**LOCAL NEWS FROM SAYLES COMMUNITY**

Mrs. Jim Isbell visited Mrs. Bob Elmore Sunday afternoon.  
 Mrs. M. H. Harris called on Mrs. Hansford Harris Saturday afternoon.  
 Mr. and Mrs. Millard Melton of Dallas are visiting Mrs. H. E. Melton.  
 Mrs. Norman Breden of Center Point, Misses Rachel Elmore, Emma Kate Wiseman and Leona Breden called on Mrs. Hansford Harris Saturday evening.  
 Mr. and Mrs. Frank Draper of Haskell visited Mr. and Mrs. T. D. Strickland Sunday.  
 Mr. and Mrs. J. B. Harris and boys of Midway took dinner with Mr. and Mrs. Hansford Harris Sunday.  
 Mr. and Mrs. Shelby Harris and children, Mrs. M. H. Harris, Frankie Arm Harris, Mr. and Mrs. Hansford Harris and son visited Mr. and Mrs. J. C. Chapman of Haskell, Sunday afternoon.

After the business meeting adjourned, refreshments were served by the hostess to the following members and guests: Mesdames M. M. Zingery, E. G. Bosse, J. F. Scheafer, S. E. Dalton, W. Z. Miles, A. O. Stanford, J. E. Ray, Williams, H. L. Bosse, G. W. Stanford, J. E. Baxter, Misses Eileen Partlow, Maxter.

The hot-headed fellow is generally the first to get "cold feet."

The Ward Home Demonstration Club met in the home of Mrs. E. A. Williams, May 7th. The roll call was answered by ten members. Each member brought a sample of material and told from what fiber it was made. Miss Partlow gave a lecture on "Recognizing Values in Ready-to-Wear," also on "Selecting Materials For a Dress." This lecture was highly appreciated, as the women were anxious to get these points before they gave their home-made dress forms a try-out. During the past week there have been five dress forms made and there will be three more made in the near future. These forms were made with less than 60c cost per each form.

A merchant who advertises regularly says he's busier than a Chicago undertaker.

**HUMBLE FLASHLIKE GASOLINE**

**Add wings to your motor with Flashlike Gasoline**

Flashlike Gasoline is scientifically designed to bring out your motor's latent power. Get into your car when the motor's cold. Press the starter. The "low boiling point" of this highly refined gasoline affords rapid vaporization. The spark flashes the motor into action immediately. With a turn or two of the crankshaft, full power is developed. Gears are shifted -- and away you go!

Quickly you find that your car answers to the lightest touch of your throttle as an airplane does to the "gun," and you experience a new joy in motoring -- the thrill of added speed and power.

Flashlike Gasoline is made to burn clean in any motor. It gives you less crank-case dilution and makes your oil last longer and lubricate more efficiently. Your oil is unfouled. Valves stay smooth. There is no resinous precipitate to clog the carburetor.

Velvet Motor Oil, the "flying mate" of Flashlike Gasoline, forms an efficient piston seal at all driving speeds and at all temperatures, giving added power. Your car runs better -- and at a lower cost.

Both Flashlike Gasoline and Velvet Motor Oil may be had at the price of ordinary fuels and lubricants. Get them at stations wherever you see the Humble signs.

**HUMBLE OIL & REFINING COMPANY**

Study the specifications of Flashlike Gasoline given below. Note its "Initial Boiling Point," and "End Point," and the temperatures at which it is distilled. Compare these specifications with those of other gasolines, and you will readily see why Flashlike Gasoline is a superior fuel.

S P E C I F I C A T I O N S		S P E C I F I C A T I O N S	
LABORATORY ANALYSIS	WHAT IT MEANS TO YOUR MOTOR	LABORATORY ANALYSIS	WHAT IT MEANS TO YOUR MOTOR
Initial Boiling Point	110 Max. : Easy starting--First in the get-away--No sputtering	Doctor Test	OK : Clean odor--never offensive
% distilled at 221° Fahr.	25 Min.	Corrosion Test	OK : No chalking or corrosion of gas line
% distilled at 284° Fahr.	52 Min. : More power, long burning stroke, less gear shifting	Color	Plus 25 : Highly refined, clean, and clear
% recovery	97%	Sulphur less than 1/10 of 1% Max.	: No pitting of valves, or fouling of oil
End Point	400 : Complete vaporization--complete combustion	Gum Test	OK : No resinous precipitate to clog carburetor

#### Results of Ambition

It is often remarked that the great majority of people do not show any special energy or interest in their work. The same thing applies to communities, that the great majority of them do not show any special enterprise or push in advancing their home town interests.

This spirit of indifference gives a fine chance to any person who will work hard for the success of his employers and his business. It also leaves a door open for the rapid advance of any community which will make an energetic push for growth and development. Such a town shines in contrast with less ambitious ones, and people from far and near hear of its spirit of enterprise and say they would like to live there.

#### How Prosperity Is Shared

In former years, jealousy was felt when some business man attained success and made money. But today it is seen that that is a very short sighted view. If a man makes money in Haskell, the whole town shares his prosperity. He can employ more people, pay them better wages, and give them more opportunities.

Also he pays more taxes, he can do more to help public causes. He is likely to contribute generously to public enterprises. When we support home enterprises, when we patronize the stores of our home town, we help the business men attain a position where they can and will do more for the community.

*Make Sure*  
 your life is insured  
 you'll better call *Sully*

#### Home Town Thoughts

Friendly talk when you meet your neighbors is fine, but friendly action shown by patronizing the home stores operated by those neighbors, is equally desirable.

When you add a touch of beauty to your home place, some visitors passing through the town see it and say they would like to live in Haskell.

Well advertised goods are half sold, and a well advertised store does half of its work in the homes.

### POLITICAL Announcements

We are authorized to make the following announcements, subject to the action of the Democratic Primary in July:

### Snap Shots

An Illinois man is reported to have carved himself a set of teeth from a hickory plank. At the first sign of decay he should consult a tree surgeon.

An Austrian barber broke the world's shaving record by shaving himself in 43 seconds. But he didn't hand himself a lot of chatter while he was doing it.

The only unpleasant thing about the arrival of spring is that it brings an attack of housecleaning on friend wife.

According to statistics, the people of the United States will own 85 per cent of the World's automobiles when all the installments are paid.

As electricity comes to do more and more of the housework, it may soon be necessary to add an electrician to the staff of household servants.

**STRAYED**—From my place 8 miles west of Town, one brown horse mule about 14 hands high with collar mark, and one smutty horse mule about 15 hands high branded J on left jaw. H. R. Collins, Haskell, Route One. 1tp

#### Co-Operative Advantages Allowed The Colored School.

Wonderful things are happening in Haskell. The colored children of Haskell were awakened and made more inspirational by coming in contact with the South Ward School, since it was made possible. We wish to thank Mrs. J. M. Crawford and faculty of the South Ward School for their wonderful ideas, beautiful posters, courage and conscientiousness shown us during the most appropriate and commendable time.

We are praying for the day to come, when the colored children of Haskell will have a school building and a healthy school site to do more effective work. We hope that through you good white people here that there will be plans for the promotion of the cause of education of the colored youth here and we hope to obtain this objective in the near future.  
 Signed, (Miss) Dovie Cain.

**Why Risk Your Eyesight When Light Is So Cheap?**

Soft and shaded lights present a charming appearance, it is true, but if they are not of sufficient strength or not properly placed they constitute a real menace to your precious eyesight.

For reading or sewing, or even for that enjoyable period of relaxation, good light is an essential.

With lamps and current so inexpensive, there is no reason to deny yourself this necessary convenience. One of the West Texas Utilities Company's lighting engineers will be happy to solve your illumination problems.

W. G. HENDERSON  
 —Photo by Sills, Haskell

W. G. Henderson, proprietor of Henderson's Service Cleaners, began work in a tailor shop when he was 14 years old, serving his apprenticeship under a German tailor of the old school and probably has studied the business closer than any other man in this section.

He purchased his first shop in Abilene in 1906. He has been connected with some of the best plants in Texas during the past and holds a diploma from one of the foremost Chemists and Cleaners in the United States. Mr. Henderson came to Haskell in 1927, purchasing his present business from Townsend & White. By courtesy and first class service the business soon grew until he was forced to install several thousand dollars worth of new machinery to take care of the increased business. Today Henderson's Service Cleaners has a plant that is as modern as can be found in any town of 10,000 people and not surpassed by many in the larger cities.

Mr. Henderson can always be found ready to assist in any movement for the development of Haskell and is a booster of Haskell County and West Texas.

# SOCIETY and Club

**Luncheon.**  
 One of the most distinctive affairs of the season, was given by Mrs. J. U. complimenting a number of town friends.  
 Reception suite was attractive in pink rosebuds, arranged in pink rosebuds, with magnolias, which Mrs. P. of Wichita Falls grew own yard, and presented to press.  
 Beauty of the dining room enhanced by the use of pink in decorating. And the laid with Italian Cut Work; Delon and Dresden China in a most artistic and individual with a miniature water lily containing waterlilies, greenery bird bath as a center piece, colored birds faintly perched on glass held place cards.  
 Delicious four course luncheon served by Misses Janie Lyle and Lena Belle Kemp of the Economics Department.  
 Favors were Singing Birds, they joined doll concealed in their bird egg, made in Nuremberg, and which, furnish-ment.  
 Forty-two was the number of the afternoon, at which a number of ladies called.  
 Mrs. P. P. Langford, Wichita Falls, Mrs. J. C. A. Guist, Wichita Falls, Mrs. G. B. Anderson, Wichita Falls, Mrs. W. W. Silk, Wichita Falls, Mrs. Hardy Grissom, Wichita Falls, Mrs. Ernest Grissom, Abilene, Mrs. Will Fulwider, Abilene, Mrs. T. Brooks, Abilene, Mrs. Donald Bowie, Mrs. G. L. Anson, Mrs. O. T. Anderson.

**Ammons, John Rike, Reynolds Wilson and the honor guest, John L. McCollum and Messers and Mesdames John V. Davis, Roy Killingsworth, and W. P. Trice and the hostess.**

**Colonial Card Club.**  
 Mrs. Lee Glazner was hostess to the Colonial Card Club, Tuesday afternoon. Modernistic tallies were used, and a refreshment plate consisting of congealed salad, rainbow sandwiches and chocolate ice box cake and coffee was served to the following guests and club members: Mrs. James J. S. Williams of Fort Worth, Peck Williams of Breckenridge, Tom Davis, Bert Welsh, C. V. Payne, and members Mrs. Lynn Pace, D. P. Ratliff, J. B. Post and the hostess.

**Piano Recital.**  
 The Closing Piano Recital of Mrs. Morrison's Intermediate and Beginner Classes will be given at the Magazine Club Library, Thursday Evening, May 22 at 8:15 o'clock. Friends are cordially invited to be present.

**Summer School of Music.**  
 Mrs. Geo. H. Morrison will begin her Summer Classes on Monday, May 25th. Those wishing to continue and those wishing to begin can see her at her studio or call 420.

**Music Week Celebrated By Mrs. Morrison's Class.**  
 The celebration of Music Week by Mrs. Morrison's Music Class at High School this week was enjoyed by those present. The girls played well.

**McCollum Honored.**  
 Nettie McCollum entertained friends Tuesday night in honor of her brother, McCollum, who is home for visit from Washington, D. C. pink and green motif was carried throughout the tallies and menu. A salad plate with an egg served, and cut flowers were favors to the following: Mrs. Emme Daugherty, Helen Lewis, Manly Eunice, Mrs. Margaret McCollum, Mrs. Emily Menefee, Dr.

 Mother of Mine, Judd Mortimer Lewis, Charles Foote.  
 Invitation to the Dance, Wagner—Annabel Burt, Edith Foote.

**The Berean Class, "The Class of Southern Hospitality."**

Last week the writer could have written indefinitely because of the inspiration offered him by the fair visitors. But that spoiled him and this week his thinking apparatus refuses to function.  
 Now that blank look you see on the writer's face is not due, by any means, to any inactivity on the part of the members of the Berean Class. Far from it, for they are just as active as ever if not a little more so, since they established the weekly business meeting.

But you have already agreed with me that the Bereans are fast guys—too fast for you to keep up with. So it occurred to me to wonder what I should write this time. And I'm still wondering.  
 The subject of our lesson next Sunday is, "Who Is a Good Citizen?"

It is taken from Matt. 22:15-22:34. Come and enjoy a good discussion. We all realize that the primary purpose for attending Sunday school is not to hear the teacher but to learn more of God's word. But we insist that a good teacher is very essential. And we believe that we have one of the best. Mr. Conner is just one of us boys, and if you'll come and hear him once you can't keep away.  
 Now you Bereans who were in class last Sunday each one of you bring one person with you, who was not there and let's prove that we're our rights to the title of "The Class of Southern Hospitality."

There are 66 kinds of insurance we write from fire to windstorm.

**"Things I Ate Hurt Me"**

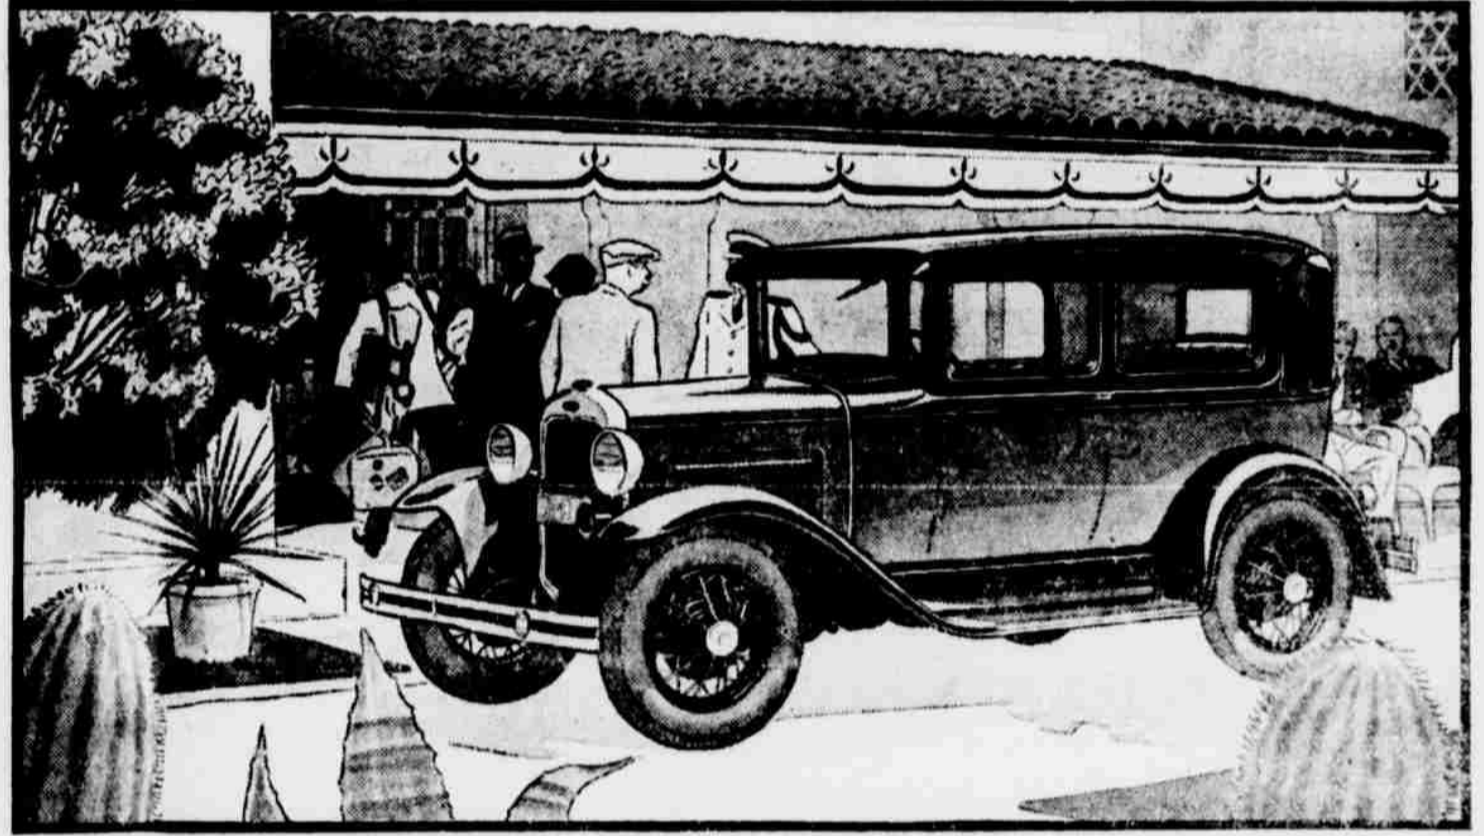

"I HAD a severe case of indigestion," says Mrs. Bell Buckheister, 7 River St., Piedmont, S. C. "So many things that I ate hurt me, I almost quit eating.  
 "I would burn in my chest. I had severe headache, and such a tight, smothering feeling. I would be obliged to eat a little, then it would hurt me.  
 "A friend said to me: 'Why don't you take Black-Draught?'  
 "I was just too weak then to do my work. I began taking small doses after meals, and in just a few weeks I could eat anything I wanted to, then take my small dose of Black-Draught and feel fine. I soon regained my health and strength."  
 Costs only 1 cent a dose.

All prices f. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra, at low cost. Universal Credit Company plan of time payments offers another Ford economy.

### FORD MOTOR COMPANY

## TEST OF CONOCO'S GERM-PROCESSED TENACIOUS FILM . . .

**. . . Compared with Popular Oils at Pike's Peak . . . Reveals 76.4% Less Motor Wear! . . .**

We sincerely believe that this disclosure alone will cause you to begin using CONOCO Germ-Processed Motor Oil . . . such decided reduction in motor wear . . . such triumph over the savage attack of friction and heat . . . such positive supremacy over the oil you have been using, all have a definite appeal to your pocketbook and judgment.

Charts prepared from the Pike's Peak Test records indicate a longer life for your motor by lubricating it with Germ-Processed oil. Too, you will save substantially on your gasoline cost, and in oil expense, by using this oil. And the fact that Germ-Processed oil penetrates metal surfaces means, that after starting your car on a cold morning you can safely drive at top speed with less likelihood of damage . . . for CONOCO'S film is already on the job.

Less Carbon—Less Cost—More Mileage and Less Heating—More Compression. All these things mean a better all-around motor. It is truly unusual for a motor oil to so excel competition as CONOCO did in the Pike's Peak Tests. Tested out on the Pike's Peak Highway, scene of many famous automobile tests, was a memorable struggle for supremacy. . . . On the one side, three of America's representative and popular oils—on the other, Germ-Processed oil. And CONOCO Germ-Processed Motor Oil won, by all test applied.

Only CONOCO can make Germ-Processed oils. CONOCO can give you these new motor oil merits, including penetrative lubricity. We hope to serve you soon, at stations displaying the Red Triangle.

SEND NOW for the new Free Booklet which describes in detail the story of the Pike's Peak Tests. Illustrated with photographs and charts. Address Continental Oil Company, Ponca City, Okla., or at the station with the Red Triangle.

## TEXACO-ETHYL

### THE "DRY" ETHYL GASOLINE

The Texas Company announces that now Texaco, the original "dry" gas, is available with the Ethyl compound. It means the linking of two famous names in motor fuels to produce one of the finest premium anti-knock gasolines ever offered the motoring public—Texaco-Ethyl!

The Ethyl compound in itself cannot perform miracles. It's the gasoline base that makes the difference in Ethyls. The better the fuel you begin with, the better the resulting Ethyl Gasoline.

The *new* and *better* Texaco, the original "dry" gas that vaporizes instantly, *plus* Ethyl, *equals* the last word in automobile fuels. Texaco, the driest of dry gases, permits complete and uniform diffusion of Ethyl through the manifold into the cylinders. It creates higher standards of pick-up, power, speed and mileage for any car, old or new. This new premium grade is now available at Texaco Service Stations to all motorists who desire a superior anti-knock gasoline. Try it today!

### This Sturdy Chevrolet Six

## 1 1/2 Ton Truck \$520

f. o. b. factory, Flint, Mich. Complete with front bumper, full length running boards and rear fenders.

- 1 Six-cylinder engine—50-horsepower—combines remarkable smoothness, flexibility, power and economy.
- 2 Ball bearing steering offers a short turning radius of 23 1/2 feet and assures easy handling in restricted places.
- 3 4-speed transmission gives ample power for every condition of road or load.
- 4 Channel steel frame, 5 inches deep, 15 1/2 feet long, takes over-size bodies without excessive overhang. Chevrolet offers unusually low loading height.
- 5 The rear axle is bigger, stronger and has spiral bevel gears—easily accessible for inspection or adjustment, due to a detachable cover plate.
- 6 Four load semi-elliptic springs, mounted parallel to the frame, carry peak loads with safety, and provide better load distribution.
- 7 Rear fenders, splash aprons and full-length running boards are standard equipment on the Chevrolet truck and are included in the list price.

No matter what your business may be, bear in mind when you buy a truck that it's wise to choose a Six!

A six-cylinder engine runs smoothly—saving both the chassis and body from the harmful effects of vibration. It is more flexible in traffic. It requires less gear-shifting. And it maintains high speeds more easily.

The Chevrolet Utility Truck gives you all the superior titles of six-cylinder performance—for it is powered by a great 50-horsepower six-cylinder valve-in-head engine. And, in addition, it brings you all the advantages of modern design listed at the left.

Come in today and see this sturdy six-cylinder 1 1/2 Ton Truck. You can see for yourself why truck users are finding it's wise to choose a Chevrolet Six!

**A body type available for every business need**

Leading body manufacturers have developed, for the new Chevrolet 6-cylinder trucks, an unusually complete line of bodies available in various capacities, special designs and types to fit the needs of every business.

**It's wise to choose a SIX**

**IT IS REMARKABLE SAYS WICHITA LADY**

"I Suffered About 20 Years and One Half Bottle of Orgatone Has Completely Relieved Me," Says Wichita Falls House Wife.

"I sincerely think Orgatone is a wonderful medicine and wouldn't be without it for anything," said Mrs. J. Perkins of 201 Patterson, Wichita Falls, Texas.

"For Twenty years I have suffered from a terrible, chronic case of stomach trouble. I had such miserable, sick headaches, I would get blind and numb and simply wasn't able to stay out of bed. Every time I would get one of those spells I would have to quit my work."

Mr. and Mrs. Joe Riesing and daughter Miss Mary, of Rochester
