NUMBER 46

Owls To Host Smyer In Playoffs

Silverton's Owls lost a very physical game at Lazbuddie last week, but are in the state playoffs and will be playing Smyer in the first round at home Friday night. Kickoff will be at 7:30 p.m., and it is hoped that Owl fans will take advantage of having the game here and go out to the game to cheer for the district champions!

Admission for the playoff will be \$3.00 for adults and \$2.00 for students.

The championship ended in a three-way tie, shared with the Owls by Three Way and Lazbuddie. Since only two teams can advance into the playoffs, a coin flip was necessary to determine who it would be.

"Silverton won two out of three Friday night," Coach Clyde Parham said. "We lost the game but won two coin flips."

The coaches of the three schools met in Olton after the games and agreed that the first "odd man out" would represent the district as the first-place team. That turned out to be Silverton. A flip between Three Way and Lazbuddie put the Longhorns in as the runner-up team in the playoffs. This leaves Three Way with a finished football season even though they lost only one game—to the Owls—this season.

Coach Parham came right back and won a home-and-home toss with bi-district opponent Smyer.

Lazbuddie is due to meet 4A champion Meadow in its first-round post-season game, and this game will be played at Lazbuddie.

"It came out good for us anyway," said Coach Parham, obviously disappointed over his team's performance against Lazbuddie which ruined Silverton's hopes of attaining a perfect district record and the outright championship. "I guess it was kind of ironic how it worked out. We had the worst (season) record (6-3-1) out of the three teams and came out number one. Three Way had the best record of all of us and just got through beating Lazbuddie 100-52, and they're staying home."

Coach Parham assured that the Owls must play much better against Smyer than they did against Lazbuddie.

"I don't want to take anything away from Lazbuddie but we played pitiful," the coach said. "We weren't mentally prepared at all—from coaches to players. We didn't have good workouts all week because of the weather and we may have got caught looking ahead to the playoffs. I think the kids know what they need to do now," he added. "They definitely won't be looking ahead this week. Smyer's pretty tough."

The winner of the Silverton-Smyer game will meet the winner of the McLean-Valley game which is being played Friday night at McLean.

The last time the Owls finished in a three-way tie it was with Higgins and

McLean, and Higgins won the flip to represent the district as champion and Silverton went into the playoffs as the

Hunter's Supper To Be Served Here Saturday

Briscoe County 4-H Adult Leaders Association will sponsor a Hunter's Supper Saturday, November 17, from 6:00 until 9:00 p.m. in the Silverton School Cafeteria.

All citizens of Briscoe County are welcome to come and enjoy a brisket supper. Cost will be \$4.50 per person.

For more information concerning the Big Buck contest or the Hunter's Supper, please contact the Extension office.

Cowboy Christmas Jubilee Being Planned For Saturday, December 1

The annual Christmas Jubilee will be Saturday, December 1, in downtown Silverton. The arts and crafts show and sale will be in the building north of the Briscoe County News.

If you are interested in having a booth that day, call Saundi Wade at 823-2276.

To encourage local Christmas shopping, the businesses of Silverton will be having sales and specials throughout the day. A highlight of the day will be drawings for door prizes at 5:00 p.m. under the shelter on the courthouse yard.

Immediately following, grades three, four and five will present a program entitled "A Cowboy Christmas." This promises to be very special and something no one will want to miss.

The school children also are working on Texas-style ornaments to decorate the Christmas tree on the courthouse lawn. They will meet at 3:30 p.m. to decorate the tree.

The local churches will have groups caroling throughout the day at the arts and crafts show.

The Methodist Church will be serving

a stew lunch at noon.

Mr. and Mrs. Santa will be traveling to Silverton in a mule-drawn wagon and should be arriving at the jailhouse about 6:00 p.m. to visit with all the little cowboys and cowgirls. Hot chocolate and spiced tea will be served at the jail compliments of the Progressive Home-

makers.

Members of L. O. A. Junior Study Club are urging your club or business to help make this a special day to remember. Call today and plan to participate to help make the day extra special for people of all ages in the community.

"Solar Water Heating" demonstrated by eighth-grader Rusty Miller most impressed the judges at the Junior High Science Fair Saturday morning in the school cafeteria. Along with his first-place blue rosette, he received a 750X microscope with projector purchased with funds donated by Johnson's Gin.

OBITUARIES

RICHARD W. HANCOCK
 Funeral services for Richard W. Hancock, 75, were conducted at 10:30 a.m. Monday at Wallace Funeral Home Chapel in Tulia with the Rev. Renay Rice, pastor of First Assembly of God, and a lay minister, Harold Drake, officiating. Burial was in Rose Hill Cemetery by Wallace Funeral Home. Mr. Hancock died at 12:10 a.m.

Saturday, November 10, at the Tulia Care Center following a lengthy illness. He was born December 10, 1915 in Tulia. He married Gladys Bailey Milligan August 21, 1974 in Arkansas. She died in December 1989. He came to Tulia in 1987 from Pineville, Missouri, where he had worked for the City of Pineville until his retirement. Surviving are three sisters, Annie Laura Crandall of Tulia, Mattye Mayfield and Lucy McDaniel, both of Silverton.

Smokers To Go Cold Turkey Today

It's the week before Thanksgiving, and while some are smoking turkeys, the American Cancer Society is trying to get many to quit smoking cigarettes. The Great American Smokeout is today (Thursday). Apart from holidays and April 15, there probably is not another single day that captures the attention of the public as does the American Cancer Society's Great American Smokeout. The smokeout is an effort aimed at encouraging smokers to quit for 24 hours. Last year, 17.9 million of the nation's 50 million smokers quit for the day, the American Cancer Society reported. Of that number, 3.9 million were still smokeless one to three days later. Margie Pinkerton, R. N., Silverton

Jamie Frizzell's Birthday Is On December 7

Jamie Frizzell will be observing his birthday in Saudi Arabia on December 7, and his mother has asked Silverton friends and relatives to remember this occasion with cards. His address is: Operation Desert Shield, Pv2 Jamie L. Frizzell, Charlie Co. 3rd/187, 101st Airborne, APO New York 09309

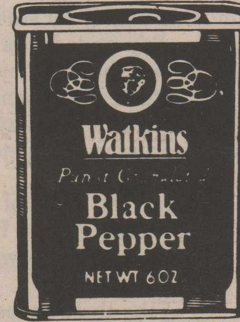

School Nurse and member of the Briscoe County Unit of the American Cancer Society, has been distributing sheets of "Kiss Me, I Don't Smoke" stickers to be worn on Thursday. School children have been making anti-smoking posters and studying the harmful effects of smoking.

Owls To Host-

Continued From Page One
runner-up team.

The records have been checked, and now it's official. The last time the Owls won an outright district championship was in 1944, and Silverton was playing six-man football at the time. You may recognize the names of some of those players: J. L. Self, Bobby McWilliams, Clovis Hill, John Arthur Arnold, Donald Weast and Gene Dickenson. They won eight straight games that year, giving up only four touchdowns. They defeated Oklaunion for bi-district 31-6.

You may ask: how is it that Silverton beat Three Way, Three Way forty-five Lazbuddie in a high-scoring game, and then Lazbuddie destroyed the Owls? There are several ways to explain this, and one of them is that Lazbuddie's star player has been out of the lineup and just returned last week. Also, Lazbuddie people said that the Longhorns didn't play well at all against Three Way. And Three Way must have had a near-perfect game.

Friday night's game was more physical than the Owls have seen. This includes McLean and Guthrie. The Longhorns completely neutralized everything the Owls tried to do, and if that wasn't enough, for some reason the game officials ruled "no touchdown" in a play on which the Owls clearly got the ball across the goal line. This was a very demoralizing experience for both team and fans, and there doesn't seem to be a reasonable explanation for this ever happening. In addition, a multitude of infractions were not called.

A large contingent of fans followed the Owls to Lazbuddie, and cheered as Silverton took the opening kickoff and mounted a drive which resulted in a touchdown. Brian Martin carried the kick back to the 15, and then ran for a first down on the Lazbuddie 29. Bradley Brunson carried another first down on the 10, and Wayne Henderson went in for the score with 9:06 still on the first-quarter clock. Brian West's PAT kick was partially blocked, but was ruled to be good, and the Owls held an 8-0 lead.

Then the Owls kicked off to the Longhorns, and they carried it out to their 21. Martin held them at the 37 on their first play, and the Horns threw an incomplete pass. Lazbuddie scored on the next play, the Owls blocked the PAT kick, and Silverton still led 8-6 with 8:07 on the clock.

Martin carried the kickoff to the Silverton 26, and Brunson made a first

down on the Lazbuddie 36. Brunson picked up five yards, and then a Kirk Couch pass was tipped into the air and intercepted by the Horns. The runner was brought down by Brunson on the Silverton 25. Lazbuddie made a first down on the nine, and passed for a score with 4:16 remaining in the first period. Their PAT kick was good, and the Owls trailed 14-8.

The Owls mounted another drive after taking the ensuing kickoff. Martin ran for four or five yards, and Couch hit West with a pass before Brunson went for a first down on the Lazbuddie 33. Martin added another first down on the 13, and on the first play of the second quarter the Owls turned the ball over on another error, a fumble.

The Owl defense held on this series with good plays by Casey Frizzell and Lyndell Ivory, and forced a fourth-down punt which went out of bounds at midfield.

Martin moved the ball to the Lazbuddie 30, and then got a first down on the 24. Henderson got a couple of yards and Martin went to the 18 before yet another turnover, this time an interception on the nine.

Lazbuddie moved through first downs, the first on a fourth-down penalty against the Owls and another on the Silverton 29. Good defense was contributed by Frank Ramirez, jr., Ivory, Frizzell and Brunson. After two incomplete passes, the Horns passed for a touchdown. The PAT kick was blocked by Brunson, and with 2:38 remaining before halftime, Lazbuddie led 20-8.

Brunson and Henderson gained about 12 yards, but the Owls saw the ball go over on downs as time expired in the second quarter.

The Owls kicked off to open the second half, and the Horns made first downs on the Silverton 19 and four before scoring in spite of work by Langdon Reagan and Ivory. They kicked the PAT, and with 8:56 remaining in the third period, the Horns moved ahead 28-8.

Martin carried the kickoff out to the Silverton 25, and runs by Henderson and Ivory picked up a first down, after which a face-mask violation on Ivory gave the Owls another first down on the Lazbuddie 25.

Martin ran for four yards, Brunson got three, and Martin carried to the 11. Brunson got a first down on the nine, and then ran to the six. Henderson got two, and Martin crossed the goal line,

Junior Varsity Loses Close Game To Lazbuddie

Silverton's Junior Varsity Owls dropped a close game to Lazbuddie here last Thursday evening in light rain with temperature hovering near freezing. They lost their last two games by a total of five points, and this indicates the level of competition in which they have been.

but officials ruled that the ball would go to the Horns on downs on the Lazbuddie one.

The Longhorns made a first down on the 16, stopped by Ramirez, and then scored with 3:47 left in the third quarter. They kicked the PAT, and led 36-8.

Martin took the kickoff to the 23, and then Couch was shaken up and went out for a play on which Josh Brooks was at quarterback. Couch returned to the game and the Owls punted to the Lazbuddie 28.

The Horns made a first down on the Silverton 34 and another in spite of defense by Brunson, Frizzell and Ramirez. The Horns fumbled in heavy defense by Frizzell and Bryan Breedlove, and the Owls got the ball back on their two.

Brunson made a first down on the 25 and then Martin picked up six as the period ended. Henderson moved to the 35, and Couch completed a pass to Breedlove. Martin ran to midfield, but the ball went over on downs.

Lazbuddie came back with a first down on the Silverton 20, stopped by Henderson and Brunson. The Horns scored with 7:16 left in the game, the Owls blocked the PAT kick, and the score stood at 42-8.

Neither team was able to accomplish much before the game ended.

Martin made a hit on a pass receiver in the game that would have made it into the highlights films, completely flipping the player and giving him a hard landing—but the Longhorn didn't fumble the ball.

The Owls made 11 first downs as

Lazbuddie kicked off to open the game, and the Owls were unable to move the ball. A quarterback sack moved the ball back to the Silverton 18, and the Owls punted short and saw the ball rest on their 35.

The defense held on the next series, and on third down there was a quarterback sack which moved the ball back to the Lazbuddie 29. On fourth down, Braden Towe took the punt out to near midfield.

The Owls were not able to gain any yardage on their next series, and punted out of bounds at the Lazbuddie seven. The Horns took over there and moved to the 29, before picking up a first down on the Silverton 27 where they were stopped by Lance Holt and Wil Bomar. The next play was stopped by Zane Henderson, and the Owls received a penalty to their own 23. Lazbuddie scored just after the change to second quarter, passed complete for the PAT and led 7-0 with 7:35 remaining before halftime.

The Owls were unable to move the ball, and it went back to Lazbuddie on downs. This series was ended when the Horns fumbled and the Owls recovered

See JUNIOR VARSITY —
Continued on Page Five

compared with 14 for Lazbuddie. Silverton rushed for 295 yards and didn't make anything off passes. Lazbuddie made 258 yards rushing and 159 yards passing for a total offense of 417 yards.

Now it is time for the Owls to shake off what happened last Friday and get ready for the Smyer Bobcats. It is time to wipe the district results off the slate and start with a clean tablet. This is a new beginning, just as the opening of the district games was a new beginning. The team will have to muster all the Owl Pride it can manage, and go into the game determined to do its best. There is no more that can be asked of them. See you at the game!

Junior High Owls Are Undefeated District Champs!

Silverton's Junior High Owls flew to a district championship here last Thursday afternoon, defeating the Lazbuddie Longhorns 41-12 in near-freezing weather.

The Owls kicked off to open the game, and recovered the Lazbuddie fumble on the Horn 29. Michael Hill carried to the 25, after which Phil Patino ran for a first down on the four. Hill carried the touchdown with 5:13 remaining in the first quarter. The PAT failed, and the Owls owned an early 6-0 lead.

Silverton's next kickoff went into the endzone for a touchback, and the Longhorns started on their own 20. After an incomplete pass, a fumble which the Horns recovered and being set back for a loss of four yards on a defensive play by Patino, the visitors punted.

The Owl offense was shaky on this next series of plays, with Jermiah Brooks carrying out to the 34 before a quarterback sack set the team back for a loss. On fourth down, the Owls punted out of bounds on the Lazbuddie seven, and this was just the first of several really outstanding punts of the game.

On first down, the Owls threw the Lazbuddie quarterback into the endzone for a safety, and added two points to their score, 8-0. Then when the Horns kicked off, Patino carried out to the Silverton 17. A quarterback sack moved the ball back to the 14, after which Quarterback Jess Brannon completed a pass to Patino. On fourth down, Hill dropped back to punt, got a bit of a bad snap, picked it up and ran to the

Lazbuddie 36 for what would have been a first down if the Owls had not been penalized back to their own 24. The ball went over on downs as the second quarter opened.

Lazbuddie threw three incomplete passes, received a five-yard penalty, and on fourth down threw another incomplete pass. Brooks carried to the Silverton 38 and then went for a first down on the Lazbuddie 32. The Owls were penalized back to the 30, after which Hill carried to the Lazbuddie 34 and another first down. Hill moved to the 31 and Patino ran to the 23. A fourth-down pass from Brannon to Patino was good for a touchdown with 1:57 showing on the clock. There was no PAT, and the Owls led 14-0.

Once again the Owls kicked into the endzone, and on this next series the Longhorns made their first first down of the game on their own 38. The Horns were penalized, after which Patino got a quarterback sack. On third down, Hill recovered a Lazbuddie fumble on the Horn 34 with 22 seconds remaining on the clock.

Brannon passed to Patino for a touchdown on the next play, Cy Comer carried the PAT, and the Owls moved ahead 21-0 with 10 seconds showing on the clock.

The Owls kicked off once again and stopped the Horns on their own 23 with four seconds remaining in the first half. Patino hit the Lazbuddie quarterback, the ball flew up in the air, and Hill got it and ran into the endzone for another quick score for the Owls as time expired on the clock. There was no PAT, and the

halftime score was 27-0 favoring the Owls.

Lazbuddie kicked off to open the second half of action, and Patino carried to the Silverton 26 after which Hill moved to the 28. A pass from Brannon to Hill was good for a first down on the Lazbuddie 27, after which the Longhorn defense tightened and forced the ball to go over on downs on the 35. Lazbuddie fumbled and recovered and got off a pass for minus yardage, and then Hill set the Horns back another three yards. On the next play, Hill recovered a Lazbuddie fumble on the 24 with 14 seconds remaining on the clock. At this point, the referees put three minutes back on the clock, and the Owls were back on offense again. Hill gained 10 yards on first down, but the Owls were forced to punt on fourth, with this one going out of bounds on the Lazbuddie five.

On Lazbuddie's first play, Hill threw them for a loss back to the one, and on the first play of the fourth quarter on a third down, the Horns lost the ball out of the endzone for a safety, making the score 29-0.

Lazbuddie kicked off and Patino carried to the Silverton 37. The team was set back to the 33, and on the next play Hill went all the way for another touchdown with 5:23 remaining in the game. There was no PAT, and the scoreboard read 35-0.

The Owls kicked off again, and the Horns were penalized back to their 10. The Owl defense held, and then Brooks carried a couple of plays, making a first down on the Lazbuddie 34. Patino carried a touchdown with 1:30 remaining in the game. There was no PAT, and the score was upped to 41-0.

The Owls kicked off, and the Longhorns took it all the way to the endzone with 1:21 remaining to be played. There was no PAT, and the score was narrowed to 41-6.

Lazbuddie kicked off, and Brooks carried out to Silverton's 25. The Owls fumbled on their first play, Lazbuddie recovered, and on the next play they

passed complete for a touchdown. There was no PAT, and with 50 seconds remaining to be played, the score stood at 41-12.

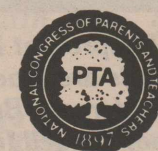

Brooks carried the next kickoff out to the 37, and the Owls made a first down on the Lazbuddie 20 before the game ended.

The Junior High boys have done a good job this season, losing only one non-conference game early in the season. They have defeated all their district opponents by decisive margins enroute to winning their trophy. Their season is over, and the next time fans see Hill, Brannon and Dwayne Juarez play football will be on one of the high school teams.

School To Be On Short-Day Schedule

Silverton Schools will run on a short-day schedule Wednesday, November 21, and will dismiss at 1:30 p.m. Buses will run at that time.

This will be the day before Thanksgiving, and there will be no school Thursday and Friday, November 22-23.

PTA Update

Next week is Grandparents' Week at school. All grandparents or anyone interested in the school is urged to visit Monday, Tuesday or Wednesday.

The Science Fair went very well. Look for the story elsewhere in this paper.

Remember to get your Del Monte labels in the jars. The deadline is fast approaching.

Congratulations to all the Science Fair winners.

PTA — LEADING THE WAY.

Go Owls

It was a very damp and cold evening when the Junior Varsity Owls hosted the Longhorns from Lazbuddie High School last Thursday. This game was a tremendous defensive struggle, with seven SHS players seeing action. *Briscoe County News Photo*

JUNIOR VARSITY — Continued From Page Four

on about the Lazbuddie 25. Lance Holt carried the touchdown, there was no PAT, and the score stood at 7-6 in favor of the Longhorns.

Lazbuddie came back with a first down with 17 seconds remaining in the first half, and passed complete for a touchdown which the referees called back due to an infraction.

The Owls kicked off to open the second half, the defense held and forced a fourth-down punt which carried to about the Lazbuddie 30. The Owl offense gained little, and a fourth-down quarterback sack saw the ball go over to the Horns on the Lazbuddie 25.

Lazbuddie made three first downs on their next possession, but ended the

series with a fumble which the Owls recovered deep in their own territory.

As the fourth quarter opened, the Owl offense picked up a first down on runs by Lance Bradford and Lance Holt, and runs by Wil Bomar and Holt picked up another. This drive ended when the Owls lost the ball via the fumble. Lazbuddie came back with a first down on a play stopped by Holt with 2:26 remaining to be played in the game. Lazbuddie fumbled on the next play, and the Owls recovered. The Owls were unable to move the ball, and Lazbuddie got the ball back as the game ended.

The Junior Varsity Owls haven't gotten to play many games this year, but they have played hard in the games they have had. In addition, most of them have gotten playing time in some of the varsity games. Most of the boys will be moving into positions of leadership with the varsity soon.

Cy Comer (center), a seventh-grade student, came in second with his demonstration of "Corrosion" and how to stop it with electricity at the Junior High Science Fair Saturday. He received a red rosette and a Newton's Cradle. Eighth-grader Josie Vargas (right) explained "Conductivity and Ions" to win third place and received a white rosette and a magnetic sculpting toy. Best visual communication and creative display earned Brandi Brunson (left) fourth place. She was given a pink ribbon and Adam's Cube.

Briscoe County News Photo

Rusty Miller Wins First Place In Science Fair

"Solar Water Heating" demonstrated by eighth-grader Rusty Miller most impressed the judges at the Junior High Science Fair Saturday morning in the school cafeteria. The judges commented that among the nine other entries Rusty gave the best presentation of practical applications of his project by capably explaining its association with global warming. "I've been working on this a long time," Rusty said. "Since September," added his mother. Along with his first-place blue rosette, Rusty also received a 750K microscope with projector purchased with funds donated by Johnson's Gin.

Cy Comer, seventh grade, came in a close second with his demonstration of "Corrosion" and how to stop it with electricity. The judges cited Cy's good visual evidence of his scientific principle in their comments. Cy received a red rosette and a Newton's Cradle.

Eighth-grader Josie Vargas explained "Conductivity and Ions" to the judges with such ease that they awarded her third place for her technical understanding. She was given a white rosette and CROL a magnetic sculpting toy.

Best visual communication and creative display earned Brandi Brunson fourth place for her project "Earthquakes and Seismology." She was given a pink ribbon and a puzzle called Adam's Cube. Brandi is in the eighth grade.

Kara Kingery, a seventh grader, earned an honorable mention from the judges for her capable demonstration of "Fractional Distillation." She received a ribbon and an oil-displacing water-timer. The other participants also received timers, all donated by D & K Manufacturing. The PTA thanks Anthony and Kathy Kingery for their contribution and interest in each student.

Rex and Dorothy Johnson also have expressed their wish that each student receive recognition for their efforts. The PTA is able to award each student an engraved medal because the Johnson's contribute yearly to provide for the ribbons and prizes.

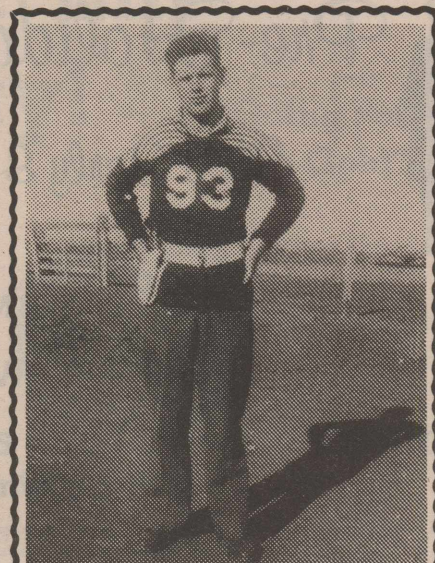

The other interesting entries this year included one other seventh-grade entry by Zeb Holt on "Geysers." There were

four more eighth graders entered: "Harmonics" by Holly Nance; "Alternative Fuel" by Hilda Garcia; "Oxidation" by Brandi Breedlove, and "Muscle Function" by Leslie Weeks.

The capable, brow wiping judges were Sharon Figg, John McCammon and Jay Long, who drove from Dallas where he is a science instructor.

Science teacher Mike Long commented that the number of entries was down this year but the overall level of technical knowledge was greater. "Who knows?" said Dorothy Johnson, "maybe one of our kids will one day take this scientific interest and find a new use for cotton!"

School Personalities Have Been Chosen

Personalities to be featured in the annual yearbook have been chosen by students and faculty members of the Silverton Schools.

Chosen for honors by the faculty are John Cavitt and Aimee Francis, Most Likely to Succeed; Langdon Reagan and Monica Arnold, Good Citizenship; Josh Brooks and Melissa Woods, Most Dependable; Matt Francis and Kami Martin, Freshman Who's Who; Dust Martin and Aimee Francis, Sophomore Who's Who; Brian Martin and Monica Arnold, Junior Who's Who; Kirk Couch and Julie Graham, Senior Who's Who; John Cavitt, Most Outstanding Student.

These honors were bestowed by a vote of the student body: Bradley Brunson and Julie Graham, Mr. and Miss SHS; John Cavitt and Christa Tucker, Best Dressed; Brian Martin and Julie Graham, Most Handsome and Beautiful; Kirk Couch and Jennifer Grimland, Most Popular; Lyndell Ivory and Amy Ramsey, Wittiest; Langdon Reagan and Letisia Ramirez, Friendliest; Frank Ramirez and Julie Graham,

Most Athletic.

Chosen as class favorites were Kami Martin and Johnny Patino, freshman class; Aimee Francis and Stan Gamble, sophomores; Jennifer Grimland and Lyndell Ivory, juniors, and the entire senior class, Bradley Brunson, John Cavitt, Kirk Couch, Emmy Garcia, Melissa Garcia, Carrie Ann Grabbe, Julie Graham, Wayne Henderson, Crystal Miller, Terry Miller and Rob Weaks.

School Board Notes That Collections Are Up

In a regular meeting of Silverton's School Board last Thursday, it was noted in the Tax Assessor-Collector's report that tax collections were up 2.6% above what they were last year. Silverton is most appreciative toward the taxpayers and their continued support of the school system.

The annual audit report was approved. Silverton ISD reports its finances to be in order and the report revealed no discrepancies or corrections to be made.

The TEA Compliance Monitoring Audit also was discussed. Silverton's school was visited by the Texas Education Agency in October. The school was found to be in 100% compliance with no discrepancies or corrections.

The Annual Performance Report was approved by the board. Anyone wishing to read the annual performance report or any of the reports discussed are welcome to go by the superintendent's office.

Community Thanksgiving Service Is Sunday Night

Give Thanks Next Week For Lifestyle Enjoyed In The United States

The Thanksgiving Holiday has always been a day when people give thanks for the lifestyles enjoyed in the United States—some things a lot take for granted. This includes freedom, good jobs, vacation and automobiles. Everyone agrees the automobile and all it has brought to this nation is marvelous, but it could be an instrument of suffering and even death.

Major Vernon Cawthon, Regional Commander of the Texas Department of Public Safety in Lubbock, stated that "This Thanksgiving holiday weekend, thousands more drivers will be on the streets and highways. Some drivers will only be going across town—others will be crossing several states."

Major Cawthon also said, "The Department of Public Safety wants you to have a safe and pleasant holiday, so if you are planning a trip out of town, check your car, the road conditions, the weather conditions, and your driving habits. Remember, that the early darkness and heavy traffic call for more caution and less speed."

Silverton School Lunchroom Menu

November 19 - 21

Monday—Meat and Cheese Lasagna, Salad, Fruit, Milk

Tuesday—Fajitas, Salad, Pinto Beans, Cornbread, Fruit and Jello, Milk

Wednesday—Hamburgers with Cheese, Salad, French Fries, Cookie, Milk

Thursday—Thanksgiving Holiday

Silverton's Community Thanksgiving Service will be held at the First United Methodist Church Sunday, November 18, at 6:00 p.m.

Bryan Donahoo, pastor of First Baptist Church in Silverton, will deliver the Thanksgiving message.

Special music will be provided by the community choir and other special selections from each church in the community.

A snack supper will be enjoyed afterward in Fellowship Hall. Participants are invited to bring whatever favorite food they would like to share. Drinks will be provided.

Everyone is welcome and encouraged to attend.

The special Thanksgiving offering will be for local use by the Salvation Army.

BOY SCOUT NEWS

by Scoutmaster Mark Eddleman

We are taking orders again for Christmas wreaths. The wreaths are real Balsam fir, decorated with white-tipped lablolly pine cones, laced with holly berries and accented with a red velvet bow. They smell real nice. The wreaths will be in December 5. We will bring them to you if you wish. They sell for \$12.00 each. Help support your Scouts by buying a wreath.

We have our weekly meetings every Monday at 4:20 p.m. at the Scout Hut. Each Scout needs to try to make them. We are planning a trip to East Texas in the spring, so we really need your support by helping us with our fund raisers.

We are still working on our knot tying. The boys are getting better and learning them.

Next week we will be making fire bugs for camping trips.

Club Members Honored At Extension Banquet

Three club members were honored at the first Extension Homemaker Awards Banquet sponsored by the Briscoe County Extension Homemaker Council Saturday, November 10, at the First Baptist Church Fellowship Hall in Silverton.

County Extension Agent Lynda Fogerson made the Extension Homemaker of the Year award presentations to Angie Smith of the Valley EH Club, Dorothy Martin of the Progressive EH Club, and Virginia Hardin of the Southwestern EH Club. These were recognized for their outstanding contributions to their clubs in the area of

leadership, community service and club work.

Mrs. Hardin, chairman of the Briscoe County Extension Homemakers Council, presided and recognized the special guests attending, County Judge and Mrs. Jimmy Burson, Commissioner and Mrs. L. B. Garvin, jr., Commissioner and Mrs. Aaron Younger, Extension Secretary Martha Cavitt and Mr. Cavitt, and Amy Adrian, a guest from Petersburg.

Reports of club activities during the past year were given by Karen Rice, president of the Valley EH Club; Florene Fitzgerald, president of the

Southwestern EH Club, and Anita Ramsey, of the Progressive EH Club.

Patti Whittington, vice president of the Valley Club, introduced the guest speaker, Amy Adrian of Petersburg, the current district director of the Texas Extension Homemakers Association. She spoke on the topic, "Set Your Butterfly Free," which was the banquet theme. She encouraged those present to set goals and take risks in order to develop their personal leadership ability.

Members and their husbands attending were Patti and Dee Whittington and children, Karen and Walt Rice, Angie and Joe Kirk Smith and Dakota, and Susan Ramsey and children, all of Quitaque.

Silverton members in attendance were Dorothy and Dana Martin, Marsha and Perry Brunson, Anita and Dwight Ramsey and Dara, Marsha and Steve Green, Lois Ziegler, Virginia and Buck Hardin, Lanita and Elton Cantwell, Christene and Oford King, Theta and Rex Holt, Florene and Wayland Fitzgerald, and Lynda and Stan Fogerson.

Genealogical Society To Meet November 19

Caprock Genealogical Society will hold its regular monthly meeting Monday, November 19, at 7:00 p.m. at the Floyd County Historical Museum in Floydada.

Dr. Estelle Owens of Wayland Baptist University in Plainview will be the speaker.

Anyone interested in genealogy is invited to attend.

Activities Association Has Meeting Tonight

Briscoe County Activities Association will have its regular meeting tonight (Thursday) at 7:00 p.m. at the show barn.

Tonight's meeting is one week early because of Thanksgiving.

BCAA needs all members present, and guests are always welcome to attend.

Progressive Homemakers Met Monday Night

The Progressive Extension Homemakers met Monday, November 12, at 7:00 p.m. in the Pioneer Room at First State Bank.

Ruby McWaters came and spoke to the group about quilting. Mrs. McWaters brought several different kinds of quilt tops to show and answered lots of questions about piecing and quilting.

Refreshments were served by hostesses Anita Ramsey, Bena Hester and Melissa Estes. A short business meeting was held and plans were made to help with the Christmas Jubilee.

Others present included Shana Strange, Dorothy Martin, Marsha Brunson, Jonann Sarchet, Derinda Patton, Colleen Reed, JonEtta Ziegler and Beverly Minyard.

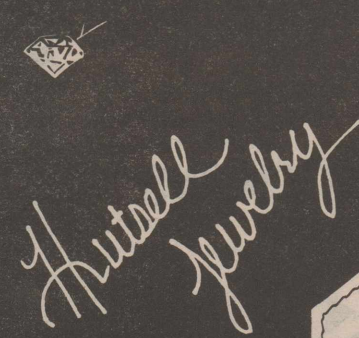

Briscoe County 4-H Food Show Is This Afternoon

Briscoe County's 4-H Food Show will be held this afternoon (Thursday, November 15) in the Silverton School Cafeteria. Judging will begin at 4:00 p.m. and pee wee judging begins at 5:00 p.m.

The public is invited to view and taste the exhibits and attend the awards program at 6:30 p.m. or as soon as judging and scoring are completed.

The 4-H program is open to all boys and girls in third grade to 19 years of age regardless of socioeconomic level, race, color, religion, handicap, or national origin.

Country**

Earl Cantwell
Gems & Allegorys

If you were busy being kind, before you knew it you would find, you'd soon forget to think 'twas true, that someone was unkind to you.

If you were busy being glad, and cheering people who are sad, although your heart might ache a bit, you'd soon forget to notice it.

If you were busy being good, and doing just the best you could, you'd have no time to blame some man, who's doing just the best he can.

If you were busy doing right, you'd find yourself too busy quite, to criticize

PUBLIC NOTICE

On July 19, 1990, GTE Southwest Incorporated ("GTE-SW") filed revisions to the company's tariff pertaining to the features and associated equipment for providing emergency number services (9-1-1).

In this filing, GTE-SW proposes to modify its existing 9-1-1 tariff and to add more than 200 new service offerings. The new items of service and equipment in this application have been added to meet the company's increasing 9-1-1 customer demands and to allow GTE-SW to compete more effectively in the 9-1-1 equipment market.

The product line in the new offerings consists of a mini-computer and specialized console package for larger communities, as well as a personal computer with Automatic Number Identification (ANI) display for smaller communities. (ANI displays a caller's telephone number on the emergency dispatcher's computer screen.) In addition, the product line will include ANI and Automatic Location Information (ALI) display units compatible with, and similar to, those offered by Southwestern Bell Telephone Company and other local exchange carriers in Texas. (The ALI feature displays a caller's address on the computer screen.) The rate charged existing 9-1-1 customers may be revised at the expiration of their contracts with GTE-SW if the proposed tariff is approved.

This filing has been assigned Docket No 9667. The hearing on the merits is scheduled for February 25, 1991, at the offices of the Public Utility Commission of Texas. The deadline to intervene in this docket is December 31, 1990.

Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas, 78757. Further information also may be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221, teletypewriter for the deaf.

GTE
**GTE Southwest
Incorporated**

your neighbor long, because he's busy doing wrong.

The political campaigns just completed brought the following to my mind.

It does not call for brilliance, a bitter thing to say.

The idlers on the corner do it many times a day.

It's neither proof of greatness, nor of courage very strong,

To overlook the good in man and thunder out his wrong.

'Tis well to fight for principles, for truth to strike a blow,

But poorly armed that warrior is with nothing but mud to throw.

A greater weapon reason is, he best deserves renown

Who wins by lifting others up, not by dragging others down.

Leave slander to the petty mind, and snarling to the brute.

There's many honest differences for wise men to dispute.

He who pleads a righteous cause should pity and forgive,

And teach with high example those beneath him how to live.

He who deals a blow must take a blow and still stay calm and cool.

The fool is not improved a whit by being called a fool.

He who would make right the wrongs of men, for principles must fight.

But if they would advance their cause, they must themselves be right.

It goes without saying that he who slings mud will himself become dirty.

"Father," said the minister's son, "My teacher says that 'collect' and 'congregate' mean the same thing. Do they?" "Perhaps they do, my son," said the venerable minister, "but you can tell your teacher that there is a vast difference between a congregation and a collection."

PROVERBS

According to the 5th Grade

Recently Sue Miller gave her fifth grade class the first words of several proverbs, and asked them to complete the thought. These are some of the ideas she received from her students.

Eat, drink and use the bathroom.

He who laughs last dies first.

Two is company, three is better.

Eat, drink and you'll be satisfied.

All work and no play makes a grumpy day.

Eat, drink and play makes a good day.

A bird in the hand has salt on his tail.

Opportunity knocks but disaster comes a' calling.

You can lead a horse to water but you can't lead a fly to the swatter.

He who hesitates will never get it done.

Don't put all your eggs in the bowl; one might be a chick.

When the cat's away, lock the door.

You can lead a horse to water but you can't lead water to a horse.

All work and no play makes children runaway.

You can lead a horse to water but you can't drown him.

Opportunity knocks, but it doesn't barge in.

"Some of these came out quite good," Mrs. Miller added.

Local Hesston Dealer To Sponsor National Finals Rodeo Telecast Live

A special two-hour live telecast of the Final Championship Round of the National Finals Rodeo, from Las Vegas, Nevada, will be sponsored locally by Brown-McMurtry Implement Company in Silverton. The live coverage will be broadcast on America's largest Sports network ESPN on December 9, from 4:00 to 6:00 p.m. EST.

This exciting broadcast will feature the top Professional Rodeo Cowboy Association athletes competing for world champion titles in bareback bronc riding, steer wrestling, team roping, saddle bronc riding, calf roping and bull riding, as well as Women's Professional Rodeo Association barrel racing.

Over \$2,000,000 is in the purse for this Super Bowl of Rodeo.

Veteran ProRodeo announcers Hadley Barrett, Randy Corley and Bob

Tallman will provide play-by-play action and color commentary.

Coverage of the final championship go-round is sponsored by Hesston Corporation and participating Hesston Farm Equipment dealers across the United States and Canada.

With a fine pen and a microscope, Lincoln's Gettysburg Address has been printed on a human hair less than three inches in length.

CARDS OF THANKS

I would like to say "thank you" for all the cards, flowers, gifts, phone calls and visits since my surgery. I really appreciate your friendship. I also would like to thank all the girls at the Malt Shop. If it wasn't for them, I couldn't go back to work now. Thanks a lot.
Barbara

IN MEMORY OF RICHARD HANCOCK

Perhaps you sent a lovely card
Or sat quietly in a chair.
Perhaps you sent a funeral spray,
If so, we saw it there.
Perhaps you spoke the kindest words,
As any friend could say;
Perhaps you were not there at all
Just thought of us that day.
Whatever you did to console our hearts
We thank you so much,
Whatever the part.
May God bless each and every one of you.
Mattye Mayfield
