The four sons of a Nebraska man have married sisters, and now the old man makes it unanimous by marrying the mother of his daughter-in-law.

'MOTHERHOOD'

'Motherhood' the first picture to bring to the screen a dramatic picture of the modern problem of motherhood, will have special showings at the Haskell Theatre on Wednesday and Thursday of next week. Nominally for the eighteen years of age will be admitted.

The picture was made by Blue Sky Productions, Inc. with the cooperation of the Kammhuber, Bellevue and Allied Hospitals of New York. One of the leading members of the medical profession, who acted as an advisory capacity in the screening of hospital scenes. Back of these there is a well knit, engrossing story of two women, one who hails the approach of her child

as the supreme achievement of life, and the other one, obsessed by harrowing fears, who attempts to destroy the coming life rather than to give up her social and athletic activities.

The story, by Leta Lawrence, has produced a storm of discussion. It brings vividly to the fore the accusation of race suicide that was made a generation ago by Theodore Roosevelt against native Americans, and squarely presents the question whether native stock has the survival courage of its ancestors.

FAST OPEN SPACES FILMED FOR ZANE GREY STORY

Zane Grey knows the West.

Often in the past he has proved himself a master of the parts of the vast open spaces as written for motion pictures.

Once again, this prolific author reveals his talents, this time in a new type of story which has been made into a Paramount film production, "Under the Tonto Rim."

"Under the Tonto Rim" comes to the Texas Theatre on Friday and Saturday and presents many fine dramatic elements, according to all reports.

First of all, an able cast was selected to personate the various characters in the tale, the company being headed by Richard Arlen and Mary Brian, and supported by Jack Luddy, Harry T. Werry, Bruce Gordon and many others.

Secondly, attractive photography is featured throughout, the nature of the picture being more interesting and so certain than many another outdoor story that has been screened of late.

Lastly, Grey's story is a sure one with a plot that will fill the demands of the motion picture audience. While many of this author's writings have concerned the life of the cowboy, "Under the Tonto Rim" has as its locale and background the Tonto Basin of Arizona at the time gold was discovered.

Many thrills have been interwoven in the action, and the comedy element has not been neglected, nor has the romantic appeal. Miss Brian and Arlen are known on the screen as two of the best liked leading players in pictures. This is the first time they have ever appeared in a western story, and it is their first work together.

**Millions of
Model T Fords
are still in
active service**

FOR nearly twenty years, the Model T Ford led the motor industry and it still is used by more people than any other automobile. More than eight million Model T Fords are in active service today—an indication of their sturdy worth, reliability and economy.

Because of the tremendous investment which people have in these cars and because so many of them will be driven for two, three, and even five more years, the Ford Motor Company will continue to make replacement parts until, as Henry Ford himself says, "the last Model T is off the road."

For the Ford Motor Company has always believed that its full duty consists not only in making a good automobile at a low price, but also in keeping it running efficiently for you as long as possible at a minimum of expense.

No matter where you live, therefore, you can still buy Model T Ford parts with the same assurance as formerly, knowing that they will give you the kind of service you have a right to expect, and at the same time protect the money you have invested in your car.

All Ford replacement parts, as you may know, are made of the same materials and in the same way as those from which your car was originally assembled, and are low in price because of the established Ford policy.

So that you may get the greatest use from your Model T Ford over the longest period of time, we suggest that you take the car to the nearest Ford dealer and have him estimate on the cost of any replacement parts which may be necessary. You may find that a very small expenditure will maintain the value of your car and will be the means of giving you thousands of miles of additional service.

Smaller Places Not Losing Their Ground

In view of the general impression that all the young folks are leaving the rural districts to go to the city. It is interesting to notice that the village still maintains its existence and shows no signs of disintegration. Through the country are scattered countless thousands of small towns, frequently located well in the interior and at a great distance from any sizeable city at all. These were settled, or at least founded, a long time ago. It might be thought that since cities are constantly growing and devouring more and more territory these towns would be drained of population. But instead of disappearing the average small town has cunningly maintained its existence, not always growing rapidly, perhaps, but not losing ground, either. Now and then a new house goes up, or a new business opens its doors to local employees, or a new store brightens the main street with its attractive display. Some of the residents take up lives in the faraway city, but others move into the town. These may be either city people who are satisfying a lifelong wish to live in the country, or they may be farmers who have sold their acres and retired to spend their late years in the sociable atmosphere of the village.

So the life of the place is renewed, refreshed and invigorated.—Exchange.

Trees Require Care for Good Condition

There are so many decrepid, unkempt, battered and broken trees in all localities that people often wonder if it is really possible to keep trees in a thriving, vigorous condition.

The old unsightly wrecks of trees are frequently a menace and an eyesore to the community. A tree that is not a thing of magnificent beauty is not worth having. And ordinarily there is little reason why trees should not be kept in good condition.

The principle of taking care of trees is the same as the principle involved in taking care of any other living thing. If attention is not given to defects, and diseases in youth, then it is certain that disintegration and early death will follow. Pretty much the same thing holds true with people.

The expense of removing decayed areas from trees and installing necessary sectional concrete fillings in the cavities, and the cost of other measures that may be required to restore a tree to health and beauty, is necessarily greater if trees are left to decline almost to the point of death before help is given to them.—Chicago Post.

Look to Highways Now

In an article on highway construction the Mobile Register says:

"Particularly should attention be given to wider highways in the original planning and construction of these highways, for it costs less to build a broad, convenient, safe roadway, in the first instance, than it costs to widen these highways after they have been built. That is especially true in the case of city streets where it often is necessary to rearrange buildings used for business purposes. It has cost some of the larger cities vast sums of money to widen streets answering the purpose of arterial thoroughfares, and where it is possible for communities to guard against those burdens it obviously is wise for them to do it."

Proper School Buildings

A project for teaching health through a study of school buildings, past and present, is suggested by Harriet Wedgwood in an article in Hygiene Magazine.

Much can be learned about what constitutes a healthful environment by collecting information about school buildings and grounds and comparing the findings with accepted standards with respect to sanitation, heating, lighting, seating, cleanliness, water supply, drinking fountains, toilets and other features.

Land Value Governs

The less expensive the lot the more money is left for the house itself, and a well-constructed home on a cheap lot is far more desirable than an unsatisfactory house on an expensive lot. Although a house that is very much more expensive than its neighbors might be hard to sell at a good price, a very cheap house may add nothing at all to the sale value of an expensive lot.

Fosters Desire to Create

The desire to create, to fashion something with one's own hands, is unquestionably the foundation for much of the real accomplishment so characteristic of home-loving people, who more than ever are taking constructive interest in their surroundings.

Beauty Real Consideration

We are living nowadays in a world where beauty is a real consideration and the ideal to be striven for, and where color and design are recognized as contributing a most important element to the home in which we live.

"Applesauce" Late Broadway Success is Chautauqua Headliner

"Applesauce" is the first night feature for Chautauqua this season. "Applesauce" is Barry Conner's vivid comedy which lifted the word out of the kitchen to the "court" of American laughs. Seven laughs in the first three minutes following the opening curtain is the record-breaking report on "Applesauce." It is a play that never fails to please with its three acts of sparkling humor, witty repartee, and screamingly funny situations.

Here and there one finds a hint of pathos mixed with a keen insight into home life which lifts the play out of the commonplace in comedies. It makes one fight to hold back the tears—while he laughs. "Well, I didn't know the fellow that wrote that play knew me, and my family," is the way one man who saw the play summed it up.

"Applesauce" is the story of a girl who has grown up in a home with her father and mother always quarreling. They may care for each other, but each makes it a point not to let the other one find it out.

The girl is trying to decide between two suitors, one the young banker, and the other a delightful young peer-devoted whose only qualification for matrimony is—"Applesauce." Everyone likes Bill, the "applesauce" man, and he's popular with everybody but the girl's father.

The girl and Bill are becoming friends, but the father, after a certain amount of merriment, is the main source of her father. "What'll you give me for that?" he asks of Bill, and producing a five-dollar bill, "that you haven't a dollar to your name." The second act closes by Bill showing a dollar and say-

GRAHAM BROTHERS TRUCKS ACCOMPANY RUNNERS IN COAST TO COAST DERBY

Running, walking or trotting from Los Angeles to New York as 140 athletes are now doing isn't first class travel. But two Graham Brothers trucks are affording entries in the 'union derby' some of the comforts of home. The athletes will at least hear radio programs and have coffee and time they want it. One of the trucks making the trans-continental trip carries a giant coffee pot containing two urns mounted on the rear where the runners can be served with stimulant along the way. The other truck carries a portable radio station that broadcasts encouraging and lively jazz music for the benefit of the runners.

The trucks left Los Angeles with the start of the race, March 4, headed for New York City, the eastern goal of the derby. More than 200 athletes started,

but the number is dwindling under the strain of a grueling race. At the present pace, the race will not be finished until the early part of May.

Accurate records on the performance of the trucks and gasoline and oil consumption are being kept on the trip.

Preferred Stock

In keeping with its announced policy the West Texas Utilities Company, a Texas corporation, will sell to its customers and friends preferred stock. West Texans are familiar with the splendid growth and development which this company has experienced since its organization and know its dependable financial record.

Expanding and growing impressively since its beginning a few years ago, the West Texas Utilities Company has forged into the forefront of public utilities companies of the Southwest. It stands today as a leader in the public utility field in Texas.

In five years, from early in 1923, to the present time, the West Texas Utilities Company has increased the number of communities served from eight to 102, which have a population of more than 200,000; electric customers have grown from a little more than 6,000 to 49,087. In addition, it serves 7,603 gas customers and 4,695 water patrons.

The soundness, strength and stability of the West Texas Utilities Company, bolstered by the continuous development and rich possibilities of the territory in which it operates, make this company's preferred stock one of the most attractive and safest of any securities ever offered for sale to West Texas investors.

This company is offering for sale \$6 cumulative preferred stock (no par value) at \$96 per share. These shares are fully paid and non-assessable; they are preferred as to assets and as to cumulative dividends of \$6 per share per year. Dividends are payable quarterly on the first days of January, April, July and October, each year.

Full information concerning this stock is available at my office of the West Texas Utilities Company. Any employee will be glad to explain in detail.

OK

Because we are delivering more new Chevrolets than at any other time in our history, we are offering a number of exceptional values in reconditioned used cars.

Our used cars carry an official O. K. tag which is reproduced on this page. Attached to a used car by a Chevrolet dealer it signifies that every vital part of the car has been inspected, properly reconditioned and where worn, replaced by a new part. This plan enables anyone to select a used car with absolute confidence as to its satisfactory operation, and the price is absolutely fair and right.

Reasons why you should buy your used car from a Chevrolet dealer

- 1—Chevrolet dealers have been selected by the Chevrolet Motor Company on the basis of their financial responsibility and dependability.
- 2—Chevrolet dealers offer used cars on a plan originated and endorsed by the Chevrolet Motor Company.
- 3—Chevrolet dealers have the necessary modern tools and equipment to properly recondition used cars.
- 4—Chevrolet dealers desire the good will of used car buyers the same as they enjoy from new car buyers.

SOCIETY and Club

The Harmony Club

The Harmony Club met last Wednesday afternoon in a business meeting and during this Mrs. D. Scott was elected to fill out the unexpired term of secretary in the place of Mrs. Vaughn Bailey, resigned on account of illness. Mrs. Wayne Koonce directed a chorus practice.

Presbyterian Auxiliary

On last Monday afternoon the Presbyterian auxiliary met in the church. The newly elected president, Mrs. H. S. Wilson presided in a business meeting. The auxiliary has completed furnishing the church kitchen. There is a built in cabinet, sink, plumbing, painted wood work and curtains. Mrs. R. E. Sherrill directed the bible lesson which was the last few chapters of Job. Psalms will be the next book studied. Members present were: Mesdames R. E. S. Wilson, J. P. Kinnard, Mrs. Haskell Pace and M. L. Baker.

Magazine

Haskell is assured gas just as soon as the pipe line can be laid into the city. Crowell, says the Hard County News will be burning gas this week. And the line is coming this way from that city. The gas pipe is already being unloaded to put the lines through Haskell and work will begin as soon as possible. Haskell will have gas within a few months is the statement made by those who have the matters in hand.

MOTORISTS CHEATED

An amazing story of petty swindling is told by Chief Inspector V. A. Stovall of the Texas agricultural department, whose force recently checked up a large number of gasoline filling stations in the state.

With automobiles equipped with "blind" tanks, five inspectors made purchases at various times from 112 filling stations, in each case buying five gallons. The gasoline was afterwards measured by the inspectors, the test showing that 85 out of the 112 filling stations had given short measure. In some cases the shortage was as much as a gallon and a half.

Further investigation showed that the dishonest dealers had pumps so arranged that when gasoline is being run from the pump to the car, a part of it was returned to the underground storage tank. It is said that this trick can be worked with nine different types of gasoline pumps in use in Texas.

SINGING SUNDAY AFTERNOON WELL ATTENDED

The singing at the First Baptist church last Sunday afternoon was well attended despite the bad condition of the weather. The house was filled with good singers and attentive listeners. Quite a number of people from Weichert were here and Throckmorton county expected to have come but the bad weather kept them away. The Texas Trio was there and rendered a number of special songs which was enjoyed by all.

Mr. and Mrs. R. R. English visited Dallas relatives last week. Mrs. R. B. Cannon and Miss Mary Elizabeth McWhirter came home with them for a visit.

Miss Madalin Hunt is the delegate and Miss Eunice Haskel is the alternate to the State Federation of Music Clubs that meets in Amarillo, April 16, 17 and 18.

potted ferns, geraniums, tulips and white carnations were used around the chance rail on the speakers platform and around the punch bowl. These were loaned by the Crawford Florist for this occasion. Posters of children praying and Millet's Angelus were prominently displayed. After a few moments of prayer and songs, Mrs. B. Cox gave the devotional, this was followed by a vocal solo, "The Beautiful Garden of Prayer," by Rosella Christian. All Nations and All Peoples Prayer by Mrs. Guy Mays; piano number, Mrs. O. E. Patterson; vocal solo, "In the Garden," Mrs. Mack Martin; What is Prayer, the president, Mrs. J. M. Goeple Prayer pledge cards were then passed out by the director, Mrs. Carleton, elected as a delegate to the conference in Seymour and Vaughn as alternate. The conference concluded with the Lord's Supper. On next Monday, Mrs. M. Wilson will leave Friday to attend the Latin there will be A. J. the district and will home of Mrs. O. J. the high grade pupils. The first and second year, Miss Annabel Burt and Maurice Crawford are the 2nd year pupils and Wallace Sanders is the first year pupil. This is the second consecutive year for Miss Annabel Burt to score this honor.

Will Send Eggs to Orphans Home

The W. M. U. of the Baptist church will pack a box of eggs for Buckners Orphans Home on next Monday April 16. Those who will donate eggs for this cause are requested to leave them at Gholson's Grocery or at R. J. Reynolds some time before the above date.

NEWS ITEMS FROM POST COMMUNITY

The Post Home Demonstration Club will meet Friday April 13 at the club room at 2:30 o'clock. Miss Gunn will be present and give us the demonstration on making a Fireless Cooker. Every member should try to be present as the home made fireless cookers are very inexpensive.

Due to the cold wind and sand storm combined, only a very few were out at Post last Thursday night to hear the Texas Trio sing. But they sang a few select numbers for those present and will be back at Post Tuesday night if the weather permits.

Roy and Ray Overton of Post attended a base ball game at New Hope last Friday afternoon.

Many kiddies were disappointed Easter morning when the rain started to falling slow but sure, but owing to the looks of the grown ups Easter was sure no disappointment. We only hope that the rain keeps up long enough to get everything soaked.

Citation by Publication THE STATE OF TEXAS

To the Sheriff or any Constable of Haskell County—Greeting: You are hereby commanded to summon Hattie Washington by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Haskell County, to be held at the Court House thereof in Haskell, on the third Monday in April A. D. 1928, the same being the 10th day of April A. D. 1928, and then to answer a petition filed in said Court on the 3rd day of March A. D. 1928, in a suit numbered on the docket of said Court No. 3803,

wherein Richard Washington is Plaintiff and Hattie Washington is Defendant and said petition alleging that the plaintiff and defendant were lawfully united in marriage on or about the day of August 1911 and continued to live together as husband and wife until about the 1st day of March 1925, at which time the defendant without excuse or justification abandoned plaintiff and the intention of permanent abandonment and they have since lived apart without cohabitation for over ten years next before the filing of this suit. Wherefore premises considered plaintiff prays that defendant be cited by publication as required by law, and that upon final hearing hereof he have judgment divorcing him from the bonds of matrimony now existing between him and defendant.

Herein fail not, but have before said Court, at its above said next regular

term this writ with your return thereon, showing how you have executed the same.

Witness, Estelle Tenneyson Lee, Clerk of the District Court of Haskell County Given under my hand and Seal of said Court at office in Haskell, this 10th day of March A. D. 1928.

\$80,000 For His Discovery

Formula for Stomach Medicine Brings Large Sum

This is G. M. Gordon, widely known Dallas, Texas, pharmacist, who spent twenty years developing "Gordon's," an Internal Antiseptic for the stomach and bowels, for which he received \$80,000 for the rights to the secret process of compounding.

"The greatest obstacle to the successful treatment of stomach troubles," said Mr. Gordon, "was fermentation (souring of food matter in the stomach and bowels), which inflames and irritates these organs and produces gas that causes much distress. Fermentation can be stopped only with an antiseptic."

"Gordon's" goes right to the seat of the trouble, as it exercises a distinctly antiseptic as well as a digestive effect. It stops and prevents fermentation, soothes and heals any irritated or inflamed condition and will bring quick relief in cases of gas, dyspepsia, heartburn, bloating after meals, excessive acid breath, constipation, sick headache, nervousness, when caused by faulty digestion, tone up the digestive organs and stimulate the stomach and bowels to their normal functions. A few doses will cure you. Sold by good druggists, \$1.50 per bottle of sixty-four doses—less than three cents a dose.

GENTLEMEN prefer Bostonians. Well over a million strong. For style, for comfort, for long wear—they're hard to beat. And at a modest price to pay for complete satisfaction. Mostly \$7 to \$10.

F. G. ALEXANDER & SONS Established 1891

Why buy performance that CHRYSLER "72" has obsoleted?

CHRYSLER "72" performance obsoletes all other performance at its price or even for \$1000 more.

The first Chrysler, four years ago, put in the discard the cumbersome, bulky vehicles of its day.

Chrysler "72" performance widens that margin of superiority.

No other car today approaches it for roadability, hill climbing, acceleration, dependability, comfort, ease of handling, style, safety, long life and appearance.

Why pay a premium for the out-of-date performance others give? See and ride in the Chrysler "72." You will realize then how Chrysler "72"—at less money—makes a dead letter of all other performance in its field today.

For Chrysler's engineering genius and precision manufacture have gone steadily forward to greater heights.

That is why the "72" today gives you performance that sets the pace for the entire industry for years to come. 75 brake horsepower. 72 miles and more per hour. Vibrationless smoothness that only a Chrysler counterweighted 7-bearing crankshaft can give. Flashing acceleration in traffic. There are no hills to the "72."

Longer chassis with no side-sway—spring ends mounted in rubber shock insulators give consummate ease of riding.

Why pay a premium for the out-of-date performance others give? See and ride in the Chrysler "72." You will realize then how Chrysler "72"—at less money—makes a dead letter of all other performance in its field today.

vested choir sang a number of hymns. The following children sang a beautiful Easter anthem: Alberta and Dixie Orr, Louis and Lucile Robards, Evade'l Squyres, Ruth Marie Morgan, Judith English, Mary Elizabeth McWhirter of Dallas; Nina Lee and Louise Tredwell and Ollie Frazier; reading, Miss Mary Patterson, quartette, Misses Rosella Chrisman, Marjorie Rogers, Messers Lewis Pearsey and Henry Wilson. Appropriate talks were made by Rev. M. L. Baker, pastor of the Presbyterian church and Rev. G. R. Forrester, pastor of the Christian church. Despite the very inclement weather, there was a large audience present who enjoyed the beautiful service.

Mrs. O. E. Patten on Has Jubilee Tea

It is said that appreciation and gratitude are rare qualities and that the human race is prone to forget. But this 1928 year of the Woman's Missionary Society of the Methodist Episcopal Church South, is destined to cause all Methodists to remember the work of the pioneer, that of the original Home Missionary Society and the various branches of the work in the home land and abroad. This was the intent and purpose of the Jubilee Tea given in the home of Mrs. O. E. Patten last Monday afternoon. Seven periods, aggregating the past fifty years of work done by the Missionary women, was told by as many members. Credit was given the early pioneers for the hardships that they endured and the great sacrifices that they made in establishing the early missions. No small difficulty was the attitude of the leading men of the church toward women's work. A large area of the accomplished work was reviewed by seven young matrons, dressed in period costumes. Mrs. J. L. Southern was the first, dressed in a tight fitting basque with polonaise over a sweeping skirt that was extremely shirred and gathered the approved costume for ladies of a half century ago. Mrs. Guy Mays represented the 2nd. period, she also wore a sweeping gown but without the polonaise, with lace trimmed tight fitting basque and a small crowned hat far to the back of the head. Mrs. Andrew Shriver wore a two tone dress that still favored the floor length, this was about 1897. Mrs. Lee Glazener caused smiles of remembrance as she appeared in a large blouse with "mutton leg sleeves" and choker collar, with circular skirt, in vogue about 1900 and 1906. Mrs. Ethel Irby wore her own wedding gown, a white crepe de chene over white taffeta silk, shirred and be-trained until both garments could easily contain some fifteen or twenty yards of material. Mrs. C. L. Lewis costume marked the first sharp contrast in dress of today and of the day of long skirts and long hair. Mrs. Lewis wore a rose blouse with a white skirt of ankle length, white slippers

and black hose. Mrs. P. A. Wamble represented the women of today in a knee length dress, blond shoes and hose with a new spring hat. And as a glad note of triumph for the many accomplishments in Woman's work, sounded from period to period and climaxed in Mrs. Wamble's talk on Our Bell Bennett Memorial and the many finished tasks that represent the faith, prayer work and money of the women of the Missionary Society, there was gratitude also for the dress reform. Mrs. Patterson met the members at the door and introduced them to the receiving line headed by the president, Mrs. J. M. Gose and officers, Mesdames C. L. Lewis, Robt. Harrison, W. A. Kimbrough, J. L. Southern, Lee Glazener. There were thirty-seven present. The hostess assisted by the ladies of the program served ice cream and cake. Mrs. J. M. Gose gave the devotional.

Choral Club Picnic

Over twenty members of the Haskell High School Choral Club enjoyed a picnic out on the Throckmorton road last Tuesday evening.

The following were present, sponsor Miss Rosella Chrisman, Mary Couch, Clara Weaver, Vivian Bernard, Vera Bradley, G. W. Reynolds, Annie Beth Thomason, Erma Monke, Naomi Poteet, Ruby Faye Thomason, Zelma Anderson, Elsie Bradley, Majorie Rogers, Thelma Perry, Ruby Cox, Katherine Wingo, Francis Ratliff, Francis Porter, Hazel McIver, Annie Lee Marrs and Pauline Walthall.

When lunch was over a good game of foot ball was enjoyed. The Reds vs. the Blues. Red Bernard should some good work at center, Weaver did some good tackling for the Blues. The Reds held the Blues for the first four downs then V. Bernard rushed madly around right end for a touchdown. The score was 6 to 0 in favor of the Reds. Reporter.

Mr. and Mrs. W. A. Duncan of this city returned Monday from Dallas where they attended the gingers association which convened last week.

Chicks get from Purina LIFE and GROWTH

FROM the time chicks step out of their shells, they look to you for protection and care to live and thrive. Poultry yard facts show that more than 90% of the chicks fed Purina Startena and Purina Baby Chick Chow live and grow rapidly into plump broilers and early laying pullets. Isn't it sound business economy to feed Purina, which saves 9 out of 10, instead of average mixtures on which 5 out of 10 chicks die? Come in and let us show you how to save and get them to early maturity.

RACES PLANNED FOR FOURTH OF JULY

President Henry Alexander of the Haskell County Fair Association states this week that automobile or motorcycle races for the Fourth of July on the Fair Park track are practically assured. The track is in the best shape since it was built, according to Mr. Alexander and is smooth as a board. Quite a bit of work is contemplated in the way of rolling and surfacing the five-eighths mile stretch in order to keep it in first class shape for the races on the Fourth and again during the Fair, and speed demons will have no handicap in the way of a track when this is done.

FATHER OF HASKELL MAN DIES AT SHANNON TEXAS

News reached here as we go to press of the death of J. P. Kennedy of Shannon, Texas, father of J. P. Kennedy of this city. Mr. Kennedy and his daughters left Tuesday night for the home of his father immediately after receiving a wire announcing his death which occurred at 5 p. m. Tuesday. No other report of his illness and death has been received and nothing is known at this time of the funeral arrangements. A full account of his illness and death will be given next week.

PATRONS DAY IS OBSERVED AT ROSE

A large number of the Patrons of the Rose School community gathered at the school house last Friday in a Patron's Day meeting and brought lunch and served it on the school grounds at noon. There was not any program by the school, but it was just a friendly get-together meeting in which all seemed to enjoy the occasion very much. The morning was spent in the usual school work, and after the bountiful lunch the Texas Trio who were invited guests went over to the church and gave several numbers to the large attentive congregation who loudly applauded the singers. That afternoon was spent in ball games and other athletic sports which was enjoyed by all present.

BIG RABBIT DRIVE PLANNED APRIL 18TH

What is planned to be one of the biggest rabbit drives ever held in this section of the country will be staged in the vicinity of the Ward school, four and a half miles northeast of Stamford on next Wednesday, April 18th. Everybody is invited to come and take part in the drive, which will include several sections of land in the Colbert Ranch, and all those who wish to attend are requested to meet at the Ward school house on the above date.

NATIONAL MUSIC WEEK WILL BE OBSERVED

National Music Week will be observed throughout the nation the first week in May, and some of the local organizations and individual citizens of Haskell and Haskell county are planning to observe in a fitting way, National Music Week. We want our schools to stand right along beside other schools in a musical way. The motto of the School Supervisors Association is: "Music for every child and every child for music." Further announcements concerning the observance of National Music Week will be made each week.

DISTRICT COURT WILL CONVENE MONDAY

The April term of District Court will convene in this city Monday April 16th. Monday and Tuesday will be occupied with the setting of the docket for the term.

SCHOOL PRINCIPALS, SUPERINTENDENTS TO MEET AT STAMFORD

The regular monthly meeting of the Superintendents and principals will be held at Stamford, Saturday April 21. This will be the fifth of the series of meetings for the purpose of considering some common school problems of school administration. The previous meetings have been held at Hamlin, Haskell, Roby and Albany. The first meeting at Hamlin was for organization.

BARBER SHOP CHANGES HANDS

Bart Adkins has sold the Tonkawa Barber Shop to Otta Johnson of this city. Mr. Johnson taking charge of the shop Monday morning of this week. Mr. Johnson was formerly connected with the Harrison and Johnson shop on Depot St. but recently sold his interest there and purchased the Tonkawa Shop where he invites his many friends to call and see him.

DISTRICT ATTORNEY HAS ENVIABLE RECORD

Haskell county, as well as the entire 39th Judicial District, has just cause to feel proud of the record of District Attorney Clyde Grissom, as the following statement from his office will show. Since Mr. Grissom was appointed to the office in February of last year, he has represented the State in approximately 100 cases, and of this number only one verdict of "Not Guilty" has been returned. We believe that this record will compare with that of any district in the entire state, and take pleasure in presenting his statement below, in which he states that he will be a candidate for re-election as District Attorney:

SCHOOL TRUSTEES ELECTED SATURDAY

Courtney Hunt and R. C. Couch were re-elected members of the Board of Trustees of the Haskell Independent School District, and T. C. Rogers and W. E. Kirkpatrick were elected as new members, in the election held at the court house last Saturday. A light vote was cast in the election.

JUDGE FUNDERBURK HERE

Judge O. C. Funderburk, appointed about two months ago by the Governor to fill an unexpired term on the Court of Civil Appeals at Eastland was in town Saturday seeing the people. Under the law the Governor's appointment is only effective until the next election. The Judge insists that having given up his practice to accept the appointment, that he is entitled to be kept on the Court until he can be tried out in this important position. Judge Funderburk was accompanied by Scott W. Key, also of Eastland, who formerly lived here, and has many friends in this section.

TRUSTEES BY ROOL

D. R. Brown and A. B. Hanson were re-elected to the board of the Rochester school district in the election held at Rochester Saturday. A. B. Hanson was elected to serve in the vacancy created by the expiration of the term of J. W. Hamilton, who was not a candidate for re-election. The election was held by J. H. Cooper, secretary of the board, and Mr. Hamilton, the retiring trustee.

TEXAS TRIO GIVE MANY CONCERTS IN COUNTY

Haskell county has had the pleasure the past two weeks of enjoying a real musical treat through the efforts of three young men better known as "The Texas Trio" sent out by the James D. Vaughan Music Company of Lawrenceburg Tennessee and Wills Point, Texas. These boys came by request to R. E. Jordan manager of the Texas house who permitted them to spend the two weeks in the county for the purpose of creating an inspiration among our younger people in better gospel singing in the church choirs. They put on numerous concerts at the towns and school houses over the county of the highest type of vocal music which was uplifting and inspiring. Every program was clean and entertaining, the stale joke, the smutty yarn and the suggestive song was not heard from the lips of these singers and the beauty of the program was not marred by a cheap tin-canney effect that is too often heard from traveling singers and quartets.

HASKELL BOY ON HONOR ROLL AT TEXAS TECH

Hugh M. Anderson of Haskell, the son of Mr. and Mrs. Date Anderson, is reported on the honor roll at Texas Technological College during the last term, having carried four courses with an average grade of "B."

SAVE YOURSELF

The fire department made a quick run to the scene, but the flames had gained such headway that the house practically burned to the ground before the trucks arrived. The property, we understand, was owned by a Stamford man, and his loss was partially covered by insurance. No insurance was carried by Mr. Quattlebaum on his household effects, which were a total loss.

GENTS FURNISHING STORE OPENED HERE

Rufus Banks announces this week the opening of his gent's furnishing store on the south side of the square, where he has a stock of men's clothing, shoes, hats, ties, etc. Mr. Banks is a Haskell boy and has had considerable experience in the dry goods business, and his many friends here are glad to see him in business for himself, and wish him well in his venture. Read his advertisement in this issue, then go around and pay him a visit, whether you buy anything or not.

FOOTBALL GAME HERE SATURDAY

Saturday afternoon at 3 o'clock the young Haskell Braves will tackle the Wichita Falls Coyotes in the first local spring football game of history here. The game is a return engagement from the Coyotes as the Haskell team battled the Coyotes to a scoreless tie in Wichita Falls three weeks ago.

BIG SHOW COMING TO HASKELL ON FRIDAY

The Robinson-Schielder combined shows will arrive in Haskell Friday morning April 13th, and spread their big tents in the Haskell Fair Park two blocks from the square, where they will give two complete performances at 3 p. m. and again at 8 p. m. at night. There will be free attractions and a band concert on the show grounds at 2 p. m. and 7:15 p. m. before the show doors open. This show is coming to Haskell under the auspices of the Fair Association.
