May is Senior Citizens Month. Under the new law passed by Congress, May is also the month that persons who reached 65 before March 1, 1966, will have to sign up for doctor bill insurance if they are to have coverage by July 1, 1966, the date that medicare coverage begins. R. R. Tuley, Jr., District Manager for Social Security in Abilene urged all senior citizens are 65 or over who have not signed up for doctor bill insurance to visit their social security office immediately, so that they may have protection when the program starts on July 1.

Almost all persons 65 or over are eligible for the two hypes of health insurance uder the medicare program, hospital insurance and doctor bill insumance. Social security beneficiaries are automatically enrolled in the hospital insurance program, but persons who are still working or who do not receive social security benefits must sign up for hospital insurance. On the other hand, in order to get protection toward the cost of doctors bills ut a cost of \$3 per month, all persons must enroll. According to Tuley persons who were 65 before March 1, 1966, and fail to enroll before the deadline, May 31, will have to wait til October 1967 before they will have another chance to apply for doctor bill protection. He added that as senior citizens become 65 they should visit thir social escurity office no later than the month before their 65th birthday to have protection as soon as they reach 65.

Paid by, Fisher County Friends

To the Voters of Pre. 2, Fisher County, I want to take this opportunity to thank you for your kindness to me.

My intention was, and still is to run a clean race. I still want to do the best I can for Pre. 2, and for Fisher County as a whole.

If I'm elected I will do my best to be worthy

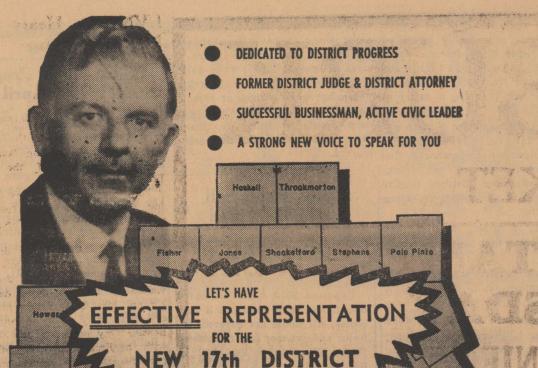

If I failed to contact any one, I assure you I tried to see you personally. And I still solicit your Vote and Your Influence on May 7th.

> Thank you, Jerry Crowley

#### To the Patrons of the Rotan Independent School District

The School Board feels that the present high school building (which was built in 1925) is inadequate and proposes the building of a new one. This proposed building would be located on present school property and would be designed along with a new auditorium and gymnasium to make the Rotan campus a unitized whole.

In order for this type of unit construction to be carried out, the issuance of bonds would be necessary.

We feel that the District is in good financial shape and the erection of the cafeteria, the addition to the Primary building, and major improvements in the athletic plant, all without additional taxation, indicate the soundness of the financial policies of the Administration.

## By 4H Girls April 15th

The Rotan HD Club met in the home of Mrs. W. L. Terrell April 15th. The program was given by one of our Fisher Co. 4-H girls, Peggy Coffman. She gave the proon raising cotton. She made posters to illustrate each step in making a cotton crop, from preparation of the seed beds to harvesting of the cotton. These were very informative. She said that here were 850,000 cotton farms in the U.S. and 10,000 uses for cotton that are already known. Scientist are trying to find more uses for cotton all time. The Raltes Mills are located in Ralls, Texas, and they make only cotton materials. This material can be used for cotton bagging, drapes, womens clothing, such as suits and mens hats. We live in a cotton community, therefore we should use more cotton.

Mrs. W. J. Coffman, 14 years old, an eighth grader and has been in 4-H for about five or six years now, and is doing wonderful work.

of Mrs. Alyne Shell, Friday, May 6th, at 2:30 P. M. with Mrs. Terrell bringing a Mothers Day program. Everyone is welcome.

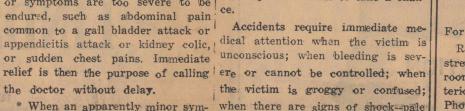

### **Christian Science** Sunday Services

views of man's nature will be explored at Christian Science church services this Sunday in a Bible Lesson on "Adam and Fallen Man."

In addition to passages from the opening chapters of Gensis, Bible readings will present the account of Jesus rasing Lazarus from the grave, and these lines from Ephesians and Isaiah: "Awake thou that sleepest, and arise from the dead, and christ shall give thee lght . . . Shake thyself from the dust."

from the Christian Science textbook will include these: "This awakening is the forever coming of Christ, the advanced appearing of Truth, which casts out error, and heals the sick . . When we wake to the truth of being, all disease, pain, weakness, weariness, sorrow, sin, death, will be unknown, and the mortal dream will forever cease" ("Science and Health with Key to the Scriptures"

A great truth, you see, is always greater than those who awaken to it! That is why the Bible can change men's lives . . . can give them immortality. Men do not grip the Bible. The Bible grips men!

But don't make the mistake of waiting for the Bible to reach you. It has already surrounded you!

REACH FOR THE BIBLE. In your Home. In your Church.

Learn its Truth. Love its Author. Live its Life.

## THE CHURCH FOR ALL . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regu-larly and read your Bible daily.
