### Hammers Trounce Merkel 25-0 Friday

Rotan's Yellowhammers opened conference play Friday night, here, by outplaying Merkel Badgers in every phase of the game and a decisive score of 25-0.

Quarterback James Tompkins piloted the Hammers to their first marker of the night with a 35-yard pass play to halfback Eddie Edwards. Tompkins' pass failed in a PAT attempt.

A Tompkins-Edwards combination was good for 15 yards again in the second quarter. Tompkins kicked the extra point to give Rotan a 13-0 halftime lead.

Edwards broke away on a 19-yard scamper in the period after the half striking pay dirt again for six points.

Tompkins and Edwards connected on the longest TD play of the game to finish off the night's action. Tompkins hit Edwards with an 18-yard pass and Edwards went the remaining 35 yards for the six pointer.

Merkel was unable to move the ball inside the Rotan 20 as the Rotan defenses held firm and hit Merkel for costly losses.

Rotan is 1-0 after its first district game and Merkel 0-1.

The Hammers journey to Roby this Friday for the traditional game.

### Home Landscaping Meeting At Roby Today

A county-wide meeting on home landscaping will be held Thursday at 2 p. m. in the Agricultural Bldg. at the Fair Grounds in Roby, according to officials of the Fisher County Extension office.

The program will be presented by Everett E. Janne, landscape horticulturist with the Texas Agricultural Extension Service at College Station.

He will discuss general home landscaping, designing and selection of plants and trees desirable in the area, and present pertinent information on cultural and maintenance requirements.

The meeting is designed for all persons interested in home landscaping, Alice K. Ballenger and James S. Norman, Fisher County Extension agents said.

### Martin's Grocery Open For Business

Martin's Grocery, 202 E. Snyder Ave. is Rotan's newest business. The new store which is open for business will probably hold formal opening next weekend. Watch for their ad on this.

Martin Soliz is owner and operator of the small grocery business and invites his friends to call and see the new store.

He will carry a nice line of staple groceries, drug counter, dairy products, frozen foods, package meats, etc. The store will be open late hours and Sunday afternoons.

Mrs. Soliz operates a beauty shop in Rotan, also.

Mr. and Mrs. Sam Hamm visited with Mr. and Mrs. Foy Acker in Tulia last weekend.

Mr. and Mrs. C. C. Carter visited Mr. and Mrs. Ray Carter in Snyder Sunday.

### New Street Lights Being Installed

Workmen of West Texas Utilities Company were installing fixtures Wednesday for the new street lighting system on main street. The poles were erected several weeks ago when state highway department placed walk in center of street. This will give Rotan a modern mercury lamp system, which will add greatly to the appearance of main street.

WTU is also installing the same type light on highways each direction to city limits and several new lights at school grounds and about town.

### McCaulley Homecoming Is November 6th

McCaulley homecoming November 6

The McCaulley Ex-Students Association met in the home of Mr. and Mrs. Luther Maberry Wednesday night to plan McCaulley's 1966 Homecoming. President Mrs. Donald (Mary Lou Maberry) Rowland of Sweetwater, presided over the executive meeting.

McCaulley's Homecoming will be Saturday, November 6, 1965, in the Ed Mason Gymnasium. Registration and Visiting will begin at 3:00 P. M. followed by a business meeting and election of 1966 officers at 4:00 P. M. A \$1.25 per place Barbecue dinner will be served by the junior and senior classes as a means of raising money for the classes. Dinner will be served at 5:00 P. M. A football game between McCaulley and Ira will begin at 7:30 P. M. Coffee, pie and visiting in the gymnasium is slated for after the game.

Howard Fought, first vice-president, of Roby, is to be in charge of the after-game coffee. Others attending the Wednesday night meeting were Mrs. A. A. (Lavena Sue Maberry) Smith and Mrs. Jerry (Charlene Mustain) Maberry of McCaulley and Mrs. Rudy V. (Patsy Maberry) Hamric of Rotan.

### County Oil Output Tops \$15 Million

Fisher County's producer and royalty owners are marketing some \$15.5 million in crude oil and natural gas a year, according to the Texas Midcontinent Oil and Gas Association.

Fisher County ranked 71st among Texas oil and gas producing counties. In 1963 it received \$14.9 million from wellhead sales of oil and an estimated \$591,000 from natural gas.

County production of oil was approximately five million barrels: natural gas, 4.7 billion cubic feet.

Farmers, ranchers and other mineral owners share in a \$1.9 million distribution of oil and gas royalty payment annually.

There were 53 wells drilled in the county in 1964 with 26 oil wells and 27 dry holes.

In addition to local school and county property tax, taxes paid on production from Fisher County flowed into the state treasury at the rate of about \$726,000 per year.

The county has four gas plants that process some 14.3 million cubic feet of natural gas.

### Methodist Dist. Supt. To Speak Here Sunday

Rev. Dr. Tildon B. Armstrong, District Superintendent of the Abilene district will be guest speaker at First Methodist Church, Sunday, Oct. 10 at 7:00 p. m.

He served as pastor of Roby Methodist Church several years ago and many people in Rotan know him and will want to hear him Sunday.

Rev. Marvin Fisher, host pastor, extends a special invitation to the people of Rotan and surrounding area to hear Dr. Armstrong.

Mr. and Mrs. J. N. Berry of Morgan Mill and Nell Bingham of Dallas came Sunday for Mrs. W. W. Ogden and Maybell and attended the funeral services of Mrs. Ogden's brother-in-law, A. G. Williams of Spur.

### CONGRATULATIONS

Mr. and Mrs. Glen Gruben are proud to announce the arrival of a son, Maury Neal, Monday, Oct. 4th. He weighed 7 pounds and 8 ounces.

### Katy-Burlington Plan Joint Track Operation

Tentative plans for a joint track operation linking a Rotan-Stamford and a Stamford-Wichita Falls run have been worked out between MK&T (Katy) Railroad and the Wichita Valley (Burlington) Railroad, Katy General Supt. R. B. George said Thursday.

George said he expects the plan to go into effect Tuesday if training and enginemen agree with Katy to operate the trains.

The Katy would assign two crews to Stamford to make daily, Tuesday-through-Saturday runs from there to Wichita Falls and Monday through Friday service would be provided the U.S. Gypsum Co. plant at Rotan on a run to Stamford.

The Rotan-Stamford trains would run at night while the Stamford-Wichita Falls trains would be daytime runs.

In the early part of the year, Katy had serviced the Rotan-Stamford section on an alternate day basis but went back to daily service in the spring.

### Appreciation Dinner For Temple Dickson

W. R. Penick, Mayor of the City of Sweetwater, announced today that an Appreciation Dinner for State Representative Temple Dickson will be held Wednesday, October 20, at 7:30 P. M. at the Newman High School Cafeteria in Sweetwater. Dickson is a graduate of Sweetwater's Newman High School and the University of Texas, and now practices law with the Sweetwater firm of Mays, Leonard, Moore & Dickson. He represents the 80th District in the Legislature, serving Dickens, Fisher, King, Mitchell, Nolan and Stonewall Counties, and recently returned to Sweetwater from the regular session of the 59th Legislature.

Guest speaker for the occasion will be Ben Barnes, Speaker of the House of Representatives. Barnes was elected Speaker in 1964, and served at that post during the last session. He is the youngest man to have served in that important office in the history of Texas, and many observers are of the opinion that his administration has been one of the most successful and dynamic in history.

Also expected for the occasion are other State Representatives who served with Dickson this past session, together with other State officials, including Secretary of State, Crawford Martin. The public is invited and tickets can be purchased through Watson Moore at 208 Elm, BE4-4358, in Sweetwater. Price of the tickets will be \$1.75 each.

### Katy Awards Jackson Watch-50 Yrs. Service

J. M. Jackson, local MK&T agent was presented a beautiful gold wrist watch Monday by T. S. Carter, vice-president of operations of Katy in recognition of 50 years of continuous service to the railway company.

Jackson's 50 years ocured August 11, 1965.

The watch had name and dates engraved on back side.

### Don McArthur Active In Lubbock Church

Don McArthur will be one of three featured speakers for Laymans Day, October 10 at Overton Methodist Church in Lubbock. Theme for the day is "Go, Inquire Concerning the Book". Don will speak on the portion of the subject, "Today?"

Don is a member of the official board at Overton Methodist Church and a senior at Texas Tech. He is son of Mr. and Mrs. Ted McArthur of Rotan.

### CONGRATULATIONS

Mr. and Mrs. Howard V. Smith and Scott of Dallas proudly announce the arrival of Michael Howard, 7 pound, 7 1-2 ounces, on September 5. Maternal grandparents are Mr. and Mrs. T. M. House of Rotan.

Guests of Mrs. L. C. J. Cross the past week were her brother and wife, Mr. and Mrs. Dewey Roy of Eugene, Oregon. They also visited other relatives here, at Big Spring and Alabama before returning home.

### County Baptist Assn. Annual Meeting Oct. 14

The theme for the Fisher County Missionary Baptist Association this year will be "Faith In Action." The program will start at 7:00 P. M. Monday evening with Mr. James Carter leading the singing and Area Missionary Bro. L. L. Trott in charge of the Worship Service. The program committee has worked hard to have a good program and would like to urge everyone to attend.

Bro. Norris Taylor, pastor of First Baptist, Roby will close the first Session of the Annual Meeting as he brings the Annual Sermon.

The Annual Meeting will then continue Tuesday Morning at 9:15 A. M. with Mr. Bobby Smith of the Highland Home Baptist leading the singing and Bro. Billy Hudnall of First Baptist, Rotan in charge of the Worship Service.

There will be a good program throughout the morning, with speakers that will thrill your hearts.

Dr. Eugene Greer, Jr., from the Baptist General Convention of Texas will be one of the speakers of the day. Dr. Greer was born at Griffin, Ga., August 6, 1922. He is married to the former Elaine Williams of Lipscomb, Ala. They have three children: Bill, Andy, and Virginia. Greer holds the B. A. degree, Texas Wesleyan College, Fort Worth, 1953. The MRE Degree, Southwestern Baptist Theological Seminary, Fort Worth, 1956 and the DRE Degree, Southwestern Seminary, 1961.

As Program Planning Associate for the State Missions Commission of the Baptist General Convention of Texas, Eugene Greer gathers and analyzes information on state missions programs, and assists in program, budget, long range planning and evaluation.

Working out of the Baptist Building at Dallas, Greer conducts special studies of requirements for new, and specialized state missions programs and of the effectiveness of specific program techniques used by churches, missions and other groups. He assists the state missions secretary, and the division directors in developing long-range program plans.

Before leaving Georgia, Greer was an active layworker in the Columbus Baptist Association.

Greer received his master of religious education degree from Southwestern Baptist Theological Seminary, Ft. Worth, in 1956, and doctor of religious education degree at the same school in 1961.

He served as education director for Beckley Heights Baptist Church, Dallas, 1951-52; Park Temple Baptist Church, Ft. Worth, 1952-53; South Fort Worth Baptist Church, Ft. Worth, 1953-57; and for District 12 of the Baptist General Convention of Texas from 1957-59.

In addition, Greer was associational Sunday School superintendent for Tarrant Baptist Association at Fort Worth for five years. He served as president of the Southwestern Baptist Religious Education Conference in 1962-63.

Before coming state missions program planning associate, he was associate secretary for the BGCT Training Union Department at Dallas during 1959.

The Moderator, Bro. D. S. Moore, Jr., would like to urge every Baptist Church in Fisher Association to support all of the new officer's for the new Association year, and stand behind them so that we can have the best Association year that Fisher Baptist Association has ever had.

We can have the best year ever if each one will join hands and march forward for our Lord. Will you join hands and march forward for the glory of the Lord?

### New Pastor At Foursquare Church

Rev. and Mrs. Welton Parrish, newly appointed pastors of the Rotan Foursquare Gospel Church and their people welcome the public to worship with them in their church services. Rev. and Mrs. Parrish have been ministering in California. The church is located at Eight St. and Genevieve Ave.

Psalm 122:1: I was glad when they said unto me, Let us go into the house of the Lord.

### Punt, Pass, Kick Event To Be Held Saturday

Bud Busher, Rotan High School Assistant Football Coach has been named Competition Director for the Rotan, Punt, Pass & Kick competition. Mr. Busher will be assisted by John Ross Hale, Rotan Junior High School Coach and members of the Yellowhammer Booster Club. The Rotan event is to be held at Yellowhammer Stadium at 9:30 A. M., Saturday, October 9. Friday, October 8, is the last day for registration at Rotan Motor Company local Ford Dealership. All boys age 8 through 18 are eligible - Over 50 boys are already enrolled - If you are not registered yet, hurry on down to Rotan Motor Company - Friday is the last day.

### Girl Scout Training To Be Given October 14

An orientation will be held in Rotan on October 14, at the Fireman's Hall. Time: 9:00 A. M. until 2:30 P. M.

This is for all Leaders, Troop Committee members and parents of Girl Scouts.

This one-day session is designed to acquaint adults with the fundamental information about the Girl Scout movement; its purpose and goals, membership requirements, terminology, essentials of the program, and organization of the troop, community, Girl Scout Council, and the National Organization. Identification of the role of the troop committee will be of interest both to the troop leaders as well as the troop committee and all parents.

Bring: Note paper, pencil and sack lunch (drinks will be available). In addition to the above leaders should bring: Blue Book of policies (from leader packet) and Leaders Notebook.

This is the first community meeting to be held in Rotan in several years. This meeting is open to all interested persons in Rotan and in Roby. Since we are hosting this meeting, we sincerely hope to have a good response from Rotan.

Remember October 14 (Wednesday) at 9:00 A. M. at the Fireman's Hall. Don't let our Girl Scouts down.

### HD Council Plans Yearbook

Fisher County H. D. Council met Oct. 6 in the Agriculture building in Roby. After a recreation period, the roll call was answered by nine members.

Mrs. Aaron, Yearbook committee chairman gave a report and plans were made for the annual meeting to be held November 2. At that time officers and committee chairmen will turn in their reports.

Mrs. Ballenger, county agent, announced a program on Landscaping, to be held Thursday, Oct. 7, at the Agriculture building.

Friends here were advised Monday of Mrs. H. F. Bice, having surgery at Texarkana that day. She was recovering nicely. She and Mr. Bice were both employed at the former Piggly Wiggly store for some time before moving to Spur. They now live at Magnolia, Arkansas. Mrs. Bice's hospital address is room 302, Wadley Hospital, Texarkana.

### First Auction To Be Tuesday Night

Rotan Auction Co. will hold their first Auction Sale Tuesday night, starting at 7:00 o'clock.

Loys Landes and Carroll Murphree are owners of the new business and they will have professional auctioneer on hand for each of their sales. They will be located in the Baillio building, corner of Cleveland and Meade.

They offer free pickup of articles in city limits of articles you wish to sell and they will handle at a small commission practically anything you have including household goods, farm supplies, furniture, appliances, tools, guns, sporting goods, junk, antiques, etc. They will also have a cash drawing after each sale.

These auctions are proving very popular and successful over the country and no doubt will draw a large crowd here. They have advertised extensively and expect many out of town bidders.

Call them on any articles you wish to sell and be sure to attend, these are always lively affairs.

### Annual FHA Tour Made Last Friday

Fisher County's annual FHA tour was made Sept. 24. The group making the annual Farmers Home Administration tour stopped at Alva A. Kolb farm, five miles southwest of Roby for the first stop. Mrs. Kolb served the group with coffee, homemade cakes and cookies. This hospitality seemed like the good old days when people took time out to be neighborly.

Hosting the tour was George Dorman and Miss Bernice Hardy of Rotan and two county committeemen, Frank Kemp of McCaulley and Jack Smith of Roby.

Much change and improvement was noticed in the Kolb home as well as their farm land, which was done with a small FHA loan.

Their next stop was Sylvester and McCaulley. Here the group observed what a good supply of water can do. Frank Kemp of McCaulley is president of the water district and Frank Mitchell, secretary-treasurer.

Water line for these two towns ties into Roby's water line at Cottonwood Creek. The system is served by six, four and three inch lines which extend throughout the rural area serving 190 paying meters.

1229,660 was total of two loans from FHA. Two storage tanks, one of 112,000 gallon capacity and the other 18,000 gallons to serve the system.

Last stop was east of Roby in the 'shinnery' on Highway 180 at Alvin C. Johnson place. He has a blacksmith shop. With his loan of \$2,250 from FHA he hopes to build a business that will make a decent living for his wife and three children.

### JR. HIGH GAME TONITE

The Junior High game between Rotan's Hammers and Roby's Kittens was postponed until tonight.

Game time is 7:00, don't miss it -- lots of action.

Mrs. Roy Elkins and Mrs. W. C. Hoot, mother and sister of Mrs. Sam Hamm visited in the home of Mr. and Mrs. Hamm Saturday. They are from Snyder.

### Soil Fertility Facts.

USING LESS LAND, FARMERS NOW PRODUCE FOOD AND FIBER FOR TWICE AS MANY AMERICANS AS IN 1910 -- AND AT A SMALLER SHARE OF THE CONSUMER DOLLAR. ALSO ONE OUT OF FOUR HARVESTED ACRES PRODUCES FOR EXPORT. MODERN METHODS SUCH AS SOIL TESTING AND FERTILIZER USE HELP THE FARMER PRODUCE ENOUGH FOR HIMSELF AND 31 OTHERS, SAYS USDA.

US FARMERS USE 11 TIMES MORE FERTILIZER THAN IN 1910. AND, SINCE THEN, FERTILIZERS HAVE BEEN IMPROVED SO THERE IS THREE AS MUCH ACTUAL PLANT FOOD IN FERTILIZERS NOW AS FIFTY YEARS AGO. THIS SAVING, TO FARMERS MEANS HIGHER PROFITS PER ACRE.

## Bluenotes Tryouts Held Monday

Tryouts were held on Oct. 4, after school for places in the Bluenotes, a sextet sponsored by Mrs. Bart Strayhorn. There were two alto places to fill, one second soprano, and one first soprano. Also an accompanist was selected. Out of the 19 girls trying out for these places seven were trying out for alto and they are Donna Murphree, Paula Heathington, Janice Aldridge, Brenda Landes, Armada Partin, Brenda Head, and Rebekah Crawford. Six were trying out for second soprano and they are Cheryl Moore, Delby Day, Cheribeth Crawford, Kay Kennedy, Aurora Price, and Jasmine Velez. Lana Cave, Jodie Thompson, Brenda Harrison, Marilyn Thompson, Carolyn Whitely, and Iris McDonald are the girls who tried out for first soprano. Donna Murphree, Cheribeth Crawford, and Kay Kennedy tried out for piano accompanist.

Mrs. Strayhorn gave each of the 19 girls a song to learn and at the tryout they were given a sight-reading song to sing their particular part to.

Mary McDonald, first soprano, and Sharron Puryear, second soprano, were in the Bluenotes last year and will remain in it this year.

## Racial Distribution Shown in Survey

A racial breakdown in enrollment has been taken from each of the three principal's offices in the Rotan School System. In the first grade there are 59 Latins as compared to 10 Negroes and 45 whites. Second grade: 39 Latins, 6 Negroes and 45 whites. Third grade: 30 Latins, 7 Negroes and 40 whites. Fourth grade: 29 Latins, 5 Negroes, 39 whites, which gives a total of 157 Latins, 28 Negroes, and 170 whites in primary.

Junior High has fewer Latins compared with whites with the fifth grade having 30 Latins, 6 Negroes, and 37 whites. Sixth grade: 23 Latins, 4 Negroes, and 43 whites. Seventh grade: 32 Latins, 10 Negroes, and 43 whites. Eighth grade: 12 Latins, 9 Negroes, and 49 whites. This gives a total of 97 Latins, 29 Negroes and 172 whites in Junior High.

High School, having fewer numbers in every category, has in the ninth grade 37 boys and 38 girls with 5 Negroes, 22 Latins, and 48 whites. The sophomore class has 30 boys and 31 girls with 7 Negroes, 11 Latins and 43 whites. The junior class has 20 boys and 26 girls with no Negroes, 8 Latins and 38 whites. The graduating class of '66 has 22 boys, 14 girls and 1 Negro, 4 Latins and 35 whites.

## Football Ribbons Help Boost Spirit

This year, as in past years, the seniors are selling school ribbons. Though few may notice it, these ribbons play a big part in our school to promote spirit.

After a student has bought his ribbon, the school colors are put into action. The ribbon is then worn each day until the game. Every Friday, the ribbon plays another major part when it is used to support "color day." The football players feel that a person who does not have a ribbon pinned on him has little school spirit.

The color of the ribbons are changed every week for different color combinations. On each ribbon is a cartoonist's conception of victory over an opponent, a drawing of Rotan winning over its mascot.

The ribbons sell for 10c, and the profit made is used by the seniors to take the civics trip at the end of the year.

## Rotan Bands Selling Magazines

Magazine sales began Wednesday, September 29.

The students in the beginning and Junior High bands receive points for magazines sold which count toward prizes.

The classes of the high school band compete for a steak supper donated by Mrs. Strayhorn. Each person in the winning class must sell three magazine subscriptions. If more than one class sells three per member, the winning class will be decided by the highest sales average per member.

## Booster Club Active In Support of Athletics

The Yellowhammer Booster Club is playing a major part in support of the Rotan High School football program this year. Among its many projects are filming most Junior High and freshman football games, and all High School games. The Club pays men \$15 per game to scout our future opponents. It also directs traffic in the parking lot at football games.

Each spring the Booster Club holds the Double Mountain Relays, a very successful track meet. It buys all trophies, collects admission and operates the concessions.

Another source of revenue is the Booster Club's membership drive. Currently there are fewer members in the Club than last year, although it is spending more money in support of the athletic program. Membership in this organization is \$2.00 for a full year. Cards may be purchased from any Booster Club member.

The Booster Club will raffle off a Steven 12 gauge double-barreled shotgun October 15. Chances on this shotgun are \$1.00 and may be purchased from any Club member.

The Booster Club meets at Clark's Corral each Monday night at 8:00 p. m. Everyone is invited to attend.

## Rotan Plays Roby In 2nd District Tilt

Tomorrow night at 7:30 at the Roby High School stadium the second district football game of the 1965 season will be unrelled between the Rotan Yellowhammers and the Roby Lions. In the past this has always been a hard fought game and this year will not vary from the norm. The Yellowhammers are picked as slight favorites by the sports writers in this area, but predictions are "out the window" in grudge games. Not only is the second district game at stake, but this game also determines the county champion as well.

The Hammers need your backing - get out Friday night and go to the game.

### Service Officer News—

The social security medicare program for the aged includes a 7% increase in the social security retirement program payment. Since veterans benefits of pension are based on a sliding scale of income limitations, an increase in income can serve to cause reduction of pension payments or loss of benefits altogether where an increase puts them in a higher bracket or over the top limitation.

Public Law 88-664, the Veterans Pension Act of 1964, which was effective Jan. 1, 1965, contained a provision which was intended to offset the Social Security increase, which was then considered to be an immediate and sure thing. However Congress became involved in aspects of the medicare proposal and when no agreement was reached, the 7% social security increase in that bill died with the 88th congress. The provision to which is referred was the one which provided that 10% of the income received from retirement would not be counted as income for VA pension purposes. This particular provision of the Pension Act of 1964 stated that 10% of any payments to a veteran or widow under any public or private retirement, annuity, or income plan, including Social Security, in the case of all who receive VA pension under either the old or the new Pension laws, shall be excluded in determining income for pension purposes. Since this 10% exclusion is larger than the 7% social security increase which is retroactive to January 1, 1965, it will prevent many veterans and their widows from being reduced in their VA pension payments. At the same time, we have already encountered a number of cases where this small increase in Social Security will either place the pensioner in a higher income bracket, thus reducing his pension payment, or in some instances it will force the VA to terminate pension payments.

An example would be a veteran who was receiving social security amounting to \$1095 per year. This was his only income, thus, with his dependent wife, he was excludable amount of his social security, the veterans countable income for VA purposes was \$985.00. Then the social security increase of 7% went into effect, retroactive to Jan. 1965, which provided this veteran with an annual income increase of \$74.85. Therefore, effective Jan. 1, 1965, this veterans annual income would be \$1169.85 gross, and after excluding the 10% or \$116.98, his countable income for VA pension purposes would still be \$1052.87. This means that this particular veterans pension would be reduced from \$105 to \$80 per month. The veteran would be losing \$25 per month from the VA, while his social security would be increased by only \$6.24, meaning that the veteran would have a net loss of \$18.76 per month, all because of the 7% increase in social security. Since the VA pension laws state that a veteran with one dependent can receive only \$8 per month for any year in which his total countable income is between \$1,000 and \$2,000, this veteran could never again qualify for the maximum VA pension of \$105 per month.

This is not just an isolated case. There are many more like it throughout the country. It has been estimated that more than 25,000 veterans and widows will be reduced or will have their VA pension terminated because of the recent 7% social security increase.

Everyone that is drawing pension and social security be sure and keep their notifications of this social security increase so that we may have it when we fix up the annual income card that each person will receive with their pension checks on November 30, 1965.

Come and see me with your troubles. Your County Service Officer, Steve Kelley.

#### High School Students Receive Library Rules

The students of Rotan High School have received mimeographed sheets containing the library rules. Some of the old rules have been changed and some new ones have been added.

The sheet contained the following:

The Rotan High School Library contains more than 3,200 volumes, and new books are being added constantly. The library receives forty-two magazines and three newspapers. Books and magazines are on open shelves so that they are easily accessible to the students. Reading room is provided for at least Library Association recommends seventy-two students, which exceeds the standard set by the American Library Association. (American reading room for 45-55 students in schools with 200-550 enrollment.) Our library ranks as one of the best Class A libraries in the area, and in order to maintain this rating it is necessary that we observe the following rules:

1. All books are checked out for two weeks, except when an unusual demand for a book requires that it be checked out for a shorter period of time. (Sec. 3.)

2. Books (except one-day books) may be rechecked once. Books will be rechecked a second time only by a written request from the teacher for whom the book is being read.

3. During periods of unusual demand for certain books, teachers may have them placed on one-day reserve.

4. One-day books may not be rechecked.

5. A fine of five cents per day, including week-ends, holidays, and days absent, will be charged for overdue books.

6. A fine of twenty-five cents per day, including week-ends, holidays, and days absent, will be charged for overdue one-day books.

7. For damaged or mutilated book the fine will be equivalent to the cost of repairing or replacing the book.

8. Students are responsible for the books they check out. If a book is lost, the student will be charged a sum equal to the cost of replacing the book.

9. If a book which has been paid for is found and returned, the student will receive a refund of the price of the book less a fine of 5¢ for each day the book was out of the library. In the case of a one-day book, the fine will be 25¢ for each day the book was out.

10. The financial records of the library are closed at the end of each school year, and no refunds will be made for books paid for during a previous school year.

11. Ready Reference books (Encyclopedias, dictionaries, and other books marked with "R") are not to be taken from the library.

12. Grades will be held up until all library fines are paid.

## Uncommonly good cooks use modern gas and the Burner-with-a-Brain

The automatic Burner-with-a Brain holds temperatures exactly as you set them. Every pot and pan becomes an automatic appliance. Foods won't burn. Other unique advantages of a gas range: Cook 'n' Keep Oven — which cooks perfectly then holds foods serving-hot for hours without over-cooking; automatic roast thermometer; self-basting rotisserie; temperature-controlled griddle. And with touch-conscious gas you are in control always. (There are a 1001 different settings on a gas range.) Uncommonly good suggestion: see the modern gas ranges now on sale at your favorite Gas Appliance Dealers — or Lone Star Gas Super Chef Gas Range Sale

**CARD OF THANKS**

We wish to take this means of expressing our thanks to everyone who were so thoughtful of us during my recent illness.

We appreciated so very much your prayers, visits, flowers, food, gifts and the many beautiful Get-Well cards.

Mr. and Mrs. V. B. Murphree.

**THANKS**

I would like to thank all the people who were so kind to me during my recent illness. I especially appreciate the cards, visits and words of encouragement to me and my family.

N. I. Templar.

**THANK YOU**

We want to express our deep appreciation to the wonderful people of Fisher County and adjoining territory for the assistance given us since the loss of our home and possessions in the fire.

Your help will never be forgotten and we want you to know that we appreciate everything that was done for us.

Mr. and Mrs. Robert Buck

## Draft Boards To Fill Double Quotas

Austin, Texas, Oct. -- Forced to meet doubled quotas, local draft boards will not be as liberal in granting deferments for college and university study now as they have been the past few years.

That is the opinion of Colonel Morris S. Schwartz, state Selective Service director, who is responsible for carrying out draft functions in Texas.

The state draft director stressed that it was his responsibility to furnish boards with officially recommended standards, principles, and opinions in the area of student deferments.

Considering the increased calls for earned forces, Colonel Schwartz said he was still recommending the deferment of undergraduates taking a full time course of 12 semester hours or more.

He said he recommended deferment of a student taking less than a full-time course if his local board funds he is making satisfactory progress toward attainment of his bachelor's degree in four successive calendar years, or five years in the case of degrees requiring the additional study.

Colonel Schwartz said state draft headquarters normally would not recommend the deferment of any student carrying less than a load of nine semester hours.

"If the student deferred on the basis of a nine-hour load doesn't go to school in the summer," the state

draft director said, "we will recommend termination of his deferment. He must make normal progress toward his four-year degree in four successive calendar years, or five-year degree in five, if he expects to continue to earn a recommendation for deferment from us."

In the case of graduate students, the state draft director recommends deferment if the candidate for a master's degree complete his required work in 15 months from the time his bachelor's degree was awarded.

Deferment for the student working toward a doctor of philosophy degree is recommended if he will complete his required work in three years from the time the bachelor's degree was awarded.

"When a local board questions a student's progress," Colonel Schwartz said, "it has been suggested that the board request the student to supply a transcript of his credits."

The state draft director said that students who drop out, carry less than the recommended academic load, or get themselves on scholastic probation can expect a recommended termination of their deferments by his office.

"While we expect registrars to notify us of these changes in student status," he said, "it nevertheless is the responsibility of the student to notify his local board when any of these actions occur."

"The criteria we recommend to boards concerning deferment of students is advisory only," Colonel Schwartz pointed out, "which is re-

quired by Selective Service regulations. The boards can consider other criteria and information, scholastic and otherwise. Each deferment is decided on its own merits.

"Draft boards are charged with deferring students who activity in study is found to be necessary to the maintenance of the national interest," he stressed.

"It is the duty and responsibility of local boards to decide whether it

is in the national interest to defer any individual male student of draft age," he concluded, "and each to defer or not to defer must be based upon good judgment and the facts, all within the framework of Selective Service regulations and policy."

### 'CROP' Week Is Designated Oct. 24-31

A memorandum from Governor John Connally designating October 24-31 as Texas CROP Week was received by Joe T. Salem of Sudan, Chairman of the Texas CROP-CWS Board, during the Board's meeting Tuesday at the Gondolier Hotel in Austin.

The document describes the community appeal of Church World Service in Texas and urges participation as follows:

"CROP is the only community-wide church food appeal in our State for overseas programs of the churches. As a program of the Texas Council of Churches, CROP is the program of 20 denominational units of our State through the Division of Christian Mission with its local appeals organized, planned and conducted by local volunteer workers.

"CROP also receives designations for other overseas church relief agencies such as American Friends Service Committee, Catholic Relief Services, Lutheran World Relief and Mennonite Central Committee.

"Texas is blessed with abundance, and most of its residents are capable of rendering a helping hand to others. Through CROP we have the opportunity to express our gratitude to God by way of our gifts to the needy in other lands.

"Therefore, I, as Governor of Texas do hereby designate the week of October 24-31, 1965 as Texas CROP Week and urge widest participation to community CROP appeals."

Mr. Salem said, in presenting the document to the Board. "With this encouragement I am confident that the people of our State will help us reach our goal of \$100,000 in cash and commodities."

Mr. and Mrs. C. C. Bruce and Mrs. Roy Stevens visited in Lubbock Saturday with Mrs. C. L. Sutton.

Mrs. Chester Campbell of Abilene visited Mr. and Mrs. Sam Hamm Thursday.

Mr. and Mrs. O. R. Clark visited over the weekend with Mr. and Mrs. Bob Clark and family near Alysado and in Ft. Worth with Mr. Clark's sister and her family, Mr. and Mrs. Joe Chandler and family.

# SEASONS CHANGE

For a time leaves are green, then in early fall they become brilliant with many colors. Finally they turn brown and fall from the trees, leaving them drab and lonely looking.

God never changes, he is an ever present help.

"For I am the Lord, I change not"

Attend church and learn more of God's wonderful and never changing love.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Hogsett Showing 1966 Chevrolets

Hogsett Chevrolet, Rotan show a variety, safety and new peaks of luxury highlight in the 1966 Chevrolets—plus the greatest assortment of models in the division's 55-year history.

The new Chevrolet, totaling 50 models in six passenger car lines, are on display, Thursday, Oct. 7.

Model, option, color and interior combinations in the new Chevrolets number in the billions, giving the buyer an unparalleled opportunity to individually customize his car, according to Chevrolet company.

A Caprice top of the line series with four prestige models is added to the top selling regular Chevrolets. A four door hardtop joins the Chevelle line, plus a distinctive Super Sport 396 series.

The Chevy II receives its first

complete redesign since introduction in 1962 models. The Chevelle is restyled, there are design refinements in the Corvaire and Corvette, and the regular Chevrolet has an even "bigger Car" look.

Numerous safety features are made standard on all models ranging from a padded instrument panel and padded sun visors to rear seat belts and backup lamps.

New engines include a 250 cubic inch L6 and two 427 cubic inch V-8's. A new three-speed fully synchronized transmission is standard on all Chevrolet models.

Offered for the first time, in addition to the more than 400 options and accessories already available to Chevrolet buyers, are a single dial automatic heating and air conditioning system, a bench front seat with center armrest, adjustable front seat headrests and tilt telescoping steering.

Restyled, high fashion interiors are featured in all models. Bucket seats in Chevrolet, Chevelle and Chevy II models are a new slim "Strato" design. Each of the 14 station wagons has an all-vinyl interior.

Here are some details on the six Chevrolet lines for 1966:

Regular Chevrolet—Headed by the luxury Caprice series, there are 19 models in five series. A color-keyed paint stripe distinguishes the Caprice Custom coupe—which has a special roofline unique among all Chevrolet models—and the Caprice Custom sedan. The two Caprice station wagons have walnut grained exterior trim. All Caprice models have high prestige interiors.

The regular Chevrolets have a more powerful appearance, with a forward thrust to front fenders and bold horizontal bars in the grille. Individual moldings and ornamenta-

tion designate each series. All have taillights integrated into the rear quarters and deck giving a wider look.

Structural improvements have been made in both chassis and body. New springs, shock absorbers and softer bushings and body mounts increase the smoothness and quietness of ride. The 110 inch wheelbase is retained.

Performance of the base six cylinder engine is improved by increasing displacement from 230 to 250 inches. Six V-8's are available, including the two new 427 cubic inch engines. Horsepower range is from 155 to 425. Five basic transmissions are offered, including Turbo Hydra-Matic.

Chevelle—the popular 4-door hardtop body joins Chevelle models for the first time. A total of 12 models in four series are offered.

Distinctive will be two Super

Sport 396 models. Simulated scoops on the hood emphasize that a new 396 cubic inch engine is standard on the "SS 396" convertible and a companion "SS 396" sport coupe. The hardtop also has a new roof line employing wide, flowing rear quarters and a recessed window.

Length and width of Chevelles are increased approximately one-half inch while the wheelbase remains at 115 inches. Redesigned body panels and front end with wrap around grille give a longer and lower silhouette. Rooflines are new for 2 and 4 door sedans.

Seven engines—two sixes and five V-8's give the Chevelle buyer a wide range of power choices. Horsepower ranges from 120 to the two 396 cubic inch V-8's rated at 325 and 360 horsepower. Four transmissions are offered.

Chevy II—the most complete

## The Rotan Advance

Thursday, October 7, 1965 No. 36

change in exterior and interior appearance since its introduction in 1962 models gives new beauty to the seven models in three series of Chevy II.

Retaining its 110 inch wheelbase, the 1966 Chevy II is slightly lower and longer and more than 1.5 inches wider than previous models. There are new rooflines on all sedans and coupes.

A long, wide appearance is given the front end by a massive front bumper and new aluminum grille. Headlamps are recessed in front fenders. The side treatment emphasizes length with a sweeping peak line. A broad, tailored rear deck includes integral backup lamps in the rear fenders.

Chevy II retains the unitized construction with bolt-on front end. A new plastic panel immediately behind each headlamp increases corrosion resistance. Rear windows are bonded to the body of sedan and coupe models for neater, more effective sealing.

Seven engines—a four cylinder, two sixes and four V-8's—allow a broad power choice. The horsepower range is from 90 to 350. There are three transmissions.

Corvaire—The smooth continental styling of Corvaire is continued for 1966. Styling refinements include new rocker sill and wheel opening moldings, new front panel emblem, plus fresh design of the rear grille and taillights.

There are seven models in three series—all either convertibles or 2 and 4 door hardtops. Wheelbase continues to be a highly maneuverable 108 inches.

Four rear mounted, air cooled, six cylinder engines are offered with horsepower ranging from 95 to 180, and choice of 3 speed, 4 speed or Powerglide transmissions.

Corvette—America's only sports car continues its program of annual styling refinement with a new nameplate on the hood, body side trim, grille and wheel covers. There is a special high domed hood on models with a 427 cubic inch engine.

There are two Sting Ray models—a convertible and a sports coupe—on a 98 inch wheelbase.

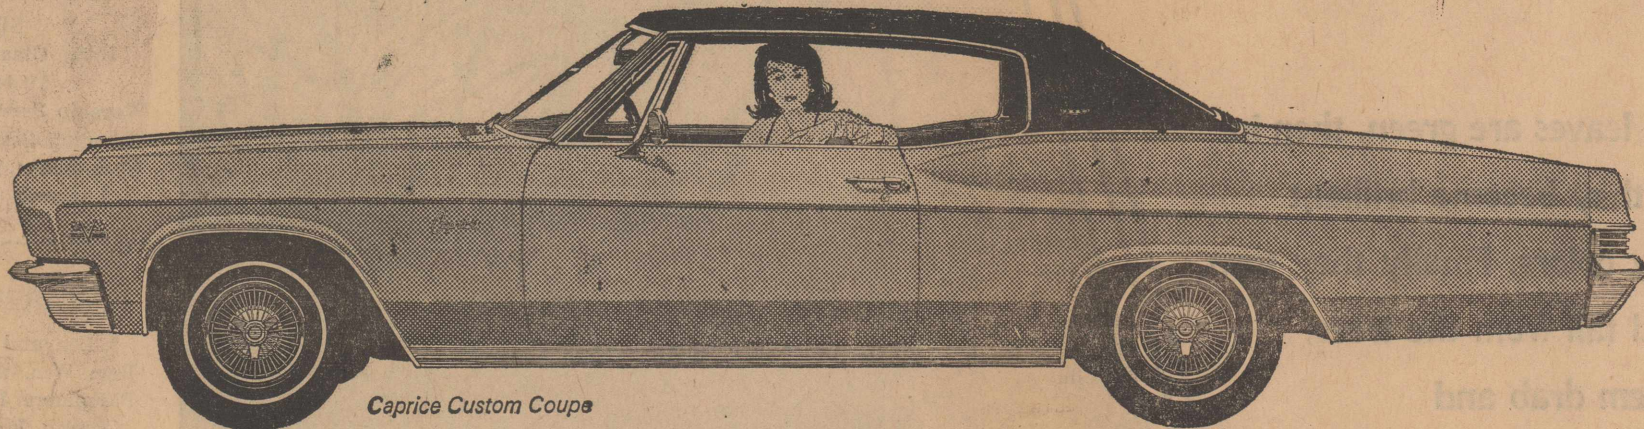

Four V-8 engines are available. Horsepower begins at 300. Inclusion of the new 427 V-8's increases maximum horsepower to 425. Three transmissions are offered.

Sportvan—Combining passenger car luxury with durable commercial chassis components, this vehicle rounds out Chevrolet's product versatility.

Three models are offered on a 90 inch wheelbase. Two six cylinder engines of 120 and 140 horsepower are available with 3 speed and Powerglide transmissions.

For 1966, Chevrolet offers 15 colors—6 of them new—with up to 8 two-tone combinations. Vinyl roof covers in black and beige are available for certain hardtop models.

# NOW! '66 CHEVROLETS

Caprice Custom Coupe

## NEW CAPRICE BY CHEVROLET

Custom Coupe, Sedan and two luxurious new Custom Wagons now. Liquid smooth ride. Power you can order just as

smooth and pin-drop quiet. Turbo-Jet V-8 engines that go all the way up to 425 hp. Shimmering new interiors. The look of hand-rubbed walnut trim. Elegance everywhere. Made by Chevrolet, so you know what a beautiful value it must be.

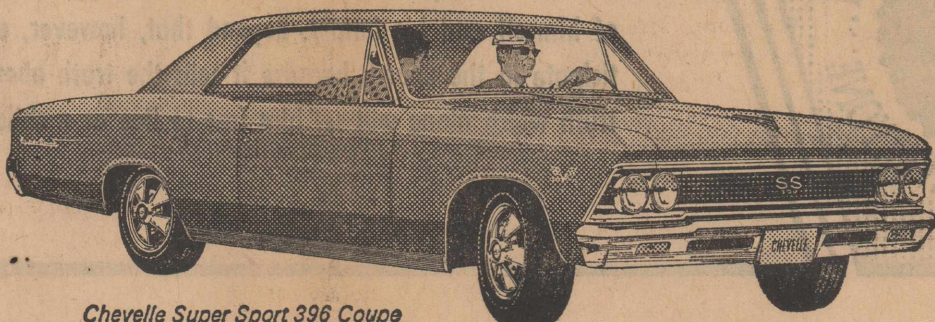

### NEW CHEVROLET JET-SMOOTHER

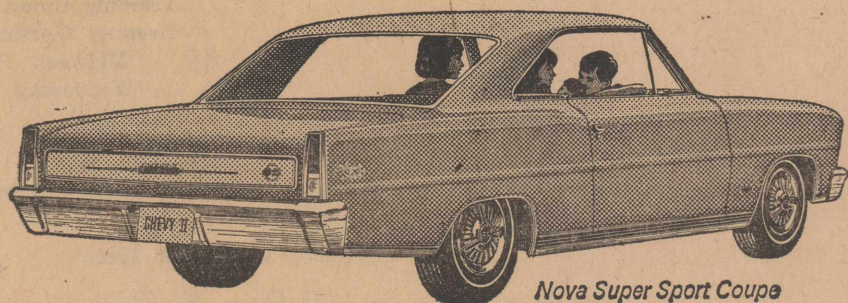

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V-8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes. Model shown: Impala Super Sport Coupe.

## NEW CHEVELLE SUPER SPORT 396

New 300's. New 300 Deluxe models. New Malibus. And two new Super Sport 396's—coupe and convertible—with engines that tell you exactly what kind of Chevelles they are. Both are available with 396-cu.-in. Turbo-Jet V-8's, either 325 hp or 360 hp. And both come with special hood, grille, suspension, emblems, red stripe tires, floor-mounted shift. Twelve beautiful new Chevelles in all—and all as new inside as they are outside, headlamps to taillights.

Chevelle Super Sport 396 Coupe

Nova Super Sport Coupe

Corvair Sport Coupe

## ALL NEW CHEVY II

It's so different, we should really call it the Chevy III. Roofs are swept way back on coupes. Fenders, grille, hood, taillights and bumpers are new on all seven models. Interiors are richer. Power available up to a 350-hp Turbo-Fire V-8. You can even order headrests for the front seats and Mag-style wheel covers. What's the economical, dependable Chevy II coming to? A lot of smart '66 car buyers, we figure.

## '66 CORVAIR UNIQUE

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving. Lots new. Corvaire, like all the '66 Chevrolets, has a padded dash, seat belts front and back, new fully synchronized 3-speed. Corsas, Monzas, 500's. Get one. Stay young.
