POST HOME DEMONSTRATION CLUB MEETING

January 31 at two o'clock the Post Home Demonstration Club met at their club room with Miss Genn.
The very interesting lecture on the

"Livable Living Room" was enjoyed by all members and the picture illustrations were very much admired.
The Post Club will enter the Garden Contest both as a club and as individuals using Hastings seeds.
The president Mrs. Elmer C. Watson resigned and Mrs. Ray Overton who is also very capable of holding this office was chosen as our new president. Mrs. Ray Overton was out reporter but resigned that office after being elected president. Mrs. Fred Phillips was elected for the reporter.

A CARD OF THANKS

We take this means of expressing our appreciation for the many kindnesses shown us by our friends and neighbors during the illness and death of our only son. We especially wish to thank Mrs. J. O. Merchant, Mrs. G. W. Alexander and Mrs. Will Hedden for their untiring guidance through this dark hour of sorrow. May heavens richest blessing rest on all who so faithfully comforted and helped us through this sad hour and when sorrow came to our mid-land friends help you. Ip 29

WANTED—To rent 2 or 3 uniformed men for a party. Phone 231 or call at Texas Pump Station. 50c per day.

EAGERLY AWAITED FILM HERE SOON

"The Big Parade" which has been rightly called the biggest picture in screen history, has been eagerly awaited in this city. King Vidor's Metro-Goldwyn-Mayer picturization of Laurence Stallings' story is coming to the Texas Theatre soon.
Briefly the story of "The Big Parade" centers in Jim Apperson, a typical fun-loving American and much like every other rich man's son. In the spring of 1917 fired by a new patriotism he enlists and departs for service in France. The succeeding scenes show Jim and his buddies: Bull, a former flower-butterer and Slim, an ex-riveter and their life in the doughboys' billets in rural France. Mr. Stallings is said to have created a trio as original as Kipling's "Soldiers Three".

Dreaded Aches, PAINS Disappeared

"My health had been poor for ten years, before I took Cardui," says Mrs. Anna Corbin, of Rockport, Ind. "I was lifeless and no account. I dragged around day after day, every move an effort, and never feeling the joy of being well."
 "At times, I had a dreadful ache across my back, and my sides hurt me. I worried along, sometimes hardly able to leave my bed, but the demands of a growing family had to be attended to, so I would get up, do what was absolutely necessary, and then lie down again."
 "One day, someone suggested Cardui to me. I took it for several months, and all the time I was growing stronger, and less nervous. My aches and pains finally disappeared."
 "That was two years ago. My improvement has been permanent. The good health, which followed the taking of Cardui, is still with me, so I do not hesitate to recommend it to my friends."

Baptist W. M. S.
The B. W. M. S. met in the church on Monday afternoon with about twenty-five members present. Following the opening song, Mrs. Tom Holland who was leader of the Royal Service program took charge. Mrs. Gilstrap read for the devotional Matt. 9:35-38, stressing the Missionary Spirit as exemplified in the life of Christ. His church and His followers.
The general topic for discussion was "Our National Dangers and Opportunities," and the various divisions brought out the many curves, detours and side roads, with which we as a Christian Nation, are confronted.
Patriotism, Sabbath Observance, Temperance, Law Enforcement and the Immigrant were discussed.
Then our minds were made to travel a few minutes on that highway, spoken of in the 14th chapter of Isaiah. And a highway shall be there, and a way, and it shall be called the way of holiness; the unclean shall not pass over it, but it shall be for those—the wayfaring men, though fools shall not err therein. Those on program were: Mesdames J. A. Gilstrap, Davis, and Fouts, Stoker, Harlan, H. R. Whitley and B. M. Whitaker.
During the business session plans were made for an all day meeting the 3rd Monday at the church, when we will review and take the examination on the Mission study book, "Across the Border" dealing with conditions in Mexico. It was also decided to have a Kulu Anniversary party on next Monday afternoon in the church basement. One new member was welcomed. We are stressing enlistment, and would be glad to welcome every Baptist woman.

Missionary Society of Methodist Church.
The Missionary Society of the Methodist church met last Monday afternoon in a Missionary Voice program. On May the 23rd 1928 the 50th year of women's organized work in the Methodist Episcopal Church South, will have been reached, and the entire church is recognizing and honoring the year by calling it "The Jubilee Year." The council sent out literature last year explaining every fact and unfolding every plan for the great jubilee program and now this program is being carried out, not only through out the width and breadth of the Southland but in every foreign field. This program does not only embrace a plan for a deeper spirituality and to meet financial needs but by fittingly honoring the memory of the women whose spirit and deeds have made service possible for us, and an appreciation of the Sacrificial Service of the past. The Missionary Voice program of Monday was altogether on the Jubilee. Opening song, Missionary Voice Agent, Mrs. Elizabeth Martin directed the following program: Devotional, "New Standards for a New Day," Mrs. W. A. Kimbrough; Reviewing the work of the Women of the past with a number of historic facts and paying special tribute, Mrs. C. M. Kaigler and Mrs. Wallace Cox; a character sketch of the work at home and abroad of Mrs. Julian Hayes by Mrs. F. L. Caldwell; character sketch of the missionary work by Mrs. Andrew Shriver. This concluded the program and Mrs. C. L. Lewis presented the new year books. There were twenty-two present.

Laundry-Washed Clothes

ARE CLEANER COST LESS LAST LONGER GUARD HEALTH ARE NOT RUBBED

Here Are The Reasons

1. Laundry-washed clothes are cleaner. They are washed with pure soap and hot water. The washing and rinsing involves from 8 to 14 complete changes of hot water depending on the nature of the stain.
2. Laundry-washed clothes last longer. One woman in this city recently figured that she saved 20 cents in two days by doing all the washing and rinsing herself over what she would have paid us. Do you want to work 2 days for 20 cents?
3. Laundry-washed clothes last longer. The methods in the modern laundry are more perfect. The clothes are washed cleaner and all the dirt that wears out the fabric is removed.
4. Laundry-washed clothes guard health. The U. S. Government is authority for the statement that only modern laundry processes will actually get clothes clean.
5. Laundry-washed clothes are not rubbed. The soft-water process guards against the hard water scrub that fades fabrics, fades and colors clothes grey. It eliminates the vigorous rubbing and chemical treatments necessary to combat this scrub.

Laundry-Washed Clothes Do Not Need Sunshine

FLAT WORK: Consists of Towels, napkins, table covers, counter panes, sheets, pillow slips, rag, and all flat pieces. Washed and ironed ready for use.

In addition to the above laundry services we have the most modern facilities for cleaning Rugs and Carpets, using the shampooing process, which cleans and preserves rug and carpets to their original appearance. Our service also includes laundering blankets and quilts, doing away with all the drudgery incident to this task in the home. This service is offered at very reasonable prices.

Follow Your Washing "Out" Some Day! Where does the "washwoman" take it? In what kind of surroundings do your most intimate garments dwell in their hours while at the home of your laundress? No one knows what conditions sanitary and otherwise exist in such places. Be safe! Send your washing here, where science and long experience have established a Cathedral of Cleanliness which more than insures sanitation, cleanliness and economy. Try the laundry way, and you will permanently enroll with the millions of homemakers who already enjoy its release from wash-day worries. The Laundry Does It Best! Haskell Laundry Co. J. L. Eula Fay Glass Celebrates 28th Birthday.

Dear to the heart of every child is their birthday, and Eula Fay was especially made happy last Saturday, January 28, as her mother had invited quite a few of her little friends to meet at the Christian Church at 2:45 o'clock where Mesdames Post, Ratliff, Pace and Smith waited with cars to carry the children to the country home of Mr. and Mrs. Glass. A thrill of going to the country and a birthday party too, made a gleeful bunch of children to greet Eula Fay and her little friend Homer LeClaire, whose birthday came on the same day. January 29th—but celebrated on the 28th.

The children were invited into the spacious living room, and then the fun began. Various games and contests that children enjoy playing were played. The children were requested to come out into the sunshine so Mrs. Post could make some kodak pictures of the little honoree and her little friends together. Several outdoor games were played and then back into the living room where all were seated to the delight of all the two white cakes with six and eight pink candles were brought in and lighted. Wishes from little friends for the continued happiness of Eula Fay and Homer, the cakes were cut and served with pink ice cream to the little guests.

Butter cream candy, colonial dolls and whistles were given each child as favors.

Invited guests were: Jim Bob Webb, Mary Beth Menefee, Marvena and Wynona Frances Post, Marjorie and Eva Joe Ratliff, Myrie Draper, Melba and Flossie Pevatt, Virginia and Roy Pimm, Houston Cross, Mildred Mays, Wallace Parish, Charles and James Smith, Mary Joe and Rosella Morrison, Frances Shook, Virgil Meadors, Jr., Helen Looney, Homer LeClaire, Walter Hunt, Eulis Hays, Thomas Lee Demingo, Opal Phillips, Helen Mabel Baldwin, Lynn Pace, Jr., Donnie Joe Gaith, Loree O'Neal, Elva, G. W., and Raymond Couch, Nellie Kathryn Derr, Joe Ann Derr, Buford and Odell Barton.

Rev. J. U. Fields Goes to San Antonio Meeting.

The Biennial Executive Board members with others over Texas were called to a meeting in the home of the local biennial chairman Mrs. Drought of San Antonio, Texas for Monday February the 6th. Sunday's papers carried a list of names of the invited guests and the name of Mrs. J. U. Fields was not among them. It was noted that telegrams and telephone messages began to pour into Mrs. Fields' home, using such terms as, "We demand that you be recognized as the Biennial Chairman and as such you attend the San Antonio meeting." Mrs. Fields, accompanied by Mr. and Mrs. D. L. Stephens of Haskell hurried to San Antonio after receiving an urgent request from Mrs. Mills, Texas Director of the General Federation. Mrs. Fields was given opportunity to speak for her self in the executive committee decision that the matter was altogether in the hands of the General Executive Committee, Washington and they there refused to take any action. A telegram from Mrs. Fields Monday night went to the effect that hundreds of

telegrams protesting the action of the committee in ousting her, were pouring into the San Antonio meeting. We are not prejudiced in favor of Mrs. Fields because she is a resident of Haskell. But the actions of certain club women in Texas for the past few years have aroused both men and women and if Mrs. Fields is not duly recognized as the elected State Biennial Chairman it is greatly feared by serious minded club women both in and out of West Texas that the result in the state organization will be serious.

The Harmony Club.

Mrs. W. P. Trice was the club hostess for the Colonial Bridge Club last Tuesday afternoon, using valentine motifs in decorations. Senior Party.

On last Thursday evening February 2nd, Mrs. R. C. Couch and Mrs. B. M. Whiteker, gave a lovely Valentine party in the Magazine Club rooms honoring their daughters Misses Mary Couch and Mary Emma Whiteker and the members of the Senior class of the High School. Much thought and time had been spent in making the rooms bright and cheerful. Ropes of gay red hearts and cupid were draped over windows and doorways and between the chandeliers white bowls of narcissus and other flowers were attractively placed.

Miss Lucy Martin greeted the guests and presented them to the hostesses and honorees and Miss Annie Beth Thomason relieved them of their wraps. Some time was spent in conversation and a number of songs were sung by the young people then score cards were passed and everyone entered heartily into the games of forty two which followed. While the games were in progress, Misses Mary Helen Barron and Mary Couch furnished a number of popular airs on the piano. Molded cream hearts, white cake and mints were served, the favors being little

valentine "stick-ups." Misses Mary Emma Whiteker, Mary Couch and Lucy Martin passed the plates. Others enjoying the evening were Misses Eloise Roberts, Marjorie Rogers, Mary Helen Barron, May Kennison, Ruby Medford, Naomi Michael, Lorene Pinkerton, Roma Lee Cox, Ada Davis, Lucile Foote, Velma Frierson, Annie Beth Thomason and Nella V. WILL BUILD MODERN TOURIST CAMP HERE

Announcement was made this week
that one of the most modern tourist
camps and filling stations in West
Texas was to be built in Haskell, with
the acquiring by J. P. Kennedy, local
garage man of the old Star Wagon
Yard property one block south of the
square.

Work has already been started on
tearing down the old buildings on this
location, and actual construction on
the new buildings will be started as
soon as the ground can be cleared. Mr.
Kennedy, who is also distributor for
the Texaco Products in Haskell County,
has been engaged in the garage business
in this city for the past twelve or
thirteen years, and has been identified
with every progressive movement of
this section, and his announcement of
the above venture is another step
forward in the growth and development
of our city, showing as it does the faith
in the future of Haskell which is held
by local business men who know con-
ditions and future possibilities of this
section.

FRANK L. SLOAN FOR TAX ASSESSOR

We are authorized this week to place
the name of Frank L. Sloan in our an-
nouncement column as a candidate for
the office of Tax Assessor of Haskell
County, subject to the action of the
Democratic Primary in July.

Mr. Sloan is well known throughout
the entire county, having been born
and reared in Haskell county and for
the past few years has been identified
with the Brazelton Lumber Co. of this
city as bookkeeper and assistant man-
ager. With his business experience and
ability, he is well qualified to fill the
office to which he aspires with credit to
himself and the county.

In connection with his announce-
ment, Mr. Sloan makes the following
statement:

To the Voters of Haskell County:
I am making my announcement in
this issue for the office of Tax Assessor
of Haskell County.

I am a Haskell boy, born and reared
in the county and I feel that I am
competent to fill the office to
which I aspire. I am making this race
up on my own merits and after due
consideration. I am a young man, and
I think I know the value of Haskell
County property, and am asking for
the office that I might serve the coun-
ty in a time better myself.

I will have no fight to make on any
opponents, I am only asking for
consideration when you go to vote
for Tax Assessor and give me a
chance to show you my appreciation by
giving you the best service that is in
my power.

Respectfully,
Frank L. Sloan.

Mr. Sloan intends to try and see
if he can get the county before the
election is held, and place his claims
before them in person, and in the mean-
time we ask that you give his candi-
dacy your fair and impartial considera-
tion before casting your ballot.

East Side Singing Convention Meets With Howard Class

A large congregation of people as-
sembled at the Howard Baptist church
last Sunday afternoon and enjoyed a
splendid musical program put on by
the East Side Singers and visitors from
other conventions.

I. V. Marrs of Haskell was in the
chair and Grady Hammer of Howard
and E. L. Chatwell of Bunkerhill was
the committee on arrangements. Vis-
iting singers and leaders were here
from Stamford, New Hope, Bunkerhill,
Rockdale, Haskell, Roberts and a num-
ber of other places over the district.

A number of special songs were
rendered by a number of visitors and
local people which were enjoyed by the
congregation. The next convention will
be held at the Post Baptist church the
1st Sunday in March beginning at 2 p.
m. Everybody is invited to come.

MIDWAY CELEBRATES COMMUNITY DAY

Friday, February 3rd, was a day to
be remembered by Midway school and
community. The P. T. A. held an all
day meeting. The parents began arriv-
ing before 10 o'clock. The fathers,
more than twenty of them, set sixteen
trees on the campus in the morning.
The ground was so hard they had to
send to town for dynamite to blast the
holes for the trees, but that did not
dampen their enthusiasm. Flower beds
were to have been dug but this will be
attended to when we have rain.

The mothers visited the class rooms
and enjoyed seeing the school at work.
At noon a beautiful luncheon of
many kinds of sandwiches, pickles, pies,
cakes and coffee was served by the
women, which was duly appreciated
by those present.

After lunch the school children ren-
dered a splendid program, consisting of
songs, readings and plays, featuring
noted persons who were born in Febru-
ary. Truly we did not know so many
noted Americans claim February as
their birth month.

We had the pleasure of the presence
of our County Superintendent, Miss
Ellis at lunch and the program.

A rare treat was enjoyed through the
courtesy of Supt. Bass of Haskell High
School. He brought the Choral Club
out to entertain us with three beautiful
songs. Supt. Bass, Miss Chrisman and
girls, certainly thank you for the
opportunity of enjoying those songs.

About 2 o'clock the Basketball
teams of near by schools began to
arrive accompanied by their teachers
and friends. Post, O'Brien and Rose
brought both girls and boys teams;
Sayles, boys team and Haskell had two
girls teams, first team and junior team.
Haskell and Midway girls played first.
The score was 16 to 23 in favor of
Haskell; Midway and Post boys—score
19 to 8 in favor of Midway; O'Brien
and Post girls—score in favor of
O'Brien; Haskell Jr. and Midway girls
—score 4 to 2 in favor of Midway;
O'Brien and Sayles boys—score 23 to 27
in favor of Sayles. Night stopped the
games without Rose getting on the
court. The day did not last long
enough. We hope the visitors enjoyed
the day as much as we did. Four hun-
dred people is a conservative estimate of
the crowd. May we have many more of
these get-together meetings. Reporter.

10-INCH PIPELINE THROUGH COUNTY

Application has been made and the
right-of-way is being secured this week
for a 10-inch oil pipeline through Has-
kell County from the McCamey field to
Healdton, Okla., according to informa-
tion given out here this week.

This line will be the third to cross
Haskell county, and is being projected
by the Shell Pipeline Corporation to
connect the McCamey oil field with their
refineries at Healdton. The route
as being surveyed will traverse the en-
tire length of the county, as the line
enters the southwestern corner, passing
a few miles west of Haskell, and on to
the northeastern corner of the county,
and will add considerably to the tax-
able values of the county. It is not
known at this time whether the com-
pany will build a pumping plant within
the county or not.

PHILLIPS TO DRILL EAST OF TOWN

A thorough test for oil in the eastern
part of Haskell county was assured this
week with the announcement that the
Phillips Petroleum Company would
drill in a 4000-foot test on the George
Muller farm, 15 miles east of town on
Tuesday or Wednesday of next week.

According to announcement made by
the company, the test will be drilled to
a depth of four thousand feet, unless
oil or gas is found at a lesser depth.
The derrick is being erected this week,
and all machinery has been placed on
the location, it being the intention of
the company to finish the test at the
earliest possible time. The test will be
spudded in with a 24-inch hole, in
order that the well may be drilled to
the 4000-foot depth and secure a
thorough test of the oil possibilities of
this section. The Phillips Petroleum
Company is recognized as one of the
major independent oil companies and
officials of the company are said to be
favorably impressed with the possibili-
ties for oil in Haskell county.

The test is within a few miles of the
original Kouri No. 1 test drilled on
the Ballard Ranch in 1919, in which
very favorable showings were encoun-
tered which attracted quite a bit of
attention in oil circles at the time.
However, the well was never comple-
ted, it becoming necessary to abandon
the test after it had been drilled to
something like 3000 feet. The Phillips
test will therefore be watched with in-
terest, as it is probably that practically
the same formations will be encoun-
tered as were found in the Kouri test.
