Baptist To Take Census Sunday

The Baptist churches in the Rotan area will join forces Sunday afternoon February 23 to take a religious census of the town. The census takers will meet at Hillcrest Baptist Church at 1:30 P. M. After receiving their assignments they will cover the town in a single afternoon. At 4:00 P. M. the workers will meet again at Hillcrest for refreshments. Seventy-five volunteers are requested from the churches.

Cooperation from all of Rotan's citizens will be greatly appreciated.

Carriker For Congress Office to Open-Abilene

Allen Glenn of Abilene, Manager of the Max Carriker-for-Congress campaign, announced plans today for the formal opening ceremonies of the District-wide Carriker Headquarters in Abilene. Glenn said that the opening celebration would take place Saturday, February 22nd at 3:30 P. M. at the headquarters building at 790 Cypress Street.

"Although we have had the Carriker Headquarters staffed and busy all this week, many supporters from over the district have expressed the desire for a ceremonial opening, and we selected Washington's birthday as the most appropriate date," Carriker's Manager said, "and we want to take this means to invite the News Media and Carriker supporters from all over to attend."

Glenn said that Max Carriker would arrive in Abilene on Saturday in time for the ribbon-cutting ceremonies after winding up a week-long swing through the eastern end of his district.

Ratliff Solicits Senate Reelection 24th Dist.

DAVID RATLIFF

State Senator David Ratliff of Stamford this week made his formal announcement for re-election as Senator for the 24th Senatorial District, which includes Borden, Fisher, Garza, Haskell, Howard, Jones, Kent, Mitchell, Nolan, Scurry, Shackelford, Stonewall and Taylor counties.

He was elected to the Senate in 1954 and re-elected in 1958 and 1962. Ratliff has to make an extra race this year because he was one of 15 Senators who drew two-year terms in 1962 under the new state redistricting law. Normally, Senators serve four year terms.

In 1961, Senator Ratliff was elected President Pro Tempore of the Senate, the highest honor the Senate can confer on one of its members. He ranks ninth in seniority among its members, which increases his value to the people of this district.

Senator Ratliff is Chairman of the Insurance Committee and serves on eleven other standing committees, including the most powerful ones in the Senate, Banking, Transportation and Water and Conservation. In addition, because of his broad knowledge, steady influence and demonstrated interest in sound government, he served on the Senate General Investigating Committee. In the past, he has served in key interim study groups such as the Tax Study Commission, the Cost of Government Study Committee, the Legislative Budget Board and recently was appointed by the Governor to a special committee to study the problems of the aging. He is on more committees than any other Senator.

During the last session of the legislature, Senator Ratliff was the author of the special enabling act setting up the Texas 65 Health Insurance Association to provide low-cost health insurance for persons over 65. Among other statewide legislation, he also obtained passage of the Free-port Bill, a bill to help attract industry to Texas.

Through the years, Ratliff's primary interest has been directed to the major problem of West Texas—making water available to the cities in the 24th Senatorial District. He has co-authored legislation making water available to Abilene, Albany, Anson, school at Gail, Hamlin, Post, Roby, Rotan, Spur and Stamford.

Senator Ratliff expressed his gratitude for the past support and many honors extended to him by the people of the District. Ratliff said "I am running on my past record of service. I pledge continued dedication to sound and responsible governmental policies, and to conduct myself honorably at all times in discharging the duties and responsibilities of the office of state senator."

Senator Ratliff and wife, Priscilla reside at 1005 Wells Street in Stamford. They have two sons, David and John, two daughters, Lynnora and Janie, two grandchildren, Robert and Rebecca. David and family live in California and John is in the seventh grade in Stamford public schools. Lynnora teaches in Big Spring public schools and Janie attends the University of Texas Dental School in Houston. Mrs. Ratliff attends Abilene Christian College and is to receive her degree in May of this year.

Senator Ratliff is a member of the Christian Church, a honorary

During the last few weeks a number of Fisher County 4-H club members have exhibited beef steers and heifers at state livestock shows.

Those exhibiting at the Fort Worth Show were: Phillip Maberry, McCaulley 4-H a first place Angus heifer in the Jr. Show and 18th place in the open show. Susie Cave Jr. Leaders 4-H, 3rd place Angus heifer. Sandra Herron, Jr. Leaders 4-H, 5th place Carcass Steer, on hoof and 7th in the carcass class. Also a 7th place Heavy Weight Angus steer.

Five 4-H members exhibited livestock at the El Paso show. Phillip Maberry showed a 2nd place Angus heifer. Sue Smith, McCaulley 4-H, showed a 11th place middle weight Angus Steer and her older brother Bobby, showed a 12th place Angus steer. Sandra Herron showed noe steer and her younger brother Mike, showed two steers.

Club members exhibiting steers at the San Antonio show last week were Janet Guelker and KarlaKeridel.

Janet, a member of the Jr. Leaders 4-H, showed a 12th place Hereford steer and Karla, member of the Roby 4-H, showed a 16th place Hereford steer.

The following club members will be exhibiting at the Houston Show next week: Bobby Smith, two steers; Sue Smith, one steer; Karla Keridel, two steers; andra Herron, one steer and Mike Herron, two steers.

Fisher County farmers must take several steps to participate in the 1964 Feed Grain Program.

If he hasn't already done so, the farmer first files a report with the County ASC office on the farm's acreage and crops in 1959 and 1960. The county ASC committee will then send the farmer his feed grain base made up of the barley, corn and grain sorghum bases for each farm.

Next step, is for the farmer to complete and file an intention-to-participate form at the county ASC office between February 10 and March 27. At the same time, the farmer may request an advanced payment for the number of acres to be diverted from feed grain to conservation uses.

After these forms are filed, the farmer diverts the designated corn, barley, or grain sorghum acreage to a conserving use. The conserving use of diverted acres is in addition to the farm's normal acreage (1959-1960 average) in conserving uses or practices, including summer fallow and idle land.

Further details on provisions of the program are available from the county ASC office in Roby.

The labor needed to feed your cattle this winter may be reduced by feeding every other day or three times a week. Research has shown that feeding cattle at these intervals does not reduce gains if the total amount fed remains the same as under the daily feedings. If animals were receiving two pounds of cottonseed meal and 20 pounds of hay daily they need four pounds of meal and 40 pounds of hay every other day.

Cattlemen who are thinking of using hormones on weaned calves should remember the advice of animal husbandmen. They say never to feed or implant cattle with hormones unless the animals are getting an abundance of fattening feeds either as grazing or harvested feeds.

The value of farmland increased a third after 1953 while the net income of farmers changed very little. Thus farm real estate prices increased to about 10 times net income per acre by 1959, as compared to six times the net income per acre in 1950-54.

B-B Program Completed**

The junior high intramural basketball program was completed on Tuesday, February 4, with the last games being played between the Claw Hammers and the Sledge Hammers, and the Gypsies and the Jr. Hammerettes. Neither battle was decisive to the championship. The Jr. Hammerettes, the championship girls team, finished the season with a 5-0 record. Jr. Hammerette team members are Rhonda Kelley (captain), Kay Kennedy, Argentina Velez, Katy Paske, Brenda Landes, Elizabeth Floyd, Linda Wallas, Rebecca Martinez and Brenda Matthews.

The winning boys team, the Claw Hammers, ended the season with a 5-1 record. Claw Hammer team members are Jimmy Gruben (captain), Owen Helms, Larry Tunnell, Carl Austin and Lupe Rogers. The Claw Hammers won their number-one position with a one point victory in a decisive game with the second-place Spike Hammers.

The second of three yearly physical fitness tests was given recently, and it is interesting to note that one student performed an unusual feat--Donald Gruben, eighth grader, did 425 sit-ups in an estimated twenty minutes.

**In Mrs. Day's Room
New Decoration**

Mrs. James Day's classroom has a little of the unusual in the way of decoration. A revolving committee of girls is responsible for the theme and decoration of three seasonal bulletin boards. A new theme is presented monthly. This month the theme is Valentine Day. One board is a calendar of important birthdays; each day of the month of February is represented by an individual heart; important dates are represented by red hearts, while all other hearts are white. Another board represents "Love Around the World"; a third board pictures a girl carving initials on a tree. Every month a new committee is chosen, and the committee chooses a new theme which will be fitting for that month and carries it out.

PATTERNS FOR PROGRESS

TOURISM ... its value to you

America is on the road ... going places ... seeing things. Texas had 9.6 million out-of-state visitors in 1963 who spent \$471 million plus \$25 million in direct state taxes. As an example in WTU territory, more than 100,000 last year visited Big Bend National Park (pictured above).

A mere eight tourist cars a day that stop in a community is the equivalent of an added \$100,000 annual payroll. Travel and tourism in Texas will grow even faster because of vastly increasing tourist promotion on both the state and local level. This makes tourism of value to every community in the WTU service area, and one of our major economic factors.

Many communities are benefiting from tourism as one of the important PATTERNS FOR PROGRESS. These communities are:

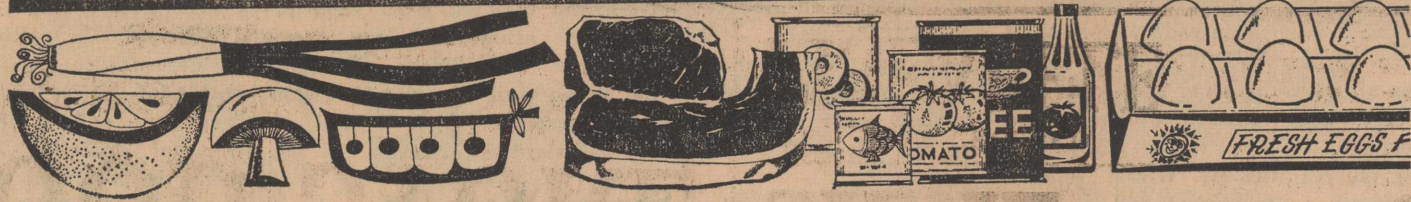

1. Developing tourist attractions (even a rodeo or county fair is a "tourist attraction").
2. Building facilities to care for tourists and other travelers no matter where they are headed (Alpine's Ponderosa Restaurant, pictured left, is one of many such facilities).
3. Creating facilities for the growing number of business and family non-vacationing travelers who fill the highways day after day.

That is why we suggest that you evaluate the importance of tourism to you, and consider seriously how your community can benefit from it.

WTU is proud to be a part of your community

LET TO EDITOR
 Well I see by the news that smoking cigarettes causes half the deaths today. Well I notice lots of people smoking pipes nowadays. I do believe a pretty woman smoking a pink or lavender colored pipe is very attractive. Now these Beagle hair do's is just what we need to make us forget about the times. Hub Cole.

THANKS

DKG Pays Tribute To Deceased Member

Mrs. Herman Phillips voiced the opening prayer when Gamma Tau Chapter of Delta Kappa Gamma met recently in the Community Room of the National Bank of Sweetwater.

Mrs. T. E. Knapp, chapter president, presided. Plans for changing the February meeting from the scheduled Sunday afternoon Tea to a Saturday luncheon were made. The change was to enable the group to have Dr. Madge Davis, a past state president of Delta Kappa Gamma, as luncheon speaker. Members also voted to host a coffee for Delta Kappa Gamma members attending the Oilbelt Teachers' meeting which will be held in Sweetwater in March. Miss Louise Bollinger, Newman High School teacher homemaker, was appointed as general chairman for the coffee.

Miss Josie Baird paid tribute to Miss Jeanette Wade, a member of the organization who died recently. The two classmates at West Texas State University. Miss Baird read a letter from Dr. J. A. Hill, president emeritus of West Texas State. She stated that friends of Miss Wade from Rotan were donating Dr. L. F. Sheffy's latest book, "The Franklyn Land and Cattle Company, to the City-County Library in Sweetwater as a memorial. The author had been Miss Wade's major professor at Canyon.

Mrs. J. R. Strayhorn, parliamentarian, spoke to the group on "Parliamentary Minimums." She stated that every club's organization should be built on the principles that the rights of all should be respected and business carried on according to fundamental rules. She said further that it should be conducted so that all can understand and a free and orderly discussion of motions should be held.

Mrs. Strayhorn reminded the group of the correct procedures for presenting motions. She also stated that the number for an against any motion should be recorded in the minutes.

In concluding, the speaker said "be sensible in conducting a meeting, but when the time comes that you should follow the rules.

Mrs. C. J. Dalton gave the closing prayer.

Following the program a social hour was held. Various nut breads, cookies, candy coated nuts, olives, tea and coffee were served by the hostesses, Mrs. Virgil Wolfe, Miss Vera Ely, and Mrs. Dewayne Wilson.

Members present were Meses. R. G. Witherspoon, James B. Day, J. R. Strayhorn, John W. Clark, K. C. McCasland, M. T. Hill, C. J. Dalton and Misses Josie and Delila Baird from Rotan; Misses Faye Rhea and Janette Marbut of Highland; and from Sweetwater were Meses. Joe Benson, Roger Eaton, Olaf South, Robert Higgins, Herman Phillips, T. T. Knapp, Inez Lawrence, C. L. Monk, and Miss Louise Bollinger and the hostesses.

AAUW To Award Scholarship To Girl

by Libby Wetsel

A \$100 scholarship will be awarded this spring to a young woman in this area for higher education by the Sweetwater Branch, American Association of University Women. Announcement was made this week by Mrs. E. J. Yates, Sweetwater Branch Scholarship Chairman.

Applications for the award must be submitted to Mrs. Yates or a member of her committee by February 1. Serving on the committee are Mrs. Richard McAfee and Mrs. T. H. Seltzer. Application blanks may be secured by contacting a committee member.

The award, to be used toward paying tuition for higher education, will be presented on the basis of outstanding academic promise, worthy character, good citizens and financial need. Winner will be announced by March 1, 1964.

"Winner of the award," Mrs. Yates explained, "will not necessarily be a 1964 high school graduate. She may be an earlier graduate or one already working on a college degree. Winner may receive the award for more than one year."

Applications will be considered from the membership area of the Sweetwater Branch including Sweetwater, Roscoe, Highland and Rotan.

Services of the recipient will include the Branch's assistance to her in her choice of schools and in securing a job or earning other scholarships to finance her education.

AAUW members from your area are Miss Delila Baird, Miss Josie Baird, Mrs. Robert G. Witherspoon, Miss Beatrice Decker and Mrs. J. R. Strayhorn.

Mr. and Mrs. Charles McFatter Jr. and children of Lubbock and his mother Mrs. Charles McFatter of Eastland recently visited Mr. and Mrs. Fred Byerly and other relatives here.

Miss Estelle Lotief of Dallas spent the weekend here with her parents.

Polyurethane foam is long wearing. Its tensile strength and abrasion resistance far exceed that of any other foam. A polyurethane foam mattress retains its original shape, won't flatten out, sag or lump up. And it never blisters, crumbles or disintegrates from exposure to wetting, sunlight or atmosphere. Polyurethane foam can't be harmed by cleaning fluids or detergents. It's dust-free, non-allergenic and odorless, even on humid days.

Sweetheart Banquet Held At Cross Roads

The Cross Roads Baptist Church had an entire church Sweetheart banquet last Thursday night. Everyone said that it was the best yet for the group; but of course that is said every year for they are all so nice. 89 people enjoyed the affair.

Wendell Morrow was the master of ceremony and he sure made a good one; every one enjoyed him. Glen Copeland sang "Swinging On A Star" and Cross Roads Quartet, Bobby Gruben, Glen Gruben, Glen Copeland and Mrs. Billie Jo McCombs with Mrs. Bobby Gruben at the piano sang "I'm A Child of The King." Bro. Norris Taylor, pastor of First Baptist, Roby, was guest speaker and he brought a wonderful message "Hitch Your Wagon To A Star". Everyone seemed to have a wonderful time and are looking forward to the Sweetheart banquet next year.

All of the services were wonderful Sunday. The church observed College and Seminary Day and we were pleased to have Bro. Ben Neel and Bro. Paylor with us. Bro. Paylor thrilled our hearts as he led our singing and brought the special music. Bro. Neel blessed our hearts as he spoke to us and as we partook of God's Holy Word.

Mr. Glen Copeland also blessed our hearts as he gave his testimony and made us all glad that we are Christians.

We had several visitors and of course our hearts were overjoyed to have them to come and worship the true and living God with us; and we take this opportunity to invite them to come back to visit with us. We also invite anyone who does not have a church home to come and visit with us. If you are looking for a church home we do not know of a better place than Cross Roads, we think that Cross Roads is the best.

We will be looking for you on the Lord's Day. The Bible says, "Remember the sabbath day, to keep it holy."

Art Club Holds Regular Meeting

Rotan Art Club met February 10 for another art lesson which is being taught each Monday evening by Mrs. Elmer Shaw of Sweetwater.

The Club had a short business meeting. Mrs. Roger Smith's picture, "Anxiety The Fourth" was chosen as picture of the month to be displayed in First National Bank. The Club has been meeting in the home of Mrs. Dick Edwards.

Takes Intelligent People To Take Off Pounds Sensibly

If you are intelligent and overweight, we invite you to join us in fighting a common battle.

At present, there are 308 unwanted pounds in the Tip-Tops Club. That is 24 pounds less than when we organized, Feb. 6.

Aside from improving our figures, we have a lot of fun. A weight problem is the only requirement for membership. Meetings are held each Thursday, 7 p. m., at the Girl Scout Hut.

Last week the students at the In-Service Training School at the Nursing Home studied Injections and Hydrotherapy. Mrs. Nona Thompson taught the students the different types of injections. The students practiced giving intramuscular injections. Miss Willardene Parker taught the lesson on Hydrotherapy. She explained that there are three forms of applying Hydrotherapy. They are baths, packs and irrigations.

This week Mrs. Marie Cashen is teaching the students the types of bones and their purposes.

MUSICAL AT LITTLE ZION

The combined choirs of Little Zion Baptist Church will present a musical on Sunday night. Theme will be "The Life of Jesus".

Mrs. Marvin Kersh and Mrs. Wash Kersh went to Veterans Hospital at Big Spring last Saturday and entered Wash Kersh for treatment. He had spent a week at home since his recent surgery.

Mr. and Mrs. Wayne Poer and girls of Abilene visited Mr. and Mrs. Nig Hartsfield last weekend.

The Hobbs Home Demonstration Club contributed \$34.00 to the March of Dimes.

NOTICE

The City of Rotan's Water Department announced this week that beginning with the February billing the meter readings and water consumption on the water bills will be shown in 100's of gallons.

This procedure, now in use by many utility companies, is being adopted for many reasons; the most important of which is to more efficiently serve our water customers, while at the same time giving a true and accurate report on the amount of water used.

DKG Group To Hear Past State President

gamma tau luncheon to hear past state president sautdray... illgut Members of Gamma Tau Chapter of Delta Kappa Gamma will meet in Sweetwater Saturday, February 22, at 12:00 noon at the Holiday Restaurant. Guest speaker will be Dr. Madge Davis of Wichita Falls.

Dr. Davis holds B.A., M. A., and Ph. D. degrees from the University of Texas. This year she retired as Professor of English and Chairman of the Department of English and Journalism in Midwestern University, Wichita Falls, Texas.

Dr. Davis received a graduate Fellowship in the University of Colorado and the Annie Webb Blanton Scholarship in the University of Texas. The latter is a Delta Kappa Gamma Scholarship named in honor of the Founder of the Society.

Dr. Davis has taught in public schools of Fort Worth; Laramie, Wyoming; Boulder, Colorado. She has taught in TWTC, TCU, University of Texas, University of Colorado, and Midwestern University.

Dr. Davis' civic, welfare, religious interests and leadership are reflected in her active and official membership in AAUW, OES, Altrusa, TSTA, Texas Conference of College Teachers of English, Executive Council of Wichita Falls Council of Churches, YWCA, and First Christian Church.

Her services in Delta Kappa Gamma include chapter offices of Secretary, Vice-President, and President, also chairman of major Committees.

In Alpha State, Dr. Davis has served as Vice-President, President, Chairman Committee on Membership, Fellowships for Foreign Women Educators, and State Committee on program. She has conducted state regionals and workshops. She has been consistently active in State Planning Meetings for the past seventeen years.

Dr. Madge Davis has been a participant on Programs at International Conventions and International Regionals. She has served three International Committees: Figurines, Scholarships, and Nominations.

She received Alpha State Achievement Award in 1953.

Dr. Davis is listed in: Who's Who in Education; Who's Who in the Southwest; Who's Who in America; and State Educational Roster.

Gamma Tau Members are fortunate in having the opportunity to hear Dr. Davis, and to meet and talk with her. The program is under direction of Mrs. H. D. Melton of Sweetwater, Chapter Chairman of the Committee on Scholarships. February is designed as Delta Kappa Gamma Scholarship month.

"God Speaks Through His Ministers"

D. S. (Bud) Moore, Jr., Pastor Cross Roads Baptist Church

THE MASTER'S LAST COMMAND Acts 1:6-8

These verses are Christ's farewell message to His disciples. He has called His disciples together for the last time and for the purpose of telling them that He was going away; but that they would receive power from on high; and they were to be witnesses unto Him both in Judsusalem, and in Judea, and in Samaria; and then unto the uttermost part of the earth. They were to carry on His work.

But even though these words were spoken nearly two thousand years ago, to His disciples they are as much in force for His disciples today as they were then.

It is true that He was speaking to just a few in that day but He meant for them to carry His message to the church so that all of His followers would have the privilege of helping to carry out His great commission.

So because the disciples carried His message back to the church; you and I have the great privilege of helping carry His message to others today.

I. How Well Are We Carrying Out Christ's Orders?

Of course that is a question that each of us has to answer for ourselves. No one can answer that question for us; but each of us must stop and answer that question for ourselves and if we are not helping in the way we should; we should

ask God to help us fulfill our task. For there are vast areas of the world untouched by the christian gospel. And many nations are bearly touched by the gospel, and even in America real Christian living is not practiced as it should be. Communism is making every effort to spread it doctrines. The writings of Lenin have been reported to be the most widely translated in the world, the Bible being second, and the writings of Stalin third. This should make us bow our heads in shame.

Yes we as christians should be so ashame of our selves that we would make a new vow to Christ that we will do all that we can to spread His gospel.

II. What Can We Do?

We can let our light shine for Him day by day. He tells us in Matt. 5:13-14 that we are the salt of the earth and the light of the world. We may not write books that will be published in hundreds of languages, we may not be able to go as missionaries to foreign fields, we may not be able to preach as some, but we can witness for

Christ in our own neighborhood; or where ever we may be. Yes in our own small way, we can carry out our part of the Great Commission by beginning here at home.

Rotan High's Progress On UIL Contest

Several phases of the UIL contest are now beginning to hum around school. The most noticeable progress is being made by Mrs. Yantis and her group. Try-outs for the one-act play, directed by Mrs. Yantis, were held Thursday, February 20. Also, students who are interested in poetry reading and interpretation are selecting their try-out pieces.

In the math department, Mr. Gothard is in dire need of a slide rule whiz. Anyone interested in this should let Mr. Gothard know so he can begin helping you plan for this event.

In the typing event, it's all girls! At present, about five or six girls are training for the typing contest. Two girls will be selected to represent RHS later from the Typing I class.

In debate, it looks like Jimmy Heathington and David Canfil will represent us again. The debate question this year is "Medi-care For The Aged."

All other departments are just beginning their preparation for contest.

Two Seniors Attend ETSC Honor Chorus and Band Event

Patricia Riley and Norma Sparks have been selected to participate in the annual All-Senior Honor Chorus and All-Senior Band at East Texas State College in Commerce on Saturday, February 22.

Two of the highlights for the 1964 spring activities at ETSC, the All-Senior Honor Chorus and the All-Senior Honor Band are composed of high school seniors from Arkansas, Louisiana, Oklahoma and Texas. The purpose of these two groups is to honor outstanding seniors for their musical achievement, much as football honors its senior players through all-senior football games.

From names submitted by band and choir directors from these four states, a limited number were accepted. Patricia, first chair clarinet for the Yellowhammer Band, is going as a member of the All-Senior Honor Band. Norma, a soprano in the RHS sextet--the "Blue Notes", is attending the activities as a member of the All-Senior Honor Chorus. The girls will be accompanied to Commerce by Mrs. Bartlett Strayhorn.

The all-day rehearsals will culminate in a concert in the ETSC auditorium Saturday, February 22.

2nd Grade Presents Assembly Program

On Tuesday, February 11, Mrs. Morrow's second grade class presented their assembly program. Their program was all about good health habits. Mistress of Ceremonies for the program was Gayle Posey. Announcer was Robert Callan. The health helps for the program were: Dianna Acker, Terry McCombs, Susie Garcia, Lawson Young, Louis Yanez, Don Aldridge, Juanita Ortiz, Renee Berry, Christina Benavides, Ramona Martinez, Brenda Wallace, Rosemary Arumaniz, Ellen Jones, Jesse Alamanza, Jean Matinez, Jeannie Ortega and Clay Helms. There were also five Good Health Poster Girls, they were: Susan Romero, Enedina Rodriguez, Mary Yanez, Darla Akers and Kahtyn Sepeda. The five local doctors were in the play also; Dr. Le Bleu was played by Bobby Rodger, Dr. C. M. Callan was played by Robert Callan, Dr. Chester Callan was played by Clay Helms, Dr. Johnson was played by Terry McCombs and Dr. Jenkins was played by Joe Murphree.

There was also a short skit about Mr. Clean and Mr. Careless. Joe Murphree played Mr. Clean and Bobby Rodgers played Mr. Careless.

Dwight Swaringin.

Room Parents Host Valentine Parties

On Friday, February 14, each class in primary had a Valentine party. The first and second grade parties began at 1:30, the third grade at 2:30, and fourth at 3:00. Each class had one large valentine box which was made by the room parents. The room parents also served refreshments after all the Valentines had been handed out.

Annual Immunizations Have Started For School

The annual immunization has started again at Rotan Public Schools. It will be given at the East wing of the hospital each Wednesday, beginning at 1:30 p. m. The charge for each vaccination is 50 cents.

Schedule of immunization is as follows:

Feb. 12-Diphtheria-Pertussis-Tetanus (any combination)
Feb. 19-Typhoid
Feb. 26-Typhoid
March 4-Typhoid
March 11-Diphtheria
March 18-Tuberculin Skin Test
March 25-Smallpox
April 1-Diphtheria-Pertussis-Tetanus (any combination)

Only one vaccination will be given at a time and only the one listed. Any pupils unable to take the vaccine because of illness, etc., may take the vaccine because of illness, etc., may take it on the Friday afternoon following, if accompanied by a note from his principal.

If the Tuberculin Skin Test causes a redness or swelling, the pupil should go to the clinic on Friday.

There will be no Salk-type injection Polio given in the future, because of the recent Oral Polio Drive. Students who did not receive this vaccine are urged to obtain it from their family physician.

The latest recommendations for boosters are as follows:

(1) Diphtheria-Pertussis-Tetanus every 4 years.
(2) Typhoid-every 5 years
(3) Small Pox-challenge every 5 years.

Gary Courtney.

MOLDING MINDS

Through good books the sages of the ages may speak to the children of this age. Good books are antidotes for juvenile delinquency and for adult delinquency. Good books increase our joys, soften our sorrows, ennoble our friendships, enlarge our ideals, refine our ambitions, guide our energies, feed our souls. They are companions in loneliness, friends in trouble, tools for work and guides in wayfaring. The church and the church library offer you books that will keep your boys from being crooks. Books help mold minds.
