FHA Loans Are Available

Several Fisher County lowincome rural people have increased buying power, as a result of Federal oppirtunity loans, according to George M. Dorman, the Farmers Home Administration local representative.

Dorman, who has been Farmers Home Administration's Fisher County Supervisor for 4 year years, said funds are now available to farm and other rural families.

Over 2,700 opportunity loans have been made in Texas since the beginning of the program in January 1965 with more than 430 being made this fiscal year.

The opportunity loans are part of the Federal anti-poverty program, which Congress enacted three years ago. The loan program is administered by the Farmers Home Administration for the Office of Economic Opportunity.

Low-income rural people, through the local Farmers Home Administration office, may receive loans up to \$3,500 to develop income-producing businesses or to enlarge farming operations. Borrowers may take up to 15 years to repay the loan.

For the first time, according to Dorman, people who could never before qualify for loans now can get the money they need to develop or expand a business enterprise or a farming operation.

"But in all cases," Dorman added, "the enterprise-whether it is farming or business - must have a reasonable chance of success."

Through the Fisher County Office, loans have been made to purchase, or improve nonfarm enterprises as blacksmith shops and senior citizen retirement homes.

In addition, 3 or more farmers may receive a group loan to buy machinery and equipment, ect. they couldn't afford individually. They could have up to 30 years to repay the cooperative loan.

Applications for loans are made through the Farmers Home Administration, Fisher County Office in Rotan.

"Ye Shall Know The Truth"

ASK YOUR PREACHER - No. 1

Preachers are looked upon as leaders of men, but if they are not permitted to offer the benefit of their knowledge and experience, they are to that extent handicapped in the possibilities of their service. Since preachers are constantly dealing with God's Word, it is expected, of course, that they should know more about the Bible than any other class of men; and it is but natural when one has a question that troubles him, that he should turn to the preacher for help. Any worthy preacher should be willing to give whatever assistance he can. He should be able to tell whether or not it is a Bible subject, and if so, what the Bible teaches on the question. Here are some questions to ask your preacher:

1. ASK HIM HOW MANY CHURCHES ARE REVEALED IN THE NEW TESTAMENT.

The Lord promised to build only ONE church: "Upon this rock I will build MY CHURCH" (Matthew 16:18). He is head of but ONE. "....gave Him to be head over all things to THE CHURCH, which is His BODY, the fulness of Him that filleth all in all" (Ephesians 1:22-23).

Every New Testament figure used to describe the church emphasizes its unity and oneness. It is THE BODY 204 McArthur. Priced right. of Christ. (Colossians 1:18). "There is ONE body" (Ephesians 4:4). It is called the HOUSE (or family) of God (I Timothy 3:15). God has but ONE FAMILY.

If the Lord has more churches than one revealed in the at 612 East Lee Street Joe New Testament, ask your preacher to tell you where you D. Burk, phone 735-2571. 12can read about them.

2. ASK HIM WHERE YOU CAN FIND THE TERM OR home at 510 East McArthur NAME IN THE NEW TESTAMENT WHICH DESIGNATES YOUR CHURCH.

It is not enough simply to say that it doesn't make any difference about the name, and that one name is as good as another. Nobody either believes or puts into practice in actual life that which is involved in such a theory. Does it BLUE Lustre not only rids make any difference whose name a man's wife wears? Does carpets of soil but leaves pile it makes any difference whose name is signed to a check?

Terms of designation which are authorized by the scriptures are: In relation to the WHOLE body-THE CHURCH (Acts 8:1); HIS (Christ's) BODY (Ephesians 1:22-23); THE BODY OF CHRIST (I Corinthians 12:27); but the body is the church, therefore, the CHURCH OF CHRIST garage, storm cellar, 2 lots. (Colossians 1:18, 24); the CHURCH OF GOD (I Corinthians Priced for quick sale. See at 15:19). In the LOCAL sense—the CHURCH OF GOD (I Corinthians 1:2); the CHURCHES OF CHRIST (Rom. 16:16). Federal Savings & Loan Asso-INDIVIDUAL members were called-CHRISTIANS (Acts ciation, PR 3-2714, Stam-11:26); SAINTS (Romans 15:25); DISCIPLES (Acts 13:52)

If the term which designates your church, or you as an individual, is different from those found in the New Testa- Curbing, 308 E 4th St. phone ment, ask your preacher for the scriptural authority for 735-3290. J. B. Smith 47tfc using it.

3. ASK YOUR PREACHER TO TELL YOU WHERE THE BIBLE TEACHES THAT YOU CAN BE SAVED OUT OF THE CHURCH, AS WELL AS YOU CAN BE SAVED IN IT: OR THAT CHURCH MEMBERSHIP IS NOT ESSENTIAL

The Scriptures teach that Christ purchased the church with His own blood (Acts 20:28); and that He is the Saviour of it (Ephesians 5:23). ALL THE SAVED WERE ADDED TO THE CHURCH (Acts 2:47).

Ask your preacher where he gets his authority for saying that a man does not have to be a member of the church in order to be saved.

CLASSIFIEDS SCS Conducting **Grass Studies**

The Soil Conservation Service in Rotan is currently conducting cooperative grass adaptability studies on the Y6 ranch near Hamlin and on land operated by W. W. Butler of Roby.

The Soil Conservation Service plant materials center located at Knox City, constantly searches for new grass species that are adapted for use in Texas. Grasses used in studies are planted in trial plots at the center and evaluated for characteristics such as yield, seed production, and adaptability. Grass seed are harvested from the most promising plants and then tested on a cooperative basis with interested farmers and ranchers in the area. Generally three to four acre plots are planted.
