THE ROTAN ADVANCE

Volume 60 Rotan, Fisher County, Texas -- 79546 Thurs. Oct. 24, 1968 No. 37

Hammers Take First Win of Year

Rotan's Yellowhammers finally hit the winning streak and the dope bucket really went over when they trounced the state-rated Aspermont Hornets 28-16 last Friday night on Hornets field.

Most sports writers called this the biggest upset of the area and also of high school play in the state, District 6-A is now wide-open.

The immediate problem however for the Hammers is Robert Lee who comes here Friday. The Hammers should take this one, but will need your support in the stands.

In the Aspermont game QB Walter Hargrove opened with a 3-yr pass to John Wylie in first quarter and Hargrove kicked extra. Aspermont then scored and made point.

Rotan scored twice in the second quarter, to build up a lead over the Hornets. Steve McCall ran a five-yard TD and Hargrove returned to kick the point after.

During the second half Rotan and Aspermont each shared a TD, with the Hornets scoring in the third quarter when quarterback Ronald Meador ran 30 yards, then kicked the point after.

The final score was by Rotan's McCall, who carried the ball over from one yard out. Hargrove kicked the point after.

Rotan Aspermont
16 first downs 15
225 Rushing 182
113 passing 183
5 of 19 pass com. 11 of 22
2 pass intercepted by 0
4 for 30 penalties 5 for 35
6 for 30 punts 4 for 6
2 fumbles lost 0

Mother - Dad
Do you know what a counting man is?
Come to the November 5 P.T.A. meeting and find out.

Do you know how to work this math problem?
9 plus equal 9 plus (1 plus)
Your second grade child will learn. Come to the primary school library at 7:30 Nov. 5. A teacher will show you how.

Do you know what a Tachistoscope is? Can you keep up with your child reading it?
Do you know what causes a volcano? Your fourth grade child can tell you. Come and find out with us.

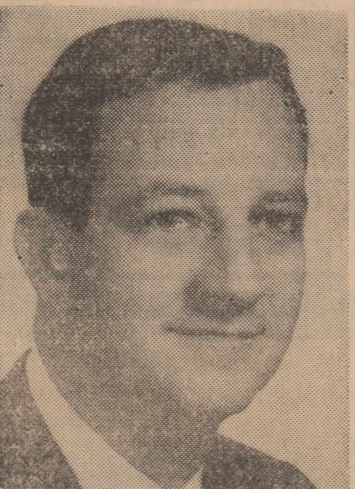

Every Mother and Daddy is cordially invited to come to our meeting Nov. 5., 7:30 at Primary library.

Mr. and Mrs. Paul Stephens of Sylvester spent Wednesday with Mr. and Mrs. J. O. Cooper.

Local patients admitted to Callan Hospital from October 16 through 22 were:
L. L. Hammit, Mrs. Ella Leonard, Annie Williams, Mrs. W. W. Ogden, Mrs. S. C. Starnes, Mrs. Cecil Edwards, Clay Coggins, Bobby Edwards, Annette Weems, O. R. Clark and Percy Coleman.

Out of Town Patients:
Mrs. W. H. Harrison, Jay-ton; Karen Bradley, Sweetwater; Mrs. John L. Ashton, Roby.

Demo Dinner Saturday - Roby

WILL DAVIS

Fisher County Democrats are planning the traditional Dinner for Saturday night 7:30 at Roby School Gym. This event is held each election year and the last two such events have drawn near 500 in attendance, despite heavy rain at meeting hour in 1964.

Main speaker for the affair will be Will Davis of Austin. He is co-chairman of the Humphrey-Muskie campaign for Texas. He is a member of a law firm in Austin, is widely known as a speaker and the local group were fortunate in securing him for the occasion. He was named 'Outstanding Young Lawyer of Texas in 1964-65, and has received many honors for his civic and political work and in his profession.

Everyone interested in welfare of Democratic Party in the coming election is urged to attend. Tickets may be secured at \$5 each from all Precinct Chairman.

Salvation Army Drive Is On

The annual Salvation Army drive is on and workers are attempting to see everyone. If you have not been contacted, the group will appreciate you leaving your check at First National Bank in the next few days. Due to busy season many individuals have not been solicited and your cooperation is asked.

Half of the money remains in the County to carry on needed work. Salvation Army has a splendid program and the money is carefully disbursed. One of their many phases on their program is work and aid in disaster areas, which they do in a most efficient manner.

The local organization will appreciate your help.

Homecoming At Hobbs Sat.

The Hobbs Ex-Students will have their Homecoming this Sat., Oct. 26. Registration will begin at 3:00 and the program at 3:30. The program will be highlighted by Charlie Marshall White as speaker.

A pep rally is scheduled at 5:00 and supper at 5:30. At 7:30 the homecoming will be climaxed with a football game with Ira.

Mr. and Mrs. Lyndell Rogers of Fort Worth; Mr. and Mrs. Jerry Stephenson and Leanne of Abilene spent the weekend here with their parents, Mr. and Mrs. Jack Stephenson, Mrs. Stephenson's parents, Mr. and Mrs. Dale Cave of Hobbs.

Mr. and Mrs. Earl Holcomb spent Saturday night in Denver City with Mr. and Mrs. Mack Allen and Mike.

Next Tuesday the Hammers will go to Anson. The 7th grade game beginning at 6:00 and the 8th will follow.

Herron Top State Showman

Mike Herron, son of Mr. and Mrs. C. D. Herron of Rotan, was named the top showman in heifer division at the State Fair of Texas, Junior Livestock Show, October 17. This is the second year in a row that Mike has received this honor. For winning this honor, Mike received an engraved trophy and a \$25.00 savings bond.

Herron also placed high with his steer and heifer. He had the 10th place light-weight Angus steer. There were 69 steers in the class. The steer sold for 40c a pound. He also had the first place junior Angus heifer, 3rd place late junior yearling, and 4th place early junior yearling heifer. The 1st place heifer was bred by James Cave of Roby.

Karla Kreidel also did well with her Hereford heifer. She placed 7th with her senior heifer calf. There were 39 heifers in this class. She also placed 14th in junior heifer class. Karla and Mike are both members of the Fisher County Junior Leaders 4-H Club.

Overseas Mail Dates Given

Gift parcels to servicemen stationed in foreign countries should be sent according to following dates:

Large parcels exceeding 30 pounds - by Nov. 9. Space Available airmail, up to 5 pounds - by Nov. 23. Parcel Air Lift mail, up to 30 pounds by Nov. 30. Parcels sent air mail, by Dec. 11.

Cards and letter mail will receive the same service as during non-peak periods.

Nearly 27 million pounds of mail were processed by U. S. Post Offices last year during the Christmas rush for delivery to servicemen in Vietnam alone, and all mail sent by the suggested dates was delivered on time. This year the volume is expected to increase greatly and with cooperation the post office can deliver all gifts to servicemen in time for Christmas.

Please be sure to pack gifts in a heavy corrugated box, wrap securely with heavy paper and tie with good strong cord.

Ginning Is Picking Up

Cotton harvest is getting well underway over the county. Rotan gins had reached 1450 Wednesday afternoon and Hobbs gin had 890.

Many farmers are finding a better yield than they expected according to ginners and if weather will hold, good grades are expected.

In another week the gins will probably be operating around the clock.

Jr. Hi Wins 2 From Hamlin

The Rotan Jr. High 7th and 8th grades played Hamlin Tuesday night. Both teams won. The 7th grade won 14-6. Joe Murphree made 6 points and Bruce Jones scored 8 points.

The 8th grade won 38-6. Neal Summers made 16 pts., William Duke made 16, and Paul Wylie made 6.

Next Tuesday the Hammers will go to Anson. The 7th grade game beginning at 6:00 and the 8th will follow.

'Harvest Festival' This Weekend

The monthly promotion being staged by several Rotan merchants will be this Thursday, Friday and Saturday.

This is "HARVEST FESTIVAL" and each merchant will have an array of specials for your selection. See their ads in this issue of the Advance.

First of these monthly events "Dollar Days" drew people from a wide area and many of them complimented the effort of our merchants keeping abreast with the times, instead of agreeing with some who say the small towns are thru. As long as we remain aggressive, modern and competitive with the larger towns we will enjoy cooperation of the general public, and we still feel that the smaller towns are a much better place in which to live.

Turkey Shoot Here Sunday

Firemen and the Junior Class have completed all plans for the annual Turkey Shoot for Sunday afternoon.

The event will again be staged at Clay Fowler Ranch north of town and skeet shooting will be available also.

In addition to the regular events some lucky person will be awarded a new double barreled shotgun. Be sure to get a ticket for this.

Service Held For W. B. McKimney

Funeral service for Willie B. McKimney, 55, were held Sunday at 3 p.m. from First Baptist Church with Billy Hudnall, officiating. Burial was in Belview cemetery under direction of Weathersbee Funeral Home.

Mr. McKimney was found by his brothers, Raymond and J. L. about 12:45. Justice of Peace Jeff Simmons of Roby ruled self-inflicted gunshot wounds caused death. Mr. McKimney had been in ill health for several years.

Born July 12, 1913, in Caradan in Mills County, he came with his parents to the Rotan area in 1921. He had resided here since that time. He married Annie Mae Brown in Rotan, Dec. 21, 1940.

Until recently, Mr. McKimney had been active in church and community affairs. He was a member of First Baptist Church in Rotan and had served as Democratic committeeman of Precinct 12.

Survivors are his wife of the home in Rotan; three daughters, Kaye, Karen and Wanda all of the home; one son, Clyde of Dallas; three brothers, Raymond of Rotan, J. L. of Roby and E. E. of Norfolk, Va.; two sisters, Mrs. Ben Hargrove of Rotan and Mrs. Royce Huckaby of Killen; his mother Mrs. W. B. McKimney of Rotan; and one grandson.

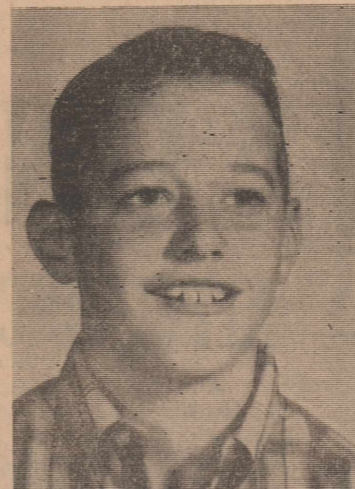

H. L. Davis Co New Fixtures

New display fixtures have been installed at H. L. Davis & Company during the past week. These modern displays give customers much better opportunity to see the large stock of merchandise.

The entire store has the 'new look' and is very attractive.

With new merchandise arriving daily, the personnel invites you to see the improvement as well as new clothing.

Summers Wins Area PP and K

Neal Summers

Neal Summers, 13 year old son of Mr. and Mrs. Luther Summers won 1st place in the 13 year old age group of Punt Pass & Kick Zone Competition at Abilene, Saturday, October 19th. Neal will now go to Dallag Saturday, October 26th for the District Competition - The Dallas District is all of North Texas with the exception of the Panhandle.

James Goodwin, 10 year old son of Mr. and Mrs. Arnold Goodwin won 3rd place in the 10 year old group.

The other contestants representing the Rotan-Roby area were: Age 8 - Mark Wood, Roby; Age 9 - Ken Holt, Rotan; Age 11 - Jerry Hariman, Rotan; Age 12 - Barry K. Allen, Rotan. All of these boys competed well in their age groups.

The Zone Competition in Abilene was composed of winners from 15 to 20 area towns.

The District Competition in Dallas will be held at Samuels Park at 10:00 a.m. Saturday, October 26th. The winners of this competition will be guests of the Dallas Cowboys and perform at a Cowboy Game.

Rotana Has New Equipment

Rotana Restaurant was closed Wednesday to install new equipment in the kitchen.

Their growing business has made this equipment necessary and Puggy and Rita say they will be better equipped to serve you with this.

Mr. and Mrs. Mitcham are progressive restaurant operators and plan other improvements at their place in the future.

Burk's Ad Gets National Nod

J. D. Burk was advised by Kraft Food Co. that they had used reduced size reproduction of his Easter ad, which appeared in the Advance, in their national publication. His ad in this issue, they felt deserved national recognition and they wanted advertising men of their customers to see his layout.

We think our grocery ads are as attractive as the daily papers and we appreciate efforts of Mr. Burk with his layouts and are proud of our Roy Huckabee who 'set' the ad into type. This is an honor for both Burk and Huckabee.

Mr. and Mrs. Elwood Freeman and children of Lamesa visited her parents, Mr. and Mrs. Morris Watson here last weekend. Mr. and Mrs. Freeman also visited Mrs. J. T. Freeman of Aspermont who was in Hendricks Memorial Hospital, Abilene for treatment.

Land Bank Meeting Friday

Annual meeting of Stockholders of Federal Land Bank Association of Roby will be Friday, in Roby.

This strong Association serves some 716 accounts and contributes much to the agricultural and livestock industry of the area. Financial report shows Assets of \$858,184.11 as of Sept. 30. Fifty-three loans for \$906,700 were made during the past year.

Officers and personnel of the Association are: Elmer Jordan, President; T. O. Massey, Vice-President; H. V. Huckaby, Ray H. Boothe, W. S. Etheredge Jr., J. T. Watts, Directors; Ralph C. South, Manager; Sidney L. Saverance Asst. Mgr.; Mrs Lorene Stuart, Office Asst.

Service Today For Love Blevins

Love J. Blevins, 62, died at his home five miles southeast of Rotan at 8:10 a.m. Tuesday, of an apparent heart attack.

Funeral will be held at 2 p.m. Thursday from Weathersbee Chapel, with Rev. Phillip Goodrum officiating. Burial will be in Belview cemetery.

Born March 13, 1906 in Kent County, he was the son of the late Mr. and Mrs. Jack Blevins. While still a child, his family moved to Fisher County. He was married to Estalene Finch April 12, 1933 in Wauriks, Okla. He was a member of Highland Home Baptist Church.

Survivors include his wife; one son, H.M.C. James Blevins with the USN in Honolulu, Hawaii; two daughters, Mrs. Mickey Counts of Rotan and Mrs. Wayne May of Irving; three brothers, O. B. of Wynnewood, Okla., J. B. of 818 Chestnut in Abilene, and D. J. of Rotan; two sisters, Mrs. Delma Stephens of 818 Chestnut in Abilene and Mrs. Bertie Burrow Merriman of Rotan; 7 grandchildren.

Mrs. Leonard Died Wednesday

Mrs. Ella G. Leonard, 86, died at 6 p.m. Wednesday in Callan Hospital after a short illness.

Services were at 4 p.m. Friday in First Baptist Church, Rev. Billy Hudnall, pastor, officiated. Burial was in Belview Cemetery under direction of Weathersbee Funeral Home.

She was born Feb. 25, 1882, in Georgia, the daughter of the late Mr. and Mrs. James H. Ivie. She came with her parents and settled in Limestone County in 1902.

She married Jeff Leonard in Archer County in 1925. He died in 1934. She came to Fisher County in 1938 from Wichita County.

Mrs. Leonard was a member of the First Baptist Church.

Surviving are three sisters, Mrs. Onie Wallace of Arlington, Mrs. A. A. Beekman of Big Spring and Miss Genie Ivie of Rotan; one brother, Burrell Ivie of Mart.

Pallbearers were Bill House, Claude Hammond, Joe Little, Jo O. Hudnall, D. L. Smith and Willie Gruben.

Mr. and Mrs. Lloyd George of Crane; Mr. and Mrs. Max Bennett and children of Snyder; Mr. and Mrs. Laverle Bennett and children of Sweetwater spent the weekend here with their parents, Mr. and Mrs. E. A. Bennett.

Homecoming Here Nov. 1

Plans are well under way pointing toward Homecoming activities which will begin with the Rotan-Wall football game Friday night, November 1, and the crowning of the Homecoming Queen. The candidates will be announced in next week's paper.

Following the game there will be registration and a coffee at the school cafeteria.

On Saturday afternoon, November 2, Open House will be held from 1:00 until 4:00 at the new Rotan High School Building. At 7:00 p.m. a banquet will be catered by the Rotan FHA girls at the school cafeteria. A business meeting will take place during the banquet with two offices to be elected. The terms of vice-president James Mann and treasurer Jan Thornton expire this year.

Following the banquet, a dance will be held at the Community Center beginning at 9:00 p.m.

Pre-registration indicates a large crowd home for this year's festivities and the Homecoming Committee urges all the home town exes to register early and attend all the activities to help make this year's Homecoming a big success. Dues can be sent to Mrs. Charles Thornton. The registration fee is \$2.50 per person and \$5.00 per couple.

New-Improved Home Tour Tues.

What is your neighbor doing to make her home look so nice? Can we improve our own homes? Mrs. Alice K. Ballenger, County Home Demonstration Agent, and Fisher County Home Demonstration Clubs are giving each of us the opportunity to see new ideas put into practice in remodeling, redecorating, building, and landscaping. A county-wide tour of demonstrators in home improvement, and of new homes have been planned for Tuesday, October 29. Anyone interested in home improvement is invited to join the tour. Meet at the courthouse at 9:00 a.m., but you may also join us at any time during the day. Following is a schedule of the tour:

- 9:00 a.m., Meet at Courthouse in Roby.
9:30 a.m., Visit Mrs. Walter Byrd - Northwest of Roby, remodeled home
10:15 a.m., Visit Mrs. C. M. Callan, Rotan, New home
11:00 a.m., Visit Mrs. Mac Weathersbee, remodeled home
11:45 a.m., Visit First Methodist Parsonage - landscaping.
12:00 Noon, Sack Lunch (bring your own) Community Building, Rotan
1:00 p.m., Visit Crest View Lodge - Rotan.
1:45 p.m., Visit Mrs. Cullen Terry, Roby, New Home
2:45 p.m., Visit Mrs. James Cave, New home in construction stage - West of Roby.
3:15 p.m., Visit Mrs. Fred Waddell, South of Roby, Landscaping
3:45 p.m., Visit Mrs. H. F. Guelker, Longworth, remodeled.
We're looking forward to seeing you Tuesday, October 29.

BAND PARENTS TO MEET TUESDAY

An important meeting of Band Parents is scheduled for 4 p.m. Tuesday at Band Hall. Committees will be selected for plans on the Football banquet, so it is important for all members to be present.

SITES HAVE VISITORS

Mr. and Mrs. James Sites from El Cajon, California and Tommy G. Sites RM2 who is aboard the U.S.S. Union visited their parents Mr. and Mrs. B. F. Sites for a few days then Mr. and Mrs. Sites accompanied them to Buford S.C. where they visited a son Paul for a few days then went on to Spartanburg S.C. where they visited B. F. Sites Jr., and family, then back to Dallas and visited a few days with their daughter, Mr. and Mrs. Marden Leonard, and two sisters and visited with another daughter, Mr. and Mrs. James Parker and Pixie and Richard Karen.

Mr. and Mrs. James Sites returned to El Cajon and Tommy stayed for a few days longer visit. He caught a plane out of Dallas to return to San Diego to attend a 9-month school.

COUNTY AGENT NEWS

by Richard Spencer

The Rotan Advance
Thurs. Oct. 24, 1968 No. 37

PUBLIC HEARING NOTICE

The City of Rotan, 201 West Snyder, Rotan, Texas 79546, has applied to the Texas Water Quality Board for a permit to retain an average of 95,000 gallons of conventionally treated (two (2) Imhoff tanks with an oxidation pond) domestic sewage from its sewage treatment plant located in the southeastern portion of Sec. No. 112, Block 2, of the H&T Railroad Company Survey, Fisher County, Texas. The waste is used for irrigation purposes on a tract of land adjacent to the sewage treatment plant. A public hearing on this application will be held at the Holiday Inn East, 2600 Parkway Drive, Lubbock, Texas, at 10:30 a.m. on November 7, 1968 to determine the conditions, if any, under which the permit may be granted. Additional data will be developed at the hearing, but further technical information concerning any specific aspect of the discharge, if available, can be obtained by writing the Texas Water Quality Board, 1108 Lavaca Street, Austin, Texas 78701. 35-2tc

The Veterans Administration has established special medical teams to seek out and examine veterans with impaired vision so it can provide all necessary medical assistance and counseling.

Try Classified Ads-They Pay

wheat production yields substantially in the last few years, due to a knowledge of and proper use of fertilizers. This has largely been due to the Soils Testing Laboratory in Seymour which is operated County Agricultural ETAOIIN by Roy L. McClung, Sr., County Agricultural Agent. The economic importance of this fertilization to the Rolling Plains is evidenced by the 284 fertilizer result demonstrations conducted between 1962 and 1966 in Baylor County. Fertilization has increased the average yield in this five year period 11.4 bushels over the 16.9 bushel yield of the check plots. This resulted in an added income of about \$12.70 per acre.

McClung has stated that the increased use of fertilizer, due to Extension programs and the Soils Lab, has meant millions and millions of dollars annually to Rolling Plains wheat producers. Of course, an exact figure would be hard to determine, due to the increased amount of grazing realized from fertilizing small grain and other variables which affect yields.

The screwworm program, since its beginning in 1962, has cost livestock producers and federal and state government about \$35 million. However, it was estimated that the screwworm cost livestock producers in Texas more than \$100 million annually before this program was initiated.

Cotton harvest is coming into full swing. Most cotton in the county is way above average this year. It is estimated that the county will make over 40,000 bales.

Fish Ponds For Food and Sport

Farm or ranch ponds have many uses. If properly managed for fish these ponds will provide food and recreation. A properly managed pond will produce from 300-500 pounds of fish per acre per year. The yield to fisherman will be about half of this amount of 150-250 pounds of usable size fish. An unmanaged pond will produce up to 150 pounds of fish per acre. Only about 35-50 pounds of usable size fish will be available to fisherman. One of the most common management problems is waterweeds notes Virgil Helm of the Soil Conservation Service in Rotan. All waterweeds are undesirable. Large amounts of vegetation inevitably lead to overpopulation and stunted fish, and may give fish a strong flavor, and use much of the ponds fertility. Decomposing weeds during periods of low oxygen may cause the death of fish.

The problem of weed control can be greatly reduced if the pond edge is deepened so there are no waters shallower than 18 inches, and the recommended fertilizer program is followed from the time the pond is first filled with water. The average pond requires from 800 - 1200 pounds of 8-8-8 or 8-8-2 fertilizer per surface acre each year.

If the plants are already established, fertilizer alone will not control them. The plants may be killed by sodium arsenate, and the water properly fertilized to prevent re-

growth. Sodium arsenate is a dangerous poison to humans and livestock. When properly applied, it will control waterweeds but will not kill the fish. It should be used only with the advice of a technician who is familiar with the use of this poison.

Encouraging the growth of filamentous algae is a method of controlling submerged weeds. These algae grow each year from tiny spores, supposedly airborne. Winter fertilization of this plant causes it to cover over the weeds with a film, cutting off life giving light. If this method is used, the fertilizer must be applied evenly over the weed bed starting in January with 8-8-2 or 8-8-8 to stimulate the algae growth. Repeat every two weeks until a heavy scum covers the submerged weeds. Since the algae are winter growing plants, this method will not work in the summer. Pond owners often despair before weed kill is accomplished by this method.

The procedure for applying the PDB crystals (mothballs) is fairly simple but to obtain effective control should be followed closely. First, all leaf material and grass should be cleaned out of an area about one foot from the tree trunk. The PDB crystals are then placed in a narrow circular band about two inches from the trunk of the tree. The band is then covered with soil free of leaf or grass trash and the soil is mounded around the trunk so as to form a cone shaped pile about six inches around the base of the tree. Care should be taken to see that none of the UDB crystals come in contact with the tree, since crystals in contact with the tree will cause injury. Then compact the soil in the mound. The mound of soil should be removed in the early spring.

Agriculture has made many advances over the past years. The enclosed figures about cotton, sorghum, wheat, and livestock might be of interest. Average yield for cotton between the period from 1928 to 1932 was 145 pounds per acre in Texas. The average yield between 1960 and 1966 has been 352 pounds. This increase in yield of 197 pounds is attributable, of course, to many changes and improved production techniques.

The average yield for grain sorghum between 1947 and 1956 was 1,193 pounds per acre in Texas. After the introduction of hybrid grain sorghum, the average yield between 1957 and 1964 was 2,227 pounds per acre, for an increase of 1,034 pounds per acre.

For grain sorghum averaging \$1.60 per hundredweight, this is an increase of \$16.54 per acre, largely attributable to hybrid grain sorghum. This amounts to more than \$92 million annually to Texas producers.

Many Rolling Plains wheat farmers have increased their

Art Club Plans Future Home

The Palette and Brush Club met on Oct. 15 in the Rotan Community Center with Mrs. Eltha Ragan as hostess.

Mrs. Marie Phillips, the president, conducted a business session in which plans for a permanent meeting place were discussed. It was decided that the club would not attend the West Texas Art Exhibit a Brownwood on Oct. 19. Proposed plans for future display and sale of Club paintings were discussed.

Mrs. Ragan presented an illustrated program on "Frames" in which the following principles were stated:

1. Frames with good natural colors are desirable so pictures can be changed in them.
2. Shy away from ornate frames so the frame will not take away attention from the picture.
3. Provide contrast at the inside edge of the frame putting dark against a light picture and light against a dark picture.

Methods of staining frames and making them blend with the pictures they are to frame were demonstrated.

Mrs. Ragan also discussed complementary colors and set up a still life subject in red and green. She then demonstrated with paints, how the various tones of the complementary colors, red and green could be achieved.

Helpful criticisms of paintings started at our last session were made.

Club members present were Mrs. Eltha Ragan, Mrs. Doshia Cave, Mrs. Inez Smith, Mrs. Marie Phillips, Mrs. Connie Tutt and new member Mrs. Lillian Morrow.

DAR National Defender

Nancy Harper Chapter
Fisher-Nolan Counties

The National Defense Committee of the National Society of Daughters of the American Revolution was established by DAR members more than forty years ago. A National DAR officer serving the Society at the time wrote of the committee, "It is not concerned with only an adequate military defense of our Country. It deals with the defense of our ideals, the ideals of our forefathers. They are a belief in a Supreme Being, in the American home, in property rights, self-government, and in unqualified support of the Constitution of the United States of America."

Through the years, under dedicated leadership, a positive DAR program of support for American traditions has been carried on. The increasing activities and plans of destructive forces have been followed and reported.

A truly great American of the twentieth century, and of all time, General Douglas MacArthur, recognized and spoke out freely against the danger to our Country which he so rightly appraised. He warned against the scourge of communism, yet it was the internal threat that he feared most. He stated: "The people must choose the course our Nation will follow. On their decision rests the future of our free civilization and the survival of our religious faith."

Will we, through lack of faith and understanding, through apathy, indifference and disbelief, allow our Country, once the beacon light of freedom to all nations, to fade into history as have the other nineteen great civilizations before us?

From the June-July issue, 1968 DAR Magazine.

Condition of Mrs. Leora Scott of Snyder remains critical. She is mother of Mrs. Dan Westfall, and resided in Hobbs community for several years and has a host of friends there. She is in Cogdell Hospital.

Mr. and Mrs. Harold King of Aspermont attended the funeral of W. B. McKimney here Sunday. They are former Rotan residents.

"Ye Shall Know The Truth"

John 8:32

THE GOSPEL ANALYZED

THERE ARE FACTS TO BE BELIEVED:

"Moreover, brethren, I declare unto you the gospel which I preached unto you, which also ye have received, and wherein ye stand; by which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain. For I delivered unto you first of all that which I also received, how that CHRIST DIED FOR OUR SINS according to the scriptures; and that HE WAS BURIED, and that HE ROSE AGAIN the third day according to the Scriptures" (I Cor. 15:1-4).

THERE ARE COMMANDS TO BE OBEYED:

FAITH IN CHRIST: "If ye believe not that I am he, ye shall die in your sins" (John 8:24).

REPENTANCE: "And the times of this ignorance God winked at; but now commandeth all men everywhere to repent" (Acts 17:30).

CONFESSION: "That every tongue should confess that Jesus Christ is Lord, to the glory of God the Father" (Philippians 2:11).

BAPTISM: "Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins" (Acts 2:38).

FAITHFULNESS: "Be thou faithful unto death, and I will give thee a crown of life" (Rev. 2:10).

THERE ARE PROMISES TO BE RECEIVED:

REMISSION OF SINS: "And that repentance and remission of sins should be preached in his name among all nations—" (Lk. 24:47). "Repent, and be baptized everyone of you in the name of Jesus Christ for the remission of sins" (Acts 2:38).

ETERNAL LIFE: "Whereby are given unto us exceeding great and precious promises" (II Pet. 1:4). "And this is the promise that he hath promised us, even eternal life" (I Jn. 2:25).

In order for one to enjoy the promises he must BELIEVE THE FACTS and OBEY THE COMMANDS. "What shall be the end of them that OBEY NOT THE GOSPEL" (I Pet. 4:17).

'Safety Belts' For Your Land

You probably use safety belts in your car, but did you know that the land needs safety belts too? Safety belts to protect against erosion.

Bill Lewis, soil conservationist at Rotan Work Unit, says, "Proper management of crop residues is an important Safety Belt in the Upper Clear Fork Soil and Water Conservation District because the residues will break up the action of the wind against the soil, thus holding the soil in place. The amount of residues required to protect an acre of soil will vary according to soil texture and method of planting the residue producing crop.

The coarser textured soils, those with more sand and less clay, will require a greater amount of residues than a tighter soil with more clay. The clay particles in a soil tend to stick together, thus making them harder to detach.

A land with residue crops planted in rows require a larger weight of residues than the same land with drilled crops on it. This is because row crops cover less area in growing plants than do drilled crops.

Sources of residues to protect soils in a wind hazard area like Fisher County are: wind strip-cropping, cover crops, mulching with cotton burs, and conservation cropping systems.

Wind strip-cropping is the practice of having several rows of cotton, or similar crop, and several rows of sorghums in an alternating pattern. Many farmers in this area have practiced wind strip-cropping by planting sorghums in the two middle blanks of a two cotton and four blank pattern.

A farmer using a conservation cropping system plants

a portion of the field, 1-2, 2-3 etc. based upon the needs of the soil, to a high residue producing crop and the other part to a regular crop such as cotton or whatever he desires. Another way to meet the residue needs of a field requiring 1-2 high residue is to plant the entire field to a residue crop one year and the entire field to cotton, etc. the following year.

Cover crops can be small grains or peas and may be planted in rows or drilled solid in the entire field or in the blank rows of a cotton field.

Mulching with cotton burs is a good way to get residues if a farmer does not have the time or moisture to grow his residues.

The source of residues are not as important as getting them in amounts required to keep the soil from blowing. Normally this would be the case of sorghums be a stubble height of approximately three inches to six inches and for burs an application of about three tons per acre.

Always be sure and check your safety belt.

4-H Girls Met Thursday

The 4th and 5th grade 4-H girl met at the Community Center, Thurs., Oct. 17, at 4:00. Nine new members enrolled. We talked about measuring foods, kitchen rules, and using milk. Two important kitchen rules are wash your hands and read the recipe before cooking. Always clean up afterwards.

Reporter.

Since World War I, the total number of living war veterans has never fallen below 4.2 million, the Veterans Administration says. Today there are more than 22.9 million war veterans, more than at any time in history.

City Supervisor

FHA Has Aided Many People

During fiscal 1968, 39 Fisher County farm families availed themselves of Farmers Home Administration operating loan credit. George M. Dorman, County Supervisor said today.

Dorman said that \$232,630. was advanced during the 12 months ending June 30 for such expenses as new machinery and equipment, livestock, fertilizer, feed, seed, pasture improvement, and fencing. Operating loan funds also were used to refinance debts and pay family living expenses.

"This type of credit," Dorman said, "has enabled many small farm operators to stay on the land."

As the fiscal year ended, farm families that included nearly 440,000 people nationwide were benefiting from the program which serves family farmers who can find no other source of necessary operating loan credit.

Loans are made through county offices of the Farmers Home Administration serving all rural areas of the United States. All loans are accompanied by technical assistance in farm and financial management. The local FHA county office is located at 203 West Snyder Ave., Rotan.

In addition to operating loans, Farmers Home Administration makes loans to purchase and develop farms, to develop community water supply systems, to obtain housing for farm laborers and senior citizens and to meet the emergency credit needs of farmers suffering from a natural disaster such as hail, flood, or drought.

A TIME FOR DECISION

A Presidential election, the most important one in our lifetime, is close upon us. With three candidates in the race Texans are confronted with such a variety of appeals that some confusion is not surprising. We see some of our top state political leaders urging support of Hubert Humphrey on the self-serving appeal of party loyalty. We see fine Texans tempted to support George Wallace because they like his outspoken position on certain issues and are thus swayed by an appeal of sheer emotion. With full respect for the right of every Texan to make a personal decision, this message in behalf of Richard Nixon is offered as

...AN APPEAL TO REASON!

HUBERT HUMPHREY WILL NOT

change. He has proved consistently anti-Texas. He is famous for his filibuster against Texas owning its tidelands. He has fought our right-to-work laws and sought to destroy our vital oil depletion allowance. On every issue of world importance his position is contrary to that of most Texans. Humphrey, an ultra-liberal founder of the ADA organization, would gain executive authority for radical minority viewpoints should he become president. This cannot happen by popular vote. In view of his vicious attacks upon George Wallace, what a ghastly miscarriage of intent it would be if Wallace supporters themselves should throw the election into the House of Representatives where every Wallace vote in Texas would automatically go to Humphrey!

GEORGE WALLACE CANNOT

be denied his impressive showing. A number of fine people heed his third party call. The very least that can be said is that he has dramatized the desires of many people for a change of direction in the affairs of our government. However, the very most his supporters can hope for is to split the popular vote so that all of us would be at the mercy of Washington politicians who would elect our president for us. This is Hubert Humphrey's only hope for election. The more positive way to vote for change is to recognize the many fine merits of Richard Nixon and his program, then vote for Nixon to assure the election of our president by the people instead of by the Congress!

RICHARD NIXON CAN... AND WILL

supply dynamic, experienced leadership for an immediate change of direction—at the top—in all our national affairs at home and around the world. Your concerns are his concerns!

• **NIXON ON LAW AND ORDER** is pledged to help improve local police protection, to appoint an Attorney General dedicated to rooting out crime, to restore balance in our courts strengthening peace forces against criminal elements and to cease freeing so many of the guilty on technicalities.

• **NIXON ON VIET NAM** will call upon his experience as vice-president during eight great Eisenhower years of peace to reform world alliances now in disarray, to redirect our strategy on new global terms. He will end this war and avoid future ones by dealing with adversaries in the only way they respect—through strength, collective security and patience.

• **NIXON ON LOCAL GOVERNMENT** is pledged to move control of local schools and all other governmental functions which properly belong at the local level closer to the people.

• **NIXON ON OTHER PROBLEMS** has solid solutions PLUS solid backing of enough members of Congress to implement those solutions.

IF YOU REALLY WANT A CHANGE... AND IF YOU WANT TO BE SURE YOU REALLY GET IT... VOTE FOR NIXON/AGNEW

NIXON'S THE ONE!

Mrs. Colwell Entertains Class

A Halloween theme was the setting in the home of Mrs. Tom Colwell when she hosted a salad luncheon for the Ladies I Adult II Sunday School class of the First Baptist Church, assisted by Mrs. George Dorman. The food and fellowship was enjoyed by the following: Mmes. Virgil Weems, Bennie LeBleu, A. L. White, George Watson, Odell McQueen, Murl McKinney, W. D. Eades, J. W. Kincaid, Neil Wright, Mac Weathersbee, Loys Landes, Carl Singley, M. D. Ivey, Richard Floyd, Marvin Kersh, Billy Hudnall, W. D. Graham, Kenneth Vain, Tom Colwell and George Dorman.

EATON HOME FROM VIET NAM AREA

Carroll R. Eaton CSI of the U.S. Navy arrived in Abilene Oct. 14 from Viet Nam area where he has served the past year. He went to his home in DeLeon, where his wife and 3 children live. He will spend the weekend here with his parents, Mr. and Mrs. Doug Eaton and other relatives. He has visited his brother, Gary Dale, who is stationed in Viet Nam several times during the past year. Their last visit was Oct. 8-12. Gary Dale is expected back in the States in December.

WOODSON-UNDERHILL WEDDING NOV. 9

The public is invited to attend wedding of Dwayne Underhill and Sandra Woodson, 8 o'clock Nov. 9 at Calvary Baptist Church in Big Spring. He is son of Mrs. Trudy Underhill of Rotan.

MRS. CHAMPION HAS GOOD FISHING TRIP

Mrs. Ruby Champion traveled by jet from Lubbock to Phoenix, Ariz. to join her daughter Doris King for an outing and fishing at Lake Mary. She returned home Sunday. They camped in Doris' mobil camper and caught their limit of trout each time out. The fishing part of Ruby's is very good—they used tiny marshmallows for bait, and some people believe that.

Mrs. Laverne Vancel of Ft. Worth was joined here Friday by her mother, Mrs. C. C. Roach and also an aunt, Mrs. C. C. Bruce and they visited in Lubbock and Amarillo.

Mrs. Sam Cleveland returned from Dallas last week where she visited her daughter, Mrs. Ruth Riddles and family and attended the State Fair.

Cathy Briscoe of Hamlin is visiting her aunt, Mrs. C. B. Barth this week.

Walter and Maudie Moize of Lubbock spent Thursday night and Friday visiting their sisters, Mrs. Sam Cleveland and Mrs. Jay Cleveland in Crest View Lodge.

H. T. Fillingim visited Dr. and Mrs. Stanley Gilbert and children and also visited State Fair in Dallas last weekend.

Mr. and Mrs. David Klepper III, Mr. and Mrs. Keith Klepper and sons of Midland; G. W. Finch; Mr. and Mrs. Lee Everheart of San Angelo; Lt. and Mrs. R. L. Woodruff; Mr. and Mrs. J. C. McCullough, Mr. and Mrs. Lester Greenway and sons all were dinner guests Sunday of Mr. and Mrs. David Klepper Jr. and Frankie.

Mr. and Mrs. Larry McClain of Arlington spent Friday night here with his parents, Mr. and Mrs. J. A. McClain and Saturday night in Hermleigh with her parents, Mr. and Mrs. Marvin Hanson Jr.

Mrs. Roy Nash is in Hendrick Hospital, Abilene recovering from eye surgery. Her room is 670.

Mr. and Mrs. Bill Ray and children of Austin spent Sunday night with her parents, Mr. and Mrs. O. T. Higgins. Mr. Ray's father had surgery at Hamlin Hospital Monday.

CROP Week Is Oct. 27 to Nov. 2

Governor John Connally has designated the week of October 27 to November 2 as Texas CROP Week.

The designation has been made by Official Memorandum recognizing CROP as the only community-wide food appeal in the state for the overseas programs of the churches and urges widest participation in the community CROP appeals.

CROP is the hunger appeal of Church World Service but also handles designations for other church relief agencies such as American Friends Service Committee, Catholic Relief Services, Lutheran World Relief and the Mennonite Central Committee. Its appeals in Texas consist of farm commodity appeals for such commodities as rice, wheat, maize and livestock; also urban appeals by church youth organizations at the Halloween season. All of the appeals are conducted by local CROP committees of volunteer workers with the Youth In Action projects sponsored by ministerial associations, youth councils, councils of Church Women United, local church councils, Jaycees and individual church youth groups as well as by local county and community CROP committees.

CROP has helped Church World Service to send over a million pounds of aid for refugees of the Nigeria-Biafra conflict where CWS has been working with Catholic Relief Services to particularly aid the very young and aged in Biafra. Shipments have also been sent to area of other emergencies and to help people to provide for themselves thus attacking the root causes of hunger.

Mr. and Mrs. Woodie Crawford of Lubbock; Mrs. Lois Deel, Mr. and Mrs. Barney Bigham, Mrs. Marshall Hill, Marsh and Jill, Mrs. John Ross Hale and Blake all attended the Bigham reunion in Hamlin Sunday.

Mr. and Mrs. O. N. Moffett of Dallas visited his mother, Mrs. Beulah Moffett Tuesday.

HD Club Studies 'Spare Time'

"What You Do With Your Spare Time" was the theme of the Rotan Home Demonstration Club when they met in the home of Mrs. Alyne Shell, Oct. 17.

After a short business session, different members showed their work of Antiquing, Knitting, Weaving, Italian Hem Stitching and Decoupage Pictures.

Visitors present, Mrs. L. A. Sencil. Members were Mmes. W. P. Curry, J. M. Long, W. L. Terrell, H. L. Davis, Homer Aaron, Viola Hendon, J. W. Porter, Thomas Colwell, Atha Ragan, Bernice Stockton, Pearl Cooper, C. A. Ragan, Dick Edwards, Jewel Tillotson, Ora Campbell and Mrs. Barney Bigham.

Club adjourned to meet with Mrs. Bernice Stockton Nov. 7 at 2:30 p.m.

Honor Roll

The following students made the Honor Roll in Jr. High for the first 6 weeks.

5th grade, Wendi Morrow; Linda Vann; Marselina Yanez; Bryon Cave; Glenn Wilfong; Laura Womack; Brent Jones. 6th Grade, Kathy Nowlin; Sue Tonn; Reid Cave; Kathy McCombs; Freda Odum. 7th grade, Bruce Jones. 8th grade, Carolina Velez; Regina McArthur and William Duke.

Rock Hounds To Meet Sunday

The Central Texas Gem and Mineral Society will meet in regular session Sunday, October 27th, in the Recreation Center at Rose Park, Abilene, at 2:00 p.m.

John Chalmers, well-known speaker and Geologist, will present the program. Mr. Chalmers subject, "OPAL - The Rainbow of Hope", will be of interest to all lovers of beautiful gemstones.

A door prize will be awarded and refreshments will be served at the close of the meeting.

Visitors are most cordially invited.

THANKS
By this means we wish to express our sincere thanks and appreciation to the doctors and nurses of Callan Hospital while I (Cliff) was hospitalized. And to our family and many friends for their concern, for the prayers offered, the many cards, the beautiful flowers and the visits made. For all of these we thank each one, and pray God's richest blessings on each one and each deed administered.
Mr. and Mrs. C. C. Carter.

THANKS
We wish to express our appreciation for everything you have done for us during Karen's illness. We returned home last Saturday and will return to Houston Nov. 5 for further treatment.
We truly appreciate everything.
Karen, Mary and Jack Allen

CARD OF THANKS
We wish to express our sincere appreciation to everyone for every act of kindness shown at the loss of our loved one. Thank you for the food, the flowers, and words of comfort. May God bless each of you.
The Earl Feagan family.

CARD OF THANKS
We would like to express our heartfelt appreciation to our doctors, nurses, relatives, friends and neighbors for their help and concern shown while R. T. was in the hospital. Thank you for the food, flowers, and words of comfort shown at the loss of "Slim."
May God bless each of you.
R. T., Estellene and Rhonda Hammit Dwight and Billie Jo Hammit James and Cheryl Collins

In 1915, only one per cent of the total civilian population aged 18 years or more, were veterans. Today, according to the Veterans Administration, one out of five in this age group are veterans.

Mrs. A. A. Polk, Mrs. Bernice Hargrove and Martha, Mrs. Earl Holcomb left Tuesday morning for Pomona, Calif. They will visit Mrs. Holcomb's father, Mr. and Mrs. R. A. Acker and Mrs. Hargrove's grandparents.

Mrs. J. M. Wilson returned home Monday from Fort Worth where she had visited her son and family, Mr. and Mrs. Fred Allen Wilson and children.

Mr. and Mrs. Roger Smith visited their children, Mr. and Mrs. Joe Stoeltje and daughters Gretchen and Rachael in Austin last weekend.

Mr. and Mrs. David Swaringen and daughters of Duncanville visited last weekend here with his parents, Mr. and Mrs. Hollis Swaringen.

Mr. and Mrs. R. T. Williams arrived home Sunday night from a tour of the Carribeans. They report a wonderful trip.

Mrs. Ina Harris visited her sister Myrtle Reeves in Headly last weekend and attended Cotton Festival.

Mrs. A. C. Snapp visited last weekend in Canyon with her daughter, Mr. and Mrs. Marcos Phillips.

In addition to providing educational assistance in colleges and universities, the VA has on-the-job training programs and high school completion training for veterans with service after Jan. 31, 1955.

P.T.A. FISHING BOOTH
Will you please send your miscellaneous items for the fishing booth to school Friday morning Oct. 25. Someone will pick them up there. Thank you for donating them.

Visitors in the W. D. Graham home over the week end were Mr. and Mrs. J. E. Richison of Wichita Falls, Debra Sue Carroll of Wichita Falls, Mr. and Mrs. Lyndell Rogers of Fort Worth, Mr. and Mrs. Rex Hall and family of Roby, and Mr. and Mrs. Alvin Graham and family of Aspermont.

Ellis Locke of Miami and his daughter, Mrs. Helen Carter of Pampa visited Mrs. H. C. Shelton and Mr. and Mrs. Hooper Shelton Sunday.

Among out-of-town relatives and friends attending funeral service of Mrs. Ella Leonard Friday included, Mrs. Onie Wallace who will live here with her sister, Miss Genie Ivie; Mr. and Mrs. Vernon Wallace of Arlington; Mr. and Mrs. A. A. Beekman; Mr. and Mrs. A. B. Nanny and Howard Bentley, all of Big Spring.

Mrs. Bernice Hargrove visited her son David at Canyon last Sunday.

The Consumer and Marketing Service reported a total of 24,000 cotton samples processed last week at Abilene, compared to a total of 6,000 for the same week last year. Daily sample receipts have increased to 5,000 while daily classing totals have been 4,000. Two classes will be added to the staff this week and this should enable us to keep up with daily receipts says B. B. Manly, Jr., Officer in Charge of the U.S.D.A. Cotton Classing Office, Abilene.

Grade continues to be exceptionally good with 69 per cent in the white category, the same as last week, and 31 per cent in the light spotted category.

Staple is also remaining constant, 15-16 being the predominant length at 37 per cent. Other percentages were: 29, 4 per cent; 31, 26 per cent; 32, 16 per cent; 33, 9 per cent; 34, 4 per cent; and 35 and better, 4 per cent.

Micronaire readings were down to 89 per cent in the 3.5 to 4.9 premium range; 9 per cent, 5.0 - 5.2; and 2 per cent, 5.3 and above.

Pressley or strength readings were still good with 90 per cent reading 80,000 p.s.i. and better.

Activity picked up on the market last week and generally cotton is selling for 300 points above the Government loan rate. This means a bale of Middling, 15-16 sells for 21.05 cents per pound; a Strict Low Middling, 31-32 for 20.45 cents per pound; and a Middling Light Spotted, 15-16 for 20.17 cents per pound.

Mr. and Mrs. C. B. Waggoner and children of Graham; Mr. and Mrs. Jimmy Hayes and sons of Roby visited last weekend here with their mother, Mrs. Inzer Whitefield.

Mr. and Mrs. Roy Kingsfield, Frank Kingsfield and Mrs. Robert Martin visited the Raymond Kingsfields in Tarzan Sunday and helped Raymond celebrate his 65th birthday.

FISHER COUNTY VOTERS

It is imperative that you remember the following facts about the Democratic Party when you go to the polls on November 5:

* *Best for the People*

The Democratic Party has been the majority party for 25 years out of the last 33 years and the laws, policies and procedures they have enacted has given to the American People the highest standard of living enjoyed by any nation on earth.

* *Best for Texas*

The Texas Democratic movement has given to our nation such men as Omar Burleson, Jim Wright, George Mahon, Bob Poage and many others to head and guide the action of the Congressional Committees that are so vital to our form of government. A change in administration will lose for Texas the services of these men as Chairmen of the various committees they now guide. Texas can not afford this loss.

* *Best for Social Programs*

The Social Security System was initiated under a Democratic Administration against the bitter opposition of many Republicans. History has shown the value of this system, even to its enemies, and the system received belated support from some Republicans of the Eisenhower years.

* *Best for a Land of Plenty*

The Farm Program has enabled the people of our country to become the best fed in the world and has enabled us to send surplus farm products to save "starving millions" in foreign countries. Our country followed the belief that it is "more blessed to give than to receive". May we continue to develop our capacity to produce agricultural products in vast quantities so that we will never be a "have-not" nation when food is needed.

* *Best for Stable Credit*

A system of government sponsored credit has developed such organizations as our Production Credit Associations. These organizations have now returned all of their original capital to the government and stand as a monument to the thrift, ingenuity and ability of the farmer to survive and thrive in a society where he is recognized as an individual.

* *Best for Financial Security*

The Democratic Administration of 1933 initiated a system of bank control that has stabilized our banking system and we no longer have bank failures that jeopardize the savings of thousands of small investors. This brought order out of chaos in these early days and this important change has been further strengthened by succeeding Democratic Administrations.

* *Best for Rural America*

The Rural Electrification Administration was formed under a Democratic President and this important measure has brought "light and power" to the countryside. The tremendous impact of this program on our society has been praised by people from all walks of life. The vision and foresight of early Democratic Administration has been vindicated by this beneficial program.

* *Best for Senior Citizens*

The passage of "Medicare" was the result of years of work. The needs for this program are so great that it can not fail and we must elect an administration that will see that it is strengthened to fit our modern civilization.

* *Best for Fisher County Farmers*

Remember that twice in this century, in the thirties and in the fifties, the Republican Party has brought disaster to the American Farmer and to the people dependent upon the trade of the farmer. Each time the American farmers prosperity was restored by the Democratic Party.
