

Little League To Organize For Season

The Rotan Little League will hold its first organizational meeting of the season on Tuesday April 18 at 7:30 pm at High School Building.

President Bartlett Strayhorn has requested all Little League personnel and all parents of boys now on teams including the farm team be present for this very important meeting.

Boys interested in playing this year will be contacted at their respective school buildings on the 17th by members of the Little League Personnel. Only boys of age 9 through 12 will be eligible for team membership according to the 1961 Rulebook. However, boys eight years old can join the farm team.

Jaycees Safe Driving Contest Very Interesting

The Jaycees Teenage Safe Driving Road-o held Sunday afternoon on main street drew a large crowd of spectators and 9 entries for the contest.

Dwight Hammit was awarded trophy as first place winner, Kenny McCasland second and Jimmy Hughes third. The young drivers showed much skill in driving the complicated course. Hammit will compete in tri-regional at Hamlin and the contest is run to national level.

Jaycees spent several hours early Sunday in laying the course and the street was blocked off during the event.

Play Cast Advance To Regional Level

The Rotan High School one-act play, "Heritage of Wimpole Place" which was district winner at Post last Friday night, will compete for regional honors in the Interscholastic League meet in Lubbock Saturday, April 22, according to Mrs. R. L. Yantis, play director the contest will be held in Lubbock Junior High school at 3 p. m.

Norma Sparks and Kenny McCasland were named best actress and actor of the area contest at Post. At Merkel, they were named all-stars of the meet, also.

Pat Riley, another member of the cast was named on the all-stars at Post. Other members of the cast are Willene Fleming and Peggy Barnes.

Carolyn McDaniel and Adger Smith were in charge of makeup.

Former Resident Chosen Missionary to Bahama

Mrs. C. R. Bailey, a student at the Southwestern Baptist Theological Seminary, Fort Worth, has been chosen to go to the Bahama Islands this summer in a missions program sponsored by the seminary.

Costing approximately \$3000 for the project, the entire amount is contributed by students and faculty at the school. The summer missionaries teach Bible classes, vacation Bible school, and preach.

Mrs. Bailey is the daughter of Mr. and Mrs. W. A. Rives, Rotan.

Attend Ginners Convention in Dallas

Those from Rotan attending the Ginners Convention in Dallas last weeked were, L. E. Newton, Wayne Nowlin, Charles McCall, Bernice Hargrove, Cecil Edwards, R. R. Terry, Dale Cave and D. T. McDonald.

C. W. Whitfield of Fort Worth visited his mother Mrs. C. E. Whitfield Thursday evening.

Hospital News

Local patients admitted to Callan Hospital from April 4 to 12 were, Hattie Belle Howard, Mrs. Joe Henry, W. C. Sargent, Mrs. G. D. Welch, Turner Forrest, Buddy Jones, Mrs. L. G. Goodman, Dave Posey, Mrs. J. L. Whitley, Mrs. Mary Ramirez, B. B. Clark, Mrs. Roy Salaz, Mrs. Joe Pardue, Mrs. R. L. Tidmore, Mrs. Roy Jowers, Mrs. Jack Cox.

Out-of-town patients, Mrs. Terry Kelley, Jayton; Mrs. Cecil King, Roby; Mrs. Bill Simmons, Roby; Mrs. Jack Montgomery, Girard; Mrs. Charlie Adams, Abilene; Katy Underwood, Hermleigh; Henry Dancer, Jr., Hamlin; Mrs. C. P. Yates, Hamlin; Mrs. C. P. Kendrick, Roby; Mrs. J. A. George, McCaulley; Doris Chandler, Roby.

Citizens Urged To Attend Hearing On Water District Bill

Citizens of Rotan and the area affected by the proposed water district are urged to attend the public hearing in Austin next Wednesday at 7:30 p. m. A good sized delegation is urged to go and express their wishes at the hearing.

The House Conservation Reclamation Committee will have its public hearing then on HB 794, by Rep. Max Carraker.

The bill creates the Rotan Municipal Water Authority for the purpose of building a pipeline to bring treated water from Snyder to Rotan, about 25 miles. The area covered by the authority would be the City of Rotan, plus the area a mile in all directions from the city limits, plus a one mile wide strip 11 miles out of town along the route of the present Rotan water pipeline to its city well field.

Landowners in this one mile strip are already getting their water supplies from the prestne pipeline.

This is the first step in getting the water district formed and if the Committee gives favorable report, the Legislature is expected to pass the bill shortly. After this property owners would vote their wishes on the proposed water district.

Hammers Take Meet Here Last Friday

Coach Watkins' Yellowhammers defended their District 6-A track and field championship here Friday, massing 173 1-3 points to runnerup Merkel with 145 11-15. Roscoe was third with 91 2-15, Wylie fourth with 41 4-5 and Coahoma 32.

David Baugh was high point man of the meet with 35 points. He took first places in 880, 220 and the broad jump in addition to running the anchor leg on the Hammer mile relay team, win. In winning the title Rotan qualified 10 individuals in eight events and both relay teams for the regional meet. Only other double winner of the meet was Rotan's Howard Van Loon, powerful freshman of high school, who won the shot put at 49 feet, 6 inches and discus throw with 121 feet, 6 inches.

Merkel won the junior high division of the meet with 176 points. Rotan was second with 124 5-6; Coahoma 76, Wlie 72 and Roscoe 65 1-6.

Rotan's winners were:

Discus Throw, 1st. Howard Van Loon.

Broad Jump, 1st. David Baugh; 5th. Leroy Rivers.

Pole Vault, 6th tie. Lennis Polnac. Shot Put, 1st. Howard Van Loon; 2nd. Bill Ashton; 4th. Donald Goodrum.

440 Relay, 1st. team of Donald Goodrum, Joe Jones, Marlin Field and Erbie Rodgers.

880 Run, 1st David Baugh; 3rd. Stan Brown.

120-yard High Hurdles, 2nd. Lennis Polnac.

100-yard Dash, 3rd. Goodrum.

440-yard Dash, 1st. Marlin Field; 5th David Patton.

180-yard Low Hurdles, 1st. Erby Rodgers; 4th. Lennis Polnac.

220-yard Dash, 1st David Baugh. Mile Run, 3rd Hargrove; 4th Gruben.

Mile Relay Team, 1st. Donald Goodrum, Marlin Field, Erbie Rodgers, David Baugh.

Rotan Sweeps Dist. Literary Meet at Merkel

Rotan led in the District 6-A Interscholastic League Literary Meet at Merkel Saturday.

In high school events, Rotan was first with 109 points, Coahoma had 107, Merkel 94, Roscoe 27 and Wylie 20.

In elementary events, Merkel scored 61 points, Rotan 55, Roscoe 32, Coahoma 19, Wylie 5.

Rotan winners included:

Larry McLain, Senior Boys Declamation.

Carolyn McDaniel, Senior Girls Declamation.

Jim Nowlin, Junior, Boys, Declamation.

Norma Sparks, Junior Girls Declamation.

Kenny McCasland, Boys Poetry Reading.

Judy Whitefield, Girls Poetry Reading.

Wilma Griffith and Tommy Hargrove, Ready Writing.

Carolyn Shepherd and Wilbur Gruben, Spelling.

Celia Reese and Sue Curry, Typewriting.

Posse Staging 5th Annual Jr. Rodeo in May

Fisher County Sheriff Posse is announcing the 5th annual Junior Rodeo for May 4, 5 and 6th.

The popular event sponsored by the Posse will be held at their arena north of town and is expected to draw the usual good crowds.

Cash prizes will be given contestants in Bull Riding, Bare Back Bronc Riding, Senior and Junior Tie Down, Calf Roping, Ribbon Roping, Sponsor and Senior Barrel Racing, Pole Bending, Kids Soda Pop Foot Race and Kids Flag Race.

Silver Belt Buckles will be given in several events also.

Entries may be made up to May 3, 6:00 p. m. with O. R. Clark or J. D. Moore. All contestants must furnish written consent their parents to register for any event.

Fyffe Named New Telephone Co., Mgr.

DONALD FYFFE

Donald Fyffe, a business office supervisor for the Southwestern Bell Telephone Company in Lubbock, has been appointed manager for the company here succeeding Gene Adkisson, who is promoted to manager for the company at Borger, Texas. The announcement was made by Norman Stuckey, district manager at Abilene, who said the change will be effective immediately. Adkisson was appointed manager for Rotan last June. He has been with the telephone company since 1949 and served in the division headquarters at Lubbock prior to his appointment as manager here.

Fyffe started his telephone career in Abilene in 1949 following graduation from Texas Christian University. He served as a communications representative in Lubbock in 1951 and as staff assistant in Fort Worth from 1952 until 1957, when he was appointed to the then newly founded division headquarters staff at Lubbock. The new manager is married and has one child.

FU To Discuss New Gin In Roby Tonight

All farmers and Farmers Union are urged to attend an important meeting Thursday night, the 12th, at the County Agricultural building in Roby. The purpose of the meeting is to discuss the building of a Farmers Union Co-op Gin in Roby. The meeting has been set for 7:30.

TO THE CITIZENS OF ROTAN:

There is an existing City Ordinance that all dogs must be vaccinated and tagged.

Dr. Barry Allen at the Rotan Veterinary Hospital will be happy to vaccinate and tag all dogs for the nominal fee of two dollars per head.

The City of Rotan will pay one dollar per head for any untagged dog turned into the Rotan Veterinary Hospital. These dogs will be held for five days and if not claimed will be destroyed.

The City Council will appreciate the cooperation of the entire citizenship on this matter.

ROTAN CITY COUNCIL

C of C To Sponsor Clean-Up In May

Regular monthly meeting of directors of the Chamber of Commerce was held Tuesday morning in dining room of Gann's Cafe.

Reports were heard on the current membership drive which is bringing good results. Some members have not paid dues for the year and the directors ask this be done soon, in order for them to get plans for the year underway.

The group announced first project of the year as a general clean up for Rotan. This will be held in May and full details will be announced later.

Three important committees were named at Tuesday's meeting:

Agriculture, Dwight Nowlin, R. R. Terry, Alvin Clark.

Industrial, John Gray, Mac Weathersbee, Geo. Field and J. D. Burk. Community Project, Carlton Burrow, J. D. Burk and Willie Fleming.

Wind Does Some Damage South of Rotan

This area as well as most of the state has had much violent weather during the past week. While a number of sections over the state were having tornadoes, Fisher County had several days of high winds and considerable sand. Some damage was reported Saturday afternoon near North Roby, several out buildings being blown down and trailers moved about. Several residents of that area think this was caused by a small twister instead of the prevailing high winds.

Wednesday was the first spring day in over a week, and with temperatures dipping to 38 degrees several nights this week, several local weather "experts" are reminding of the February 14th thunder, which according to some, calls for a frost on April 14th. Young mesquite trees are putting out leaves, but the older trees, are a little behind, upon which many people base their opinion of springs arrival.

Former Resident Dies At Wichita Falls

Henry Hamilton 68, was found by his wife Saturday morning, dead in his bed at his home in Wichita Falls.

He had lighted the bathroom heater and gone back to bed at 5 o'clock as was his custom. He had complained for several days of being tired and had requested his wife let him sleep late. She had looked in on him and he seemed to be sleeping and later when she went to awaken him, found he had died.

Mr. Hamilton was engaged in the car and finance business. He was a member of the First Baptist Church in Wichita Falls. He lived in Rotan as a young man and was married to Verdine Denton, daughter of the late Mr. and Mrs. J. C. Denton. Soon after their marriage he moved to Wichita Falls. Besides his wife he is survived by two daughters, Mrs. Jane Meekstroth of Wichita Falls and Mrs. Dorothy Sue Austin of California, and four grandchildren.

Funeral services were held Monday afternoon at 2 o'clock.

Attending the funeral from Rotan were two sisters of Mrs. Hamilton, Mr. and Mrs. C. J. Dalton and Mrs. P. V. Hale, also Mr. and Mrs. Oddis Brown of Roby and Mrs. Roger Eaton of Sweetwater. Another sister Mrs. Barbara Florida of Rotan was ill and unable to attend.

Velez Serving With Army In France

Mainz, Germany (AHTNC) -- Army Sgt. Jose Velez, son of Mr. and Mrs. Esteban R. Velez, Rotan, Tex., recently participated with other personnel from the 8th Infantry Division's 81st Artillery in Operation Pogo, an exercise near Pau, France.

The exercise featured an airborne assault by the division's paratroopers and a number of platoon-size raids by infantry backed up by combat support units.

Sergeant Velez, a gunner in the artillery's Battery A in Mainz, entered the Army in 1955 and arrived overseas on this tour of duty in January 1959.

Velez is a graduate of Rotan High School.

First Baptist Revival Opens Sunday

E. V. BROOKS

SAM BEAM

The First Baptist Church Revival begins Sunday Morning. E. V. Brooks, Pastor of the Oak Street Baptist Church in Colorado City will be the Evangelist. Brother Brooks is a very dedicated Pastor and Evangelist. You will enjoy his Bible centered Messages. His Church led the Mitchell-Scurry Association in Baptisms the past year. Bro. Brooks attended College at Hardin Simmons University.

Sam Beam a member of the Hardin-Simmons University Men's Quartet will lead the singing.

The pastor and Members of the First Baptist Church extend to you a cordial invitation to attend services at 10:00 a. m. and 7:30 p. m. The Nursery will be open for each service.

Medrano Receives Discharge From Army

Ramon Henry Medrano was visiting relatives here this week, following his discharge from the Army after two years service. He trained at Ft. Carson, Colo., Fort Sill, Okla., and Fort Lewis, Wash., where he was released from the Field Artillery.

Ramon is a graduate of Hobbs High School and attended Odessa Jr. College. He will live in Odessa where he is employed as clerk in the post office.

Band Receives High Honor at Cisco Festival

Rotan Junior High School Band was awarded a sweepstakes trophy at the Cisco Junior High Band Festival last Saturday.

In order to receive sweepstakes honors it was necessary for a band to receive a Division I rating of excellence in both concert performance of prepared work and sight reading.

Other bands participating in the Festival were Moran, Glen Rose, Throckmorton, Cisco, Commanche, De Leon, Stamford, Hamlin and Dublin. Hamlin and Throckmorton were the only other groups to receive the sweepstakes award.

Book Review Club To Meet Tuesday

Rotan Book Review Club will meet Tuesday, April 18 at 3:00 p. m. in Roughneck Class room of First Baptist Church.

Program will be given by Junior High scapella chorus, directed by Mrs. Betty Strayhorn. A short business meeting will follow.

All members are urged to attend.

NEWS
 *** County ***
 Agricultural Agent
 Texas A. & M. College
 Extension Service

The feed grain legislation, signed into law on March 22 by President Kennedy, has four purposes. They are to increase farm income; prevent further buildup of the feed grain surplus and reduce it if possible; help assure the consumer of fair and stable prices for meat, poultry and dairy products and reduce the ultimate feed grain program costs to taxpayers.

According to C. H. Bates, farm management specialist for the Texas Agricultural Extension Service, the program is voluntary and applies only to 1961. All field corn and grain sorghum whether for grain, fodder or silage are covered and co-operators being asked to reduce their 1961 plantings of these crops by at least 20 percent below the 1959-60 average acreage. Voluntary reductions up to 40 percent are encouraged for growers with bases of 100 acres or more. Growers with bases of 25 acres or less may retire the total under the program.

Cooperating farmers will be eligible for support prices - \$1.93 cwt. on grain sorghums, \$1.20 per bushel on corn, 92c per bushel on barley, 62c for oats and \$1.02 per bushel for rye. The non-cooperator will not be eligible for price support on any of these crops. His production would have to move at market prices. He cannot depend upon the government price support nor his neighbor's production adjustment to hold up the market price.

Cooperators, if they choose, may receive payments in the form of negotiable certificates which represent grain from OCC stocks. The Secretary of Agriculture will determine the flow of this grain into market channels.

A cooperator agrees to reduce by at least 20 percent his grain sorghum or corn acreage for 1961 below his 1959-60 average. The diverted acreage must be put to some conservation use. It cannot be harvested or pastured. Weeds, insects and rodents must be controlled on the diverted acreage.

In turn he will receive, in addition to his eligibility for price supports on his grain crops, a payment for each acre diverted to conservation use. The rate of payment for the first 20 percent diverted will be 50 percent of the normal production of the acreage diverted times the county support price. (This price will be announced shortly by county ASC officials.) As an additional incentive, a grower may divert an additional 20 percent and receive a payment rate of 60 percent times the county price per acre diverted.

A grower becomes eligible for advance payment—50 percent of the total—when he signifies his intention of cooperating. This advance payment, Bates said, will help the producer meet his production expenses and is expected to be an important incentive for cooperation.

The specialist added that the program is effective protection in case of crop failure. The payment on diverted acres will be made regardless of weather and is a measure of income insurance as are the higher price supports.

The non-cooperator, Bates advised, will not be eligible for price support on any grain crop and cannot expect to build up his acreage base for future programs. It has been emphasized that the U. S. Department of Agriculture will strongly recommend to Congress that any legislation involving establishment of base acreages for production adjustment give no advantage to producers who fail to cooperate in the 1961 feed grain program.

While many details remain to be worked out, Bates said, county ASC officials have the basic information on the program and are in a position to answer most questions. We are also receiving information on program and may be contacted for details.

The two Extension educational meetings held in the county last week were well attended.

Thirty-four livestockmen attended the animal disease meeting Tuesday night April 4 and showed a lot of interest by the questions asked.

Then on Friday morning there were 20 at the brush control demonstration. More people are becoming interested in controlling undesirable brush as shown by the attendance at the demonstration and by the ones requesting information the past few months.

New Telephone Book

Another year has rolled around—the May 1961 issue of the Rotan-Roby directory will soon be on the press. Before we close our records on this new directory, maybe you will want to make some changes in your listing. If so, please call us before April 20th closing date. Perhaps you have someone living with you, an aunt, mother, grandfather or teen-ager, who would like their name in the new telephone book. The cost is only thirty cents per month for their listing. Can't you just hear that teenage daughter or son say, "call me, my name is in the telephone book."

Your new telephone book will be mailed to you May 15.

Spring Phone Fair

Well, by now most of us in Rotan don't need the weather man to tell us spring is here. There are signs of it everywhere. Have you noticed the kids lately . . . skipping rope, swinging bats, and chasing pop flies?

The grown-ups, too, are busy around the house. Painting and rearranging rooms, even adding rooms, even adding on to the house itself to make it more comfortable for the family.

We're busy at the telephone company, too, getting ready for spring with an event called Spring Phone Fair. It is to be our way of reminding you about the many new telephone services we have to help you make your home more convenient and attractive.

For instance, how about a new phone in color for a bedroom? Or a wall phone for the kitchen, playroom or work area? Perhaps you'd like the smart Princess phone for your living room . . . so little, so lovely and it lights. Or maybe you'd prefer the soft musical tones of the bell chime. You can see all of these new telephone services on display at our Spring Phone Fair in the Rotan telephone business office.

If you don't get a chance to see them and would like more information, just call the business office—or ask any telephone service man.

Free Programs for Your Group

Since some Rotan civic, church and social groups already are planning spring programs, this seems like a good time to remind you of our standing offer to provide entertaining and informative telephone program for your organization.

A booklet describing the variety of programs available—films, talks, lecture-demonstrations, telephone tours—is yours for the asking. Just call the telephone business office.

Call by number. It's twice as fast.

Approaching Marriage Is Announced

Mr. and Mrs. Will Hargrove are announcing the engagement and approaching marriage of their daughter, Beverly Jane to Lawrence E. Mason, son of Mr. and Mrs. L. E. Mason, Wildorado, Texas.

The wedding is set for Saturday, May 20, at 7 o'clock in the evening at First Baptist Church.

Miss Hargrove is a 1957 graduate of Rotan High School. Since graduation she has been employed by National Gypsum Co., in Rotan.

The prospective bridegroom is a 1956 graduate of Vega High School, Vega, Texas. He attended West Texas State College and is engaged in farming and ranching near Wildorado, Texas.

Friends and relatives are invited to attend.

Capt. and Mrs. Gary Graham and daughters of Dover, Delaware are visiting their parents, Mr. and Mrs. Ronald Ray of Roby, enroute to Montgomery, Ala., where Capt. Graham will attend Squadron Officers school for four months. Laura and Charlotte will remain with their grandparents thru this school term.

Vera Cozart and Mrs. Akin of Abilene visited their sisters, Mrs. H. W. Goolsby and Mrs. Perry Eaton Saturday.

PCA To Hold Annual Meeting in Sweetwater

More than 1,500 members and guests, from across a six-county area Texas, are expected to attend the 27th annual meeting of the Sweetwater Production Credit Association, to be held in the Nolan County Coliseum in Sweetwater City Park, Thursday, April 20.

Registration for the meeting will begin at 9 a. m. Thursday, PCA General Manager H. Grady announced, with a business session to start at 10 a. m.

Highlights of the business meeting will be an election of two directors and presentation of special prizes to members in attendance.

Two directors have been nominated for reelection: President E. W. Wiman of Roscoe and H. M. Murphy of Hermleigh. Opposing Wiman will be Richard Young, Jr. of Fisher County and Audrey Head of Scurry County has been nominated to oppose Murphy.

Both Wiman and Murphy are veteran members of the board of directors and Wiman is presently completing his second term as association president.

Holdover directors are Vice President Walter L. Doothe of Sweetwater, T. L. Finley of Lorraine and Frank B. Jones of Lamesa.

M. B. Templeton of Sweetwater, chairman of the nominating committee, will be in charge of the election of directors and will also conduct an election to name members of the 1962 nominating committee.

Ellis Lanies, assistant vice president of the Federal Intermediate Credit Bank of Houston, will make a special address, discussing current agricultural credit trends and problems.

The Credit Bank serves as discount and supervisory agency for all 36 PCA groups in Texas.

Other business meeting activities will include a board of directors' report by President Wiman and the secretary-treasurer's report by Pitts. Special entertainment will also be provided during the registration period.

A barbecue luncheon will be served to all members and guests following the conclusion of the business meeting. The luncheon will be catered by Walter Jetton of Fort Worth.

The Sweetwater PCA, owned and operated in its entirety by its stockholders and borrowers, has served as a source of short-term agricultural credit for its six-county area since early 1934. The association is composed of 1,400 stockholders and in 1960 had a total loan volume of \$5,400,000.

The association serves an area composed of Nolan, Fisher, Mitchell, Scurry Borden and Dawson counties. Central is in Sweetwater with field offices in Snyder, Colorado City, Roby and Lamesa.

Since their organization in 1933 and 1934, the 36 PCAs which serve all 254 Texas counties, have profited \$3 billion in credit to the state's farmers, ranchers and dairymen.

Rev. Virgil Barron of Fort Worth was guest speaker in the morning and evening services at Hillcrest Baptist Church Sunday.

'As It Looks From Here'
Omar Burleson, M. C.

Washington, D. C. -- In a recent message to Congress, President Kennedy said, "We now use over 300 billion gallons of water a day. By 1980 we will need over 600 billion a day."

The President is moving forward with great energy and initiative under pressures to bring about his legislative program. By reason of the seeming popularity of many of the programs included in the Platform, there is danger that the Congress may postpone the great issue of water conservation. By reason of it being an unglamorous issue, it is no less one of the greatest problems our Nation faces.

There is no question but ways and means must be found to distribute the present water supply. There is no question but the day is at hand when we must be able to convert and brackish water to fresh water.

At the present time the Interior Department has less than \$4 million to develop water conversion plants of all kinds. To carry out their scheduled conversion projects, there is a need for \$15 million through 1962. It would seem that no better investment could be made.

Members of the World Court, located at The Hague in the Netherlands, are elected for a 14-year term. The newly elected Chairman of the Court is from Communist Poland.

A "New Sleep" Electric Anesthesia promises to be a major advance in surgical practice. According to a recent announcement by the Army, the patient can be put into various degrees of unconsciousness with this method. It is reported he recovers quickly without any unpleasant aftereffects. The technique involves sending continuous electric impulses through the brain. The development was made at the University of Mississippi Medical School under an Army contract.

Speaking of Medical Matters, Dr. Robert Rubinstein, in a recent doctors' meeting in Washington, said that a slight heart attack might be helpful to some people. He was drawing on his own experience and explained how it had changed his outlook on life for the better, and that he believed he would live longer by the lesson learned. He warned, however, don't wait, slow down now, live longer and happier.

For 15 years Oxford and Cambridge Theologians worked on a modern English translation of the New Testament. Recently completed, more

than a million copies have been sold in Britain and the United States. The conclusion of Biblical students generally agree the new version is easier to read, but they find it no substitute for the poetic style of the King James version.

"When all Government, Domestic and Foreign, in little as in great things, shall be drawn to Washington as the center of all power, it will render powerless the checks provided of one government on another, and will become as venal and oppressive as the government from which we separated."

This may sound like the modern day conservative, but it was written by the founder of the Democratic Party, Thomas Jefferson.

"The American Constitution is the greatest peace document ever produced by men."

"We have little to learn from the old world in business and economics. American is pioneering in new fields of accomplishment and in the achievement of comfort, security and culture. The blight of Socialism has nothing to add, only discouragement, oppressive taxation and scarcity."

"The American people are willing to fight Communist attack on free men overseas, but have not awakened to the need to defend leaders and institutions in our own homeland obviously Communist inspired attacks. Our most dangerous enemies are not marching under foreign flags, but infiltrating here in our affairs."

"If Children are thoroughly grounded in the ideals and accomplishments of America and in the thrilling history how our people struggled to build this freedom, few will listen to Communist deceit."

These words were spoken by a United States Senator more than 40 years ago.

The dangers of Socialism and Communism to our Nation are not new, nor have they been unknown until recently.

4th Grade Brownies Visit Boothe Oaks

The Girl Scout Camp, Boothe had a fourth grade Brownie Day Saturday. Senior Girl Scouts conducted a tour of the camp and explained the activities of the summer sessions. These fourth grade girls are eligible to attend the sessions for the first time this year. Three hundred girls and leaders were there from this area.

The Rotan Scouts and Leaders that attended were: Lou Ann Driver, Cathy Healer, Kahty Berry, Paula Heathington, Jodie Helms, Marilyn Thompson, Karen McKimney, Frances Baugh, Vera Decker, Barbara Neeley, Mrs. Lee Decker, and Mrs. Archie Neeley.

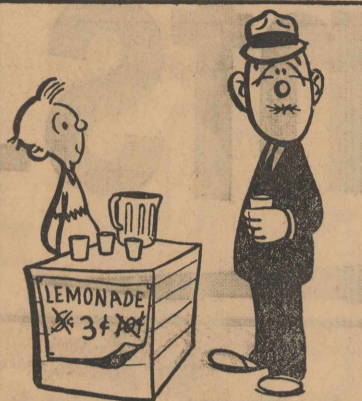

Reporter

Mrs. Barry Allen, Cathy and Bary Keith visited over the weekend with Mrs. Allen's parents, Mr. and Mrs. Fred Keith of Stephenville.

The Rotan Advance

Parkwood 4-Door 9-Passenger Station Wagon—
one of 31 people-pleasing models at your Chevrolet dealer's.

The climate couldn't be better for buying a new
JET-SMOOTH CHEVROLET

(and that's the car more people are buying!) There's nothing like one of these Jet-smooth Chevrolets to fit into your summer travel plans. They're built to take long trips in stride—from the special brand of "git" they've got under the hood (choose from 26 engine-transmission hookups designed to please the most persnickety driving foot) to the cave-sized totin' area in the rear (the tailgate opening on that wagon measures nearly 5 feet across). And every gentle riding Jet-smooth

model brings you Body by Fisher features you won't find in any other car in Chevrolet's field—wide stroke parallel action windshield wipers, convenient crank-operated ventipanes, one key that fits all locks. No wonder more people are buying Chevrolets than any other make! And right now—with things brightening up all over the land—you couldn't pick a better time to drop in and check the beautiful buys that are blossoming out at your dealer's.

See all the new Chevrolets at your local authorized Chevrolet dealer's One-Stop Shopping Center

WSCS Continues Study 'Basic Christian Belief'

WSCS met Monday afternoon at three o'clock in the church sanctuary. Mrs. Lenna Birdsong led the group in singing "Faith of Our Fathers" with Mrs. H. F. Grindstaff at the piano. Mrs. A. S. Lawlis gave the prayer and Mrs. Phil J. Malouf read 24th Psalm for devotion.

The lesson on "Basic Christian Belief", which is being taught by Mrs. R. T. Williams was interesting and instructive. Mrs. C. R. Polk gave the closing prayer.

Attending were, Mmes. W. A. Rives, J. V. Hellums, Lenna Birdsong, R. T. Williams, A. S. Lawlis, Nancy White, Clarence Huckaby, C. R. Polk, J. W. Porter, H. F. Grindstaff and Phil J. Malouf.

Girl Scout Leaders Express Appreciation

Girl Scout Leaders express their thanks for the support of their Chili Supper last Friday. We hope that everyone enjoyed the affair, also.

We express our appreciation to each and everyone that made the Supper a success. Especially do we thank each organization that gave us a boost, the merchants for their cooperation and our husbands that helped in their own way.

Rotan Girl Scout Leaders.

Interest Growing In Cancer Society Work

According to the American Cancer Society, Texas Division "the growing impact of the Texas Division program of cancer control is fully reflected in the growing interest of the individual volunteer and the consequent multiplication of effective work.

In 1955, the year-round effort on education, service, publicity and campaign was being carried out by only about 4,550 volunteers. Several thousand more added to this effort during the Crusade only.

The five years since then have seen an intensive effort to develop permanent and continuing cancer control organizations in each county. In 1956-58, the emphasis was given to organization of counties as units with active boards of directors. In 1959 and 1960, the emphasis has been extended to development of functioning committees.

Through this process of consolidation of the growing interest into sound programs, the number of volunteers active in the year-round program has leaped to 38,882.

There are now 152 organized units in 143 counties, and in 1960, 222 of Texas' 254 counties had some form of organization and program.

Complementing this basic strength of our members and functioning committees is an informed leadership.

In 1960, current cancer control program information was reviewed by our leadership in 2,490 conferences and training meetings attended by 22,612 volunteers, for both the year-round program and the Crusade.

This sound volunteer base insures an effective program at minimum cost."

LVN Hold Regular Meeting Monday

Mrs. Willis Noles, president, presiding. A Nurses Prayer was read by Mrs. Marshall Hughes.

After a brief business session and communications were taken care of, light refreshments were served and a round table discussion was enjoyed by all.

Members who were not there, "we missed you."

Next meeting will be May 1 at Gann's Dining Room at 7:30 p. m. Reporter.

Jaycee-Ettes to Elect Officers Friday

Rotan Jaycee-Ettes will have an important business meeting Friday, April 14, at 7:30 p. m. in the basement of Methodist Church. Purpose of the meeting will be to elect officers for the coming year and make final plans for the visit of the State President of Texas Jaycee-Ettes, Mrs. Mary Severson of Groves, Texas. Mrs. Severson will meet with the local club the evening of April 25. The Rotan group will host the affair and several Jaycee-Ette clubs in the surrounding area are expected to attend.

A nursery will be provided for the children Friday night and all members are urged to attend this meeting.

Mr. and Mrs. R. R. Terry visited relatives in Columbus Thursday.

compressed, limited. Amer-
icans don't like that. We want
the abundant. We like it high,
wide and handsome. But God
doesn't run the universe just
to suit popular nations. The
Bible warns us that God doesn't
think as we do.**

**The gate is narrow because
there is only one Cross, only one
Savior. Jesus said, "I am the way
. . . no one cometh unto the Father
but by me.**

**The gate is wide because whoso-
ever will may pass through it. God
welcomes one and all, and promised
not to cast out those who come.**

**Just inside the strait gate stands the
church . . . the fostering mother of all
other channels of human well-being.
Have you entered the "strait gate?" Have
you discovered the church?**

About Your HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M. D., Commissioner of Health

Malignant neoplasms -- as cancer is listed in statistical studies -- claimed 11,390 Texas lives during 1960 according to State Health Department provisional estimates.

This is a rise of only about 300 deaths over the final 1959 figures. However, the 1960 death rate -- per 100,000 estimated population -- was 118.4 compared to 117.7 for the previous year.

Only heart diseases cause more

deaths in Texas last year.

Deaths from cancer begin to take a significant toll after age 40, when the rates begin rising sharply over the earlier years.

The key to cancer cure or arrest lies in early detection, a fact which is repeated continuously to the public over every possible news and information outlet.

However, one leading national organization estimates that only one out of six women have physical examinations each year.

For women, early cancer detection is surprisingly simple, provided proper examination techniques are performed.

Self breast examination can be taught quickly and simply to any woman during a visit to her family doctor. There is an excellent film available from the State Health Department film library on the subject, suitable for showings to women's groups.

The film should be viewed in the company of a physician who can offer further explanation and answer questions.

Breast cancer accounts for about one-fourth of all cancer cases in women, while uterine cancer is next in order of occurrence.

In a yearly physical check-up, a physician may take a uterine smear for analysis, whereas a trained technician can detect early cancer.

The universal use of uterine smear analysis at least once a year would virtually nullify uterine cancer as a leading cause of death. Nearly all physicians are qualified to make this examination today.

Cancer prevention begins with the individual.

Mr. and Mrs. K. M. Weems of Ft. Worth, formerly of Rotan, are announcing the arrival of another little girl on March 31st. She has been named Sharal Leigh. Mrs. Weems is the former Whanda Hayes, daughter of Dr. and Mrs. Hayes, former Pastor of the First Baptist Church here.

Mrs. Dona Day returned home Tuesday of last week from Abilene where she had been visiting her children while recovering from major surgery.

Mr. and Mrs. Donald C. Fritz and home.

Christine Marie visited Mr. and Mrs. Alvin Clark last weekend.

Mrs. Bernice Stockton spent last week in Odessa with her granddaughter, Mr. and Mrs. Brad Long and Brian.

**ELECTRIC
COOKING -**

Free Wiring
for ranges purchased
from local dealer

**COOL as an
April shower**

Electric cooking is cool cooking because heat goes directly into the food, not out into your kitchen. And this direct contact of surface unit and utensil is possible only on an electric range.

That's why electric cooking is clean too. With no flaring flame, there's no dirt or soot to soil range surface, kitchen utensils, kitchen walls and curtains. And with automatic electric controls, time and temperatures are exact. No guess work. Heats are measured for you -- to assure precise cooking.

Ask your appliance dealer to show you the wide variety of new electric ranges that set the pace for tomorrow's better cooking.

...thrifty too

The average family, served by WTU, can cook a complete meal for less than 3¢ with modern flameless electricity and enjoy all the other advantages of an electric range.
