

HIGH SCHOOL NEWS

ally gave up however, deciding they would help at another time. Ora Bell and Winnie were there, too.

The freshmen were very much surprised to hear that some of the pupils had been eating pecans in school.

We have been having some very good chapel programs and we hope we'll keep on having good ones.

They have been letting the Sophomore Quartet sing rather often. We know if they had heard the Freshman Quartet they would have called on them instead.

The South Ward School is sponsoring the "Poor Married Man" play. Come out and help a good cause.

Friends

(By Jerry Irby)

Twins on a night when the moon was yellow

We picked the flowers that were yellow;

We sat there 'neath the old oak tree; I talked to her and she talked to me.

Twins in the day of chance They would play games and then they would dance.

Such times they have no more For those were the days of yore.

Twins in the days of old

That friends were good as gold. But now the night is dreary and we glad along.

For now a friend is with us and then he is gone.

Now the way is growing dark

And no more will I hear the song of the old.

To me I thought I was alone

But now I find that I was wrong.

Wagtails and all the rest of you They pass by you and they pass by me.

And we have no friends to give us

For friends were chosen in the days of yore.

The Poor Married Man is a play the South Ward is sponsoring.

BYRD ANTARCTIC EXPEDITION CARRIES TWO AND ONE-HALF TONS OF STORAGE BATTERIES

Two and one-half tons of storage batteries are now on the way to the South Pole with the Byrd Antarctic Expedition.

All of these and Mr. Kennedy's "Are Exides" with the equipment Commander Byrd and his party will increase their ability to work with the world at large.

This is the largest quantity of storage batteries which has ever been taken from the Eastern United States.

Over a Billion Deadly Germs in a Single Drop of Water

Germs are so small that there may be as many as one billion, seven hundred million of them in a drop of water.

Just because you can see no dirt in a cut does not mean that it is clean.

Another interesting use for storage batteries in this expedition will be for engine starting and lighting on the snow tractor.

FILMING OF "WINGS" TECHNICAL TRIUMPH

Director and author faced a handicap when they started plans for the production of "Wings" the Texas Theatre feature.

There's only one reason why airplane stuff usually fails to furnish the interest it is intended to give.

With the cameras on the earth, the airplanes are usually so distant that the speed is lost on the screen.

High School News

Chapel Program

This week the chapel program was fostered by Mrs. Sprowls and Mr. Henry. The first part consisted of several numbers by the Culinary Orchestra. This orchestra was made up of girls belonging to the Foods Class who wore their aprons. Violins, piano, tambourines, bugles, combs and tin pans made up the instruments.

The second part was entitled "Familiar Home Scenes Immediately After School." John Clifton and Ober Johnson engaged in a contest to see which could eat half of a chocolate pie first. Ober won, easily.

The third part was a dance by Vivian Bernard and Elsie Bradley, in costume. It was very enjoyable.

The fourth and last part was a magician stunt. Jerry Irby was the magician and performed several miracles, among them hypnotism of Walter Green, reproducing an egg, and magic writing. At the close of his performance Mr. Irby invited the audience to witness his show at the theatre that night. We have had no report yet as to the success of his evening performance.

Agricultural Club

Friday, Nov. 9 the Haskell High School agricultural club entertained the faculty and friends in their club room in the north ward school building. The club room was beautifully decorated with black and gold streamers. Tables were provided for those who wished to play bridge, dominoes, check, and other games. Prizes were given to the best dressed lady and the ugliest man. Miss Carman was given the prize as the best dressed lady and was presented with a miniature mannequin set, a gift of Martin's Drug Store. Because of lack of competition, Jerry Irby won the contest of the boys with scarcely a struggle and was presented with a hand soap bar of laundry soap, the gift of one club boy.

Refreshments were provided during the evening entertainment. After a good time was had by all the party was adjourned.

Seventh Grade Party

On the night of November 9, the Seventh Grade class had a light and overall party which will long be remembered by them. The party was sponsored by Miss Leona Kemp and Lena Webb. Most everyone was present and a very enjoyable evening was had.

Many games were played such as: Motor Romance, Passing the Bottle, Chewing the String, Flying Dutchman, A B C Spelling Match in which 7A won and many other games. Sandwiches and soda pop were served to the following: Roy Baldwin, Billy Burt, Juanita Masengale, Joseph Case, Jesse Moody, Rod Clifton, Maurine Norton, Victor Edwards, Margaret Richey, Willie Foll, Winnie Rose, Windell Gay, Virginia Silk, Joseph Gose, Lucille Adkins, Hubert Watson, Lilly Fay Stoker, Robert Graham, Clara Teat, Watson Hayes, Edna Mae Davis, Morris Lancaster, Jeff Davis, McDonald, Lois Fouts, R. H. Mosier, Z. A. Parker, Lowell Thompson, Edgar Welsh, Beulah Cass, Robert Bruton, Mary Frances Collier, Thurmond Bynum, Aurline Cousins, Clarence Chamberlain, Norma Ann Gistrap, Buford Gholson, Agnes Grissom, Moreland Glass, Contine Guest, Clinton Lee, Frances English, Clifford Pistole, Mollie Hester, Leo Roberts, Rozella Jones, T. A. Williams, Lillian Kaigler, Jerene Kinnison, Lyise Newsome, Dixie Orr, Ruby Lee Polk, Juanita Rose, Mary Frances Sutherland, Clara Pauline Wilfong and Misses Manly and Welsh.

Eagles Defeat Indians 89-6

On Friday, Nov. 16, the Abilene Eagles defeated the Haskell Indians 89-6. This was an easy game for the Eagles, but it is the first time that they have been scored on this season by a "B" class school. This score was caused by a tumble. Welsh was on the tumble before the Eagles could recover it. The first team of the Eagles tumbled four times during this game. The score of 89 was made by 11 touchdowns and 5 goals.

Friday, Nov. 23, the Haskell Indians will go to Roby to play football. This will be a hard game. Roby beat Big Spring 29-0.

Sophomore News

Vera Phelps, from Monday, visited Lena Belle Kemp on Nov. 9 and 10. She could not stay for our football game, but went back to see Monday at Knox City. We are glad to hear that Monday won 6-0.

Vesta Thomas and Lena Belle Kemp spent 45 minutes of enjoyment in the kitchen last Wednesday. Pink tea, white cakes were served. The name of the other hosts were not given.

An Embarrassing Moment
I hailed my friend with gladness—
I rushed up to shake his hand,
And then I saw with sadness
That he was not my friend.

1800—The small girl with tears in her eyes said to the youth:

"I'm sorry I spelled the word
I hate to go above you
And the reason is
Because I love you."

1928—The modern girl with fire in her eyes said to the youth:

"Gee! But you're dumb—
I beat you in English ten
Tomorrow it'll be the same story—
Dumb-Bell, I'll beat you again."
—A Soph.

Miss Carman: "Bates, use liquor in a sentence."

Bates: "My Pa said the next time he saw her out with that guy, he'd lick'er."

Freshman News

Anita and Wilda went to Knox City last Sunday.

We had some memory work last Thursday. Miss Stephens said she was going to give us a slip if we had to be prompted more than three times. She almost had to give two but she was big hearted and let them redeem themselves.

We are still planning to have a theatre party in the near future.

A few days ago the subject on breeds of cattle was being discussed in the seventh grade in one of Mrs. Covey's classes. The "Durham" cattle was mentioned and Miss Southerlin said, "Well Mrs. Covey, is that the kind of cattle they make tobacco out of?"

We, as all the freshman class, are very grieved to learn we are to change our way of addressing envelopes. We spent three years learning to use the "block form" and now we are having to change to the "slant form."

At the first of school a girl from a different school, who had come in to go to High School, asked one of the "flappers" of the freshman class where the freshmen were to go. The flapper replied, "The same place as the fresh ladies, my dear!"

Last Monday morning a group of Freshmen girls went to skate. Among them was Francis Walling. She was trying to learn how to skate without moving her feet. Anna Maud and Anita were trying to help her skate and they took a seat in the floor. They finished on last page.

Be Sure Before You Buy!

Hardly a week passes that some house-to-house salesman does not appear in Haskell. Sometimes he travels in a group, working the town street by street and house by house.

He sells hosiery, blankets, groceries, home remedies, and household conveniences. Usually he knocks the home merchant and tells the lady of the house that she is being robbed by the local retailers.

By such tactics, he frequently convinces his prospective customer that he can offer a much higher quality at a much lower price than the Haskell merchant.

But can he?

We venture to say that there is not a merchant in Haskell who would not be glad to compare merchandise and prices with the transient bell-ringer.

If he tells the truth, the salesman will have to admit that house to house canvassing is the most expensive form of distribution, and that high pressure methods in salesmanship must be employed to obtain profitable volume.

Is it better to be "high pressured" into buying an article from a stranger, or is it safer to buy from your local merchant, whose reliability is recognized?
We leave the answer to you.

To Loan On Farms and Ranches

Give a loan on your farm at 6 1/2 per cent, or 7 per cent annually; the loan to become due at end of ten years if you desire the privilege of paying as much as one fifth of each year if you desire to do so. The cost to you will be less and Recording Fees. If you want a new loan, or to renew an old loan write me, or come and see me and I will make the loan to be had and take care of your interest and money, so you will be satisfied in the future.

D. Sanders; Haskell, Texas

FARM NEWS

(Continued from page 2)

feed crop. He thinks he will have 10 or 12 bales more cotton to pull and then he will be ready for his spring plowing.

Our next stop was at the home of J. C. Crawford south of Rule. He went west a number of years ago and came back last spring and moved into the house where he had once lived 18 years ago. Mr. Crawford has one good cow and will have plenty of meat for another year which he has grown this year. He is almost through picking cotton which he says made a very short crop this year. We are glad to welcome Mr. and Mrs. Crawford back to Haskell county. They have about 75 Red hens.

We made our last call for the day at the home of T. W. Tanner who owns and resides on a 60 acre farm just a few miles south of Rule on Route Three. Mr. Tanner was plowing a team of four hitched to a sulky plow and was plowing near the house. A fine flock of White Leghorn hens which numbers more than 300 called our attention and we found after stopping that both Mr. and Mrs. Tan-

ner are interested in chickens. They stated that they were not getting the production they should get but that the hens were paying their way in eggs. Mr. Tanner keeps books and he knows what his birds produce and we are going to get a statement from him for a year about the first of the new year. He is planning on making some improvements with his hens before long.

We reached home late that afternoon with a heart filled with gratitude for the many kindnesses shown us by the people whom we visited.

When you come face to face with the people of Haskell county you must admit that they are the cream of Texas folks; the real salt of the earth. That's why we all like to live in Haskell county is her excellent citizenship and the cordiality which abounds from every individual that you meet in their homes and elsewhere. No, you can't beat the folks in Haskell county.

An Unpleasant Subject

All of the functions of life are not pleasant to consider. Perhaps this is why some mothers refuse to think that such symptoms as restless sleep, loss of flesh, lack of appetite or itching nose and fingers in their children, can be caused by round or pin worms. Many mothers have proven, however, that a few doses of White's Cream Vermifuge, that sure and harmless worm expellant, will make these symptoms disappear. You can get White's Cream Vermifuge for 35 cents per bottle from Reid's Drug Store or Payne Drug Co.

Dangerous Business

Our stomach and digestive systems are lined with membrane which is delicate, sensitive and easily injured. It is dangerous business, then, to use medicines containing harsh drugs, salts or minerals, when we are constipated. In addition to the possibility of injuring the linings of our digestive system, these medicines give only temporary relief and may prove habit forming. The safe way to relieve constipation is with Herbine, the cathartic that is made from herbs, and acts in the way nature intended. You can get Herbine at Reid's Drug Store or Payne Drug Co.

Over a Billion Deadly Germs in a Single Drop of Water

Germs are so small that there may be as many as one billion, seven hundred million of them in a drop of water. And just a few of these tiny germs, if they get into your blood through a cut in your skin, may make you so sick you will be in bed for weeks—may cause the loss of a limb through blood poisoning—may even infect you with that most dreadful and fatal of diseases, lockjaw.

Just because you can see no dirt in a cut does not mean that it is clean. You cannot see germs. The only safe and sane thing to do, is to thoroughly wash every cut, no matter how small, with Liquid Borozone, to kill the germs, and then dust it with Borozone Powder, to hasten the healing. Liquid Borozone costs 30 cents, 60 cents, \$1.20 and \$1.50; Borozone Powder, 30 cents and 60 cents, and can be had at Reid's Drug Store or Payne Drug Co.

New Chrysler "75" Town Sedan, \$1655 Wire wheels extra. Immediate deliveries

CHRYSLER

New Grace, New Style, New Beauty Greater Value

Chrysler's new style is so original that imitation even in the least detail must plainly indicate the source of inspiration. Its pleasing grace more than ever obsoletes the bulky and cumbersome. The new Chrysler differ from all other motor cars in their utterly new treatment of slender-profile radiator, air-wing fenders, arched windows—to mention a few of a

host of style features—added to a performance which out-Chryslers even Chrysler. The simple fact that thousands of people now realize that not even a thousand dollars more will buy style, performance, comfort, safety, dependability and long life equal to the new Chrysler, is arousing a demand that Chrysler's largest production is taxed to the limit to satisfy.

New Chrysler "75"—(with 6-ly full-balloon tires)—Nine body styles, priced from \$1335 to \$2365, wire wheels extra. New Chrysler "65"—Six body styles priced from \$1060 to \$1145, wire wheels extra. All—J. C. b. Detroit. Immediate deliveries.

Rural Community News Items

Gauntt

Mr. and Mrs. George Chaffin and family of Cottonwood visited in the home of Mr. and Mrs. J. W. Wheeler of this community last Sunday.

W. J. Carrigan of Post visited friends in this community last Sunday evening.

Mr. and Mrs. Jim Sloan and children of Haskell visited Mr. and Mrs. J. W. Wheeler Sunday.

Mrs. Mae Glasscock of Louisiana is visiting her grandfather, Mr. Charlie Miller, also her uncle and aunt, Mr. and Mrs. Jess Miller.

Myers and Wayne Hartfield of Corinth visited in the home of Mr. and Mrs. D. A. Pittman last Sunday.

Mrs. J. S. Stephens and children and Misses Dorris and Susie Fowler visited Mr. and Mrs. W. M. Free and family last Wednesday night.

The Gauntt school opened two weeks ago with Mr. Hugh Gauntt and sister, Miss Hazel as teachers. We wish for both teachers and pupils a very successful school term.

Smith Chapel

Bro. Claude Stovall filled his regular appointment here Saturday night, Sunday and Sunday night. There was a large crowd at each service. The B. Y. P. U. was well attended also.

Miss Maudie Teaff of this community and Royce Stephens of Knox City motored to Haskell Saturday afternoon and were quietly married by Rev. Whatley. They have the good wishes of the entire community for a long and happy life.

Audie Teaff spent the weekend in the Livengood home in the Post community.

L. F. Fisher's daughter, Miss Annie is here visiting from Ala.

Mr. and Mrs. Will Lewis of near Knox City visited in the home of her parents Mr. and Mrs. J. J. Reason, Sunday.

Mr. J. L. Burns received a telegram Friday from his daughter, Mrs. Dewey Parkhill of near Lamesa, that her house was destroyed by fire. He made a trip out there.

Lillian Craddock and Ford Waldrip

attended the football game at Munday last Monday.

Mr. and Mrs. Tom Webb spent the weekend at the home of Mr. and Mrs. D. H. Craddock.

Opal little who is attending school at Stamford spent the weekend with her parents Mr. and Mrs. J. B. Little.

Edgar Standfield has been real sick but is better at this writing.

Kate McGuire spent the weekend at her home.

Tanner Paint

Bro. Ball of Rule preached a most interesting sermon here Saturday night.

Miss Leitha Johnson spent Sunday afternoon with Miss Hazel and Lorena Herring.

Mr. John King is visiting his father and mother, Mr. and Mrs. J. B. King.

Mr. Elgin Pierson is able to be up some, which we are very glad to learn.

Miss Jennie Tucker spent Sunday afternoon with Miss Mary Wyatt.

Miss Lonell Denison visited home folks the past weekend.

Mrs. Richard's sisters are visiting her.

Mr. Carl Scott of Rotan is visiting his sister Mrs. Johnson of this community.

Our B. Y. P. U. rendered a nice program Sunday night. There was a large crowd out.

Lone Star

The farmers of this community have lots of cotton in the fields yet. The damp weather has retarded gathering.

The Lone Star school started Nov. 5 and the teachers are Mr. O. L. Conner, principal, Miss Cannon, intermediate, and Mrs. Montandon, primary. The school had a box supper last Friday night which brought about \$45. They will use the money to paint the interior of the school house and buy play ground equipment.

Mr. and Mrs. G. T. Floyd visited Mr. and Mrs. W. A. Floyd Sunday and in the afternoon Mrs. W. A. Floyd and Mrs. G. T. Floyd visited Mrs. L. H. Dudley and little baby of Haskell.

Mr. Troy Turpin is going to Gillespie high school this year.

Mr. and Mrs. T. J. Thompson came out to their farm last Wednesday.

Miss Gleta Boyd who has been visiting her sister Mrs. C. R. Barnett, has returned to her home in Montague county.

Miss Ruby Jewel Dudley of Haskell visited Miss Minnie Lee Floyd the first of the week.

Geord Stovall of Wichita Falls has been visiting his father and mother, Mr. and Mrs. Henry Floyd.

Flat Top

Mr. Houston Brewer and his son Oran of Trent, Texas, visited their granddaughters and nieces, Melba and

Lula Brewer one day this week.

J. O. Corley visited in the Howard community Sunday.

Miss Essie B. Ross visited Pauline Burrow of Sagerton Sunday.

Mr. Joe Clark cut his hand on a barb wire and it is giving him a great deal of trouble.

Miss Elvie Carroll of Sagerton spent Saturday night and Sunday with Melba Brewer.

Newton Lefevre of Amarillo was in this community Friday night visiting friends.

Several from this community attended the preaching services at the Baptist church of Sagerton Sunday and Sunday night. Bro. Tatum of Abilene preached.

Some of the children of this place had to miss school the past week on the account of rainy weather.

Mr. August Inder and Miss Liddle Lairmon were married on Tuesday of last week. They were married at the Lutheran church at Sagerton. They gave a big wedding dance that night. Everyone who attended report a nice time.

Miss Violet Niel and Mr. Wayne Crabtree of Sagerton visited the Flat Top school Monday evening.

Foster

Our school opened October 29 with 67 enrolled. Some of the pupils are out of school pulling bolls this week. We are going to organize a girls basket ball team this week. The 7th Grade has organized an English Club. The officers are as follows: Emma Webb, president, Davie Harrell, vice president and J. C. Halliburton, secretary and treasurer. Our club will meet every two weeks.

The party given by Mrs. N. H. Harrell was enjoyed by a large crowd.

Mr. and Mrs. J. E. Adams and family spent Apple Pie Day with Mr. and Mrs. R. B. Fowler and family of the Howard community.

Manford Reed who is attending school at Haskell spent Friday afternoon in our school.

We are sorry to report that J. T. Adkins, son of L. A. Adkins of Haskell cut his nose last Friday morning while heading mares for D. H. Adkins. J. T. fell from the wagon with his knife in his hand which caused the accident.

Sagerton

We had a rain last weekend which will be free on the grain.

There has been quite a good deal of wheat planted. There is also a good season in the ground for spring oats.

Mrs. D. E. Gay and son of Stamford visited her mother and family of this place, Saturday and Sunday.

Mrs. G. E. Russell spent a few days last week in Stamford visiting her friends.

Mr. Henry Flowers of Old Glory called on his grand daughter Mrs. Russell Monday evening.

Mrs. Frank Batson is at home now. She and the baby are doing nicely.

Mr. and Mrs. J. P. Caudel and W. P. Caudel and wife spent the holiday in Ft. Worth.

Miss Grace McClendon who is teaching at Levit south of Sagerton, spent the weekend in Stamford.

The O'Brien girls defeated the Sagerton girls in basket ball last Monday by a score of 26 to 8.

A Parent Teachers' Association is being organized at Sagerton High School. All of the prents are requested to join.

A Cemetery Association is going to be organized Friday night Nov. 23 at the Methodist Church. Every one is invited to attend.

Mr. Neirdeck's mother of this place died last Friday and was buried Sunday evening at Fair View Cemetery. The entire community extends sympathy.

Mr. A. E. Pillely of Abilene was here visiting last Saturday and Sunday.

Mr. and Mrs. Morehead and children have returned from the plains. We are glad to have them back.

No. 3917 Citation By Publication THE STATE OF TEXAS

To the Sheriff or any Constable of Haskell County—Greeting:

You are hereby commanded that you summon, by making publication of this citation in some newspaper published in the County of Haskell, once in each week for four consecutive weeks previous to the return day hereof, M. A. Daniel whose residence is unknown, to be and appear before the Hon. District Court at the next regular term thereof, to be holden in the County of Haskell at the Court House thereof, in Haskell on the 7th day of January, A. D. 1929, then and there to answer a Petition filed in said Court, on the eighth day of September, A. D. 1928, in a suit numbered on the docket of said Court No. 3947, wherein Louisa L. Daniel is plaintiff and M. A. Daniel is defendant. The nature of the plaintiffs demand being as follows, to-wit:

Plaintiff sues for divorce, alleging that at time of filing and exhibiting her petition she is and has been for a period of more than twelve months an actual bona fide inhabitant of the

CARD OF THANKS

We wish to thank the friends and neighbors for the many acts of kindness they did for us during the illness and death of our dear mother and grand mother. For the beautiful floral offerings and especially do we thank those who made the long drive with us to Hamlin where we laid her to rest by our dear father who had only been gone a few months. May the Great Comforter who has been with us during this time bless each one of you in our prayer.

Mr. and Mrs. E. M. Morgan and family,
Frank Fuller,
D. Fuller,
Mrs. John Whaley

The pie supper which was given at the McConnell school house Friday night was attended by a large crowd. There were people from several of the adjoining communities present. The business houses of Stamford gave presents to be sold after the pie supper. The pies and the articles together brought about \$60, which will be used for the benefit of the school.

McConnell Defeats Haskell

Thursday, Nov. 15, the Haskell and McConnell basket ball teams played at McConnell. The game was very interesting and ended 19 to 7 in favor of McConnell.

McNeill & Smith Hardware Co

To California

Free (last week) Sunday night Sept. California which in the world, and our last city as our last we drove to Santa arriving there in which had been Tuesday Sept. member of Commerce

in the corner stone of the old court house building of Eastland and was released when the old building was raised to give place to the new. These California fellows had read in the papers of the incident, but never expected to find a living man who would vouch for the truthfulness of the statement and the expression on their faces as Colvin told the story was amusing to look upon. Whether they believed or not, we have no way of knowing, but it was a good story well told and the members of our party got a kick out of it.

Santa Rosa

We believe that our readers will enjoy a brief story about the city of Santa Rosa, which was the end of our journey and from here we turned our steps homeward. The greatest event in the history of this city was its total destruction in the great California earthquake which took place April 8, 1906 at 5 a. m. Not a brick or stone house was left standing in the city according to a statement to the writer by one of the citizens who was in the city at the time. According to those who witnessed the disaster it was a terrible affair and took heavy toll of life and prop-

erty. The only thing we noted which is left to tell the story is the side walks which have not been removed and the hundreds of cracks through them resembling a checker board. Coming at 5 o'clock in the morning when the people were mostly in their homes saved many lives and much injury to the inhabitants. Had they been in the business houses which were leveled to the ground the dead and injured would have been many more.

Burbank Gardens

It is here that Luther Burbank the plant wizard lived and wrought, although he died in April 1926 more than two years ago there are many things which he did with his hands still in existence, besides the great promulgation of plant life which will live forever to commemorate him to the coming generations. Burbank lived in the city of Santa Rosa and he owned two dwellings near each other with small plots of ground. He lies buried beneath the trees in a little beloved spot in the corner of his yard, which we will give in detail later on in this article. His principal operations were performed at his botanical garden, which is a tract of and consisting of 18 acres near Sebastopol four miles west of Santa Rosa. In this garden his life's work of experimenting was carried on. On some of the trees of this garden are strings holding metal checks with a number which he tied on with his own hands before he passed away. Here

we saw one apple tree bearing 150 different varieties of apples. This was done through the process of budding. A plum tree bearing 14 different kind of plums and a pear tree bearing 50 different kinds of pears all put through by the same process of budding. There were thousands of different kinds of trees and fruits representing the life work of this great man. Chestnuts, all kinds of shrubs and flowers were growing in this garden, which we have not time and space to report. This garden is now owned by Stark Bros. Nursery Company of Missouri who expect to promote the efforts of Mr. Burbank's experience.

Mr. W. D. Enzie has charge of these gardens for Stark Bros. and he was kind enough to show us through and explain everything to us. But in such a short time we could not get much report on this man's great work. It would take many days of careful work to get lined up the many things which stand to his achievements.

From this garden we retraced our steps back to Santa Rosa driving to the residence of Mr. Burbank and stopping beside the grounds Mrs. Burbank was away from home and there was no one there to show us through, so our information is mostly what we could observe from the outside of the grounds. The grounds around these residences were a mass of flowers of rare beauty. Blue Petunias were growing in profusion which is one

of Mr. Burbank's latest achievements. Other flowers, we had never heard about were growing in these wonderful gardens. They were just too many to describe in this limited article. But one of the most interesting features of this wonder spot is a little corner in the yard which was made to represent a scene in the Bible Lands. Mr. Burbank made a trip to the old world a number of years ago and he brought back many trees and plants which he set out in the corner of his yard and they are growing nicely. Here he has the Cedar of Lebanon growing which is the wood used in Solomon's temple in Jerusalem. The willow trees of the old world upon which the Bible says the weary pilgrim hung their harps. The reeds which Christ spoke about being shaken by the wind. The rushes the kind Moses' mother hid him in when he was found by the daughter of the king. The Lillies of the Valley which grow about knee high and have beautiful yellow flowers. These are often referred to in the Bible. The fig tree spoken of that grew in Palestine which the Lord mentions on several occasions are all growing in this beloved spot and under this Cedar of Lebanon is the moundless grave of Mr. Burbank where his body was laid marked only by a tiny vase set at the head. Among these trees and flowers a stream of water is bursting from a rock and a little brook is formed and beside the brook is a little statue carved from a stone representing a shepherd slacking his thirst, and behind him on the grass lies his sheep which are stoned cut to represent sheep lying down at rest. This is doubtless a place in the Bible lands Mr. Burbank visited and brought the scene to his yard and remade it. And it was in this beloved spot that he wished his remains to rest.

eggs. They were satisfied with their work and were ready to tie on to the bus for the return trip to San Francisco. You will remember in our last week's letter that we were ushered out of Petaluma before we were satisfied regarding the egg production. These boys beat it back and talked to the information wanted which they deem very valuable.

We arrived at the San Francisco Bay after night fall and crossed over on the ferry boat again, bus and all and drove to the Occidental Hotel where we spent the night. It was in this hotel that the boys told the joke on us about coming back to the clerk's office and asking for a room with a bed in it. They had some kind of a folding bed in these rooms and that's where the fun came in. But we managed to get the thing down to a level and after we had crawled onto the thing for the night we were only disturbed by the occasional snoring of J. O. Jackson our room mate.

We will tell of our trip over the city of San Francisco in our next letter including China Town.

LIGHTNING SHOCKS BIG TREE TO DEATH

Makes Small Gash, but Kills Oak Instantly.

New York.—How a freak stroke of lightning hit a large white oak in the New York botanical garden, Bronx park, ripped only a small gash on one side of the trunk and yet was strong enough to bring almost instantaneous death to every twig and leaf, is told by Dr. Arthur Hollick paleobotanist at the garden, in its current journal.

"Those who recall the natural features of the woodland at the north-eastern border of the economic gardens of the New York botanical garden," Doctor Hollick states, "and the appearance that these features presented a year ago, may now notice that something once familiar is missing from the scene.

"A large white oak, formerly a conspicuous element in the forest growth, has disappeared, and all that remains as evidence of its former presence is a sawed-off stump in a partly cleared area in the woodland border. The recent removal of this tree represented the climax of an interesting and tragic event in its life history.

Tree in Prime of Life.

"It is well known that lightning often acts in what appears to be a freakish manner, and also that it occasionally produces effects that are more or less difficult to explain. The tree under consideration was apparently vigorous and in the prime of life last summer, as far as may have been inferred from its external features, when it was struck during a thunder storm.

"It did not appear to be badly injured. No limbs were torn off. The only obvious effect of the stroke was a longitudinal gash in the bark and sap wood, of relatively insignificant extent, on one side of the trunk. There are several trees within the garden area that suffered in past years, much greater external injury from lightning and they are alive to day, although the scars are glaringly conspicuous.

"This particular tree, however, appeared to have been shocked to death instantaneously. The foliage throughout began to wither at once. Every leaf became wrinkled and within a month the tree had begun to assume the brown and yellow appearance of autumn, while the surrounding vegetation was yet fresh and green. The contrast in coloration was conspicuous and attracted considerable attention.

"The tree was also a conspicuous object during the following winter by reason of the withered foliage, almost intact, still clinging to the twigs and branchlets while all the other deciduous trees in the vicinity were completely denuded.

"The explanation of this latter phenomenon is, apparently, that the tree having been suddenly killed during its season of growth and highest vitality, its leaves were, in consequence, securely attached to their support and were not subject to the physiological changes that normally result in the weakening of attachment and the ultimate severance of the leaves from the branches in the autumn.

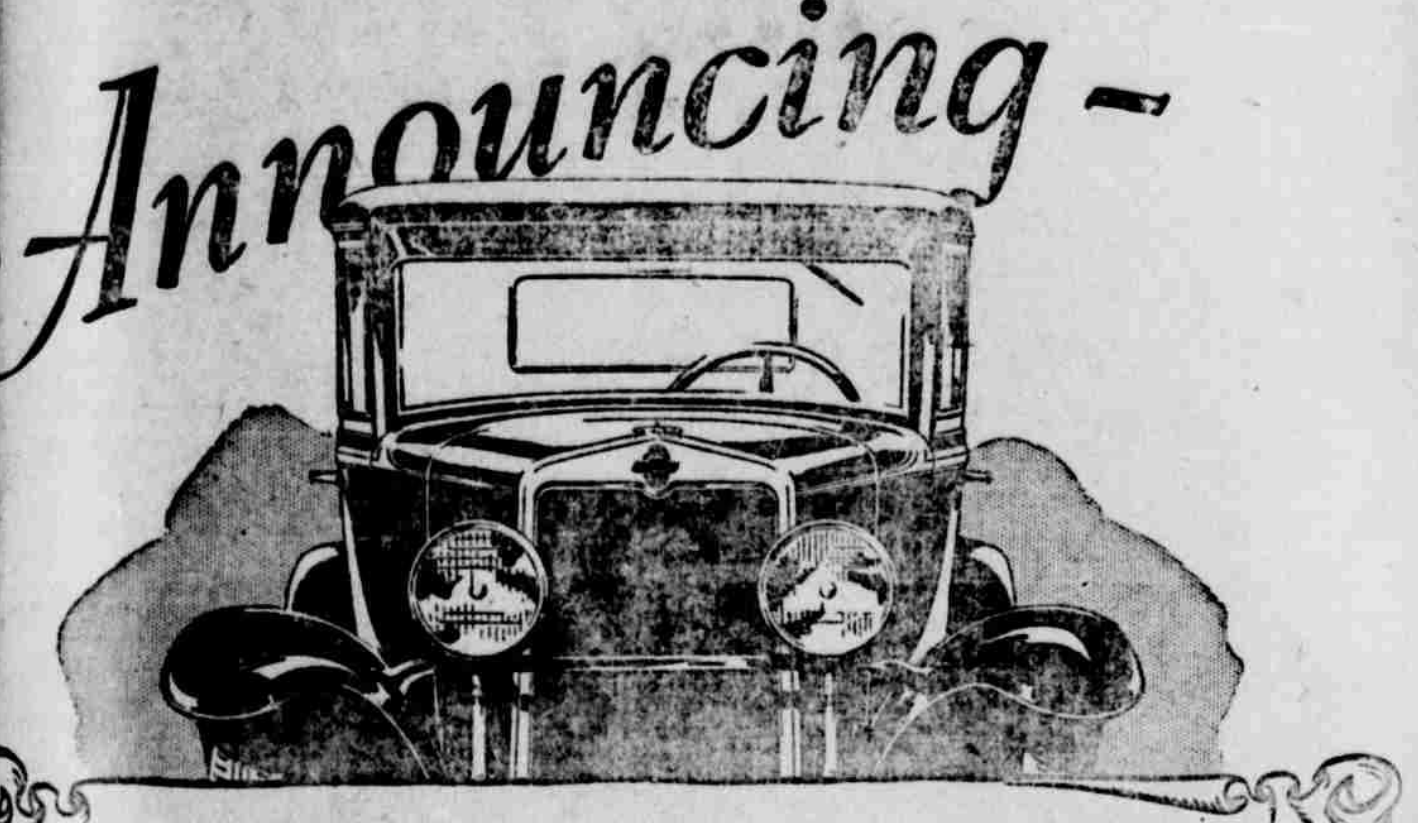

"In this connection it is interesting to note, incidentally, that a large number of twigs and branchlets that were broken off during winter storms had leaves securely attached to them. The wood had yielded to the stress, but the leaves had held fast.

Put Under Observation.

"The tree was kept under observation during the last spring in order to determine definitely if it showed any evidence of vitality; but not a bud showed any inclination of expanding when all other trees had developed their seasonal leafage. It was dead and its removal was deemed advisable.

"The trunk of the tree at a distance of 2.5 feet from the ground measured 10.4 feet in circumference, and several countings of the rings on the surface of the stump gave an average result of 187 that were more or less distinctly discernible.

"An area in the center of about four or five inches in radius was more or less decayed, so that the rings were not well defined. This area probably represented about the first fifteen years of growth. The tree, therefore, may be inferred to have been approximately 100 to 200 years old at the time when it met its death."

Announcing -

The Outstanding Chevrolet of Chevrolet History

- a Six in the price range of the four!

The Chevrolet Motor Company announces The Outstanding Chevrolet of Chevrolet History... a Six in the price range of the four!

Spectacular as Chevrolet's achievements have been in the past... notable as its engineering triumphs have proved themselves to be—this remarkable new car dwarfs every previous Chevrolet accomplishment. Not only does it introduce into the low-priced field a new measure of performance, comfort, beauty and style—but it is sold at prices so low as to alter every previous conception of motor car value.

The new six-cylinder valve-in-head engine—developed from more than a hundred motors designed especially for this sensational car—stands out as an engineering masterpiece. With a power increase of approximately 32% over the previous Chevrolet motor... with sensationally greater speed and faster acceleration—it offers a type of performance that is literally astounding... even to those who have been accustomed to driving cars costing hundreds of dollars more. And it affords an economy averaging better than 20 miles to the gallon of gasoline!

In appearance, this Outstanding Chevrolet is destined to become an automotive sensation—so smart, so stylish and so distinctively ap-

pointed that it rivals the costliest custom creations. The marvelous new Fisher bodies are longer, lower and roomier with adjustable driver's seat in all closed models—and reveal the matchless artistry of Fisher designers. With their modish new colors, their smart dual mouldings and their distinctive concave pillars, they achieve a degree of original beauty that has seldom been equalled.

You are cordially invited to visit our showroom and secure complete and detailed information on this sensational new car which will be ready for delivery beginning January 1st.

White Rhino Only

Beast Never Caught

Washington.—In the eternal game of "tag" between man and the animals he has hunted, there is only one beast known to man that has never been caught. Every zoo in the world would like very much to get the white rhinoceros to be found in large numbers near the rivers of the Sudan, but none has thus far been successful.

It is the only animal which threatened with captivity, will deliberately commit suicide. Young white rhinos which were captured by natives died within a very short time, so sensitive are they to captivity.

Every year the great slaughter of the beasts in an effort to capture one which resulted in a law against hunting the white rhino.

The Old Mosaic Laws was very ably
presented by Rev. W. B. Vaughn.
Mrs. O. E. Patterson rendered a piano
number, "Barie King" by Schubert.
This is the one hundredth anniver-
sary of Schubert's death and the nation
was asked to commemorate his
memory at this time.

J. U. Fields Entertains
Merrie Dames, With Lovely Party.
Monday of this week dawned clear
and cold and every shrub and tree
showed visible signs of a visit from Sir
John Frost. The freeze of the morning
led to a beautiful fall day by
noon. At 1 o'clock in the afternoon and Mrs.
J. U. Fields was at home to special
guests and members of the Merrie
Dames at that hour, and four tables
were set. Forty-two were enjoyed. Mrs. Fields
served her guests in the reception
parlor that was brightened with bowls of
flowers. The living room held the
green color tones, of gold and purple,
masses of chrysanthemums, that

North Ward P. T. A.
The North Ward P. T. A. program
for this month was one on Humane
Education, and was given by Mrs.
Green, Mrs. Dotson and their third and
fourth grade pupils. Before the pro-
gram, a business meeting was held.
The Schuman Quartet was available
Nov. 10, but since this was not a con-
venient night, it was voted not to have
it at this time. Mrs. Sam Roberts was
appointed secretary to succeed Mrs.
Alvy Couch who has just moved to
Sagerton.
The following program was given:
Song: Bird Joy—Fourth Grade
Reading: Nest—Eugene Rose.
Song: Bob White—Third Grade.
Reading: Kindness to Animals—
Oleta Fields.
Play: Woodland Voices—Third and
Fourth Grades.

**Woman's Auxiliary of
Presbyterian Church.**
Regular meeting of the Woman's
Auxiliary of the Presbyterian Church
was held at the home of Mrs. H. S.
Wilson, Monday afternoon.
The meeting was called to order by
the President, Mrs. H. S. Wilson. The
song, "Break Thou the Bread of Life,"
was played very softly by Mrs. Jno.
W. Pace; and a beautiful prayer by
Mrs. R. E. Sherrill followed.
The regular business of the Auxiliary
was then conducted, after which the
meeting was in charge of Mrs. J. P.
Kinnard, who gave a very interesting
program on "Keeping the South a
Good Place to Live In." She was
assisted by Mrs. H. S. Wilson, Mrs. R.
E. Sherrill, Mrs. J. W. Pace and Mrs. J.
T. Box.
Meeting was closed by prayer by Mrs.
J. P. Kinnard.
Mrs. H. S. Wilson requested the
ladies to stay for a short social hour,
which was enjoyed by everyone. Mrs.
Wilson served a delicious sandwich
lunch.
Mrs. Jno. W. Pace will have charge
of the meeting on November 26. Sub-
ject: "Adventures in the Homeland"

**Mrs. John Couch Hostess to Lovely
Club Party.**
On last Tuesday afternoon Mrs. John
Couch was hostess in her home to a

MONEY TO LOAN

On farms and ranches by the John Hancock Life Insurance
Company, at a low rate of interest, annual interest, with option to
pay \$100 any multiple of \$100 at end of any year up to 15th with
out notice. No attorney fees, no commission notes and no inspec-
tion fees. You get all you borrow. Only one deed of trust and one
note, hence your option is a real one, and has no "strings" tied to
it. A simple, plain contract that any farmer can understand. A
loan that will enable you to gradually get out of debt during your
lifetime. Pay on principal in good years and skip principal pay-
ment in dry years if you so desire. No loan like it for the farmer.
Loan you money to build or improve your house or build you a
barn. Come in and let us explain the loan to you. Nothing to
hold back.

CITY LOANS

We make loans on city property on both the monthly pay-
ment plan or the annual payment plan, on good terms and low
rate of interest.

FIRE INSURANCE

We write all kinds of Fire Insurance both on City and Farm
Property.

HASKELL, HASKELL COUNTY, TEXAS, THURSDAY, NOV. 22, 1928.—10 PAGES

FORTY-FIRST YEAR

Continuance Is Granted in Fritts Murder Trial

Illness of Material Witness Cited as Cause of Move

The trial of Will Fritts, accused of the murder of D. W. Hamilton and his son Earle Hamilton, which was called for trial in District Court at Anson Wednesday, was continued until January 16.

This was the third continuance granted in the case, one having been granted from Haskell county shortly after the slaying, and a second motion for continuance having been granted on November 8. Because the defendant's mother, a material witness for the defense, is seriously ill at Wichita Falls, Judge Bruce W. Bryant, who is presiding in the absence of Judge W. R. Chapman, granted a continuance, resetting the trial for January 16.

Mrs. Fritts is in a hospital at Wichita Falls. The defense has been countering to the state's attempt to send Fritts to the electric chair will be rested largely upon the testimony of Mrs. Fritts. She is expected to tell of her son's mental irregularities and of his efforts to commit suicide.

Fritts is charged with the murder of D. W. Hamilton and his son, Earle. They were shot to death at their home near Rochester, October 21.

Two Witnesses Held

Two of the defense witnesses for the trial were prisoners in the Jones county jail at Anson today. The witnesses, Roy and Shad Farrar, brothers from Rochester, are charged with transporting liquor and attempting to assist a prisoner to escape.

The two were sighted by Deputy Sheriff Sanders early this morning scaling the walls of the jail. They had reached a position directly under the windows of Fritts cell when the officer saw them. One of the men broke a bottle and officers to contain whiskey when Sanders shouted. Bonds have been set at \$1,000.

TEXAS FEE SYSTEM DECLARED OUTLAWED

The Texas fee system of paying justices of the peace from fines and costs they collect was declared unconstitutional Wednesday by the Court of Criminal Appeals, because the justices have a direct personal and pecuniary interest in convictions.

The ruling is in line with one by the United States Supreme Court which knocked out the municipal fee system in Ohio. Under the decision Wednesday, A. R. Keller of Nueces County is ordered released from sheriff's custody, where he has been because of failure to pay a \$1 fine and costs in Justice of the Peace B. G. Motley's court at Corpus Christi.

The law allowing justices to be paid from the proceeds of fine costs was held to be in contravention of both the State and Federal Constitutions.

Because of the hundreds of justices in Texas who have been paid for many years through fees, the decision will have a far-reaching effect and may involve the rights of other justice officers to be paid through fees if they have an interest in conviction.

YOUNG LADY OF HASKELL ATTENDS SCHOOL OF MUSIC

Miss Mae Free of Haskell is now in Willis Point, Texas attending the Vaughan Normal School of Music. She is studying voice and specializing in Solo singing with Walter D. Scales of Lawrenceburg Tennessee, who is the South's greatest baritone soloist. She will also take an advanced course in harmony and sight reading. She expects to be at home Christmas.

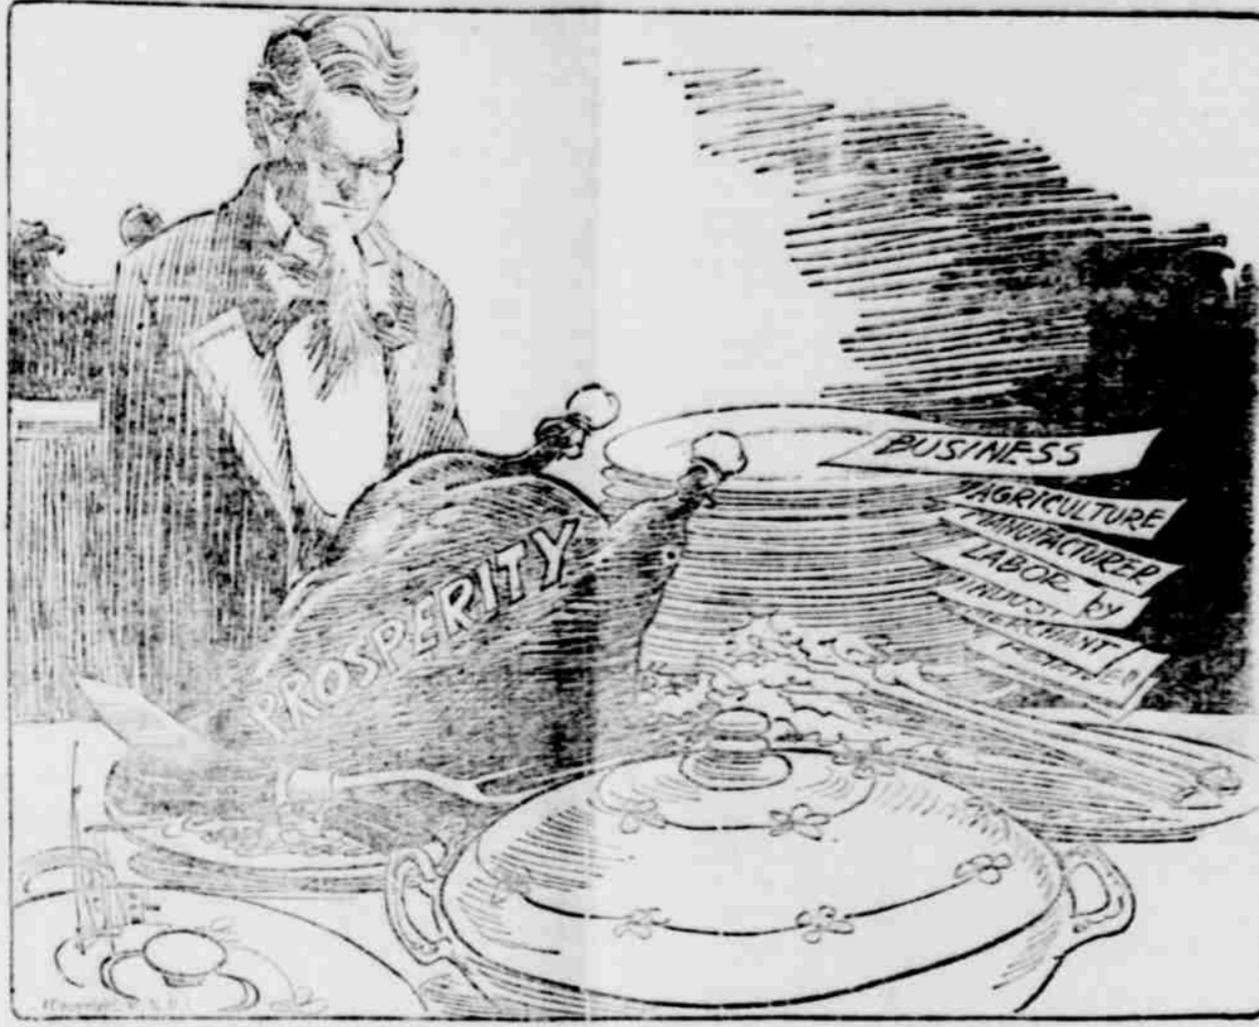

J. M. Lackey and family of 000 Glory Route 1, were in the city Saturday.

E. W. Krieger and family were Haskell shoppers Saturday. Mr. Krieger is a substantial farmer living in the Curry Chapel community.

R. D. Lackey of Weaver was in the city Saturday. Mr. Lackey is one of our old time readers and friends of the Free Press.

Uncle Whitt Williams was in the city Saturday and stated that he has 40 acres of wheat sown and is still running his drill. He usually sows about 100 acres. He further stated that now is the time to sow wheat to make a good yield. Uncle Whitt is one of our old timers living about 10 miles east of the city.

Thanks

Local Ford Dealer Receives Details of Ford Finance Plan

Mr. C. L. Glazner of the Haskell Motor Company local Ford dealers, returned a few days ago from Dallas where he received details of the new Ford finance plan.

The new finance plan will be operated by the Universal Credit Company, an affiliated specialized organization by the Ford Motor Company and operating solely for the purpose of financing Ford Products on a "time" basis. The branch office serving this territory is located on the 9th floor of the Burt building, Dallas, Texas.

This is of special interest to prospective purchasers of Ford Products on a "time" basis. Under this authorized finance plan, Ford customers will have a finance service available which is sound and in keeping with Ford policies and standards. The plan is nationwide in scope and for the exclusive use of Ford dealers.

It is another step of the Ford organization in reducing costs by controlling operations from the mine to the consumer. The cost of this service will be lower than any heretofore available to Ford customers on a national basis, and automatically reduces the price of Ford cars purchased on a "time" payment basis. It is further expression of the established Ford policy of giving standard values and complete service to the consumer at the lowest possible cost.

The Universal Credit Company and the Ford dealer will work together in making this new economical Ford service available to all purchasers of Ford products on a "time" basis. The Haskell Motor Company, local Ford dealers, will be glad to explain all the details of the plan, which applies to both new and used cars purchased from Ford dealers.

BOX SUPPER AT ROSE SCHOOL FRIDAY NIGHT

A box supper will be given at Rose school house five miles east of town Friday night, and all patrons and others who will be urged to attend. Proceeds of the evening will be donated to the playground fund of the school for the purpose of providing equipment for the pupils. Remember the date, Friday evening of this week, and attend—you are assured an evening of entertainment.

Mr. and Mrs. C. W. Jetton of the Myers community were shopping in the city Saturday.

Mr. and Mrs. J. W. Liles of the Gilliam community were shopping in the city Saturday.

Mr. and Mrs. W. B. Calaway were in the city Saturday shopping. Mr. Calaway was in the city Saturday shopping. Mr. Calaway is farming in the Ballew community.

3 Cars Dressed Turkeys Shipped to Markets

According to C. L. Lewis, agent for the American Railway Express Company, three cars of dressed turkeys have been shipped from Haskell this week to Boston and New York for the Thanksgiving markets, with another car scheduled for shipment today (Thursday).

The birds were shipped by the Western Produce Company of this city, two cars going to New York, and one to Boston. Special refrigerated cars were used, the capacity of each being in the neighborhood of 1,500 turkeys, which gives a total of nearly 5,000 birds shipped from this city this week.

Funeral Services Held Friday for Suicide Actress

Funeral services were held at Rochester Friday afternoon for Mrs. Jean Stewart, actress with the Merry Madcap Tent Theatre, who committed suicide last Wednesday night, while the stock company were filling a week's engagement in Rochester. The tragedy occurred while Wednesday evening's bill was being given, and an audience of some four hundred people were in the tent at the time.

Services were conducted at the Methodist Church in Rochester, with Rev. J. E. Harrell, pastor of the church officiating. A large congregation was present, and a profuse floral offering was heaped high around the casket of the deceased woman. After services the remains were laid to rest in the Rochester cemetery.

Mrs. Stewart is survived by her husband, who is manager of the stock company, a son 14 years of age, four brothers and one sister. Her husband, son and sister were present for the funeral services, but the four brothers could not reach Rochester in time for the services.

The week's engagement of the company in Rochester was cancelled Wednesday night after the tragedy occurred.

MIDWAY TO OBSERVE THANKSGIVING PROGRAM

A Thanksgiving program, sponsored by the Midway Parent-Teachers Association, will be held at the Midway School on Thanksgiving Day. All patrons of the school are invited to attend and take part in the day's program. Those attending are asked to bring baskets and spend the day, as a basket dinner will be spread at noon. A suitable program is being arranged which promises to be entertaining to all who attend.

Baptist Workers Council To Meet With New Hope

The Workers Council of the Haskell Baptist Association will meet with the New Hope Baptist church on Nov. 26. W. M. Free will be the choir director and the following program will be rendered:

- 10 a. m.—Devotional by Early Hatch
- 10:15 a. m.—Why do Baptists claim the right of every individual to approach God directly at all times for himself?—J. A. Kinser.
- 10:45 a. m.—Teaching the Bible to Young People—Mrs. I. N. Simmons.
- 11:10 a. m.—Special Song—Miss Mae Free.
- 11:15 a. m.—A Sermon on Christian Citizenship—C. E. Ball.
- 12:50—Lunch.
- 1 p. m.—Stressing the Bible in Women's Mission Study Classes—Mrs. Joe W. English.
- 1:25 p. m.—Why do Baptists contend for a regenerated church membership?—H. R. Whaley.
- 1:55 p. m.—Why do Baptists teach the self-governing democracy of the local church with Christ its only head?—Joe W. English.
- 2:35 p. m.—W. M. U. Business Meeting. Mrs. J. O. Bowden in charge.
- 3:00 p. m.—Close.

PIE SUPPER AT BALLEW NIGHT OF NOV. 28

A Thanksgiving program and pie supper will be given at Ballew school house north of Haskell on Wednesday night November 28th. Proceeds of the evening's entertainment will be donated to the school. All patrons and others interested are urged to attend and help make the entertainment a success.

MEETING CALLED TO ORGANIZE CEMETERY ASSN. FOR SAGERTON

All who are interested in the Fair View Cemetery near Sagerton are requested to meet at the Methodist Church in Sagerton, Friday night Nov. 30, for the purpose of organizing a Cemetery Association. Bear this in mind and come.

Mr. and Mrs. Jim Stanford of Roberts were shopping in the city Saturday.

Mr. and Mrs. John Dean of Howard were Haskell visitors Saturday.

Mr. and Mrs. N. H. Harrell of Foster were Haskell shoppers Saturday.

Mr. and Mrs. Fred Monke of the Myers community were Haskell shoppers Saturday.

Mr. and Mrs. H. K. Fry living west of this city were shopping in the city Saturday.

Mr. and Mrs. G. E. Cearley of the Gaunt community were in the city Saturday. Mr. Cearley says he has been suffering with the "flu" but we are glad to see him able to come to town.

\$150 Per Acre Paid For Haskell County Leases

Two Major Companies File Leases on 417 Acre Tracts

Purchases of acreage in southeastern Haskell county by the Texas Company and the Union Exploration Company at a price of \$150.00 an acre are noted from leases filed in the County Clerk's office here this week.

The Texas Company acquired 1292 acres and the Union 278, the latter also entering into contract for immediate drilling. Both leases were bought from the Reynolds Cattle Company, on whose lands the first producing well in the county was brought in several weeks ago. The Superior Oil Company's No. 1 Reynolds, which is flowing approximately 60 barrels daily from a sand at 1730 feet.

The Texas Company acreage is east and the Union purchases north and west of the producer.

Increased activity in drilling in that section is expected to be under way within the next few weeks, as locations are reported to have been made for several wells within a radius of a few miles of the producer.

W. W. JOHNSON BURIED IN VANZALAS COUNTY

The sad news of the death of W. W. Johnson, brother of Mrs. Watt Fitzgerald, reached relatives here November 11th, the date of his death. Mr. Johnson's home is in VanZalas County but he and his wife were in Slaton, Texas looking after business interests when he was stricken with apoplexy and died instantly. He was taken to his home for burial. Mr. Johnson lived in Haskell County in the early days and will be remembered by a number of the early settlers here. The deceased is survived by his wife and four children, the latter are all grown and have families of their own. These have the sympathy of all.

GRADE PUPILS ORGANIZE "CANARY GLEE CLUB"

Pupils from the Fifth and Sixth Grades met Friday afternoon and organized a Glee Club. They adopted the name "Canary Glee Club." The club has decided to meet every Monday and Wednesday.

The following officers were elected: President—Maxine Simmons. Vice President—Gorman McDonald. Secretary—Alberta Orr. Treasurer—Ruth Tillinghast. Reporter—Ruth Morgan. Pianist—Sue Couch. Miss A'lene Mitchell of Abilene is going to be our director in our meetings.

The members who joined the Canary Glee Club are as follows:

- Sue Couch, Ruth Tillinghast, Mary Williams, Mildred Grissom, Ethel Irby, Ruth Morgan, Gorman McDonald, J. G. Foster, Dorothy Segs, Ovale Bethal, Alberta Orr, Louise Roberts, Fred Sanders, James Kennedy, Maxine Simmons, Frank Bryant, O. D. Cook, Eva Dell Squyres, Cecil Reeves, John Darrell, Ava Grindstaff, Norman Dulaney.

EXPRESSION CLASSES TO PRESENT PLAY TUESDAY

On next Tuesday at 7:15 o'clock Mrs. C. M. Kaigler will present her classes in expression at the auditorium of the High School. These comprise the north and south ward pupils and the challenging motif will be carried out in a two act play, "Then and Now." The story of the negotiation between the Pilgrim Fathers and the Indians with folk dances by a number of girls in quaker and colonial costumes comprise the first act. The second act is loyalty to our country and our flag today. In the monthly programs sponsored by these classes, it is the intention to depict some bit of history or to commemorate the work of standard writers. Patrons of the expression classes and all others are cordially invited to be present. There will be no charge. We will be very glad to have you come and encourage us in our work.

ROCHESTER YOUNG LADY UNDERGOES OPERATION

Miss Maud Newberry, daughter of Mr. and Mrs. W. A. Newberry living near Rochester underwent an operation for appendicitis at the Baptist Sanitarium in Abilene last Wednesday and on last report she was doing nicely. It is the hope of the many friends of the young lady that she will soon be able to come home to her loved ones and enjoy the blessings of good health.

FIRE DAMAGES RESIDENCE SUNDAY

Damage to the extent of \$1500 was caused by a fire at the home of Mr. and Mrs. Roy Killingsworth in the north part of town Sunday afternoon. Damage to the house was estimated at \$1500 with a loss of \$300 estimated on furniture and household goods.

The fire was discovered by neighbors about 3 o'clock in the afternoon. Mr. and Mrs. Killingsworth having left earlier in the afternoon. The blaze is thought to have been caused by an exposed gas stove. The house was practically new, having been built last year, and most of the damage was confined to the ceiling and roof of the structure. Firemen did good work in extinguishing the flames after their arrival, and most of the household goods and furniture were removed by the firemen and neighbors, which prevented a more serious loss. Mr. Killingsworth stated that his loss was partially covered by insurance.

CHEVROLET SIX IS ANNOUNCED

Passing on to the motoring public the benefits of economies arising out of tremendous volume production, the Chevrolet Motor Company this week introduces "The outstanding Chevrolet of Chevrolet History—A Six in the Price Range of the Four."

In connection with this announcement, Mr. Tillinghast, manager of the M & T Chevrolet Company, local dealers for the Chevrolet cars, points out that the sensational public reception accorded the car in recent years has enabled Chevrolet at this time to offer the added power, speed and smoothness of six-cylinder performance at practically the same price that contributed so much to the world-wide popularity of the four.

Mr. Tillinghast states that a showing of the new models and their many added features, will be held at the showrooms of the M & T Chevrolet Company in this city all day Saturday, at which time the general public is invited to call and learn more about the sensational six-cylinder Chevrolet.

"MATCHLESS PICTURE" IS FAMOUS "ACE'S" COMMENT

Major George A. Vaughn, Jr., who ranks second only to Captain Eddie Rickenbacker as the surviving American "Ace" of the war, saw "Wings" at the Criterion theatre soon after its New York presentation.

Interviewed later upon his impressions of the war aviation spectacle Major Vaughn, who is now commanding officer of the New York National Guard air service declared that "WINGS" affords a matchless picture of warfare in the skies. "WINGS" will be on view at the Texas Theatre on Thursday, Friday and Saturday of the week.

"Nothing that one can write or say about fighting in the air will give the average man or woman anywhere near the conception of what it really was like that this picture will," he asserted.

Mrs. Wm. C. Schwartz and boys of south west of town were shopping in the city Saturday.

I. D. McGregor and children of Hutto were in the city Saturday.

Mrs. B. M. Whiteaker visited her sister in Waco recently.

W. C. McKenzie, teacher of Bunker Hill school was in the city Saturday. Mr. McKenzie is one of the best teachers of the county and has been teaching at Bunker Hill for the past 6 years. This school has made wonderful progress.

Mrs. J. A. Couch and Mrs. R. C. Couch attended the home coming of Ex-Baylor students at Waco on the 10th of this month and enjoyed the barbecue dinner, that was spread for all guests. They visited their daughter Misses Maurine and Mary Couch, who are students of this famous old Texas University.

Editor E. B. Harris of Rule was in Haskell Wednesday of this week on business.

DEVOTED TO THE UP-BUILDING OF HASKELL COUNTY.

NEW SOURCE OF INCOME FOR FARMER

Who does not make his poultry liberally to his next door neighbor? Overlooking one of his sources of income, according to the well-known poultryman of the county who recently completed an extensive poultry and egg market for the coming year. The new source of income is a new method of raising poultry, which promises to yield 15,000,000 less eggs and 15,000,000 less birds than the old method of the country. United States Department of Agriculture, as of July 1927, reported a 10 per cent less poultry than last year. The new method of raising poultry is contained in three simple steps, more hens, better methods, Mr. Davis said. It is as easy to handle several hens as it is a few. Good results are more than low production. The farmer returns a good profit from the new method. The new method is a good agricultural method. The new method has been tested for several years. The new method has been tested for several years. The new method has been tested for several years. The new method has been tested for several years.

SCHOOL ORCHESTRA GOES TO HAMLIN

The High School Orchestra made its appearance last Wednesday at Hamlin. The orchestra was scheduled to leave at 8:00 o'clock Wednesday morning, but owing to the rain, we did not start until 9:00 o'clock. The roads were very slick and between Haskell and Hamlin it was 11:00 o'clock when the orchestra arrived at Hamlin. They were scheduled to play at their first concert at 10:10, and as the orchestra had not yet arrived at 11:00 they were somewhat taken back. They went to Stamford and finally got to play at Hamlin.

SHOP INSTALLS NEW EQUIPMENT

The Service Cleaners and Dyers, for the Henderson Dry Cleaners, installed this week the installation of the new Clarifying System, an Eagle steam and a new Hoffman Steam Press. The new equipment gives them one of the most modern equipped tailors in this section.
