Indications Point To Big Fair-Rodeo

Everything is shaping up nicely for the 21st annual edition of Fisher County Fair and Rodeo, scheduled for August 25, 26 and 27th in Roby.

Queen's contest and parade plans are causing much interest and rodeo contestants entries indicate a full card to make the Rodeo exciting and entertaining.

A special feature for each night will be Clint Harlow and his world famous Sheep Dog Act, featuring Poncho and Jane. The monkeys ride their mounts in true cowboy fashion and entertain the crowd with their antics.

The cowboy monkey straddles his "border" collie bronco and takes off on one of the wildest, most amusing rides you ever hope to see. Poncho has been described as a shaggy end-swapping thunderbolt, who can, in a flash, pivot and stop, feint, then take off in two directions simultaneously.

Poncho's side-kick Jane can slap leather with the best of them and when this wild-riding twosome teams up to corral sheep you better be ready to double up with laughter. This is one of the hottest acts to hit the rodeo arena, as recognized by Time Magazine, Newsweek, the New York Times, Manchester Guardian, Los Angeles Times, San Francisco Chronicle, Houston Post, and others.

This is an expensive addition to the Rodeo, and Mr. Harlow appears only at the better shows. We were fortunate to secure his act.

Each division of the Fair is being handled by active and able committees which includes, Sheep, Dairy Cattle, Swine, Beef Cattle, Fat Steers, Crop Exhibits.

A new division is the Open Horse Show. This committee is headed by L. H. Hicks. The event is for all horses, and has several divisions. This is expected to be a popular part of the show.

The women's, teen-age and junior divisions have the usual departments and is always a major part of the Fair.

RP Cotton Growers To Meet-Stamford

The annual membership meeting of the Rolling Plains Cotton Growers will be held in Stamford on Tuesday, August 23, at the Stamford High School Auditorium beginning at 2:00 P.M.

Featured speaker for the meeting will be Mr. Wain Please, South Central Area Director of the Agricultural Stabilization and Conservation Service, a department of the United States Dept. of Agriculture, Washington, D.C.

His topic will be the 1966 cotton program with its present implications, the 1967 cotton program and the effect of the four-year program on the future of cotton as an industry. His talk should be of great interest to every cotton farmer in the Rolling Plains. A question and answer session will follow which will allow those attending to ask questions which are of concern to them and to the area.

A second feature of the program will be a presentation by the National Cotton Council on its activities in Cotton Research and Promotion with emphasis on future needs of the cotton industry in its life and death struggle with synthetics for a larger domestic market for cotton.

A general business session will conclude the program at which time future activities of the Rolling Plains Cotton Growers will be discussed and presented for approval by the membership.

GUESTS OF MRS. DAY

Miles Sheldon of San Francisco and Mark Martin of Teran, Iraan, visited Miles' grandmother, Mrs. James B. Day and other relatives and friends here from Friday until Monday. Miles has been attending Military Academy, San Rafael, near San Francisco, the past year. The boys had attended school together in Teran. Mark's father is with Pan American Oil Co. with offices in Teran and the family is visiting in Houston this summer.

Miles' father, C. M. Sheldon is vice-president of Pomeroy Co. of San Francisco and is based on the Persian Bandar Abbas. Mrs. Sheldon came to the States recently and is in San Francisco. Their daughter lives there and Mr. Sheldon plans

to return to California for several months.

Miles will continue his studies at the Military Academy and Mark will return to Iraan to enter school.

Health and Safety Tips

(Defensive Driving)
In the ear of steadily increasing auto accidents with their consequent deaths and injuries, the safety experts have coined a new phase to help us survive in traffic -- "defensive driving."

What is defensive driving? Basically, it is keeping full control of your car at all times, so that you can avoid an accident no matter what the other fellow does.

"Some of the fundamental of defensive driving are outlined in TODAY'S HEALTH, the magazine of the American Medical Association.

Never "tailgate." This practice of following too closely the vehicle ahead has been found to be a common cause of accidents. Stay back one car length of reach 10 miles or speed.

When you have a driver tailgating you, slow down and encourage him to pass.

Expect the driver ahead of you to break without warning. Watch especially for situations which will cause him to slow down or stop.

Stop smoothly and gradually when there is a vehicle behind you. Signal your intentions of stopping, slowing down, or turning.

Look to the left, look to the right when approaching an intersection. Never assume the other driver will yield the right-of-way, even if you have the green light.

When in doubt, never pass. Before you change lanes check your rearview mirror and glance to be sure your blind spot is clear. Use your turn signals when passing. Make certain someone behind you is not trying to pass you at the same time. When passing sound horn or flick your lights to let the driver ahead know. Accelerate and pass quickly. Get back quickly after you can clearly see the car in your rear view mirror.

The expert diver follows some basic common-sense rules, Today's Health says.

He keeps his eyes moving, thus avoiding eye-holding situations while his car gives blindly into an accident-producing situation.

The expert takes in the whole picture. He trains himself to scan the entire driving scene for a full city block or a half mile on rural roads.

The expert leaves an out for himself by maintaining a

7-Numeral Calling

is coming to Rotan

"WI 7" telephone number prefix to become "735"; last 4 digits of present numbers won't change

ALL Rotan telephone numbers will be changed from two letters and five numerals to seven numerals, effective with the issuance of a new telephone directory this fall.

The number prefix "WI 7," will be changed to "735," for technical reasons to make possible additional telephone improvements in the future.

However, the last four digits of each telephone number will remain the same.

For example, "WI 7-2299" will become "735-2299."

Easy to Use, Fewer Errors

Rotan will be one of the first Southwestern Bell cities in Texas to conform with the new nationwide numbering plan of all-numeral telephone numbers.

This type of numbering is common in many other parts of the nation.

Experience in other cities where all

numeral telephone numbers have been introduced has indicated that such numbers are easy to use, and that fewer mistakes are made in dialing them.

Numbers in New Directory

The new numbers will be contained in the new fall telephone directory.

Customers who use printed material bearing their telephone numbers will want to be sure to use the new "735" numbers in ordering material which will be used after the change.

WE believe that you will find this new up-to-date numbering system simple and more trouble-free to use. It will pave the way for future improvements. And Rotan, as in the past, will continue to be in the forefront of telephone progress.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT
NUMBER TEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 65 proposing an Amendment to Section 3-b of Article VII of the Constitution of Texas providing that school taxes theretofore voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by a change in boundaries nor shall bonds voted, but unissued, at the time of such change, be invalidated by such change; authorizing the levy of taxes after such change without further election in the district as changed; providing an exception in the case of the annexation or consolidation of whole districts; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 3-b of Article VII of the Constitution of Texas be amended to be and read as follows:

"Section 3-b. No tax for the maintenance of public free schools voted in any independent school district and no tax for the maintenance of a junior college voted by a junior college district, nor any bonds voted in any such district, but unissued, shall be abrogated, cancelled or invalidated by change of any kind in the boundaries thereof. After any change in boundaries, the governing body of any such district, without the necessity of an additional election, shall have the power to assess, levy and collect ad valorem taxes

on all taxable property within the boundaries of the district as changed, for the purposes of the maintenance of public free schools or the maintenance of a junior college, as the case may be, and the payment of principal of and interest on all bonded indebtedness outstanding against, or attributable, adjusted or allocated to, such district or any territory therein, in the amount, at the rate, or not to exceed the rate, and in the manner authorized in the district prior to the change in its boundaries, and further in accordance with the laws under which all such bonds, respectively, were voted; and such governing body also shall have the power, without the necessity of an additional election, to sell and deliver any unissued bonds voted in the district prior to any such change in boundaries, and to assess, levy and collect ad valorem taxes on all taxable property in the district as changed, for the payment of principal of and interest on such bonds in the manner permitted by the laws under which such bonds were voted. In those instances where the boundaries of any such independent school district are changed by the annexation of, or consolidation with, one or more whole school districts, the taxes to be levied for the purposes hereinabove authorized may be in the amount or at not to exceed the rate theretofore voted in the district having at the time of such change the greatest scholastic population according to the latest scholastic census and only the unissued bonds of such district voted prior to such change, may be

subsequently sold and delivered and any voted, but unissued, bonds of other school districts involved in such annexation or consolidation shall not thereafter be issued."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 3-b of Article VII of the Constitution of Texas providing that taxes or bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

"AGAINST the amendment to Section 3-b of Article VII of the Constitution of Texas providing that taxes or bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective on and after the date of its adoption.

Sec. 3. The Governor shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and Laws of this State.

Proposed CONSTITUTIONAL AMENDMENT NUMBER ELEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966. SENATE JOINT RESOLUTION NO. 19 proposing an Amendment to Section 49-d, Article III of the Constitution of the State of Texas, declaring state policy regarding optimum development of water reservoirs; providing for the use of the Texas Water Development Fund under such conditions as the Legislature may prescribe by General Law in the acquisition and development of storage facilities and any system of works properly appurtenant thereto; providing for the sale, lease or transfer of such facilities under General Laws; providing for long-term contracts for water storage facilities; authorizing the issuance of an additional \$200,000,000 in bonds by the Texas Water Development Board upon a two-thirds (2/3) vote of the elected members of each house; providing that anticipatory legislation shall not be invalid because of its anticipatory character; providing for the necessary election, form of ballot, and proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 49-d. It is hereby declared to be the policy of the State of Texas to encourage the optimum development of the limited number of feasible sites available for the construction or enlargement of dams and reservoirs for conservation of the public waters of the state, which waters are held in trust for the use and benefit of the public. The proceeds from the sale of the additional bonds authorized hereunder deposited in the Texas Water Development Fund and the proceeds of bonds previously authorized by Article III, Section 49-c of this Constitution, may be used by the Texas Water Development Board, under such provisions as the Legislature may prescribe by General

Law, including the requirement of a permit for storage or beneficial use, for the additional purposes of acquiring and developing storage facilities, and any system or works necessary for the filtration, treatment and transportation of water from storage to points of treatment, filtration and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods; provided, however, the Texas Water Development Fund or any other state fund provided for water development, transmission, transfer or filtration shall not be used to finance any project which contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing fifty-year period within the river basin of origin, except on a temporary, interim basis.

"Under such provisions as the Legislature may prescribe by General Law the Texas Water Development Fund may be used for the conservation and development of water for useful purposes by construction or reconstruction or enlargement of reservoirs constructed or to be constructed or enlarged within the State of Texas or on any stream constituting a boundary of the State of Texas, together with any system or works necessary for the filtration, treatment and/or transportation of water, by any one or more of the following governmental agencies: by the United States of America or any agency, department or instrumentality thereof; by the State of Texas or any agency, department or instrumentality thereof; by political subdivisions or bodies politic and corporate of the state; by interstate compact commissions to which the State of Texas is a party; and by municipal corporations. The Legislature shall provide terms and conditions under which the Texas Water Development Board may sell, transfer or lease, in whole or in part, any reservoir and associated system or works

which the Texas Water Development Board has financed in whole or in part.

"Under such provisions as the Legislature may prescribe by General Law, the Texas Water Development Board may also execute long-term contracts with the United States or any of its agencies for the acquisition and development of storage facilities in reservoirs constructed or to be constructed by the Federal Government. Such contracts when executed shall constitute general obligations of the State of Texas in the same manner and with the same effect as state bonds issued under the authority of the preceding Section 49-c of this Constitution, and the provisions in said Section 49-c with respect to payment of principal and interest on state bonds issued shall likewise apply with respect to payment of principal and interest required to be paid by such contracts. If storage facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment.

"The aggregate of the bonds authorized hereunder shall not exceed \$200,000,000 and shall be in addition to the aggregate of the bonds previously authorized by said Section 49-c of Article III of this Constitution. The Legislature upon two-thirds (2/3) vote of the elected members of each House, may authorize the Board to issue all or any portion of such \$200,000,000 in additional bonds herein authorized.

"The Legislature shall provide terms and conditions for the Texas Water Development Board to sell, transfer or lease, in whole or in part, any acquired storage facilities or the right to use such storage facilities together with any associated system or works necessary for the filtration, treatment or transportation of water at a price not less than the direct cost of the Board in acquiring same; and the Legislature may provide terms and conditions for the Board to sell any unappropriated public waters of the state that might be stored in such facilities. As a prerequisite to the purchase of such storage or water, the applicant therefor shall have secured a valid permit from the Texas Water Commission or its successor authorizing the

acquisition of such storage facilities or the water impounded therein. The money received from any sale, transfer or lease of storage facilities or associated system or works shall be used to pay principal and interest on state bonds issued or contractual obligations incurred by the Texas Water Development Board, provided that when moneys are sufficient to pay the full amount of indebtedness then outstanding and the full amount of interest to accrue thereon, any further sums received from the sale, transfer or lease of such storage facilities or associated system or works may be used for the acquisition of additional storage facilities or associated system or works or for providing financial assistance as authorized by said Section 49-c. Money received from the sale of water, which shall include stand-by service, may be used for the operation and maintenance of acquired facilities, and for the payment of principal and interest on debt incurred.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

"AGAINST the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

Leader Says Funds Necessary For Cotton Promotion

Lubbock, Texas, Aug. 17 (Special) — If cotton farmers get the facts, they will vote for a uniform collection of research and promotion funds in the referendum later this year, a producer leader said here today.

Speaking at a joint annual stockholders meeting of cotton cooperatives on the Texas High Plains, Russell Griffen of Fresno, Calif., called for an all-out effort to put facts on cotton's present situation before farmers.

"We can settle for nothing less because the decision we make this year is, in a very real sense, whether we intend to have a future for cotton," the Cotton Producers Institute trustee chairman said.

Pointing out the job boils down to one of communication, Mr. Griffen stated, "All we have to do is to let farmers know the facts, and they will make the right decision."

Cotton farmers know they are in trouble. They can see this in the all time high carry over which has forced a drastic cutback in acreage and production this season, he explained.

"What we must do is explain to farmers why they are in trouble and what they can do about it," Mr. Griffen said.

Acreage losses are the direct result of not selling enough cotton. Unless these acres can go back to cotton, they will go into other crops or remain idle, he declared.

Higher-priced man-made fibers, Mr. Griffen pointed out are taking over cotton markets mainly through massive spending -- over \$200 million a year -- on research, new product development, and every form of advertising and promotion.

Cotton has a wonderful chance to reverse the trend in markets and acreage if it gets a realistic research and promotion program. The uniform collection approach which farmers will vote on in the referendum is "the only one capable of raising the big money we must have," Mr. Griffen stated.

He cited successes in CIP's cooperative advertising program and development of all-cotton durable press fabrics as examples of what can be accomplished when cotton takes advantage of its opportunities.

The trustee chairman called for the cooperation of producer organizations, allied groups, individual firms, the press, and "every medium available to us" in getting the facts of cotton's situation before some 500,000 growers across the Belt.

At the meeting Mr. Griffen accepted checks more than \$820,000, representing CPI support on the 1965 crop by grower members of the High Plains cooperatives.

Praising this action, Mr. Griffen said CPI trustees from all areas have pledged their best efforts in working to maintain maximum collections under the existing finance plan on the 1966 crop.

He emphasized this is vital so that growers can move toward the new program without sacrificing any of the initiative and momentum of the present research and promotion efforts.

Mr. and Mrs. J. A. Gustason and children Johnny and Jodi left Saturday to return to their home in Alexander, Minn. They had spent the summer in Abilene and visited relatives here several times. Mrs. Gustason is the former June Ann Day.

Side-stepping may bring temporary relief, but it will never get you where you want to go.

Former Hiway Foreman Dies

James Wilbert Sewalt, 76, of Jayton, a pioneer Kent Countian, and a retired Texas Highway Department foreman died Friday, August 5 at 8:25 p.m. in the Hamlin hospital. He had been in ill health for some time.

Funeral services were held in the Jayton First Methodist Church with Tommy Ewing the pastor officiating. Burial was at 4 p.m. Sunday, August 7, in the Fluvanna cemetery, with Masonic rites.

He was born Dec. 16, 1889 in Mason County. He came to Kent County in 1929 from Fisher County.

He and Belle Stavely of Fluvanna were married Oct. 31, 1909. He retired from the Highway Department in 1954. He was a member of the Church of Christ and of the Roby Masonic Lodge.

Mr. Sewalt served as foreman of the Texas Highway Department in Roby for several years, coming to Fisher County from Post, where he held the same position.

Survivors are his wife, two sons, W. A. of Denton, and J. A. of Victoria; two daughters Mrs. Beal Murdoch of Jayton and Mrs. Robert E. Holley of Corpus Christi; two sisters; Mrs. Mary Belew of Fluvanna and Mrs. Eunice Nesbitt of Kermitt, 11 grandchildren and two great grandchildren.

Pall bearers were W. C. Dibrell, L. E. Browning, Z. L. McAteer, Floyd Hall and Dale Moore and Wilbur Du-boise.

Christian Science Sunday Service

Great is our Lord, and of great power: his understanding is infinite." This well-known verse from Psalm 147 is the Golden Text for this week's Bible Lesson-Sermon on "Mind" to be read in all Christian Science churches on Sunday.

Included among the explanatory readings from the denominational textbook, "Science and Health with Key to the Scriptures; by Mary Baker Eddy, will be these lines: "Nothing is new to Spirit. Nothing can be novel to eternal Mind, the author of all things, who from all eternity knoweth His own ideas. Dity was satisfied with His work. How could He be otherwise, since the spiritual creation was the outgrowth, the emanation, of His infinite self-containment and immortal wisdom?"

Mahurin-Donham Vows Said Saturday

Wedding rites were read in Fourth and Elm Church of Christ, Sweetwater Saturday afternoon for Martha Lou Mahurin and Doyle Leon Donham of Rotan.

Parents of the couple are Mr. and Mrs. J. H. Mahurin of Kilgore and Mr. and Mrs. Luther Donham of Rotan.

Claude A. Brown, Lamar St. Church of Christ minister, officiated.

C. P. Brothers presented the bride in marriage. LaVon Donham was her only attendant.

Melton Field was best man. Ushers were James Medlin of Odessa, Bob Garrison of Houston and Jimmie Nixon of Hurst.

Jeanie Medlin of Odessa and Robert Callan of Rotan lighted candles.

The bride's gown with full chapel train was of ivory brocade with empire bodice and A-line skirt. A pillbox hat held her veil. She carried rosebuds and stephanotis on a Bible.

Empire styling of the bride's gown was repeated in Miss Donham's dress of pink crepe. Her circular veil was caught to a pink pillbox hat. She carries pink glameillas.

Reception was at the church.

Following was a trip to South Texas, the couple will be at home after Aug. 1 at 1004 Sixth St., Rotan.

The bride is a graduate of Kilgore High School, Kilgore College and Abilene Christian College where she received a bachelor of music education degree. She will receive a master of elementary education degree in August. She is a teacher in Rotan Public Schools.

The bridegroom is a Roby High School graduate and attended Cisco Junior College, is employed by the Texas Highway Dept.

Price Family Held Reunion at Dublin

The first annual Price family reunion was held Sunday, August 7, in the Dublin Community Building, Dublin, and it was voted by the family to make this an annual family reunion somewhere in Erath County. This Price family reunion was held by descendants of Samuel Thomas Price and Mary Anne Agnes Price who moved to Erath County, Texas around the year of 1849 and operated a grocery store and blacksmith shop in Dublin in the early 1880's. One of the Price descendants had a report card of John Walter Price who attended the Dublin Public Schools and the card was dated Oct. 29, 1881 and signed by W. J. Clay, teacher.

Those attending were: Marie Blankenship, Stephenville, Mrs. Della Wilkes, Mr. and Mrs. Johnny Harkins, Mrs. Homer Wilkes, Dallas, Mr. and Mrs. J. A. Wilkes Jr. and 3 children, Stanton; Mrs. Lillie Price Stephenville, Mr. and Mrs. Wiley Jones, Mr. and Mrs. J. T. Carr; Mrs. Una Hibler, Wichita Falls; Mr. and Mrs. Elvis Ott, Mr. and Mrs. Ernest Ott; Vera Ott, Strawn, Mrs. Edith McCollister, Bisbee, Ariz; Mrs. Ivan Price, Modesto, California; Mr. and Mrs. Reuben L. Price; Mr. and Mrs. Dewayne Foster, Lamesa, Mr. and Mrs. S. M. Cayce, Dallas, Mr. and Mrs. L. M. Hedgpeth, Lubbock; Mrs. Gertrude Nemeth and grandson, Roger Simmons, Odessa; Mr. and Mrs. Preston Waynick, Graham, Mrs. Pearl Wilson, and grandson, Earl Wilson, Amarillo. Also there were some 14 friends and visitors present at the reunion.

Stamford Jaycees Sponsor Cotton Queen Contest

The Stamford Jaycees are co-sponsoring the Rolling Plains Queen Contest along with the Rolling Plains Cotton Growers for 1966. The event, a part of the overall cotton promotion program of the Rolling Plains Cotton Growers, will be held in Stamford on Friday night, August 26, at the High School Auditorium beginning at 8:00 P.M.

All counties in the Rolling Plains have been urged to enter a representative in the contest. County Home Demonstration Agents have been coordinating the selection of the entries from their respective counties. It is expected that 12 counties will be represented. Entries received through August 10 include Jones, Fisher, Taylor, Coleman and Haskell counties.

All entries will receive a cotton outfit as compliments from Carhart of Texas, Inc. in Stamford. Winners and first and second runners-up will receive an all-expense paid trip to the State Cotton Queen Contest in Dallas during the State Fair.

A bale of cotton will be given away at the conclusion of the contest to someone in attendance. Admission to the contest will be gained by wearing some type of all cotton apparel.

A Cotton Pixie Queen Contest for young ladies of 6 years of age or under will also be held. Entries will be limited to the first twenty received at the Stamford Chamber of Commerce.

Judges for the contest will be Miss Lanna J. Wallace of Kaufman, Texas, (1965 Texas Cotton Queen), Mr. Dale Cox, Director of the Cotton Research Committee of Texas, and Mr. Kent Bennett, field representative of the National Cotton Council of America.

The spotlight of the Rolling Plains will be on "King Cotton" for one night and some young lady will be crowned "Queen." It is hoped that with more cotton publicity that more all-cotton merchandise will be demanded by the people of the Rolling Plains, And, in turn, that we can again grow more cotton for a better price.

Tax Man Sam Sez--

When Congress passed the highway building program, they imposed a highway use tax on large trucks and busses. If you own a truck or bus, you may be among the taxpayers who must file a highway "tax return this month. Owners of certain trucks and truck tractors and busses in use during July must file a Form 2290 and pay a yearly highway tax before August 31. Publication 349, available at local Internal Revenue Services tells you whether you are liable or not.

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966. HOUSE JOINT RESOLUTION NO. 37 proposing an Amendment to Article III of the Constitution of the State of Texas by adding thereto a new section, Section 51-d, so as to provide for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen; providing for the necessary election, form of ballot, proclamation, and publication. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Constitution of the State of Texas, be amended by adding Section 51-d to read as follows:

"Section 51-d. The Legislature shall have the power, by general law, to provide for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or of full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State on the first Tuesday after the first Monday in November,

1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties using voting machines, the above provision for voting, for and against this Constitutional Amendment, shall be placed on said machine in such a manner that each voter may vote on such machines for or against the Constitutional Amendment.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this State.

The Bible, "God's holy word," is still the best seller, and most quoted book. From the original Greek and Hebrew this book has been translated into many languages.

Through the centuries men have devotedly studied and sought out the truth in the Bible. When one reads the Bible with an open mind, God's word is "as sharp as a two edged sword."

Attend Church Sunday and study God's word.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
