

Outstanding In Science Field

Roger D. Graham, son of Mr. and Mrs. Bill Graham, of 202 East Third Street, Rotan, has been notified of his selection as a participant in the National Science Foundation Mathematics and Computer Programming for high ability students at Texas A&M University, College Station, July 15 through August 23. Dr. William S. McCulley, director of the High Ability High School Mathematics Program notified Roger. This program will provide opportunities for 32 academically outstanding secondary school students to obtain intensive experience in mathematics. Although the courses are non-credit, they will be broad, informative, and of special interest to students of mathematics and science. Field trips to research laboratories, museums, industrial plants, and other places of interest will be planned. Students will be encouraged to do individual creative work and will have opportunity to study a wide variety of topics to usually included in high school curricula.

Roger has completed his junior year at Rotan High School, was elected Student Council President for 1968-69, is a member of National Honor Society, has lettered two years in football, two years in basketball-B team, two years on the golf team. In University Interscholastic League competition, he won second at District and 3rd at Regional meets in Number Sense. He also won 2nd at District in Slide Rule this year. He has served as President of his Freshman class, his Sophomore class, and Student Council Representative from his Junior class. He is a member of Rotan Baptist Church.

In a recent letter, Dr. Earl Rudder, President of Texas A&M University congratulated Roger upon his selection to participate in the Summer Science Training Program and said "Considering the caliber of the competition and the number of applications for this program, your selection is high tribute to your scholastic abilities and reflects credit upon the educational program of your high school."

Mr. L. L. Roger of Peacock, Texas, is the maternal grandfather.

Mr. and Mrs. Charles Signor visited her mother, Mrs. H. C. Shelton, Tuesday.

Dallas News Washington Bureau Joins "The Little Old Lady" Force

Last Wednesday's Dallas Morning News carried three column cartoon showing the "Little Old Lady from Rotan" chasing Ted Lewis with umbrella, along with story below. This was written by a loyal Texas—Karen Klinefelter of the Washington, D. C. Bureau of Dallas News. We quote her:

Washington — A so-called little old lady from Rotan, Texas, has delivered a heated rebuttal to New York Daily News Columnist Ted Lewis' latest attack on Texas and Texans.

And loyal Texans, from the banks of the Potomac to the banks of the Trinity, are applauding the woman's efforts. A Rotan grocery store owner even is busily sending out a batch of bumper stickers proclaiming, in bright red letters, "Rotan, Texas.... Home of the Little Old Lady Who Spoke Up for Texas to Ted Lewis."

Yankee Lewis, who is certainly not a Texas fan, is taking great delight in the furor his sting words about Texas have stirred up.

Just like a warrior who never tires of battle, he's taking a certain amount of pride in showing off one of the bumper stickers supplied him by an irate Texan.

The little old lady — who asked for anonymity — got her dander up in late May when she read a Lewis column in which he charged, among other things, that Texans has inferiority complexes, general emotional imbalance and are lacking in social graces.

She was so mad that she called Lewis on the telephone. And recently the postmaster brought her a handwritten letter from the woman who apparently seeks to set Lewis straight once and for all about Texas.

Texans don't have inferiority complexes, she wrote. They have confidence.

"We have to have confidence in ourselves in order to survive the sneers, taunts and diatribes from the people of other states," she said.

On the matter of social standing and graces, she declared: "We do know how to behave at any social function. I have no doubt that most of us could hold our own with anyone from your state."

"We—our men folk—know how and when to wear white tie and tails and tren the very next day put on Levis and boots and work cattle from sun up until sun down."

On hard work, she said, "We are a hard working and very proud people who have weathered sand storms, drouth, hail, tornadoes and high winds, just as your people have weathered storms off the Atlantic coast with their fishing boats."

Then the lecture came. "Mr. Lewis, please try to use your column to promote good will and understanding instead of using it to vent your biased and vindictive opinions."

She ended her 7-page letter by declaring that Texans are not stupid, crude or ignorant. Lewis, while not showing many signs of changing his opinion about Texas, speaks rather fondly of the little old lady from Rotan.

No one knows whether she's really a little old lady or a big young lady.

Lewis, in a column he ran after her first telephone call, said she is a little old lady.

But can you really trust him?

Jr. Rodeo Set For Next Week

The Sheriff Posse is making final arrangements for the 12th annual production of the Junior Rodeo, June 27, 28 and 29th at the arena just west of town.

Opening event will be the street parade. Money prizes will be given for best entries and everyone is urged to enter something to add color and interest to the parade. The parade is scheduled for 5 p. m. Thursday, June 27th. Entries for this may be made with Bill Barnett at Rotan Dept. Store or Dorman Bratton at Winns by noon, parade day.

Rodeo contestants entries to date assure fans of a good show. These entries are made with Shelia Gruben, Rodeo Secretary, with office at Rodeo grounds, phone 735-2200. The office will be open starting today thru Rodeo time.

Let's all get behind the big annual event and make it the best one yet.

Heathington To Twirling School

Paula Heathington, band student from Rotan will attend the 21st annual McMurry College Band and Twirling School in Abilene from July 14 to July 27.

The band school, under the direction of Dr. Raymond T. Bynum, McMurry's veteran bandmaster, features two weeks of intensive emphasis on band and individual instruments for college and high school players. The school annually draws hundreds of students from the West Texas and New Mexico area.

Faculty for the band and twirling school includes some of the most outstanding band teachers in the state who excel in theory but are also practical bandmen.

Among the faculty are Fred Smith, Brownfield, Tim Jones, Hamlin; Warren Thaxton, Cooper High School, Abilene; Darryl Phillips, Memphis; Willis Giddens, Friona and Barbara Spertbert, Ralls.

The twirling faculty includes Terry Stephens, featured twirler with the Texas Tech Band and Larry Edwards, featured twirler with the University of Arizona Band. Instruction will be offered in ballet twirl, flag twirl, aerial twirl and many others.

Applications for the band school are still being accepted and may be made to Dr. Bynum, Band Hall, McMurry College, Abilene.

Mr. and Mrs. C. O. Rollins, Mr. and Mrs. Don Rollins, Shirlene, Tracy and Jeffery from Carlsbad, New Mexico and Regena Rollins from Abilene spent the week end camping at Lake Proctor. They were joined there by Mr. and Mrs. Rex Rollins, Joe and Mike from Azle, Texas. The Don Rollins family returned to their home in Carlsbad, Wednesday.

Margaret and Paula Christian of Waxahachie returned home Tuesday when their parents, Mr. and Mrs. Paul Christian came for them. They had visited their grandparents, Mr. and Mrs. A. C. Snapp and great grandmother Mrs. Ina Harris.

City Clean-Up Going Nicely

More than one hundred loads of tree limbs, grass and shrub clippings, old air conditioners, lumber and other trash has been picked up and hauled to the City dump grounds by our extra clean up men, since we have started the City Clean-Up Program.

We want to thank each of our Citizens for their cooperation in making this a successful Clean Up Drive. Also the clean up personnel for the excellent job they are doing.

It is noted that some of our customers have replaced or added to their garbage cans, but there is still a large number who need to do the same. This is a necessity for health reasons, and will help our Garbage Department give you the service which you desire.

This drive will continue through this week and should you have been missed or have added trash since you have originally been picked up, please let us know and it will be picked up.

Trash burning is prohibited by our Trash Ordinance and therefore we request that you have ample and proper trash and garbage receptacles so that it will not be necessary for you to burn. Your cooperation on this matter is requested.

They will be joined there by a daughter and sister, respectively Mrs. Ellen Canfil of Cleveland, Ohio. Mrs. Key will go to Cleveland with Mrs. Canfil for several days visit before returning to Rotan and Mrs. Kelly will return to Rotan from San Francisco.

We received letter Monday to "The Little Old Lady With Soft Shoes" in care of the Advance with permission to publish. This was from C. P. Bradshaw, retired Lt. Com. U.S. Navy of Boston. He was visiting in Temple, Texas at the time.

He opens his attack on Ted Lewis, "I was in Rotan when it was a bustling little town, attracted many people from afar, when it became terminal of Texas Central Railway. The town sprang up very quickly and railroad was the sole mode of transportation, except for team and wagon."

As his letter was extremely long we take only excerpts:

Texas is first in: oil, cattle, cotton and small grain, asphalt, granite, gypsum, magnesium, chloride, etc.

Largest State Fair in Western Hemisphere, and one might add Dallas is large enough to be a county seat.

Texas is the only state that was a Republic and retains many rights if she so elects to use them, and would soon be self supporting in every way should she decide to cede.

He takes Ted Lewis and other New Yorkers to task on many points including the fact that in order to maintain being largest port in the world, has to include all adjoining ports, while Houston does not claim Beaumont, Port Arthur, Orange etc.

He does a good job of upholding Texas and we appreciate his loyalty.

Class of '58 Plans Reunion

The 1958 class of Rotan High School is planning a Class Reunion on August 3rd.

The reunion will last all day with coffee in the morning, lunch served, and entertainment that night. All friends are welcome to visit that afternoon and to hear what each 1958 Rotan-exe has done for the past ten years.

WASHINGTON
"As it looks
from here"
OMAR BURLISON
Congressman
17th District

Washington, D.C. — Growing up on a farm we had bees. Having been told about the duties of the queen, the workers and the drones, they were interesting to watch. (If in that day there had been television, probably the bees would not have been noticed.) But it was fascinating to learn that when the old queen had expired and her usefulness served, the new queen left the hive, followed by the workers who surrounded her on the Mesquite limb where she chose to light.

At this point, the drones, too, had served their purpose and either died or were killed by the workers. When the new queen was installed on her throne in a new hive, the workers immediately began to gather the materials for new comb and to dress up the new palace with all needed fixtures.

We learned that the worker bees would sting and were willing to give their life afterwards to protect their queen and her castle. The drones could be caught with the hand

without injury. They carried no stinger and did not leave the hive except for a stroll outside for fresh air.

Our society is something like this. It has one criterion, namely, that the individual have a willingness to work. Our economic system is not designed for the "drones", for the shiftless and for the fellow who wants to lie abed in the morning while others are out on the job.

The great marvel of our free enterprise system in America is that it virtually guarantees a reasonable annual income to about everyone, provided he or she is willing to work. There are, of course, exceptions. In the past we have not done all which should have been done to give opportunity for training more people for better jobs. There are those who, for some misfortune or other, are unable to obtain and hold a decent job but no country in history has been so successful in creating job opportunities as has this Country.

Yet there are some people who want to redesign our system so that it gives the "drones" full equality with the "workers."

In February of 1967, the National Commission on Technology, Automation and Economic Progress, produced a 210-page report endorsing a

guaranteed minimum annual wage for every American. Should the Commission's report ever be enacted into law, the citizen who chose not to work would get a cash allowance from the Government. The advocates of the guaranteed annual income theory contend that is everyone's Constitutional right, regardless of the circumstances.

It is not surprising that the old-line socialists endorse such a plan because they have always been for a redistribution of the wealth. It is surprising, however, to find some prominent businessmen along with many of the intellectuals advocating such a proposal.

Generally, it is doubtful that the socialists give any heed or consideration to the cost as a factor in their reasoning. You would think the businessmen, and successful ones at that, would consider the cost and where the money must come from. Estimates of the cost have ranged from \$2 billion to \$20 billion a year. This is the difference between 2 cents and 20 cents — quite a spread in estimates.

It is being proved over and over again that there are those who, knowing they are able to extract money from the taxpayers, choose this method as their livelihood. In the big cities, welfare offic-

ials say they spend as much time in trying to get able bodied men on welfare to go to work as they do in trying to help those who are really entitled to help. Imagine that if every chisler realized he never had to work again but only to apply for the guaranteed annual wage, how great the ranks of the "drones". We can well imagine the feelings of people who have to get up early to go to work and others who work all night and who have to find their rest in the daytime.

Certainly there are many who hold unpleasant jobs simply because they know that working is the only way to support themselves and their families. Unless these working people felt it morally wrong not to work and felt it an insult not to do their part in society by holding down jobs, they could with considerable justification say, "Why should I work to support the loafers?"

To support the "Drones" would be to steal the rightful earnings of those citizens who use their energies each day to support themselves, their families, their communities and their Country.

With incentive to work destroyed, such a scheme would eventually create a class of totally dependent citizens, vulnerable to the unscrupul-

GA Camp At Lueders 17-20

June 17-20 is the date and "Crown Him Lord of All" is the theme for the 1968 GA Camp to be held at Lueders Baptist Encampment. The camp is for Junior girls (ages 9 to 12) and for Intermediate girls (age 13 to 16). A program of fun, fellowship, Bible study, beauty and charm, designed to interest and inspire these girls has been planned with the leadership of Mrs. L. L. Trott of Stamford, Camp Director. Mrs. Jack Maddox of Gillespie will be the Assistant Camp Director.

One of the highlights of the camp will be the presence of Miss Lola Mae Daniel, Southern Baptist missionary to Taiwan. Miss Daniel will speak each night during the camp as well as be available for counseling each day.

Mrs. Jack Southerland, Stamford, will be the Music Director for the camp and will also conduct the Beauty Box each afternoon.

The Camp Evangelist will be Rev. Max Brown, pastor FBC Hamlin and the camp pastor will be Rev. L. L. Trott EDMA Missionary. The pianist will be Judy Perdue, Sweetwater and the Camp Hostess will be Mrs. Ronnie Stringfellow of Rotan.

The vesper speakers each evening will be Rev. W. A. Park, pastor of FBC in O'Brien and Rev. Charles Whitlock, pastor FBC in Lueders.

Bible teachers for the camp will be Rev. W. A. Park, O'Brien; Rev. H. B. Graves, Jr., pastor of FBC Munday; Rev. Malcolm Brown, Sweetwater, Scurry-Mitchell Area Missionary; Rev. Max Brown, Hamlin and Rev. Jack Maddox, FBC in Gillespie.

Mrs. Robert Griffith of Swenson will be the camp nurse. Resident camp managers are Mr. and Mrs. N. I. Williams.

Clubs To Study
Outdoor Lighting**

Fisher County Home Demonstration Clubs will have a program in July, on Outdoor Lighting, according to Mrs. Alice Ballenger, Fisher County Home Demonstration Agent.

The program is not just for Club members, however, but will be open to the public. Anyone interested in learning more about outdoor lighting should make plans now to attend this program.

The program will be presented by personnel from West Texas Utilities Company Offices in Stamford and Abilene. It will be Thursday, July 11, at 2:00 p.m. in the meeting room of Mid-West Electric in Roby.

Since this is the time of year for outdoor living and recreation, many people should take advantage of this program and learn about lighting the outdoor living-room and recreation area. Lighting for safety and convenience will be included also.

**Carter's Family
Gathering**

Out-of-town visitors in the C. C. Carter home during the weekend were Mr. and Mrs. J. D. Spinks of Tye; Mrs. Lula Mae Crawford, Hamlin; Mrs. Mary Carter, Gwen and Charles of Dallas; Terry Lynn Carter, Dallas and little daughter, Michelle, Hamlin; Mr. and Mrs. Roy Carter, Barbara and Roy Lee, Snyder; Mr. and Mrs. John Carter, Beverly, Gary, Debbie of San Diego California, who had been here several days after attending Southern Baptist Convention at Houston.

They, with the other Carter children helped Mr. Carter celebrate his 78th birthday by having homemade ice cream, cake and cookies and an old-fashioned sing-song following the supper. The birthday was Saturday.

Sunday, John Carter, who is pastor of the Mission Village Baptist Church in San Diego, preached at First Baptist Church of Snyder, the pastor, Dr. A. B. Lightfoot, is on a tour of the Holy Land. Members of the Carter family attending this service included Mrs. John Carter and children, Mr. and Mrs. C. C. Carter, Mr. and Mrs. Odell McQueen, Mr. and Mrs. Donald Ray McQueen, Curtis McQueen and Miss Neva Gable, Mrs. Mary Ruth Carter and children, Mr. and Mrs. Horace Carter, Robert and Reba, Mr. and Mrs. Carl Singley, Roy Wayne and Larry, Mr. and Mrs. James Carter, Darrell and David.

The group had their annual Father's Day dinner in the home of Mr. and Mrs. Roy Carter and Roy Lee. Mr. and Mrs. A. Branscum were also guests. A basket lunch was served and all had an enjoyable time, plenty of food with music and picture making in the afternoon.

Carter children unable to attend were, Mr. and Mrs. Art Carter of Stamford; Mr. and Mrs. Ray Carter, Santa Fe, N. M. and Mrs. Marie Carter and family of Stony Point, N. Y.

The John Carter family left Tuesday for their home in San Diego.

Era Boen and Mr. and Mrs. B. B. Crawford spent last week in East Texas visiting relatives. They visited Mrs. Crawford's sister, Mr. and Mrs. A. N. Gammage and family at Elkhart, and Mr. Crawford's sister at Jacksonville, his brother George in a rest home at Palestine, returning home by Palestine where they visited several old friends. They report lots of good fresh vegetables and nice fruit.

Karla, Tammy, Mary Beth and Kim Taggart went to Dallas Tuesday, where they will live with their father, Carlos Taggart. They have been here 14 months with their grandmother, Mrs. Beulah Driver.

'Little Old Lady' Makes Globe-News Sunday

Jerry Waggoner, who was born, reared in Rotan and graduated from Rotan High School wrote the following article for his paper, Amarillo Globe-News. He is a member of the staff. He was in

Rotan Saturday getting background for his article. He is a very capable writer and plans a magazine story on "The Little Old Lady from Rotan" in the near future:

ROTAN — Will the real Little Old Lady please stand up?

Rotan is a small farming and ranching community of about 2,800 people who go their daily way, rarely steaming themselves into a fast

walk or a fast talk.

Apparently, one among those 2,800 recently did get steamed to the point that she couldn't let the reputation of Texas and Texans in general be tainted without getting in her "two bits worth."

Ted Lewis, the "Is everybody happy" entertainer-turned-syndicated columnist, recently had a go at Texas in his column.

His thoughts, most Texans felt, bordered on treason

Some took it stoically and went on their daily way. Others got mad, spat Beech-Nut angrily at an imaginary Lewis, and forgot about it. This is the way most Americans act about the general state of affairs in the land of the free.

The Little Old Lady in Rotan didn't forget. The story goes that she picked up the phone and called Lewis in his Washington bureau office after reading his piece on Texas and gave him a piece of her mind in a manner only a sweet little old Texas Lady could. Later, she sent a seven-page letter, also a mite warm in tone.

"Who is the Little Old Lady from Rotan?" you ask...and ask...and ask. From the looks of things now, it may take the FBI, CIA, Scotland Yard, with Charley Chan thrown in for good measure to find out.

If anyone knows her identity, it is being denied. Everyone wants to know, everyone has his or her opinion and everyone is thrilled that this Little Old Lady in their midst had the gumption to tell Lewis off.

As a matter of fact, the town is getting publicity all across the country about it. Glen Holt, an enterprising grocery store manager, had bumper stickers printed saying, "Rotan, Texas. Home of that Little Old Lady Who Spoke Up Against Ted Lewis."

The Dallas Morning News recently carried a three-column story out of the Washington bureau (but not by Lewis) on the results of her call. It also carried a three column cartoon of a Little Old Lady chasing Lewis, brandishing an umbrella with which to pound some Texas-type sense into his top-hatted skull.

Hooper Shelton, the publisher, printer, photographer, classified salesman and editorial writer of the weekly "Rotan Advance," really has

The Rotan Advance

Thurs. June 20, 1968 No. 19

became involved.

"I've got a letter for the Little Old Lady with permission to publish it. I've had calls from all over wanting to know who she is. I'm expecting a call from Congressman Omar Burleson tonight," he said Saturday.

Robert Phillips, Rotan postmaster, has a letter addressed simply to that "Little Old Lady in Rotan. No one has come forward to pick it up and probably won't. All I can do is keep it for a while and then return it."

Everyone wants to learn the identity of the Little Old Lady who has taken on the character of Florence Nightingale, Betsy Ross and Ma Ferguson, all rolled into one. She apparently is the silent type who neither needs nor cherishes the limelight.

Only one citizen, small-town newspaperman, Shelton, considers that it all may be something dreamed up by Lewis. The mythical Little Old Lady is real to all others.

The citizenry now has reached a point that they hope she isn't identified, because the rise in national attention has given them something to talk about. It's about all they've had to brag about since Sammy Baugh retired from pro football to his ranch located about 20 miles north of the town.

But, perhaps out of the whole occurrence, Lewis is the most happy. He undoubtedly is having a ball feeding column material into type as a result of the Little Old Lady from Rotan.

If ever she is discovered, Lewis probably would love to come to Texas to meet her personally. But, for all he knows, there still may be a hanging tree in this part of the mesquite-pocked land and he wouldn't care to be the first to stretch rope in many a moon.

Carry on, Little Old Lady. In these pitiful times, we could use a nation of folks like you.

SS Ren. Cited For Good Work

Wayne S. Baker of the Abilene social security district office, was in Dallas Monday, June 10, to be one of three field representatives in the five state region to receive the Regional Commissioner's Commendation for Public Information.

District Manager Bob Tulley was advised last week of Baker's selection from the 38 nominees. Baker is responsible for social security matters in Jones, Fisher, Callahan, and Shackelford counties. Among his accomplishments during the six months ending March 31, were design and display of some 8 exhibits, inauguration of a Spanish-language program over the Stamford radio station, recognizing and preparing news stories about seven beneficiaries who illustrated changes in the social security law by the 1967 Amendments, making five talks before clubs and groups, and maintaining and above average record for processing time of those claims applications which he handled.

Baker began his social security career in Monroe, La., as a claims representative trainee, transferred to Abilene on Sept. 27, 1963, and was promoted to field representative on April 10, '66. He and his wife, Shirley, and their three daughters, Melissa, 11, Julie, 8, and Tamara, 7, reside at 1514 Rosewood in Abilene.

In addition to the Commendation, Baker is in the running for a \$300 cash award, for his superior performance, with final committee decision expected in the near future.

John 8:32

ASK YOUR PREACHER (No. 4)

In the light of the fact that the Bible teaches that there are "many false teachers gone out into the world" (I John 4:1), every preacher is obligated to prove his teaching by the scripture. No one should jeopardize his soul by following any preacher whose teaching is not found in God's Word. The apostle John said, "Try the spirits (teachings) whether they are of "God" (I John 4:1). Thus:

ASK YOUR PREACHER IS BAPTISM ESSENTIAL TO SALVATION. The Bible teaches that baptism is:

COMMANDED BY CHRIST. Jesus said, "Go teach all nations, baptizing them in the name of the Father, and of the Son and of the Holy Ghost" (Matthew 28:19). If baptism is not essential, then the commands of Christ are not essential and a man can be saved without obedience to God. But Jesus said, "Not everyone that saith unto me, 'Lord, Lord,' shall enter into the kingdom of heaven; but he that DOETH the will of my Father which is in heaven" (Matthew 7:21).

FOR THE REMISSION OF SINS. In answer to the question, "What shall we do," Peter said, "Repent, and be baptized every one of you in the name of Jesus Christ FOR the remission of sins" (Acts 2:38). Jesus said His blood was shed "for (eis) the remission of sins" (Matthew 26:28). But Peter said also that baptism is "for (eis) the remission of sins" (Acts 2:38). If one is saved without baptism then he is saved without remission of sins and therefore without the blood of Christ.

TO WASH AWAY SINS. Ananias told Saul, "And now why tarriest thou? arise, and be BAPTIZED and WASH away thy sins, calling on the name of the Lord" (Acts 22:16). If one is saved without baptism, he is saved before his sins are washed away and Christ died for naught. The Bible says, "Unto him that loved us, and washed us from our sins in his own blood," (Revelation 1:5). But it also says, "Arise and be baptized and wash away thy sins." Thus it is evident that in this act of obedience (baptism) we reach the cleansing blood of Christ.

MEANS BY WHICH WE ENTER CHRIST. "Know ye not, that so many of us were BAPTIZED INTO Jesus Christ were baptized into his death" (Romans 6:3). Again the apostle said, "IN WHOM we have redemption through his blood, even the forgiveness of sins" (Colossians 1:14). Note (1) Redemption is IN CHRIST; (2) We are BAPTIZED INTO CHRIST. If we can be saved without baptism which puts us INTO Christ, we must be saved without redemption which is IN Christ.

FOR THE PURPOSE OF BEING SAVED. "He that believeth and is baptized shall be saved" (Mark 16:16). "The like figure whereunto even baptism doth also now save us" (I Peter 3:21).

NOW ASK YOUR PREACHER BY WHAT AUTHORITY HE TEACHES THAT BAPTISM IS NOT ESSENTIAL TO SALVATION.

Bollinger-Hunsaker Wedding In Methodist Church Last Friday

Jeanie Bollinger and Robert Perry Hunsaker were married Friday at First Methodist United Church.

The bride is the daughter of Mr. and Mrs. Dee Lavan Bollinger, 3150 College, Abilene. The bridegroom is the son of Mr. and Mrs. Forrest E. Hunsaker.

Rev. Bob Ford of First Methodist United Church officiated. Organist was Mrs. Bruce Cox and soloist was Karen Hunsaker of Borger.

Given in marriage by her father, the bride wore a silk organza gown with chantilly lace cage trimmed with seed pearls. A satin crown held her veil. She carried pink carnations on a Bible.

Mrs. Emanuel Lopez of Oklahoma City, Okla., sister of the bride, was matron of honor. Bridesmaids were Becky Bollinger, sister of the bride of Abilene, and Lana Cave.

Junior bridesmaid was Suzanna Hunsaker, sister of the bridegroom.

Flower girls were Robin Burke and Dee Ann Burke, both of Abilene. Ring bearer was Manny Lopez of Oklahoma City.

Bride's attendants were princess gowns of Paris pink alencon lace. Rosette head-dresses held their veils. They carried carnations and pink rosebuds.

Morrow Hunsaker, brother of the bridegroom, was best man. Groomsmen were Ernest Kiker and Glen Murphree. Junior groomsmen was Donnie Aldridge.

Ushers were Mike Rushing and Danny Valverde of Deming, N. M.

The bride graduated from Rotan High School and is employed with Abilene Drug Stores, Inc.

The bridegroom graduated from Rotan High School and attended McMurry College. He is employed with Kiker-Warren Funeral Home in Abilene.

Following a wedding trip to San Antonio and Austin the couple will live at Kiker-Warren Funeral Home.

Rehearsal dinner at Rotana Restaurant was given by the parents of the bridegroom.

Mrs. D. F. Miller attended Nabors family reunion in Fair Park, Dallas recently. Over 300 relatives were present and Mrs. Miller reports a most enjoyable occasion. Her mother, Mrs. J. C. Nabors, 78 has 99 grand and great grandchildren, many of whom were present. Mrs. Miller's daughters, Mmes. Don and Alvin Kiker came by plane from Stanley, New Mexico for the reunion.

Mr. and Mrs. Max Bennett and children of Snyder; Mr. and Mrs. Laverle Bennett and children, Sweetwater spent the weekend here with their parents, Mr. and Mrs. E. A. Bennett.

Rotan Club Studies Effects of Colors

Never underestimate the power of color in a costume. Color has a great effect on skin tones, color can make you feel cooler or warmer, larger or smaller said Mrs. Ragan and Mrs. Opal Phillips as they gave program to the Rotan Home Demonstration Club in the home of Mrs. Zeb Long, Thursday, June 6. Color wheel the three primary colors from which all color come, red, blue and yellow. Secondary colors of green, Orange and Violet. The value of color also influence the apparent size of an object. Light color increase, dark decrease it.

Mrs. Phillips analyzed some colors, then tested several members to see what color most suited them.

Members present were, Mmes. Will Curry, Dick Edwards, Barney Bigham, Joe Little, Thomas Colwell, and Viola Hendon. Visitors were Mrs. Earnest Shipp, Mrs. Opal Phillips and grandmother Long. Club adjourned to meet with Mrs. C. A. Ragan, Thursday, June 20 at 3 p.m.

Lauri Waggoner of Graham is spending the week with her grandmother, Mrs. Inzer Whitefield and Mr. and Mrs. Jimmy Hayes and sons in Roby. She is daughter of Mr. and Mrs. C. E. Waggoner.

Tax Man Sam sez

Since June is the favorite month for matrimony, now is a good time to give the girls another "watch-out-for" — WATCH OUT FOR the Internal Revenue computer. You have changed your name, but the IRS computer still has your number as Miss Jones instead of Mrs. Smith. Get your name changed on your Social Security record right now. Last year a lot of beautiful brides didn't remember to change their name with the Social Security Administration, and instead of getting back that income tax refund they got a nice little letter from the computer saying "who are you?" Of course, they did get their refund—or will get their refund—as soon as they get the name correction form back and their tax return goes through the mill again. So, Brides, as soon as you are sure that you are a Mrs., mail in the new name.

Mr. and Mrs. Gary Hyer and children Anitra and Lynn of Wilson, Texas visited here over the week end with her parents, Mr. and Mrs. Calvin Phillips and his mother in Roby. Gary spoke at the morning and evening service in the Church of Christ Sunday in Roby.

CHRISTIAN SCIENCE SUNDAY SERVICE:

"Is the Universe Man-Evolved by Atomic Force?" This question is the topic of the Lesson-Sermon to be read in all Christian Science churches this Sunday. Services at The Christian Science Church, 1001 Crane St. in Sweetwater begin at 11 o'clock. The public is invited to attend.

The Golden Text, from Proverbs, states the theme of the Lesson: "The Lord with wisdom hath founded the earth; by understanding hath he established the heavens."

Among passages to be read from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following: "God creates and governs the universe, including man."

Mr. and Mrs. C. R. Patterson of Odessa spent the weekend here with his mother, Mrs. E. E. Patterson.

Miss Gayleta Little of Dallas is spending several days here with her parents, Mr. and Mrs. Joe Little and Loren and her sister, Mrs. Wayne Holcomb and children are also visiting her parents.

Mrs. A. A. Phillips and a granddaughter, Ramona Kirkpatrick from National City, Calif., came by plane to attend the funeral of an uncle Leonard Thomas in Lubbock, who suffered a heart attack only one month after being here for the funeral of an aunt in Rising Star.

Mr. and Mrs. Ollie Duffield Terry and Jerry of Cleburne visited friends here Sunday and Mr. Duffield preached at the Church of Christ. He is a former Minister of the local church.

Connie Mahaffey is attending Cheerleaders school and camp at Cisco Junior College and Becky Mahaffey has just returned from visiting her sister, Mr. and Mrs. Donald Thornton in Abilene.

Mr. and Mrs. Bud Stewart and Monea of Pampa; Mrs. David Swaringen and daughters of Duncanville spent the weekend here with Mr. and Mrs. Hollis Swaringen.

Mr. and Mrs. Hugh Huckaby attended the wedding of their grandson, Fred Huber, Jr. and Miss Peggy Wall, June 15th at the St. Stephen Presbyterian Church in Irving. Other relatives attending were Mr. and Mrs. Homer Ivey, from Houston and Mrs. Robert Ferreo and Scott from Corpus Christi, Mr. and Mrs. Homer Huber from Granite City, Ill.

Mrs. Thon Galyean and Ponie Kersh visited several days in East Texas with relatives and attended the annual reunion and Memorial Day service. They visited in Tyler, Mineola and Willsboro.

Be 65 Soon--

June is the month for all persons who will turn 65 in the next three months to file applications for social security benefits and enroll for Medicare.

Wayne Baker, social security representative, said today that applicants who bring with them evidence of their age and of their 1967 earnings when they file their applications will have their claims handled more efficiently and quickly.

Original birth certificates or baptismal certificates, recorded early in life, are the best evidence of age. When no such document is available, other records of age made early in life may be acceptable.

See Baker at Police Dept. in Rotan on June 12 or 25 at 10 o'clock. If unable to meet a representative on a first trip, call at the Abilene office, room 2321 of the Federal Building. Hours are 9 a.m. to 5 p.m. and until 7 p.m. on Tuesdays.

Mr. and Mrs. Larry McClain spent the weekend in Rotan with their parents, Mr. and Mrs. J. A. McClain, Jr. and Mrs. Marvin Hanson Jr.

Hobbs Club Studies Colors

The Hobbs Home Demonstration Club met June 13 in the home of Mrs. Dale Cave. The program, "Colors For You", was presented by Mrs. Jack Phillips and Mrs. Sue Miers in which the following points were brought out.

The primary colors are red, blue and yellow. The secondary colors are green, orange and violet. In studying the effects of color on the figure we should be familiar with the three main properties of color:

1. Hue (actual color) is classed as being either warm or cool. Red and yellow are warm colors. The intensities of these colors make an object seem closer, therefore larger.

Hues containing the blues, appear cool and receding, making an object seem farther away and therefore smaller.

2. Value (lightness or darkness)

Value of color will also influence the apparent size of an object. Lightness increases apparent size. Darkness decreases size.

3. Intensity: Intensity of a color creates illusion in the size of an object. Bright shiny colors make an object appear larger than do dull colors.

We should look at what colors do for us and to us. Color can create an optical illusion and hide defects and highlight good points if we study it and use it to our advantage. Hold colors close to the face in natural light. Choose shades most becoming to your hair and complexion. Don't follow fashion trends too closely. A color right for someone else might not be right for you.

A blonde and a brunette were chosen from the group and lengths of material of various colors were draped on each to illustrate the effects of each color on each type person.

The hostess showed color slides of the club's trip to Abilene to the Iris gardens, and also some slides of flower arrangements. Seven members were present.

The next club meeting will be a picnic on June 27 at the Hardin ranch on Double Mountain River. Members are to meet at the L. E. Hardin home at 9 o'clock and are to bring a sack lunch.

BIBLE STUDY GROUP MET WITH MRS. ROLLINS

The Bible and Mission Study Group met in the home of Mrs. C. O. Rollins June 11 for Bible Study. The group will meet with Mrs. Bernice Stockton June 25 at 3 for Mission Study.

Mrs. Oral Sparks is spending several days in Lubbock helping care for her granddaughter, Glenda Jameson, who had major surgery in Methodist Hospital June 7. Her condition was satisfactory at last report. Address is Glenda Jameson, room 814, Methodist Hospital.

COUNTY AGENT NEWS

by Richard Spencer

Machinery and equipment cost continues to be one of the largest expense items facing Rolling Plains farmers. At least, this was true in 1967 for seven typical Rolling Plains farmers who cooperate with the Texas Agricultural Extension service in keeping an accurate set of farm records.

Cash operating cost of machinery and equipment averaged about \$5,000 or one-third of the total cash expenses for each of the seven farming operations. However this did not include depreciation and interest on investment, which was approxi-

mately \$3,000. Therefore, the total machinery and equipment bill per farm was about \$8,000.

The total machinery and equipment cost per hour of tractor operation was \$2.52. The breakdown on total cost per hour was:

Cash operating cost \$1.28
Interest on investment .17
Depreciation 1.07
total cost-hr. \$2.52

(Cash operating cost includes fuel, oil, grease, repairs, and maintenance.)

The seven farmers devoted on an average of three hours of tractor time to each acre of cropland in 1967. Thus, the

machinery and equipment cost averaged \$7.56 (\$2.52x3) per acre.

What is your machinery and equipment cost per acre or per hour of tractor operation? Is it cheaper to buy or lease equipment? These are questions that records such as these help to answer. You can obtain assistance in setting up a set of books to find the answers by contacting your local county agricultural agent.

With Johnsongrass beginning vigorous growth, now is in excellent time to begin control of this troublesome weed. Herbicides are most effective when the weed is in a young, succulent growth stage.

Eradication of Johnsongrass and other weeds is essential for efficient crop production. "Johnsongrass not only competes for water, nutrients and sunlight, but may serve as a source of habitat for insects and diseases."

Johnsongrass is the primary overwintering host for maize dwarf mosaic virus, a new disease if grain sorghum in this area of the state. Therefore, eradication of the weed may become increasingly important in sorghum production areas.

Besides being unsightly, Johnsongrass along ditches and fence rows should be controlled to reduce the source of seed that may later contaminate cultivated fields.

Small patches of Johnsongrass may be eradicated in non-cultivated areas with such soil sterilant herbicides as sodium chlorate or bromacil. Sodium chlorate at three to five pounds per square rod (16 and 1/2 feet) can be used along ditches and fence rows. Bromacil should be applied at 15 to 20 pounds of active ingredient per acre.

Rainfall is required to move these herbicides into the soil. Treated soils will remain sterile for two or three years. Shorter periods (several months) of sterilization can be obtained with a mixture such as sodium TCA and dalapon.

In cultivated areas where soil sterilization is to be avoided, dalapon is recommended at a rate of 10 to 20 pounds per acre on 6 to 10 inch Johnsongrass. Small areas may be treated by spraying foliage until wet with one or two pounds of dalapon in 10 gallons of water. Usually two or three sprayings at two-to-three-week intervals is necessary

for eradication.

Economical Johnsongrass control on large cultivated areas can best be obtained by tillage and DSMA or MSMA with a one-half percent surfactant. "This should be applied to vigorously growing plants at three to five pounds per acre. Herbicidal oils may also be effective under these conditions."

A combination of crop rotation and herbicides also gives effective control of the weed in cultivated fields. For example, rotating sorghum with such crops as cotton and soybeans will allow the use of pre-plant herbicides which are highly effective against seedling Johnsongrass.

On the other hand, effective Johnsongrass control is difficult in areas of continuous sorghum. A crop rotation that includes wheat provides excellent opportunity for controlling Johnsongrass with tillage and herbicides during the summer after wheat harvest.

Metzer cautions producers to carefully follow the recommendations of herbicide manufacturers as spelled out on the labels for specific compounds.

Screwworms hit close to home last week. A case was reported in Tom Green County near Water Valley. We urge you to send in samples of all prospective cases to the Lab at Mission. Containers are available from the Extension Office. No postage is needed.

McKimney Marries San Angelo Girl

Miss Jeannine Evans was married to Clyde B. McKimney of Rotan during a ceremony Saturday in First Baptist Church chapel in San Angelo. The Rev. Jack McElhane, assistant pastor of the church, officiated.

Mrs. McKimney is the daughter of Mrs. Neil Evans of 1906 Douglas Drive, San Angelo, and the late Neil Evans. Her husband is the son of Mr. and Mrs. W. B. McKimney of Rotan.

Miss Cheryl Carlson, soloist and Miss Jo Margaret Williams, pianist, furnished music.

Honor attendants were Miss Janis Evans, sister of the bride, and Mike Thornton of Rotan.

Mrs. Evans gave her daughter in marriage. The bride was wearing a street-length gown of Irish linen.

In the houseparty for the reception in the home of Mr. and Mrs. J. C. Williams were Miss Joanne Harless, Miss Jo Margaret Williams, Miss Cheryl Carlson.

The bride was graduated from San Angelo Central High School in 1965, where

she was president of the Teen-Age Library Association and member of the National Honor Society.

A Senior in Angelo State College, she was named to Who's Who Among Students in American Colleges and Universities and to the Dean's Honor List. She was treasurer and president of Gamma Chi sorority and recording secretary of Panhellenic Council.

A junior in ASC, the bridegroom was graduated from Rotan High School in 1966 where he was a member of the NHS and Student Council. He will attend an IBM school in Dallas, where the couple will live.

In San Angelo for the wedding of Miss Jeannie Evans and Clyde McKimney were Mrs. W. B. McKimney, Kaye McKimney, Karen McKimney and Wanda McKimney, all of Rotan, who are the mother and sisters of the bridegroom; Mrs. William Henry Nieman of Brownwood maternal grandmother of the bride; Kenneth Kothmann of Mason, college roommate of the bridegroom.

Mrs. McKimney was honored at a shower given Friday in the home of Mr. and Mrs. B. F. Fail.

Hostesses were Miss Jenny Fail, Miss Donna Cope, Miss Cathy Wyatt, Miss Cheryl
