SPORT WINS IN FAIR AUTO RACES

A record crowd, with the five-mile dirt track in excellent condition, 17 drivers furnished thrills at the Friday afternoon in the Haskell Fair's auto race program.

More than four drivers lowered the record of 72 seconds for two laps and 137 seconds for four laps. Gilbert of Boulder, Colo., in a Special made the fastest time, 45.15 seconds. He chose the loving cup for the best time under the record. The optional prize was \$25 in cash.

A feature race was won by Gilbert, who completed the 25 laps, 15 miles in 45.15 seconds. The after-noon serious accident occurred in the third lap of this race, when the Ford driven by H. S. Fortner, Okla., sideswiped the Joe Fortner who was passing the race. Fortner was seriously injured.

A Simpson of Los Angeles, driving a Miller Special entered, went to the 15th lap of the first race, a event, when his engine ceased to run. He did not enter another race.

Races were staged under the auspices of the Haskell County Automobile Association, with the sanction of the Haskell County Board of Commissioners. D. H. Jeffries of Abilene, Okla., representative, acted as starter. Hunt was chief of judges.

Other races besides Gilbert lowering the record: Ted Simpson, Los Angeles Special, 71 seconds; John Kreibitz, Los Angeles Fisher Special, 70 1-5 seconds; Vernon McCombs, St. Joseph, Chevrolet Special, 70 2-5 seconds.

Results of the five events were: 1. 16 laps, 10 miles: first, E. Kruger, 9 28 45; second, Clyde, 9 38 35; third, J. E. White, 10 15.

2. 8 laps, 5 miles, first: Eddie, 4 19 15; second, J. E. White, 5 15; third, Red Edmonds, 5 05.

3. 8 laps, 5 miles, first: Harley, 5 24; second, Joe Miller, 5 03; third, Andrew Fuller, 5 04 2 5.

4. 8 laps, 5 miles, first: Lee, 5 08 15; second, Andrew, 5 11 35; third, H. S. Fortner, 5 15.

5. 24 laps, 15 miles: first, Gilbert, 45 15; second, John, 47 25; third, J. E. White, 48 15.

Hamlin's program of five events ended off due to the heavy rain of the night and Saturday morning. Hamlin-Haskell football game being played in the afternoon at 2:30 o'clock.

HAMLIN WINS OVER HASKELL SATURDAY

Playing on a muddy field Hamlin defeated Haskell High, Saturday afternoon at Fair Park, the score being 14-0. It is only fair to say that giving Hamlin 15 minutes more to play the game might have scored another touchdown. They fought gamely if not bravely at times and nearly tied the game in the last half they pushed Hamlin over the goal line with a series of back tackles and end runs.

Hamlin invariably did not decide to play the last few minutes of play. Hamlin was largely responsible for the only Haskell score. Bradley, in the earlier part of the game accounted for several yards of considerable length until forced when accidentally kicked by Kimbrough who was attempting a punt.

The punt resulting was responsible for Hamlin's touchdown and the extra point was made with a forward pass over the line. Haskell seemed to lack speed and power that characterized the game with Seymour and the need of a kicker was painfully in evidence. Twice Haskell failed to attempt a place kick when in position and was being consistently held without gains. Also after the Haskell touchdown an attempt to pass for the point was made after the play had been used successfully by Hamlin.

The pass was not over the line. The game was ruled out however because Haskell was off-sides. Haskell in the game this week with Stamford was the hope is hard to figure. Breckenridge beat Stamford 12 to 0 and the tie by Breckenridge. Both Stamford and Breckenridge are Class A teams. The game will be at Stamford.

Haskell's vivacious "pep squad" together with many other local and school football fans are planning to accompany the team.

Master Joe Short and friend arrived on Sunday from their trip. They returned from Cincinnati to Floydada and then to Haskell.

FIRST LYCEUM NUMBER OCTOBER 25

The Demarco Italian Quartette, first number of the Dixie Lyceum course promises an evening of real enjoyment to the lovers of good music. Following is the personnel of the group: Cello, Hans Bouldant; harp-piano, Miss Betty Muehlberger; Violin-Contralto, Miss Ruth Behmer; flute, William Mazzell.

The evenings entertainment will consist of violin solos, harp, cello and flute trios; also arrangements for harp cello and piano interspersed with vocal and instrumental numbers that will delight the hearers. The quartette will bring to you pictures of Italian street singers, glimpses of Italian musical life, and interpretations of the folk songs of old Italy and other countries.

FOURTH ANNUAL FAIR THE BEST OF ALL

The fourth annual Haskell County Fair, October the 6th, 7th and 8th is now past history and made for its self the best history of any of its predecessors, not only as an average whole but in every department. This knowledge was not gained alone from the department heads, who frankly stated that they had more entrants and they were of a higher order than in the past, but the exhibits were in plain view for the general public to see for themselves.

The exhibit hall was filled with every kind of Haskell County products, kitchen and household utensils, textile, art exhibits, flowers, all of the highest order, presented in the most approved method as provided in the "Book of Rules." To the untrained eye, the exhibit hall may have seemed more artistic some time in the past, for we used to decorate a great deal with crepe paper, and carry our products in containers of our own selection, but this is all controlled today by experts in each division, and each of these departments from the Home Demonstration on the right as you enter the building and the Art Department on the left on through the building and out to the poultry, hog, cattle, horse and mule division deserves special comment and commendation but time and space prevents this. A complete list of all winners in every department will be given next week.

MRS. H. M. SMITH APPOINTED CHAIRMAN TUBERCULOSIS CHRISTMAS SEAL SALE

Mrs. Hugh M. Smith of this city has been appointed by the Texas Public Health Association as chairman of the 1927 Tuberculosis Christmas Seal Sale for Haskell County.

As president of the Magazine Club, and with the assistance of the members of that organization, the P. T. A., and the local and county schools, Mrs. Smith looks forward to a banner sale for the county this year.

Local arrangements for the campaign were completed by George H. Craze, representative of the Texas Public Health Association, who was in Haskell on Friday for that purpose.

The work being carried on by the State Association is supported entirely by the annual sale of the Tuberculosis seals. Some of the activities carried on during the year include the following:

Over 140,000 persons reached in a state-wide educational campaign.

Nearly 60,000 school children were taught health habits.

Over 8,200 school children were given a thorough physical examination.

Over 200,000 pieces of health literature distributed.

Tuberculosis surveys conducted in four counties.

Tuberculosis Clinics conducted in a number of counties.

All races reached in the Association's State-wide health campaign.

Endowed a child health care and training course at the University of Texas.

The program for 1928 will be a continuation and expansion of this work with the addition of such items as opportunity may afford.

The Texas Public Health Association is affiliated with the National Tuberculosis Association which directs the nationwide campaign against tuberculosis for which work about \$5,000,000 was raised in the United States last year through the sale of the familiar little seals.

Miss Kathleen Mayfield of Hamlin was the guest of Mr. and Mrs. H. D. Neff during the Fair.

Fred Alexander of El Paso, son of Mr. and Mrs. F. G. Alexander is the guest of his parents and other relatives and friends of the city.

POST COMMUNITY ELATED OVER WINNING FIRST PLACE

The Post community is all smiles over the decision of the judges giving Post booth first place at the Haskell County Fair. Every one in the community thanks their principal Elmer C. Watson for the winning of first place, as he worked untiringly to have the booth as good as possible. Everyone from Post attended the fair and enjoyed it from the first until the last and will be glad when Haskell's next fair is here.

Miss Evelyn Beryl Montgomery a club member of the Post community won two first and one second place on her English White Leghorn Cockerels and Pullets. Post is proud of their club and especially proud of Miss Beryl as she also won first honors on some of her chickens last year.

Mrs. Ray Overton, one of the Club ladies of Post won first and second places on her candy. The club women are delighted over her success.

School Will Start Monday

It has been announced that the Post school will begin Monday October 17. The school will have the same teachers as last: Elmer C. Watson, Sula Mae Ratliff, and Virginia Clark. These teachers taught a very successful term last year so the patrons of Post feel sure of another excellent term with these teachers.

HUDSON SOON TO PRODUCE 250,000th CAR THIS YEAR

With its production for the year near the quarter-million mark, Hudson Motor Car Co. already has manufactured more Hudson and Essex cars in 1927 than in the entire 1926 season, according to an announcement made today by Mr. King of the King-Lawson Motor Co. The 250,000th six cylinder car for the year will be turned out in the next few days.

Hudson became, earlier this year, one of the small circle of companies working out its second million total of cars. By far the greater part of this total has come since Hudson-Exs entered the volume field a few years ago; the years 1925, 1926 and 1927 will alone count for more than three-quarters of a million cars.

HASKELL THEATRE TO OPEN NEXT MONDAY

Haskell is to have two picture shows open six days a week starting next Monday. The Haskell Theatre which has been closed since the completion of the beautiful Texas Theatre has been renovated and redecorated and will show only high class pictures. It will be under the management of Mr. Hughes who is also the manager of the Texas Theatre.

FAVERS CASE IS BEING TRIED

The trial of H. F. Favors charged with the murder of J. A. Liles at Rule on February 12, 1927, began in District Court Wednesday morning with District Judge Bruce W. Bryant presiding. Practically the entire day Wednesday was consumed in selecting a jury of 12 men from the special venire of 100 summoned in the case.

District Attorney Clyde Grissom, is being assisted with the prosecution by Tom Davis of the law firm of Murchison and Davis and County Judge Jesse G. Foster. The defense is being represented by Ratliff & Ratliff and Judge W. R. Moore, of Greenville, Ga.

Questioning by the states attorneys indicate that the death penalty may be asked in the case. While the question of self-defense will probably be advanced by the defense.

Favors, has been confined in the County jail since the killing. At a writ of habeas corpus hearing sometime ago Favors was granted bond in the sum of \$7,000, which he was unable to give.

Court adjourned Wednesday afternoon about 5 o'clock, until 9 this morning, when the examination of the witnesses in the case will begin. It will probably take the balance of the week to finish the case.

The following men were selected as jurors in the case:

- G. C. Cowan, Rochester.
- Sam T. Chapman, Rochester.
- T. F. Curry, Haskell.
- W. T. Morgan, Haskell.
- J. D. Wheatley, Haskell.
- J. E. Adams, Rule.
- Fred Monke, Weinert.
- E. W. Andrews, Haskell.
- J. H. Bevel, Rochester.
- P. M. Mullins, Haskell.
- Allen Adams, Haskell.
- Palo Speck, Rochester.

FIVE DIVORCE CASES TRIED THIS TERM

Five divorce cases have been tried so far this term of court. The cases disposed of are as follows:

- H. W. Smith, vs. Zadie Mae Smith, divorce granted.
- W. M. Ferguson vs. Mittie Ferguson, divorce granted.
- Chas. T. Redwine vs. Jewel Redwine, divorce granted.
- R. J. Daniel vs. Dollie Daniel, divorce granted.
- Lillian Talley vs. J. W. Talley, divorce granted.

BUSY WEEK IN DISTRICT COURT

The past week has been a busy one in district court. Ten cases have been tried since last week.

Joe Mann charged with burglary, was given a 5 year suspended sentence last Thursday.

Joe Henderson, charged with selling liquor, received a 2 year suspended sentence.

Boss McGregor, charged with possession of liquor for the purpose of sale, was found guilty by the jury and his punishment assessed at 2 years in the penitentiary.

H. S. Milam, charged with driving a car while intoxicated, received a five day jail sentence and a fine of \$25.

Finis Franklin, charged with driving a car while intoxicated, drew a sentence of 15 days in the county jail.

Cecil Carlisle, charged with driving a car while intoxicated was sentenced to 30 days in the county jail.

H. Hall charged with driving a car while intoxicated was given 30 days in jail and a \$50 fine.

B. F. Martin, charged with driving a car while intoxicated, was fined \$25.00 and given 30 days in the county jail.

Sterling B. Winghamam, charged with the possession of liquor for the purpose of sale, was found guilty by the jury and his punishment assessed at one year in the state penitentiary.

Jimmie Brawner, charged with possessing liquor for the purpose of sale was found guilty by the jury and given a 5 year suspended sentence.

WEST TEXAS UTILITIES PARK AT FAIR GROUND

Quite an outstanding feature of the fair itself this year was the beautiful park that the West Texas Utilities Co. attached to the fair grounds by simply removing the fence. This ample plot of ground is covered with grass and trees, the latter were whitewashed to match the seats that the company had prepared for the guests where they could rest and partake of a lunch if desired. Perhaps the main attraction for a place like a fair was the two fountains of cold water. This oasis could be enjoyed both day and night, for a myriad of lights shed a white light far past the ground itself. When the name West Texas Utilities Company is mentioned, one thinks of light and service, simultaneously with big business, for the West Texas Utilities Co. never does anything in a small way.

Married

Miss Oneta Ivy and Mr. Marvin Gary both of Dunn, Texas were quietly married Saturday afternoon at 4:30 o'clock at the First Baptist Church, Snyder, Texas. Bro Ferguson, pastor, conducted the very impressive ceremony.

Miss Ivy is well known in Haskell County, having lived in the Sayles and Center Point community all of her life until two years ago, when she moved with her parents Mr. and Mrs. John Jay to Dunn Texas.

Mr. Gary is a young man of good habits and is well known in the Snyder County community.

Miss Thelma Petty of Decatur was the last week end guest of Miss Solo Mae Ratliff and a Haskell County Fair visitor.

HORSE RACES BEING TALKED

Race horse fans are talking of having a race meet some time around Armistice day. A good many race horses are in and around Haskell County this year and it is believed that a three day meet will bring in a better line of horses than has ever been seen here. The recent race at Graham showed that there is sufficient horses in the country to have a good meeting and while it has not been definitely decided to hold the meet, it is being discussed and if enough interest is shown the meeting will be called. At the Graham Fair one of the Haskell horses took first place in several races—Roxey Savoy, owned by Mr. Hill, and well known in Haskell. If race horse owners and race enthusiasts are interested in the proposed meet they should make it known to Henry Alexander, race director of the Haskell Fair Association, so that further definite plans can be arranged.

BI-COUNTY INSTITUTE HERE OCTOBER 28-29

Miss Minnie Ellis and Supt. J. Horace Bass are making plans for the joint institute for teachers of Knox and Haskell Counties which will convene here the last Friday and Saturday of this month. The new institute law allows two consecutive days and the other three to be at intervals during the year. This will be the initial meeting of the teachers of this county.

The program for the first day will be directed by sectional conductors. Miss Essa May Barnes, primary supervisor of Cleburne Public Schools, will direct the primary section, Mr. Leonard Power, supervising principal of Dallas City schools will lead the intermediate section and Dr. J. F. Kimball of S. M. U. and former superintendent of Dallas City Schools will conduct the high school division.

Dr. Kimball is one of the outstanding educators of Texas and we are fortunate to have him in our city for the day. The feature of the meeting will probably be an address on subject: "The Country Boy's Heritage," by Dr. Kimball.

WINNERS IN THE PARADE ON LAST THURSDAY

The Fourth Annual Haskell County Fair parade reached the square about eleven o'clock last Thursday morning to a large concourse of people who had been waiting for several hours. The parade was headed as usual by city officials who were followed by a long line of individual and business cars, beautifully and appropriately decorated and a splendid showing of stock cars. The Courtney Hunt & Co. car took first prize, the car itself was a thing of beauty and Misses Madlin Hunt, Maurine Shook, Helen Barron and Louise Kaigler rode in the car. The Cradle Roll Car of the First Christian Church captured the second prize, this car was entirely covered with pink paper and on top was a cradle and in it was little Miss Eva Jo Ratliff, the other occupants were Mammie Jean Menefee, Helen Braye, Eloise Koonce, Janice Pace, Josephine Parish, Fay Draper, and Eunice Ratliff. The third prize winner was the Reid Drug Store car and in it were Misses Marjorie, Martha Lou and Janice Rogers. While the Harrison-Spurlock Gin car did not score a prize, many remarks of commendation were heard on all sides, this car represented King Cotton and was manned by Misses Grace Spurlock, Mary Kimbrough, Mary Ruby Rayborn, the little daughter of Mr. and Mrs. Frank Reynolds, Joe Bryant and Joe Spurlock. The school parade was a unit, headed by the school board in cars, followed by the student body in classes with their teachers walking, this division was interspersed by comedy features and by special cars of both the North and South Ward P. T. A's. The two trucks of the Haskell fire department brought up the rear. The major part of the parade headed for the Fair Park where all school children were entertained free on this, the opening day. Mrs. Mammie Barron, Mrs. Henry Alexander and J. B. Post were parade directors.

Miss Agnes Cox who is teaching again this term in Stamford schools, spent last week end in Haskell and "took in the Fair."

SENATOR MAYFIELD EXPRESSES REGRETS

Austin, Texas

Henry Alexander Haskell, Texas.

Dear Henry:

I never was so disappointed and disgusted in my life as I was in not being able to come to Haskell. All summer I have been especially desirous of visiting Haskell and your section of our State and words simply cannot express my disappointment in being denied that pleasure.

Some two weeks ago I spoke at night in the open air at the Kaufman County Fair and contracted a severe cold which resulted in a very bad case of bronchitis. I was compelled to cancel my engagements to speak at the Lindbergh receptions, both in Fort Worth and Dallas. I was confined to my bed and thought I was getting along pretty well when the cold settled in my left eye and gave me no end of trouble. I spoke at Ennis the early part of last week and went to Fort Worth to spend the day, but lo and behold my eye became very bad and I looked worse than Dempsey after his eighth round with Tunney. My doctor at Fort Worth ordered me to return home immediately and not leave until the infection had entirely left my eye. This is the first effort to attend to any correspondence since returning home from Fort Worth.

It seems that I have been having my share of hard luck the last month, but I suppose these things come to every person. I just wanted to sit down and have a good long chat with you about old times and I had planned to leave Ft. Worth on the morning of October 6th, coming by Wichita Falls and reaching Haskell in the afternoon about six o'clock. We could have had one enjoyable time reminiscing, especially about old days at Southwestern University, but we will have to retrace that pleasure for a later date.

Believe me, Henry, when I say that that never in my life was I so disappointed as I was in not being able to come to Haskell last Friday. I hope you now that you are in Haskell, you will find the time to visit me at my home in Stamford, Texas.

WASTE ON FARMS

In this age of machinery on the farm, it is surprising that so many farmers fail to take proper care of their valuable

machines and tools, but leave them exposed to the weather with consequent deterioration and loss.

If a manufacturer were to pay as little attention to the preservation of his machinery as some farmers do, he would be headed for bankruptcy in short order. While many farmers do care for their equipment in a proper way, it is the testimony of many observers that these are rather the exception than the rule. Describing conditions on a middle west farm, a writer recently said:

"I walked through the grove and orchard and found more than 30 pieces of machinery exposed to the weather. The hog house leaked and the corn crib was full of holes, yet there was an abandoned barn nearby, the lumber of which would have made the necessary repairs and covered all machinery."

It is estimated that the waste through lack of care for farm machinery amount to one hundred million dollars a year in the United States. There are other instances of waste almost as appalling. Is it any wonder that some farmers never appear to be able to get along?

RED AIRVAC-TUBE

Why The Red Airvac-Tube Gives More Heat
Here is the reason you will need much less fuel.

"Cole's Saves Coal"

Cole's Red Tube burns your fuel gases as well as the solid fuel and sends this extra heat out to keep you warmer. Without the Red Tube, these gases, which represent 40 to 60 per cent of your fuel, would go up the flue and be entirely wasted. An enormous saving. The Red Tube, found only in Cole's Hot Blast Heaters, pours a stream of heated air into these fuel gases as they rise, and they are instantly ignited. Notice the fierce flames about the mouth of the Red Tube in the illustration.

ALL THIS HEAT IS EXTRA HEAT

These handsome heaters spread heat evenly through your rooms. They will warm up the floors and farthest corners. Both are equipped with the famous Hot Blast Draft through the Red Tubes. STATEMENT OF OWNERSHIP
 Statement of the ownership, management, circulation, etc., required by the act of Congress of August 24, 1912, of the Haskell Free Press published weekly at Haskell, Texas for October 1, 1927.

State of Texas,
 County of Haskell.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Sam A. Roberts, who having been duly sworn according to law, deposes and says that he is the owner of the Haskell Free Press, and

that the following is, to the best of his knowledge and belief, a true statement of the ownership, management of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 445, Postal Laws and Regulations, to wit:

1. That the name and address of the publisher, editor, managing editor and business manager is Sam A. Roberts, Haskell, Texas.
2. That the owner is Sam A. Roberts, Haskell, Texas.
3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: Mergenthaler Linotype Co., Brooklyn, N. Y.
4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, of any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholders or security holders appears upon the books of the company as trustee or in any other fiduciary, the name of the corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as stated by him.

Sam A. Roberts
 Sworn to and subscribed before me this the 11th day of October, 1927.

Harmony Club Gives Banquet
 The Harmony Club held their annual banquet Wednesday noon at their club house. Mrs. J. G. Foster presiding. A lovely dinner was served and the tables were artistically decorated with cut flowers. The hostesses were Mesdames D. L. Cummins, J. L. Southern and Tom French. Roll was called by Mrs. Vaughn Bailey each member replying with their ideal of a club member. A beautiful poem was rendered by Mrs. T. A. Pinkerton. Our president, Mrs. Foster greeted the club in her usual graceful manner, urging that the entire membership endeavor to labor together in harmony and usefulness that the club may deserve and sustain its past reputation. Mrs. Neff entertained with a beautiful piano selection.

FOUL WORK OF REDS
 The dastardly attempts of anarchists to blow up and wreck trains conveying members of the American Legion on their journeys through Europe are added evidences of the sinister menace to civilization which is presented by the Reds.

Presumably these cowardly attempts at wholesale assassination were inspired by resentment over the execution of Sacco and Vanzetti, but back of it lies the infamous doctrine of class hatred and all that it implies.

That men should attempt, under any circumstances, to murder fellow beings who could have no possible connection with real or fancied grievances shows that there exists a class of depraved creatures in human form, who deserve extermination as enemies of society.

Married
 Miss Lillian Smith of Rochester, and Mr. Ed Daniels of this city were joyfully married Saturday afternoon, Oct. 8, at the home of Rev. M. L. Baker, pastor of the Presbyterian Church of this city. Both these young people are well known, and have a host of friends who wish for them a happy and prosperous married life.

YOUNG PEOPLE TO HAVE SINGING AT BAPTIST CHURCH

The younger people and the kiddies of every community in the county have a special invitation to come to the First Baptist church in this city the 3rd Sunday afternoon beginning promptly at 2:30 o'clock and enjoying a singing especially for them, in which they will do the directing and special song singing. A number of the communities have promised and they are expected to furnish a number of leaders, class songs or what ever they may decide to sing. We urge that every leader and song director and class president of every community see that their young people and kiddies have ways to come. Let's make this a great occasion for the children and younger people.

SICKLY, FEEVISH CHILDREN

Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 35c. Sold by

FACTS

-AND THE OPEN MIND

THE MOST important element in business success—and the most difficult—is to be sure that you have all the facts before you act.

TO GET them all, from every possible source, is the first objective in General Motors. The Research Laboratories contribute some. These are nuggets, left in the crucible, after hundreds of ideas that looked good have been burned away. The Proving Ground contributes others. Dealers contribute. The public contributes. Every department contributes. Through the whole organization runs a spirit of inquiry and of rigid insistence on proof.

OUT OF such thinking come the new models announced from time to time by Chevrolet, Pontiac, Oldsmobile, Oakland, Buick, LaSalle, Cadillac—all with Fisher Bodies. And by Frigidaire. Each new model is a tested step forward. Nothing goes into it as a result of habit or guess or pride of opinion.

Nothing counts but hard-won facts, gathered and used with an open mind.
