Why-

DO MORE AND MORE HOUSEWIVES EVERY DAY CHOOSE HARCROW'S MILK DANDY BREAD?

Because experience has shown them that they can depend upon Milk Dandy Bread. With each loaf the expectation of appetizing appearance, firm close knit texture and home like flavor, has always been fullfilled. They believe that Milk Dandy Bread will keep the faith. Such confidence was not won in one day. Housewives had to be convinced that bread as home like as their own could be duplicated. Also that it would continue to be baked without variation in purity, goodness and flavor. Ask your Grocer for Harcrow's Milk Dandy Bread.

Doctors Disagree

When children are irritable and peevish, grind their teeth and sleep restlessly, have digestive pains and disturbances, lack of appetite, and have itching eyes, nose and fingers, doctors will not always agree that they are suffering from worms. Many mothers, too, will not believe that their carefully brought up children can have worms. The fact remains that these symptoms will yield, in a great majority of cases, to a few doses of White's Cream Vermifuge, the sure expellant of round and pin worms. If your children has any of these symptoms, try this harmless, old fashioned remedy, which you can get at 35c per bottle from Reid's Drug Store or Payne Drug Company.

Don't Wait 'til the Last Minute!

A "Holt" Combine and a "Caterpillar" Tractor will put an end to your harvesting worries, cut your labor cost to practically nothing, save the expense of binder twine, shocking and hauling-one trip over the field and you're through.

For over 40 years "Holt" has led the march of progress in combine industry. The "Holt" will thresh down grain-handle long rank straw-master weedy conditions, give positive separation-and get all the grain.

"Caterpillar" tractor is a worthy companion for "Holt." It will work in soft fields, sand, climb hills, bridge gullies-work under conditions that render other types of power useless.

Harvest time is near-you have no time to lose in getting ready to take care of your crop-your first step should be to investigate "Holt" and "Caterpillar."

"Caterpillars" and "Holts" are on display at points near you, representatives are eager to show you everything you want to know. Without obligation to buy-write, wire or phone us for appointment. Don't wait 'til the last minute-do it now!

Just Like An Ostrich

A medical authority says that a person who tries to cover up skin blem ishes and pimples with toilet creams and powders is just as foolish as an ostrich that buries its head in the sand to avoid danger. Skin eruptions are nature's warning that constipation is throwing poisons into your blood stream and weakening your whole constitution. Remove the constipated condition and you will strengthen your system against disease and clear up your disfigured skin. The best way to do this is with a course of Herbine, the vegetable medicine that acts naturally and easily, which you can get at Reid's Drug Store or Payne Drug Co.
