

THE ROTAN ADVANCE

Volume 56

Rotan, Fisher County, Texas Thursday, May 3, 1962

No. 12

Firemen To Make Annual Fishing Trip

Members of Rotan Fire Department will make the annual fishing trip during next week. They will be at Lake Stamford. First contingent of the party will leave Saturday morning to make camp, and other members will stagger their days during the week, leaving enough firemen in town for fire protection at all times.

Fishing conditions have been below par at the lake thus far, this season, but no doubt the Firemen will get them biting and bring home their usual good haul.

Primaries To Be Held Saturday

For the first time in Rotan's history both Republican and Democratic parties will hold primaries. Both will be held Saturday.

The Republican election will be at Primary School building, with voting from 8 a. m. to 7 p. m. Ballots were printed containing state and district candidates, but only county candidate is L. D. Singley for County Chairman.

Democrats will hold primary from 8 a. m. to 7 p. m. Northside box will be held at high school building with Melvin Clements as election judge. South box will vote at City Hall with W. B. McKimney election judge.

Precinct conventions will be held at each place at 2:00 p. m.

Mr. and Mrs. J. L. Feught and 2-months old son, David Hull recently visited her mother Mrs. A. A. Hull, enroute to California. Mrs. Feught is the former Linnie Pearl Hull.

Recent visitors in the Joe W. Little home were their children, Gayleta of Hardin Simmons University, Loran of Tarleton State College and Mr. and Mrs. Wayne Holcomb, Steven and Julia of Hamlin.

Mrs. Ralph Chames, Becky Beth and Ralph Edward spent the week with the Ed Aldridge family. Mr. Chames came for them Saturday and the returned home Sunday.

Interest Building In Paving Project

Considerable interest is developing in the proposed residential district paving project.

The proposal announced last week is for 111 blocks of new paving and 47 blocks of resurfacing.

Much survey work has been done to ascertain the expense of the project, and the entire plan seems very desirable. The plan is on voluntary basis and carries a 5 year payment plan for property owners where desired.

The map on this page will help property owners to determine how they would be affected with regard to location of streets to be paved.

The entire drainage of residential section would be greatly improved if the project is completed, in addition to modernizing the town.

Posse Members Attend Ft. Worth Round Up

Mr. and Mrs. Lon R. Weems attended the annual Sheriff Posse and Riding Cub Round Up in Fort Worth last weekend. They were accompanied by their daughter Lois McFaul of Sweetwater. They also visited their children, Mr. and Mrs. Rex Rollins at Azel and Mr. and Mrs. Bernard Weems at Springtown.

Other members attending the Round Up from here were Mr. and Mrs. O. R. Clark and Mr. and Mrs. Bill Cade.

U. S. Savings Bond sales in Fisher County for March was \$4,234 according to Lance Davis, County Chairman. This is 38.5 percent of the 1962 goal of \$80,000.

C of C Membership Drive Is Underway

Annual membership drive for the Chamber of Commerce opened Tuesday, following directors meeting that morning. An active year is planned, and with the current building program over town, together with the proposed paving, there is much work to be done.

Many citizens do not realize that a C of C is vital to a growing town, but you will not find a town that is progressing that does not support a Chamber of Commerce.

Financial statement given Tuesday morning showed \$1848.75 collected last year as dues with 127.75 on hand. Principal expense last year was the major repair program on labor camp and maintenance. The following list of expenditures are given: Labor Camp Repair, concrete floors, partition etc, \$741.26; Labor Camp maintenance and caretaker, \$368.99; First Bale of Cotton Premium, \$50; Rotan Fire Department Christmas Fund, \$25; West Texas Chamber of Commerce Dues, \$25; PTA District Convention, \$123; Rotan Jaycees Sign Project, \$50; Clean Up Week expense, \$20.25; Girl Scouts, \$10; Advance to Hospital and Rest Home, Printing and Stationary, \$227.25; Fire Department District Convention, \$25; Gann's Cafe, Directors Meetings, \$55.

If you are not contacted for 1962 membership, you are urged to call one of the directors or notify secretary or the Advance.

Mr. and Mrs. Homer Hines. Mr. and Mrs. Olen Cheyne and children Ray and Myra were in Bluff Dale Saturday for the cemetery working at Wesley Chapel.

TO THE PEOPLE OF FISHER COUNTY:

On May 5 you will help select the next Judge of Fisher County. I take this method of soliciting your vote and support in that election.

In the event of my election to a second term in this office, I pledge myself to a continuation of that policy.

TO THE EDITOR:

This letter is written in interest of good government for all of us. I am a small town merchant and small county and I know the problems of other small businessmen all over Texas. Most all of us depend on farmers and rancher trade to keep our doors open and do most of our business work. Since we have no industries in small towns and payrolls and most small counties have been getting smaller in population and most our merchandise comes from other states where they have industries and in addition to our work we have another job—to collect that onerous, crazy sales tax on poverty. There is valid reasons not to levy taxes on natural gas produced in Texas and most it used by the states at tax free. Instead of taxing us at home with this sales tax on top of what we are now paying on homes and farmland. A 1c per 1000 cubic feet of gas will balance the budget and pay the elder citizens a recent and higher pension and more money for teachers. Yarbrough is the only candidate in race opposed higher sales tax on necessities of life and he favors a tax on pipe line of natural gas, it will be paid by other states.

And I do believe that we need a new face in governor's office. Don Yarbrough is the only man in race who has never held any office before and is not connected with any of Austin or Washington political machines. He is with a sound judgment a self made man, son of a sharecropper farmer, good trial lawyer. He worked his way through college, served three years in U. S. Marines in Europe and Pacific zones; good moral character. He has the vision of youth and his program to help bring industries to Texas to provide jobs and for better educational and college opportunity for our youth and for better

years.

The couple will reside in Abilene to continue their studies at ACC.

old age assistance. Since Texas treasury is in the red for 90 million a change won't hurt. Let's try Yarbrough once, we can't lose.

My only interest is for good government, not selfish.

Respectfully, Cecil Lotief.

Mr. and Mrs. Lehman Newton of Snyder and his mother, Mrs. L. E. Newton went to Dallas Sunday to see Mr. and Mrs. Maurice Young and their children. Mrs. Young is critically ill.

Mr. and Mrs. Bill Gray spent the Easter holidays with their son and family, Mr. and Mrs. Billy Wayne Gray in Stephenville.

Mrs. H. B. Robertson returned to her home in Merkel Thursday after visiting Mrs. Phil J. Malouf and other friends here several days.

Mr. and Mrs. O. R. Nowlin and Mrs. Ivy Jones went to Fort Worth Friday night in response to a message that their sister Mrs. George Bailey, who has been quite ill for some time was in a critical condition. Mrs. Nowlin remained in Ft. Worth with the family and Mr. Nowlin and Mrs. Jones came home Sunday night.

Missionary To Preach At First Methodist

Rev. Kjell Knutsen, a Methodist Missionary who will be returning to Malaya to continue his work at the end of May, will bring the sermon at First Methodist Church Sunday morning. The service will begin at 10:50 a. m.

(Rev. Knutsen and his family have been serving in Malaya since August 1951, and returned to the United States several months ago on furlough for study and rest.

Kjell, born in Oslo, Norway, into a Methodist parsonage family, did undergraduate work in Bergen and Oslo before coming to the United States in 1947 as a Crusade scholar, a work supported by the Woman's Society of Christian Service of the Methodist Church which enables foreign students to study in the United States. He studied at Garrett Biblical Institute, Evanston, Illinois, when in 1949 he received his Bachelor of Divinity degree, followed in the same year by his Master of Arts degree.

Mrs. Knutsen, the former Margynel Bynum, was born in Snyder, Texas. She and Kjell were married in Odessa in September of 1949.

After a year of orientation studies at Hartford, Conn., the two were commissioned as Missionaries in June of 1950. They served a year in Norway under direction of the Board of Missions, then moved to Malaya in August of 1951.

Kjell has served as a pastor, district superintendent, director of Youth Work, director of Christian Life Service Retreats, and as the Methodist Liaison between the Government Department of Education and the Church.

Mrs. Knutsen has served as Superintendent of Girls Hostel and as manager of the Methodist Kindergarten work.

The couple have three children: Lester Bailey, 9; Andrew Christian 7; and Bernhardt Alf, 4.

Methodist Churches of the Carlsbad district of the New Mexico conference and St. Paul's Methodist Church of Amarillo share in the support of the Knutsens.

School-PTA Lauds Long Time Patrons

The Rotan Schools and Rotan Parent and Teachers Association wish to give honor in voice and print to the school patrons who have no children in public school after this year, but for 20 years or more have given so much cooperation in all school affairs including PTA: Mrs. W. A. Shope has had children and grandchildren to help see they are in school since the early 1920's, with no let up, with 6 graduating from Rotan School. Mr. and Mrs. W. P. Curry have had children in Rotan School since 1927. Not many patrons have ever beat this record in Rotan. Others mentioned are, Mr. and Mrs. Allen Barnes, Mr. and Mrs. Fred Byerly, Mr. and Mrs. Richard Ray.

So, hats off to these parents that have 20 to 40 years in our public schools. Citizens like these make better community.

On Screwworm Activity County Agent Reports

County Agricultural Agent James S. Norman reports that because of extremely favorable weather conditions for screwworm activity, screwworms have spread into Central and West Texas, most of the counties in the Edwards Plateau and about half the counties in the Trans Pecos area. Screwworm cases have been reported in Scurry County.

Norman says that plans are being made to expand the sterile screwworm fly release area to include most of the infested area. The majority of the sterile flies being produced will be released in a barrier zone which will encompass the northern edge of the screwworm infested area.

Norman encourages all livestock producers to inspect all livestock regularly, to treat all wounds promptly, and to collect ten or more worms from deep in the wound and bring them to his office. Norman points out that the more screwworms that are killed by chemical treatment, the fewer sterile flies will be required to overwhelm the native flies.

Mr. and Mrs. Wayne Poer and Lynna Lou visited Rev. and Mrs. Mervin Tennyson and family Wednesday night and Thursday in Eunice, N. M.

Visitors in the Frank Aaron home last weekend were Mr. and Mrs. Jesse Paulk and daughters of Buffalo Gap and Mr. and Mrs. Bill Aaron and daughters of Snyder.

Voters To Choose

--Texas Tax Journal.

"On May fifth Texas voters will vote in the first primaries for both the Democratic and Republican parties, to register their choice of public officials for the next two years, from Governor on down to the precinct level. At present the citizens of Texas are being delected with candidate appeals, through every medium of communication range from common sense to the ridiculous.

What the voters should always keep in mind is that by their vote they are electing a person to function as one of the Board of Directors in government, regardless of whether it is at the National, State, County, City or Precinct level. At all these levels of government, revenue is an all necessary requisite, and for what purpose and how this

tax revenue is expended, should be of the utmost concern of every voter.

Texas as a state will have many grave decisions to make in the next two years. These decisions will be made by your elected officials. Will these decisions be made in conformity with the taxpayers' ability to pay for them, or will Texas embark on another orgy of spending, spurred on by the minority groups that fatten at the public treasury?

While very little mention is ever made for additional expenditures during the heat of a political campaign, strong forces are ever alert and at work for those candidates that favor additional spending for their pet projects, to the serious detriment of the taxpayers.

All citizens of Texas who have a poll-tax receipt or a voter's exemption certificate should cast their votes for the candidate of their choice. You owe it to yourself and

for the welfare of our state to vote for the most qualified men and women that can be elected, for upon their efforts and decisions will rest to great extent, the future of Texas and the nation.

It has been very tritely said that "Poor public officials are often elected by good people who did not vote" and along this line should be remembered that your vote does count for many elections have been decided by a one vote margin. The results of May fifth will be awaited with interest."

Mrs. Doyle McSpadden, Tina and Chipper of Uvalde, Mrs. Bert Rushing and Mrs. H. T. Fillingim returned Friday from Dallas where Mrs. Fillingim had a check up by a specialist. They also visited the family of Dr. Stanley Gilbert. Mrs. McSpadden and children returned to their home in Uvalde Sunday.

Seniors Honored With Bar-B-Q

Four Senior boys stole the social limelight from the girls when they were named as honorees at a Bar-B-Q given for the Senior Class of Rotan High School, Saturday night, at the ranch home of Mr. and Mrs. Roger Smith.

The honor guests were Stan Brown, son of Mr. and Mrs. Ray Brown; David Patton, son of Mr. and Mrs. E. N. Patton; David Baugh son of Mr. and Mrs. Sam Baugh; and Kenny McCasland, son of Mr. and Mrs. K. C. McCasland.

Featured as decorations were lanterns and diplomas swung from the entrance gate to the patio where the tables were laid with brown cloths bearing the bands of local ranches. Hurricane lamps centered the tables. The guests registered on a painting depicting a western scene done by Mrs. Smith. The painting was then presented to the Senior Class.

After dinner the guests enjoyed various games.

Assisting Mr. and Mrs. Roger Smith were Dr. and Mrs. Frank Johnson and Mr. and Mrs. Jack Patton and Carroll Ann.

Added guests, in addition to the

parents of the honorees were the Senior Class Sponsors, Mr. and Mrs. Earl Martin, Mr. and Mrs. Tommie Watkins, Mr. and Mrs. Rufus Goodrum and Mr. and Mrs. Baugh.

Miss Mamie Ashley has been very ill in the Roby Nursing Home the past few days.

* VOTED NOT to even consider or listen to proposals for saving YOU the taxpayer \$30 Million a year! This was at a time the State was almost \$100 Million in debt. See page 85, House Journal of July 18, 1961.

* LED FIGHT AGAINST Farm-to-Market Road Program which was supported by the Farm Bureau, the County Judges and Commissioners Association, the Texas Good Roads Association, the Texas Good Roads Association and endorsed by the Highway Commission. See page 122, House Journal of Jan. 15, 1962.
