Local Betty Crocker Contestants Named

School winners in Hobbs and Rotan in the 1964 Betty Crocker Search for the American Homemaker of Tomorrow are: Maria H. Barrera of Hobbs High School, and Judy C. Whitefield, Rotan High School.

Each scored highest in her school in a written homemaking examination given senior girls throughout the country the country Dec. 3, and is now eligible for one of 102 scholarships totaling \$110,000. Test papers of all school winners in the state will be judged comparativedly in coming weeks, and a State Homemaker of Tomorrow will be named. She will receive a \$1,500 scholarship from General Mills, Inc., sponsor of the annual program; her school will be awarded a complete set of the Encyclopaedia Britannica by Encyclopaedia Britannica Inc. The second-ranking girl in the state will receive a \$500 educational grant. Late in April, the first-place winners from each of the 50 states and

the District of Columbia, together with school advisors, will gather in Colonial Williambsburg, Va., for an expense paid educational tour of the East. The week-long tour, to include also Washington, D. C., and New York Ctiy, will culminate with the naming of the 1964 Betty Crocker All-American Homemaker of Tomorrow.

Chosen on the basis of original test score, plus personal observation and interviews during the tour, she will have her scholarship increased to \$5,000. Grants to second-, third-, and fourth-place winners will be raised to \$4,000 \$3,000 and \$2,000, respectively. Final judging is done by Science Research Associates, Chicago, which also constructs and grades the written examination.

The Betty Crocker Search for the American Homemaker of Tomorrow was begun in the 1954-55 school year to emphasize the importance of homemaking is a career. It marked its tenth anniversary this year with a record enrollment of 484,879, senior girls in 14,059 high schools. Total enrollment since the program started stands at 3½ million girls. With this year's grants, scholarships will exceed \$1 million

Mrs. E. M. Nolen recently traveled by plane to Atlanta, Georgia, where she visited two daughters and their families. While there she welcomed a new grandson born February 9. To be eligible for feed grain supports, Fisher County farmers must participate in the 1964 Reed Grain Program.

Corn, barley and grain sorghub producers participating in the program will qualify for prcie supports on these crops. The first step is to file an intention-to-participate with the ASC county committee. The sign-up period is February 10 thru March 27.

These will amount to 15 cents a bushel for corn, 12 cents a bushel for barley and 23 cents a hundred pounds for grain sorphums. Participating farmers will receive these payments regardless of whether the crop is harvsted, fed to livestock, sold, or placed under price support l'oan.

Farmers then divert the signedup acres to a conservation use or plant an approved substitute crop. At the same time, they maintain the conservation use acreage for the farm.

A participant staying within the feed grain on all farms in which he has an interest will remain eligible for price supports. But he can limit participation in the program to one farm.

Price suport payments will be made on the basis of established normal yields and the number of acres planted for harvest in 1964.

might be gathered. We are not to worry about the unknown future, but to live a day at a time. 1. It covers past sin.

When we pray we cannot do other than pray for forgiveness for the best of us is a sinful man coming before the purity of God.

2. It covers future trials. Temptation in the New Testament means any testing situation. It includes far more than the mere seduction to sin: it covers every situation which is a challenge to and a test of a person's manhood and integrity and fidelity. We cannot escape it, but we can meet it with God.

Someone has said that the Lord's Prayer has two great uses in our own private prayers. If we use it at the beginning of our devotions it awakens all kinds of holy desires which will lead us on into the right pathways of prayer. If we use it at the end of our devotions it sums up all that we ought to pray for in the presence of God.

The 1964 flameless electric Frigidaire washers and dryers offer complete freedom from washday drudgery. They're completely automatic and virtually maintenance free.

The washer is equipped with a unique 3-ring agitator which keeps clothes in the under water "Action Zone," removes lint, guards against tangling, and unfolds every piece to clean them inside and out. And by the way, the washer automatically dispenses bleach and detergent, whether liquid or powder.

The Flowing Heat dryer tumbles clothes gently on a cushion of air, pampering the finest fabrics. And the Automatic Dry control shuts the dryer off when clothes are 'just-right' dry.

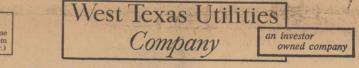

No other washer and dryer approaches Frigidaire for quality, advancement, and performance.

As naturally as the flower turns its face to the sun, so does the human child respond to the love and grace of God ... they know He loves them. Jesus, who knew the Father's heart, said to some good people of His time — "Let the little children come unto me and forbid them not." Surely no woman or man would detour a child in his natural search for God and goodness. Take them to church ... show them the way ... the Master still commands us. They may be ours for a few short years. They are His forever. How important then to introduce them to Jesus. Here they meet Him, know Him, and love Him, for such is the Kingdom of God.
