Our Detroit Jewel Stove Demonstration

Was a great success from every standpoint, and we wish to thank the ladies of Haskell and vicinity, for making it a success. We wish we could tell each of you personally, how we appreciate your visit to our store and the many kind words spoken in our behalf. We tried to make you comfortable, but the weather was very warm, and perhaps we did not succeed in that, but we assure you the weather was no warmer than our welcome for you.

To those who could not attend our Demonstration Thursday and Friday, we invite you to come now or any time, and let us show you our great display of Gas Stoves, and explain to you the many advantages they have and why we believe they are without a superior. We invite you just as cordially and will show you every courtesy. We mention below
