

Homecoming Plans To Be Started Tuesday

A meeting of Ex-Student Association is set for Tuesday night at 8:00 p. m. at Gann's Cafe.

Ex-students and teachers of Rotan School and all schools that have consolidated with Rotan are urged to attend.

Your help is needed to make Homecoming a success-be at the meeting.

Hammers Open Season Here With Ranger

Rotan's Yellowhammers have worked out the past week for the opening game of the season with Ranger Friday night in Yellowhammer stadium.

They came out of a hard week work and two scrimmages last week in good shape, and look ready for Ranger Friday night.

Be there and help them start a winning season.

George Zimmerman Dies of Extended Illness

Funeral service was held for George Zimmerman, 87, from Weathersbee Chapel Wednesday at 3:00 p. m. following his death Monday at 10:30 p. m. in Wilkinson Clinic Hospital in Roby. He had been ill for several years.

Rev. Rowland Chapel, pastor of Calvary Lutheran Church of Sweetwater officiated, with interment in Belvieu cemetery. Pall bearers were Tilford Lear, Arnold Allen, Dillard Smith, Charlie Bennett, Bernard Murphree and Jim O'Briant.

He was born in Manita, Ill., Oct. 9, 1874, the son of the late Mr. and Mrs. John Zimmerman and came to Port Arthur in 1902.

Mr. Zimmerman married Minnie Lee Aaron Oct. 17, 1916 in Beaumont and they moved to Fisher County in 1937. He farmed south of Rotan until a few years ago when his health forced retirement.

Surviving are his wife; a daughter, Mrs. Calvin Crow, a granddaughter Laura Lee Crow; a brother, Dan of Pekin, Ill.; a sister, Mrs. George Gerriets of Port Arthur, and two nephews, Arthur and Louis Singley of Rotan.

VFW Plans Blood Donor Record List

Regular meeting of Fisher County VFW Post was held in Post Home, August 24. Regular business session included discussion concerning proper way of getting blood donor list up to date for both Fisher County Hospitals. This program will be carried out this year.

Family Night was August at Post home and a large group of members, wives and children enjoyed the feed and get-together. This night is planned once a month.

Crop Conditions Good Despite Insect Damage

A heavy rain shower late Tuesday afternoon gave good promise of a good rain, but little of the territory was covered. Southeast of town about a half inch was reported.

Some farmers say they need a good general rain and others feel that insect damage would do more damage than a rain would help. Farmers also have varied opinions of amount of insect damage. Some think most of the 'top crop' is being lost to boll weevil, others report small insect damage. John Gray is doing a large amount of insect spraying with his new plane, with excellent results, while many farmers are doing their own poisoning.

The insect damage is reported to be much lighter than was first feared, following the extended rainy season during July, and most of the country good crops. Ginners are expecting a good cotton crop.

Sweetwater Won Tourney Here Saturday

Sweetwater Jaycees won the local softball tournament here Saturday night. They took the Hamlin Jaycees after the Hamlin team defeated Ericksdahl. The play was continued Saturday night after rain stopping the play a week earlier.

The Jaycees stated that they appreciated the use of the school ballpark, and cooperation of fans for making the tourney a success.

Legion To Plan For Nov. 11 Observance

Regular meeting was held in the post home on Monday night, August 22. Officers for the coming year were elected: Commander, Lon Adams; vice-Commander, Hugh Huckleby; Adjutant, Steve Kelley; Chaplain, George McBeth; Finance Officer M. P. McGrew; Historian, J. M. Jackson; Service Officer C. E. Price; Sergeant at Arms, Carl Price. Second Monday night in each month was decided upon for regular meetings. Attendance was very good at this meeting. Each and every eligible Legion man in Fisher County is cordially invited to pay his dues and attend all these meetings.

A committee was named consisting of Yoke Fleming, John Jackson and George McBeth to study and make plans for a celebration on November 11. This of course is early, therefore there are no plans as yet.

Frank Berry Dies At Millsap Home

Frank Berry, 58, died at his home in Millsap, Texas at 6:30 p. m. Monday, August 21 at his home.

'White Elephant Sale' 6 Postponed to Sept. 11

Due to conflict of events the Jaycee-Elite "White Elephant Sale" originally planned for Tuesday, Sept. 5 will be held Monday night Sept. 11 at the home of Mrs. Dwight Nowlin.

Mr. and Mrs. Lamoine Moore and daughter Carolyn of Artesia, N. M. came Tuesday of last week to visit his mother, Mrs. Lint Moore. Mrs. Moore accompanied them to Granberry to visit Mr. and Mrs. Will Moore. The Lamoine Moores returned home Saturday.

Mr. and Mrs. Charles Vittitow, Lisa and Mitchell of Chicago are here for a two weeks visit with Mr. and Mrs. L. C. Vittitow.

Schools Opened With Regular Classes Mon.

Rotan Schools opened Monday morning with all classes meeting in regular schedule, lunchroom and buses operating, and according to Supt. McCasland, "the smoothest, most efficient school opening he had seen in 23 years of experience". This is a nice compliment for the student body as well as the faculty, and was accomplished by registration and assignments being worked out at the end of last school term.

Enrollment in high school showed a marked increase--160 against approximately 137 last year. Primary and Junior High each had a small decrease, but both expect to reach last year's enrollment in a few weeks. Enrollment of Junior High was 267 and Primary 317. Birdie Stephenson School had average enrollment.

Jaycee-Ettes Plan Christmas Decorations

The Jaycee-Ettes met in a called session at the home of Mrs. Richard Donahoe, Wednesday, August 30 to make plans for their fall projects.

The Club announced plans to again sponsor the Christmas Home Decoration Contest. Tentative plans are to enlarge the contest to include the business district window displays.

A Chili Supper has been scheduled for November 3. The place and ticket sales will be announced at a later date.

Also visiting in the Kennedy home is her sister Mrs. Hugh P. Simmons of Amarillo and another sister Mrs. Roy Duckett of Sweetwater has spent some time here with them.

Mr. and Mrs. Darrell Boen of Goldsmith are announcing the arrival of a baby boy on August 24. He was named Ricky Darrell and weighed 7 pounds, 3 1/2 oz. They have a 2 year old daughter, Lana Denise.

Mr. and Mrs. John Ashton and their daughter and children, Mrs. Don Owen, Jim and Teresa of Irving who were visiting here visited another daughter and sister, Mrs. Wayne McCuiston, Mr. McCuiston and children in Kermit recently.

Get Acquainted PTA Affair Tuesday Night

Appreciation and Get Acquainted meeting for parents and teachers will be held Tuesday, Sept. 5, 7:30 p. m. at High School Cafeteria.

The affair will include each parent bringing a large covered dish, with the evening meal spread together with everyone getting acquainted. All P. T. A.'s and Council are jointly planning this affair. Each hospitality chairman, Mrs. Joe Little, Council; Mrs. Ivy Jones, High School; Mrs. W. B. McKimney, Jr. High and Mrs. W. D. Hariman, temporary Primary, are working diligently toward a well represented meeting of teachers and parents being present.

Immediately following serving of meal Mrs. Dee Reese has the following program:

Meeting called to order. Invocation. Rev. Bill Pearce leading in getting acquainted games. Mrs. Carroll Murphree, past Council president presenting a life membership pin to Mrs. Joe Little for service she has given through the years, faithfully. Following the Superintendent of Rotan Schools introducing each Principal and they in turn introducing their teachers.

Fathers and mothers support your school and encourage your teachers by being present.

School Business Is Everybodys Business

Citizen and tax payer, laborer and merchant, father and grandmother, liberal and conservative; all should realize that the school's business is their business. Every citizen should be extremely interested in the schools and strive hard to promote improvements that will produce better education for our children. A community is no better than its school system. To improve our schools here are some objectives we should seek:

1. Greater emphasis on Americanism and our American Heritage. We should insist that our children be taught the importance of our free enterprise system, individual freedom. They should be taught not only that socialism and communism are wrong, but why they are wrong.
2. Demand higher academic standards and increased emphasis on the basic studies.
3. Better working conditions where needed. This includes not only new school rooms (if needed) but books, laboratory equipment and other educational aids.
4. Increased community interest in all school activities that promote learning; for example band concerts, plays, homemaking and future farmer activities.
5. Demand to be better informed of all the business of the school all the time.

Buffalo Rodeo At Aspermont Saturday

Stonewall County Sheriff Possee is sponsoring a Buffalo Rodeo in Aspermont Saturday at 8:00 p. m.

Hackberry Johnson, an old time rodeo producer and performer is handling the show. He showed in Rotan in the early days and has many friends here.

Burrow Reassigned To Beeville Station

A. L. Burrow AOI, U. S. N. arrived in Lubbock by plane Thursday of last week. He was met there by Mrs. Burrow and their sons Rickie and Mike.

Mr. Burrow served on USS Midway and Mrs. Burrow and the boys stayed here with her parents. They will leave next week for Beeville where he will be stationed for three years.

Visiting Mr. and Mrs. Claude Hammond and Ruby last week were Wanda Hammond and Mr. and Mrs. Dick Miller and children. The past year the Millers have lived near Batesville, Mississippi, while Mr. Miller earned his MA degree at the University of Mississippi. They are now enroute to Sitka, Alaska, where he will pastor the Baptist Church.

P. P. K. Offered Young Boys by Rotan Motor

An opportunity for Rotan area boys to compete in a football punting, passing and place-kicking contest, with trips to National Football League games among the prizes, was announced today by Ray Brown, owner of Rotan Motor Co.

Mr. Brown said the Rotan competition is part of a nationwide program sponsored by Ford Division of Ford Motor Company in cooperation with the National Football League. Known as "P. P. & K."--Punt, Pass and Kick--the competition will culminate with all-expense trips by five national winners and their fathers to the National Football League Championship game, and an official reception at the White House.

Selection of the National Champions will be made as a result of televised competitions at a home game of each of the 14 National Football League teams.

The Rotan P. P. & K. competition is open to grade school boys aged six through 10, and will be held in early October. Registration for the event will be at Rotan Motor Co., Rotan, from August 28 through September 25. There is no cost, but entrants must be accompanied by a parent or guardian. Each entrant will receive a P. P. & K. badge, an instruction book written by NFL stars Johnny Unitas, Yale Lary and Paul Hornung, and an official 1961 UFL Guidebook.

After the Rotan competition is held, the scores of the most skillful punters, passers and place-kickers--one in each age group--will be compared with the scores of boys in the other competition held in the area covered by telecasts of the Dallas Cowboys.

The top five boys in this region and their fathers then will be given an all-expense trip to see a home game of the Cowboys, and the boys will punt, pass and kick at the stadium either just before the game starts, or during half-time.

The five top winners in the Rotan contest, whether or not they qualify for the national eliminations, will receive National Football League type football uniforms, the five boys who place second will receive warm-up jackets, and third place winners will receive footballs.

Scores of competitors in the 14 NFL regions will be compared to determine the five National Champions. Special arrangements will be made to play off all ties both regionally and nationally.

Mr. Brown said the P. P. & K. competition had been developed by Ford division and the NFL to give every boy a chance to take part in football competition, and to encourage physical fitness. He pointed out that early development of physical conditioning on the part of the nation's youth is one of the prime objectives of the President's Council on Youth Fitness. The Council, he added, will present letters of commendation to the five National Champions during their White House visit.

The date and site of the Rotan competition, and judges and other officials, will be announced in the near future, Mr. Brown said.

FU Barbecue In Aaron Park Next Tuesday

The annual Farmers Union Barbecue will be Tuesday, Sept. 5 at Aaron Park, Rotan. All members and their families are invited to come and meet with other Fisher Countians for food and fellowship. The new executive vice-president, Jay Naman of Waco will be present for a short talk. Mrs. Naman will accompany her husband. Two of the Juniors will report on the recent Junior Camp that they attended in Douglas, Colorado.

All food will be furnished except dessert. Ladies are asked to bring this. The barbecue will begin at 6:00 p. m.

Mr. and Mrs. Brooks Middleton Riley and Nancy Kay of Haskell visited her mother Mrs. George Riley Sunday.

Mr. and Mrs. Velton Funk of Bledsoe visited Mr. and Mrs. J. E. Funk Monday night.

Home Safety Program Kickoff Due Tomorrow

A year-round home safety program will be launched September 1 by Lone Star Gas Company and Rotan Fire Department.

"National Safety Council findings" Lone Star Gas Company Manager John Leach said here today, "show that home accidents are fundamentally the result of inadequate knowledge, insufficient skill and faulty attitudes. In line with these findings we have produced, as a public service, a home safety program having as its objective the saving of lives and the prevention of home accidents by teaching the individual how to detect and eliminate home hazards".

"A home accident kills an American man, woman or child every 19 minutes", Mr. Leach continued, "and injures 480 every hour. These National Safety Council figures are stark reminders that our lives and the lives of our loved ones are in jeopardy every second of the day and night. We must learn to detect and eliminate home hazards now if we are to make our home safe places in which to live."

Advertisements and stories on home safety will be published in the Advance during September and October.

Other home safety program materials are kits for home study and discussion, and for group meetings.

The home study and discussion kit is designed for effective home study and discussion by family groups. It contains materials describing and picturing home areas in which accidents can occur and suggesting methods of eliminating accident hazards. It contains home safety references and guides. These free home study kits may be obtained at Lone Star Gas Company for from the Fire Department.

The group meetings kit contains a discussion on home safety and a booklet of charts. These materials are for use in employee and public home safety meetings. They are available to interested companies and groups desiring to conduct home safety meetings in their plans and may be obtained from Lone Star's office here.

Services Held For Mrs. A. R. Tyson

Funeral for Mrs. A. R. Tyson was held Friday, 2 p. m. in First Baptist Church. Rev. Neal Shepherd, Hillcrest Baptist Church pastor and Rev. W. E. Pearce, First Methodist pastor officiated. Burial was in Abilene cemetery by the side of her husband, under direction of Weathersbee Funeral Home.

Mrs. Tyson died August 23 in Callan Hospital where she had been a patient several days following a heart attack. She had made her home here with her daughter, Mrs. J. R. Strayhorn and Mr. Strayhorn about six years, when she was brought here by ambulance from her home in Fort Worth, following a heart attack and has been confined to her bed most of the time.

Mrs. Tyson was born August 25, 1873 in Denton County, the daughter of the late Mr. and Mrs. B. C. Sullivan, ranchers.

She was married to Rev. A. R. Tyson in 1890 in Sanger, Texas. He was an early day Baptist preacher and State Missionary and pastored several churches in this area and in South Texas. He died at their home in Abilene in August, 1934.

Survivors are Mrs. J. R. Strayhorn of Rotan; Mrs. Ed Warren of Post; and A. R. Tyson of Atlanta, Ga. One daughter, Mrs. Tabor (Ruby) Routt died in Fort Worth several years ago. Also surviving are a brother, W. L. Sullivan of Wichita Falls; a sister, Mrs. G. W. Reed of Fort Worth; three grandsons, Jack Routt, Fort Worth; Bartlett Strayhorn of Rotan and Wallace Strayhorn of Burkburnett; three great-grandsons, John Mark, David and Chris Strayhorn of Burkburnett.

Pall bearers were Dr. Barry Allen, Homer Fillingim Jr., Bill Day, and the three grandsons, Jack Routt, Bartlett and Wallace Strayhorn.

Mrs. Tyson gave her heart to the Master at an early age and never ceased to serve him. Her interest in the church and its work never wavered and until her illness was always faithful in attendance.

She was a faithful, happy religion and her joyous life brought blessings to those who knew her. She was ready to go and had made plans for her funeral.

Her going was so peaceful. She just went to sleep last Wednesday night and was laid to rest on her 88th birthday.

There is something sweet and beautiful, with a touch of sadness, peace and glory like the setting of the sun in a cloud of gold in the passing of a good wife, loving mother, true friend and a loving ambassador of the King.

What more can be said?

Marine Platoon Reserve Program Underway

Plans for the first North Texas Marine Platoon were approved by the 8th Marine Corps Reserve and Recruitment District this week and a full scale recruiting program is now underway.

In an effort to keep the platoon as personalized as possible, it will be made up of separate squads. The squads will be recruited in the areas where Marine Recruiting Sub Stations are now operating. This means that even though the entire platoon will be made up of Texans, it will be further localized to the point of having home town buddies serve together in the same 15 man squad.

The North Texas Marine Platoon is the first such unit to be recruited under our new plan of national defense. Though platoon recruiting was quite popular several years ago it has not been done recently and special instructions were needed from Headquarters Marine Corps and the 8th District before this unit could be formed.

The squads will all be recruited on a local level and will not be joined as a unit until August 24. On that day the squads will travel from every sub station in the north Texas area to the Main Recruiting Station in Dallas. At Dallas their final paper work will be completed, physicals taken, and the oath of enlistment will be administered.

Mrs. Jack Ware and children of Borger and Danny Fletcher of Lubbock spent Wednesday night of last week here with their aunt Mrs. O. R. Clark and Mr. Clark as they were returning from a visit in Houston.

Mrs. O. R. Clark recently visited a brother, Burton Burrus who is in M. D. Anderson Clinic in Houston for cancer treatment. She also visited relatives in Baytown.

Christian Science Service Sunday

Strong assurance of man's God-given right to conquer every form of evil will be given Sunday in Christian Science church services.

Paul's striking words to the Romans (8) are included in the Bible readings in the Lesson-Sermon entitled "Man. 'Who shall separate us from the love of Christ? Shall tribulation or distress or persecution of famine, or nakedness, or peril, of sword? . . . Nay, in all these things we are more than conquerors through him that loved us.'"

A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (pp. 303, 304):

"Spiritual man is the image or idea of God, an idea which cannot be lost nor separated from its divine Principle. When the evidence before the material senses yielded to spiritual sense, the apostle declared that nothing could alienate him from God, from the sweet sense and presence of Life and Truth."

Mrs. J. V. Hellums returned home Sunday from Big Spring. Her daughter Mrs. Margaret Cooper and David brought her home Monday. Mrs. Cooper teaches in the school there.

Lets Keep Our Freedom

An open invitation to disaster is implicit in the continuing tendency in the United States to concentrate power in the Federal Government and to make it more and more remote from the people.

Here is a truth that applies as fully to government as it does to individuals: Once a moral principle is weakened or once a vice is condoned or winked at, there begins immediately a tendency to weaken all moral principles, a tendency to condone or wink at all vices.

Thus we find that so long as the people of the United States lack the courage or the will or the knowledge to hold government responsible, the representatives of the people yield weakly to the demands of every kind of pressure group.

Expendence becomes a king. Taxes skyrocket as extravagance mounts. The Federal debt grows and grows. A ticking time bomb hangs over the financial security of the nation.

Never in our history the last quarter-century or so have the American people so complacently accepted handouts and returned to ask for more of the same.

What has happened to the American spirit? Our forefathers did not receive taxpayers' aid from the Federal Government when they built

this country—its roads, its schools, its homes, its hospitals. They used their own savings and they used taxes collected at the local level.

Our forefathers had character. They respected work. They worked for respect.

If we have now fallen into a new softness, that fact carries with it the seeds of disaster. This soft infection has reached the homes of America. Lack of discipline in the home is justified by turning to the aphorisms of the "new thinkers." Children are taught that they can palm off their inadequacies on their elders and thus avoid the inconveniences of self-blame, self-criticism and responsibility. The infection of softness has entered our schools, where the traditional "tough" courses have been watered down to the point of inanity. Even in some of our churches the soft infection has produced a certain blandness that, to say the least, did not come to us from the source of our faith.

We must have a spiritual, moral, ethical revival in the way we live, in the processes of freedom; a revival of the fundamental virtues which built this country and made it great.

America has been greatly blessed. We have been the recipients of the greatest temporal gift which God bestows—freedom: freedom of the spirit, freedom to walk the streets

The Rotan Advance

Thursday, Aug. 31, 1961 No. 29
in evening unafraid, freedom to speak to God in our own way wherever we are.

This is the kind of freedom that we have inherited, and this is the freedom we must determine to keep. America lives under no divine exemption from the lessons of history. The conditions under which freedom is granted by God include vigilance, fevor, faith, hard work, respect for the human family and for the rights of others. If these conditions are not met, freedom can be lost, and it can be lost by default.

"loaded gun" in your home

Dangerous as a loaded gun are the accident hazards in any home. They cost 28,000 dead, 4.2 million injured in a typical U. S. year. Believing profoundly that something can be done about this, we urge you to take part in the 1961 Home Safety Program. Costs you nothing. We would like you to have the free Home Safety Kit that will help safety-condition your home. Pick it up at the offices of the sponsors listed below . . . what could you lose?

Ser. Officer Gives Social Security Changes

The following information is given by Steve Kelley, County Service Officer:

"On June 30, 1961, the President approved Public-Law 87-64. This law, known as the "Social Security Amendments of 1961", made significant changes in the old age, survivors and disability insurance programs.

Men may now choose to have their old age benefits started as soon as they reach age 62. First payment to men age 62 and 65 can be made for the month of August, 1961. To get retirement benefits between 62 and 65, a man needs to have the same amount of Social Security credits that he would need if he were retiring at age 65. A man reaching 62 in 1961, for example, needs credit for three and one quarter years of work under Social Security to qualify for old age insurance benefits. A man who begins to receive payments at age 62 will get 80 percent of the monthly benefits he would have been paid at age 65.

This law was not passed to encourage retirement of men before age 65 as there is an unfavorable difference between the insured status of the men and women. The provision for payment of retirement benefits to men at age 62 is for the simple purpose of providing financial assistance to those who must, or for various reasons, choose to retire at less than 65 years of age, and who do not qualify for benefits under the Social Security Disability program.

Under the new law more people become insured faster as quarter of coverage has been liberalized to make one quarter of coverage for each calendar year elapsing after 1950. The closing dates for quarters of coverage for women will be the year she reaches age 62. However, for men it will be the year he would attain 65 or dies. At least six quarters of coverage are necessary before any protection is afforded under the Social Security Act.

Under the new law the lowest benefit that most workers over 65 will receive will be \$40. This increase will be automatic and should be included in the September checks. The earning limitations for persons who receive social security benefits under age 72 have been liberalized. Under the new law, one dollar withheld for each one dollar earned over \$1700 annually. Workers with long standing disabilities have until June 30, 1962 to file for benefits under the disability provision of the

Social Security Act. Beginning January 1, 1962, the Social Security tax for employees and employers will be increased 1-8 of one per cent—from 3 per cent to three and 1-8 percent for each."

Mr. and Mrs. L. L. Dowell of Iowa Park attended graduation ceremonies at West Texas State College in Canyon, Friday night, August 18, where their son, Chester, received his Master of Education degree. After spending the week-end visiting Chester and his family in Channing. The Dowells returned

L. R. Weems' Honored Wedding Anniversary

Mr. and Mrs. L. R. Weems were surprised on their 45th wedding anniversary, Sunday, August 25. Five of their 6 children gathered at Church with their families for the morning services, for the surprise. After church they were carried by car to the Baker Hotel in Sweetwater where a wonderful meal was enjoyed with all the trimmings.

In the group were Mr. and Mrs. Clayton Weems, Sharron, Don and Brenda of Crosbyton; Mr. and Mrs. Bernard Weems and Burnie of Springtown; Mr. and Mrs. Virgil Weems, Ruple, Catherine, Annette and Carolyn, Rotan; Mr. and Mrs. Rex Rollins, Joe and Mike of Agie, Texas and their daughter, Mrs. Lois McFaul of Sweetwater who is manager of the Baker Hotel.

Well of course Ma and Pa Weems were there and enjoyed the afternoon very much.

Former Resident Marries At Pittsburg

Miss Sandra Jean Brown, daughter of Mr. and Mrs. Ben Brown of Pittsburg, Texas became the bride of Vance Morris Bridges at 4 p. m. Sunday in First Methodist Church of Pittsburg. Rev. B. R. Shelton officiated.

The bridegroom is the son of Mr. and Mrs. Morris Briges of Fort Worth, former residents of Rotan.

Best man was Jim Ashley of Lake Jackson, the bridegroom's cousin. John Bridges, the bridegroom's brother, ushered.

The bride, given in marriage by her father, wore a formal gown of gardenia white silk organza highlighted with jeweled lace. She carried orchids and gladiolus atop a white lace and pearl covered Bible. A reception was held in the

church parlor. Mrs. Kerry Mac Weems of Fort Worth was a member of the house party.

After a wedding trip the couple will reside in Midland. The bride graduated from North Texas State College and is a member of Chi Omega sorority. The bridegroom attended Colorado School of Mines and graduated from Texas Tech. His fraternity is Kappa Sigma.

David Thornton Vows Said Last Wednesday

Janice Earle David and Charles Jennings Thornton were married Wednesday morning, August 23 at 10 o'clock in the First Methodist Church.

Parents of the bride are Mr. and Mrs. J. P. Cyphers and the bridegrooms parents are Mr. and Mrs. C. J. Thornton.

Rev. W. E. Pearce read the double ring ceremony before an altar of white mums and greenery.

Nuptial music was presented by Mrs. D. J. Smith, organist, Mrs. Bart Strayhorn, Mrs. Paul Heathington and Mrs. Robert Phillips sang "Because". Miss Sue Dennis was the brides only attendant. Donald Thornton served as best man. Ushers were Gary Smith and Milton Field.

The bride given in marriage by Mr. Cyphers, wore a street length dress of pure white silk with a fitted bodice and full skirt. Her elbow length veil of illusion fell from a tiara of seed pearls. Her flowers were an arrangement of white orchids and white roses on a white Bible. She wore the traditional something old, something new, something borrowed, something blue and the penny in her shoe.

Miss Dennis wore a Nile green silk dress and a matching bandeau covered with green illusion. Her corsage was white roses.

Reception was held at the bride's home, where Sue Dennis registered

Cox, a mechanic in Headquarters Troop of the regiment's 2nd Reconnaissance Squadron, entered the Army last January and received basic combat training at Fort Hood, Texas.

The 23-year old soldier attended Floydada High School and was employed by Sweetwater (Tex.) Cotton Oil Mill before entering the Army.

Glen Gruben returned home Saturday from Stephens Memorial Hospital in Breckenridge where he had an acute attack of appendicitis and had to undergo emergency surgery Tuesday. He and his family, his brothers and sisters, and his mother, Mrs. Vera Gruben were to meet at Possum Kingdom Lake for a get-together, when he had the attack and was carried into Breckenridge for surgery.

TELEPHONE TALK

by Roy Eury, Manager

This is the first chance I've had to introduce myself to all of you since my appointment as manager for the telephone company in Rotan. I'm Roy Eury. I'm looking forward to meeting all of you in person as well as through this column.

I've been with the telephone company since 1958. Prior to that time I attended TCU and spent six months on active duty with the SAGE branch of the Air Force. Getting to know all of you is going to be a big assignment, but I'm really looking forward to it. In the meantime if you happen to see me on the street stop and say hello, because I want to get to know you and all of our telephone customers here in Rotan.

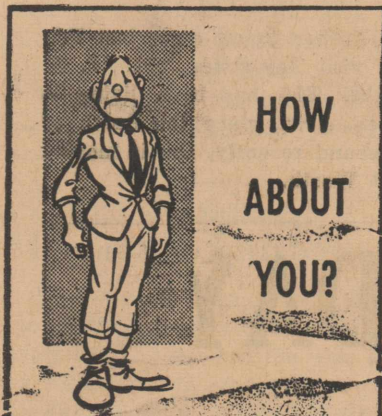

Do You Remember?

"Echo One" the satellite balloon recently celebrated its first birthday. It has been just about a year ago that Bell Telephone Laboratory scientists shot the balloon into outer space and then proceeded to bounce telephone calls off it as the big sphere circled the earth. According to people who know about such things say the satellite looks a little like a prune. Seems that outerspace is crowded with things like the meteors and such which have punctured the big ball. But it is still in orbit and still reflects signals which are sent up to it from the earth.

Now that satellite communications are so much in the news it seems to be a good time to point out that the telephone company has an excellent film on the subject called "The Big Bounce". The film is about 13 minutes long, in color, and is available to any school or organization that wants to show it. Just call the business office and let us know when you want it and we'll do the rest. Of course we have many other films too. Films on telephone manners, safe driving habits, home safety, and national defense. We also have films on scientific subjects like "Your Voice and the Telephone" (which shows how the telephone transmits your voice) "The Alphabet Conspiracy" (which deals with the scientific study of language). This last group of films is especially popular with schools since they are an aid in teaching these subjects. They are all available at no charge, of course.

Call by number. It's twice as fast.

GENERAL INFORMATION

Rule 1. This show reserves to its management the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions and differences in regard thereto or otherwise arising out of or connected with the show and the right to amend or add to these rules as its judgment may determine.

Rule 2. To be eligible for competition, whether in singles or groups, animals, crops and products must be the bona fide property of the exhibitor.

Rule 3. All fat steers and fat barrows must be weighed under the supervision of the chairman of their respective divisions.

Rule 4. Exhibits that have been erroneously entered may be transferred to their proper place previous to judging upon application to the superintendent of that division. If such classes have been judged, however, they shall not be reopened.

Rule 5. No claim for injury to any person or property shall ever be asserted nor suit instituted or maintained against the Fisher County Fair Association, its officers or agents by or on behalf of any persons, firms or corporations, or their agents, representatives, servants or employees having license or privilege to exhibit on the Fair Grounds or occupy any space thereon.

Rule 6. If any damage, loss or injury to persons or property shall approximately be caused by reason of neglect or willful acts of any person, firm or corporation having license or privilege to exhibit on said Fair Grounds, or occupying any space thereon, the Fisher County Fair Association shall in no manner be responsible herefor, and in case it is subjected to any expense or liability, all persons causing same are liable therefor, and shall indemnify the said Fisher County Fair Association at its domicile, Roby, Texas.

Rule 7. All owners of property or others having same in charge shall care for, guard and protect and preserve the same as the Fisher County Fair Association does not undertake to do so, and it shall not be held responsible for any loss or damage to said property.

Rule 8. All animals must be in their stalls by 8:00 a. m., Friday, August 25, 1961.

Rule 9. All animals must remain in their stalls until the end of the show, 5:00 p. m. Friday, August 25, 1961. Anyone in violation of this rule will automatically forfeit any prize money and be barred from exhibiting in this show for a period of two years.

The single judge system will be used. His decision shall be final.

No admission will be charged persons for entrance into the Fair Grounds.

No entry fee will be charged for livestock, crops, ladies' or educational exhibits.

Prize money and ribbons will be given to the various winners.

Residents of Fisher, Jones, Nolan, Kent, Stonewall and Scurry Counties will be eligible to enter the various divisions.

Farm Facts

If you spend \$100 a year for meat, then your meat bill is slightly more than the average, according to the U. S. Department of Agriculture. The Department's Agricultural Marketing Service economists figure the average person has been spending about \$91 per year for meat and that this represents about 4.6% of his income. The \$91 bought 138 pounds of meat—85.8 pounds of beef, 64.6 pounds of pork, 6.3 pounds of veal, and 4.6 pounds of lamb and mutton. Consumption of meat for 1961, according to the USDA, is expected to be about 4 pounds per person more than last year. Beef consumption is expected to reach a record high of 89-90 pounds per person.

The average person spends about \$91 per year for meat.

Per capita consumption of a factory today will buy more pork, however, has trended than two pounds of round downward since World War II, when it averaged about 70 pounds. It has dropped to less than 60 pounds. There is a trend to fresh meats and away from cured pork items. Pay for an hour's work in

Farm Facts

Production of citrus fruits in the United States increased from about 3 million tons in 1935-36 to a high of 8.2 million in 1956-57. It is expected to attain new heights in the 1960's, according to the U. S. Department of Agriculture.

Oranges led in volume produced and in the upward trend. Grapefruit were second in production volume. Production of grapefruit increased sharply until the late 1940's but declined abruptly following freeze damage to groves in Texas. Output of lemons and tangerines has almost doubled since 1935.

The 1959-60 orange crop was about 127 million boxes. Of this tonnage, Florida produced 75%; California, 22%; and Texas, Arizona, and Louisiana, 3%.

About 9% of all citrus was processed in 1935-36 as compared with about 37% in 1959-60. Processors used the following percentages of the 1959-60 citrus crops: oranges, 64%; grapefruit, 42%; lemons, 48%; tangerines, 19%; tangelos, 16%; and limes, 38%.

Citrus fruit
production has
almost tripled in
25 years.

Per capita consumption of processed citrus in 1960 was about 53 pounds (fresh equivalent basis) and that of fresh citrus was about 34 pounds. Per capita consumption of processed citrus increased until 1944-45 and then declined.

Farm Facts

The U. S. Department of Agriculture reports that 1960 was the best crop year we ever had. Total production was 3% above the previous high of 1958.

Acres harvested was about 1% below 1959, but good yields for a majority of most crops pushed total production over the top.

About 10 crops had record yields per acre in 1960. Corn, sorghum grain, peanuts, tobacco, rice, and hay were among them. A half dozen crops just barely missed. Among them were wheat, oats, soybeans, barley, dry beans, and potatoes.

These crops accounted for about 90% of the total acreage harvested.

Food grain production was a fifth above 1959, yet 5% below the record output in 1958. Wheat raked up the second largest volume on record.

The "big four" feed grain crops--corn, sorghum grain, barley, oats--topped their previous record of 1959 by 3%.

Crop production in 1960 broke all records.

Farmers planted an estimated 329 million acres, 6 million less than in 1959, and the smallest acreage in nearly 45 years. In the past 12 years, the total crop acreage harvested has dropped over 30 million.

Farm Facts

Average yield of honey per colony of bees in the U. S. for the years 1950 through 1960 was 44.8 pounds. Yield per colony in 1960 was 47.9 pounds, as compared with 45.5 pounds in 1959.

The honey crop last year, according to the U. S. Department of Agriculture, was the third largest on record. More than 260 million pounds were produced by 5.4 million colonies. In 1952, production of honey totaled a record 272 million pounds.

Domestic consumption of honey averages about 20 million gallons a year. Thousands of pounds are used in making breads and cookies and in ice cream.

Although 500,000 persons keep bees in the U. S., 80% of the colonies belong to about 50,000 beekeepers, 1,000 of whom depend on bees for their livelihood. The latter group controls about two-fifths of the colonies. About three-fourths of the annual crop comes from cultivated alfalfa, buckwheat, clovers, orties, particularly as an antiseptic.

A colony of bees will produce about 45 pounds of honey a year.

Honey was of great importance to the ancients, being almost the only available source of sugar. It also was valued highly for its medicinal properties.
