Worship with us and you

will feel at home - Welcome

Today even kindergarten children study current events — they learn about faraway places and people. When they reach Martha's grade, children are extremely knowing about what's going on in other parts of the world.

They soon discover that children in some countries have few clothing and toys—and even more important,

food. Being human, our young Americans want to help.

And they can! They can help clothe and feed the needy. In church, they will develop their natural generation impulses and will leave to great the relates of self-accurate and leve

ous impulses and will learn to grasp the values of selflessness and love.

Children need special preparation for life in our jet world. This means being in tune with the new, but

it also means reaffirming the old.

*Children need to be taught the basic truths of life, the real values, so that in chaotic moments they will still be able to keep their feet planted firmly on the path of faith. Martha is getting the kind of preparation she needs. Is your child equally lucky?

Senior Civics Trip Was May 11-14.

The Senior Civics Class Underwoods in Brownwood on the way to Austin.

At Austin they stayed at the Mt. Vernon Courts and spent Friday, May 12 in Austin. During the stay at Austin the State Capital Building, the Legislative Chambers, the Old Land Office Museum and also the Texas Memorial | Museum were toured. The stay in Austin was concluded with a visit to the University of Texas campus.

The trip was continued and Friday night was spent in shopping and sight seeing. After lunch, a trip was taken to Brackenridge Park and the Zoo. Playland was the next stop and Saturday evening was spent touring it. Sunday was spent in attending Church services and packing, and the trip home concluded the Civics Trip for 1967.

DKG Reviews 25 Year History

Members of Gamma Tau Mrs. B. F. Clawson and chil-Chapter of Delta Kappa Gamma met in Rotan Monday night. Place of meeting was Ronnie Clawson, all of Rotan; Conference Room of the school cafeteria. Hostesses were Mmes. Robert Witherspoon, Whit Clark, M. T. Hill, Ralph South, and Nancy Tandy. Mrs. Whit Clark, chapter president, presided. Following a brief business meeting Miss Louise Bollinger, program chairman, presented Mrs. J. R. Strayhorn who gave an introduction to the program commemorating the Birthday of Gamma Tau Chapter.

The program was a brief summary of the first twentyfive years of the chapter's history presented by the past president. Of the twelve past presidents, nine are still members of Gamma Tau ;the first, Estelle (Patterson) Inzer is deceased; Florine Miller resides in Abilene and was unable to attend because of a recently broken hip. The absent past presidents were represented by a member of Mrs. Strayhorn's Historical Records Committee.

The program was presented in form of a taped recording representing voices from the past. Miss Josie Baird, a Charter member. spoke of the organization and early struggles of the chapter.

Miss Baird stated that Gamma Tau was the daughter of Beta Epsilon Chapter of Colorado City. The Chapter was organized at a Banquet meeting held in the Sky Room of the Blue Bonnet Hotel in Sweetwater, April 19, 1941. Miss Eula Lee Carter then State Executive Secretary, and Miss Phyllis Ellis of Fort Worth were organizing officials. Miss Baird recalled that the torrential rain of the evening failed to dampen the spirit of love and offection which began that night between the organizers and members of the chap-

A test in the county last ors that have come to variyear, on the Timmons farm operated by Kiefer Cauble. Following the program the resulted in a lint increase of 88 pounds per acre with the use of 40-0-0. Twelve other attractive table. Members different rates and combinations of fertilizer were used but they did not show an increase like the 40-0-0.

Rates should be kept fairly low since there is always the possibility of drought conditions. The range of 20-30 pounds of nitrogen and 0-30 pounds of phosphorus, depending on soil test values, looks promising on sandier soils.

Profitable response on the hardlands is unlikely under dryland conditions due to the greater drough hazard.

Fertilizer can be applied Herman Phillips, James B. preplant or sidedressed early in the season after the crop is up. When sidedressing, a unable to attend were Mmes. good method of placement if four to five inches below the soil just beyond the point of root growth. However, care should be taken to avoid root

> Of course, for best fertiliter results, the soil should be tested. Containers and instructions for submitting soil samples are available at the local extension service office in the Courthouse.

YOU'RE IN THE ELECTRIC

GENERATION

NO REMODELING JOB IS COMPLETE **UNTIL YOU ADD** . Total Electric Comfort

Electric living is IN-everything else is on the way out, so why not really increase the value of your home, and your personal comfort too by planning for total-electrical living when you remodel? Electric living is easy to add. Ask for WTU's handy Remodeling Plan kit, and ask WTU or your electric contractor to help you figure out the electric plans and cost. They'll be glad to do it.

State Leader DKG Hears

Members of Gamma Tau Chapter of Delta Kappa Gamma attended a Luncheon in da Chapter was hostess. area Chapters. Others attend- and physiology. ing were from Beta Epsilon of Colorado Cty and Epsilon icron of Lamesa.

lessie Sim of Iota Chapter, Tuesday, May 9. Denton. Miss Sim is presently serving as Parliamentarian 1967-69. Miss Sim has held grade. numerous other offices in the chapter and state organizations. She is currently an instructor in the Business Department of Texas Women's University.

Miss Sim chose for the

title of her speech, "The

Power of a Belief" from a

quotation of John Stuart

Mills: "One person with a

belief is a social power equal

to ninety-nine who have only interest." She developed the topic by naming outstanding leaders in Delta Kappa Gamma, who because of "a belief" brought the Organization into being and guided its progress through the years. She mentioned the Founders as Individuals, each with a unique belief and talent for such a task. Dr. Annie Webb Blanton, a lady with a belief, envisioned a Organization of women educators that has grown even beyond her expectations. Naming some with whom she was personally acquainted, Miss Sim reminded the group of the rich heritage of Delta Kappa Gamma. She remembered Mamie Sue Bastian as originator of the Birthday Luncheon which is observed at Chapter, State and International meetings; Lela Lee Williams guardian of protocal; Ray King as tireless and energetic in her work for Delta Kappa Gamma; and Lela Odom whose dream for the International Headquarters Building became a reality when she was permitted to turn the first spade of dirt on July 15, 1955. Eula Lee Carter, honorary founder, was lauded for her tireless work on Organization and Expansion, and for her work in promoting scholarship programs at all levels. Miss Carter was also recognized as the donor of the first one thousand dollars for the now successful Educational Foundation which is recognized throughout the world. Miss Sim closed her talk with a quote from the International President, Mrs. Nelle McMains of Texas City: If you belive in Delta Kappa Gamma, be worthy of Delta Kappa Gamma."

The occasion marked the sixth Birthday of Beta Lambda Chapter of Snyder. The Mother Chapter is Beta Epsilon. Mrs. Dorothy Miller, president of Zeta Lambda Chapter, presided and gave the welcome Mrs. Erma Lou Burt, Bta Epsilon president, gave the response. The Invocation was given by Mrs. Georgene Galloway, Zeta Lambda's first vice1president. The speaker was introduced byMiss Virginia Grove, Beta Lambda Chapter and state chairman of Publications and Publicity.

A coffee honoring Miss Sim was held Saturday morning at the home of Misses Maydelle Burns and Virginia Grove, Zeta Lambda mem-

Gamma Tau members attending the luncheon were Miss Louise Bollinger, Mmes. J. Frank Davis, T. E. Knapp, and Herman Phillips of Sweetwetar; Miss Delila Baird, Mmes James B. Day, Wit Clark, Charles McCall, K. C. McCasland, N. D. Miers, Wendell Morrow, Robert Phillips, Ralph South, J. R. Strayhorn, and Nancy Tandy. Mrs. Clark is president of Gamma Tau Chapter.

Sister Sue Is Here

Dear Sister Sue,

One day as I was walking home a strange thing happen ed. I was on the water front when two sailors jumped me. They knocked me out. When I came to, I was on a banana boat going to South Africa. I escaped when the ship docked at a port in Africa. I took a suit case of bananas with me and started out to find my way back home. All I had to eat for a year was bananas. I finally got home but now I find that I'm hooked on bananas. Can you help

Signed. Hooked. Dear Hooked Join the local chapter of Bananas Anonymous. Signed,

Dear Sister Sue, I am a senior with a problem. I have just one day to live. What should I do?

Sister Sue

Signed, RIP

Dear Rip, By the time I think of an answer, write the story, read it in class and get it approved, type it, send it to the newspaper office, get it back from the newspaper and proofread it, send it back to the newspaper office again and have it printed in the paper, send it through the mail, and have you read my answer, I think you will have kicked off.

Signed, Signed Sue
