Phone Nos. To Change Nov. 21

All Number Calling, to be introduced here November 21 is "the coming thing in the telephone industry," according to Mike McCoy, manager for the Southwestern Bell Telephone Company. McCoy said the system which is scheduled to be introduced here this fall will gradually become effective across the nation and then across the world. "It is already in effect in many large cities in the United States and in foreign countries," he said. "For example, two of the large cities I know of in the West that have this system are Albuquerque and Denver — and in Texas, Wichita Falls has had this system for years. It is also in use in San Angelo and many other cities in West Texas."

McCoy said the system was born of necessity. The telephone industry realized that eventually it will run out of telephone numbers using letters and numbers combination. In addition, direct distance dialing to overseas points will go into effect soon and names and letter abbreviations can differ in each language. But numbers are universal — no matter how you pronounce them. We haven't run out of telephone numbers consisting of the old two letter, five digit combination, yet," the manager said, "and I don't mean to imply that we are. But, eventually we will. The possible combinations of letters and numbers is limited. For example, at the present time we do not even use the letters "Q" or "Z" on the dial because of the limitation of central office names we could get from them. This means that we have only 24 letters to work with instead of the full 26 in the alphabet McCoy also pointed out that telephone numbers cannot be duplicated in certain areas of the country. He pointed out that the telephone company has divided the United States into "areas" for the purpose of Direct Distance Dialing. Each area is designated with a three digit area code, such as 915 — the area code for Rotan. "Each telephone number within that area code must be different," the manager said. "And as the number of telephones within a certain area increase — the possible telephone numbers consisting of letters and numbers combination decrease. However, with telephone numbers consisting of digits only — the combinations are almost limitless."

Jaycee Halloween Carnival Plans Being Completed For Monday Nite

Springer Named 'Coach of Week'

Booster Club meeting Monday night gave report on the shotgun recently awarded to Mrs. Betty Patton. The Club realized \$133 in donations on this project.

James Springer was selected as Coach of the Week, with Archie Overby back of the week in Roscoe game and Glenn Murphree linesman. In Aspermont game Perry Hunsaker was named back of week honors and David Hargrove linesman.

Scout report on Merkel was given and Merkel-Anson game film shown, as well as Rotan-Aspermont.

The Club expressed their appreciation for all donation on the shotgun project.

No. 10 To Vote At Com. Center

Melvin Clements, election judge of Rotan voting box 10 announces he will hold general election at Community Center building, Tuesday, November 8th.

Voting hours will be 8 a.m. to 7 p.m. Election officials will have much work to do this time even if the expected light vote prevails. The 16 amendments to state constitution will require much of the details.

He asks cooperation of voters in this respect by voting as early as convenient.

Burnes Is Radio Man in Viet Nam

Pfc. Bill R. Burnes, son of Mr. and Mrs. Earl Ray Burnes, is now stationed in Viet Nam.

Pfc. Burnes was in a special radio school on Okinawa. There he learned to operate radios that reach short distances to radios that reach around the world.

Burnes is stationed with an artillery unit out of Da Nang. He is a member of a Forward Observing team consisting of a 2nd Lt. and three Pfc's. Their job is to locate and radio Viet Cong positions to Artillery Headquarters.

His address is: Pfc. Bill R. Burnes 2193072, U.S.M.C., 1st Battalion, 11th Marines, "A" Battery, F. O. Team, F.P.O., San Francisco, Calif. 96602.

Mrs. Charles Signor of Lubbock visited her mother, Mrs. H. C. Shelton Tuesday.

Mr. and Mrs. C. N. Head and Tommy of Abilene, Mr. and Mrs. Jack Rister and family of Sundown visited their parents and attended Hobbs Homecoming over the weekend.

All plans point to another successful Jaycee Halloween Carnival. The event to be held in school gym with various types booths for entertainment.

Some booth space is still available and Mr. Becker at Winn's is in charge of this phase of the event. Various clubs, business houses and other organizations will have booths.

This project has proven very beneficial in giving our youth good clean entertainment for Halloween Nite and holding down vandalism.

The Jaycees are to be congratulated on this worthy event.

Military Service For J. Hargrove

Warrant Officer James Weldon (Jimmy) Hargrove, 37, a helicopter pilot based at Soc-Trang southeast of Saigon in South Viet Nam, was killed in action at 2 p.m. Tuesday, Oct. 18th when he was struck by enemy automatic weapons fire while flying his helicopter.

He was the first Fisher County native to become a casualty of the Viet Nam war.

Military funeral service was held at 2 p.m. Wednesday from First Baptist Church with Rev. Billy Hudson officiating. Burial was in Belview cemetery with pallbearers, Darrell and Preston Underhill, Joe Mack Hargrove, Bill Day, Charlie Joe Helms, Joe Dale Burk, Dwight Nowlin, and Bart Strayhorn.

Honorary pallbearers were members of the Rotan Fire Department.

Born and reared in Rotan, he was the son of Mrs. Rob Hargrove and the late Rob Hargrove. His wife, Nora, resides in Mineral Wells.

Other survivors include one son, Belton of Kingsville; three brothers, Dr. Robert Hargrove of Snyder, Berniece Hargrove of Rotan and Laverne Hargrove of Farwell, Tex.

Before joining the Army for service in Viet Nam, Hargrove had served 13 years in the Navy as a pilot. He left the U.S. Feb. 5, 1965, for a year's tour of duty in Viet Nam. He returned home on a 30-day emergency leave when his father became ill and died May 12, 1966.

Former Resident Dies At New Braunfels Fri.

Mrs. Charles Sartor Witham of New Braunfels died Friday following an extended illness. She was an early resident of Rotan, being the daughter of the late Dr. and Mrs. E. R. Sartor, coming to Rotan from Baird in 1908. She was also sister of the late R. D. Sartor.

Funeral service was held at New Braunfels Sunday, Mrs. Elvia Sartor and Mrs. R. L. Springer attended the funeral.

Mrs. Witham taught in the Rotan and Wright schools and is remembered by her many friends.

Mr. and Mrs. Claude Fletcher Jr., Paul and Susanne of Houston visited with Mr. and Mrs. O. R. Clark Thursday.

Hammers Take Second 6-A Win

Rotan's Yellowhammers took their second 6-A win at Aspermont with the Hornets 42-20. The Hammers were plagued with injuries before the game, and took the win slightly handicapped.

Fans saw some exciting line work on offense by Charles McCall, Larry Helms, Marshall Harriman, Perry Hunsaker, Glen Murphree, and Gerald Ashbrook. On defense with Donnie Powell, Gerald Ashbrook, Robt. Paten, Perry Hunsaker, Glen Murphree, Charles McCall, Larry Helms and Larry Van Loon. Also David Hargrove and Larry Helms intercepting 3 of the Hornets passes, Hargrove with two and Helms one. This makes four interceptions for Hargrove, who is leading district play in pass interceptions.

Aspermont was the first to score when they took a Hammer punt in their own territory and scored on a 43 yard pass and run play from Ronald Meador to Jimmy Parker early in the game. The extra point failed.

Rotan was quick to retaliate however, as David Hargrove recovered a Hornet on-sides kick and raced 65 yards for the touchdown. The extra point was no good.

Rotan scored again in the first quarter when Hargrove passed to Charles McCall from nine yards out. Again the extra point was no good. In the second period the Yellowhammers hit paydirt again when Archie Overby scooted around end from 21 yards out and the TD. This time Larry Van Loon made the extra point good as he bulled over for two.

Aspermont was not idle in the 2nd quarter and closed the gap late in the period on 31 yard pass from Meador to Jim Hecht. The extra point was no good.

The Hammers ran away with the third period as they scored on runs of 5 yards by Augie Garcia and Van Loon from six yards out. Van Loon also added a two point extra point while Hargrove threw to McCall for two more.

In the final period iced the game when Van Loon scored from 15 yards out. The extra point was no good.

Aspermont scored late in the game when Meador threw his third TD pass of the night hitting Mike Hill from the five. Danny Frazier ran the extra point.

This Friday night the Yellowhammers take on the Merkel Badgers, a real tough team. This is a key game which could determine the district championship.

Hunt Infant Dies Here Saturday

The infant daughter of Mr. and Mrs. Jerry Hunt of Aspermont died at 3:30 p.m. Saturday at Callan Hospital.

The child was born Friday. Graveside services were held at 3 p.m. Sunday at Double Mountain Cemetery with the Rev. James Woods, pastor of Central Baptist Church of Aspermont officiating.

Surviving are the parents; a brother, Jerry Don Jr. of the home; paternal grandfather, Clyde Hunt of Haskell; paternal grandmother, Mrs. Doris Scallars of Midland; maternal grandparents, Mr. and Mrs. A. G. Parker of Peacock; and two great grandmothers, Mrs. J. W. Hunt of Haskell and Mrs. Fulee Parker of Peacock.

Firemen Win Races At Meet

Rotan was selected as host city for next April 57th semi-annual convention of Mid-west Texas Firemen's Association at the fall meeting in Haskell.

Some 300 persons registered at Haskell for the business session and entertainment. Charles Bennett was on program as leading the pledge of allegiance to the Flag. Chief A. P. Parker gave report of the credentials committee.

Rotan did themselves proud in the race event; taking 1st in ladies pumper hookup; 3rd in men's such event and first in two-man hookup.

The local department is already making plans for the convention here in April.

Hobbs Homecoming Held

Hobbs School biannual Homecoming event was held Saturday with a large crowd of exes attending.

Registration began at 3 p.m. with a program and business session at 4 p.m. and barbecue at 5:30.

The Panthers helped the event by cimaxing their game with Ira Bulldogs to a 12-8 win in district 3-B six man action.

Gary Nettleton and Kenny Martinez, Panther backs, each scored once for Hobbs and end Billy Sterling recorded Ira's one tally late in the fourth quarter.

After the game a social affair was held in the gym.

City Enforcing Dog License

The City has begun enforcement of the recently passed dog license ordinance.

Charge for issuing the license is \$1.00 for males and \$1.50 for females, is good for one year, and owner must bring certificate showing the dog has current rabies vaccination.

This move is aimed at eliminating stray dogs, and keeping down rabies.

Ceramic Show Proves Popular

Rotan Ceramic Club under direction of Mrs. Clay Fowler showed many interesting works with their show last Saturday at school cafeteria.

This was the first such show and it was well received by the public.

Mrs. Fowler and the members expressed their thanks to the school for use of cafeteria, and to everyone who assisted them in any way.

Members showing their work included, Lois Ratliff, Zula Edwards, Viola Hendon Janis Collins, Essie Lee Pierson, Bobby Black, Nettie Powell, Golda Springer, Romie Kersh, Mary Edwards Sr., Angie Bridges, Ruby Cleveland, Edna Gann, Vivian Colwell, Cloma Templar, Billie Ruth Hardin, Kathryn Carrier, Margie Fowler.

Members ill or out of town, Lois Sparks, Joe Pennington, Jeanie McKinney, Opa Hull, Carol Roberts, Ruth Callan, Thaddie Wilson.

Visiting Mr. and Mrs. Bert O'Neal in Snyder Sunday were, Mrs. Cora O'Neal, Mr. and Mrs. Arldie Keener, Mr. and Mrs. Chester Schick and John Schick, Rotan; Mr. and Mrs. Hubert O'Neal and son, Denton; and Mr. and Mrs. Howard Smith and Todd, Lubbock.

First Super Bargain Day Draws Good Crowd And Proves Popular

Fisher County Gold Star Boy

Phillip Maberry

Phillip Maberry, son of Mr. and Mrs. Jerry Maberry, originally of McCaulley, who has recently moved to Duncanville, Texas, has been named 1966 Gold Star Boy of Fisher County, according to James S. Norman, County Agricultural Agent.

Phillip is 15 years of age and was a member of the Fisher County Junior Leaders 4-H club. He is in the tenth grade and attends Duncanville High School.

He has been in club work five years. In addition to the newest honor, he has won county medals, two years, in Beef demonstrations.

Phillip has fed, fitted and shown beef heifers during the five years he has been in club work. He has exhibited heifers at the following livestock shows: County, West Texas Fair, Sweetwater, Fort Worth, El Paso, and San Angelo.

Phillip has been active in other phases of 4-H work. He has held the following offices in his club, vice president, council delegate, and president. He has also developed leadership ability by serving on various committees.

He has attended the District III Boy's 4-H camp and the joint district camp. He has competed in the District III Spring 4-H contests the last two years. In 1965 he and his team mate David Hill won first in the district Forestry Demonstration contest. This spring he won second in the district Public Speaking Contest and tenth in the State contest.

Phillip also took an active part in his community, in school and church.

The Gold Star Award is the highest 4-H Award a 4-H member may attain on a county level. Winners of the award is determined by past and present 4-H work as recorded in his 4-H records. To be eligible the 4-H member must be thirteen years of age or older, have completed three years of 4-H work, and must not have received this award before.

Donor of the Gold Star award is the Texas Agricultural Extension Service.

Purpose of the award is to recognize outstanding achievement, leadership, and contribution to the county 4-H program.

Phillip will be honored at the County Achievement Banquet Saturday night, November 12, and at the District III Gold Star Luncheon in Vernon, Saturday, December 10th.

Rotan's first Super Bargain Day, held last Saturday proved to be a success. Most merchants report local as well as out of town customers took advantage of the specials they offered, and they are already planning for the next such event — Nov. 19.

Your circular will go into the mails several days before each event.

In other attractions held during the day, lucky persons were, Mrs. Andy Shipp, Willis Ogden and Mrs. Jim Armendarez.

Masonic Workshop Monday

Two Masonic Lodges in this area will be honored during a Workshop to be held at 7:30 p.m., Monday, October 31, in the Masonic Temple in Sweetwater.

Hylton Lodge 884 and Roscoe 890 will receive Honor Roll Awards, which are given by the Grand Lodge of Texas in recognition of outstanding attendance at the Spring series of Masonic Workshop programs.

The awards will be presented by James H. Farr of Hermligh, who is chairman of the eight-county Masonic Workshop Area F-2. He will also conduct the meeting.

Farr said that Roby, Rotan and Sweetwater Lodges are also especially invited to attend the Workshop.

Nearly 200 such meetings are held twice a year for officers and members of over 970 Masonic Lodges in Texas. The Masonic Fraternity is the state's largest fraternal group with nearly 250,000 members.

FB Delegates Are Announced

Mr. and Mrs. L. D. Singley and Mr. and Mrs. Lon Weems were named delegates to the State Farm Bureau Convention in Corpus Christi in November during the annual Fisher County Farm Bureau Convention held in the local offices Tuesday night.

George T. McBeth was master of ceremonies.

Seven directors who were elected for a two-year term included Danie Gruben, Mr. and Mrs. L. D. Singley, Jim O'Brian, E. M. Hicks, and Milton Webb and C. C. O'Brian.

Rummage Sales By Methodists

The Methodist Church is sponsoring a Rummage Sale each Saturday for a time. Mrs. R. L. Springer, chairman, states that Saturday, Nov. 6 will be a Bake Sale, with the best of pies, cakes and cookies on display.

The church and pastor as well as ladies handling the event appreciates your patronage. Funds go to furnish the Methodist parsonage.

These sales are held in Kelly building, next door to Porter Locker.

Mr. and Mrs. J. R. Hanson of Fort Worth and L. W. Harris of Big Spring visited their mother Mrs. Louell Harris Monday.

H. T. Fillingim spent last weekend in Dallas with his daughter and family, Dr. and Mrs. Stanley Gilbert.

Current History Class Meets Press

In current history class, Miss Josie Baird, teacher, has organized a "Meet the Press" as on television. The members of the class play the roles of a moderator, and men currently active in world affairs. A controversial topic is chosen, questions are asked, and a debate. This has been done two time this year. First on the subject of the Vietnamese war and the other topic, Civil Rights.

1-2-3 Hear That Beat Listen To Potpourrios

The "beat" generation may soon see some new citizens added to its honor holl of members. A new group that is now in the making may reach heights never before imagined.

Who are they — Marilyn Thompson, Frances Baugh, and Paula Heathington.

What are they — a girls trio self-accompanied by their three guitars.

The girls call themselves Potpourrios, derived from the word potpourri, which means a medley or mixture. This is one reason why this group is unique, because they want to sing a blend of folk folk-rock and western music. The girls said, "None of us like the loud 'yeah, yeah' songs where you cannot understand what the people are saying. We like smooth-sounding songs."

When asked why they started, they said that no one knew very much about guitars and singing, but they thought if they combined and worked together, that they might come up with something. All three girls have had band, piano, and choral work. The lead guitar will be, as they said, "the first one who learns to play." They plan to just play harmonious chords to the songs, but the one who first masters this will probably play an instrumental solo.

The girls said their plans were "To sing and play mostly for our own pleasure and enjoyment. It would be sort of like a hobby. If anyone would like to listen though, we would be happy to play when we become experienced enough."

What the mysterious future holds for the Potpourrios is yet unknown, but I wish them much success.

Pre-College Tests Taken By Juniors

October 18, juniors from Rotan and surrounding areas took the Preliminary Scholastic Aptitude Test, given by Mrs. Hamric in the high school library.

These tests are given to provide students with information early in the school year that can be used in making college plans. The PSAT tests' the students ability to reason with facts rather than to recall and recite them. The scores are reported on a scale of 20 to 80 with a verbal and a math ematical score. By comparison of students' scores with those of several different groups of students, and the academic records, the students can begin to make decisions with the help of the counselor, not only about going to college, but what kinds to consider.

Of the group that took this test were 23 juniors from Rotan, 12 from Hobbs, 12 from McCauley, and 18 from Roby. Scores will be sent to their school in December.

Modern Clothing or The Word Mod

The clothes of people have always been made to suit the climate, occasion, and mood. From Adams' fig leaf to the Presidents' top hat everything has always had a purpose.

During the 1800's, people were moving westward and they dressed accordingly — more practical and serviceable garments were worn — but still with a flare for style.

Then came the 1900's and a change, sometimes considered shocking, but never-the less a change. In the early 1900's the "plain look" was "in". The Gibson girl with shorter skirts and plain styled blouses was considered "chic." By 1912 the style had taken a cultured look, the style of the ballet dresses. 1914 brought the hobble skirts and continued until after World War I broke out.

The war ended and so seemingly did the fashion world. 1920 brought the "flipper age" with short skirts, long waists, and way out hose, shoes, and even for men. There was a period of "down to earthness" between 1929 and 1950, but then everything seemed to go "mad."

The 60's have brought about the most comment. Adam's leaf was to hide his nakedness — but what can the purpose of the Adams of today clothes be? From long haired boys with "mod" clothes to short haired girls with the "no" look. It appears that fashion is no longer a fashion.

R. H. S. has not completely escaped today's fashions. As I look around the halls of R.H.S., I see girls with wild hairdos and long earrings — but evry few! There are some boys who insist upon wearing "mod" clothes and, even have rather long hair!

R. H. S. however, is mainly made up of students who look like students—that is those who are well dressed and "chic" in fashion, but not all out on the latest "craze." It should be noted that one can always find the latest styles in the Rotan Department Stores and also, that the students of R. H. S. are abreast of the times in fashion.

Faces From Past Appear - H-comng

At the homecoming game there were many people from out of town.

As the crowd was surveyed, many faces were seen which were recognized as having been seen in the halls of R.H.S. in the past few years.

Some of these faces belonged to people who now live in Rotan and some like Zana Thompson, Steve Edwards, Jimmy Heathington, Judy Byrd, David Canfil, Carolyn (Pooky) Hale, Jesse Hudnall, Wayne McCombs, Linda Murphree Byrely, Sunny Partin, Diana Phillips Dycus, and Billy Dycus, who graduated in 1965 and are at colleges or live elsewhere.

The class of 1966 was also represented by the appearance of Rodney Tankersley, Susan Allen, Cyndy Berry, Mary Jane Corhn, Mary Donham Parker, Sandy Herron, Rebecca Crawford, Larry Landes, Clyde McKimney, Sandy McCombs Rivers, Don Sexton, Gary Strickland, Byrde Thomas, and Mike Thornton.

Other classes were also represented by Le Roy Rivers, Mike Byrel, Rickly Baily, Marky Browning, Ronnie Morton, Ronnie Tunnel, Dallett, Jim Nowlin, Kinney Mc-ton Phillips, Marshall Ben-Casland, Jimmy Hughes, Jack and Celia Waldrop, Judy Whitefiled Hayes, Sharron Hale Terry, Kris Hill, and Gloria Snapp.

The people identified in the crowd by no means was all the Exes — but due to limited space, only the very recent Exes could be listed, and this was only a partial list.

Victory Bell Gets Red Coat of Paint

Vandals, Saturday the 15, broke into Hammer Stadium. Their purpose was to give the Victory Bell a new coat of paint. The bell was discovered painted red Sunday.

Roby and Aspermont are probably very happy with this change. The bell will be repainted soon.

Greg Thompson, son of Mr. and Mrs. Claude Thompson, Jr., of Haskell, and grandson of Mrs. W. C. Sargent, is mascot for the Haskell Indians. Greg is sponsored by the senior class, but had to be voted on and elected by the seniors and pep squad. He carries a "Peace Pipe" to every game and says, "The Indian Squad Comes in peace, but comes to win."

Greg is only nine; however, he is a full fledge Haskellite Indian and believes in putting all he's got into all his activities.

Fire Prevention Week Observed

Each year all high school students are required to participate in Fire Prevention Week. The sophomores and seniors write themes. The title for the seniors themes this year was "Fire Hazards and Preventions in My Own Home." The sophomores theme title was "How I Can Prevent Fires."

The freshmen and juniors are required to make Fire Prevention posters. These posters are evaluated by several of the local firemen and those selected are entered by the school, in the State Poster contest and become the property of the State Board of Insurance. No school may submit more than one poster from each section of a grade. Posters must be original and may be on any phase of fire prevention of general interest. All posters must be mounted on cardboard. They cannot contain live matches. Posters must be individual work (not room project.)

This contest is made possible by the Cravens, Dargan and Company, Insurance Managers of Houston, Texas.

From brooder to broiler this tender bird used just one kilowatt hour of electricity. And because of electricity she grew to a

faster, healthier maturity. Whether she is destined to be a layer or a fryer, power from MIDWEST ELECTRIC COOPERATIVE will play a part in her future as well. Egg processing plants in rural areas operate electrically and it's amazing how fast electricity can pick a plump chicken and freeze it for the frying pan. In the home, on the farm, in every field of rural endeavor . . . MIDWEST ELECTRIC COOPERATIVE is Helping Texas Grow.

Powell Misses On Burlleson

Washington - Harlem Rep. Adam Clayton Powell's sharp attack on Rep. Omar Burlleson of Anson has run afoul of the facts, according to the daily press.

Burlleson is chairman of the House Administration Committee which has launched an investigation of Powell's alleged freewheeling ways with federal money.

Powell charged that Burlleson took his wife on a junket to Hawaii at the expense of taxpayers.

The truth is that Mrs. Burlleson has never been to Hawaii, although the congressman has been twice - in the middle of World War II when Burlleson was a Navy officer, his ship pulled into Pearl Harbor twice, once to refuel and once for repairs.

High School Seniors Attend College Nite

Thirty-nine Rotan Seniors attended College Night held at Cooper High School, October 18.

College Night started with Joe Willoughby, Cooper High School Student Council President, calling the meeting to order. Joe then introduced Mr. Escobe L. Webb, Principal of Abilene High School. After the invocation, Mr. Morgan Jones, President of the Board of Education of Abilene Public Schools, welcomed all college representatives and out of town guest.

Afterwards all students went to three different discussion groups, each lasting 30 minutes, to hear a college representative tell about the college he was representing.

Seniors Offered Merchants Not Qualifying Tests Aiding Inflation

Rotan, Roby, McCaulley and Hobbs students who expect to complete their secondary school requirements and to enter college in 1968 can register now to participate in the 1967-68 National Merit Scholarship Program, Counselor Patsy Hamric announced today.

The first step for all students who wish to enter the nationwide competition is to take the National Merit Scholarship Qualifying Test (NMQT), which will be given in the school Tuesday, February 28, 1967.

Participating students pay a \$1 fee, which is remitted by the school to Science Research Associates (SRA), the testing agency. When the test is given on a Saturday, the school may charge an additional fee up to \$1 for special administrative costs of testing on a nonschool day. If a student is unable to pay the testing fee, it will be paid by the National Merit Scholarship Corporation (NMSC) at the request of his school.

In addition to competing for the Merit Scholarships to be awarded in 1968, students can take the test to obtain information useful in planning their future education and careers. With his NMQT scores, each participating student will receive a handbook to help him evaluate his scores, compare his performance with that of other high school students across the country, and give him information on choosing a college and financing his education. The handbook and other interpretive materials are furnished as a part of reporting the test results.

The highest-scoring students in each state will be named Semifinalists and will be eligible for Merit Scholarship consideration. In addition to the National Merit Scholarships financed by NMSC, more than 350 business corporations, foundations, colleges, professional associations, unions, trusts, other organizations, and individuals offer scholarships through the Merit Program.

About 13,440 students have won Merit Scholarships in the eleven Merit Programs to date. Some Merit Scholarships were awarded in 1966 with stipends ranging from \$100 to \$1,500 per year for four college years. The amount of a winner's award is determined by assessing the financial assistance he will need to attend the college of his choice.

17 Rotan H.S. juniors took the NMSQT in 1966.

CHRISTIAN SCIENCE SUNDAY SERVICE

"Have mercy upon me, O God, according to thy loving kindness: according unto the multitude of thy tender mercies blot out my transgressions."

This verse from the 51st Psalm is a part of the responsive reading in this week's Lesson-Sermon titled, "Everlasting Punishment," to be read at all Christian Science services this Sunday.

From the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following passage will be read: "Are we benefited by praying? Yes, the desire which goes forth hungering after righteousness is blessed of our Father, and it does not return unto us void."

The Scriptural readings also include the account of the healing by Jesus of the palsied man at the pool of Bethesda.

Amendments to the minimum wage law will make themselves felt in higher wages, not only for the million directly covered by the law, but in the resulting escalation effects on all wages and salaries. People should remember there are two sides to the coin when wages are increased - costs and prices. Nowhere does this process carry more immediate impact than in the retail distribution industry which operates on very narrow profit margins and consequently is unable to absorb any substantial cost increases.

The mass distribution system of today is an outgrowth of the merchandising technique developed by chain stores that established the policy of moving the greatest possible volume of goods at minimum prices. Were it not for this high-volume, low-price philosophy which now governs the distribution industry, inflation would be exacting an even higher toll from consumers than it presently is. Every retail merchant in the land, however, whether he represents a major chain store system or a one-store enterprise, is in the unfortunate position of being on the end of the line in the inflationary process. As costs rise, the end result must be passed on to the consumer at the retail counter. This is as true of Congressionally enacted increases in the minimum wage as anything else.

So the next time you enter a store and find an item priced higher, do not blame the man behind the counter. Inflation is his enemy too. He gets the kicks from his customers.

What Is TOPS--

TOPS (Take Off Pounds Sensibly) came into being because there was a great need for an organization to help the overweight. Founded in Milwaukee in 1948 by Ester S. Manz, it achieved great success because it has no commercial interests but concerns itself entirely with relief from excess poundage and the study of its underlying causes.

TOPS is a non-profit organization based on the principal of "group therapy." Group therapy in TOPS means getting together a group of people who have a problem in common, discussing it frankly without fear of being laughed at or misunderstood. It is not a "course" of short duration. It is a planned, continuing program dedicated to helping the incentive and inspires the "do it" through friendly fellowship.

Mrs. Manz' theory was first put to the test in January, 1948 when four friends met together around the kitchen table of the Beulah Brinton Recreation Center. From this modest beginning has grown an international organization with 5,494 local chapters located in all 50 of the United States, eight Canadian provinces and twelve other foreign countries. Included in the 150,000 members are men, women and children of all ages, creeds and color.

The success of the program can be found among the TOPS who annually shed tons of unwanted weight and reach their ideal weight goals to become KOPS (Keep Off Pounds Sensibly). The truest test of the value of the plan is the fact that many members have maintained weight losses which range from ten to more than a hundred pounds.

Those who have struggled unsuccessfully have the earnest concern of TOPS Founder and Board of Directors. This concern has brought about the establishment of the TOPS Club, Inc. Obesity and Metabolic Research Program and a grant for the express purpose of the development and maintenance of a project for the clinical study and research of obesity, metabolic reactions and related problems.

H-M To Stage Style Show

The active group for Fisher County Young Homemakers are very busy making arrangements to bring you a Fashion Show, Nov. 7, 7:30 p. m. in Roby High School.

Service Held For White-Alls Mrs. Snodgrass Wedding Oct. 22

Mrs. Audrey Maydell Snodgrass, 78, resident of Snyder for 11 years died at 6:20 a.m. Friday in Cogdell Memorial Hospital following a lengthy illness.

Services were at 2 p.m. Saturday at the First Methodist Church in Snyder with Dr. John A. English, pastor, officiating. Burial will be in Belview Cemetery.

She was born May 7, 1888, at Graham. She was a member of the Methodist Church and the Rebekah Lodge. She married George Thomas Snodgrass in Dickens. He died in 1947.

Mrs. Snodgrass lived in Rotan for a number of years prior to moving to Snyder with her daughter and family, Mr. and Mrs. Bill Smith.

Survivors include two daughters, Mrs. Lena Audrey East of Spur and Mrs. Velma Maydell Smith of Snyder; one son, William Lee of Spur; one sister, Mrs. Florence Peters of Modesto, Calif.; two brothers, Jim Elmore of Seagraves and Henry Elmore of Spur; four grandchildren and eight great-grandchildren.

Sherry Elaine White and Freddie Joe Alls exchanged wedding vows Saturday evening at 7:30 in First Baptist Church.

Reading the double ring ceremony was the Rev. J. N. Shepherd of Calvary Baptist Church, Brownwood.

Parents of the couple are Mr. and Mrs. A. L. White and Mr. and Mrs. J. C. Alls.

V. C. Murphree was soloist and Mrs. Murphree was organist.

The bride, given in marriage by her father, wore a satin and lace gown, with satin chapel train accented with lace. Her veil of illusion fell from a tiara of seed pearls. She carried orchids on a white Bible.

Honor attendants were Connie White, sister of the bride, and Patricia Alls. They wore blue empire gowns with circlet headdresses of matching net. They carried pom mums.

Best man was Donald Ray McQueen, Richard Alls was groomsman, and David White was usher.

Both are graduates of Rotan High School.

The reception was held in Fellowship Hall where Miss Vickie Tankersley and Miss Neva Gable served the wedding cake and punch from a table laid with white net cloth and centered with the bride's bouquet. Silver and crystal were used in serving.

Parents of the groom hosted the rehearsal dinner in the dining room of Friendly Cafe.

Barnes Family Reunion Sunday

The Barnes family reunion was held Sunday, October 23 at the American Legion Hall. A covered dish dinner was enjoyed by all attending.

Among the group were:

Mr. and Mrs. Howard Barnes of Rotan and Mrs. Barnes' daughter Mrs. Frances Newsom of Pikeville, Ky. Mr. and Mrs. Crawford Barnes of Lubbock; Mr. and Mrs. Wyley Barnes, Mr. and Mrs. Cecil Barnes and family, Mr. and Mrs. Joe Duncan of Quanah; Mrs. Travis Conner, Hamlin; Mr. and Mrs. Alvin Ray Barnes and family, Fort Worth; Mr. and Mrs. Roark Barner and family, Coleman; Mr. and Mrs. Dick Gruben and son, Rotan; Mr. and Mrs. W. C. Lockhart of Hamlin.

Regular NROTC Tests Offered

Applications for the Navy's twenty-first annual Regular NROTC qualification test are now available according to Mrs. Patsy Hamric (counselor) at Rotan, Roby, Hobbs and McCaulley schools. This nationwide examination will be given on December 10, and all eligible male high school seniors and graduates may apply.

On the basis of this test, personal interviews, medical examinations, and other factors, Mrs. Hamric explained, over 1,700 young men will enter the Regular NROTC Program as midshipmen at NROTC units in 52 colleges and universities throughout the nation. Male citizens of the United States who will be at least 17 but not yet 21 on June 30, 1967, and who are now high school seniors or graduates, may be eligible to apply for the test. Those who attain qualifying scores will be interviewed and given medical examinations next January and February.

A successful candidate receives financial aid for four years of college. This includes tuition and educational fees, books, uniforms, and \$50.00 per month subsistence allowance. After successfully completing baccalaureate degree requirements and naval training, graduates are commissioned as officers in the U. S. Navy or Marine Corps.

Regular NROTC midshipmen participate in three summer cruises with various naval units. These cruises help them learn more about the variety of interesting and challenging opportunities available to them as naval or marine corps officers.

Registrations for the test will close November 18, 1966. 1967 NROTC Bulletins containing eligibility requirements and qualifying test applications are available from Mrs. Patsy Hamric.

Gift Tea Honors Sherry White

A gift tea honoring Sherry White, bride-elect of Freddy Alls was given October 15 in the home of Mrs. Luther Terrell.

The refreshment table featured an arrangement of gladiolas in a setting of blue and white, the bride's chosen colors.

The bride's sister, the groom's sister and cousins of the bride served at the table and registry.

Concession Is Big Success

The eighth grade parents ran the concession stand at the Junior High football games. This is our one and only way of financing our two annual parties, which are the Christmas Party and the Eighth Grade Banquet.

The Room Parents were in charge of this concession stand. All the food and work was donated by the eighth grade parents. This project was of interest and had much cooperation from all the eighth grade parents because all eighth graders will participate in the two parties.

We are in deep appreciation of the parents who worked so faithfully and especially to the football boys whose games have been of interest to everyone because they were so good. All of the eighth graders thank you very much. —Eighth Grade

Book Review Club Met Oct. 18

The Rotan Book Review Club met in the parlor of the First Methodist Church, Tuesday afternoon, October 18, with Mrs. Jas. B. Day presiding.

Miss Mabel Willoughby, librarian at Hardin-Simmons University, presented a fascinating program in her review of the novel "I Juan de Patega," by Elizabeth Barton De Trevino, which was awarded the 1966 Newberry medal for Juvenile literature. The charming story tells how a young negro slave surreptitiously taught himself to paint while serving his master, a 17th century Spanish artist.

The next meeting will be held on Nov. 15.

Lt. and Mrs. Jimmy Biggam and children of San Angelo visited their parents, Mr. and Mrs. Barney Biggam and other relatives this week. They are enroute to Italy for a tour of duty with the Air Force.

Anonymous Letter To Editor

We received a letter to the Editor for publication this week. It was signed Taxpayers. As we have explained sometime ago these letters must be signed by a person or persons. This has been the policy of the Advance since 1907 and will be continued.

We owe our public and the community an obligation and do believe in free press, but also believe in each one carrying his own responsibility. The letter writer was probably correct in asking that some health hazards be corrected. He had a good letter, well written and phrased, but we will have to stand by our rule on signatures.

Anytime you feel like taking anyone from the Advance to LBJ to task in our columns, just sign, mail or bring it in and we'll see that the majority of citizens in the area read it.

Thanks for your contribution and interest in the welfare of our community.

Mineral Society To Meet Sunday

The Central Texas Gem & Mineral Society will meet Sunday, October 30th, at 2:00 p.m. in the Recreation Building at Fair Park in Abilene.

A report of the Club's recent Field Trip to the Big Bend Country of Texas will be given and a display of material found will be exhibited.

Dr. Allen Andrus, of Anson will give a report on his recent rockhunting trip to Alaska.

Col. Bob Commins, of Dyess, will give the first part of a series — Exhibiting in Federation Shows.

The program will have something of interest to everyone and will be both educational and entertaining. A Door Prize will be awarded and refreshments will be served at the close of the meeting.

Visitors are welcome!

Cecil Lotief, is spending several days here, from Dallas.

Roby OES Has Friendship Nite

Roby O. E. S. Chapter No. 25 met October 20, for their Regular Meeting and Friendship Night. The Program for the evening was "The Book Of Life" presented by members of the Chapter. Special Music on the program was by Mrs. James Norman accompanied by Mrs. Lillian Terry at the piano. Poem recited by Mrs. Jeff Simmons, Ben Simmons, now in Viet Nam wrote the poem and sent it to his family. Salad supper served after the poem in the Dining Room.

Table decorations were made by members of the Fisher County Young Homemakers of Texas. Various pieces of driftwood were placed on black bases. Accessories used with these arrangements were corn tassels, cotton burs, dried roots, hickory nuts, acorns, maize, sunflowers, all sprayed gold to highlight these arrangements. Painted fig leaves of Autumn colors were scattered about the tables.

Guests were present from Sweetwater, Snyder, Rotan, McCaulley, Sylvester, and Roby.

The members of Roby O. E. S. wish to Thank the Fisher County Young Homemakers who decorated the Lodge Hall so beautifully. We received many compliments on the decorations.

Mr. and Mrs. Ollie Buckalew of California, Mr. and Mrs. Walter Buckalew of Jayton visited with Mr. and Mrs. Ervin Hale and all enjoyed dinner with Mr. and Mrs. Dillard Smith and David. Also Mrs. R. E. Hale, Lula Cyphers and Mr. and Mrs. J. P. Cyphers. The Buckalews also visited their uncle, Mr. and Mrs. Leo Clegg in Roby.

Mrs. Marie Cashen entered Hendrick Memorial Hospital, Abilene Sunday and had surgery Monday.

Mrs. Lorena Darden and Mrs. Louise McBeth were in Dallas on business the first of the week.

Horse Sale Aids WTR Center

Another \$4,234 has been added to the operational funds of the West Texas Rehabilitation Center, thanks to the annual Horse Sale phase of the Cattlemen's Round-up for Crippled Children.

The amount is more than double what the 1965 Horse Sale raised.

A total of 53 horses and one goat went to the auction block Saturday at the Abilene Livestock Auction Company. Top selling horse of the sale was "Bill Hemp-hill," a Quarter Horse donated by W. F. Martin of Hamlin. Guy Caldwell of Abilene paid \$375 for the animal.

"David's Scooter," a grandson of "Scooter S" and donated by David K. Danciger of Midlothian, was bought by Joe A. Mize, also of Midlothian for \$235.

The three phases of the Round-Up — cattle, sheep and goat, and horse sales — have raised \$85,740 for the Center, and still another phase is planned.

On November 19th, a "country-store-type" sale will be held in Old Abilene, Town. Featured will be quilts, farm implements, and a little bit of everything," said Shelley F. Smith, WTRC executive director.

The Round-Up provides about one-third of the operation of the nonprofit Center, which provides free treatment to 1,618 patients. Most of the operating expenses come from United Funds and memorial contributions.

Mrs. Larry Weatherman attended the wedding of her niece, Doris Tumbleton to Roger Vinson at Amarillo Saturday evening. Judy, daughter of Mr. and Mrs. Larry Weatherman was a flower girl. J. M. Cobb accompanied her.

Fred Boydstrum and Donald Hull of San Angelo State College visited their parents Mr. and Mrs. Frank Boydstrum and Mrs. J. L. Hull and attended Hobbs Homecoming.

DEMOCRACY and Our FREEDOM of WORSHIP

What fortunate people we are, in these United States of America! Our fathers purchased for us at great cost the priceless privileges of Democracy; the right of a people to make decisions as to their speech, their government and their religion. This means, as William Jennings Bryan used to say, the right to make our own mistakes, and then the responsibility to correct them. In other words we have accepted responsibility to live together for the common good and in mutual goodwill. We must do two things to be worthy at all of this magnificent inheritance: (1) We must seek to understand and to appreciate what Democracy means, and (2) We must see that Democracy works.

The right to vote carries the responsibility to vote. The right to think for one's self requires that we read and discuss and become responsible and well informed thinkers. The right to free speech calls for the self-control and the wisdom which will make our speech of good temper and of helpful counsel to others, who likewise have the same freedom of speech. The right to worship according to the dictates of our consciences summons us to train our consciences so that we shall choose well, surely that we shall worship somewhere. Democracy is the most elevated of systems of economic, of civil, and of religious living, but it is also the most difficult. For it requires so much of those who assume responsibility to govern themselves. There must be self-discipline; there must be the training of youth in disciplined living; there must be high dedication to the common good, as over against selfish behaviour. A man who lives only for himself is an autocrat and not a democrat.

Democracy challenges each of us to think of every other person as a sister or a brother in the universal family of God; every man is a child of God, who merits respect and concern from us.

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial and a strong religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.
