Mr. and Mrs. H. F. Grindstaff attended to business in Sweetwater Saturday afternoon

Mr. and Mrs. Joe Kiker visited in Austin last weekend and Mrs. Kiker remained to be with her daughter who is to have surgery.

Mr. and Mrs. Jimmy Blount of

Odessa spent Saturday night and Sunday with his mother, Mrs. Flora Blount.

An optimist has the ability to spot the silver lining on the other fellow's cloud.

The man who is his own worst enemy is sure to lose his friends sooner or later.

Prizes Offered In Photo Contest

The time is almost here for the opening of the big Child Photograph Contest.

Winston B. Lucas of Irving, Texas will be in Rotan on Tuesday, October 30, at Hughes Furniture, from 10:00 a. m. to 5:30 p. m. for the purpose of taking pictures in this vicinity. In addition to having their pictures printed in this newspaper, the children will be competing for \$20.00 in prizes, which are being offered for the three best photographs made during the day.

The photograph will be made absolutely free of charge, and there is no charge for their publication in the Rotan Advance. Proofs will be shown and from these you may select the picture of your child which you would like to appear in this newspaper. If you wish extra photographs they may be purchased, but no purchase is necessary in order to compete for the prizes. It is entirely up to you whether you buy pictures or not.

There is no age limit on the contest and every child's photograph in this section is wanted so that they may appear in this paper. However, it is necessary that all pictures must be of uniform size, so they must be made by Winston B. Lucas in Tuesday, October 30th, 10 a. m. to 5:30 p. m. at Hughes Furniture.

Don't wait until little Mary gets married or baby brother is elected to some political office to see their pictures in the paper—make plans now to have these photographs made on Tuesday, October 30th. Tell your friends and neighbors—the more, the merrier.

Vents Remove Moisture From Homes

The approach of cool weather means harvest time, hunting season, and warm glowing fires and heaters. And heaters and open flames mean the return of the annual problem of sweating walls and windows, according to W. S. Allen, extension agricultural Engineer, Texas A&M College.

A considerable amount of moisture is given off when open flame heaters are burned, he says. When this moisture contacts a cold surface it condenses to a liquid state, the sweating you see.

To solve this problem all gas stoves, floor furnaces, central heating systems, gas refrigerators, dryers and water heaters should be vented, Allen says. "This can best be done in a new house when it is built or when an old one is remodeled, but it is sometimes possible to vent space heaters through a closet or old chimney. But some condensation will still occur if the open flame type heater is used.

Allen also suggests the use of good insulation when new homes are built and where practical it can be installed in older houses.

Properly venting of stoves, clothes dryers, water heaters, sinks, dishwashing areas and shower areas will solve the moisture problem in many homes. Check your appliances today to see if they can be vented to prevent mildew and sweating in those areas of the house where excess moisture occurs, says Allen.

Mrs. Hub Gootsby spent the weekend in Abilene.

H. L. Davis, Mr. and Mrs. Bruce Campbell and Mrs. Fred Byerly went to Dallas Sunday to attend market.

Mrs. George Kiker and Mrs. Guy Patterson visited in Lubbock last weekend.

A good reputation, like good health, is never fully appreciated until it is lost.

CARD OF THANKS

All of the kind words, the beautiful flowers, and the food that was brought make us humbly aware that we are so fortunate to have so many wonderful friends. Your many deeds have made the loss of our beloved Mom so much easier to bear.

Mr. and Mrs. W. D. Eades and children.

According to public relations division of State Fair of Texas, David Canfil and Jimmy Heathington were among recent visitors from Rotan.

Mrs. J. P. Cyphers returned home Friday night from Fort Worth. Her mother, Mrs. W. H. Nowlin remained for a longer visit with her sister in Fort Worth.

Mr. and Mrs. Bill Hardy and grandchildren Kaye and Shane visited Mr. and Mrs. O. B. Blevins at E. J. More City, Okla., over the weekend.

Mrs. Ellis Locke of Miami visited her parents - Mr. and Mrs. H. C. Shelton. She returned home with her Wednesday for several days visit.

Mary Lou Goodwin spent the weekend in Lubbock visiting with Miss Peggy Hammit, Mr. and Mrs. Doyle Ford and Bubba Edwards.

Don't be asamed of being with the majority - every majority was once a minority.

Our Girl Scouts Need Adult Leaders

"1. Believe In God, 2. Be of good charter, 3. Have a genuine liking for girls, 4. Have some spare time." These are the requirements for a adult Girl Scouts. There are several vacancies which need to be filled. 1. Leaders and Co-Leaders. Each troop needs a leader and a co-leader. They can not leave the Scout Hut or the grounds safety wise unless there is. 2. Troop Committee. In addition to the troop leaders, each troop needs a troop committee to register with the troop. Their job is to be responsible for parents meeting, do necessary telephoning and organize the needs of the troop. 3. Neighborhood chairman. This is a responsible position and should be considered as such. The purpose of the job is to keep Rotan Leaders informed of the District, Council and national reports. She will attend one meeting per month in Sweetwater and in turn will hold one meeting per month with the Rotan leaders. She works with the neighborhood troop, organizer and consultant. These three make up the Service Team. They work with adults, but with the interest of the girls to the community, their needs, etc.

These are some of the positions which needs to be filled if Scouting is to go forward in Rotan. There are girls thriving to go forward in Scouting. Visit their troop meeting, hear them talk of their experiences they have had now, their ideas and suggestions they have now for themselves, their Scout Hut and the grounds and to the town. Trying as hard as we can, with just a few leaders as we have we can not handle the Girl Scouts in Rotan as we should. Perhaps if we couldn't fulfil the above, you as a Lodge, club or any organization could sponsor a troop. As a sponsor you extend opportunities and stability to a troop.

What the girls needs most is to know there is some one sharing their ideas and experiences. We have several copies of the Sponsorship Agreement Plan that we would like for every Organization, large or small, to read and study its contents.

You do not have to have a girl in Girl Scouts to be a member of the Adult Girl Scout Organization. If you can see that you can help in any way or know anyone that can, please call 4734 or a Girl Scout Leader, please.

CHILDREN'S PHOTO CONTEST

PRIZES TOTALING \$20.00

- 1st-\$9.50 Large Bronze Portrait
- 2nd-\$5.75 Sepia Tone Portrait
- 3rd-\$4.75 Portrait

Pictures Of Every Child Photographed
Will Be Published In
The Rotan Advance

EASY TO ENTER—Simply have your child's photograph taken by WINSTON B. LUCAS PHOTOGRAPHER at NO COST to you. They will show proofs from which you may choose the pose you wish entered in the contest and your child is automatically entered; and at this time you may order photographs for gifts or keepsakes if you wish. (Postage and handling 25c) but this is entirely up to you. WINSTON B. LUCAS, of Irving, an expert child photographer, will be here to take pictures, with all the necessary equipment to take nice portraits for this exciting event. There is no age limit to this contest — even the tiniest tots enjoy being photographed by our photographer.

YOUNG'S MARKET

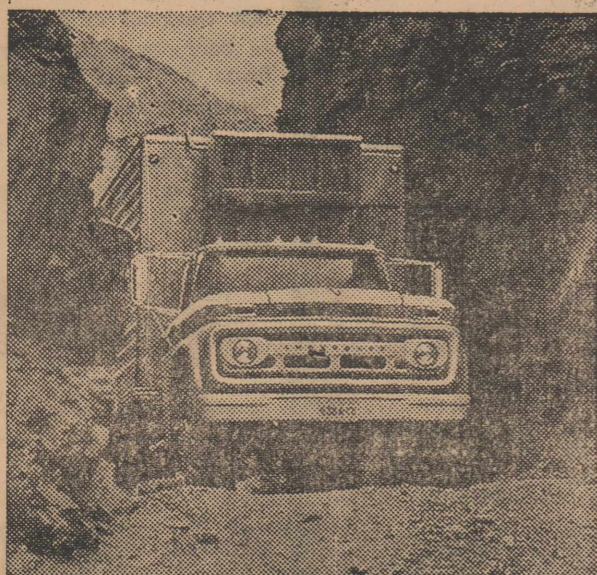

Demonstrating new '63 Chevrolet truck features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coil-spring independent front suspension —easier on truck, load and driver.

Users of new conventional medium- and heavy-duty units who have to operate in close quarters are going to like the narrower front ends (up to 7 inches).

New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'hah) Peninsula?

This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.

THE "NEW RELIABLES" FROM CHEVROLET

Quality trucks always cost less

See the "New Reliables" now at your Chevrolet dealer's!

COTTON CLASSING

cal supervisors and on the final link at Memphis, Tennessee.

This, briefly, is the picture of supervision.

The market activity picked up a little last week. Cotton selling, was averaging 25 to 50 points above the Comodity Credit Cooperation loan support price. Some of the average prices quoted were: Middling Light Spot 15-16, 30.48 and 31-32, 30.19; Strict Low Middling Light Spot 29-32, 29.04 and 15-16, 29.50; Low Middling Light Spot 15-16, 28.30; Middling Spot 15-16, 29.04; Strict Low Middling Spot 15-16, 28.19; Low Middling Spot 15-16, 27.05.

The classing office classed a total of 22,403 samples last week. This brings the season's total to 66,742 at the close of business on Friday. Two additional classers were added last week in order to keep current with daily receipts. This brought the total classing staff to eleven classers.

Letter To Editor

On the sixth day of next month we will again vote on our State Officials, and everyone should vote for this could very well be the last time the people will be allowed to elect a Governor for the perspective state.

John and his brother Bobby and their fellow one worlders may see fit to put a stop to this old antique custom of electing a Governor and just appoint one for life. If John succeeds in getting a rubber stamp Congress and Senate sent to Washington there will be no one to stop his Frontiers from setting a pace for Nikito and Fidel to follow.

It may not do any good to elect Mr. Cox, instead of their YES boy, but lets elect him and see what the Kennedy dynasty proposes to do about him.

This is written by a Democrat, or maybe I should say an ex-Democrat. I think my father, grand father and great grandfather all voted Democrat. It would be interesting to know just what they would think if they could see and know just what two brothers can do with the Democratic Party. Those old boys believed in a free country and free people, and what a man earned was his to do with as he saw fit. Today, half his earnings belong to the government. Twentyfive percent to the State City and the other twenty-five percent is his to keep except what the United Fund feels is their part.

Now it wouldn't surprise me if Bobby has his mrashall take me or any other anti-communist to Springfield, Mo., and have us locked up without a count trial. We would be considered crazy. We all know our father would not approve of this kind of Democracy. Small wonder they would become Republicans today.

Hub Cole.

Mr. and Mrs. D. E. Stephens of Abilene visited Mrs. Hal Burrow and Mr. and Mrs. Love Blevins last weekend.

Leroyce Brantley returned home Monday from Hendricks Memorial Hospital in Abilene where he had major surgery. He is recovering nicely.

Mr. and Mrs. Roy Carter and children of Snyder spent the weekend with Mr. and Mrs. C. C. Carter.

Hank and Bruce Martin spent last weekend in Dalas with Dolores Schmeltekopp. They visited the State Fair and attended SMU-Rice football game.

Mr. and Mrs. Ray H. Murphy of Hardy, Arkansas spent Monday night with Mrs. W. W. Ogden and Maebell.

Mr. and Mrs. Cecil Heartsfield visited Mr. and Mrs. Nig Hartsfield and Mr. and Mrs. Chester Hartsfield Tuesday.

Sterile Fly Fund Drive Quota Near in County

The Fisher County Animal Health Committee met Thursday night, October 11, an elected officers for the new year. Roger Smith was elected chairman, W. J. 'Dub' Harvey, vice-chairman and James Cave, Secretary-treasurer.

Slides on the sterile fly plant at Mission and other phases of the screwworm eradication program were shown.

Livestock producers and sportsmen are faced with the responsibility of raising approximately \$1.3 million of \$3 million set up by South-western Animal Health Research Foundation, to begin the eradication program last February. An intensive campaign is being carried on this month to reach this goal.

Fisher County has already contributed \$4,783.45 of its original quota of \$5,973.00, according to Smith. Also, he says those livestock producers and sportsmen that have not already contributed are being asked first.

The committee reports the following have contributed in Fisher County: Tom Mahaffey, Barton Willingham, Roger Smith, Ted Mar-

chant, Richard Floyd, James Cave, B. K. Newhouse, Sterling Willingham, R. T. Williams, L. H. Milner, L. D. Singley, Dave Posey, Rush Callan, T. C. Justice, L. P. Henderson, J. C. Cave, Dale Cave, English Dooley, B. S. Wright, M. L. Hayes, J. A. Nettleton, Ivey Jones, Andrew Williams, E. M. Hicks, Glenn Ushaw, J. P. Phillips.

Mrs. Arah Johnston, Ed Aiken, Glen Webb, Mrs. H. C. Clark, W. J. Arpe, B. R. Neel, Walter F. Perker, S. F. Whiseant, John T. Bostick, W. B. Etheredge, Clyde Nunn, Kaufman Florida, Mack Blair, C. D. Albert, Keystone Ranch, J. T. Sandenfer, W. M. McCain, Raymond Cockran, W. P. Martin & Son, Newman Industries, Fred H. Turner, W. M. Turner, J. W. Turner, W. J. Harvey, Est., Theta Kearney, George Cross, Robert Scott, Billy V. Thompson, Alice Cross, Johnny Ammons, F. A. Wright.

R. C. Neeper, Robert Buck, Thurman Terry, Jerry Crowley, O. R. Burnham, D. K. Kelly, F. L. Mitchell, Walter Cleveland, Earnest Webb, Frank Mitchell.

Richard Ray, Robert E. Deaton, Bill Owens, Lynn McGlothlin, T. D. Whitten, Raymond Blackwell, J. E. Bugg, L. G. Headrick, Jr., B. F. McGee, M. E. Kolb, E. H. Tompson, L. G. Headrick Sr., D. L. Lovett, Oris Reynolds, Emmett Cave, Dalton Moore, W. H. Watson, W. P. Schubert, H. T. Schubert, H. T. Neves, A. J. Hill, A. J. Cook, D. Sharrock, Bill Harvey, Aubrey Burrows, O. R. Yoakum, R. G. Brazelton, Mrs. J. M. Lanning, William L. Mitchell, J. W. Utley, C. B. Johnson, Wheeler-Wickham Ranch, J. L. McKimmey, Fred Goad, Emmett Lefors, Kermit Terry, L. L. Stuart, Mrs. Lee Rasberry, R. D. Weems, Eugene Cleveland, W. Denton, N. D. Miers, J. W. Helms, A. P. Kennedy, Rotan Bank, J. O. Roberts, Truett Strickland, David Klepper, Holly Tolar, Ray Adams, Bryant Hefferman, Bickerstaff, W. L. Boyd, R. J. Robertson, Elmer Hawkins, G. A. Daniels, C. B. Carter, W. B. Hale John Ferguson, W. E. Hale, J. O. Hudnall, T. L. Baker.

Mr. Hardin, G. L. Nettleton, Mr. Sharrock, W. T. McCright, W. D. Rushing, J. S. Faught, E. C. Carriker, and O. L. Rackley.

Those who have not been contacted and want to help keep a good program from falling through may deposit their contribution at the Citizens State Bank in Roby or at the First National Bank in Rotan in Fisher County Screwworm Eradication Fund, said James Cave, Treasurer.

Mothers! Don't cook and wash dishes next Wednesday night. Bring the family to the Halloween Carnival and eat supper with the Jaycees-Ettes.

Don't be speak? Eat supper with the Jaycees-Ettes on Halloween night at the Jaycees Carnival. Delicious goodies for ghosts and goblins of all ages!

Polk-Strickland Engagement Told

Mr. and Mrs. O. M. Polk of Rotan announce the engagement and approaching marriage of their daughter Barbara Estelle to Harvey Lee Strickland, son of Mr. and Mrs. Truett Strickland of Rotan.

The couple will be wed November 2.

The bride-elect is a 1960 graduate of Rotan High School and attended Commercial Business College in Midland. Strickland attended Rotan High School, served 4 years with the U. S. Navy and is now employed by Natinoal Gypsum Co., in Rotan where the couple will make their home.

Thanks

The Jaycees take this opportunity to thank the community for their unselfish response to the recent Light-Bulb Sale.

Over \$110.00 was turned over to Local Boy Scout Troop 133, as the result of the sale and will be used to purchase much-needed permanent camping equipment.

Jaycees and Scouts appreciate your backing of this worth while effort to encourage initiative, independence with cooperation, and promote patriotism among our youth.

SUPER TORQUE FORD GALAXIE AT YOUR FORD DEALER'S TODAY!

Talk about lively... it's got the look, the power, and now the feel of the Thunderbird!

If you like your pleasure bold and lively, you won't need a second invitation to discover this beautiful new Galaxie with super torque. What is super torque? It's the satiny thrust you get when up to 405 Thunderbird V-8 horsepower (optional) is put to work in an efficient new way that's Galaxie's alone. Add the Thunderbird velvet of a new ride developed at a cost of \$10 million, and the going is so smooth you must feel it to believe it! And, like all new Fords* for '63, our glamorous Galaxie has all the money-saving, service-saving features that cut your service stops to twice a year or every 6,000 miles. So see it soon. In fact, see all 44 lively new models for '63—big lively Ford Galaxies, middleweight Ford Fairlanes, compact new Falcons!

NEW SWING-AWAY STEERING WHEEL!

Until now, a Thunderbird exclusive! The steering wheel moves to the right a full 9 inches to make getting in or out easier. The wheel and steering column can be moved only when the transmission selector is in "Park" position. With the selector lever in other positions, the column is locked securely in driving position. Available in any Galaxie equipped with power steering and an automatic transmission.

personal extension phones

SAVE MOTHER'S TIME, ENERGY AND DISPOSITION

Personal extension phones bring the calls to her, where she is—kitchen, bedroom or family living area. Save her steps, actually help her do two things at once (call the cleaner while she looks after baby). At night she enjoys the security, privacy and peace of mind of a phone at her bedside. And personal extension phones come in colors to suit every mother's good taste.

Who needs extension phone service most?

Families that make or receive five or more calls a day.

Families with one or more members active in school, church, civic or club work.

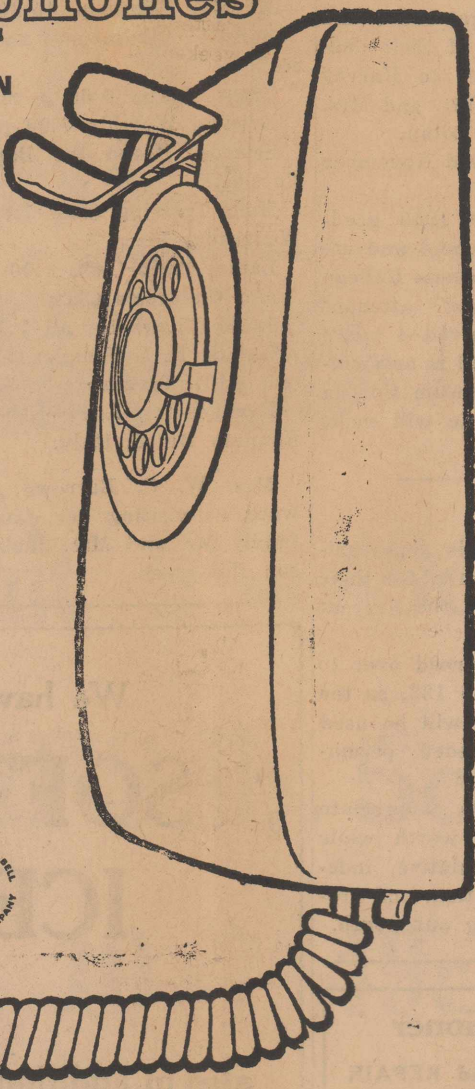

Families with active, popular teenagers or young adults.

If any of these conditions fit your family, the chances are you need extension phone service.

To order your personal extension phones—Princess, wall or table models—call the telephone business office, or ask any telephone serviceman. Why not order yours today?

Classroom Teachers Met At Junior High

The Rotan Classroom Teachers Association met Monday afternoon, October 22, in the Junior High School Building with Primary School teachers serving as hostesses.

Mrs. J. R. Strayhorn, president, presided for the business session.

Recommendations were made by special committee chairmen and plans were completed for the annual CTA banquet to be held in the School Luncheon room on November 6 at 7:30 p. m.

Mrs. Charles McCall, program chairman, previewed programs for the year which focus on the theme; "The Classroom Teacher --- Builder of Tomorrow's Citizens". She then introduced Mr. C. J. Dalton, Fisher County School Superintendent and veteran educator, who spoke on; "A Professional Teacher Develops Better Citizens".

Mr. Dalton stated that all of us

should realize that progress --- whatever improvements come in the way of school buildings, materials, equipment, curriculum, etc. depend upon professional spirit and professional attitudes, and that pride is the most important thing in our profession --- pride in accomplishment stimulates us to even greater performance and higher standards in teaching. "The citizens of tomorrow depend on, or are the result of, good teaching today --- back of each successful business or professional person there have been teachers who helped them develop into the responsible citizens and successful doctors, lawyers, engineers, or workers they have become," he concluded.

Mrs. Strayhorn reported that she and Mrs. Witherspoon had represented the local organization in the regional conference jointly sponsored by CTA and TSTA in Lubbock on October 13. She encouraged teachers to participate in these professional meetings and to con-

tinue to work for improvement in education.

The purpose of these workshops are to: inform classroom teachers of current trends in education, to promote discussion and possible solution of educational problems, to improve curriculum and teaching on all levels, demonstrate good teaching procedures, and promote professionalism.

Rector Gets Special Training In Germany

Grafenwohr, Germany (AHTNC) -- Army PFC Marvin D. Rector, whose wife, Iva, lives on Route 1, Bradfordsville, Ky., recently completed eight weeks of intensive field training with other members of the 4th Armored Division at the Seventh Army Training Area in Grafenwohr, Germany.

The training included day and night tactical exercises emphasizing mobility and chemical, biological and radiological warfare. An es-

sential part of the training is range firing individual and crew-served weapons including the Army's new M-60 machinegun and the 105 and 120-millimeter tank guns.

The 4th, a major element of NATO forces in Europe, plays an essential role in maintaining world peace.

Rector, a parts clerk in Battery C of the division's 78th Artillery in Craillsheim, entered the Army in October 1961, completed basic training at Fort Carson, Colo., and arrived overseas last March.

The 23-year-old soldier attended Rotan High School.

His parents, Mr. and Mrs. Thomas W. Rector, live on Route 2, Roby.

Christian Science Service Sunday

An assuring message about immortality will be brought out at Christian Science services Sunday in a Lesson-Sermon on the subject "Probation After Death."

Opening the Responsive Reading will be these verses from the Bible (John 14): "Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there

The Rotan Advance

Thursday, Oct. 25, 1962 No. 37

ye may be also."

One of the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 487): "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality."

Mrs. Ira Ivison of Snyder visited Mrs. Flora Blount several days last week. Mrs. Blount went home with her Wednesday and visited until Saturday.

West Texas Utilities Company maintains a laboratory and a full time chemist in each of the power plants to check the chemical content of water used by WTU. Chemical content of the water helps to determine the frequency of equipment overhauls.

Boilers, turbine blading, cylinders, piping, steam inlet valves, condensers, water pumps, and much other operational equipment is impaired by chemicals in the water. Close laboratory control of water conditions can prevent equipment breakdown before it happens. This is just one of the many maintenance procedures by WTU to assure you a continual flow of electrical power!...

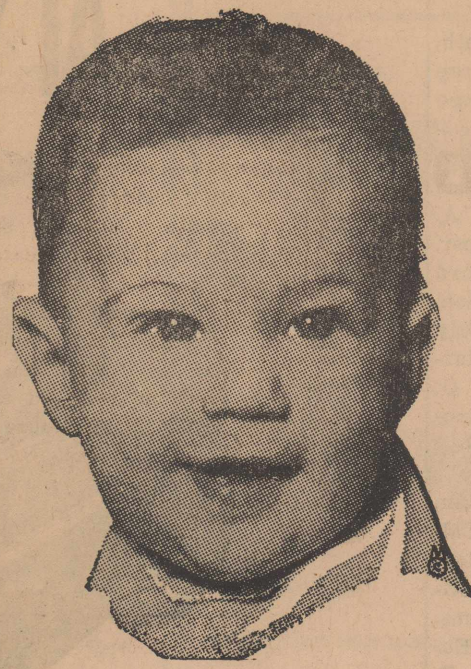

HELPING YOU LIVE BETTER ELECTRICALLY!
