Tornadoes Sighted Northeast Of Silverton Monday

A tornado watch turned out to be just that Monday, as spotters sighted two twisters northeast of Silverton.

The first tornado was spotted at 7:15 p.m. about five miles northeast of Silverton. The other twister was seen at 7:35 p.m. six to eight miles northeast of town.

David Tipton was "driving to the farm" and almost ran into one of the twisters, and the other was reported to have "gone through the back yard" at the Eddie Rhoderick home.

Both tornadoes touched down briefly before lifting back up, spotters said. No reports of damage were available Tuesday, but the second tornado "just missed the Rhoderick home."

Reports of golf and tennis-ball size hail came in from the Lake Mackenzie area, but some lake residents who inspected their property Tuesday failed to find evidence of serious damage. At Coronado Shores on the north side of the lake 2.25 inches of rain accompanied the storm, while only 1.50 inches was recorded on the south side of the lake. The John Wyatts received only .10 of an inch at their home, which is

just a few miles from Lake Mackenzie.

Silverton received .40 of an inch of rain Sunday and another 1.02 inches Monday, for an April total of 2.50 inches. Hail in town was small and there wasn't much of it.

A dazzling lightning show was put on by Mother Nature, and lightning struck at the Briscoe County Courthouse, knocking out the telephones and police radio system.

Gary Weeks reported .40 of an inch at his home at Rock Creek, and on down Highway 86 nearer Tulia, heavier rains fell. The City of Tulia received two inches or more of rain in a short time which flooded intersections and the street construction areas of the town.

More severe weather was being forecast for the area for Tuesday evening.

Senior Citizens to Have Birthday Party

Silverton Senior Citizens will have their monthly birthday party May 1 at 7:00 p.m. at the center.

Those having May birthdays will be honored at this time. Those who had birthdays in April will host this party.

All are invited to come and join in the games and refreshments.

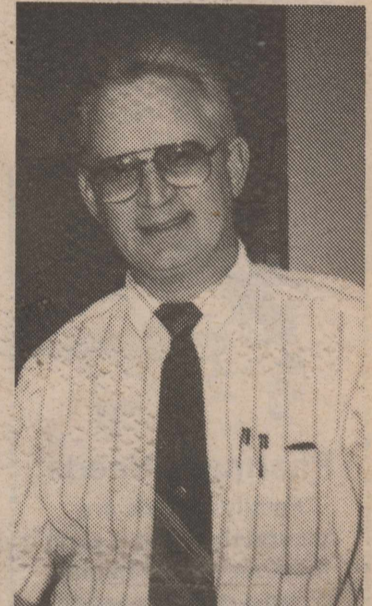

Little Wrangler Rodeo Set For Saturday, May 19

The Sixth Annual PTA Little Wrangler Rodeo and Fun Night has been set for Saturday, May 19. This major fund raiser for Silverton Parent-Teacher Association has become an event looked forward to by all prospective cowboys and cowgirls. Unless the rain foils the plans again this year, the night should be as exciting as ever.

Registration forms will be handed out to the children at school Tuesday, May 8, and MUST be returned Monday, May 14. A table will be set up in the school cafeteria from 3:00 until 4:00 p.m. after school or you may turn them in to Kathy Kingery or Beverly Minyard by that day. No

Larry Ward Appointed Postmaster Here

Larry Ward was appointed the new Postmaster in Silverton, effective Saturday, April 7, 1990, Sectional Center Manager/Postmaster Donald S. Bloyd of

Larry Ward

Lubbock has announced.

Mr. Ward was born at Floydada and began his career in May 1975 in Lubbock (where his parents now reside) as a carrier. He also has served as the Postmaster in Fay, Oklahoma, Canute, Oklahoma, Hobart, Oklahoma and Rocky, Oklahoma.

Postmaster selections are made on the basis of merit from a list of qualified candidates submitted to the Sectional Center Manager by a Review Committee, composed of a Sectional Center Director from the same Sectional Center, a Postmaster from the same Sectional Center, and a Sectional Center Director from a different Sectional Center, review the applicants for the position and recommend to the Sectional Center Manager those candidates who best meet the position requirements. The Sectional Center Manager then selects and recommends to the Postmaster General the best qualified person for appointment to the vacancy.

Mr. Ward and his wife, Dianne, have two sons, Andy, 19, and Eddie, 15.

He served as the president of the Lions Club in Canute, Oklahoma, was on the board of directors for the United Fund in Hobart, Oklahoma, and was chairman of the American Red Cross fund-raising drive in Rocky, Oklahoma. His hobbies include golf, fishing and working with leather.

The new Postmaster is looking forward to his new job and to serving the Postal Community in Silverton.

Final Call For L. O. A. Bridge Tournament

The final call for the L. O. A. Bridge Tournament players is being issued this week. Only enough for two tables have entered, so please call 823-2463 before Friday, April 27.

This money is going to the study club's treasury. The club is broke, according to members, and the money is needed in order to keep the club in operation.

The tournament will be played in the school cafeteria Monday, April 30, from 5:00 until 10:00 p.m. Dinner will be served.

See you there!

Student Council To Sponsor Blood Drive

The Silverton High School Student Council will sponsor the next blood drive which will be held in the home economics department of the school.

This will be Wednesday, May 16, from 2:00 until 6:00 p.m.

Everyone is urged to support this blood drive with "the gift of life" when Coffee Memorial Blood Center's bloodmobile is here.

late entries will be accepted.

Ribbons will be awarded for first, second and third places and for participation in the rodeo. Four belt buckles will be awarded for Best All-Around Cowboy and Cowgirl in the Junior and Senior divisions.

Some new events have been added this year, and they will be explained in next week's paper, along with all previously held events.

Mark your calendars and make plans now to attend the 1990 Little Wrangler Rodeo and Fun Night on Saturday, May 19, and have supper with PTA. Grilled hamburgers will be available at the concession stand.

Pallbearers were Cam Forbes, Ray Stephens, Brent Brannon, Ricky Stephens, Cory Stephens and David Holt.

The family suggested that memorials be made to the Silverton Cemetery Association or First United Methodist Church.

ALVIN LEE REDIN

Funeral services for Alvin Lee Redin, 93, were conducted at 2:00 p.m. Thursday at the First Baptist Church in Plainview, with Dr. Travis Hart, pastor, officiating. Soloist at the funeral was Robert Black, and organist was Betty Morton.

Graveside services were conducted at 4:00 p.m. Thursday in the Silverton Cemetery. Soloist at the cemetery was Jimmy Burson. Funeral and burial arrangements were made by Schooler-Gordon Funeral Directors.

Mr. Redin died at 7:20 p.m. Tuesday, April 17, at Central Plains Regional Hospital in Plainview, where he had been hospitalized for several weeks.

He was born September 2, 1896 in Clay County. He moved to a farm near Sentinel, Oklahoma in 1897 and to Briscoe County in 1914. He was a farmer and a cattleman, and was in the gas and oil business in Silverton for 45 years. He was a Phillips 66 jobber for 35 years. He retired and moved to Plainview in 1975. He was a former mayor of Silverton and a former city councilman.

He was a charter director of the First State Bank in Silverton.

He was a member of the First Baptist Church in Silverton and First Baptist Church in Plainview, and the Lions Club.

A sports enthusiast, he was a co-sponsor for several years of Wayland Baptist University teams in the National Amateur Athletic Union Basketball Tournament.

He married Winnie Joiner on May 11, 1918 in Silverton.

Survivors include his wife; one son, Harley Redin of Plainview; a foster daughter, Pat Barnhill of San Diego, California; two grandsons, Kenny Redin of San Antonio and Van Redin of Austin; and three great-grandchildren, Heather, Jacqueline and Ryan.

Pallbearers were Danny Andrews, Ron Roberts, Steve Jar-

nagin, Buddy Brown, W. D. Rowell and O. C. Rampley.

TROY LEE TIFFIN

Funeral services for Troy Lee (Red) Tiffin, 97, of Rule were conducted at 2:30 p.m. Thursday at the United Methodist Church in Quitaque with the Rev. Steve Ulrey, pastor, officiating.

Burial was in Rest Haven Cemetery at Quitaque, with arrangements directed by Pinkard Funeral Home of Rule. Local arrangements were made by Schooler-Gordon Funeral Directors.

Mr. Tiffin was born in Red Bay, Alabama, and married Susie Bessie Smith in 1917 in Oklahoma. She died in Portland, Oregon in 1969.

He was a retired farmer and lived most of his life in Motley County. He moved to the Los Angeles, California area about a year ago, and then moved to Rule to live with his daughter.

Survivors include a son, Clyde Lee Tiffin of Vancouver, Washington; two daughters, Ethel Lee Morrison of Gainesville and Edna Slaton of Rule; a sister, Buel Savage of Phelan, California; a brother, Von Dale Tiffin of Quitaque; 21 grandchildren and several great-grandchildren. He was the uncle of Keyth Tiffin, Rex Tiffin and H. B. (Doc) Simpson, all of Silverton.

REV. JAMES FUTCH

Funeral services for Rev. James J. Futch, 63, were conducted at 10:00 a.m. Friday at the First United Methodist Church at Pampa with Dr. Max Browning, pastor, and Dr. Clifford E. Trotter, a retired Methodist minister from Amarillo, officiating. Burial was in the Mobeetie Cemetery by Carmichael-Whately Funeral Directors of Pampa.

Rev. Futch died Wednesday, April 18, in Lubbock.

Born in Mobeetie and reared in Mobeetie and Kelton, he attended Kelton High School, Wayland Baptist University, Howard County College, McMurry College and Perkins School of Theology in Dallas. He had been a resident of Pampa 10 years before entering the ministry.

He married Vallie Harris in 1943 at Sayre, Oklahoma.

Rev. Futch had pastored United Methodist Churches, including the Silverton United Methodist Church, for 28 years, the last five being at Pleasant Valley Methodist Church in Amarillo. He moved to Pampa from Howardwick in 1989.

Survivors include his wife; two

sons, Ricky Futch of Seymour and F. David Futch of Savannah, Georgia; a daughter, Mrs. John (Jana) Minyard of Breckenridge; a brother, J. D. Futch of Pampa; four sisters, Virginia Gooch of Pampa, Odessa Hardesty of Lubbock, Maurene Bennett of Amarillo and Lois Spurrier of Springfield, Missouri; and six grandchildren.

The family requested memorials be made to the First United Methodist Church in Pampa, the Kidney Foundation, or to the American Heart Association.

J. E. CUPELL

Funeral services for J. E. Cupell, 94, of Hereford were conducted at 11:00 a.m. Monday at Rose Chapel in Hereford with the Rev. Terry Raines officiating.

Burial was in West Park Cemetery under direction of Gilliland-Watson Funeral Home.

Mr. Cupell died Saturday at the Golden Plains Care Center following a lengthy illness.

He was born in Armstrong County and moved to Deaf Smith County in the 1940's from Silverton. He moved here from Quitaque in the early 1940's.

He married Mary Thurmond in 1917. She died in 1968.

He was a retired farmer.

Survivors include two sons, Joe Ed Cupell of Amarillo and LeRoy Cupell of Vega; a daughter, Mrs. Bill Edd (Clara Bell) Stodghill of Amarillo; a brother, Bennie Cupell of Amarillo; 14 grandchildren; 30 great-grandchildren, and six great-great-grandchildren.

Joy and Clifton Stodghill were among those who attended the services, and they visited briefly with his brother and sister-in-law and her relatives.

Health Fair to Highlight Lighthouse Annual Meeting

A free member health fair will kick off the 51st Annual Meeting of Lighthouse Electric Cooperative on Saturday, April 28, at the Cooperative headquarters on East Highway 70 in Floydada.

The health fair will run from 9:00 a.m. until 12:00 noon, and will feature hearing tests, glaucoma tests, diabetes screening, and several other screening tests administered by health profes-

sionals. It also will feature informational booths manned by volunteers from area health organizations.

Highlighting the health fair will be the displays of both the

Methodist Hospital Carelink helicopter and the newly-arrived ambulance of the Caprock Ambulance Service. The Carelink helicopter will be on hand from 9:00 until 10:00 a.m., and the Caprock ambulance will be on display from 9:00 a.m. until 12:00 noon.

All these activities will be free of charge to Cooperative members and their guests, except for the cholesterol screening, which will have a nominal laboratory fee.

Registration for the business meeting will begin at 10:00 a.m., and the traditional meal will be served beginning at 11:30 a.m. This year's menu features barbecue, fish and chicken prepared by Danny's Fins & Hens.

At 12:30 p.m., a special safety program, a high voltage arcing demonstration, will be presented by Bob Smith, instructor with the Electric Power Utilities Training Division of the Texas A&M Engineering Extension Service.

Board of Directors President Louis Lloyd will call the business meeting to order at 1:00 p.m. Business reports will be presented by Cooperative Board Secretary Gaylord Groce and General Manager Bill Harbin, while a representative of the Cooperative's accounting firm will present the financial reports. Also scheduled is a report on the activities of Golden Spread Electric Cooperative by its general manager, Bob Bryant.

Three directors are to be elected during the business ses-

sion. Nominees to be voted on by the membership are: J. W. Jackson and Joe Appling in District 1; Don Bean and Gene Belt in District 3, and Ronald Mullin in District 4.

Musical entertainment will be provided by The Providentials, a barbershop quartet from the Providence community composed of Albert Scheele, Fonty Carthel, Dennis Faver and Harlan Crume. There will be entertainment for the youngsters during the business meeting, and a nursery will be provided for younger children.

Prizes will be drawn throughout the meeting for Lighthouse members. The grand prize, to be drawn at the conclusion of the meeting, will feature the lucky winner's choice from among several appliances. In addition, a \$50 credit on their electric bill will go to the youngest member and the eldest member present at the meeting.

This year's meeting was planned by Mr. and Mrs. Mark Appling of Crosbyton, Mr. and Mrs. Martin Warren of Floydada, Mr. and Mrs. Randy Calahan of South Plains, Mr. and Mrs. Curt Scrivner of Estelline, Mr. and Mrs. Tom Johnson of Lockney, Mr. and Mrs. Chris Cummings of Hale Center and Mr. and Mrs. Jim Finley of Floydada.

The advice an old woodsman gave on how to capture a porcupine: "Watch out for the slapping tail as you dash in and drop a wash tub over him," the oldtimer said, then he explained, "The washtub will give you something to sit on while you ponder your next move." Most of us need "something to sit on" while we try to figure out what in the world to do about the situations we've gotten ourselves into. Would you care to join ME on the washtub?

Little Johnny came running to his grandmother, "Granny, Granny," he cried, "the other kids called me names!" "Well now, Baby," she responded, "when the pigs grunt at you, you don't grunt back at them, do you?"

Our thinking: "It's impossible"

His thinking: "All things are possible" (Lk. 18-27). "I will give you rest" (Matt. 11:20-30) "I care for you" (I Peter 5:7). "I love you" (Jno. 3:16). "My grace is sufficient" (II Cor. 12:9). "I will direct your steps" (Prov. 20; 24:3-6). "You can do all things" (Phil. 4:13). "I am able" (II Cor. 9:8). "It will be worth it" (Rom. 8:28). "I forgive you" (Psa. 103; 12) (I Jno. 1:9). "I will supply all your needs" (Phil. 4:19).

Every worry to our coffin adds a nail, no doubt. Every smile so merry draws one out.

Hanging on to resentment is letting someone you despise live in your head—rent-free.

Discontent is the penalty we must pay for being ungrateful for what we have.

Be careful of your thoughts: they may become words at any minute.

Happiness comes when we quit wailing about the troubles we have and start offering thanks for the things we do have.

To have an idea what patience is, one need only watch a child learning to walk. It falls, it falls

again, it falls again, and yet it goes on trying, improving, until one day it walks without falling in the effort. What could we grown-ups achieve if we had the child's patience and its concentration in the pursuits which are so important to him.

Cemetery Annual Meeting is May 3

Annual Meeting of the Silverton Cemetery Association will be at 8:00 p.m. Thursday, May 3, in the school cafeteria. An election will be held for the expiring terms of Carrie Dickerson and Bryan Burson.

This year's annual mailout will be a letter instead of a card, so more help will be needed to stuff and address envelopes. This will start at 7:30 p.m.

All persons interested in the Silverton Cemetery are urged to attend. Several important items of business will be discussed.

Gospel Meeting Begins Sunday at Silverton Church of Christ

A gospel meeting will be held beginning Sunday, April 29, at the Silverton Church of Christ. Bro. Harold Kennamer of Tulia will bring the messages.

Services planned for Sunday include Bible Class at 9:00 a.m., Worship Services at 10:00 a.m. and 6:00 p.m. Dinner will be served at noon, and everyone is invited to stay for food and fellowship.

Monday, Tuesday and Wednesday services will be at 7:30 p.m. No morning services are being held.

Everyone is invited to come worship at all services.

Registered Family Home Providers to be Trained in New Minimum Standards

The Department of Human Services Child Care Licensing staff will train Registered Family Home providers on the new minimum standards that are effective July 1, 1990, in several training sessions.

May 12, a session will be held from 9:00 a.m. to 1:00 p.m. at the Moore County Annex in Dumas.

Another session will be held from 9:00 a.m. to 1:00 p.m. at the Texas Department of Human Services in Lubbock.

June 9, a session will be held from 9:00 a.m. to 1:00 p.m. at the Texas A&M Research Center in Amarillo.

The fourth session will be held from 9:00 a.m. to 1:00 p.m. June 23 at the Team Bank in Leveland.

Four hours of training will be given to each caregiver who completes the session. This training will count toward the required 20 hours of annual training.

People who are caring for children or planning to open a child care facility may need to register. The Child Care Licensing Law requires anyone who keeps four or more children in their home, not counting their own, to be registered. Minimum Standards to protect the health, safety and well-being of children must be followed.

If you have questions about the law and other requirements, call the Department of Human Services, Child Care Licensing Office at 806-376-7214.

Bike-A-Thon for St. Jude Children's Research Hospital Here Today

Silverton schoolchildren will be riding their bikes here today to raise money for St. Jude Children's Research Hospital. The story of St. Jude Children's Research Hospital is exciting and dramatic, one worth telling over and over again.

This year's Bike-a-Thon honors Ellen Marie, a solid tumor patient at St. Jude. With every turn of the wheel, riders become 'spokes'-men for all the kids with cancer, like Ellen Marie. This ride is a vital part of the fight against childhood cancer at St. Jude. The many riders who have been out securing pledges for donations to the children's research hospital are the ones that make the Bike-a-Thon a success. The project is being sponsored by the Silverton chapter of Future Homemakers of America and L. O. A. Junior Study Club.

Riders have signed up sponsors who promised to make a donation based on each mile completed. All riders turning in money will receive a certificate. Those who raise \$25 receive a certificate and a St. Jude T-shirt. When \$75 is raised, the rider receives a barrel tote bag, a T-shirt and a certificate. Sponsor forms are still available at the Briscoe County News and from Mrs. Jay (Patsy) Towe at school.

The general plan is for the children to have a good time while helping a wonderful group of children who are counting on their support.

Club to Sponsor Library Silver Tea

You are invited to attend the annual Silver Tea sponsored by the March of Time Study Club at the library in the basement of the Briscoe County Courthouse on Friday, April 27, from 3:00 until 5:00 o'clock in the afternoon. This is in observance of National Library Week, April 22-28.

Memorials are accepted anytime for the purchase of new books for the library.

Recent improvements include the purchase of three sets of double metal shelves to enlarge the books display. Mrs. Sharon Pigg has donated a number of fiction and non-fiction books to the library. Zobie Self is continuing to volunteer her time to the very time-consuming process of cataloguing the entire library.

Library hours are Tuesdays, 8:00 a.m. until 12:00 noon, and

Friday afternoons, from 1:00 until 5:00 o'clock. Mrs. Claudine May is the librarian.

If you are an adult who missed the opportunity to learn to read, or know of anyone who desires to learn, please contact the librarian. There are two volunteer certified teachers available for class schedules.

Comings And Goings

Mr. and Mrs. Berton Hughes drove to Waco Thursday, April 12, with their son, Randy, who had been here holding a revival at the First Baptist Church from April 8 through April 11, so they could visit with the rest of the family, Judy, Amy and Matt. They stopped by Weatherford to see her sister, Eula Belle Hall. She is doing much better and has her own apartment now.

On Saturday they went with the Senior Citizens of Emmanuel Baptist Church, where Randy is pastor, on a day trip to Brenham and Washington on the Brazos to see the bluebonnets. They were pretty all along the way, but when they got to "Chapel Hill" they were just beautiful with the sloping hills just covered with bluebonnets and other flowers. The trees and pastures were a continuous plush carpet of green. They also toured the Blue Bell Ice Cream Factory and were served free ice cream. When they visited Independence, they went to see the oldest Baptist Church in Texas where Sam Houston sat when he accepted Christ. The U. S. flag and the Texas flag were displayed on the pew. Independence also is where Baylor University originated. The original pillars still stand there. It was an enjoyable and educational trip.

Grace Vaughan, Latresa and Stacy Minyard met Vivian and Berton at the airport when they flew into Amarillo on Saturday, April 21.

Riley Harris was being treated for pneumonia in a hospital at Scottsdale, Arizona last week, according to his son, Scott Harris, who is home from San Antonio on leave from the service. Sandy Harris flew home

Jana Michelle Kitchens, daughter of Joe and Carolyn Kitchens, will be graduating with the 1990 Senior Class of Pampa High School. She is a member of the National Honor Society and will be an honor graduate. She took classes at TSTI in Amarillo during the summer before her senior year. She was on the President's Roll with a 4.0 average. She will continue her studies at TSTI in the fall, majoring in interior design. Her grandparents are Mr. and Mrs. Louie Kitchens and great-grandparents are Mr. and Mrs. Wade Steele, all of Silverton.

from Scottsdale on Wednesday to transact business in Lubbock, then flew back to Scottsdale Saturday to be at her husband's bedside. Riley's surgery was being postponed until his condition stabilized.

Ashe and Mildred McDaniel enjoyed having their children and grandchildren home on Easter Sunday. A "for fun" adult Easter egg hunt was enjoyed by Jon, Elaine, Coy and Kelli LaBaume of Floydada, Nena, Clint and Kayla Hunt of Clarendon, Audrey Whitfill of Memphis

and Johnny Lindley of Palaska.

Mr. and Mrs. John Bowman spent the Easter weekend in Littleton, Colorado, with their son and daughter-in-law, Scott and Vicki Bowman. They report the weather was beautiful.

Visitors in the home of John and Beverly Bowman last weekend were Joe and Billie Bass of San Angelo. They enjoyed Saturday at Lake Mackenzie and Sunday at the Earth Day Celebration at Caprock Canyons State Park.

Trevah Stafford Receives I Rating

Seventy-one Brownfield Middle School band students received Division I ratings either for performing a First Division Solo, being in a First Division Ensemble or both recently in competition held at Brownfield Middle School.

Trevah Stafford, daughter of Sharon and Gary McMullen, received a Division I rating for a B-flat Clarinet solo.

She also has received the United States Cheerleader achievement award for her seventh grade year, 1989-1990. This makes her eligible to compete for college scholarships. She has been selected as a cheerleader for the Eighth Grade Class for next year.

She is the granddaughter of Shafe and Jonnie Weaver of Silverton.

**DON'T TREAT YOUR PUPPY
LIKE A DOG**

"Don't treat your puppy like a dog" is a commercial promotion for a dog food, but parents might do well to adopt some of the habits of the animal world in raising children.

Animal "parents" begin from birth to prepare their young to be self-sufficient—to be able to feed themselves and protect themselves from the cruelties of the world they live in. They will only be there for their young for a relatively short time. Human babies take almost a year learning to walk. After 18 years of daily contact, parents may not be sure if their child is ready to assume adult responsibilities.

In today's world, many teens and young adults are unable to support, feed, or protect themselves. Parents may provide things as their children grow up but fail to teach responsibilities or to give children opportunities to develop self-reliance. Some parents WANT their children to be dependent upon them because it makes the parent feel needed and important. Others just do not know HOW to teach this or fail to understand the importance of training their children for adulthood. We may assume that when they become adults they will automatically know how to be a responsible adult.

A parent's job is to prepare children to survive and thrive in the kind of society in which they live—to develop capable adults. This means they need opportuni-

ties as children under parental guidance to develop decision making, to accept responsibility for jobs, and to learn to be reliable and dependable. They need to have and to accept logical consequences for their actions. Protecting children from the realities of life is not in their best interest.

Consider treating your child as animals treat their young—lovingly guiding them through the pitfalls of childhood so they can stand on their own when you are no longer there to care for them. I believe that the greatest reward parents can have is to see their children become self-reliant, responsible, productive adults. You will ease the adjustment into adulthood for them if you prepare them well through childhood.

For more parenting information and help, call my office at 823-2131. We have a video by Dr. Stephen Glenn on Developing Capable People that may be borrowed at no cost. I also have access to a large free loan library of parenting videos, books, and other materials on this subject. My personal copy of the book, "Raising Self-Reliant Children in a Self-Indulgent World" may also be checked out of my office.

We want to help promote stronger families in Briscoe County. If your club or organization would like a parenting program, just call me. We also have a Partners for Parenting team that is interested in promoting parent education and can schedule videos or programs. Miss Fogerson, Mr. Dorman Are Shower Honorees

Miss Kristy Lynne Fogerson and her fiance, Jeffrey Lynn Dorman, were guests of honor at a miscellaneous shower Saturday morning, April 21, in the Pioneer Room at First State Bank in Silverton.

Guests were greeted by Tina Nance and presented to the honorees, and to Mrs. Stanley Fogerson, mother of the bride-elect; Mrs. Roger Dorman, mother of the prospective bridegroom, and the grandmothers of the couple, Mrs. Bailey Elliott of Matador, Mrs. Sylvia Fogerson of Silverton and Mrs. Owen

Brannon of Clayton, New Mexico.

Miss Penni Fogerson, sister of the bride-elect, registered the guests. A Precious Moments bride and groom in an antique car and a China Doll green plant enhanced the registration table.

Refreshments of pecan tassies, sausage balls and blueberry and banana nut muffins were served with punch and coffee by Kathy Brown, Lee Ann Durham, Melissa Estes, DeLynn Fitzgerald, Norma Garcia and Shavonne Lowrey.

The serving table was covered with a forest green cloth. The centerpiece and gift to the couple was a Golden Pothos ivy with baby's breath in an ivory planter accented with ivory ribbon.

The hostesses' gift to the couple was a Hoover vacuum cleaner.

The hostesses were Jealeta Baird, Della Boling, Vaughnell Brannon, Mary Brown, Beverly Bowman, Martha Cavitt, Shirley Durham, Pat Fitzgerald, LaVern Kingery, Carolyn Lowrey, Tina Nance, Pam Nease, Mary Jane Patton, Carolyn Reagan, Faye Self, Sharon Simpson and Madeline Stone.

GARLIC OIL

With Parsley and Chlorophyll

Garlic contains potassium, phosphorus, a significant amount of B and C vitamins, as well as calcium and protein. It's generally accepted that garlic acts as a diuretic, stimulant, expectorant, and sweat promoter. For centuries, it has been a common European remedy for colds, coughs and sore throats. European physicians have reported that garlic has two outstanding medical properties. One is that it tends to open up blood vessels and reduce blood pressure in hypertensive patients. The other property is antibiotic, and several researchers have found that garlic in large amounts can be effective against bacteria that may be resistant to other antibiotics. The addition of parsley and chlorophyll helps remove the aroma of this natural herb wonder, leaving no after-taste or bad breath. Contains no preservatives, no artificial color or flavor, no sugar and no starch.

Swisher and Hale County cotton producer and ginner Larry Nelson April 5 was elected president of Lubbock-based Plains Cotton Growers, Inc., succeeding Steve Verett of Ralls.

The election of officers was held by the organization's board of directors after PCG's 33rd annual meeting in Lubbock's Memorial Civic Center. Other officers elected were Wayne Huffaker of Tahoka, vice president, and Frank B. Jones, jr. of Lamesa, secretary-treasurer. The board is made up of two members elected from each of PCG's 25 counties. Thirty-five of the fifty members were present for the election.

Nelson has been a Swisher County director since 1980 and an officer since 1986. He served two years each as secretary-treasurer and vice president, and in 1987 was chairman of the Finance Committee. A well-known leader in the industry, he is a member of the Cotton Incorporated Board of Directors, current president of the Texas Cotton Ginners Association and a past president of the Texas Independent Ginners Association. Nelson holds an agricultural engineering degree from Texas Tech University. He and his wife, Rena, have two married children, Kevin and Judy.

Verett, a PCG director since 1985, had served the maximum two one-year terms as president.

Under PCG by-laws he automatically becomes chairman of the board, replacing Myrl D. Mitchell of Lenora. Mitchell continues as a Martin County director.

PCG's new vice president, Huffaker, has been a Lynn County director since 1982. He served as secretary-treasurer in 1988 and 1989, is a member of the organization's Boll Weevil Steering Committee and a member and past chairman of the Plains Cotton Improvement Committee. He was chairman of the PCG Finance Committee in 1988 and 1989. Huffaker and his wife, Rachel, have two children, Wayne, jr. (Cal) and Ralph.

Secretary-Treasurer Jones became a PCG officer for the first time after 15 years as a director. The long-time Dawson County producer, ginner and cattleman is a 1960 graduate of The University of Texas and was graduated from Harvard Business School in 1968. A past chairman of PCG's Boll Weevil Steering Committee, Jones also is past president of the Cotton Foundation, a producer delegate to the National Cotton Council, chairman of the NCC Producer Task Force on Environmental Issues, and a past chairman of the NCC Producer Steering Committee.

Over 250 cotton producers, ginners and other cotton-related businessmen and women attended the PCG membership meeting. Guest speakers were Lester J. Smith, vice president and director of purchasing of Cone Mills, Greensboro, North Carolina, and Phillip C. Burnett, executive vice president of the National Cotton Council.

BRISCOE COUNTY NEWS

Reports were heard at the meeting from retiring President Verett, Executive Vice President Donald Johnson, Plains Cotton Improvement Committee Chairman Mitchell, and Boll Weevil Steering Committee Chairman Jarrell Edwards of O'Donnell. Edwards concluded his report by presenting a Distinguished Service Award to Roy Moritz of Lubbock who retired in 1989 as manager of PCG's Boll Weevil Control Program.

Back about 50 years ago the lyrics of a popular Johnny Mercer song admonished listeners to "Accentuate the positive; Eliminate the negative—Don't mess with Mr. In Between."

And, notwithstanding the fact that the song precedes by 20 years or more the birth of some members, that's precisely what the board of directors of Plains Cotton Growers, Inc. did at their last meeting April 5. At issue was a uniform, non-refundable producer assessment to more adequately fund the research and promotion work of Cotton Incorporated.

Both positive and negative aspects were discussed at length. But in the end, the board centered on the positive and, contingent upon approval in a producer referendum and provision for subsequent producer review, voted full support for such an assessment.

The industry for the past two years or more has sought to amend the Research and Promotion Act of 1966, not only to remove the Act's producer refund provision but also to mandate an equal assessment on the cotton content of textile imports. Accordingly, PCG's position prior to this year supported non-refundable assessments only if a like assessment would be applied to cotton imports.

But every move in that direction has run afoul of opposition to the import levy from the Administration and many in Congress.

Now, that opposition is seen as insurmountable, which leaves producers only three practical options: a non-refundable assessment, most likely collectible only from producers; an increase in the current level of refundable producer assessments, or continued underfunding of cotton research and promotion.

Discussion which led to the PCG board's choice of the first option did not ignore the inequity of importers "getting a free ride," but comments indicated a feeling that producers now paying the assessment suffer an even greater inequity at the hands of producers requesting refunds.

Nor was there a failure to consider that non-refundable assessments would deny producers the right of free choice with regard to support for the CI program. That negative aspect, in fact, was a contributing factor in PCG's support being conditioned on (1) a favorable vote in a referendum and (2) provision for subsequent producer review. It was also suggested that the amount of the assessment could be lowered under a non-refundable format.

In answer to a question on the terms of the producer referendum, PCG Executive Vice President Donald Johnson said they would probably be spelled out in the authorizing Research and Promotion Act amendment.

However, he said, the terms most likely would be the same as those in the original Act, requiring a favorable vote of either two-thirds of the producers voting or a simple majority of voters accounting for two-thirds of U. S. production.

On the positive side, overriding all negatives, was CI's record of achievement and a conviction that more adequate, more dependable CI funding is a must if that record is to be maintained.

Exemplifying the results of CI's work, newly-elected PCG President Larry Nelson of Tullia cited cotton's 51 percent of the total apparel and home fabrics market during the first six months of 1989, up from only 34 percent in 1975.

Assuming an average quality crop, discounts on 1990 High Plains cotton will be lower than in 1989, according to Plains Cotton Growers, Inc., Lubbock.

Looking at a schedule of loan program premiums and discounts just released by the U. S. Department of Agriculture, PCG concludes that the preponderance of area cotton this year will be discounted from 40 to 60 points (.4 to .6 cents) less than last. That, together with a base quality 50.25-cent loan, 20 points above last year, will mean 1990 loan values three to four dollars per bale higher than in 1989, PCG points out.

Standard procedure is for each year's discounts to be set at the simple average of the previous year's loan discounts and average spot market quotations for the first seven months of the same marketing year. But, as discussed below, there was an obvious departure from that procedure in 1990.

Most High Plains cotton falls in the white, light spot and spotted grade categories, staples from 30 through 34-32nds of an inch (30's through 40's), and carries mike readings ranging from 2.6 through 4.9. There also are changes in this year's mike discounts, but they will have little net effect on average loan values because decreased discounts on staples 32 and shorter are largely offset by increased discounts on longer cottons.

Outside those involving staple 32, discounts for 1990 were lowered on 80 percent of the grade and staple combinations that dominate High Plains production. Curiously, however, that percentage is almost the exact opposite for 32's, on which discounts were raised on 17 of the 21 staple 32 qualities above the spotted grade. It will be noted also that while discounts on almost all qualities of 32's were increased, discounts on all qualities of 33's, without exception, were decreased . . . in amounts generally larger than the norm for other staples.

That anomaly, USDA officials say is the result of "adjustments" made to the 32 and 33 discounts to prevent some of the longer 33's from carrying a physical loan price lower than 32's when low micronaire discounts are applied to both. Since low micronaire discounts on 33's are as much as 280 points above discounts on 32's, it's explained, there has to be a spread of at least 280 points between the grade discounts for the two staples. This was accomplished by raising discounts on 32's and lowering discounts on 33's where necessary, notwith-

standing the discounts otherwise indicated by the standard loan program-spot market averages.

The accompanying chart shows a comparison of 1989 and 1990 premiums and discounts for qualities that account for most High Plains production.

Texas Peanut Referendum Is Underway

May 1, 1990 is the date set by the Texas Peanut Producers Board (TPPB) to conduct a statewide election and referendum asking peanut growers to set the refundable peanut assessment rate not to exceed \$2.00 per net ton, farmers stock basis, which may be set annually by the producer-elected board to finance programs of peanut market development, disease and insect control, research, education and promotion to encourage the production, marketing and use of peanuts designed to enhance producer income.

The terms of three directors expire with this election. Candidates on the ballot for those three positions are Lyndell Coan (incumbent), DeLeon, Billy M. Barnes, DeLeon and Tim Beaty, DeLeon.

Voting locations will be set up in the County Extension Agent's office of each major peanut producing county. The polls will be open on May 1 from 7:00 a.m. to 7:00 p.m.

Absentee ballots are available at the County Extension Agent's office of each peanut producing county. Absentee ballots must be postmarked no later than April 28, 1990, to be valid.

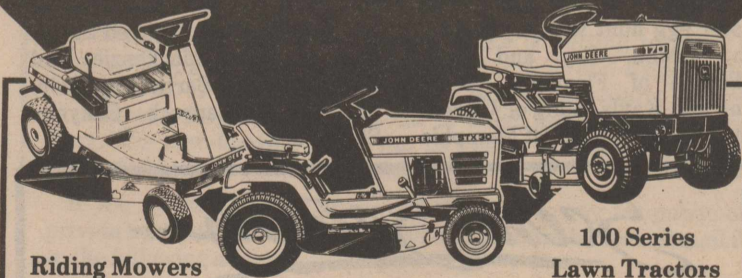

All Texas peanut producers are eligible to vote. The law defines a producer as anyone who produces or causes to be produced the commodity involved. This includes landlords who rent on a "share" basis.

"Peanut farmers in all of the other peanut producing states have been investing \$2.00 per ton for many years into their check-off programs. Texas growers must be willing to support research and education at the same rate, if they are to be competitive and continue to produce peanuts at a profit," says Ted Higginbottom, TPPB Chairman.

The Texas Peanut Producers Board was established 21 years ago when Texas growers voted to assess themselves \$1.00 per ton for a check-off program to finance research, education, promotion and market development. At that time, the price support was \$235 per ton. The quota support price for 1990 has been set at \$631.47 per ton. Grower funding through check-off dollars has played a role in keeping profits in peanuts through a strong price support program.

For the past 21 years the Texas Peanut Producers Board has supported research and education efforts for the advancement of the peanut industry in Texas. Today's peanut producers reap the benefits of these investments through increased profits, cost containment, reduced risks, and market quality. In the 1990's, research and education programs will have even greater impact on the industry as they are strengthened by new technologies.

Grand Master of Texas Masons To Conduct Area Workshop

A. D. Hanna, prominent businessman and civic leader from Wichita Falls will conduct a Masonic workshop in Childress on Friday, May 4. These workshops which are held in several areas throughout the state are designed to assist lodge officers in carrying out their duties as Masonic leaders. Twenty-five lodges in this area are expected to participate.

Mr. Hanna was born January 9, 1922, in Throckmorton, Texas, graduated from Breckenridge High School in 1940 and attended John Tarleton College. After serving three years in the Navy, he moved to Wichita Falls in December 1945. He joined Wichita Tool Supply Company as a partner and later became its sole owner. As a member of Floral Heights United Methodist Church he is presently serving as chairman of stewardship, is on the board of trustees, and the finance committee. He is a member of Down Town Rotary Club, on the board of directors, and a Paul Harris Fellow. He also is a member of the Wichita Falls Country Club.

Mr. Hanna began his Masonic career in 1946 when he became a Master Mason of Joseph A. Kemp Lodge 1287. He became a dual member in Iowa Park Lodge

713 and served as Worshipful Master there in 1972. He was appointed District Deputy of Masonic District #88 in 1979, and Grand Junior Deacon of the Most Worshipful Grand Lodge of Texas in 1980. He was elected Grand Senior Warden in 1987.

He was the director of a Degree Team in 1957, Potentate of Masket Temple in 1962, a past trustee, and is now Ritualistic Potentate. He served as president of the Cabiri Association. He also is a member of the Royal Order of Jester's Court 85, Wichita Falls Commandery #59, Royal Order of Scotland, Red Cross of Constantine, and Texas York Rite College #14. He is a 33° Inspector General Honorary of Lubbock Consistory, zone chairman, past president of Wichita Valley Association, and is presently serving on their board of trustees.

Mr. Hanna married his high school sweetheart, Cletha Brookins, in 1942. They have two daughters who reside in Wichita Falls, Mrs. Marsha Hanna May who is a math professor at Midwestern University and Deborah Lynn Bigot, who is an elementary teacher. They also have three grandchildren, Brent Mah, 21, who is a pre-med student, Jennifer May, 13, and

Two Briscoe County Events Well Attended

Residents of Briscoe County supported two recent special events with great attendance.

On Tuesday, April 17, forty-seven Quitaque and Silverton residents attended the county-wide Pot Luck Supper sponsored by the Briscoe County Task Force. A wonderful meal and much laughter were shared by citizens of the two towns in the county.

Quitaque City Manager David Brunson gave a brief history of how the Briscoe County Task Force evolved from the county-wide meetings begun over a year ago.

A slide show by photographer Randy Stark and narrator Steve Urey depicted the splendors of Briscoe County. The close-up shots of the animals and the gorgeous canyon scenes prove that Briscoe County has it!

Gerald Smith gave highlights from the L. E. "Buddy" Surles tourism survey—a study of tourism potential in Briscoe County. Mr. Surles is a specialist in tourism development.

Extension Agent Lynda Fogerson and Task Force Member Virginia Hardin made a presentation entitled, "One Step Away From Involvement".

All residents of Briscoe County are invited to the next county-wide meeting to be held at 7:30 p.m. Monday, May 14, at the Quitaque Community Center on May 14.

The talk has ended, the time of action has come. You, as a citizen of Briscoe County, are needed to help form action groups.

Earth Day, Sunday, April 22, saw over three hundred county residents and guests invade Caprock Canyons State Park. The crowd gloried in the talents of local cooks, musicians and cow callers.

A tree was planted in honor of Earth Day. It will serve as a reminder to all of the responsibility to care for the earth God has made.

Hanna Guy Bigot who was born on April 10, 1990.

A big thanks to Dale and Dona Smith and their crew for preparing the excellent barbecue meal. To members of the Quitaque Chamber of Commerce and Briscoe County Activities Association, thanks for helping serve the meal and acting as hosts.

The Caprock Jamboree organizers, John and Maebelle Francis, Janice Hill, and all the local bands, Purcell Family, Caprock Country, Country Sounds and Gary and Lori House provided great music during the afternoon. The musical talent in Briscoe County is outstanding!

Every cow caller was a winner. You gave the judges a difficult time and you delighted the crowd! Bright blue "wild rags" were presented to the following winners: Johnnie Burson, Master Class, Men 65 years and older; C. L. Hawkins, Practicing Class, Men 19 to 64 years; Bessie Sauls, Powder Puff Class for Women; J. Cobey Turner, Novice Class for Kids from birth to 18.

Contestants included Johnnie Burson, Eddie McConnell, Bailey Hill, Fish Wilson, Jake Merrell and Leroy Hamilton, Master Class; Clifton Stodghill, Gary

House, Aaron Younger, C. L. Hawkins, Keith Ralston, Fred Strange, Danny Grant and David Cavitt, Practicing Class; Maebelle Francis, Lorena Dayton, Connie Smith, Janice Hill, Bessie Sauls and Pat Cerovski, Powder Puff Class; J. Cobey Turner and Kenzie Burson, Novice Class.

Many thanks to the judges who asked to remain anonymous.

To the Caprock Canyons State Park Manager and staff, you did a wonderful job of making folks feel at home in the Park on Earth Day.

There was one bug that for sure will have to be worked out before the next blow-out at Caprock Canyons State Park. If you were asked to pay the \$2.00 park entry fee even though you had tickets for the meal, you may lay the blame on the State of Texas. The advertising had been cleared with the State Parks and Wildlife Service and the word had been put out that the price of the barbecue ticket included the park fee. A ruling by the "powers that be" came back to the State Park System that the entry fee must be collected, and the advertising was already out. Sorry, folks.

Graduation is Important Milestone

Graduation is quickly approaching. This milestone in a student's life is the much-anticipated highlight of 13 years of school. Graduating seniors are justifiably proud of this accomplishment and want to celebrate their move into the adult world. Unfortunately, the tradition across the nation has been to celebrate with parties that involve alcohol, and this has many times had tragic results.

The Silverton High School Class of 1990 has stepped out and agreed to be the first class to change this tradition, and their parents are wholeheartedly supporting this effort. Many seniors and their parents in other communities have taken similar steps to host a chemical-free graduation night celebration.

Senior Soberation '90, the all-night "lock-in" for ALL Silverton High School students, is planned for graduation night, May 25, at the County Showbarn. This event will provide a safe environment for entertainment with music, videos, games, socializing, food, and door prizes. The seniors and their parents are making final plans for this

celebration.

The community and surrounding area have given tremendous support to this effort. In addition to those mentioned in previous publicity, the following supporters have made monetary donations or contributions of products or services: Dale Bailey and Cactus Cove Marina, Silverton Auto Parts, Garvin Oil Company, H & H Fertilizer, Bess McWilliams, Silverton Oil Company,

Winnie Smith - Avon, Amy's Beauty Shop, Rex and Dorothy Johnson, Charles and Mary Ann Sarchet, Anna Lee Anderson, Billy and Bette Cogdell, Verlin B. Towe Agency, Nance's Food Store, First State Bank, Tex Martin's Two-Way Radio of Kress and Wilson Sporting Goods of Dallas.

Those who would like to prepare food, help serve, chaperone, donate recreation equipment or door prizes, or make a monetary contribution may do so by contacting any senior or senior parent. Deposits may be made to the Senior Soberation account at First State Bank or given to Finance Chairman Carolyn Lowrey.

Athletic Banquet Is Saturday, April 28

The Athletic Banquet for junior high and high school students will be held Saturday, April 28, at 8:00 p.m. in the Silverton School Cafeteria. Parents, families and other interested community residents are welcome to attend.

The meal will be catered by Cattle Call of Amarillo. The charge will be \$5.00 per person; however, the athletes will receive their meals free.

All athletes need to sign up with Jealeta Baird in the school office. Tickets also will be available for purchase at the school, Briscoe Implement, or from Martha Cavitt. In order to know approximately how much food is needed, please purchase a ticket ahead of time or let Mrs. Baird know as soon as possible.

Anyone interested in helping to decorate for the banquet will meet Friday evening, April 27, in the school cafeteria. Cathey Weakis is in charge of decorations and will need all volunteer help available.

Cactus Cove Marina Fishing Report

Water temperature at a four-foot depth at Lake Mackenzie is 59° and the depth at the dam Monday was 106'8".

Several new lake record fish have been caught during the past few days.

April 4, an 8¾-lb. striper, a 6¾-lb. blue cat and a 4¾-lb. yellow cat were caught on minnows in Tule Creek by H. L. Word of Hereford and Orval Slaughter of Edmonson.

That same day, a new lake record striper, 10¾-lbs., was caught on minnows with a Zebco 33 rod and reel in Deadman's Creek by Vernon Thomas of Plainview.

Danny Smyth of Amarillo caught an 8-lb. 14½-oz. striper on minnows at the mouth of Tule Creek on April 7.

April 8, 2-lb., 2½-lb. and 3-lb. 15-oz. largemouth bass were caught by Johnny Rowan of Canyon who was fishing with a black and chartreuse Pig-N-Jig while fishing the creeks.

April 16, a 29-lb. 6¾-oz. yellow cat, a new lake record, was caught on a 3/8-oz. Lead Head with a four-inch Oil Can Grub at the mouth of the Tule by Don B. Taylor of Hereford.

On April 20, Mule Grantham took a 48-lb. yellow cat off his trotline in Cope Creek. This was an unofficial weight, since the scales at Cactus Cove Marina don't weigh that much, and the fish can't be certified as a new lake record.

On April 21, a new lake record 4¾-lb. walleye was caught on a green jig in Tule Creek by Chad Glenn of Tulia. He also reported catching 12 crappie ranging in weight from ¾ to 1-lb. in Williams Creek.

A fishing tournament was held at the lake Saturday, and Billy Joe Turner of Lockney caught the winning fish, a 10-lb. striper, caught on a black and silver plastic worm at the mouth of Tule Creek.

It has been reported that

Veterans Commission Reports Amount Paid To County Veterans

The Texas Veterans Commission has recently received an official report showing the amount of monetary benefits paid to the veterans residing in Briscoe County by the Department of Veterans Affairs for fiscal year 1989.

This information is important, as it is an excellent barometer of the effectiveness of the valuable service performed for the veterans, their dependents and survivors who reside in the county.

This information was passed along to the Briscoe County News by County Judge Jimmy Burson.

The amount of monetary benefits by category are as follows: Compensation and Pension, \$125,562; Insurance and Indemnities, \$9,112, for a total of \$134,674 paid to Briscoe County's veterans.

BOY SCOUT NEWS

Mark Eddleman, Scoutmaster

Our next meeting will be Monday, 3:45. All Boy Scouts need to be there to make plans for our next camping trip, and to discuss our first service project.

These Scouts have been moved to a new advancement. Stan Gamble, Senior Patrol Leader; Lance Holt, Assistant Senior Patrol Leader; Johnny Patino, Patrol Leader; Braden Towe, Patrol Leader; Greg Perkins, Troop Guide.

I need someone to help with the new Scouts. I need a new recruit assistant Scoutmaster. If you think you can help, please call. We also need very badly a Cub Scout Leader.

This summer program is going to be a good one and you can make it better by helping all you can. I hear people saying all the time that kids in this town don't have anything to do. Well, let's change that; Scouts can make the difference with your help.

"Support Senior Soberation '90"

crappie are doing well in all the creeks and are being caught on minnows and jigs in eight to ten-feet of water. Some stringers of 10 to 25 fish average weighing ¾ to 1-lb.

Bass fishing also is doing well to four pounds on plastic worms and Pig-N-Jigs in Tule and Deadman's Creeks.

TO THE VOTERS OF BRISCOE COUNTY,

I would like to take this opportunity to thank each of you for your vote and support during the recent runoff for Justice of the Peace of Precinct Number 1. Your kindness and hospitality shown toward me during my campaigning was very heartwarming. I especially enjoyed the opportunity to make new acquaintances and renew old friendships.

I appreciate the trust that you have shown in me and I pledge to serve you to the best of my ability. As I have stated before, I believe in the "law". I believe that it pertains to all of us. I promise that I will serve with equality and with compassion.

Thanks again and feel free to call on me at any time.

Thank you,

INSURANCE ANSWERS

AUTOMOBILE ACCIDENTS RAISE QUESTIONS

Texans are involved in about 400,000 automobile accidents every year, many of which result in insurance claims.

After the accident, consumers often have questions about their responsibilities and rights under their insurance policy. Here are responses from the State Board of Insurance to questions commonly asked by consumers:

Q. What do I need to do at the scene of the accident?

Human safety should be your first concern. If possible, move your car from the roadway so that traffic is not obstructed. Exchange name, address, vehicle registration number, insurance information (company and policy number), and driver's license number, with anyone else involved in the accident.

Get the name and address of any witnesses. The emotionally-charged atmosphere following an accident is not the best place to try to settle a dispute. Stay calm and gather facts.

Q. Should I report the accident to the police?

Police reports are not required unless there is an injury or the damage exceeds \$500. In some larger cities, police do not conduct on-site investigations unless injuries are reported.

If police are called to the scene, ask the investigating officer how to get a copy of the police report.

Q. Should I notify my insurance company?

You have an obligation to report all accidents that may result in an insurance claim. This is especially important in liability claims where the other driver alleges that you were at fault.

Remember, your insurance company must represent you in these cases unless your actions (such as failure to give notice) interferes with its ability to defend you by prejudicing the case against you.

When no other person is involved and the damage clearly falls below your policy deductible, it usually is not necessary to report the accident to your insurance company.

Q. How long will it take for the company to settle my claim?

Texas law does not prescribe a deadline, but does require a

company to act "promptly." To protect yourself, make sure you respond quickly to requests for information. Keep copies of everything you send to the company. Stay in touch with your agent or company and make notes on who you talk to and when.

If a pattern of missed deadlines, misrepresentation or unfulfilled promises develops, you may want to send a letter of complaint to the State Board of Insurance for investigation. Write to:

State Board of Insurance
Complaints Division (Div 016-5)
P.O. Box 149091
Austin, Texas 78714-9091.

Q: Am I entitled to a rent car while mine is being repaired?

If the accident was another driver's fault, that driver's liability insurance company will pay for a rent car. No daily maximum or time limits are applied, but the full amount of recovery (including the cost of repairs) is controlled by the other driver's maximum limits of liability. By law these limits must be at least \$15,000 for property damage but may be more.

Your policy will pay for a rent car only if you buy "rental reimbursement coverage." Under that coverage you are limited to \$20-per-day, not to exceed \$600.

(This column is distributed by the State Board of Insurance as a service to Texas consumers. For further information call 1-800-252-3439.)

A Talk With God

This is a very special moment in Kenny's day. He is about to have his talk with God.

Kenny has these talks with God every day. He knows they are important . . . to God as well as Kenny.

Have there been any very special moments in your day lately? Have you thought about having a talk with God?

It was Jesus who pointed to a child's humble faith as an example for all Christians.

Learn how important a talk with God is to you Both. Make prayer a vital part of every day.

Kenny has!
