycle Built for Three

Mrs. Grant Morris solves Washington's wartime transportation problems as she pedals by the White House with daughters Dorothy and Barbara on the handlebars and tandem. But Buddy, the family dog, finds he must walk as usual.

## Eagle Scout Award Goes To Jack Cox

Jack Cox of Troop 51 received the Eagle Scout award in an impressive ceremony Friday night at the Boy Scout court of honor in the district courtroom. The presentation was made by Claude O. Crane, a leader in Scout activities here for many years.

The court of honor banner went to Troop 51 which will retain it until the next court session, April 23.

The Life Scout award was presented to Louis Hartwell of Troop 51. Don Betts, Scout executive, made the award to Hartwell.

Pickering Addresses Court  
The Rev. John E. Pickering addressed the court of honor.

First-class awards were presented by Guy Bremmen to the following Scouts: Gene Dupuy, John

Livingston and Frederick Prickett, all of Troop 51.

Second-class awards were presented by Dewey Jordan to Stanley Hall and Carlton Galbraith, both of Troop 54.

Merit badge awards went to Hartwell, Frederick Prickett, Bobby Prickett, Livingston, George Griswell, Donald Gracey, Cox and Max Allen.

Scoutmaster A. N. Griffith presented the merit badges. The Rev. Hubert Hopper is chairman of the Midland court of honor.

The British tuberculosis mortality rate decreased from 1,904 deaths per million in 1900 to 602 in 1938.

## IN THE SPOTLIGHT

### CHAPTER XVIII

"STAND BACK, PEOPLE! ... BACK, PLEASE! ... GIVE THE LITTLE LADY ROOM! ... BACK, EVERYBODY!"

The mayor of Phoenix, Ariz., never one to miss a spotlight, was assuming full command here now. He had ridden up to the golden sailplane on a horse, with a retinue of horsemen behind him. The retinue was, in truth, the sheriff of Maricopa county and his mounted possemen, a group of 40 prominent Arizona horsemen who functioned mainly at public receptions like this. It was a picturesque touch of the old west, thus to have fine horses and costumed riders welcome the transcontinental sailplane.

The mechanics faded back. So did the Army men. After all, this entire sailplane junket was for the civilian public. A demonstration of what gliding and soaring can be expected to do.

His Honor the mayor had doffed his 10-gallon hat, and he was beaming. Sheriff Jordan and his men formed their horses beside the plane. This was perfect for the newsreel men and the newspaper photographers. The little ceremony, too, was enough to quiet down the cheering crowd. Especially when Chief Wipala Wicket, magnificently costumed Hopi Indian, strode forward with a huge bouquet of flowers for the lady in the plane.

It was at this moment that Capt. Jimmy Carr turned to his passenger, for the first time since landing. He had been engulfed in the initial confusion here.

"Loraine, you must be as gracious to these people as—hey! HEY! ... Pat!"

Pat Friday, sitting back there in a veritable daze, could only stare helplessly at him. But off to one side rose a stentorian voice.

"WELCOME TO ARIZONA, CAPTAIN CARR!" roared big Ed Bryan.

Jimmy turned, saw his friend. Bewilderment shone on Jim, and he glanced quickly at Pat again.

"AND WELCOME TO THE YOUNG LADY PASSENGER, TOO!" Ed bellowed, giving Jimmy the high sign.

This welcoming speech was all extra-curricular. Not planned by the reception committee at all. Later, some newspaper reported that a stranger made spontaneous outburst in token of the crowd's enthusiasm. Which was at least partly true.

Jimmy's mouth had dropped open, but when Ed signaled, he kept quiet. By this time anyway, Chief Wipala was rumbling some words. The chief extended roses. Automatically, Pat stood up to receive them.

"Thank you!" she managed. Then she inhaled deeply, caught big Ed's eye, glanced fearfully at Jimmy Carr—and pitched in. "Thank you, so much!" she repeated, very loud. "I—as a representative of—the women of America—I accept these roses—" she looked at Ed again, shaking literally in her shoes. Ed nodded, emphatically. "I accept these roses as your expression of friendship. It is a pleasure to be in Arizona. We want to stay as long as we can. We—Captain Carr and I bring you cordial greetings from the people of the eastern states, and together we pledge our cooperation in making the soaring carnival a success."

She might have said more, but some exuberant fellow shouted, "Whoop-pee, E-YEOW!" Next moment a cowboy shot off his pistol, and the crowd was in hilarious eruption all around.

"Pat!" exclaimed Jimmy Carr. "Pat ... You ..."

"J-Jimmy! ... Oh!"

"How in the world did you get in here? In this plane?"

"Ed Bryan put me here! He stuck me in, just as you landed. The crowd was so excited, nobody but—"

"Where's Loraine?"

"I don't know!"

"But Pat—my lord!"

"Ed took her away!"

"Stick with me, Pat ... Stand by!"

They were being separated now, out of the plane.

"Of course, Jimmy!" she yelled at him. "Of course!"

The substitution of Pat Friday was never known to those not personally concerned, because Ed Bryan had engineered it so adroitly. And Pat's appearance, her speech, was accepted quite naturally by the public because there was the same pretty girl whose photographs had been in the local papers today. This was the passenger who started yesterday from Elmirra, who was with Captain Carr in Cleveland and Chicago. The public had no cause for suspicion!

Pat suddenly found herself in a hand-tooled, silver studded saddle, high on a white horse between the sheriff and the mayor. A young reporter ran to her side.

"When are you and the captain going to be married, Miss Stuart?" he shouted at Pat.

"Oh!" Pat gasped it. But Jimmy, across from the mayor, had heard, too.

She looked fearfully across at him, and he smiled broadly and answered the young man. "No personal news," Jimmy said. "Many thanks. Just say that the lady and I desire only to emphasize the importance of soaring. We believe gliders and sailplanes can change the entire American way of life."

"Yes!" Pat chimed in. "Almost anyone can operate a sailplane after a few weeks of training. And they need cost only \$200 or so each. Soaring! It's the coming thing in travel!"

Jimmy edged his horse over next to Pat's, so he could lean close to her ear.

"You're a brick, Patsy, honest you are! We'll talk this other thing out later, but keep up the front now!"

"Yes, Jimmy," she whispered back.

"Any—any hint of scandal, or mixup, might wreck the whole soaring flight. Do a great deal of harm. That's why I phoned Ed Bryan to bring you back. I knew I could trust him, but he was more clever than I hoped. Stay alert, Pat! Tonight in the hotel we can talk and—"

She nodded. A band was playing, and a team of Hopi Indians in native costume was coming up to dance. The Arizona sun was about to drop behind the distant mountains, but right now it made theatrical lighting for the grand show here on Sky Harbor field.

Only two people of the 10,000 or so present were not striving to crowd up as close as possible. They were Ed Bryan, airplane pilot, and a blond young lady whom he held tightly by the wrist.

He escorted her off to one side toward the main passenger station here at Sky Harbor. Then he pulled her into partial privacy behind a clump of palm trees.

"Before I turn you loose I got a thing to say," Ed began. "You saw what I done, Miss Stuart. You're blazing in the eyes now. But okay, okay; you just blaze—and keep quiet. If you wanta be so free with forging Army orders and pointing pistols around—"

He never quite finished. He just clamped his lips shut, glared straight into her eyes. And for good measure he significantly patted his own holstered gun.

(To Be Continued)

# McKENNEY ON BRIDGE

By William E. McKenney  
American's Card Authority  
This is the last of a series of 12 articles on the new laws of contract bridge, which will become effective throughout the country on April 1.

In several of my articles in this series on the new laws, I mentioned that the committee has reduced the penalties for various offenses. On the other hand some penalties were made more severe, where the punishment did not "fit the crime." After all, the primary object of any bridge law is not to punish the offender but properly to identify the non-offending side.

In today's hand, the bidding was normal up to the point where South bid four hearts. At this

moment, East, who had been day-dreaming, decided to bid his spade suit, and did so at the four-level over South's four-heart bid despite the fact that it was West's turn to bid.

Under the old laws East's bid would be void and West would be barred for the balance of the auction. However, when West made his opening lead, he could calmly lead his partner's suit, the suit he had learned about through an illegal bid. This hardly provides the proper identity for North and South, the non-offending pair.

Under the new laws both East and West will be barred from the auction, and South will have the further advantage of being able to call the lead from the West hand. In this particular case, he would call a club lead, and then after drawing trumps, would discard one of dummy's losing spades.

Under the new laws both East and West will be barred from the auction, and South will have the further advantage of being able to call the lead from the West hand. In this particular case, he would call a club lead, and then after drawing trumps, would discard one of dummy's losing spades.

## FRECKLES AND HIS FRIENDS

—By MERRILL BLOSSER

CAPTAIN, THE TRAFFIC LAWS APPLY TO POLICE OFFICERS AND PRIVATE CITIZENS ALIKE!

YES, YOUR HONOR!

AND REMEMBER, NEXT TIME, NOT TO PARK NEAR A FIRE HYDRANT! THE FINE WILL BE TWO DOLLARS!

ARE YOU SURE YOU CAN'T FIND IT, SMITH? HAVE YOU LOOKED EVERYWHERE?

THE LITTLE BOY HAS LOST HIS BADGE—LOST HIS BADGE—LOST HIS BADGE!!

## WASH TUBBS

—By ROY CRANE

HITLER!

YAH, YAH! YELLOW HEINIES!

CRASH!

DON'T BE ANGRY, KATRINA. MAYBE DEY DUNT SEE DER GOLD STAR. DEY DUNT KNOW HOW PROUD OUR MAX WAS TO BE AN AMERICAN SOLDIER...

OR HOW BRAVE AND LOYAL HE WAS

## RED RYDER

—By FRED HARMAN

RYDER—YUH MADE ME TH' LAUGHIN' STOCK OF TOWN WHEN YUH CUT OFF MY WHISKERS!

I RECKON FOLKS WILL RE-ELECT YOU ALL RIGHT—AFTER YOU LOCK UP TH' BANK BANDITS!

ANY THAT LITTLE MATTER OF REWARD? THAT OUGHTA BUY YOU PLENTY OF HAIR TONIC!

VOTE RE-ELECT SHERIFF

ANY NOW, SHERIFF—HERE'S YOUR PRISONERS? LITTLE BEAVER, ANY ME CAN PUSH ON HOME!

MEDICINE MAN TELLUM LITTLE POWHO TWO FRIENDS COME SOON TO OUR CAMP. HE WONDER WHO HE HOPE-UN WIND!

MEANWHILE, THREE HUNDRED MILES AWAY, LITTLE NAWARD, GIRL, DREAMS!

## ALLEY OOP

—By V. T. HAMLIN

DROPPING BOBO ONTO THE BACK OF A DINOSAUR WAS A UNUSUAL WAY OF DISPOSING OF AN ENEMY, I MUST SAY!

I THOUGHT IT WAS QUETT GOOD!

WELL, OUR JOB HERE IS DONE, SO I GUESS WED BEST BE GETTING ALONG—WHERE'S YOUR DINNY?

OH, HE'S AROUND SOMEBODY—I'LL CALL 'EM!

HE'LL BE HERE IN A MOMENT, BUT GOIN' BACK TO BOBO—IF HE COMES OUTA THAT PRECIPITAM WITH A WHOLE SKIN, HE'LL HAVE EARNED TH' RIGHT TKEEP ON LIVING!

## FUNNY BUSINESS

"Frankly, I think we're calling on a non-essential firm!"

## HOLD EVERYTHING

"I'm afraid to tell anybody how happy I am here—they say if you don't gripe you're not a soldier!"

## SIDE GLANCES

"I've arranged a job for Wilbur at Tom's farm as soon as school's out—that'll help solve our rationing problem!"

## THIS CURIOUS WORLD

By William Ferguson

DENNY BURS, BIRMINGHAM BASEBALL PITCHER, WON FOUR GAMES IN 1932, AND PITCHED ONLY THREE AND ONE-HALF INNINGS.

EASSY DOES IT.

AN INSECT, A SPIDER, AND A BIPED HAVE A TOTAL OF ?

ANSWER: Sixteen! Insect, six; spider, eight, and biped, two.

NEXT: Dinosaurs never heard of food rationing.

### Presbyterian Auxiliary To Install Officers At Midland Church Monday

With the Rev. Hubert Hopper in charge, the Presbyterian Auxiliary will install officers for the new year at 3 p. m. Monday at the church.

Officers to be installed include: Mrs. R. F. Peters, vice president; Mrs. W. H. Gilmore, secretary; Mrs. R. M. Jones, treasurer; Mrs. Ray Poole, secretary of home missions; Mrs. D. M. Scar, secretary of religious education and publication; Mrs. Andrew Faskan, secretary of Christian social service; Mrs. Y. D. McMurry, secretary of social activities; Mrs. R. A. Doran, pastor's aid; and Mrs. C. O. Fredrigill, secretary of sentence and presbytery's home missions.

Recognition of members retaining their offices will be made. They include Mrs. W. P. Knight, president; Mrs. L. C. Link, historian; Mrs. P. R. Pattison, secretary of foreign missions; Mrs. J. M. Devereux, secretary of Christian education and ministerial relief; Mrs. L. G. Byerley, secretary of spiritual life; and Mrs. Laura Hitchcock, secretary of literature.

Names will be drawn to determine membership in the various circles.

Mrs. A. Knickerbocker, Mrs. J. R. Martin and Mrs. Devereux will be hostess at the social.

### Ten Members Attend Bible Class Meeting

Ten members attended the Belmont Bible Class meeting Friday at the educational building of the First Baptist Church. Mrs. H. M. Reigle, teacher, taught from the sixth chapter of Samuel after opening the meeting with prayer.

The program was closed with each member offering a sentence prayer.

In attendance were Mrs. W. M. Craft, W. G. Attaway, Frank Simpson, A. C. Moore, C. E. Strawn, W. P. Collins, Reigle, R. Chanslor, H. E. Skipper, and Leo Baldrige.

### Girl Scouts Set 'Million By 1944' Membership Goal

"A million or more by 1944." That is the goal of the Girl Scouts, who announce a current membership of nearly 600,000 on their 31st anniversary.

Enrollment of 400,000 new Girl Scout members means a need for at least 20,000 adult leaders. And so the organization is appealing to community-minded women throughout America to organize troops in their own neighborhoods.

Many communities, the organization claims, have long waiting lists of girls from 7 to 18 years who are anxious to be Girl Scouts. Often the only hitch is the need for leaders—women who want to increase their contribution to the war effort. Instead of her own two hands, officials point out, a leader of a Scout troop has the hands of twenty or more eager young workers.

**Qualifications Of Leader**

The organization has been under pressure from government agencies and social welfare and church groups for the formation of more troops to combat the country's threat of juvenile delinquency and to bring an organized effort of youth into war service. The first step, of necessity, is the recruitment of leaders.

To be a Girl Scout leader, a woman doesn't have to be a highly trained specialist or an unusually talented person. The important qualification is that she is interested in and likes girls of the age with which she will be working. She should be over 21 or old enough to enjoy the confidence of parents. She should know the girls and what they want in a leader. They will expect to find in her the very qualities she needs most to work with them: sincerity, imagination, resourcefulness, patience, maturity of judgment and a sense of humor.

### Personals

Mr. and Mrs. Allen Dorsey and children of Goldsmith are spending the week-end here visiting her parents, Mr. and Mrs. Joe Hewitt.

Mrs. Buddy Hewitt is spending the week-end in Bryan where she is visiting her husband who is stationed at A. & M.

Mr. and Mrs. F. H. McGuigan are visiting in San Angelo.

### To Appear At Bombardier School

Miss Byrd Elliott will appear at the Midland AAF Bombardier School Wednesday when the Manhattan Music Masters will be presented at the Service Club in a USO-Camp show. Other talented vocalists, musicians and dancers will perform.

Midland County Museum will be open from 2:30 until 5 o'clock.

Treble Clef Music Club will meet at 1 o'clock at the Watson School of Music.

### Miss Alpha Lynn Suggests Ways Of Killing Ants During Warm Months

Housewives of Midland County face the problem of keeping ants out of foods during the warm months of the year and Miss Alpha Lynn, Midland County Home Demonstration agent makes the following suggestions for conquering them:

Four to five ounces of carbon bisulphide into a small shallow pan and place it close to the main entrance of the ant bed. Then punch holes four to five inches deep around the mouth of the hole and moisten the area before treatment. Turn a close sealed tub or cardboard box over the area fumigated, spade dirt around the edges of the covering and tromp it to prevent fumes from escaping.

The covering should be left on at least 12 hours.

**Poison For Ants**

For poison bait for sweets-loving ants, use four-fifths cups of water, one rounded teaspoonful of thallium sulfate, 1 cup sugar and 1 1/2 tablespoons honey. Boil the water and thallium sulfate and add sugar and honey. Pour five tablespoons of this syrup over sponge cotton previously placed in 1-2 pint cartons or punctured baking powder can. For grease-loving ants use twenty tablespoons of grease drip-

CAUTION: Sallium sulfate is deadly poisonous, and should be handled carefully. Never touch it with hands or clothing, household linens or equipment, and work with it over paper to be burned so that no drop of it contaminates cabinet or table tops. Carbon bisulphide is highly explosive and should be used only away from all kinds of fires. One should avoid smoking or striking matches while handling it and stubs of cigarettes should not be thrown near the covered ant beds under treatment.

### Peggy Lynch Is Bride Of Cadet

Miss Peggy Louise Lynch of Odessa and Cadet Julian Allen Meyer of the Midland AAF Bombardier School were married Saturday at the post chapel with Chaplain Theodore Schoech reading the ceremony.

The bride wore a white wool suit and was attended by Miss Maravella Dean McCaulles of Odessa who wore a peach crepe suit with matching blue accessories.

Sgt. Charles L. Stewart was best man.
