

REVOLTS SPREADING IN EUROPE

Duisburg Hit

Duisburg rocked under the heaviest aerial attack of the war Wednesday night when British bombers dropped more than 1,500 tons of bombs on the battered industrial center.

Duisburg Battered

LONDON — (AP) — British bombers delivered their heaviest attack of the war on Germany Thursday night, dropping more than 1,500 tons of bombs on the battered industrial center of Duisburg, it was announced Thursday.

Thirty-four bombers were reported lost in the raid—the first great night attack on the Reich since the smashing assault on Dortmund May 4.

Allied raiders followed up this assault by streaming across the English Channel Thursday morning in bright sunlight to smash at the coast of occupied France. The rumble of heavy explosions rolled back across the channel, and later twin-engine bombers came winging home under a swarming escort of fighters.

Heaviest Attack of War

Duisburg, situated at the junction of the Rhine and Ruhr, is a vital transport and communications center in addition to being the site of important war industries.

It was last bombed the night of April 26, when heavy RAF bombers unloaded 1,350 tons of high explosives on the city in one of the mightiest assaults undertaken by the RAF up to that time.

The communication did not specify the exact weight of bombs dropped on Duisburg, but characterized the raid unequivocally as "the heaviest attack of the war."

The greatest weight of bombs previously loosed on a single target was 1,500 tons — a record that was set in the great 1,000-plane raid on Cologne nearly a year ago and probably was equaled in the May 4 raid on Dortmund.

Bombers of the British Coastal Command also were busy Wednesday while the main raiding force was over Germany, a formation of torpedo-carrying Hampdens attacking Axis shipping off Norway and leaving one vessel sinking.

The German air force, meanwhile, struck back with a night attack on a British east coast town which the Eyrin radio identified as the fishing village of Lowestoft. One bomb destroyed an inn, and 12 bodies were found in the wreckage.

Halsey Confers With MacArthur

AN ADVANCED SOUTH PACIFIC BASE — (AP) — Admiral William F. Halsey, Jr., naval commander-in-chief in this area, has conferred for the first time with Gen. Douglas MacArthur at the latter's headquarters in Australia, the Navy's South Pacific command announced Thursday.

Reporting Halsey's return from the conference an official announcement said "the discussions centered on the closest cooperation and coordination of the two commands, utilizing the total means at their disposal."

"Personal respects were exchanged for the first time" by the two commanders, the headquarters statement continued, adding:

"Details broached at this meeting between General MacArthur and Admiral Halsey are being perfected by continuing conferences between representatives of both commands."

More Than 150,000 Axis Troops Taken

LONDON — (AP) — Deputy Prime Minister Clement Attlee formally announcing the end of the campaign in North Africa, told the House of Commons Thursday the Allies had taken more than 150,000 prisoners and captured over 1,000 guns, 250 tanks and thousands of motor vehicles.

Resistance Ends In North Africa

ALLIED HEADQUARTERS IN NORTH AFRICA — (AP)

Allied mopping up parties hunted the last ragged remnants of Hitler's African armies in Tunisia Thursday to round out a victory which Gen. Sir Harold Alexander said was "one of the most complete and decisive in history."

A military spokesman estimated that the prisoners would total "near 175,000" when the last of the hold-out detachments were rounded up in the offensive launched May 5.

All organized resistance had ended.

The Allied air force, with no more targets in North Africa, moved its aerial offensive across the Mediterranean.

German and Italian armies were crushed and their commander in chief, Col. Gen. Jürgen von Arnim, was among the 150,000 captives already counted.

Clever Maneuvers Used

Von Arnim Refuses Terms

BRITISH FIRST ARMY HEADQUARTERS, TUNISIA — (AP) — Dusty, strained Col. Gen. Jürgen von Arnim, captured commander of the conquered Axis forces in Africa, refused to sign the surrender terms of Lieut. Gen. K. A. N. Anderson and was sent to the rear Thursday more anxious about his baggage than his troops.

Driven nearly 100 miles in an automobile after sending out envoys with a white flag and surrendering, von Arnim was received Wednesday night by Gen. Anderson in the tent in a green pasture from which he directed the drive of his forces.

Gen. Anderson's refused terms were that the enemy cease destruction of war material, relinquish weapons undamaged, give details of mine fields and aid in demobilization—but the refusal was academic.

Gen. Anderson himself told war correspondents that it didn't matter anyhow, underlying the completeness of the Axis debacle.

Final Bomb Dropped

Allied armies dropped their final bomb in Africa at mid-morning Wednesday. It was dropped by the Desert Air Force, which loosed its first one June 11, 1940, on Tobruk the day after Italy entered the war.

But the air force announced there would be no letup. It means merely that its attacks will be concentrated across the Mediterranean.

Rain Forecast As Temperature Drops

Cooler weather sent Midland citizens scurrying for their coats again Thursday as a light rain was forecast by government observers.

The temperature dropped from a high of 88 degrees at 5 p.m. Wednesday to 50 degrees at noon Thursday, the recording thermometer at the West Texas Gas Company showed.

Clouds hung over the Midland area Thursday morning.

Arkansas River Floods Causing Heavy Damages

FORT SMITH, ARK. — (AP) — The worst Arkansas River flood in history gushed down the lower valley Thursday, topping or smashing levees and flooding additional thousands of acres after cresting here at 41.7 feet—3.7 feet higher than the record stage which had stood 110 years.

Receding here almost as rapidly as it had risen, the river left its wake six known dead, 22 missing, hundreds homeless and untold property damage in Oklahoma as it pushed its burden into Arkansas. Seven of the missing were Camp Gruber, Okla., soldiers who were engaged in rescue work.

War Bulletins

ALLIED HEADQUARTERS IN NORTH AFRICA — (AP)

The Italian General Giovanni Messe surrendered Thursday to the British Eighth Army and it was reported here, but not confirmed, that one of the sons-in-law of King Vittorio Emanuele of Italy gave up with him.

LONDON — (AP) — Amid mounting speculation on when and where the Allies would strike next, the Admiralty repeated Thursday an order that all small craft except those officially authorized must be immobilized or taken out of the water from the Eastern Scottish coast just below the Firth of Forth down the east coast and around the channel coast up to Lynmouth on the Bristol Channel.

STOCKHOLM — (AP) — Anti-Nazi German circles reported to the Göteborg newspaper Handels Tidning Thursday that Premier Mussolini had sent a peremptory demand to Adolf Hitler for anti-aircraft artillery and planes to defend Italy. They declared that the tone of Mussolini's demand had caused astonishment at Hitler's headquarters.

CAIRO — (AP) — British long-range fighters sank a small enemy sailing vessel and damaged at least five others in forays over the Aegean Sea Wednesday, a Middle East air communique announced Thursday. A harbor on the Greek Island of Syros also was bombed and an enemy seaplane was shot down. All RAF planes were reported to have returned.

Leaders May Be Discussing India As Base For Jap Drive

WASHINGTON — (AP) — The strategic possibilities of India as a base for major operations against Japan apparently constitute one of the main questions under discussion among President Roosevelt, Prime Minister Churchill, and their top-flight military and naval commanders gathered here for decisions on future war plans.

Disclosure that British General Sir Archibald P. Wavell, supreme commander in the India-Burma theater, had arrived led to speculation that a vastly more active role for that sector of the front against Japan is in the making.

Routes To Be Opened

With Wavell came Admiral Sir James Somerville, commander in chief of Britain's eastern fleet, based on Ceylon, and Air Chief Marshal Sir Richard Peirse, the theater air commander.

These three direct the only land, sea and air forces in position to open a route for heavy movement of supplies to China — the Burma road. That the enemy controls this road has become of extreme importance for two reasons:

First, the re-opening of the Mediterranean as a result of the Allied clean-up in North Africa so shortens shipping routes to India that delivery of greatly increased material there this summer seems certain.

Second, until those supplies can be transhipped to the Chinese armies and the American air force in China the full weight of Allied military power cannot be brought to bear on Japan's Asiatic flank.

Situation More Fluid

The situation regarding the war with Japan appears to be more fluid, however, and most authorities would not be surprised if important decisions for its development were reached at the current Washington meeting.

Theoretically Japan is now encircled, but the ring needs to be drawn tighter and vital resources and bases must be cut off from her before the encirclement begins to squeeze. The only active threat to the vital interests of the island empire at present is posed by American naval and air forces in the Pacific.

Frank Higgs Tells New Bombardiers Allies' Main Problem Now Is In Asia

Frank Higgs, chief pilot of the China National Aviation Corporation, asserted "the Asiatic theater of operations is the real theater" in his address to Class 43-7 graduates at the Midland AAF Bombardier School Thursday morning.

"The Asiatic problem is the main problem, those of us who have been in the middle of it feel."

Higgs, a civilian employee of the Chinese government, has been in the China theater seven years. His experiences have covered the entire breadth of the Chinese-Japanese war, including the flying of numerous cargo loads of supplies and ammunition from India to China when the Burma road was closed by the Japs.

Stressing the strength and fine quality of American equipment, Higgs pointed out that the B-17's, B-24's and P-40's almost always came back from their combat missions, while tests with all kinds of Japanese equipment had proven them to be of inferior quality.

Some pilots of the Gen. Chennault's American Volunteer Group, when running out of ammunition, merely "toyed" with the Jap zeros until they got on their tail and then dove, he explained. The result was the Jap pilot swinging in the harness of his parachute since "the normal way to lose altitude in a zero was to pull the wings off of it."

P-40 Pilot Got Five Zeros

Another instance was related by Higgs where a P-40 pilot shot down four Japanese bombers and then

Magnolia 20 State-Walton In Winkler Flows Over 51 Barrels Of Oil Hourly

By Frank Gardner, Oil Editor

Flowing slightly more than 51 barrels of 42.5-gravity oil per hour through 1 1/2-inch choke on 2-inch tubing, Magnolia Petroleum Company No. 20 State-Walton, North Central Winkler County Ordovician discovery well, commanded top interest Thursday.

After gun-perforating 4 3/4-inch casing with 64 shots from 10,873 to 10,705 feet, operators ran tubing and displaced mud with water. Water was displaced with oil and the well kept on flowing. After flowing out circulating oil it gauged 55 barrels of new oil the first hour, 44 the second, 59 the third, 44 the fourth, 59 the fifth, 39 the sixth and 59 the seventh hour. Gas-oil ratio was 1,480-1. The well had 800 pounds flowing pressure on tubing. When shut in for 30 minutes, its tubing pressure increased to 1,000 pounds. At last reports, operators had resumed flowing the well.

No. 20 State-Walton topped the Eilenburger, lower Ordovician, at 10,460 feet, showing gas-distillate in the top part of that formation, and entered the oil-bearing formation at 10,640 feet. It halted drilling at 10,774 feet, where casing was

Churchill Will Address Solons Next Wednesday

WASHINGTON — (AP) — Prime Minister Winston Churchill has scheduled for Friday afternoon (9 p. m. CWT) will be almost entirely for home consumption in England, Theme Not Given

It will carry out a promise made before the prime minister came to the United States to honor the anniversary of the British Home Guards. American networks will carry the address if they wish.

Whether Churchill's speech to Congress will be broadcast is up to Rayburn.

What the theme of it will be and whether it will give any clues to reasons for the current Roosevelt-Churchill meeting, the White House did not say. But it will give the prime minister a forum for analyzing the Tunisian victory and its relation to the future conduct of the war, if he wants to make this use of it.

Shipping Losses In Moving Troops Low

ALLIED HEADQUARTERS IN NORTH AFRICA — (AP) — Shipping losses in moving the enormous number of men and supplies into North Africa for the Allied campaign have amounted to 2.16 percent of the total traffic, it was announced officially Thursday.

In the six-month period from Nov. 8, 1942, to May 8 of this year a total of more than 11,000,000 gross tons of shipping arrived in North African ports, including Casablanca, from the United Kingdom and the United States.

Since the traffic goes both ways, the tonnage actually escorted by the American and British navies thus was more than 22,000,000 tons.

Armed Uprisings Reported

From Berlin is was reported that 150 Frenchmen had been arrested in Vichy on charges of plotting against Pierre Laval. Laval himself, the Vichy radio said, has been summoned to a conference in Paris with representatives of German and Italian military commanders in France.

Through Stockholm came reports of armed uprising against German forces in Lithuania, Latvia and Estonia, while in Yugoslavia General Draja Mihailovic's guerrillas were reported to have inflicted a sharp defeat on Italian troops.

Scheduled Statement By Lewis Postponed

WASHINGTON — (AP) — John L. Lewis, president of the United Mine Workers, planned to return to New York Thursday after a one-day visit in the capital which he said had no particular significance.

The union chief had promised a statement on the coal situation Wednesday but postponed it without giving any explanation, and his office said it could not say whether any developments were in progress.

Armed Uprisings Rage In Holland

LONDON — (AP) — Reports from the continent Thursday said revolt was raging in occupied Holland and had spread "like wildfire" across the border into Belgium, where there was a series of attacks on German troops, military establishments and communications.

Reverberations of the Allied victory in Africa were said to be shaking the whole of Hitler's Europe.

Accounts of sabotage, armed clashes and general resistance poured in from Poland, Norway, Yugoslavia and Greece, but the Dutch and Belgians appeared to be giving Nazi occupation forces the greatest trouble.

There were indications in reports reaching here that the Germans were sending additional troops into the Low Countries, but it was not clear whether this was in anticipation of an Allied invasion or to suppress rebellion.

Belgian patriots were reported to have stormed a military garage in Ghent, killing 14 guards and demolishing 11 trucks with hand grenades. Others derailed and wrecked three trains on the Malines-Louvain and Namur-Huy lines, local sources said. One train was said to have carried troops entering Belgium, many of whom were killed. The other two trains carried munitions, it was reported.

Advices from the continent said railways were being attacked at so many points that the Germans were detaining special guards armed with machine-guns on each car.

A similar report came from Warsaw, where a locomotive was said to have been badly damaged just as it entered a station. A German railway inspector killed the Polish engineer and the fireman on the spot, the report said, whereupon Polish workmen beat the inspector and two other Germans to death with crowbars. Hastily-summoned Nazi troops were declared to have killed five Poles.

The Italians were said to have established an 8 p. m. curfew along the Mediterranean coast of France.

Meanwhile the Dutch government - in - exile in London urged Holland's 400,000 ex-servicemen to defy German orders to register for re-interment Thursday as news of the smashing Axis defeat in North Africa inspired new unrest in Adolph Hitler's European citadel.

The Dutch appeal, broadcast by the Free Netherlands station Radio Orange, warned the ex-servicemen that the Germans intended to make them "labor slaves" and advised them to defend themselves against attempts at arrest.

The broadcast represented an unprecedented action on the part of the exiled government, which thus — by implication, at any rate — advocated for the first time a policy of outright physical resistance in the homeland.

Soviets Take Vital Height

LONDON — (AP) — Russian troops in a resurgence of fighting in the Donets River Valley around Lisichansk, about 125 miles southeast of Kharkov, have occupied a hill described in the Soviet news communique Thursday as a "height of great tactical importance" after rolling back German armor and crushing an enemy wedge thrust into a town held by the Russians.

More than 1,000 Germans were killed and about 1,000 were captured along with a great store of military equipment in a battle which continued Wednesday night, Russian war bulletins said. They were recorded here by the Soviet Radio monitor.

Nazi Attack Beaten

Temporarily, the outbreak overshadowed the steady, grinding drive by the Red Army against the line of German fortifications outside of Novorossiisk where a German counter-attack was thrust back and Red Army artillery kept up its attacks on the German blockhouses and artillery posts.

The German high command said that Red Army attacks were repulsed both on the Kuban bridgehead and north of Lisichansk. The communique, broadcast from Berlin and recorded by The Associated Press, credited Nazi fighter planes with sinking a 3,000-ton freighter in the Arctic Sea.

Moscow, in a special broadcast, said the Red air force had inflicted heavy damage in 12 more raids on German communications centers, bringing the total of such attacks to more than 50 in four consecutive days.

18 Planes Destroyed

The midnight communique said that in aerial battles 18 more German planes were shot down with a loss of five Soviet craft.

The noon communique said that a German bomber attempting to raid Leningrad was shot down by anti-aircraft defenses.

Artillery duels on the Leningrad and Kalinin fronts, and west of Rostov, and scouting skirmishes on the Smolensk front marked developments in other sectors.

WEATHER
Slightly cooler, light rains.

Plan To Save Baby Chicks

One of the government's latest ideas to help win the war, complete with a "collaborator" in charge instead of mere "coordinator" and with a lot of other four-dollar words thrown in for good measure, is a program to decrease the infant mortality of chickens. Don't laugh. This is the slaughter of baby pigs program in reverse and it makes sense.

While you go your carefree way about your daily affairs, all unbeknownst and without ever a tear shed in their memory, millions of baby chicks die every day. Even poultrymen are hardened to this terrible loss of chicken life, figuring philosophically that this is just prodigal Mother Nature's raw, rough way, and nothing much could be done about it. Some of these baby chicks just starve to death because they never learn to eat. Others get germs, bugs, parasites and worms and die.

Some of the poultry specialists at the Department of Agriculture got to worrying about this, as a factor contributing to the food shortage. Sharpening their pencils, they figured that if the present terrible infant mortality rates among baby chicks could be reduced just 5 per cent, and if these chicks could be raised to maturity there might be 100 million more pounds of chicken to eat, and 200 million dozen more eggs to fry. Reducing this to a per capita basis, it would mean from three to four more chicken dinners and over a dozen more eggs for every man, woman and child in the country per year. Considering the meat scarcity, that's something.

The result is this new government program to do something constructive about lengthening the lives of all these poor little baby chicks. John R. Mohler, chief of the Bureau of Animal Industry has picked Dr. Cliff D. Carpenter in charge of the campaign. Dr. Carpenter is what's known as a poultry pathologist and he also has to lug around the title of collaborator in poultry viability. Viability means livability, so Dr. Carpenter's job really boils down to propagandizing poultry raisers into taking care of their sick chicks, nursing them to health and useful lives as fine young cockerels and laying hens who will help beat Hitler because food will win the war.

What this "Poultry Conservation for Victory" program, as it's called aims to do is set the pace for the other food-animal industries. The infant mortality among baby pigs, for instance, is as high as it is for baby chicks. If more baby pigs could be brought to maturity, it would mean just that much more bacon and ham, spare-ribs and lard.

Incidentally, there being a shortage of stock feeds, one of the aims of the Bureau of Animal Industry is to distribute tables to show piggery operators how to get the most pork for the least amount of food. There's more lean hog meat, say the experts, in three 200-pound pigs than there is in two 300-pound pigs, and it takes less feed to raise the three 200-pounders than the two 300-pounders.

—Buy War Bonds And Savings Stamps—

Sweden Objects

In 1916 and 1917 imperial Germany misjudged the amount of slapping around that the United States would endure. Perhaps she was deceived by our re-election of a president who had "kept us out of war." The misjudgment of the Reich's World War I military leaders cost Germany the victory.

Today Hitler is pushing little Sweden around in much the same manner, forcing her hand in apparent belief that she is too tiny to dare make a stand. Two years ago he might have been correct, as a matter of military power politics. One year ago the Swedes might have been forced to accede. Today their position is a changed one.

There is growing evidence that if Hitler forces the issue much further, he may have cause to regret his over-confidence.

On April 16 the Swedish submarine Ulven disappeared in coastal waters. Three days later the commander of her sister ship the Draken reported that, in Swedish waters, he had been fired on by the armed German merchantman Altkirch. The Nazis admitted this, with a cock-and-bull story seeking to justify the aggression. In searching for the Ulven, divers found that the Germans had laid mine fields in Swedish waters. It is believed that one of those mines probably sank the Ulven.

These events came on top of discovery that a Nazi plane, flying over Sweden, was carrying arms in contravention of explicit agreement between the two nations. Simultaneously there was public agitation about Nazi soldiers crossing Sweden to and from Norway, on leave. Then high Nazi military officials began wandering around Norway in sight of the Swedish border.

The Swedish government and press are becoming belligerent in their attitude toward these episodes, and are warning Hitler that repetitions will be discouraged by armed force. The people are howling down Nazi propagandists; ten men selling anti-Jewish literature in Vasteras had to be saved by the police from a menacing crowd.

Sweden is not a great military power and, on even terms, Germany could take her without working up so much as a decent lather. But terms aren't even. Germany has lost the initiative everywhere, and is now a rat showing its teeth in an ever-narrowing corner.

With help from the Allies, Sweden could help drive the last nail into Hitler's coffin. Her entry into the war might provide that northern bridgehead that we need, at a lower cost than otherwise.

Currently an island "aircraft carrier" for the axis, Sicily may become a stepping stone for the allied invasion of Europe. Axis troops, planes and supplies were sent to the Tunisian front via this "football" just off the toe of Italy's boot. Now as the last acres of North Africa come under allied control, Sicily looms as the first point for attack in Europe.

Axis Troops Give Up To Anyone Having Time To Take Them In Last Hectic Day Of Fighting In North Africa

By Daniel De Luce
ON CAP BON PENINSULA, TUNISIA, (Delayed)—(P)—The German fighting spirit ebbed to nothingness and tens of thousands of Nazi soldiers threw up many arms and raised white flags in surrender to a squadron of British armored cars that reached Cap Bon's lighthouse hill. This is one of the most incredible sights of the war.

Look at the orderly columns of infantry, grenadiers, gunners, armored crewmen, air force detachments and supply troops marching to three Tommies at the crossroads just east of the whitewashed bombed, earthen homes of Haouaria Village. The Germans made no real attempt to hold Cap Bon. They quit cold.

Germans Want To Quit
As an unarmed non-combatant war correspondent, I had a rare experience when a captain of the famous Goering division stopped me on the road, where no British were in view. On his sleeve he wore a blue band with the full name of the number two Nazi.

Saluting as his Adam's apple bobbed nervously, he said his company was complete, including a field kitchen, and was ready to die in its own vehicles to any destination I could name.

New U. S. Gun Is Superior To Best Used By Germans

EL PASO —(P)—American anti-aircraft strength is being bolstered by development of a new gun designed to match a five-inch barrel in the possession of the Germans.

Brig. Gen. W. L. Richardson, brigade commander at Fort Bliss, told newsmen making a transcontinental tour of war installations that the new anti-aircraft gun is compared to that Germany is using in defense of its cities.

The calibre of the new weapon cannot be disclosed, Gen. Richardson said, but it is semi-mobile. Gen. Richardson also disclosed that the efficiency of American aircraft, shooting against unseen targets at night and in fog, is approaching the status of firing against visual targets. He said that "Radar," the instrument designed to locate unseen aircraft by radio and direct anti-aircraft fire to it automatically, is permitting us to fire almost as effectively against unseen targets at night as we do against visual ones in the daytime.

Gen. Richardson spoke during a spectacular night demonstration of anti-aircraft firing with 50 searchlights of 80,000,000 candlepower facing the sky as 50 calibre machine guns and 40 and 90 millimeter guns fired at towed targets. Radio controlled planes and rockets traveling 400 miles an hour were used as targets. They are eight feet long, have a wingspread of 12 feet and are powered by a six-horsepower engine. They can stay in the air for an hour and 10 minutes on five curbs of gasoline and can be made to maneuver like a full-size plane.

When the radio-controlled plane is hit seriously and begins to fall a parachute opens automatically.

Union Strike Ties Up Akron Transportation

AKRON, O. —(P)—A strike by CIO bus and street operators Thursday tied up Akron's mass transportation system, making thousands of war workers dependent upon motorists to get to their jobs on time.

The operators, members of the CIO Transport Workers Union, threatened a strike several weeks ago to enforce wage demands, but continued working at request of the War Labor Board which has union wage demands under consideration.

India is both the world's largest producer and consumer of coconuts. It has 1,500,000 acres of coconut trees under cultivation, yielding a crop of 3,500,000 units.

Axis Troops Give Up To Anyone Having Time To Take Them In Last Hectic Day Of Fighting In North Africa

"Marshschieren sie weiter" (march on farther) was all I could reply, pointing in the direction of Tunis. The German crackup along the main west road has been so suddenly complete that the greatest hazard I have encountered was from an Allied fighter bomber raid at 2:30 p.m. which set the hilly brush afire a half-mile from where I was hastily lurching on sauerkraut and brown bread.

No Evacuation Attempt
There is no trace of an evacuation; I have been down to the sea on both sides of the cape and all I saw was one rowboat—full of natives," an armored car commander declared. "Hitler must have wiped out this business as a complete loss."

Standing at the crossroads with Tommies gleefully loaded down with enemy pistols, binoculars and other expensive military gear, you meet face to face the big parade of defeat.

All of the enemy cars converging here fly the white flag, and troops aboard hold out white handkerchiefs and undershirts to make sure the handful of British recognize their intentions. German colonels drive up in their own "volkswagen" or long captured American jeeps. They turn in their luger automatics to a squat, grinning British private who waves them on along the dusty route to Tunis with his bayoneted rifle.

Home Demonstration Groups Hold Two-Day School Here

A two day training school of home demonstration agents was concluded Wednesday afternoon in the assembly room of the county court house.

A chair seating demonstration featured, directed by Mrs. Bernice Clayton, extension specialist in interior home improvement. Materials used for the settings were such as grasses, corn shuckings and twisted fibre and the chairs ranged from the common kitchen chair to the high backed walnut. Different weaving designs for canning were used.

Mrs. Ruth Thompson of District Six was present, and County Home demonstration agents who attended the meeting were Mrs. Vera Crippen of Mitchell County, Reta Merle Boyles of Howard County, Fern Hodge of Martin County, Orella Hunt of Ward County, Mrs. Nettie Bell Messick of Upton County and Miss Alpha Lynn of Midland.

California Prisoners Eligible For Service

SAN FRANCISCO —(P)—By signing a selective service paroles bill, Gov. Earl Warren made an estimated 1,000 men in California city, county and state prisons potentially Thursday for service in the armed forces.

A flake or ball of snow forms the nucleus of a hailstone.

City Council Hears Request For Improvements In Negro Section

The City Council late Wednesday approved a budget for the Midland Health Unit for the fiscal year, starting July 1, and heard requests for improved sanitation and recreation facilities in the negro area of the city.

The health unit's budget for Midland County will total \$6,900. The city will provide \$3,460 and Mayor A. N. Hendrickson said Midland County would pay \$3,440. Ector and Howard counties have been asked to pay similar amounts for health work.

The council also agreed to cooperate with the county and the Garden Club in providing shrubbery to be placed around the new building of the health center. Committee Visits Council

Recommendations for improvements in the negro section were presented by the project committee of the Council of Church Women which seeks better conditions in the Mexican and negro sections. Members of the committee who attended the council meeting are Mrs. S. H. Hudkins, Mrs. Charles Klapproth and Mrs. Ernest Sidwell. Mrs. Klapproth explained the work of the committee, told of conditions in the sections and asked the improvements. She presented a list of "goals" of the negro health committee which were signed by the Rev. H. F. Doyle, negro.

Better drainage, more street lights, more water hydrants and fire hydrants, additional sewers, a park, a library, trees for the negro cemetery, and street markers are among improvements sought for the area.

Mayor Hendrickson said it would be difficult to obtain pipe for any water or sewer extensions at this time and said the council's recreation committee would investigate the possibility of purchasing land and developing a park in the area. Other recommendations will be studied.

The council agreed to cooperate with the Midland AAF Bombardier School in opening the Pagoda swimming pool again this year. The Army plans to lease the pool and the city will furnish water. Under the plan, arrangements will be made for boys and girls of Midland to use the pool on certain days of each week. At other times it will be used by the Bombardier School's men.

A special study of a large number of stillbirths in hospitals revealed that more than half (58 per cent) died before labor; the remainder (42 per cent) died during labor. Premature birth, birth injury or congenital malformation is usually the cause of death of a stillborn infant who dies during labor. Here again, the importance of good prenatal care and delivery care in prevention of stillbirth is very evident. Many thousand stillbirths can be prevented each year. Those lives should not be sacrificed if they are preventable.

Girl Charged With Murder In Shooting Of Friend's Spouse

FORT WORTH —(P)— Held in county jail without bond on a charge of murder in the fatal shooting of J. B. Disney, 43, Kathleen Latham, 23, worker at Consolidated Vultee Irrigat plant and a graduate of Texas State College for Women at Denton, said in a statement Wednesday admitting the shooting that she went to the Disney home to "talk things over with him and his wife."

In the statement, witnessed by a newspaperman, Miss Latham said she had met Mrs. Disney at the aircraft plant and had luncheon with her on two or three occasions. Miss Latham's statement said she went to the Disney residence after Mrs. Disney had informed her that her husband was going to file an injunction suit to restrain Miss Latham from continuing attempts to see his wife.

Disney and Mrs. Disney also were employed at the bomber plant.

Mrs. Louis F. Caddell and son, Roger L., 1106 West Kentucky, will leave Saturday for Plainview where they will spend six weeks as guests of Mrs. Caddell's mother, Mrs. C. E. White.

Dorothy Lee Mixon To Be Bride Of Howard R. Hammett In Service Here

A wedding of more than usual interest will be solemnized Thursday evening at 6:30 o'clock when Miss Dorothy Lee Mixon, daughter of Mr. and Mrs. Arthur F. Mixon, 3101 West Cliff Drive, Fort Worth, and Howard R. Hammett, son of Mr. and Mrs. Fred W. Hammett of Tulsa will be united in marriage in the Trinity Episcopal church.

The Episcopal double ring ceremony will be performed by the Rev. Sherwood S. Clayton in the presence of relatives and a few close friends of the bride and groom.

Mrs. Sam D. Salt, Fort Worth, sister of the bride will be matron of honor. The bride will wear a dressmaker suit of beige, with self-colored lace trim and her accessories are to be brown. Her flowers will be a corsage of gardenias.

Mrs. Salt will wear a dressmaker suit of navy, with which she will wear blue and yellow accessories. Her flowers will be a yellow Dutch iris corsage.

The bride, who is well known socially in Fort Worth, is a graduate of Paschal High School. The groom is a graduate of Tulsa University and is stationed at the Midland AAF Bombardier School.

A wedding reception in the home of Mr. and Mrs. D. C. Sivalis, 811 West Louisiana, will follow the service. A wedding dinner at 8 p.m. will honor the bride and groom in the private dining-room of the Scharbauer Hotel. The central figures for the table will be white roses and stephanotis. Places will be marked for the bride and groom, Mr. and Mrs. Arthur F. Mixon, parents of the bride; Mrs. Sam D. Salt and Mrs. Williams R. Green, sisters of the bride, all of Fort Worth; Mr. and Mrs. Sivalis, Mr. and Mrs. Truman Fuller of Odessa, Misses Mary Martha and Betty Sivalis, Miss Madge O'Neill, of Fort Worth.

Watson School Presents Pupils From Courtney

Courtney students of the Watson School of Music were presented in recital Wednesday morning at the school when a capacity audience greeted the musicians.

The event was the second of a series of recitals being given this spring. Two more recitals are scheduled for the Crystal Ballroom of the Scharbauer Hotel.

The following program was presented: Spirit of Youth March, Foden, orchestra; piano, Pixies Gavotte, Brown, Peggy Rose Cross; violin, Sobre las Olas, Rosas, Gene Clements, Mary Edith Clements at the piano; piano, A Musical Carnival, Rolfe, Brenda Ann Hazelwood; guitar, Glissanda Waltz, Hayden, Billie Joy Angel; piano, The Busy, Busy Bugle, Gaynor, Gail Blocker; mandolin, Robin Hood, Anon, Tom Angel; piano, Arpeggio Waltz, Carey, Darline Livingston; guitar, Bee March, Miller, Reta Marie Livingston; piano, The Hop Toad, Arnold, Delma Dodson; Hawaiian and Spanish guitar, Harmony Waltz, Manaloff, Bettie Floyd and Reta Marie Livingston; piano, Garland Waltz, Hopkins, Patsy Smith; violin and guitar, Mermald Schottish, Foden, Walyland, Reta Marie and Darline Livingston; piano, Dance of the Cotton Pickers, Anon, Marie Lou Flanagan; violin, Barcarolle, Offenbach, Troy Gene Alcorn, Alice Ruth Cross at the piano; piano, Twinkling Toes, Carey, Ruth Parker; guitar, Victory Is Coming, Ned Watson, Bob Cross; piano, Reveling Pixies, McDairey, Mary Edith Clements; guitar solo, Old Black Joe, Foster, Gladys Lay; piano, Dance of the Daffodils, Adair, Vernon Adams; piano, Dance of the Rosebuds, Keats, Francis Marie Rhodes; two mandolins and guitar, Valse Bandorea, Ned Watson and Golden Dawn, Sherwood, Taylor Cross, Bob Cross, Ned Watson; piano, Home on the Range, Wallis, John Harvard; piano, Spring Dawn, Mason, Alice Ruth Cross; Cuban Bells, Foden, orchestra.

Girls Auxiliary To Stage Wiener Roast

The Girls' Auxiliary of the First Baptist Church, known as the Isuko Saito group, will entertain with a wiener roast in the garden of the home of Mrs. R. O. Collins, 701 North Big Spring, Thursday evening.

Prayer and group activities featured the Wednesday evening meeting in the recreation room of the church.

Mrs. R. O. Collins entertained the group Tuesday afternoon when Mrs. E. F. Conner discussed focus work.

The devotional was under the leadership of Miss Faye Shelburn. Other members of the group participated in the program, "The Witness of the Bible," which was the subject for the afternoon.

On Friday afternoon a group of the girls will be sent on community mission visits.

A recognition service will be given the members Sunday evening in the First Baptist Church, it was announced.

A social hour and refreshments closed the meeting. Present were Edith Ray Collins, Eddie Jo Bryan, Faye Shelburn, Nadine Clements, Barbara Brown, Dorothy Shelburn, Thelma Jo Brown, Dorothy Rose Otho, and the hostess.

Lewie Bleiker of Texline was in Midland Wednesday on business and to visit relatives and friends.

Deceiver

SCREEN actress Lynn Bari looks as if she were showing off a new suit—but it's really a dress. The deep tuck just below the hip-line makes this one-piece frock look like a two-piece suit. It's of lightweight beige wool, with set-in pique vestee and pique cuffs.

Wiener Roast Is Scheduled For Friday

A meeting in the recreation hall of the First Methodist Church will be held by the Young People's Society of the church at 7:45 p. m. Friday.

A wiener roast will follow the meeting when the group will proceed to a park or picnic ground. Service men of the Midland AAF Bombardier School are especially invited.

Shriners To Dance At Scharbauer Hotel

Shriners and their ladies of Midland and its trade territory will dance at Hotel Scharbauer Saturday evening. The informal dance is sponsored by El Maida Temple of El Paso.

Veteran Shriners of this area believe it is the first time the Shrine has staged a dance here. All visiting Shriners and their ladies of West Texas are invited.

"Wear your fez," is the instruction to Shriners.

Walter T. Ponsford is potentate of El Maida Temple and John W. Gibb is recorder.

Sykes-St. Onge Vows Exchanged Here

A wedding of interest was solemnized Tuesday evening in the home of the Rev. Vernon Yearby, pastor of the First Baptist Church, when Miss Grace Sykes of Fulton, New York, became the bride of Cadet Edward St. Onge, also of Fulton.

The Episcopal double-ring service was read at 7 p. m. and the bride and groom were unattended. The bride was becomingly attired in tailored costume of apple green jersey, with which she wore a corsage of gardenias.

Cadet St. Onge is stationed at the Midland AAF Bombardier School.

Kate Smith swaps stories with Shirley Pearl of Long Beach, Cal.

"DEAR KATE SMITH," writes Shirley Pearl, "I am a girl 12 years old, who took cooking at Junior High School and loved it. So I thought it my duty to write you about your wonderful Calumet Baking Powder. Our school uses it because it is double-acting and money-saving. The can lasts such a long, long time. And almost every girl's mother in our cooking class uses it now because we proved it's wonderful!"

KATE WRITES BACK, "Shirley, your letter is one of the most interesting I've received. Because it shows that if a whole class of girls, just learning to cook, can make things their mothers all agree are wonderful, why, anybody can be a baking whiz with dependable Double-Acting Calumet. "Here's a tasty new recipe you might like. I'll bet Mother will say this is 'wonderful,' too!" *Listen to "KATE SMITH SPEAKS," CBS Network

Try Kate's Strawberry Shortcake

3 cups sifted Swans Down Cake Flour
3 teaspoons Calumet Baking Powder
2 quarts strawberries, washed and hulled
1 teaspoon salt
1/2 cup shortening
3/4 cup milk
Sift flour once, measure, add baking powder and salt, and sift again. Cut in shortening; add milk all at once and stir carefully until all flour is dampened. Then stir vigorously until mixture forms a soft dough and follows spoon around bowl. Turn out immediately on lightly floured board and knead 30 seconds. Roll 1/4 inch thick into sheet, 16x8 inches. Cut in half. Fit one half into well-greased 9x2-inch pan. Brush with melted shortening. Fit second layer of dough into pan. Brush with melted shortening. Bake in hot oven (450° F.) 15 to 20 minutes. Reserve about 1/2 cup whole strawberries for garnish; cut remaining berries in small pieces and sweeten slightly. Separate halves of hot shortcake; spread bottom half with part of strawberries. Adjust top and spread with remaining berries. Garnish with whole berries. Serve with cream if desired. Serves 8. (All measurements are level.)

Luncheon Of Fine Arts Club Points To Values Of Calories And Vitamins

Mrs. E. H. Ellison, 1411 Holloway, opened her home Wednesday to the meeting of Fine Arts Club, when a nutrition luncheon was served as a demonstration of a nutritious meal in keeping with the outlined program for the day, titled "Building More Life Through Health and Safety."

The menu included shrimp creole, buttered asparagus, cole slaw, soy bean bread, a combination of fruits, cookies and iced tea. This menu was planned with vitamins and calories needed for health. A suggested menu for breakfast and one for dinner for the same day was given, with a dominant idea of balanced vitamins.

The table was attractive with central figure of spring flowers, and each place card bore a daintily hand-painted vegetable.

Mrs. J. M. White was acting president for the day. Roll call responses were the names of some health foods that everyone should eat, or a health habit everyone should practice.

Places were marked for Mesdames E. H. Barron, T. Paul Barron, John C. Bebo, Fred H. Fuhrman, J. How-

'Bubblin' Over' Is Due May 25-Save Date For Big Show

Save the date! It's May 25—when 'Bubblin' Over, latest USO-Camp show, will play two performances at the Midland Army Air Field. It is a gala Broadway variety show with a cast of big-time performers and will be presented free to the military personnel of the Bombardier College.

A featured number which is being discussed by the service men is the Madelyn Wallace Girls, a sextette of specialists in tap, acrobatic and ball dancing. Their dances are fast and peppy routines, done in the modern manner.

The comedy routine is handled by an expert on everything in general and nothing in particular. He is "Senator" Murphy, who admits that he is "the man who can out-argue anybody on anything."

Capt. A. C. Nuttall has returned to his post in Nebraska after a visit here. Mrs. Nuttall will remain in Stanton for a visit with her parents. Mrs. Wilma Weaver entertained Capt. and Mrs. Nuttall for several days here.

Red Cross Here Has Filled Its Dressings Quota

The Red Cross surgical dressings headquarters in the courthouse will be closed until further notice, because the quota of surgical dressings have been filled.

The quota for Midland County, 27,000 surgical dressings, has already been completed. Mrs. P. H. Liberty, co-chairman and assistant to Mrs. A. N. Hendrickson, chairman, said.

MAJOR GENERAL FUQUA DIES IN NEW YORK

NEW YORK (AP)—Maj. Gen. Stephen O. Fuqua, 68, U. S. A., retired, formerly the Army's chief of infantry and later American military attache in Madrid during the Spanish civil war, died of a heart ailment Tuesday night.

LEARN THE TRUTH ABOUT BOWEL WORMS

Nobody is sure to escape. And roundworms can cause real trouble inside you or your child. Watch for the warning signs: uneasy stomach, nervousness, itchy nose or seat. Get Jayne's Vermifuge right away! JAYNE'S is America's leading proprietary worm medicine; used by millions for over a century. Acts gently, yet drives out roundworms. Demand JAYNE'S VERMIFUGE.

More Than 75,000 Aircraft Will Be Produced In 1943

WASHINGTON—(AP)—President Roosevelt's new 1943 aircraft production goal—911,000,000 pounds—apparently means about 75,000 planes.

While this figure is much smaller than his original goal of 125,000 planes, announced early in the war, this year's output figured on a weight basis will equal 150,000 planes of the 1942 vintage.

In 1942, the first year of real mass production, this country produced about 48,000 planes of all types with a total weight of 291,000,000 pounds, or an average of approximately 6,000 pounds per plane.

New Models Weigh More

Chairman Donald M. Nelson of the War Production Board predicts that the 1943 models will have an average weight twice as great as last year's. So 911,000,000 pounds of planes, each averaging 12,000 pounds, would mean between 75,000 and 76,000.

Mr. Roosevelt translated aircraft production, past and projected, into pounds to fully reflect the changes in heavier planes, particularly the growing output of four-engine bombers specially designed to carry the war to the enemy.

Next year's goal, as announced by the president, is 1,417,000,000 pounds. Assuming a further average increase in weight of 25 per cent—from 12,000 to 15,000 pounds per plane—this would mean about 90,000 planes.

Hitler Suffered From Hysterical Ails, M. D. Says

DETROIT—(AP)—Evidence that Adolf Hitler himself suffered from one of the war neuroses, hysterical blindness, for six months after the last war was presented to the American Psychiatric Association Thursday.

In hysterical blindness, the eyes are not impaired in any way, but due to worry, strain, escapism, or some other nervous upset the victim is really blind for a time.

The report was made by Victor A. Gondia, M.D., of Loyola University School of Medicine, Chicago. He described a case of hysterical blindness which he treated after the last war and in which sight was restored by the usual therapeutic measures making the victim understand that his eyes are all right.

"Hitler," he said, "had a similar blindness, and not, as he wants the world to believe, a blindness caused by mustard gas."

Dr. Gondia said his authority was a German medical man, named Othfried Forster, who he said died recently. Forster, he said, told him he found in 1932 in the records of the German war office this statement:

"Corporal Hitler suffered from hysterical amblyopia."

Amblyopia means blindness. Dr. Gondia said Forster gave him permission to use this report after his death.

East Tennessee Has Wacky Week

KNOXVILLE, TENN.—(AP)—A week of dizzy-doings in East Tennessee:

A chick was hatched in Chattanooga with three legs.

A couple asked the Knox County Court clerk for their marriage certificate, which couldn't be found on the records. The "newlyweds" were shocked to learn—after explaining their marriage license was stolen the night before the "wedding" along with the "bride's" purse—that they weren't legally married at all.

The mare on Wilson Ranch near Athens gave birth to twin mule colts, an event that occurs but once in several thousand such occasions.

A Johnson City lad, only 12 years old, obtained permission from his parents to ride a streamliner train to Knoxville and back just for the thrill of it. His imagination got the best of him and he caught a truck ride from Knoxville to Tallahassee, Fla., before homesickness caught up with him. On the return trip, he collapsed from hunger in Atlanta.

A lamb in an East Tennessee county was discovered—without any hooves.

'Possum Shows Up Just When Needed

KNOXVILLE, TENN.—(AP)—Three-year-old Carolyn Parks liked to run away into the woods near her parents' suburban home.

Her father, Floyd Parks, sought to discourage such sojourns by telling her an opossum would get her if she didn't stop her wanderings.

Carolyn immediately demanded to see such an animal. To quiet her pleadings her father took her on an imaginary hunt in the back yard. He poked in an old stump where—A mamma 'possum scowled with a brood of little ones.

Carolyn stays home now.

Sheriff Discovers Fugitive In Jail

CANON CITY, COLO.—(AP)—Sheriff Foster Benson spent two days hunting a fellow wanted on a check-forgery charge and then found him in his own jail. The prisoner had been arrested on a charge of drunkenness, by city officials, and sent to the sheriff's jail for safekeeping.

Prince Edward Island, smallest Canadian province, produced 18,900 pounds of honey during 1940.

Vitamins Come In Fresh Fruit

For vitamin C, use oranges and grapefruit as dessert and combined with vegetables in salads.

By Mrs. Gaynor Maddox
NEA Staff Writer

Fresh oranges, lemons and grapefruit supply vitamin C liberally. They are not rationed and not too expensive. Use them more often in salads, with other fruits and vegetables, to take the place of rationed canned vegetables or fresh vegetables skyhigh in price.

Two cups grapefruit sections, 2 cups orange slices, 6 cups finely shredded cabbage, 1 green pepper, 1 small can pimentos, 1 cup salted peanuts, 2/3 cup table oil, 6 tablespoons lemon juice, paprika, salt.

Combine orange, grapefruit, cabbage, finely sliced pepper and pimentos, and chopped peanuts in bowl; mix with French dressing made by combining table oil, lemon juice, paprika, and salt to taste. Serve on lettuce or in salad bowl.

White Gold Salad (Serves 6)
One cup grated raw parsnips, 2/3 cup orange sections, 1/2 cup shredded tart apple 1/2 cup mayonnaise, 2 tablespoons lemon juice.

Combine the peeled, grated raw parsnip, orange and apple; chill. Add lemon juice and mayonnaise to the parsnip mixture. Just before serving mix well.

Here's a luncheon dish which provides delicious non-rationed vitamins, minerals and the protein of shrimp.

Orange and Shrimp Salad (Serves 6)
Two cups cooked shrimp, 2 cups orange sections, 2 tablespoons mixed green pepper, 1/2 cup French dressing, lettuce or other greens.

Clean shrimp and toss together with orange sections and French dressing. Arrange on six individual beds of lettuce and garnish with green pepper.

Operator Says Oil Prices Below Parity

HOUSTON—(AP)—Commenting upon Wednesday's resolution by Rep. Wright Patman (D-Tex.), asking presidential intervention for an oil price increase, H. R. Cullen, large independent oil operator Thursday pointed out oil prices are from 50 to 60 per cent below parities of other commodities.

Oil prices, he noted, were stabilized long before the spiraling price level reached its present height.

Congratulations To

Mr. and Mrs. J. E. Haynes on the birth of a son Thursday.

Mrs. Frazier Is Presented With Lovely Gift

The W. M. U. of the Calvary Baptist Church met in the home of Mrs. R. C. Frazier Monday afternoon when the study for the day was "Community Missions."

Mrs. Frazier, the retiring president, was presented with a handsome gift by the members of the organization in appreciation of her work. Mrs. C. M. Tunnel will succeed Mrs. Frazier as president.

A social hour followed the program during which refreshments were served.

Present were Mesdames Hoyt Burris, W. G. Flournoy, B. F. Ward, C. E. Bishop, A. W. Smith, F. M. Morrow, J. C. Geo. T. A. De Vere, W. F. Smith, G. W. Williams, J. M. Moore, Leonard Jones, Walter Wingo, J. E. Byars, C. N. Tunnell, C. R. Scrivner, Frazier, Jessie Friday, and Miss Mary Louise Smith.

Church Leader To Preach In Midland

Dr. R. T. Williams of Kansas City, Mo., general superintendent of the Church of the Nazarene, will be guest speaker in special services Saturday night and Sunday morning at the Church of the Nazarene, Indiana and Big Spring Streets, the Rev. H. H. Hocker, pastor, announced Thursday.

Dr. Williams is recognized as one of the most forceful southern pulpites by an important religious journal.

He has served 28 years in the highest office of his denomination, and under his leadership, together with his colleagues, the church membership of the international organization has grown from 20,000 in 1915 to a total of 200,000.

The Texas-born churchman always is glad to return to his native state.

The benevolent giving of the denomination will reach \$8,000,000 for the current year, or approximately \$40 per capita. This record is credited mainly to Dr. Williams' strong conviction that giving must be kept on the plane of worship.

The public is invited to hear Dr. Williams.

Smart Jumper

So many expensive looking details... yoke in one with back, smart simulated pockets, set-in belt and slimming inverted pleat. Wonderful jumper for summer.

For this attractive pattern, send 15 cents, plus 1 cent for postage, in coins, with your name, address, pattern number and size to The Reporter-Telegram, Today's Pattern Service, 530 South Wells St., Chicago, Ill.

Now you can order a Summer issue of Fashion, our helpful sewing guide and pattern catalog! Contains over 100 new patterns, has information on care of clothing, how to make over, how to plan practical wardrobes. 25c per copy.

Daffodil Dessert

Lemon rolls with delicious filling enhance the menu.

By MRS. GAYNOR MADDOX
NEA Staff Writer

Here's a delicately yellow dessert for a feast. Only two teaspoons margarine or butter needed for 12 delectable lemon rolls. Better have them. The eggs will add protein to the diet and lightness to the rolls, and for such a holiday you won't object to using a little of your rationed sugar.

Individual Lemon Rolls (12 rolls)

Three-quarters cup sifted cake flour, 3/4 teaspoon combination baking powder, 1/4 teaspoon salt, 4 eggs, 3/4 cup sifted sugar, 1 teaspoon vanilla.

Sift flour once and measure. Combine baking powder, salt and eggs in bowl. Place over smaller bowl of hot water and beat with rotary egg beater, adding sugar gradually until mixture becomes thick and light-colored. Remove bowl from hot water. Fold in flour and vanilla. Turn into two 10x10-inch pans which have been greased,

lined with paper to within 1/2 inch of edge, and again greased. Bake in hot oven (400 F.) ten minutes. Quickly cut off crisp edges of cake. Turn out on cloth covered with powdered sugar; remove paper. Cut each cake into six pieces of equal size, spread thinly with lemon filling and roll. Wrap in cloth and cool on rack. Before serving, cover top with sifted confectioners' sugar or decorate with rosettes and borders of sweetened whipped cream, using pastry tube.

Lemon Filling (about 1 1/3 cups)

One cup sugar, 5 tablespoons sifted flour, dash of salt, 1 egg or 2 egg yolks, slightly beaten, 2/3 cup water, 1/3 cup lemon juice, 1 teaspoon grated lemon rind, 2 teaspoons butter or margarine.

Combine sugar, flour and salt in top of double boiler; add egg water, and lemon juice, mixing thoroughly. Place over boiling water and cook 10 minutes, stirring constantly. Add lemon rind and butter. Cool.

Coming Events

FRIDAY

The Children's Service League will meet with Mrs. Bert Cassidy, 804 North Big Spring.

The Belmont Bible Class will meet at 3:30 p. m. in the educational building of the First Methodist Church.

SATURDAY

The Progressive Club will hold a guest day luncheon at the Scharbauer Hotel.

Trouble For Nothing

KANSAS CITY —(AP)—Thieves ransacked the office of the Huselton and Trim Company, finding nothing—

But worried company officials wonder where to get the manpower to repair the pried basement window, the forced inside door and the jammed cash register.

Home Arts Club Celebrates Its Final Session

The Home Arts Club celebrated its final meeting of the season with a one o'clock luncheon in the Roosevelt Room of the Cactus Cafe Wednesday. The luncheon table was bright with roses in variegated tones, and a luncheon of beautiful appointments was served.

Mrs. P. R. Higginbotham, who has served as president during the last year, gave an impromptu talk and the new president, Mrs. R. S. Brooks, addressed the club.

Places were marked for Mesdames Al Boring, Paul Filson, A. A. Jones, John B. Mills, Marvin English, C. M. Dunnagan, P. R. Higginbotham, N. W. Righam, B. C. Girdler, Ernest Neill, R. S. Brooks, G. W. Brennehan, B. W. Stevens, Eula Mahoney, and Ivan Hood.

Young People's Society-First Methodist Church, winner roast and meeting, Recreation Hall, 7:45 p. m.

Mrs. Clara Hood Rugel has returned from San Antonio where she spent several days on business.

Kerr-Wilson Wedding Of Interest Here

A wedding of interest to their many friends was solemnized Wednesday evening in the First Baptist Church when Miss Mary Elizabeth Kerr, daughter of Mr. and Mrs. Charles W. Kerr, became the bride of Sgt. Clarence G. Wilson, son of Mr. and Mrs. Vance F. Wilson of Portersville, Pa.

The bride was becomingly attired in costume of powder blue, with which she wore white accessories. Her flowers were a corsage of gardenias. She was unattended.

The Rev. Vernon Yearby, pastor of the First Baptist Church, performed the ceremony in the presence of a limited number of relatives and close friends of the bride and groom.

Mrs. Joseph Mims, presiding at the organ, played softly during the service.

The bride, who was educated in Midland, is a graduate of the class of 1939. She has been associated in business recently with the Rotzinger Jewelry Company here.

The groom, a graduate of the Princeton High School of Portersville, Pa., is now stationed in Midland with the AAF Bombardier School. He is in the medical corps.

Bluebonnet Club Is Entertained

Delightfully informal was the meeting Wednesday afternoon when members of the Bluebonnet Club were entertained in the home of Mrs. Mary S. Ray, 401 North Loraine.

The hours were spent in needlework, and a social hour followed, during which refreshments were served. The tables were adorned with roses in a variety of tones. Special guests of the afternoon

were Mrs. Henry Butler and Mrs. Fred Middleton. Members present were Mesdames F. E. Ingham, W. A. Black, Brooks Pemberton, Laura Wright, M. L. Wyatt, and the hostess.

Mrs. Laura Wright will be hostess to the club in her home May 26.

American sailors must mark their names on their blankets in eight places for quick identification.

SERIAL STORY

Beth Carter, WAAC

BY LORETTE COOPER

COPYRIGHT, 1943, NEA SERVICE, INC.

THE STORY: Beth Carter, WAAC, and Major Brit Jackson are aboard a Flying Fortress bound for a tiny island in the Pacific. Major Jackson is commanding officer of a Coast Artillery Barrage Battalion whose duty it is to protect military operations from enemy air attack. Information leaks have been suspected and Beth is to assist in tracking them down. They are suddenly attacked by a pair of Jap fighter planes. When one of the gunners is wounded Beth takes his place.

DOUBT CHAPTER IV SHE looked out at the Jap fighter over the sights of the 50-caliber machine gun. He was coming in from above again, but not out of her range.

She heard someone shout behind her, "What are you doing?" She did not answer. Her brain was focused on the Jap plane. The voice came into her consciousness again. "Let me have that gun."

It was too late. Beth had the Jap where she wanted him. She let him have everything the gun could give—a long, blasting burst that was capable of ripping apart any fighter plane it hit.

Beth was vaguely cognizant that something—it was a burst from the Jap's guns—splattered the Fortress somewhere close to her. If she ever in her life had an inclination to feel fear, now was the time. Suddenly she was in the clutch of a deadly fascination at the scene before her eyes.

The Jap sped toward her, but now his guns were not spitting. Was he going to crash the Fortress? Beth watched him for the long, long split seconds it took for the Zero to sweep in closer, closer, closer. . . Then, just as he seemed about to smash into the big American plane, he disappeared.

THE Fortress's other gunner pushed Beth aside, not rudely, but roughly and hastily. He grabbed the machine gun. Then he watched, too, for there was nothing else to do. The Jap was going down, following his mate to the bottom of the sea.

"You plucky devil," the gunner said. "You did it. You shot down a Jap Zero fighter!"

Beth turned toward the man on the floor. "We've got to do something for him," she said.

Major Jackson reappeared. He worked with Beth on the injured man.

The copilot was with them now, and he assumed charge. Beth was slightly dazed, now that the fight was over. "Lieutenant Carter, if you'll help us . . ." the copilot beckoned.

"Yes, sir," Beth replied. She had paused a moment in her task of assisting and had looked blankly at the man's expressionless face. Helping was a matter of a quarter of an hour's work, the reward of which was the grin of a revived gunner.

"We got through all right?" he asked.

"Got 'em both," the other gunner said. "Good boy. Good boy. Swell!" "Sorry, Buddy, I can't take all the credit. Miss . . . Lieutenant Carter here got the second one."

"Nothing like having a useless woman on board, is there?" the copilot said.

GRADUALLY, the crew of the Flying Fortress relaxed, tension easing as the men swapped jokes while they checked the damage to the big ship. Beth had

grown to new stature in their eyes. From now on, she was one of them.

The plane hummed steadily on, searching from its height of 20,000 feet until it found a tiny spot of island that almost matched the ocean's color. From this vantage point of land showed no sign of habitation.

Skilfully, the pilot located a landing field where Beth was certain, just a moment before, that nothing existed except verdant growth.

"Camouflage," Major Jackson grinned. His glance had caught the surprise in Beth's wide-open eyes.

"It's—it's wonderful," Beth gasped, looking around now at the signs of life and activity where only jungle had appeared as she looked down from the sky.

"This," Major Jackson said, "is your new home."

As she stepped from the plane, Beth blinked the brilliant sunlight out of her eyes. So this was it. Here she would live. She had left the city just a few hours before, but already it seemed a million miles away.

Beth was taken to her quarters. Her room, with the luxury of an adjoining bath, was in the main headquarters building and only a few doors from Major Jackson's office.

The office adjoining his quarters—you might not feel self-conscious, but the poor men would. Your living quarters were designed as a lounge for officers on 24-hour duty. They'll have to find some other place for the duration."

"Of the war?" "No. Of your stay."

(To Be Continued)

McKENNEY ON BRIDGE

By William E. McKenney

American's Card Authority In past years, in the world championship Masters individual tournament, as many as nine out of the first 10 players were New Yorkers. But this year it was different. First position went to Alvin L. Roth of Washington, who is in New York for the day being.

Philadelphia took second, fifth, sixth and tenth positions, with Charles J. Solomon, Sidney Silodor, John R. Crawford and Mrs. Benjamin M. Golder respectively. Richmond took third position with Mrs. J. E. Folline; Boston fourth with E. N. Marcus, and Cleveland ninth with Morry J. Click.

Table showing card game results with suits and values.

South West North East 1 ♠ N.T. 3 ♣ Pass 2 ♥ Double 4 ♠ Pass 3 ♣ 5 ♣ Double 5 ♠ Pass 5 ♥ 5 ♠ Pass

ton fourth with E. N. Marcus, and Cleveland ninth with Morry J. Click. New York had to be satisfied with a tie for seventh position between Sgt. Morrie Ellis and Sgt. Phil Abramson, and a tie for tenth position by Fred Kaplan.

As a whole, the bridge played in the tournament this year was very good, but the experts can mislay them, even as you and I. For example, here is a hand on which four spades was reached at several tables, and then not made, when five was ice-cold.

RELIEF FOR INSOMNIA GRAND COULEE, WASH.—(P)—Mere civilians, in wartime, are barred from the mile-long roadway over the world's largest dam.

NOTED COMPOSER DIES NEW YORK.—(P)—Albert Stoessel, 49, noted composer, conductor and violinist, collapsed and died Wednesday while conducting an orchestra before more than 500 persons at the American Academy of Arts and Sciences auditorium.

The caribou doe is the only antlered female deer in North America.

Four Men Indicted Under Hot Oil Act

HOUSTON.—(P)—A federal grand jury Wednesday indicted William A. McKee, general superintendent for Frank and George Frankel, oil producers, and three field production men for the Frankel firm, on charges of conspiracy to violate the Connally hot oil act.

Judge Allen B. Hannay, in whose United States District Court the indictment was returned, signed warrants for the arrest of McKee, C. E. Bolles, Steve Holland and W. R. Bradford. The judge set bonds for each of the men at \$1,000.

MRS. DRISCOLL ENDORSES FOR FOURTH TERM

CORPUS CHRISTI.—(P)—Describing President Roosevelt as the one leader qualified to lead the nation to a successful prosecution of the war and to a lasting peace, Mrs. Clara Driscoll, National Democratic Committee woman from Texas, Thursday endorsed the President for a fourth term.

TOMATO CROP HARVESTED HARLINGEN.—(P)—The Rio Grande Valley tomato crop is being harvested despite a strike of union pickets, involving some Valley plants, shippers say.

Smuggling Case To Be Heard In Brownsville

NEW ORLEANS.—(P)—Nine New Orleansians charged with conspiracy to smuggle marijuana into the United States will be tried at Brownsville, Texas. Their removal to Texas was ordered Wednesday by Federal Judge Wayne G. Borah.

Those ordered removed were Dave Banks, a radio announcer; James Kelliker and Ola Dee Oldham, night club musicians; Wilson Franpton, night club orchestra leader; Sidney Givet, night club master of ceremonies; Charles Braum, Oils James, Charles James and Gilmore Picou. A tenth defendant, John Bondro, Jr., 25, was released on bond.

"It gives my next door neighbor's chickens a chance to wander into the kitchen as well as the garden!"

Forty Year Tax Bill Record Is Shattered

AUSTIN.—(P)—Texas taxpayers think their Legislature, just adjourned, has set an admirable record—in a negative sort of way.

It was the first session in 40 years which did not vote out a tax bill.

The human body is able to get along on three pounds of food and four pounds of water, but it needs 34 pounds of air daily.

Instantaneous Shave

COLORADO SPRINGS, COLO.—(P)—L. E. Ingraham got his morning shave the hard way. Attempting to weld the leaks in a truck's gasoline tank, he set fire to it and there was an explosion.

The United States and South America at one time exported 400,000 hummingbird skins annually to England for use in hat trimming.

Milkman Undaunted By Flames And Scowls

LORAIN, O.—(P)—At least one Lorain milkman believes that, come what may, milk as well as the mails must go through. During the height of a recent fire, while firemen were running hither and thither with hoses, axe and extinguishers, a delivery man for a local dairy nonchalantly entered the smoke-filled building with two wire containers filled with bottles of milk.

Marriage Suits Them

CARLSBAD, N. M.—(P)—After being married for 13 years, a couple came to Probate Judge J. T. Hardin and asked him to perform another ceremony. They had found their 1930 marriage papers were made out incorrectly.

It is thought that efforts to reduce the air resistance of airplanes will eventually result in placing the motors completely within the wings.

Legal Notices 68 THE STATE OF TEXAS To: Mrs. Bessie Schneider, and her husband, Mr. Schneider, whose given name or initials are unknown; Mrs. B. G. Riley, and her husband, Mr. Riley, whose given name or initials are unknown; H. J. James, and his wife, Mrs. James, whose given name is unknown; Mary James, a feme sole, but if married, her husband, Mr. James, whose given name, initials, or other name is unknown; Edward James and if married, his wife, Mrs. James, whose given name is unknown; Elliott Hendricks and wife, Jennie Hendricks; W. F. Utzman, and if married, his wife, Mrs. Utzman, whose given name is unknown; and if any of said named defendants are dead, then the heirs and legal representatives of them that are dead, and if deceased, their heirs and legal representatives;

GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 7th day of June, A. D. 1943, at or before 10 o'clock A. M., before the Honorable District Court of Midland County, at the Court House in Midland, Texas.

Said plaintiff's petition was filed on the 19th day of April, 1943. The file number of said suit being No. 3723.

The names of the parties in said suit are: Willie L. Hill, a widow, as Plaintiff, and Mrs. Bessie Schneider, and husband, Mr. Schneider, whose given name or initials are unknown; Mrs. B. G. Riley, and husband, Mr. Riley, whose given name or initials are unknown; H. J. James, and wife, Mrs. James, whose given name is unknown; Mary James, a feme sole, but if married, her husband, Mr. James, whose given name, initials, or other name is unknown; Edward James and if married, his wife, Mrs. Utzman, and if married, his wife, Mrs. Utzman, whose given name is unknown; and if any of said named defendants are dead, then the heirs and legal representatives of them that are dead, and if deceased, their heirs and legal representatives, as Defendants.

The nature of said suit being substantially as follows, to wit: This is an action to recover title to and possession of Lots 9, 10, 11 and 12, Block 189, Southern Addition to the Town of Midland, Midland County, Texas, and in which Plaintiff specially pleads the Statutes of Limitation of three, five and ten years, payment of taxes; for damages in the sum of one dollar and costs of suit.

Issued this 20th day of April, 1943. Given under my hand and seal of said Court, at office in Midland, Texas, this 20th day of April, A. D., 1943.

(Seal) Nettie C. Romer, Clerk, District Court, Midland County, Texas. 4-22-29-5-6-13

Every tenth Navajo Indian is a medicine man, according to estimates.

Magnolia --

(Continued from Page 1)

Believed near the base of the Permian, Culbertson & Irwin, Inc., of Midland No. 1 R. G. Heiner, five-eighths of a mile southwest outpost to the one-well Heiner Ellenburger pool of Northern Pecos, is drilling at 4,920 feet in lime.

Magnolia No. 3 State-Grove, in the Abell Ordovician field of Northern Pecos, has been completed for natural daily potential flow of 800-56 barrels of 41.6-gravity oil, with a gas-oil ratio of 385-1, from Ellenburger pay between 5,800 and 5,840 feet, total depth. It topped the Ellenburger at 5,800.

In Southeast Central Pecos, Phillips Petroleum Company No. 1 Ada C. Price is drilling at 10,990 feet in shale.

Gulf Oil Corporation No. 1 Roy Girvin, Ordovician project in Northern Pecos, is drilling past 690 feet in red beds.

Ohio Oil Company is preparing to plug and abandon No. 1-B L. T. Clark, Northwestern Tom Green County wildcat, at a total depth of 4,591 feet in black shale.

Fullerton Extended South A one-half mile south extension to the Fullerton deep Permian pool in Northwestern Andrews County has been assured at the Fullerton Oil Company of Los Angeles No. 1-A University. On test of the upper pay, while bottomed at 6,990 feet in lime, it responded to initial acid treatment of 2,000 gallons by flowing 16 barrels of oil on the second hour of a short gauge. When re-treated with 6,000 gallons it flowed 43 barrels of oil the first hour and 22 barrels the seventh hour, plus seven per cent sediment and water, through 2-inch outlet off 2 1/2-inch drill pipe. Deepening is slated.

Fullerton No. 1 E. M. Jackson, one-half mile east outpost to the pool, is drilling past 4,377 feet in anhydrite and lime.

In the southeast part of the pool, Texas Pacific Coal & Oil Company No. 3 Jackson et al is drilling below 5,765 feet in lime.

Union Oil Company of California No. 1 J. D. Biles, wildcat four and three-quarter miles north by northwest of the Fullerton pool, is rising up rotary.

Humble Oil & Refining Company No. 1 Crews & Masti, scheduled 8,500-footer in Northern Andrews, is running 13 3/8-inch surface pipe, bottomed at 360 feet in red beds.

Fiftieth Anniversary Will Be Celebrated

Mr. and Mrs. J. F. Lane of Midland will observe their 50th wedding anniversary at the home of a son, Bill Lane, here Friday. They were married in Comanche, Texas, May 14, 1893. Another son, F. H. Lane, resides in Longview. The couple also has four grandchildren.

Jaycees To Meet At Scharbauer Friday

The regular bi-monthly meeting of the Midland Junior Chamber of Commerce will be held Friday noon in the Blue Room of the Scharbauer Hotel Coffee Shop, Russell Howard, president, said Thursday. He urged all Jaycees to attend. Reports on the recent state Jaycee war conference in San Antonio will be heard.

Sheriff's Posse To Have Barbecue Friday

Members of the Midland County Sheriff's Posse, their families, and other guests will have a barbecue at Cloverdale Park Friday night, Sheriff Ed Darnell said Thursday.

Rev. Hubert Hopper Honored At Meeting

The Rev. Hubert Hopper was re-elected president of the Austin Presbyterian Theological Seminary at its recent meeting in the capital. It was the first time in the history of the organization, a president was re-elected.

F. B. I. CONFERENCE TO BE HELD IN MIDLAND

A quarterly F.B.I. police conference will be held in Midland, May 19. D. A. Bryce of El Paso, F.B.I. agent in charge, has announced.

"Joe," "Java," and "Jamoque" are the names American sailors give coffee.

Tidwell Carnival Attraction

Pictured above is one of the many attractions to be seen when the T. J. Tidwell Shows and Carnival appears in Midland next week at the ball park on West Highway 80. Twenty-five shows and rides are featured by the carnival.

Navy Identifies Three Ships Lost Off Guadalcanal

WASHINGTON—(AP)—The Navy Thursday identified the three Allied ships sunk by Japanese planes off Guadalcanal Island in the Solomons April 17 as the American destroyer Aaron Ward, the American tanker Kanawha and the New Zealand corvette Moa.

The identifications were made in a communique which also reported a resumption of air attacks against enemy positions on Kiska Island in the Aleutians, three new raids against Japanese bases in the Solomon Islands, and a bombardment by American light warships of the enemy positions at Vila and Munda in the Solomons.

Resumption of air action in the Aleutians ended a four-day period of inactivity described here as resulting from bad weather. The latest attack was made on May 11 and the last raids previously reported against Kiska took place on May 6.

Results of the surface bombardment of Vila and Munda were not given but the air raids on Kiska reported to have started a number of fires "which appeared to be burning enemy aircraft."

Wool BOSTON—(AP)—(U.S. Dept. Agr.)—Shipments of consigned wools to Boston are beginning to arrive in volume for appraisal. Purchasing of low grade wool 36s to 40s for speculative purposes in Buenos Aires was recorded at an FOB grease price of 11 cents.

Livestock

FORT WORTH—(AP)—Cattle 1,000; calves 400; steady to weak. Stockers steady. Good fed steers and yearlings 14.00-15.00; common to medium steers and yearlings 9.50-13.50. Beef cows 10.00-12.50; bulls 8.50-12.50. Fat calves 11.00-14.50; few choice veals up to 15.00. Stocker steer calves topped at 16.00; stocker heifer calves at 14.00. Stocker steers and yearlings 11.00-14.50; stocker cows 12.00 down.

Hogs 2,200; steady; good and choice 195-300 lb. butcher hogs 14.15-25; good and choice 160-190 lb. averages 13.50-14.00. Most packing sows 13.75 down with stocker pigs mostly 12.50-13.00.

Sheep 8,000; steady; spring lambs 8.00-14.15. Shorn lambs with No. 1 or No. 2 pelts 12.50-14.50. Few shorn two-year-old wethers 8.50.

ATTEND CONFERENCE

County Agent I. O. Sturkie and Miss Alpha Lynn, county home demonstration agent, are attending a district meeting of extension service agents in San Antonio Thursday and Friday.

Mussolini Tells Italian Army To Cease Fighting

By The Associated Press

The first Italian Army ceased fighting in Tunisia Thursday morning by order of Premier Mussolini, the Italian communique said Thursday, ending the last Axis resistance to the Allies on African soil.

"The First Italian Army, to which fell the honor of the last Axis resistance on African soil, ceased fighting this morning by order of the Duce," said the communique, broadcast by the Rome radio and recorded by The Associated Press.

The bulletin added that the battle of Africa thus had come to an end after 35 months, the last stand being made by the men of Gen. Giovanni Messe.

The communique said that the "heroic behavior of our soldiers, who were under the command of Marshall of Italy (correct) Giovanni Messe, fulfilled all the tasks assigned to them in fierce battle and gained new glory for their flags."

Cleveland Indians Crowding Yanks For Lead In American

By Judson Bailey
Associated Press Sports Writer

The Cleveland Indians are crowding the New York Yankees for first place in the American League, but there is no way of telling yet whether the tribe is on the war-path or simply doing its spring moving.

In recent years the Indians have moved menacingly in the spring and usually subsided in the summer.

Tribe Beat Solons
This spring the Indians have not

been as flashy, have had no winning streaks, but they have not lost two consecutive games. This may mean they will stick in the scrap longer.

They overpowered the Washington Senators Wednesday night in a floodlight affair 8-2 to move within one game of the pace-setting Yankees, who were beaten at Chicago 2-1 in 10 innings for their second straight setback.

Chubby Dean held the senators to six hits and had a shutout till the ninth. He lost a shutout in the ninth in his only other start—against the White Sox last week. Dean's pitching was supported by a 13-hit attack on the part of his teammates, their biggest spree of the season.

The Yankees' whipping by the White Sox was the handwork of Johnny Humphries and Joe Kuhel. Humphries pitched six-hit ball and allowed only one single after the third inning. He himself made two hits and started the rally that tied the score in the eighth. Kuhel singled him home with the tying rally and then in the tenth singled rookie Thurman Tucker across with the winning run.

Bonham Goes Route
Ernie Bonham, the Yankees' ace who had won three games without a defeat, went the route and was tapped for nine hits, seven of them in the last four frames. A year ago Bonham won eight straight before he was stopped.

The Philadelphia Athletics and Detroit Tigers battled in a 15-inning marathon at Detroit before a single by Ned Harris gave the Tigers a 3-2 victory.

The St. Louis Browns staggered the bruised and bleeding Boston Red Sox 6-4 with Chet Laabs hitting a three-run homer—his second roundtripper of the season. It was the fourth loss in a row and 14th in 20 games for the last placed Red Sox, who made only six hits.

All National League games were postponed because of unfavorable weather in the east.

Outstanding High School Athlete To Join Marines

By Harold V. Ratliff

AUSTIN — (AP) — Terrell Allen, Austin High School's greatest athlete, graduates May 28 and reports to the Marines July 1 for officer training.

The feats of this young man make him the athlete of the year in Texas.

Excellent Center
He's the guy who led Austin to the state football championship and was listed as one of the great high school centers of all time.

He's the fellow who pitched in a field goal with a split second to go and tumbled Crozier Tech of Dallas out of the state high school basketball tournament.

He's the guy who paced Austin's sprint relay team to the victory that brought his school the state track championship.

Austin thus became the only Texas high school in history to win two major sports championships in one year.

Allen is the type you call "a money player." He's at his best when the chips are down.

Lost Second Player
Take that basketball game. Crozier Tech was leading by a point and was preparing to freeze the ball so time would run out. But Allen saw there was just one thing to do. He had to get the ball. He raced in and intercepted a pass from outside and as the gun shot threw in the field goal that sent Austin into the finals.

Want to know why Austin didn't win the basketball championship, too? Well, Austin was too far behind Jeff Davis of Houston in the final minutes. Had the score been 32-31 in favor of Davis, Austin would have won, because Terrell Allen just can't be stopped when it just takes one throw or one run to win.

Terrace tillage, similar to that of the Chinese, was practiced by the ancient Incas of Peru.

Coordinator For Sports Expected To Be Named

NEW YORK — (AP) — A national coordinator for all sports, rumored for nearly a year, is likely to be named by President Roosevelt within a month, and U. S. Senator James Mead, who advocated cancellation of the world's series and all star games less than three months ago, is the leading candidate for the job.

Word on the early appointment of such a sports officer came Wednesday night from Herbert Bayard Swope, chairman of the New York Racing Commission and consultant on public policy to the War Department.

Swope pointed out also that racing has received a green light from Washington, since both Rubber Administrator William Jeffers and Defense Transportation Boss Joseph Eastman have told him that operation of the turf is being carried on this year with 100 per cent cooperation with the war effort.

Less than a year ago, Swope removed himself as a possible candidate for the office of sports coordinator because he felt he was too busy with his various jobs as racing commissioner, War Department consultant and head of the turf committee of America.

Senator Mead, from Buffalo, N. Y., is supposed to have the inside track on the job Swops turned down. Mead is a vice president of the Buffalo (International League) baseball club.

By such enforcement—and careful use of subsidies—Brown said in an interview, OPA expects to bring down the cost of living to the level of Sept. 15, 1942, and hold it there.

He added that his recently announced plan to seek a 10 per cent reduction in the retail costs of meat, butter and coffee about June 1 through subsidies was experimental. The future of subsidies in the price picture, he indicated, will depend on actual results of the trial next month.

The 1,400 extra investigators, Brown explained, will be added to an existing force of approximately 3,500.

Brown Will Hire New OPA Sleuths

Gigantic Fish Tale
LOS ANGELES — (AP) — Police are searching for the fish that got away—all \$800 of it.

Customers began phoning a fish and oyster company to complain that their deliveries were late.

The delivery truck was found, but the driver—and the fish—were missing.

MEXICAN DELEGATION TO ATTEND FOOD CONFERENCE
MEXICO CITY — (AP) — A Mexican delegation of seven, headed by Manuel J. Zavada, under-minister of national economy, left Wednesday night for the international food conference at Hot Springs, Va.

Tactics Learned In Battle Of North Africa Will Be Used By Allies In Coming Invasion Of Hitler's European Fort

By JAMES M. LONG

LONDON — (AP) — North Africa has been the proving ground of the new Allied tactics of attack, and the lessons of El Alamein, El Agheila, Wadi Akarit and Mateur are milestones that will mark the way along the road to Berlin.

There where the British hounded Rommel, the desert fox, and the Americans tried their strength for the first time against German-Italian mechanized forces, key elements of the victory were these:

Three Key Factors
1—Thorough training of combat groups for specific battle jobs and the use of specialized weapons;
2—Control of the skies over the supply lanes as well as the battlefield;
3—Employment of mobile artillery fast enough to keep up with

truck-borne infantry advances and strong enough to breach enemy defense works;

4—Coordination of aerial and infantry attack with big scale tank operations to exploit breaches and open the way for continued advance.

These same factors set the probable pattern for the coming battle of the continent.

Air Power Essential
At Dieppe the RAF proved that it could outfight the Luftwaffe over the French coast.

That is an essential for invasion landings and for every mile of the drive on across the Rhine.

The ruins of Rommel's defense zones from El Alamein into Tunisia bear witness to the efficiency of motorized artillery, and to General Montgomery's ability to keep

his guns up to the speed of his advance.

Tanks ploughed through the holes and fanned out behind the breached positions.

Flanking sweeps were mixed in with frontal assaults, forcing the enemy to back up or face encirclement.

Learning to apply this careful coordination of attack to the European battle front, Allied armies have been training for three years.

The Canadians started arriving in Britain soon after Dunkerque and now are one of the largest armed forces in England.

Britain has built whole new armies virtually from scratch: The prized Eighth, Anderson's First Army in Tunisia, and forces trained and ready in England.

The United States has poured in the Fifth Army, trained, supplied

Oregon Farmer Drives Two Tractors At Once
CARLTON, ORE. — (AP) — It took a lot of sprinting, but Farmer John Kirsch solved the manpower shortage.

He had two tractors and only himself to run them.

He set the controls of one and started it driverless across the field. Then he jumped aboard the other and followed. Before the first one reached the fence he ran it down and turned it around.

And so on—for 300 acres.

and ready in Algeria and Morocco, with unestimated other divisions in England and more completing training at home.

Under real gunfire and amid the dir. of exploding mines the Allies have drilled intensively on landing assault troops, tanks and artillery on the coasts of America and the British Isles.

That is the stern preparation for the costliest fighting job of all invasion: Getting the foothold.

Sports Roundup

By Hugh Fullerton, Jr.
NEW YORK — (AP) — The postman has to work anyway so why should we both do it? Here's Thursday's offering. Courtesy of U. S. Post Office Dept. and various contributors.

Excellent Excerpts
From Gabe Paul's News of the Reds: "Around the clock baseball offered to Reds' patrons" . . . Sounds like a diamond version of the six-day bike race . . . From a statement by President Rufus Carroll Harris on wartime intercollegiate athletics at Tulane: "There should be no athletic scholarships unless there are some poor boys who are rejected by the military services." . . . In other words, don't pay 'em unless they're worth it.

Today's Guest Star
Lewis Burton, New York Journal-American: "A Senor Ginja of Mexico City and Lisbon is seeking to interest Mike Jacobs in bull fight promoting around New York . . . Individually, bull and fight are two of the best products of Jacobs' office."

Service Dept.
Commenting on the recurring rumor (which isn't true) that ex-middletown champion Fred Apostoli has been killed in action, Bill Diehl of the Norfolk Va. Ledger-Dispatch quotes a letter Fred wrote just before Christmas: "I know I am doing the right thing in being out here. Nothing else matters, because this is it. Occasionally I have been boxing and the boys are very enthusiastic about it." . . . Lieut. Ed Danowski, former Fordham footballer now at Pensacola, Fla., Naval Air Station, recently told local high school gridders: "Remember what you learned on the football field. Put it to use in life and you'll be a success."

Valley Women's Golf Tournament Scheduled
HARLINGEN — (AP) — The annual women's championship golf tournament will be held this year but will be a two-day affair instead of the usual four.

There will be 18 holes May 17 and 18 holes May 18, with the low medalist to be the Rio Grande Valley champion for 1943.

War stamps go to the winner of each flight.

Mrs. Roy Box of Corpus Christi is defending champion.
