THE ROTAN ADVANCE

Volume 60

Rotan, Fisher County, Texas -- 79546 Thurs. Sept. 21, 1967

No. 33

Spur Drubs 'Hammers Fri.

Spur Bulldogs scored four touchdowns in the first half and then coasted to a 27-0 victory over Rotan's Yellowhammers to a large, disappointed crowd of fans here Friday night.

Spur FB Day scored on a one-yard plunge climaxing a quick 15-yard drive after Spur recovered a Rotan fumble in the first quarter.

With 6:30 left in the first stanza, HB Mike Sweet dashed 24 yards around left end on the first play after Bulldogs had intercepted a Rotan pass.

QB Reynolds fired a 4-yrd scoring pass to Spur's Sweet. With four minutes left before half, Harrison carried for a 16 yard TD with Reynolds converting.

Spur's defense held the Hammers rushing game to 51 yards as the Yellowhammers never threatened seriously.

Hogsett Showing New Cars

Hogsett Chevrolet Co., local Buick and Chevrolet dealer is announcing showing of cars in both lines this weekend. The new 1968 models are most attractive and carry many new improvements.

Mr. Hogsett is giving a nice bridge set, table and 4 chairs to some lucky visitor. Just register when you come to see the new cars, no purchase necessary and you need not be present to win. Winners will be announced in next issue of the Advance.

Mr. Hogsett invites everyone to see the new models and register for the free drawing.

Mrs. Gladys Martin of Midland is visiting her sister, Mrs. Earl Ray Burnes and family.

Hospital News

Following local patients were admitted to Callan Hospital from Sept. 6 through Sept. 19:

Out of town patients:

Mrs. Bennie Carriker, Jayton; Mrs. A. S. Warren; Mrs. Edward Clark; Marsha Armstrong; Mrs. E. D. Daniels; W. W. Butler; Dannie Brumfield; Z. H. Anderson; Mrs. D. F. Driver; and Mrs. W. O. Stephens all of Roby; Mrs. Lula B. Fowler; Snyder; Theo Johnson, Hamlin; Parielee Hoggard, Jayton; Mrs. B. F. Campbell, Lubbock; D. J. Johnson, McCaulley; Eliza Etheredge, Sweetwater; Mrs. Jerdon Collum, Aspermont; Ricky Hall, Jayton; and Mrs. C. W. Kimbrough, Snyder.

Births:

A 6 lb. 2 oz. girl, Karen Annette, was born to Mr. and Mrs. Clinton Doty of Roby at 7:57 p.m. Sept. 16.

An 8 lb. 2 oz. girl, Michele Denise, was born to Mr. and Mrs. Olen Cheyne of Jayton at 2:55 P.M. Sept. 17.

Deborah Smith Gold Star Girl

—Boen Studio. DEBORAH SMITH

Deborah Sue Smith, 15, daughter of Mr. and Mrs. A. A. Smith of McCaulley has been named Fisher County Gold Star Girl for 1967 according to Mrs. Alice Ballenger, Fisher County Home Demonstration Agent.

Deborah Sue has been in 4-H Club six years and is a member of the Fisher County Junior Leaders 4-H Club. Adult Leaders for the club are Mrs. Thurman Terry and J. C. Sheffield.

She is in the tenth grade of McCaulley High School and a member of the McCaulley Methodist Church.

Projects Deborah Sue has carried include food preparation, food preservation, clothing, beef cattle, home improvement, bedroom improvement and leadership. She has won county honors in Dress Revue, Leadership, Clothing, Food Preservation, Home Economics; has participated in District 4-H Dress Revue twice, District Food Show twice, and won second place in her division of District Food Show in 1967.

Offices she has held include president, vice-president, secretary, council delegate and recreation leader of her local 4H club.

The Gold Star Award is the highest award a 4-H member can attain. It is awarded by the Texas Agricultural Extension Service and presented to one girl and one boy in each county each year. To receive this award the 4-H member must be at least 13 years old, active in 4-H for three years and not have previously received this award.

A committee of three made a visit to the homes of those girls to be judged for the award to determine the winner. Judges were Mrs. James Cave, Mrs. Jerry Hoodenpyle and Sandra Herron.

Deborah Sue will be honored at a luncheon for Gold Star winners of District III in December in Vernon.

HD CLUB TO MEET

Rotan Home Demonstration Club will meet today at 2:30 in home of Mrs. Homer Aaron.

All members are asked to attend as an out-of-town speaker is scheduled.

Mr. and Mrs. Fred Schick and Margaret of Cornus, Schick and Allen families for Washington visited the several days. They left Tuesday enroute home.

Dr. L. J. Streetman of Dallas was in the county on business Tuesday and Wednesday.

Zip-A-List Project Is On

Rotan letter carriers will soon deliver one ZIP-A-LIST kits to every householder in the area.

Postmaster Phillips urged all residents to use the postal cards contained in the kits to obtain the ZIP Codes needed for addresses in their personal mailing lists.

Each household will receive eight cards with spaces for the addresses to be "zipped" by the post office and for the return address.

No postage is needed.

The project is part of Postmaster General Lawrence F. O'Brien's program to make ZIP Codes more accessible to the mailing public and thereby increase the use of the codes in mailing addresses.

"ZIP Code is necessary all year round to increase the efficiency of the postal service," but it is more important than ever around the holiday season. This year, the Post Office Department expects to handle well over nine the Christmas rush. ZIP Codes will be a great help in delivering that mail accurately and on time.

The Postmaster reminded ZIP-A-LIST users to print clearly and to include their return address so that the post office will know where to deliver the completed form. Last year, thousands of people throughout the nation forget to include the return address and their efforts to cooperate in the project went for naught, he said.

These folders have the explanation for use printed in the top card. Fill in street address, city and State for those ZIP Codes you need and do not have.

Monzingo Rates Outs'd. Edition

M. Douglas Monzingo of 1003 McArthur St., Rotan, has been selected to appear in the 1967 edition of Outstanding Personalities of the South. Other recipients of this honor include Governors, United States Senators and Congressmen of the various southern states. The publication includes many citizens such as educators, leading businessmen, members of state legislative bodies, civic and political leaders, elected leaders of various political subdivisions, farmers, ministers, officers and officials of various trade organizations, leading sports figures, and many other individuals who, because of past achievements and service to their community, state, and/or nation, are recognized as outstanding personalities of the South.

Mr. and Mrs. J. D. Burk visited last weekend in Belton with their daughter and family, Mr. and Mrs. Elmo Cummins. They also visited their grandson, 14 year-old Chris who was in Temple Hospital where he had surgery on his shoulder. The operation was considered successful and he was to be back in school Tuesday. He suffered the injury in football practice. His parents are both members of the Belton School faculty and formerly taught in Rotan Schools.

Saturday is Super Bargain Day

Saturday is September Super Bargain Day in Rotan.

The entire area was mailed circulars Wednesday, carrying an array of specials from participating merchants who are supporting the project.

Super Bargain Day has become a regular event in Rotan, and more people from outlying communities are taking advantage of shopping for top grade merchandise for less in Rotan.

These merchants believe in Rotan and their customers, they want to serve you to the best of their ability and are spending their money and effort in keeping Rotan to the front of the public eye, instead of sitting down and letting the town follow the general trend of small towns getting smaller. If you appreciate their efforts please tell them you do, and let's help keep Rotan and Fisher County from becoming ghost town and open country.

Don't forget the special events in connection with Super Bargain Day.

Jopin Opens Repair Shop

Robert Joplin has opened an automotive repair shop at 1012 N. Garfield. He is an experienced mechanic and has been employed in shops in Rotan and Roby for several years.

See his ad in this issue.

Mr. and Mrs. Bud Stewart and Mona are here visiting her parents, Mr. and Mrs. Hollis Swaringin.

Roby Service For Mrs. Finch

Funeral services were held Monday, September 18, for Myrtle Jane Turnbull Finch in the Lakeview Methodist Church in San Angelo. Grave-side rites were held at 3:00 in the Roby Cemetery.

Mrs. Finch is survived by her husband, G. W. Finch, five daughters and two sons, Mrs. Edith Everheart, San Angelo; Mrs. Mildred McCullough, Rotan; Mrs. Avonne Klepper, Rotan; Mrs. Wanda Wallen, Dallas; Mrs. Bobby Avants, San Angelo; Mr. Gerald Eugene Finch, McAllen, and Garland W. Finch, San Angelo. She is survived by four sisters, and two brothers, Mrs. Gracie Edwards, Roby; Mrs. Dit Houston, Lamesa; Mrs. Lula Haines, Tahoka; Mrs. Alice McWhirter, Melvin, Arkansas; Archie Turnbull, Alomogordo, New Mexico; and Jim Turnbull of San Angelo; Fourteen grandchildren and 7 great-grandchildren.

She was born Myrtle Jane Turnbull in Fishmingo, Oklahoma Feb. 11, 1897 and passed away September 17, 1967 after a short illness. Her family came to West Texas and settled 4 miles west of Roby. She met and married Gerald Waite Finch May 9, 1915. Moving from Fisher County to San Angelo.

Pallbearers were her nephews, Pat Patterson, Tommy Edwards, Archie Edwards, James H. Turnbull, Rodney Turnbull and Jesse Goforth.

Little Hammers Split Games

Rotan Junior High Little Yellowhammers split victories with little Plowboys from Roscoe here Tuesday night.

Rotan's 7th graders took a trouncing from Roscoe to the tune of 22-0, but the 8th graders softened the loss with a 26-6 win over their opposition from Roscoe.

The Little Hammers take on Hamlin next Tuesday - 7th grade at 6:00 p.m. and 8th playing at 7:00.

Come out if you want to see some fast football.

Mr. and Mrs. B. S. Wright were in Gatesville over the weekend on business.

Service Held For Nealy Morton

Funeral service for Nealy A. Morton was held Friday at 3 p.m. from First Methodist Church with Rev. Bob Ford, pastor, officiating. Burial was in Belview cemetery.

Mr. Morton died at 1:45 a. m. Thursday in Callan Hospital where he had been a patient since suffering a heart attack three weeks ago, at the Courthouse enroute to work. His condition had been fairly good until Wednesday night, a few hours before his death.

Mr. Morton was serving his 20th year as District Clerk for Fisher County.

He was born November 26, 1883 in Erath County and came to Fisher County in 1897. He was married to Edna G. Rabe July 24, 1910 at Roby. Mr. Morton had been a member of the Methodist Church since childhood.

Survivors are the wife, 3 daughters, Mrs. Curtis Ackers and Mrs. Ross Burnes of Rotan and Mrs. Charles Triplett of Fort Hood; one son, Rev. Doyle Morton of Beeville; 6 grandchildren; two great grandchildren and one brother, W. W. Morton of Roby.

Pallbearers were A. E. Rollins, Steve Kelley, Ed Perkins, Rudy Hamric, Jerry Crowley and Robert Buck.

'Farmers Feed' Tuesday Night

Gray Butane & Chemical Co. is announcing a "Farmer Feed" for Tuesday night, Sept. 26, 7:45 at Rotana Corral. The feed will be free and following this you will be shown the amazing results of "Parquat", the new cotton harvest aid chemical. This is the first year this new development has been offered to farmers as several seasons were required for tests and inspections before being cleared by authorities. The product has been thoroughly tested by Texas A&M and it has definite advantage over the 'acid treatment' and other methods.

Tests have shown the new product to be safe to both human, animals as well as wildlife, which is also very important, as well as not damaging tractor, stripper, etc. It is a combination leaf drop and cotton dryer, causing mature bolls to open.

Everyone interested in the production of cotton to attend see results of this modern development.

Classing Office Open House

The Abilene Classing Office is planning an open house September 21, 22, 28, and 29. Mark these dates on your calendar. Visiting hours are between 3:00 A.M. to 4:45 p.m.

During the past year we have heard a lot about cotton classing — especially machine classing. Some seem to have misunderstood this information. On the other hand some have no idea how cotton is graded and what determines the grades.

On the dates selected, we should have samples to class and have time to visit, demonstrate, and discuss some of these problems. We will have a colorimeter, a micronaire, and possibly a Pressaire strength instrument to demonstrate.

Please talk this over with your neighbor, customer or ginmer, and perhaps organize car pools to come. Anyway come and we will be looking for you.

Of course, if you can't come on the above dates, you are always welcome at any time.

Lumber Yard Is Reopening

Mr. and Mrs. J. R. Hicks are announcing the reopening of their Lumber Yard on east highway, in this issue of the Advance.

They carry a good stock of merchandise in this line and invite their friends and customers to call on them at any time.

Mrs. Inzer Whitefield is in Arlington visiting her daughters, Mr. and Mrs. Winfred Decker and Mr. and Mrs. Roy Musser, several days and to welcome a new great granddaughter.

Father of Mrs. Shipp Dies

Harris Leroy Fisher, 84, of Hughson, California, died September 7, in a nursing home near his home after a long illness.

A native of Cross Timbers, Mo., he had lived in Hughson 32 years and was a retired farmer. He was a member of the Church of Christ.

Survivors are his widow, Melissa Agnes; two children, Robert P. Fisher of Modesta and Fern Shipp of Rotan; a brother, I. C. Fisher and a sister, Grace Stephens both of Hughson, eight grandchildren and 18 great-grandchildren.

He was married Nov. 29, 1903 to Melissa Agnes Stephens in Okla. They would have been married 64 years this November. He was born Dec. 15, 1882.

Mr. Fisher had visited in Rotan several times with the Ollie Shipp family.

At the time of his death, his daughter had been with him 5 weeks. Ollie Shipp his son-in-law and two grandchildren, Harold Shipp and Mrs. Herbert Moore from Rotan attended the graveside services held Sat. morning Sept 9th at Lake Wood Memorial Park near Hughson, California.

Mike Herron Is Gold Star Boy

—Boen Studio. MIKE HERRON

Mike Herron, 14, son of Mr. and Mrs. C. D. Herron of Rotan, has been named Fisher County Gold Star Boy for 1967.

Mike, the third member of his family to receive this honor has been in 4-H six years and is a member of the Fisher County Jr. Leaders 4-H club.

He is in the ninth grade of Rotan High School and participates in basketball and the high school band.

Mike is also active in the MYF of the First Methodist Church in Rotan where he attends regularly.

Awards Mike has won in 4-H club include county medals in beef cattle, dairy cattle and agriculture. Projects include those areas he has won awards in as well as Field Crops, Leadership and recreation.

Mike has exhibited dairy calves and beef cattle at county, area, and state shows in his six years in 4-H. He has won many honors at these shows.

Offices he has held in his 4-H club include President and secretary. He was co-vice chairman of the Fisher County 4-H council this year.

Mike is also very active in a Boy Scout Troop and has attained high honors in this organization.

The Gold Star Award is the highest 4-H award a 4-H member may attain on a county level. Winners of the award is determined by past and present 4-H work as recorded in his 4-H records. To be eligible, the 4-H member must be thirteen years if age or older, have completed three years of 4-H work, and must not have received this award before.

Donor of the Gold Star award is the Texas Agricultural Extension Service.

Purpose is to recognize outstanding achievement, leadership, and contribution to the county 4-H Program.

Mike will receive his award at the Fisher County 4-H Awards Banquet November 4. He will also be honored at a District luncheon for Gold Star winners in Vernon, December 2, 1967.

PIANO-ORGAN TEACHER HERE FRIDAY

Mrs. Jack Allen of Throckmorton, will be interviewing all persons interested in piano or organ instructions Friday, Sept. 22, at the High School Auditorium beginning at 2:45 p.m.

She will teach in the home on Saturday. She had had 16 years teaching experience.

All Patrolmen To Have Radar

Austin — Col Homer Garrison, Jr., director of the Texas Department of Public Safety, reported today that the DPS had ordered a number of radar sets to be placed in every patrol district over the state to aid in enforcing the highway speed laws.

Use of the sets will enable the Department to secure a higher degree of compliance with the speed law. With the

purchase of the new equipment, authorized by the Public Safety Commission, the Department will continue its long standing policy of filing charges in every case where there is a clear-cut, substantial violation of the speed law.

The new radar units will be mounted in highway patrol cars and are designed so that only one patrolman is needed for operation. Accurate readings can be obtained on vehicles at distances of up to 1,500 feet. All highway patrolmen are trained in radar

operation.

"Accident statistics indicate, Garrison said, "that speed too fast for conditions is the most prevalent violation contributing to accidents in Texas. It figured in 41 per cent of the fatal accidents reported during 1966, and 29 per cent of the non-fatal accidents.

Information obtained from studies conducted by the U.S. Bureau of Public Roads indicate that a driver is 20 per cent more likely to be involved in an accident at 70 miles per hour than when driving 65 miles per hour. He is 50 per cent more likely to be involved in an accident at 75 miles per hour, and 90 per cent more likely to be involved at speeds of 80 miles per hour.

"The use of the radar sets should enable us to patrol the highways more effectively", Garrison stated. "It is our hope that all drivers will willingly comply with the maximum speed limits of the

Powell Thru Combat Training

(N0062) Camp Pendleton, Calif. (FHTNC) Sept. 6 — Marine Private First Class Donald W. Powell, son of Mr. and Mrs. Eugene Powell, Sr. of 609 N. Lincoln, Rotan, has completed two weeks of training under simulated combat conditions in the fundamentals of day and night patrolling, employment of infantry weapons, survival methods and assault tactics at this Marine Corps base.

This individual combat training is given every Marine after his graduation from recruit training. Taught by combat experienced non-commissioned officers of the in-

fantry training regiment here, it prepares the young Leatherneck to become part of the Marine air-ground combat team.

While in the field he was taught how to use hand grenades, a compass and the principles of map reading and land navigation. He learned how to detect and disarm mines and booby traps and, while being exposed to live machine gun fire, he learned to advance safely from one point to another.

From this course, he is scheduled to go on to more advanced training before being assigned to his permanent unit.

'68 Buick. Now we're talking your language.

The new 230-hp., V-8 engine runs on regular gas. It's standard on all Skylark Custom models.

We also refused to limit your choices. Skylark Custom comes in four models, 15 colors and 32 trim combinations. So talk to the man who talks your language, your Buick dealer.

All Buicks have a full line of General Motors safety features as standard equipment. For example, side marker lights and energy-absorbing steering column.

Wouldn't you really rather have a Buick?

We changed the Skylark from front to rear, we gave it a whole new look, simply because we believe you want a car like this. In other words, we're talking your language.

We thought you'd like to have a little easier time parking. So we shortened the wheelbase of the two-door Skylark down to 112 inches.

The '68 Buicks are at your Buick dealer's now. He's ready to talk your language.

Draft Questions

(Editor's note:) Below are questions now being asked at draft board. The answers are by Col. Morris S. Schwartz, State Selective Service Director, 702 Colorado Street, Austin, Texas 78701. He will welcome your questions.

Q — Can I still enlist in the National Guard or other Reserves and escape the draft?

A — Yes, if you can find a vacancy and enlist before receiving an order for induction. But you don't escape service.

Q — How's that?

A — You'd have to take four months or more of active-duty training, remain in making weekly drills and sum the Reserves for six years, making weekly drills and summer camps, and take the chance of being called to active duty.

Q — How about the Navy?

A — Some Reserve programs, including the Navy,

require two years of active duty.

Q — May I enlist in the Guard or Reserves after I get my induction orders?

A — No.

Q — I'm a college student and I have a chance to join the National Guard. What will that do to my student deferment?

A — You'll be deferred for for your Guard service in Class I-D instead of Class II-S as a student.

Q — I'm getting in ROTC. How will I be classified?

A — In Class I-D as a student taking military training.

Maintenance of Texas highways costs the taxpayers 15 cents out of every highway dollar, compared to a national average of 25 cents.

There will be 15 million vehicles registered in Texas by 1985, estimates the Texas Highway Department, now in its 50th year.

CARD OF THANKS

We thank everyone with sincere gratitude for the many acts of kindness during the sickness and in the death of our loved one.

Mrs. Nealy A. Morton, Rev. and Mrs. D. W. Morton, Mr. and Mrs. Ross Burnes, Mr. and Mrs. Curtis Acker, Mr. and Mrs. Charles Triplett and families.

Showtime--

by Oscar A. Dietz
 "Wellll," Mrs. Lang says. And I say, "Really, I had some oysters (at the Corral) and I found a bone". That's right, Tuesday evening when I ate at the Rotana Corral I found a pearl in one of the oysters. It is no bigger than a be-be but it is a genuine pearl. I believe Bill has it taped on the back bar mirror.

Now to say a few words about last week's battle on the gridiron. If you parents and citizens would just stop saying the boys are going to lose (I think you've got the boys believing that) well maybe they can win. Why, some of our prominent people are betting against Rotan. If you can't bet for them, don't bet! The boys proved they could play football in the last quarter when they got mad. And it would please me to no end if they git good and mad and fooled a lot of you wiseacres and won some of those games you all say they can't win. Maybe if you all lost a little of that smart money you might change your attitude. I work at night so I cannot attend all the functions that go on at night and consequently am unable to voice my feelings in person. However, when I was a member of the 'Ole Hound Dogs', the Brady Booster Club, we got out on the field when the boys came out of the dressing room and gave them a pat on the back to let them know we were with them. Here you hardly see anyone even stand up. And did you know that the full-back on that first Brady team that I followed all the way to the State playoff, one Fletcher Field, is now head coach of Brady. And while I'm saying a few words, last year in San Angelo, when the Bobcats were behind Abilene by twelve to nothing at the half, the entire home stand, some nine thousand or more people, stood up and gave the Bobcats a standing ovation, both off and on the field. And I mean that stadium rang. Friday night at Yellowhammer Stadium at the half it was rather quite. I must say though that we have a very fine band, even if one girl drummer does not know her left foot from her right. She was keeping beat very well, just out of step.

Well if you read this far you might as well read the rest. All I'm going to say is our pictures today thru Saturday are not recommended for children. "HELLS ANGELS ON WHEELS" and "MASTER OF TERROR". Now you tell me what to do with the children who come down here? Keep them for the Sat. Late Show? Which is "BAREFOOT IN THE PARK" with Robert Redford, Jane Fonda, Charles Boyer, and Mildred Natwick. On the surface this sounds like a good country title, but in truth this story takes place in New York, in the snow, 17 degrees yet! How kookie can you get? And it plays Sunday thru Wednesday with "I DEAL IN DANGER" starring Robert Goulet, which sounds like that T.V. (oops! I said a dirty word) show, Blue Light.

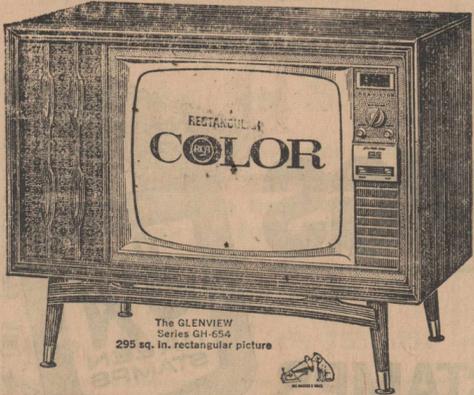

AND SPECIAL ADVANCE BULLETIN! Starting next Thursday, Walt Disney's "GNOME MOBILE". I've seen this one. Very good family picture!

Saw an ad in last weeks paper, someone wanting a housekeeper. Wonder if I advertised if I could find me a housekeeper? Someone between 25 and 38 years old, about 5 feet and some inches tall, with a you know, nice womanly figure, brown hair, dark brown eyes, and a very kissable mouth! You might be wondering what kind of housekeeper I want by that description, well its the only kind to have man! And being so discriptive you wonder if maybe I have someone in mind. Manv you are so right, but that all the good it does me. A hundred and five miles is a long way.

Don't forget to go by and see MY pearl. Say you YEL-LOWHAMMERS how about PUTTING A LEASH ON THE LIONS!

See you all now..... Oscar

As It Looks from Here

Con Omar Burleson

WASHINGTON, D.C. — A Decision by our government, of tremendous importance and far-reaching consequences, appears to be rather imminent.

Shortly, our top policy makers are to decide whether we build an anti-missile defense system or depend, as Secretary of Defense McNamara has argued, on a nuclear offensive system as a deterrent against attack.

Top Negotiators have been talking to Soviet representatives, trying to effect an agreement that neither will build a defensive system. The Russians have not given a flat no, but according to certain intelligence reports, are building parts of such a system at the present time.

If the United States is to build an AMB System, its extensiveness has not been decided. As a beginning, the figure of \$10 billion is mentioned as a price tag. This however, is intended to be a "thin line" barrier against possible Chinese nuclear warheads after 1970. An all-out system, built against nuclear attack from the Soviet Union, is estimated to cost \$30 billion and, like most Governmental estimates, is probably on the low side.

For many months a controversy has existed within the Defense Department as to the advisability of building a defensive barrier. Secretary McNamara has contended that America's nuclear capability is so great that it can never be crippled by a Soviet Union first attack. He argues that our capabilities are four to five times greater than the Russians and that our ability to retaliate could destroy them. The Secretary has felt that the billions for an anti-ballistic system would be money down the drain.

The Joint Chiefs of Staff and other military men have contended that a defensive system is vital to our survival in the event of an attack.

It was surprising to the world that the Chinese Communists were able to explode an advanced nuclear device as early as they did. What remains for Red China to become a real threat, instead of only potentially dangerous, is their ability to develop a delivery vehicle. Before their split with Russia, Soviet technicians had worked on the development of a booster rocket, which, it is assumed, is carried on by Red China, although in a handicapped way. It must be assumed, however, that a delivery capability will eventually be developed. With Red China outside of any international agreement, and showing no concern for responsibility, the possibility of a threat from

that direction can not be safely ignored.

There is evidence that the Soviets may be developing a multi-headed missile. It is described as being capable of separating warheads at a given point to strike at five or six targets simultaneously. Thus far, we have no defense against such an attack, but only a warning system which, in theory, gives time to unleash our own weapons in retaliation.

For months, both publicly and privately, Moscow has been prodded to talk about an agreement not to construct an anti-ballistic missile system.

To complicate the matter further, aside from a provision for inspection by one side or the other, is the thought that the Russians are not interested in such an agreement as long as we continue the pressure on North Viet Nam. In talks with Russian officials, likely a part of the private conversations at Glassboro, the Soviets indicate that if the war in Viet Nam is de-escalated, they may be willing to hold talks leading to agreements. From certain testimony before Committees of the Congress, it is indicated that this is a factor as to whether or not the Port of Haiphong should be destroyed.

It is entirely possible that by the time these words are read, some indication may be given on plans to construct an AMB system.

For the long-range point of view, this may be one of the most important decisions in the last decade. If such a course is decided upon, our \$70 billion budget will, in time, be rounded out to \$100 billion or more. Without it, we depend on survival of a first attack, with enough resources to respond afterwards.

It is thought that we can not wait much longer to make a decision.

Retirement Income

The good tax folks point out that Congress has provided a number of additional tax deductions for retired taxpayers. The IRS folks feel that many retired taxpayers do not understand these benefits and sometimes pay more tax than they owe. If you are a retired taxpayer, it will pay you to get Document 5639, "Tax Benefits for Older Americans," from any IRS office. You can write P. O. Box 1738, Dallas, Tex., 75221, and request a free copy.

Texas Highway Department reports 6.5 million vehicles were registered in the State last year, compared to less than 200 thousand 50 years ago in the Department's first year.

YOUNG'S MARKET

What people are saying about... A CLEAN BREAK WITH THE PAST

"Sold on the cleanliness!" says Mrs. John Barrows of San Angelo, Texas. The Barrows have lived in total-electric comfort for almost three years, and are pleased with the living! Pleased that it is so clean... less dust. Pleased with the electric cooling and heating because it does such an "excellent job." Pleased that they can set the temperature controls one time in the summer, and one time in the winter and a constant temperature is maintained. The Barrows are pleased that there have been no service problems with the heating or cooling units, no cold spots in winter or hot corners in the summer. Both are especially pleased that the electric

bill is so reasonable. Only \$42.31 per month average. That is the total operating cost for cooling, heating, lighting, laundry, water heating, cooking, cleaning and running all of the work-saving electrical appliances for a family of 5—and Robert, age 15; Ken, age 11; and Bryan, age 10; are active youngsters who open and close the refrigerator a lot...need lots of clean clothes and open and close doors frequently. Seven room, 2300 square feet—just \$42.31 per month average.

Electric living is great—talk to your electric contractor or visit WTU and find out how easy it is to live better electrically.

MAKE A CLEAN BREAK WITH THE PAST—convenience and comfort are great in Total Electric Living.

McCaulley 4-H News

The McCaulley 4-H Club met Sept 13 at the McCaulley School and organized a new 4-H Club. There were 9 members and 6 leaders present. Officers were elected, they were:

President - Shirley Gann; Vice-President, Eddie Gibson; Secretary and Treasurer, Deborah Sue Smith; Reporter, Brenda Stevens and Arville Smith; Council Delegate, Annette Cleveland and Philip Cleveland; Recreation Leader Kay Gibsin and Billy Setev-

ens.
The new club will have 4-H project in clothing, foods, beef cattle, dairy cattle, automotive, field crops, 4-H bicycle care and safety, horse and electricity.

New 4-H adult leaders are Miss Hattie Rogers and Mr. and Mrs. B. A. Farris.

Other leaders present were: Mrs. A. A. Smith, Mrs. Gann and Mr. and Mrs. W. D. Cleveland

The next meeting will be Sept. 27.

Recent visitors of Mr. and Mrs. Joe Roberts were Mr. and Mrs. Cecil Corley and Karen of Lubbock.

Young Farmers Attend Con.

The Young Farmers' annual convention of Area II was held in Seminole High School auditorium with the Loop Young Farmer Chapter as hosts September 16. The meeting began with registration at eleven a.m. with a joint meeting with Area II Young Homemakers. After the joint meeting the Young Homemakers and Young Farmers separated and had their House of Delegate meeting and programs. New officers were elected for the 1968 slate of officers for the Area II Young Farmers. They are as follows: President - Darrel Richards of Lueders; Vice President - Wendell Kent of Fisher County; Secretary - Robert Scott of Loop; Treasurer - Monte Cowser of Anson; Reporter - Bill Jones of Fluvanna.

Calvin Baker, President of State Young Farmers, was in hand at the Young Farmers Business meeting to bring news of the state association. Johnny Ammons, manager of Midwest Electric Cooperative of Roby, presented an agricultural pictorial to the Young Farmers. Mr. Ammons talked and showed slides of his recent work in Viet Nam.

An awards Banquet was held later in the evening highlighted by the guest speaker, Rev. Kenneth Wyatt of Morton. Kenneth Hanson of Stamford claimed the coveted Star Area Young Farmers Award while Fluvanna received the Outstanding Area Chapter Award.

Fisher was well represented at the convention with eleven members attending and participating in the activities. Congratulations are extended to Wendell Kent of Fisher County for his election to Vice President of Area II Young Farmers.

Mrs. Lenora Streetman of Dallas is visiting friends here for several days.

Youth Affair By Methodists

Youths of the community in 9 to 12 school grade group will be feted Saturday, 7:30 to 11 p.m. in basement of First Methodist Church.

An evening of good, clean fun is expected to develop in fellowship, games of all types, lots to eat and dancing.

Special attraction will be folk singer, Buenger Dickson of Aspermont. All youths are invited. No admission.

FU Meeting Set For October

Outstanding speakers of state and nationwide reputation will headline the program of the 64th annual state convention of Texas Farmers Union scheduled to begin its three-day meeting on Thursday, October 26, at the Ko Ko Palace in Lubbock.

"We are expecting a record attendance and will have a program worthy of the large turnout and the fine image of Texas' fastest growing farm organization," Texas Farmers Union president Jay Naman of Waco said.

Among the speakers who are scheduled to appear are National Farmers Union President Tony T. Dechant of Denver, U. S. Senator Ralph Yarborough, Cotton Producers Institute board chairman Russell Giffen if Ruron, California, Agriculture Commissioner John White of Austin, State Department official Jim Boren of Washington, D. C., former Secretary of Agriculture Charles Brannan of Denver and National Farmers Union Insurances Manager Ray

A special program of "commodity discussion" will feature a talk by National Farmers Union Director of Organization Dwyte Wilson of Denver; and commodity leaders from across the state have been invited to participate in discussions centering on bargaining power for producers.

The convention will adopt a policy program comprised of resolutions from affiliated county organizations and will elect state officers and delegates to represent the Texas unit at the National Farmers Union convention.

Enrollment At Hobbs is Down

Enrollment at the Hobbs School is 147. Last year's enrollment was 157. Fifty four students make up the high school enrollment and 83 are enrolled in grades one through eight. The average number of students per teacher is 10.

The following students were elected president of their class: Randy Williams, 12th grade, Sara Martinez 11th grade, Brad Maule, 10th grade, and Belle Martinez, 9th grade.

The following teachers were appointed class sponsors: Mr. Orville Anderle, 12th grade, Miss Louise Jones 11th grade, Mrs. Anna Duncan, 10th grade and Mr. Jim Bob Solsbery, 9th grade.

Mr. David Briggs will sponsor the 8th grade and Jerry Faulkenbery was elected president. Mrs. Irene Brown will sponsor the 7th grade and Randy Gordon was elected president.

The pre-school program began on Monday, September 11, with 6 students enrolling.

The Hobbs School Board employed Mrs. Mary Ann Marshall as 4th grade teacher. This completes the faculty for the Hobbs School.

Weekend visitors of Mr. and Mrs. Homer Aaron were Mr. and Mrs. A. E. Ott, Dallas Mr. and Mrs. C. D. Cash and Jerry, Crosbyton; Mr. and Mrs. Johnny Harrell and Chris, Lubbock and Mr. and Mrs. Frank Mitchell and Barbara of Roby.

Mr. and Mrs. Earl Singley and Sharron of Arlington visited his parents, Mr. and Mrs. L. D. Singley and Linda and other relatives over the weekend.

Mr. and Mrs. Richard Ray and Tommy spent the weekend in Lovington, N. M. with their son and brother, Mr. and Mrs. Bob Ray and family.

The Calendar Club will meet in home of Mrs. Rudy Hamric at 3:30 Tuesday.

This will be final business meeting of the year and officers for the coming year will be selected.

All members asked to be present.

Mr. and Mrs. Walter Ash-ton of Sweetwater spent Sunday here with her mother, Mrs. Grier Coan.

Mr. and Mrs. Lewis Cleveland and family of Odessa and Miss Bessie Cleveland of Fort Stockton spent the weekend here with their mother, Mrs. Sam Cleveland.

Mr. and Mrs. Mike Porter and children of Hereford, visited here last Sunday.

Visiting Mr. and Mrs. Bill House last weekend were Charlie Maben and granddaughter, Laura Myres of Merced, Calif.

Mrs. W. E. Partin, Armeda and Starmie recently went to Canyon where Starmie entered WTSC.

Winners In Big Boll Game

R. Terry, Route 1, Roby, and Calvin Crow, Rt. 1, Rotan, have each won a pair of Sans & Streiffe 7-power 50 mm Binoculars in the final portion of the Big Boll Game—a contest for cotton growers sponsored by Farmers Union Co-op Gin at Roby in cooperation with American Cyanamid Company.

During the past three months, a total of 254 prizes have been awarded, including International Harvester tractors, radios, watches, and binoculars. The grand prize—a new 5-plow, International Farmall 706 diesel tractor—will be presented to the lucky winner at the First Southern Farm Show, in Atlanta, Georgia at 12 noon on October 26 at the Agri-Business Forum. The winner and his wife will be flown to Atlanta via Eastern Air Lines for the presentation.

Farmers Union Coop Gin cooperated in sponsoring this Big Boll Game to help acquaint farmers with new Malathion LV Concentrate designed for ultra-low volume application to control boll weevils. This method of applying Cynamid's Malathion has proved its outstanding effectiveness at only ounces per acre on millions of treatment acres of cotton. It is also now registered — at 12 to 16 ounces per acre — for insect control on soybeans

BIBLE STUDY GROUP

The Bible and Mission Study Group met with Mrs. C. E. Stephens September 12 to enjoy Mission study brought by Mrs. A. B. Harrell. The Group will meet Sept. 26 at 3:00 with Mrs. Bernice Stockton for Bible Study. Mrs. Lon Adams will lead the study.

G-T Opens New Year With Luncheon

Gamma Tau Chapter of the Delta Kappa Gamma Society met Saturday in the School Cafeteria at Rotan for a salad luncheon and completion of plans for the activities of the year. Following meetings of the various committees, Mrs. Whit Clark, chapter president, presided for the business meeting.

A short sing-song was conducted by Mrs. Bartlett Strayhorn with Mrs. N. D. Miers at the piano.

Miss Louise Bollinger, first vice-president and program chairman, discussed the topic for the year's programs on "Values" and announced times and places for meetings.

Mrs. Clark and Miss Deilila Baird reported on the Delta Kappa Gamma State Convention which convened in Fort Worth in June. Mrs. Clark gave pertinent information from the workshop for chapter presidents. She also told the group that Gamma Tau's scrapbook and yearbook were on exhibit and each rated in the highest division. She expressed appreciation to Miss Bollinger for her excellent work in compiling and editing the yearbook, and to Mmes. Charles McCall and Wendell Morrow for the attractive historical record preserved in the chapter scrapbook.

Miss Baird, in reporting her impressions of the state meeting, confined her remarks to "convention personalities". She discussed briefly one of the outstanding speakers heard by the group, Lisa Sergio, a naturalized American citizen. Miss Sergio, a radio and television commentator, also lectures widely both in the United States and abroad. She is well versed in international affairs and reveals a deep personal appreciation for the freedoms which so many Americans take for granted.

Mrs. Clark and Miss Baird were accompanied to the state convention by Mrs. Herman Phillips.

Mrs. Clark, Phillips and J.

Frank Davis were among the 724 members of Delta Kappa Gamma attending the Southwest Regional Conference at the Gunter Hotel in San Antonio July 22-26. A summation of the Conference was given by Mmes. Davis and Phillips.

Mrs. Phillips was a member of the Conference Choir which sang at the eleven states breakfast, the Birthday Luncheon, and the Presidents and Founders Banquets. In her report she stated that emphasis at the Conference was on "Values", program focus of the organization. Keynoting the meeting, Alice Butts, Arizona past state president, spoke of the Society as a satellite in orbit. "Only precise thrusts will boost a satellite into orbit", she said. "The individual member must provide the thrusts."

Following the theme of "Values", Mrs. J. Maria Pierce of California, a past international president, stated in her Birthday Luncheon address that "the mind can conceive an idea, but the emotions bring it to birth."

Mrs. Phillips closed her report, quoting from an address by the International president, Mrs. Nell B. McMains of Texas City, with the words "I challenge YOU to reach beyond, to redouble your efforts to reach the goals set for us."

The report in the International Regional was concluded by Mrs. Davis. She said that, there being no business sessions at the Conference, they saw Delta Kappa Gamma in action. Evidence of careful pre-planning was seen in the eye-and-ear appeal and member involvement in programs and social activities.

Mrs. Davis continued that members became involved,

saw, and heard of techniques usable in any chapter. There were buzz, sessions with all variations, inner-circle, outer circle, panel discussions, symposiums, lectures, skits, and many other forms of program presentation. Members attending became more aware of the importance of the by-laws, constitution, handbook and other helpful publications of the Society.

In closing, Mrs. Davis recalled that not all of the many phases of the Conferen-

ce were totally serious. There was time for fun and fellowship.

Following the morning session members enjoyed a salad luncheon.

Attending the meeting were, Misses Janette Marbut and Faye Rhea of Highland; Mmes. W. K. Callan, James B. Day, Clark, C. J. Dalton, M. T. Hill, Norvelle Kennedy, C. E. Leon, Charles McCall, N. D. Miers, Wendell Morrow, Robert Phillips, Ralph South, Bartlett Strayhorn, J. R. Strayhorn, Nancy Tandy, R. G. Witherspoon, Misses Josie and Delila Baird of Rotan; Mmes. Davis, T. E. Knapp, Inez Lawrence, Herman Phillips and Misses Bollinger and Katie Lou Walker if Sweetwater.

Riot Prevention

These are some of the Texas cities in our 50 states who are going all out to keep from having too much tension and trouble as Detroit and other cities have recently experienced:

CORPUS CHRISTI

The local CAA operates a clean-up program, a recreation program, city park improvement projects, and summer libraries and study centers. These programs are considered to have had a great deal of success in reducing tension.

Sergeant C. B. Mauricio, head of the police Juvenile Bureau said:

"Criminal activity is almost at a standstill in those neighborhoods where the program (anti-poverty program) is operating. We first noticed it last year when the summer activities of the poverty programs were in full swing. But

this year the results are nothing short of fantastic. I would say that juvenile crime in general has been cut in half by the OEO."

DALLAS

The local CAA has prepared a plan whereby if a riot were to occur the neighborhood workers would be utilized as information gatherers and sidewalk speakers to urge rioters to "cool it." The usefulness of such a system was demonstrated in April when rumors of police brutality spread throughout the Negro community. Local anti-poverty workers were able to dissuade a group which was planning to retaliate with gunfire and Molotov cocktails. A meeting between city officials and neighborhood council presidents cleared the air.

SAN ANTONIO

One of the local CAA programs designed to help reduce tensions in the community

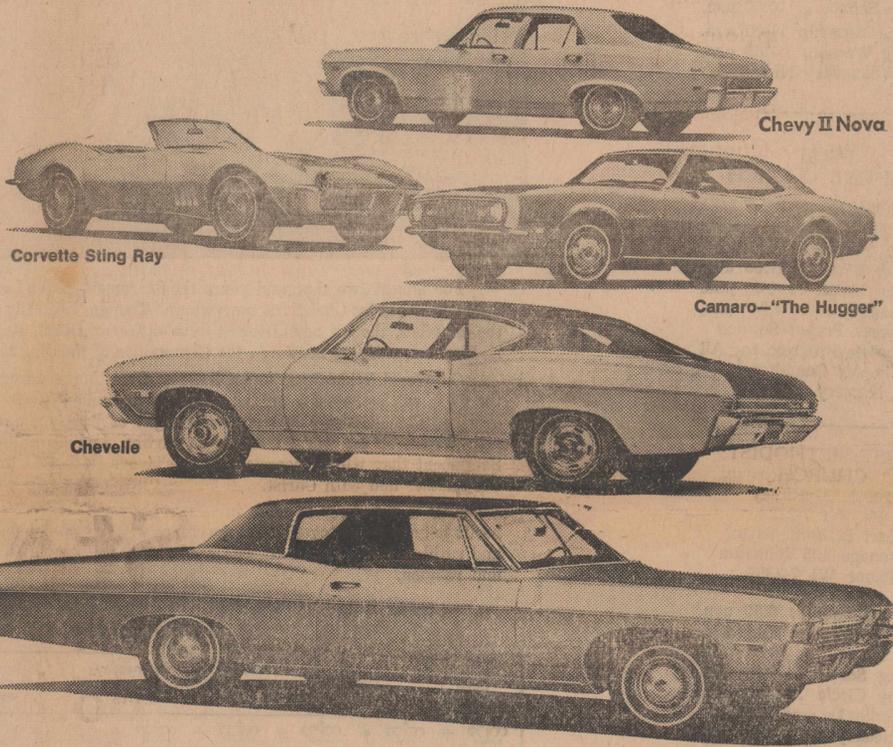

is the "Big Brother Project." Under this program, off-duty policemen who normally work in the poverty neighborhoods are assigned to take groups of neighborhood youths to baseball games, picnics and other activities. In this manner, the teenagers become acquainted with the officers on an informal social basis. The program has been received favorably by the community.

'68s Top Secrets are here

1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE

And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE

There are new engines, a bigger standard Six and V8. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION

There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES

You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW

There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

In
REMEMBRANCE
of me

For almost two thousand years the Sacrament of the Lord's Supper has been celebrated by Christians everywhere. Though variously interpreted by the churches, though administered with different ritual, it has always remained our unifying bond . . . *the Communion of the Church with her Lord.*

On World Wide Communion Sunday Christian congregations all over the globe will assemble to celebrate this Communion. Each will follow its own accustomed usage, exercising the right of religious freedom that the free peoples of the world treasure so highly. And as millions receive the Sacrament they will be conscious of the joyous faith that unites them with one another and with Christ.

This is a century of crisis in which those who treasure their spiritual heritage must stand together . . . must face with courage the alarming growth and ruthless power of an atheism dedicated to the overthrow of both freedom and religion.

Join your fellow Christians at The Lord's Table!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
