They sang "The Old Rugged Cross" while in the distance, a 12 foot Cross was burning.

Much Research Helping On Cancer

Are we closing in on the cancer problem? There are hopeful indications. Great gains have been made. Greater gains can be made now.

Research produced major advances in recent years. Scientists are coming up with new and encouraging findings. This accounts for the feeling -- as one scientist has said -- that cancer might be conquered in our lifetime.

The hopeful facts are that this year the lives of 48,000 people will be saved from cancer -- people who would have died of the disease had they developed it a decade ago. Another hopeful fact is that half of those who develop cancer in any year can be saved if the disease is diagnosed early and treated promptly. This could mean 270,000 lives in 1964. A half century ago, few cancer patients had hope of cure. Today there are more than 1,200,000 persons alive in the United States, cured of cancer.

Despite this steady progress against cancer the problem remains a major one. Some 48,000,000 Americans now alive will develop the disease if present rates continue. This is one fourth of the population.

Stark as this figure is, something can be done now. We are saving only one out of three who develop cancer. We could save one out of two. As the American Cancer Society says, an annual health check-up for everyone would go a long way in saving the one out of two. This means getting "your doctor in time."

As for the other half, only future research can save them. A vast research effort, supported in the main by the ACS and the government's National Cancer Institute, is being made to find ways of saying the one out of two who cannot now be saved. But the research effort goes beyond this. It is seeking ways of preventing all cancer through a vaccine or other means. It is hunting for drugs that will cure cancer.

If a vaccine against cancer is found -- and all of us hope that it will be found -- it may be your dollars contributed to the American Cancer Society during its annual April Crusade that helped make it possible.

Mr. and Mrs. John Ross Hale and two sons of Pampa visited his mother, Mrs. Darthulia Hale and her parents, Mr. and Mrs. Barney Bigham last weekend.

Mrs. H. F. Grindstaff arrived home Tuesday from San Jacinto, Calif., where she had visited Mr. and Mrs. Marion Grindstaff and children.

Guests of Mrs. W. A. Rives during the Easter holidays were Rev. and Mrs. Weldon Rives and two sons of Meadow, also Mr. and Mrs. Troy Adams of Kermit.

Red Cross Fund Drive In Progress

The county chapter of American Red Cross has mailed letters asking for the annual contributions of citizens of the county.

The goal of \$1,000 is expected to be reached. Citizens are urged to return their contribution immediately if they they have not already done so. Considerable work is done on the local level and of course hardly a year passes without several major disasters in the nation, such as the recent earthquake. The Red Cross has an enormous amount of work to do in this area and needs your help.

To The Voters

Under the circumstances of no names being filed for Director of Rotan Municipal Water Authority, I have agreed to serve as Director if my name was written on the ballot sufficiently to elect me.

If I am elected as Director I will do my best to serve the entire district in every way possible.

Carriker Dinner Draws Good Crowd

Speaking to a cheering crowd of 500 supporters gathered at a Carriker-for-Congress dinner in his honor on the night of March 31st in Abilene, Max Carriker, candidate for congress from the 17th district, challenged his opponent to explain why he was voted six out of seven times against the Administration since Lyndon Johnson became President, and why he has consistently voted 80% of the time over the years with Bruce Alger of Dallas.

Carriker asserted that his opponent's record is one of "Calculated indifference to the needs and wishes of the people of this District."

"The people of the 17th District want a congressman who is for something not against everything. They want a congressman whose voting record will help the growth of the district, not one whose voting record has hurt the growth of the District," he said. Carriker boosters were gathered from all parts of the district to take part in his first televised appearance in his congressional campaign.

Max Carriker is opposing Omar Burleson in the May 2nd Democratic primary. Carriker is serving his third term in the State Legislature from the 80th District.

Cross Roads Baptist Highlights

W. C. KIMBLER

Services at Cross Roads were great Sunday as the Spirit of the Lord led. Our revival got started in a wonderful way as Bro. W. C. Kimbler blessed our hearts with the good messages that the Lord led him to preach.

We had several visitors which we were grateful for, and a real good number in Sunday School and Training Union. Mr. Glenn Copeland also blessed our hearts and put each of us in the spirit of worship as he sang "Try Jesus Man of al-liee". Sunday morning and also Sunday night as he sang "You Ask Me Why."

We are having Christ preached to us this week and wonderful messages in song by different ones. If you want your heart blessed, then we invite you to come to our services this week, 11:00 a. m. each morning and 8:00 p. m. in the evening, except Sunday and the services will be at the regular time. Especially we encourage you to come and worship with us on the coming Lord's Day. We are going to have 112 in Sunday School and 84 in Training Union. Come and help us and receive the wonderful blessing that the Lord has for us.

D. S. Moore, Jr., Pastor.

In Regard To City Councilman Election

Because the election for City Council is without qualified candidates and due to encouragement of some of my friends, I will consider myself a write-in candidate for the City Council. I do not promise to please anyone, but to try to see that the City's business is run in a straight forward manner.

C. M. Callan.

Mr. and Mrs. Elsey of Fort Worth came Saturday to spend Easter with the family of their daughter, Mr. and Mrs. Joe Jones and baby. Mrs. Walter Collins and grandson, Paul Bailey came with them to visit her children here. Mrs. Elsey remained for a longer visit.

"God Speaks Through His Ministers"

D. S. Moore, Jr. Pastor, Cross Roads Baptist Church

YOUR LABOR IS NOT IN VAIN

Many people that you talk to about doing work for the Lord says that their labor is in vain. Many times we all feel like that, we are easily discouraged.

Most of us are like turtles. We set out to work and witness for the Lord, but the first opposition or unkind word causes us to draw back into our shells, and we never come out again to try and do anything for the Lord who loved us so much that He was willing to let His son die on the cross for us.

In 1 Corin. 15:51-58 Paul lets us in on a wonderful "discovery". The word "mystery" as used in our New Testament actually means an uncovered secret. Paul tells us that death and failure shall not be victorious. He tells us that God will win out or has won out.

God has already planned that our mortal bodies shall be changed to immortal ones, which will never be subject to death or decay. Isn't that a wonderful thing to know. It should make everyone want to be a child of God because God has don out over the devil.

Paul seems to ask, "why be discouraged? Knowing this wonderful secret should help us be faithful to our work until Christ wins the victory. Nothing we attempt for Him is without value."

We need to remember two things when seeking to serve Christ.

1. We Need To Stay Close To The Bible.

We can accomplish nothing of lasting value unless we stay close to the Bible, the word of our living God. It is God's word which convicts of sin; it is His Word which shows us a way out of defeat. In Isa. 55:11 it says: "My word shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing where-to I sent it."

2. We Need To Stay Close To The Lord In Prayer.

This is where most of us fail, we do not stay close to God in prayer. We need to pray earnestly and often that Jesus will guide us and empower us to succeed in our holy task. Without prayer, we cannot accomplish much of anything that will last. Without prayer we cannot be happy and have the joy and be close to Jesus and witness and win others to Christ as we can if we will always stay close to the Lord in Prayer. When we stay close to the Bible; read it as we ought, and stay close to the Lord in prayer; our labor for Him will not be in vain.

In verse 57 it says thanks be to God which giveth us the victory through our Lord Jesus Christ.

When we become discouraged in our Christian service; let us remember to stay close to the Bible and read it; and stay close to the Lord in prayer. Let us remember that Christ cannot fail and that our labor for Him is not in vain.

FHA Meeting Held At Midland

The Area II FHA meeting was held at Midland Saturday, March 21. The meeting started at 10 a. m., and ended at 3:30 p. m. A luncheon was held by the house of delegates at noon. The voting delegate, Sandra Herron, accompanied Mrs. Norvelle Kennedy to the luncheon.

Sandra Herron answered the roll call for Rotan by wearing an extravagant Easter hat. Each girl represented their town by wearing a hat made from paper, balloons or anything else which a hat could be fashioned from. As the girls answered the roll call, each dropped an envelope into a box. These envelopes contained donations from their chapter. These donations go toward a scholarship fund for a girl majoring in home economics education in college. Certain requirements have to be met before a girl can qualify for this scholarship. This scholarship will be awarded to a girl for the first time next year.

Those who attended the meeting were: Aurora Price, Vickie Tankersley, Barbara Early, Mary Ellen Medrano, Vera Martinez and Sandra Herron.

men wanted!

GOD give us men! Strong men, rugged men, men with ideals lofty as our mountains. Men with clean hearts and dedicated souls! God give us men who dare to PRAY—in the office, in the home, in the church. Give us wise men who draw daily from the MOST HIGH. "It is not by MIGHT nor by POWER, but by MY SPIRIT," saith the Lord.
