THE ROTAN ADVANCE

Volume 60

Rotan, Fisher County, Texas -- 79546 Thurs. Aug. 30, 1968

No. 29

Weather Little Cooler This Week

Temperatures have been a little more comfortable the past week, with several cloudy days, and thunder-showers Sunday, which was gauged at .30.

High for the week was 98. Saturday and during the afternoon a trace of moisture fell which cooled temperature somewhat over the weekend. Nights have been in the high 60's and low 70's.

Rainfall continues to lead last year with a present total of 19 inches according to Fred Byerly against 12.19 at the same time 1967.

Some insect damage is being reported to cotton, but prospects are good as a whole and milo combining is moving nicely.

Art Show

Mike Thornton, son of Mr. and Mrs. C. J. Thornton, will show a fine selection of his paintings at the First National Bank from August 31 to September 7. The paintings will be hung in the lobby and the coffee room, and the public is cordially invited to see them.

A 1966 graduate of Rotan High School, Mike has attended Angelo State for the past two years where he painted under Mrs. Tincie Heddins. In the Student Division of the San Angelo Area Art Show in 1967, Mike was awarded honorable mention for his entry. In the same division of the 1968 San Angelo Art Show, Mike won third place with his work.

With a major in painting and a minor in art history, Mike does most of his painting in the area of abstract expressionism and his found that either acrylic or water color is the medium most suited to his method of expression.

Some of the paintings hanging in the show will be for sale; many others will be on loan from private collections. Whether interested in purchasing a painting or not, the public is invited to see this fine collection.

To further his painting and study scope, Mike has transferred to East Texas State University at Commerce, where he has just finished the second summer term and where he will again enroll in the fall.

Mr. and Mrs. Tom Nash returned Monday from a weeks vacation on the Texas coast. Tom reports good fishing. They also visited his son Mr. and Mrs. Joe Nash at Angelton.

Hospital News

Local patients in Callan Hospital from August 21 to August 27 were Mrs. Irene Huit, Mrs. Calvin Phillips, Mrs. R. S. Ragsdale, Mrs. B. B. Clark, Joe Howard, Richard Posey and Tony Soliz.

Out of town patients were R. L. Short, Jayton; Mrs. J. A. Murff, Roby; Mrs. L. T. Brown, Phoenix, Ariz.; W. T. McCright, Roby; James Welch Sweetwater; Mrs. Ronald Carter, Roby; Sid Etheredge, Roscoe and Mrs. Gavaun Heddon of Abilene.

Births:
A 7 lb. 8 oz. girl, Angela, was born to Mr. and Mrs. E. L. Ortiz of Anson, August 21, at 9:55 a.m.

A 6 lb. 3 oz. boy, Conrado Galindo, Jr., was born to Mr. and Mrs. Conrado Galindo of Rotan, August 25, at 8:30 p.m.

A 7 lb. 8 oz. girl, Marion Patricia, was born to Mr. and Mrs. Don Parks of Rotan, August 26, at 5:20 p.m.

School Opening Tuesday, Sept. 3

It's school time again!

Regular schedule of classes in Rotan Schools will open Tuesday morning 8:30. Registration last spring made this possible as all students in school last year have their schedules completed. Busses will run on regular schedule and the lunchroom will operate on regular times.

Academic work will all be in the new modern building, but auditorium and gym will be delayed because of the recent fire, which caused considerable repair and delay in workmen's completion.

Supt. K. C. McCasland reports that approximately the same enrollment is expected as last year, about 900 students in the system.

We plan to carry pictures of the new buildings in the near future.

Glenn Taggart Died Tuesday

Glenn Taggart, 54, of Ira, died at 1:15 p.m. Tuesday in the Veterans Administration Hospital in Big Spring.

He was brother of Clark Taggart of Rotan.

Funeral will be held at 2 p.m. Thursday in Bell-Seale Funeral Home Chapel, Snyder with Phillip Goodrum of Ropesville officiating. Burial will be in Hillside Memorial Gardens in Snyder.

Born June 25, 1914, in Rotan, he was a farmer and a pumper. He was married to Dorothy Nichols in Stamford April 28, 1944. He was a lifelong resident of Snyder-Rotan area, a World War II veteran and was a member of the Baptist church.

Survivors include his wife, Mrs. Dorothy Taggart of Ira; two daughters, Mrs. Bob Clifton of Snyder and Darlene Taggart of Ira; one grandchild; three sisters, Mrs. Fred Northcutt of San Angelo, Mrs. Paul Tawney of Gil, Nev., and Mrs. Deree Morton of Susanville, Calif.; one brother, Clark Taggart of Rotan.

HD Agent To Train Here

Effective September 1, Miss Patricia Nilson will be coming to Fisher County to begin a two-month training period under Mrs. Alice Ballenger, County Home Demonstration Agent. After her training, Miss Nilson will be transferred to another County as County Home Demonstration Agent.

This is a training program financed from state funds and is no expense to a county. Trainer agents, such as Mrs. Ballenger, give freely their time to the trainees in helping them learn how to carry on a full county program. Mrs. Ballenger has trained three other beginning agents.

Miss Nilson is a native of Wharton County and was partly reared on a farm. After the death of her father the family moved into El Campo where Miss Nilson finished high school. She is a graduate of Texas Tech. This summer she completed a course at Colorado State University on "Rehabilitation of the Homemaker" for which she had previously earned the scholarship to attend this workshop course.

Mrs. C. L. Sutton and grandson, Jack Sutton recently visited her sister Mr. C. C. Roach and other relatives here.

County Fair Opens Today

Everything is ready for the opening parade this afternoon at Roby for 23rd annual production of Fisher County Fair. Livestock show and Kodo which starts today for a 3-day run.

Rodeo will be each night and divisions of the Fair in addition to Women's and Teenagers are:

Sheep; Jerry Hoodenpyle, Superintendent, Barron Wetzel and James Park, Assistants. Judging 9:30 a.m. Friday August 30.

Dairy Cattle; J. C. Sheffield, Superintendent, Phillip Cleveland and Donnie Sheffield, Assistants. Judging at 11:00 a.m. Friday, August 30.

Swine; Mike Terry, Superintendent, Lee Wood, Doug Upshaw and Scott Guelker, Assistants. Judging, 8:00 a.m. Friday, August 30.

Beef Cattle; Jack Morton, Superintendent, Kenneth Gruben, Jerry Mash and Karla Kreidel, Assistants. Judging, 1:30 p.m., Friday, Aug. 30.

Fat Steers; Judging, 2:00 p.m. Friday, Aug. 30.

Open Horse Show Officers include Lowell Thornburg, Superintendent, Truman Upshaw, Jack Smith, and Roy Jennings, Assistants; Gail Thornburg and Kathleen Hicks, Secretaries. Judging at 10:00 a.m. Saturday, Aug. 31.

Crop Exhibits: Keifer Cagle, Superintendent; Jackie Knox and Mike Herron, Assists. Judging at 3:00 p.m. Friday, August 30.

Rodgers Makes SSC Honor Roll

Weatherford, Okla. — Ten Texans made straight-A grades and qualified for the summer semester president's list at Southwestern State College.

Numerous other residents of Texas completed the eight-week session with B averages and have been placed on the dean's list.

To be eligible for either honor roll during the summer a student must have been enrolled in at least six semester hours. Only those with all A grades are on the president's list, and any student who made a grade lower than C was automatically disqualified for the dean's list.

Texas students on the honor roll include: Erbie L. Rodgers of Rotan.

Roby Lodge To Receive Award

Fisher Lodge 703 in Roby will receive an award during a Masonic Workshop meeting to be held Saturday, September 7, at the Masonic Lodge Hall in Hamlin.

Fisher Lodge 703 is being honored during the meeting for outstanding attendance during the Spring series of Masonic Workshops, a project of the Grand Lodge of Texas which is aimed at improving the quality of Lodge officers.

The Workshop being held in Hamlin will also have officers of Anson, Stamford, Hamlin and Rotan Lodges attending.

L. T. Harris of Clyde, chairman of the eight-county Masonic Workshop Area F-2, will present the award and conduct the meeting. He said the Workshop is a part of the semi-annual program held for officers of the 972 Lodges in Texas. The Masonic Lodge is the largest fraternal group in the state, with membership of nearly 250,000. The group is noted for its charitable activities.

Most of Town To Close Monday

Most of Rotan plans to be closed Monday in observance of Labor Day. Only a few service stations and drive-ins will be open.

This gives everyone a long weekend and falling as the last holiday of summer and before the kids enter school, most everyone is expected to make a trip of some nature.

Department of Public Safety predict 46 deaths on our highways during the period. Many towns will have rest stops and free coffee to urge tourists to take a break and reduce danger of dozing on a long drive, and above all the DPS urges you to drive for 'the other fellow' as well as yourself, and not be one of the 46.

Labor Day Death Toll Estimated At 46 in State

Austin — Colonel Wilson E. (Pat) Speir, acting director of the Texas Department of Public Safety, said today the DPS estimates 46 persons may die in traffic accidents in Texas during the Labor Day weekend.

"This is the last holiday weekend of the summer, and thousands of motorists traditionally take to the highways for an outing," Speir said. "It is indeed tragic that so many men, women and children will become victims of motor vehicle accidents during an otherwise happy period," he added.

Speir said the Department of Public Safety will use all facilities and personnel at its disposal in an effort to reduce the predicted death toll. A special "Operation Motorcycle" will be activated at 6 p.m. Friday, August 30, and continue through midnight, Monday, September 2. During this period, all uniformed DPS officers and equipment will be used on the highways to enforce traffic laws.

Many other groups such as local police and sheriff's department, the trucking industry, and the Jaycees will be cooperating in this effort to promote safe driving during the holiday," Speir noted.

For example, the Texas Motor Transportation Association and its Texas Council of Safety Supervisors will sponsor a holiday road patrol during the Labor Day weekend to assist stranded motorists.

Jack Bryan, TMTA safety director, said some 40 cars marked "Holiday Road Patrol" will be used in the program. These will be manned by the safety directors, safety supervisors and safety engineers of the trucking industry who comprise the membership of the Council. Personnel participating in the road patrol will work as volunteers.

The Jaycees will provide rest stops for motorists in many areas of the state. Texas Safety Association said W. F. (Bill) Leonard will coordinate efforts of over 12,000 Junior Chamber of Commerce members in operating some 200 "rest stops" for serving free coffee to fatigued drivers.

The Texas Highway Department has provided the news media with a bulletin listing all road construction areas in the state.

Mrs. Arnold Allen, Kathy and Bub Allen visited daughters and families of Mrs. Allen in Midland last week; Mr. and Mrs. Lee Brown and Mr. and Mrs. Jack Scarborough and son.

LOL Revealed As Mrs. Denton

Well it finally broke, the Little Old Lady from Rotan was revealed last week in a story in Abilene Reporter News. She is none other than Mrs. John (Elizabeth Austin) Denton. She emerged with much reluctance. We had many local citizens to suggest she was 'the little old lady', and our face is rather red from our holdout that 'she' was fictitious, a publicity stunt of Ted Lewis.

We knew Mrs. Denton had the ability to buck Mr. Lewis, but couldn't realize she could be spurred by Lewis' slurs about Texans.

The story had been carried by the press over the entire nation since April 26, when she called Mr. Lewis, by telephone. She took him to task in a very decisive manner and set him right on Texas and Texans. Lewis attempted to hedge with stating that he had not intended to offend Texans, but he had 'backed water' in every manner since Mrs. Denton called his hand.

The Abilene Reporter has done a good job of helping to keep the story alive, has carried many inches of publicity and editorials, and has backed Mrs. Denton all the way.

We, along with other citizens are proud of her, in addition to setting Mr. Lewis right, Rotan has gained much favorable publicity over the nation, and bumper stickers supplied by Rotan Chamber of Commerce are being displayed in many towns over the U.S. as well as most local cars.

We feel sure that Lewis along with other Northern columnists will think twice before they slur Texas in the future.

Roby Man Is Fatally Burned

Raymond Pope Head, 63, was fatally burned in a fire in his small house near his mother's home in north edge of Roby about 9 p.m. Thursday.

Mr. Head was an invalid and lived alone in the house. A brother-in-law, Franklin Leach, said they didn't know the house was on fire until smoke was coming out of the windows. Mr. Head was found dead in his bed.

Roby Justice of the Peace Jeff Simmons ruled accidental death in a home fire.

Funeral was held at 2 p.m. Saturday in Weathersbee Funeral Home Chapel, with the Rev. Billy Hudnall pastor of First Baptist Church of Rotan, officiating, assisted by the Rev. Norris Taylor of Spur, former pastor at Roby. Burial was in Roby Cemetery.

Pallbearers were J. W. Beauchamp, J. N. McGinnis, Doyle Gartman, Preston Beene, Roy Kingsfield and Leonard Barnes.

Born May 4, 1905, in Chattanooga, Tenn., he came to Rotan from Tennessee in 1906. Since 1927 he had lived in Roby. He was a member of the First Baptist Church in Roby since 1934.

Survivors include one son, Raymond Jr., of Fresno, Calif. his mother, Mrs. J. A. Head of Roby; three sisters, Mrs. Stewart Lemuel Brown of Phoenix, Ariz., and Mrs. Franklin Leach of Roby; two brothers, Oscar of Rotan and Hollis of Roby; a number of nieces and nephews.

Good Prospects For Hammers

The coaching staff of the Yellowhammers seemed well pleased with early season prospects. They state 24 boys are working hard with good team spirit, and shaping up in condition nicely. They expect a few new players with school opening.

First scrimmage will be Friday 6 p.m. at Seymour. This will be a real test for our young players as Seymour has a well balanced team, that play good football and are Class A.

Next scrimmage will be at Jayton, Sept. 2.

First game is Friday, 13th with Hamlin's Pied Pipers, there.

We will carry individual pictures of the Hammers before the first game with cooperation of Head Coach, Lee King, assisted by Ron Sanford, Phil Petty and Tony Ham.

Former Resident Killed by Train

Rites for two men killed Saturday when run over by a Texas and Pacific freight train 105 cars long were held Monday in Sweetwater.

The men, Ernest Shuler, 69, of Sweetwater and Robert L. Shields, 45, of Hamlin, were sitting on the tracks at Mulberry St., about 11 p.m. when they were killed.

Both men lived in the same Sweetwater boarding house.

Engineer C. A. Smaley of Big Spring told Police Chief Walter Eubank that he saw the two men sitting on the tracks, but they made no attempt to move when the train whistle was blown. The train was unable to stop before hitting the men.

Identification of the bodies was made by fingerprints.

Mr. Shields was a resident of Rotan for 4 years, several years ago, being pumper for a major oil company.

Rites for Mr. Shields were held at 10 a.m. Monday in the Church of Christ with Scott Mitchell, Rotan Church of Christ minister, and Douglas LeCroy, minister of Hamlin Church of Christ, officiating. Burial was in Hamlin Cemetery under direction of Foster Funeral Home.

Mr. Shields was born March 10, 1923 in Robert Lee. He was the son of Mrs. Ernest Shields and the late Mr. Shields. He married Dea Earline Little in San Antonio in 1942.

He was a former employe of Texas Co. for 15 years and was a welder and machinist. He was working in Sweetwater. He had lived in Snyder before coming to Hamlin.

He was a member of the Church of Christ, VFW, and American Legion.

Survivors include his wife of Irving; his mother of Corpus Christi; three daughters, Mrs. Larry (Joyce) Moore of Abilene, Mrs. Dennis (Bobbie) Browning of Irving, and Penny Shields of Irving; three brothers, Billy and Leon, both of Corpus Christi, and Calvin of Alice; two sisters, Rosa Lee Laningburg of Houston and Ruby Sins of California; and four grandchildren.

LUCILLE AULT WEDS SHERIFF ROLLINS

Sheriff A. E. (Bus) Rollins and Lucille Ault of Sweetwater were married in home of Scott Mitchell, Rotan Church of Christ minister Friday afternoon.

Mrs. Ollie McCombs, Mr. and Mrs. Billy Joe McCombs, Lou, Kathy and Tina attended 50th wedding anniversary celebration of Mr. and Mrs. Andrew in Snyder, Sunday. Lou gave piano numbers during calling hours.

Springer Heads Booster Club

Yellowhammer Booster Club held first meeting of the season Monday night at School Cafeteria.

James Springer was elected to head the organization for the season as president, and Glen Gruben will be secretary.

The Club plans a very active season and next meeting will be Monday, 8 p.m. at the Cafeteria. Plans call for film of this Friday's scrimmage with Seymour to be shown.

Membership drive will open next week and all fans are urged to join in and help the Hammers have a good season.

First Screwworm Case in County

The County's first case of screwworms was confirmed last week, according to Richard Spencer, Co. Agent. The case was on the Andrew Williams place in the Hobbs Community.

Livestock owners are urged to observe their animals closely and treat any wounds as a preventative measure. Animals should be sprayed now with approved insecticides now when rounded up for any purpose, according to Spencer.

Also, stock owners are urged to send in samples of all suspected cases to the Mission Lab. Containers are available from the Extension Office.

Stock owners must get their screwworm cases confirmed by the Mission Lab in order for our country to get the sterile flies, according to Spencer.

Service Held For L. S. Kilgo

L. S. Kilgo, 74, died at 7:30 a.m. Sunday at his home after an extended illness.

Funeral was held at 4 p.m. Monday in Weathersbee Chapel with Rev. Billy Hudnall, officiating. Burial was in Bellview Cemetery under the direction of Weathersbee Funeral Home.

Mr. Kilgo was a plumber in construction work. He was member of Methodist Church and veteran of WWI.

Pall bearers were, Joe McKinney, Austin McKinney, Murl McKinney, Haldean Cave, Kenneth Clark and Max Carrier.

Born March 18, 1894, in Bright Star, Ark., he came to Fisher County in 1937 from Gladewater, Tex. He married Ethel McKinney Nov. 28, 1945, in Reno, Nev.

Survivors include his wife; two daughters, Mrs. Jimmy McRae and Mrs. Dorthel Ogden, both of Houston; a sister, Mrs. John Stowers of Marysville, Calif.; ten grandchildren.

Cancer Society Meets Sept. 4

American Cancer Society will meet Sept. 4 for lunch at Rotana Restaurant. Each one to pay for his lunch previous to the meeting.

All members are urged to attend this meeting and get the Fall program off to a good start.

ed 50th wedding anniversary celebration of Mr. and Mrs. Andrew in Snyder, Sunday. Lou gave piano numbers during calling hours.

Serving America's Farmers: Providers of Plenty

For more than 50 years The Federal Land Bank of Houston has provided DEPENDABLE agricultural real estate loans to Texas farmers and ranchers. LONG TERM, LOW COST loans with a repayment plan geared to meet each individual's requirement.

RALPH C. SOUTH, Mgr.
Federal Land Bank Association of Roby
ROBY, TEXAS

Cattle Blood Disease Spread

Anaplasmosis, a severe blood disease in cattle, has been reported in wide-spread areas of Texas by veterinarians. Dr. Milton Risinger of Kaufman, near Dallas, and Dr. Joseph Bitter of Edna, on the Gulf Coast, both reported numerous cases in their area of the state. Other veterinarians are seeing cases of anaplasmosis, including instances in east and central Texas counties, a Texas Veterinary Medical Association spokesman in Austin said.

The disease causes extreme anemia and death, if not detected early. The most effective safeguard against anaplasmosis is immunization with a recently released vaccine. Veterinarians are also able to use medication and blood transfusions for severely affected animals, according to T.V.M.A.

Cattlemen are urged to inspect their herds and immunize all animals since the disease is transmissible from one animal to another and is spread by flies, mosquitos and ticks. Cattlemen are also to be used under completely sterile conditions to prevent spreading the disease.

Cowmen Help WTRC Much

The local area chairmen for the eighth annual Cattlemen's Round-Up for Crippled Children have been appointed by Charlie Morris of Abilene, general chairman.

Named to correlate the work of stockmen of this area in meeting the goals of the Round-up is Johnnie Ammons, Sam Baize, Grover Carrothers, Bill Feagan, Dub Harvey, Cecil Sellers, Raleigh Springer, and W. G. Swenson. The Round-Up, to be held September 30 at Abilene's Ranchers and Farmers Livestock Commission, annually raises approximately one-third of the non-profit Center's annual budget of some \$370,000.

Morris pointed out that WTRC officials are looking forward to a particularly good Round-Up this year to "take up some of the slack in our belts." "We stockmen like to think that the WTRC is here for our convenience, because we care enough to support it. The stockmen of the Southwest haven't ever let us down yet, and we don't expect them to this year."

He noted that construction is now underway on a new \$107,000 physical therapy wing for the Center to help meet its current patient load. "The Center just keeps right on growing, and we hope the Round-Up will grow right along with it," he said.

During the Round-Up, stockmen donated livestock of all kinds to be sold at special auctions, the largest one being the cattle sale in Abilene.

Persons interested in donating livestock to the Round-Up are asked to contact one of the area chairmen. WTRC's own pens in Abilene and feed them out until sale time if the donor wishes, Morris said.

Mr. and Mrs. J. R. Strayhorn, Mr. and Mrs. Bart Strayhorn were joined in Amarillo by Mr. and Mrs. Wallace Strayhorn and Chris Saturday afternoon and they attended Texas Pageant at Palo Duro Canyon Saturday night. They spent the night in Amarillo and returned home Sunday.

Col. Mize On Course Staff

Ft. Leavenworth, Kan. (AHTNC) — Army Reserve Lieutenant Colonel Weldon B. Mize of Slaton, was a member of the staff and faculty of the officer course completed Aug. 3 at the Command and General Staff College at Ft. Leavenworth, Kan.

The staff and faculty members for the course were from the Dallas U.S. Army Reserve School and 17 other Army Reserve schools.

The course, which was attended by members of the active Army, Army National Guard and Army Reserve, was conducted over a five-year period.

Each summer for four years, the students attend two weeks of active duty schooling in their own Army areas. They also attend reserve duty training classes or complete extension courses. The fifth and final two weeks of study are completed at Ft. Leavenworth.

Col. Mize and his wife, Lillian, live at 1055 S. 18th St., Slaton.

He is employed as coach and teacher at Slaton High School.

Col. Mize received his commission through the Reserve Officers' Training Corps program at Texas Technological College, Lubbock, where he received his B.S. degree in 1949 and his M.S. degree in 1950.

Col. Mize is son of Mrs. Claudia J. Mize of Rotan, and was reared here. He spent two days this week with his mother and other relatives.

Mrs. E. H. Turnbow and her son-in-law, Harold Harmon went to Houston last Wednesday, returning home Thursday. They brought Mr. Turnbow home. He had been there two weeks for treatment and has improved. He is doing nicely since returning home. Mr. and Mrs. Harmon will leave Wednesday to return to their home in Yuma, Ariz.

Mr. and Mrs. David Klepper III of Midland spent the weekend here with his parents, Mr. and Mrs. David Klepper, and Frank.

Prison Rodeo In October

Huntsville — As an added boost for the coming annual Texas Prison Rodeo held here each Sunday in October, the all-inmate Texas Prison Rodeo Band will share honors with Johnny Cash during his performance September 6 in the Dallas Sportatorium.

Cash, whose recording of the Folsom Prison Blues has reached the top rung of the entertainment ladder, is not a newcomer to Texas Department of Corrections' inmate entertainers. A few years ago, Cash was one of the featured entertainers at one performance of the Prison Rodeo.

With the opening of the Prison Rodeo only weeks away, David Price, Rodeo Supervisor, said that nothing has been spared to make this year's series one of the best in the long history of these annual events.

Western musical celebrities making personal appearances at the rodeo include Ray Price on October 6, Loretta Lynn on October 13, Sonny James on October 20, and Hank Thompson on October 27.

Other entertainment features will highlight several inmate groups, plus Candy Barr a former inmate who now is a popular night club entertainer.

And for sheer thrills and excitement, there will be a tough convict riders contesting tougher prison rodeo stock in a host of bruising events.

Net proceeds from ticket sales are earmarked for inmate rehabilitation services not furnished by the Texas Legislature.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT (HJR49)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 21 of Article 16 of the Constitution of the State of Texas is amended to read as follows:

"Section 21. All stationery and printing, except proclamations and such printing as may be done at the Texas School for the Deaf, and paper, except that for the Judicial Department, shall be furnished under contract, to be given to the lowest and best bidder under such regulations as shall be prescribed by law. No member or officer of any department of the government shall be in any way interested in such contract."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on

the first Tuesday after the first Monday in November 1968, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment removing certain provisions relating to purchase of fuel and furnishing the rooms and halls of the Legislature and the requirement that the Governor, the Secretary of State, and the Comptroller must approve certain contracts of purchase."

"AGAINST the constitutional amendment removing certain provisions relating to purchase of fuel and furnishing the rooms and halls of the Legislature and the requirement that the Governor, the Secretary of State, and the Comptroller must approve certain contracts of purchase."

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TEN ON THE BALLOT (HJR50)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII, Constitution of the State of Texas, be amended by adding Section 1-j to read as follows:

"Section 1-j. Notwithstanding the provisions of Section 1 of this article, the Legislature may provide for the refund of the tax paid on the first sale of cigars and tobacco products in this state which are subsequently sold at retail within the corporate limits of Texarkana, Texas, or any incorporated city or town in Texas contiguous to Texarkana."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on

the first Tuesday after the first Monday in November 1968, at which election all ballots shall have printed on them the following:

"FOR the constitutional amendment authorizing the Legislature to provide for the refund of the tax on cigars and tobacco products sold at retail within the corporate limits of Texarkana, Texas, or any incorporated city or town in Texas contiguous to Texarkana."

"AGAINST the constitutional amendment authorizing the Legislature to provide for the refund of the tax on cigars and tobacco products sold at retail within the corporate limits of Texarkana, Texas, or any incorporated city or town in Texas contiguous to Texarkana."

"If I have questions about bills, payment arrangements, or some other telephone matter, whom do I call?"

Here's the expert.

She's your telephone service representative. To many telephone users, she is the phone company.

She answers questions, provides personal number booklets, directories and duplicate bills. She helps you get new phones installed.

As a service representative, she has to be something of a lady executive, a bit of a diplomat and an expert in phone service.

And she is. She was hired from a select group of applicants and put through an extensive training program.

And she attends regular meetings to discuss customer service.

Next time you need help on a telephone problem, just call the telephone business office.

Your service representative will take it from there.

See the Bell Exhibit at HemisFair '68, San Antonio, Texas

"Ye Shall Know The Truth"

John 8:32

THE TRUTH AND TRUE WORSHIP—No. 5

The fifth and last item of true worship is the teaching and preaching of God's word "Go ye therefore and teach all nations, baptizing them in the name of the father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you." Matthew 28:19, 20. These are the marching orders to every soldier of Christ. We are to preach and teach everything that Jesus taught his disciples.

In Acts 20:7 we note that the early disciples were carrying out the very command of the Lord." And upon the first day of the week, when the disciples came together to break bread, Paul preached unto them, ready to depart on the morrow." Acts 20:7.

In Romans 10:14&15 shows that the establishment of faith is dependent upon hearing the word of God preached. Verse 17 says "faith cometh by hearing and hearing by the word of God." Therefore Paul points out that someone must preach or teach this word of God, that we might establish faith in our hearts. This is done by preachers and teachers of God's word.

Paul exhorted the preacher Timothy to "Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine." II Timothy, 4:2. He goes on to point out the reason for this: "The time will come when they will not endure sound doctrine." II Timothy 4:2.

Preaching and teaching God's word is therefore important that man might be instructed in God's will. Secondly man needs to know God's will in order to combat error. Galatians 1:6-9. In the third place the church must have effective preaching and teaching in order that the members might be edified and thereby grow. Ephesians 4:11-16 and II Cor. 12:19.

Do you regularly worship where the word of God is taught and preached? We urge each reader to watch the Herald of Truth television program at 12 noon every Sunday on Channel 12. This would be one more excellent source of hearing the preaching of God's word.

Signed, Scott Mitchell

Brenda Harrison Marries Airman

Brenda Sue Harrison and James Edward Sheehan were married Saturday evening in the home of the bride's parents.

The bride is the daughter of Mr. and Mrs. Tye Harrison, Rotan. Mr. and Mrs. James Sheehan of Darby, Pa., are parents of the bridegroom.

The Rev. Jackie Barnett of Calvary Baptist Church of Rotan officiated. Floyd Garcia was pianist. Sally Barnett, soloist.

Aurora Price of Rotan was bridesmaid. The bride's sister, Debbie Harrison was maid of honor.

They wore A-line white street-length dresses. Their bouquets were pink gladiolus. The bride's brother, Brian Harrison was ring bearer.

James Price of Rotan was best man.

Kenneth and Kevin Levens of Anson were candle lighters.

Presented in marriage by her father, the bride wore an A-line pink lace dress. She carried pink and white carnations on the Bible.

The couple will live in the Spanish Arms apartment in Abilene.

The bride is a graduate of Glen and Lotties school of Beauty, Abilene. The bridegroom is a graduate of Monsignor Bonner High School.

He is presently stationed at Dyess Air Force Base with the 199 3rd Communications Squadron.

Mr. and Mrs. R. D. Shows have just returned from Winnfield, La. where they visited with his mother and three sisters. They also met their son, Mr. and Mrs. Charles Sutton and Kenny from Birmingham. While there they helped celebrate the 87th birthday of Mr. Sutton's mother.

Barbie McMillan was judged winner of the Miss Texas Rural Electrification contest during the 1968 Texas Electric Cooperative Inc., 28th annual meeting in Dallas. Miss McMillan represented Wharton County Electric Cooperative in the state-wide contest.

Miss McMillan is a sophomore at Southwest State Teachers College in San Marcos. She is a graduate of Wharton High School and is active in Methodist Youth Fellowship. She enjoys tennis, water skiing and golf. At Southwest Texas State she is a member of Strutters Drill team. The new Miss T.R.E. will represent rural electrification in Texas and compete for the national Miss Rural Electrification title in Atlantic City in March.

Walter and Maudie Moize and Mrs. Catherine Vaughn of Lubbock visited their sister and mother, Mrs. Jay Cleveland and Mrs. Sam Cleveland.

Mrs. Ruby Green arrived home Saturday from a visit with her children, Mr. and Mrs. Leon House in Hobbs, N. M. Mr. and Mrs. House returned her home.

Leeman Has Narrow Escape

Ray Leeman of San Antonio, son-in-law of Mr. and Mrs. Odis Sparks of Rotan and husband of Bernice (Sparks) Leeman met near tragedy while on a fishing excursion out of Corpus Christi Bay waters over the week end. Mr. Leeman's boat was overturned by a sudden rain storm and he climbed back onto the upturned boat and clung until a 4-5 foot wave washed him into the water. It was raining and storming so violently that he could not see land and because of the rough water could not reach the boat. He swam for three and one-half hours before passing fishermen noticed his plight. While swimming a sting-ray cut one of his legs from the knee to ankle and a portchegeese man-o-war wrapped around his body causing severe pain. The passing boat could not reach him due to a shallow cut from Padre Island. In time he finally reached the fishing pier and was overcome with chills and fever for several hours. On Sunday, the next day, the owner of the fishing boat returned Mr. Leeman to Corpus Christi—He was asked if he was frightened—he said he was too mad—he lost everything on the boat—including car keys—having to wire around ignition switch of the car to return home... also all the time he was worried about his wife having to spend all that insurance money all by herself.

Juddi and Terri Howell of Abilene are spending several days here with their sister, Mrs. Billy Sparks.

Bob and Newt New'on of Midland visited their grandmother, Mrs. Ollie McCombs several days last week.

'Back to School'

Austin— Here it is back-to-school time, but for many children and parents it's "first time to school." Occasionally, the first-time experience can be nerve-wracking, but it is always important. So says the Texas State Teachers Association (TSTA), which points out that the first few hours, days, and weeks are vital to a child's future in school. TSTA provides the following series of tips and information to help ease the first-time school experience, and make it more productive.

Any child who is 6 years old on or before Sept. 1 of the school year may be admitted to school. The child's birth certificate must be presented at the time of enrollment.

Some schools, in the interest of good health, require the child to be vaccinated against smallpox before enrollment. Also required may be immunization against diphtheria, whooping cough, and tetanus.

Other information which may be needed is the name of the father, his occupation, where he works, and his phone number. The name and telephone number of the family doctor and hospital used may also be requested. Also helpful can be the address and telephone numbers where parents can be reached in an emergency.

But such details are only part of the picture, and the parents form an important partnership with teachers in getting the child off to a good start.

It will help if the child has opportunities to be away from his mother for short periods before he starts to school.

The child should be taught the safest way home from school. Also teach him to go directly home from school without loitering on the way—and remind him not to go with strangers. Children should learn that policemen are their friends, and can give them help when needed.

A child should have definite duties to perform at home, and it will be helpful if he can learn good listening habits.

He should get enough sleep. A good breakfast each morning will help start the school day right. So will making certain that he is happy before he leaves for school.

A child should learn to dress himself properly. He should be expected to respect the property rights of others, and should learn to do as much for himself as he is able to do. Habits of promptness, obedience, and respect for authority are also helpful.

Parents should show an interest in what the child has to tell about his work and play at school. Children need to be praised frequently, and to be made to feel successful. They should be encouraged to have playmates.

It is vital for the child to have confidence in his teacher. Remember that your attitude toward school will be observed—and copied—by the child. Do not criticize school or teacher in the presence of the child. If there is a difficulty—conflict with another child, a difficult activity, a school rule the child does not understand—take the time to help solve the problem instead of just criticizing the situation.

To get a child ready for school, begin broadening his horizons even before that first day. Reading good books to him will help, as well taking him places such as the zoo, park, and library.

Personal belongings of the child should be labelled.

Teachers will help your for group work and play, child experience opportunities. They will help him grow in thinking for himself, and be-

The Rotan Advance

coming interested in the world around him. At school he learns democratic living, and teachers will work to make him feel at ease in his school environment. Early days and weeks build foundation for future learning experiences.

Teachers want to learn as much as possible about each child. They are interested in his academic progress, relations with others, self-control, ability to concentrate, and response to suggestions.

The child's readiness for learning is directly related to varying rates of growth—physical, mental, social, and emotional. The teacher attempts to understand these factors for each child by observing his behavior in the classroom and on the playground. But the parent can also help by supplying teachers with this kind of information.

Teachers help develop the child's respect for people and property, self-reliance, dependability, effort and cooperation. They are interested in his health.

The interest of school teachers and administration in your child is a continuing thing. A child with a cold, sore throat, fever, skin rash, or sick stomach is better off at home than at school. But a written excuse may be needed when your child returns from an absence.

Also, if a child cannot take part in outdoor play, a note should be given the teacher.

When problems of any kind arise, the parent should feel free to discuss them with the child's teacher. But arrangements should be made in advance.

As key partners in building the child's future, parents are always welcome at school. It's better to stop by the administrative office first, where the principal will be pleased with a visit. You may also want to meet the teachers and the superintendent.

When it is necessary to bring a child's lunch or other supplies to school, they can be left with instructions at the school office. Classes should not be interrupted while in session except by a call through the school office.

Joining the PTA and attending meetings gives a parent opportunities for meeting school personnel and working more closely with them.

COUNTY AGENT NEWS

by Richard Spencer

Although you don't think about figuring depreciation until tax reporting time, you need to keep it in mind throughout the year. This enables you to time your machinery purchases to take advantage of tax saving buys. Depreciation and Investment Credit are the farmer's best tools for adjusting income and saving taxes.

Generally its best for farmers to take advantage of accelerated depreciation methods and maximum investment credit. Some years you may

find you will have to cope with the recapture provision; however, you will have had the use of the extra money in your farming operation. In effect, depreciation and investment credit which are recaptured are the same as receiving an interest-free loan from the government.

During the early years when depreciation is the greatest, you receive the loan and then in the later years when depreciation is smallest, you pay the loan back. But the important part is that in today's agriculture, a progressive farmer never reaches a leveling off of capital investment. He must continue to buy more expensive, higher capacity, labor saving equipment.

The cotton square is the preferred food of the boll weevil, but as squares become limited boll weevils begin feeding on and depositing their eggs in bolls.

Once boll weevil punctured squares reach 15 percent of the squares in irrigated cotton, or 25 percent of the squares in dryland cotton, this cotton pest should be controlled. If boll weevils are left uncontrolled over a period of several weeks when squares become limited, boll damage can be expected. Boll weevils usually do not attack the larger, more mature bolls. Under heavy boll weevil numbers, damage to the small bolls may range up to 50 or 75 percent or even higher. As the smaller bolls become limited, boll weevils will feed on and deposit their eggs in the larger bolls.

Boll damage by the boll weevil not only decreases yield but also causes a decrease in quality.

This late in the growing season, producers can prevent

yield loss and insure a higher grade by controlling boll weevil populations. Several applications of insecticide will probably be required to bring boll weevil populations below an economic level.

Windbreak tree applications are now available at our office. Tree shipments will be made this year between mid-January and February. Last year some people did not get their trees. We urge you to send in your order early. The cost of the trees is \$1.50 per hundred. No less than 100 trees may be ordered. Three new species will be added to the tree list this year. They are honeylocust, arborvitae, and sweetgum.

CAMPBELL REUNION HAS GOOD ATTENDANCE

Among those attending the Campbell reunion last weekend were: Mr. and Mrs. G. O. Richey, Meadow, Tex.; Mr. and Mrs. R. C. Early, Perris, Calif.; Mr. and Mrs. C. E. Cohea, Sweetwater; Mr. and Mrs. Bill Neeley, Sheryl, Stevie, and Terri, Snyder; Mr. and Mrs. Donald Hull, San Angelo; Mr. and Mrs. James Biggerstaff and four children; Mr. and Mrs. J. V. Bradley; Mr. and Mrs. Wayne Bradley and Ken; Mr. and Mrs. James Grover and son, A. H. Osborn and son; Betty Osborn, all of Lubbock.

Also Mr. and Mrs. Les McCombs; Mr. and Mrs. Ollie Cooper; Mrs. Terry Campbell; Mr. and Mrs. Glenn Odom and three children; Mr. and Mrs. Claude Hammond; Mrs. Audie Thomas; Mr. and Mrs. R. O. Campbell and Christine; Mr. and Mrs. Archie Neeley; Darrell, Barbara and Jeannie Tidwell; Mrs. Chester Campbell and Chet; Mr. and Mrs. J. A. Neeley; Mrs. Ronald Landes and Tori; Mrs. Larry Landes; and Mrs. Marshall Bennett, all of Rotan.

Mrs. O. R. Clark joined her sister Mrs. Elmo Cauble of Hale Center in Abilene, August 7 and they went to Houston by plane where they were joined by another sister and her daughter, Mrs. Clyde Casey and Judy Casey. They attended wedding of a niece, Betty Michael Herbert to James Frazier in Baytown Saturday night. While visiting in Baytown they attended a luncheon in Houston in the Dr. Sidney Burrus home. They also visited in Kenna, Texas City and Lanmark. Mrs. Clark returned home Saturday.

Thurs. Aug. 30, 1968 No. 29

Insect Report No. 12

Emory P. Boring, III Area Entomologist

Situation at a glance—Cotton prospects in most Rolling Plains counties are very good. Boll weevils are causing considerable damage in fields where heavy populations have been left uncontrolled. Bollworm activity has increased somewhat since last week.

Boll Weevils—During the past week boll weevil populations have increased greatly. Heaviest damage was observed in fields in Childress, Cottle, Wilbarger, Mitchell, Knox and Fisher counties. This damage was primarily in fields that had supported heavy boll weevil populations over a period of several weeks; damage in these fields ranged from 50 to 95 percent punctured squares. Other fields in these counties, where boll weevils had been controlled or populations were light, had considerably less damage. Medium boll weevil damage (punctured square damage from 20 to 50 percent) was observed in fields in Wichita, Collingsworth and Jones counties.

As squares become limited, boll weevils begin to feed on and deposit their eggs in the bolls. This not only causes a decrease in yield but it also lowers the grade of cotton. Even where boll weevils have not been a problem until now, they can still cause considerable damage.

Bollworms — Medium bollworm damage was observed in fields in Childress, Wilbarger, Wichita, Jones, Cottle and Knox counties. Heavy damage was found in some fields in Childress County. Light damage was observed in Fisher, Mitchell, Nolan, Hall and Collingsworth counties.

Cabbage Loopers — Cabbage loopers were observed damaging cotton in parts of Cottle and Jones counties.

For control recommendations, refer to L-508 (1968), Texas Guide for Controlling Cotton Insects in the High Plains, Rolling Plains and Trans-Pecos Areas of Texas. Copies of this guide may be picked up at the office of the County Agricultural Agent.

The information used in the Rolling Plains Cotton Insect Report is compiled from local reports sent in by County Agricultural Agents, personnel of Texas A&M University System, branches of the USDA, chemical companies, and cotton producers. We hope that everyone who does any field checking will send us a report of the situation as he finds it.

Mrs. Ina Harris returned home Saturday from a two-weeks visit with her daughter, Mr. and Mrs. J. W. Arnold at Burleson and her granddaughter and family, Mr. and Mrs. Paul Christian and children Marguerite and Paule in Waxachie. Mr. and Mrs. Christian and daughters were joined here by her parents, Mr. and Mrs. A. C. Snapp and they left Monday morning for a tour of the Western states.

'Watch Out For Children'

"Watch Out For Children." Because it's back to school for the nation's 51 million elementary and high school students.

Among the 9 to 19 year olds are more than half a million 4-H boys and girls who have a special interest in safety. They carry on safety projects to prove it.

These safety-minded youngsters work hard for school and community safety, and for home and personal safety as well. Their projects include campaigns to find and correct hazards that may cause injuries to pedestrians and motorists alike. Hazard hunts turn up articles left lying around the yard, along highways, on playgrounds and in parks.

Through their efforts to publicize and dramatize safety, the 4-H'ers create posters, exhibits, appear on radio and television, and cooperate with local authorities. Older teens serve as junior safety club leaders and help young members with their projects.

Observing bicycle safety and abiding by safety rules in sports and play are high on the list.

Encouragement and recognition for safety efforts come from the Cooperative Extension Service, which supervises the national 4-H Safety program, and from the sponsor, General Motors.

By October 15, youths from 50 states will be named 1968 state award winners and delegates to the National 4-H Congress in Chicago, December 1-5. More than 4,000 will earn the county safety medal. The top 10 clubs in the state will receive safety certificates.

The big national prize is a \$1,000 educational scholarship, which will be awarded to eight of the state 4-H winners who have compiled the most exceptional records of safety projects conducted over a period of years.

To be eligible for either a state or national safety award, the boy or girl must be over 14 years old.

Mrs. W. C. Sargent has been in Uvalde visiting her daughter and family, Mr. and Mrs. Claude Thompson Jr. for the past month. Her other daughter, Mrs. Vi Smith and Vickie of Wichita Falls and Mrs. Cassette Ross and Mrs. Mary Wiley, also of Wichita Falls spent their vacation in the Thompson home. The party made three tours of San Antonio including dining in the Towers of America, also three trips to Old Mexico to Piedras Nigras and Ciudad Acuna and dined in the famous Modemo Restaurant of Piedras Nigras. They also toured Bracketville, home of Old Fort Carson, where the late Mr. Sargent entered service as a young man during WWI. From Del Rio they toured the international dam, Amasted on the Rio Grande and enjoyed fishing in Lake Nueces. After the group left Uvalde, Mr. and Mrs. Dude Mercer, Bill and Susan of Haskell visited the Thompsons. Mrs. Thompson, Glenn and Gregg took Mrs. Sargent to Wichita Falls to be with Mrs. Smith who had surgery, and after Mrs. Smith recovered satisfactory, Mrs. Sargent returned to her home here.

Mr. and Mrs. Sam Eitel and daughters of Odessa; Mr. and Mrs. Bill Todd and children, Abilene; Mr. and Mrs. Clyde Early of Riverside Calif. visited last weekend with Mr. and Mrs. J. O. Cooper.

Work is continuing on razing of the old Phillips' building on main street and should be cleared in another week.

HD Clubs To Study Bulbs

Home Demonstration Clubs in Fisher County will have as their first program in September "Spring Flowering Bulbs."

This is very timely as bulbs for spring must be planted before the end of October and very soon it will be time to select bulbs and prepare the soil.

Information on bulb selection, preparing the soil, planting and caring for bulbs was given by the H. D. Agent, Mrs. Alice Ballenger in the training meeting for leaders Thursday.

These leaders were Mrs. Dale Cave, Mrs. Viola Hendon, Mrs. T. B. Colwell, Mrs. W. P. Schubert, and Mrs. Richard Shedd.

Each will present this program to her own club when the clubs meet in September. Any interested homemaker is always welcome to attend any meeting of the Home Demonstration Clubs.

Revising Of Estimated Tax

Individual taxpayers who previously filed declarations of estimated federal income tax for 1968 must now revise their estimates to reflect the new surcharge tax recently enacted into law, Ellis Campbell, Jr., IRS District Director for Northern Texas, said today. He also reminded taxpayers to file Form 1040 ES, declaration of estimated tax, if their federal income tax for 1968 will exceed their withholding by \$40 or more.

Mr. Campbell said a new 1040 ES worksheet is now being developed to aid taxpayers in computing the amount of revised estimated tax. It will be mailed to taxpayers at the time they are billed for their third quarter installment due September 15. The worksheet will also be available at IRS offices around the first of September.

The new tax law imposes a 10 percent annual surcharge tax retroactive to April 1 on individual tax returns. This means, Mr. Campbell said, that most taxpayers who file on a calendar year basis will be required to pay a 7½ percent surcharge on federal tax covering income received during 1968.

Taxpayers who previously based their 1968 estimate on tax paid during 1967 can no longer use this method after September 15, Mr. Campbell said. The law now requires individuals to use "anticipated income" as the basis for computing estimated tax.

A new Form 1049FY will be sent to fiscal year taxpayers in time to file and pay the surcharge tax by the due date Mr. Campbell said. Form 1040 FY will also be available at IRS offices the first part of August.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT (SJR41)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51-a of Article III of the Constitution of the State of Texas be amended, and the same is hereby amended, so as to read as follows:

"Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations herein contained, and such other limitations, restrictions and regulations as may be deemed expedient, for assistance to and/or medical care for, and for rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and for the payment of assistance to and/or medical care for, and for rehabilitation and any other services for:

"(1) Needy aged persons who are citizens of the United States or noncitizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years and are over the age of sixty-five (65) years;

"(2) Needy individuals who are citizens of the United States who shall have passed their eighteenth (18th) birthday but have not passed their sixty-fifth (65th) birthday and who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps;

"(3) Needy blind persons who are citizens of the United States and who are over the age of eighteen (18) years;

"(4) Needy children who are citizens of the United States and who are under the age of twenty-one (21) years, and to the caretakers of such children.

"The Legislature may define

the residence requirements, if any, for participation in these programs.

"The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, and in providing rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of state funds for such purposes; provided that the maximum amount paid out of state funds to or on behalf of any individual recipient shall not exceed the amount that is matchable out of Federal funds; provided that the total amount of such assistance payments and/or medical assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of Federal funds; provided that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate Federal Statutes as they now are or as they may be amended, to the extent that Federal matching money is not available to the state for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such Federal matching money will be available for assistance and/or medical care for or on behalf of needy

persons; and provided further, that the total amount of money to be expended per fiscal year out of state funds for assistance payments only to recipients of Old Age Assistance, Aid to the Permanently and Totally Disabled, Aid to the Blind, and Aid to Families with Dependent Children shall never exceed Seventy-five Million Dollars (\$75,000,000).

"Nothing in this Section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this state."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November 1968, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment raising the limit on the amount that may be expended in any one year out of state funds for Public Assistance payments only to Seventy-five Million Dollars (\$75,000,000)."

"AGAINST the Constitutional Amendment raising the limit on the amount that may be expended in any one year out of state funds for Public Assistance payments only to Seventy-five Million Dollars (\$75,000,000)."
