## Couple Honored At Prenuptial Shower Sunday

A prenuptial shower Sunday afternoon honored Bill Settle and his fiancée, Sarah Needham, who, with his parents, Mike and Billy Settle, former Silverton residents who now live in Tulia, received guests.

Lisa Schott presided at the guest registry, securing guests' signatures in the couple's wedding book. The table was decorated with an Indian wedding vase.

Special guests at the party were Midge and Jo Burleson of Lubbock; Sue Mansell, Shonda and Kendra, Kay and Tommy Kellar.

Punch and cookies were served from crystal appointments by Brenda Boling at a table covered with a forest green cloth. Table decorations included a Southwestern vase holding an arrangement of dried flowers. The decorations and a set of Samsonite luggage were the gifts of the hostesses to the couple.

Hostesses were Lisa Schott, LaQuetta Schott, Bobbie Bean, Pat Fitzgerald, Mary Jane Patton, Pat McJimsey, Lydia Segura, Jo Ann McFall, LaRue Garvin, Jessie Bomar, Rosemary Perkins, Sharon Simpson, Beverly Bowman, Della Boling, Brenda Boling, Anna Baeza, Waynelle Couch and Carol Martin.

## Group Vacations in New England States

J. D. and Lois Nance and their children, Rex and Faith Redies of Plainview, returned from vacationing in the beautiful New England states.

They flew into Boston, Massachusetts and toured Massachusetts, New Hampshire, Maine, Connecticut, Vermont and Rhode Island.

The weather was ideal and the foliage was at its peak of beauty.

They enjoyed seeing Plymouth Rock where the Pilgrims landed and many other historic sites. The huge old homes were very well kept.

They returned home, realizing how very young this part of the United States is.

## Retakes Today

Retakes of school pictures will begin at 8:15 a.m. Thursday, October 24, in the school auditorium.

# Owls Win Second District Game From Whitharral

Silverton's Owls rolled up a 38-6 victory against Whitharral here last Friday night, disappointing Coach Clyde Parham in the process. "I know it doesn't sound like it but we didn't play very good," the coach said. "We played in spurts. We looked good the second and fourth quarters and that was about it. The kids didn't click the whole game."

Fortunately, clicking half the time was still good enough to get the Owls past Whitharral. "They were tough. I'm not going to take anything away from them, but we didn't play up to our capabilities," Parham said.

Next on Silverton's "hit list" is Amherst, which blew up the scoreboard in a 90-74 victory over Three Way last week. "I'm going to call and ask them who the leading rebounder was," Coach Parham said in reference to the high score. "I didn't think they could score that many against Three Way. They like to give the ball to Jason Miles. We just have to play Silverton defense against them . . . that should be enough," the coach added.

The Owls made 16 first downs in the game with Whitharral, as compared with 10 for the Panthers. They rushed for 202 yards and passed for 137 for a total offense of 339 yards. The Panthers rushed for 113 yards and passed for 90 for a total offensive effort of 203 yards.

Whitharral kicked off short, and the ball was taken by Lyndell Ivory at the Whitharral 35. Brian Martin ran for 10 yards, Ivory gained a little and Brian West scored with 9:35 remaining to be played in the first quarter. The PAT kick was blocked, and the Owls held a 6-0 lead.

After the Owls kicked off, the Panthers came out passing, making a first down on the Silverton 31, and moved onward toward the goal. On their third-down play, Casey Frizzell intercepted a Panther pass in the endzone and brought it out to the four-yard line with 7:31 remaining in the first period of play. Martin picked up 11 and then ran for another 13 yards, and pass interference called against Whitharral gave the Owls a first down on their own 28. The Owl offense stalled on the next series of plays, and

they punted to the Whitharral 8. Defense by Frizzell and Langdon Reagan helped hold the Panthers in check, and their fourth-down punt was blocked by Lance Holt. This next Owl possession was ended when Silverton lost the ball via the fumble route.

Once again, the Panther offense was stymied by Reagan and penalties, and they punted on the first play of the second quarter.

The Owls came back with runs by Ivory, which netted a first down on the Whitharral 25, and runs by Martin which carried for a first down on the five. West carried the touchdown, there was no PAT, and with 7:57 remaining in the first half, the Owls led 12-0.

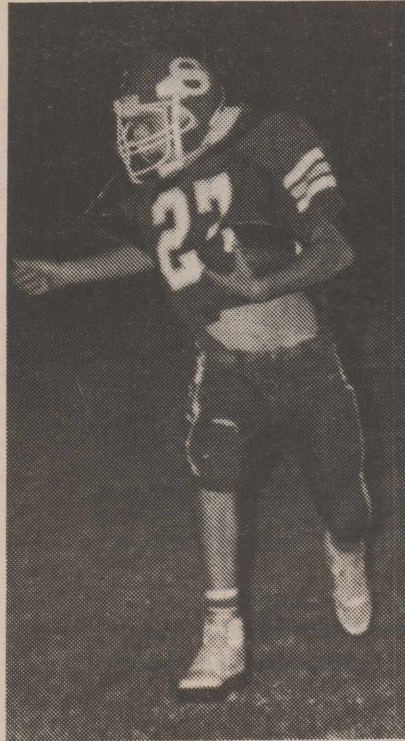

Whitharral's next drive was their only successful one of the game, and they moved through first downs, aided by a penalty against the Owls, and scored with 3:53 remaining before halftime. There was no PAT, and the score became 12-6.

When Whitharral kicked off, Martin carried it out to the Silverton 30, and a pass interference call against the Panthers moved the ball for a first down on the Whitharral 33. West carried to the 25 and Martin picked up a first down on the eight on a play that saw almost everyone on the team handle the ball. Martin scored with 1:32 still showing on the second-quarter clock, but this was called back due to a clipping penalty against the Owls. Frizzell passed to Josh Brooks, after Brooks had handed off to him, for a touchdown. There was no PAT, and the Owls moved into an 18-6 lead.

Whitharral picked up a couple of first downs before the first half ended.

The Panthers kicked off to open the second half, and Martin carried out to the Silverton 22. Martin went to the 37 on the first play, and then picked up a first down near midfield. Ivory went to the 34, and Martin carried the touchdown from the 35 with 7:13 still remaining in the third quarter. There was no PAT, and the Owls moved ahead 24-6.

The Owls performed a successful onside kick, recovering the ball on the Whitharral 39. Martin passed to Frizzell for a first down on the Whitharral 23, and the Owls got

another first down on a personal foul against the Panthers. The Owls were unable to score, and the ball went over to the Panthers on their own seven.

The Owls held Whitharral's offense in check, and forced a punt which carried to midfield. Martin ran to the 33 and then stalled and was forced to punt.

Whitharral completed a pass for a 10-yard gain and then ran for a first down on the 28. A first down on the Silverton 10 came as the third quarter ended, and this series was ended on the seven when the Owls recovered a Panther fumble.

Back on offense again, Brooks passed complete to Frizzell for a first down on the Whitharral 38, and another Brooks to Frizzell pass moved the ball to the 24. West picked up the first down, after which Brooks passed to Martin on the 16. Martin passed to Frizzell for a touchdown with 6:37 remaining in the game. There was no PAT, and the Owls held a comfortable 30-6 lead.

On the kickoff, Reagan and Frizzell stopped the runback at the Whitharral 28, and on the next play, Frizzell intercepted the Panthers once again and took it back to the 28. With 6:18 remaining in the game, the Owls were back on offense again. Brooks passed to Martin for a touchdown with 5:31 remaining to be played. West kicked the PAT, giving the Owls a 38-6 lead.

The Owls kicked off and held the return at the 17. On their second play the Panthers fumbled and the Owls recovered on the 21. On the next play, the Panthers intercepted an Owl aerial and brought it out to the Whitharral 16. Whitharral was called offside on the play, and the ball remained with the Owls. Brooks lateraled to Martin who carried to the 10, but this was called back due to clipping against the Owls. The ball ended up going over to the Panthers near midfield, but Whitharral was unable to move the ball and it went back to the Owls on the Silverton 30 with 1:04 remaining in the game. Martin ran for a first down on the 33, but time ran out before the Owls could put the ball in the endzone.

Martin rushed 25 times for a gain of 157 yards. Frizzell caught four passes for a gain of 80 yards and Martin caught two for 37 yards.

Fumble recoveries were made by Martin and Reagan, Frizzell intercepted three passes and Lance Holt blocked a punt for the Owls.

Silverton travels to Amherst Friday night for a game at 7:30 p.m. This will be the opportunity for the Owls to win their third conference game of the season. After this one, only games with Cotton Center and Lazbuddie remain.

Pep rally is at 3:00 p.m. Be there!

## Junior Varsity Shakes, Rattles and Rolls Whitharral

Silverton's Junior Varsity Owls shook, rattled and rolled the Whitharral Panthers last Thursday enroute to a 45-0 victory with 4:57 remaining on the fourth-quarter clock. If you weren't there, you would have been!

The Owls kicked off to open the game, and on their third play from scrimmage, the Panthers fumbled and Lance Smith recovered for Silverton near midfield. Michael Hill picked up eight yards and Lance Bradford ran for a first down on the Whitharral 10. Hill scored on the next play with 4:49 still showing on the first-quarter clock. The kick failed, and the Owls enjoyed an early 6-0 lead which actually was enough points to win the game.

Silverton's kickoff went into the endzone for a touchback, and the Owls held the Panther offense in check. On fourth down, they punted, and Hill carried it back to the Whitharral 15. From there it was a chip shot for Bradford to put it in the endzone. He scored with 2:47 remaining in the first period, there was no PAT, and the Owls moved into a 12-0 lead.

Defense by Hill, Bradford and Matt Francis once again held the Panthers, and the ball went over on downs on the Silverton 38. This time Hill romped into the endzone for another touchdown with 6:18 remaining before halftime. The PAT pass was incomplete, and the Owls led 18-0.

After Whitharral started with a touchback, the Panthers completed a pass to their own 35, and on the next play Braden Towe intercepted a pass after Francis put pressure on the passer. This turnover occurred on the Whitharral 33, and runs by Bradford and Hill and a pass from Towe to Smith were good for a first down on the Whitharral 8. Bradford carried the score with 3:37 remaining in the second quarter. There was no PAT, and the score became 24-0.

Silverton kicked off once again, with the return man bringing it out to the 20. On their second play, they were victimized by the Owl defense, and the next down Smith tackled the ballcarrier in the endzone for a safety, making the score 26-0.

The Owls came back with runs by Smith and Francis, and Smith carried for a first down on the Whitharral 35, then went to the 27 as time expired in the first half.

Silverton kicked off once again to open the second half of play—never receiving a kickoff the whole game. The defense was doing its job well, and Francis was continuing to victimize and harrass the quarterback. Whitharral fumbled, recovered its own fumble, then punted. Zane Henderson took the punt out to the Silverton 31.

Enter the less than serious. Those

# Miss Fortenberry is New Miss Mackenzie

Jennifer Fortenberry of Lockney, sponsored by the Lockney Lions Club, was named Miss Mackenzie 1992 at the conclusion of the annual pageant Saturday night in the Silvertown School Auditorium. Sponsored by the L. O. A. Junior Study Club, the pageant is in its eighteenth year.

Miss Fortenberry is the daughter of Sam and Kelly Fortenberry and is a student in Lockney High School. She received her crown, a bouquet of flowers and a \$700 scholarship donated by Swisher Electric Cooperative, Tulia Wheat Growers, First State Bank of Tulia, First National Bank of Tulia, First National Bank of Lockney, First State Bank of Silvertown, L. O. A. Junior Study Club, Mackenzie Water Authority, City of Silvertown and First National Bank of Floydada.

Each of the finalists was asked the same question, while the other girls were kept in a room offstage. The question was, "If you could live your life as someone else, who would it be and why?"

Miss Fortenberry answered that she would choose to be her mom, who took such good care of her family and their home.

First runner-up in the contest was Spring Lipham of Floydada, sponsored by Cornelius Conoco. She is the daughter of Julian and Joyce Lipham and is a student in Floydada High School. To the question, she answered "Barbara Bush", because of her down-to-earth attitude in a glamorous surrounding.

Second runner-up was Robin Galloway, daughter of Doug and Elaine Galloway, a student in Floydada High School. She was sponsored by the Women's Division of the Floydada Chamber of Commerce, and in answer

to the question said "Mary Lou Rettan," on the day she won her gold medals.

The other two finalists were Meredith Gruben, daughter of Princess and Gary Gruben of Tulia, and Kori Kellison, daughter of Ricky and Kathy Kellison of Lockney. Miss Gruben answered "Sandra Day O'Connor" and Miss Kellison answered "Lucille Ball."

Entertainment was provided by Mary Lindsey Pool of Floyd County, an entrant in the Miss Texas Teen Pageant, and a former Miss Mackenzie, Angel Edwards Morran, who sang three numbers.

Judges for this year's pageant were Nicki Logan, Lifestyles editor for The Plainview Daily Herald; Nelda Laney of Hale Center, and Colleen Chadwick, Hale County Extension Agent-Home Economics. All have pageant judging experience.

## Public Notice

On July 1, 1991, Southwestern Bell Telephone filed an application with the Public Utility Commission of Texas that proposes to delete Paragraph 3.4(G) from Section 3 of Southwestern Bell's intrastate Access Service Tariff, which concerns credits where a customer uses Switched Access Service to furnish a service which has been defined to be an exchange service. The application was assigned Docket No. 10463.

Because Southwestern Bell is not aware of any customers who presently use switched access service to furnish an exchange service, Southwestern Bell does not believe its revenues will be affected. However, certain interexchange carrier customers of switched access service have made claims under the aforementioned tariff. Such customers, but only to the extent they provide an exchange service using switched access, would be affected by this application. Based on claims made for credits (assuming such credits were allowable), Southwestern Bell's revenues would be affected by no more than \$1,168,962 annually, which is .037 percent of the Company's adjusted revenue for the 12-month period ending December 31, 1990. It is not possible to know how many interexchange carriers might believe themselves entitled to credits, but 189 carriers have registered with the Commission pursuant to PUC Substantive Rule 23.61.

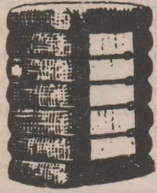

The tariff, after suspension, is proposed to be effective May 1, 1992.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but no later than November 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. The telecommunications device for the deaf (TDD) number is (512) 458-0221.
