Economists blame recent price increases on inflation . . . shortages . . . the weather . . . higher production costs. But as always, we are doing our darndest to hold the price line, or least, hold any forced increases to the absolute minimum. We search the wholesale markets for LOWER food prices and tell you them in our ads and feature them in our displays. If you're paying more elsewhere for your favorite foods — WHY? **Seniors Discover Mercury Appetite**

Seniors Mike Rushing, Stanley Edwards, and Frankie SoRelle keep their rings in their pockets when mercury is present. It began in physics class when Mr. Noe was showing the students some mercury on their rings while they were handling it.

At end of the period they noticed that their rings had turned white. The mercury was slowly eating away at the gold rings. They took them to the jeweler who polished off the mercury before it did any damage.

## EDITORIAL . . . . . Student School Spirit-Is It Important

"Go Hammers!" "We want a touchdown!" "Yea team, We're the champs!" Then echos the brass and lively march tunes of the band heralding our team to victory. The excitement and suspense was felt by everyone, or was it?

During the week the halls are colorful and alive with catchy signs, slogans, and displays concerning the coming week's battle. The band is busy marching and playing to be ready for the big game. Boys on the team spend many hours during the week to prepare for their Friday night rivals. The feeling of excited suspense mounts with each approaching day until the game, only to be boosted higher at the pep rally, and then be brought to a climax at the game.

Having this feeling makes one proud and happy to be a part of the school. Without this spirit every activity of the school would be meaningless and useless. During the football season, most people think of it as pertaining to the football games, but when they end, it should carry over to support every activity where the entire school is concerned.

This year's spirit is the best we have had in a long time. Almost everyone has it, but "almost" is not enough. To be the best school, everyone must be included.

## Local FFA Chapter Elects Officers

Rotan chapter of Future Farmers of America elected officers Wednesday, Sept. 28. Officers elected are as follows:

President, Perry Hunsaker; Vice President, Donald Gruben; Secretary, Glenn Murphree; Reporter, Terry Flody; Treasurer, Curtis McQueen; Sentinel, Luther Yanez; Council Delegate, Larry Carver.

F.F.A. dues were raised to \$2.50.

Earnest Kiker

The key words are "participation" and "care." If you do no more than yell at the pep rallies, buy a football ribbon, or participate in color day at least you are becoming "involved." After you have done something to help this spirit, make it complete by caring enough to support the team. Go to the games whenever possible, and always be optimistic and encourage the team. Although you may not realize it, the student body controls a good part of the way the team plays and the outcome of the game. If they are behind them 100 percent, the term has a much better chance of winning than they would if we did not care at all.

Why not start now and really work hard to make this year's spirit be 100 percent. Make the motto of our school, "We've got the Spirit!"

## Color Day Helps Boost School Spirit

Color Day is sponsored by the student council each Friday. The purpose of Color Day is to boost school spirit.

The majority of students take part in this activity. This eliminates the football boys because Coach Monzingo has requested that the boys wear suits and ties on Color Day. Orange ties have been ordered for the football boys.

Signs have been posted in the hall to remind the students to wear orange and white and help support the Yellowhammer team.

**THE CHURCH FOR ALL...  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## What's Inside?

WHAT MAGIC INGREDIENTS DO THESE BOTTLES CONTAIN? Do they hold harmful, injurious poisons? Or are they filled with healing medicines and vitamins? Will they inflict pain, or will they cure disease?

But what does it matter? If the contents are bad, we can pour them out.

But the minds of children is an entirely different matter. A small human being can be filled with selfishness and hate, or he can be filled with sincerity and love. Unfortunately, evil is more quickly dispelled from a glass bottle than from the soul of a child. For in the human mind bad thoughts can grow, and as time goes on, it is more difficult to replace them with truth and love.

That is why it is so important to instill within our children a sense of right and wrong at an early age. Of course, by example, "you" can be a tremendous influence. But you need the help of your church—the wisdom of Christ's teachings. With them, you can fill your heart with the essential ingredients for a happy and fruitful life.
