# HASN'T FELT SO FINE IN TWENTY YEARS; HE SAYS

"Sargon was a godsend to me, and I bless the day I first bought it; I feel like a new man," said J. F. Porter, of Keller, Texas. Mr.

J. F. PORTER  
Porter is 73 years old and has been a deacon in the Missionary Baptist Church 52 years. He is also a Mason.

"I suffered day and night for the past three years with stomach trouble. My gall bladder gave me serious trouble and pain. A most severe pain would strike me about two or three o'clock in the morning and would continue for hours. My entire system was out of order. I was so constipated I had to take laxative almost every night.

"I put on Sargon for weeks, but read so many endorsements for it from good people in Ft. Worth that I bought some, and it has worked wonderfully for me. I would not believe such results could be accomplished unless I had had the experience myself. Those terrible pains are gone and I sleep the whole night through. My stomach is right now and I eat what I please. I am strong and feel twenty years younger. My gall bladder doesn't bother me; my liver is active, and I am no longer constipated.

"I feel it my duty to my fellow-man to tell how Sargon has been fitted me."

Sargon may be obtained in Haskell from the Oatas Drug Store. Adv.

Wants To Shake Hands With The Man Who Made Orgatone

Before Taking It, Wichita Falls Farmer Was Losing Weight—Now Well and Happy

"I would just like to shake hands with the man that makes Orgatone," said C. H. Perry, a well known farmer who lives on rural route one, Wichita Falls, Texas. "My stomach went back on me several years ago," continued Mr. Perry, "and every since that time I have been gradually going down hill. Just before I began taking Orgatone I was so weak and run-down that it was hard for me to get about to do my work without stopping to rest, and what little I forced myself to eat would always come on my stomach, and I would always be miserable for hours on account of the gas that formed from this un-digested food. Very often the gas would press up against my heart and make it palpitate so bad that I was actually afraid that I might have heart trouble. I was badly constipated all the time and occasionally suffered from bad headaches. "I had been keeping up with the public statements of Orgatone and decided it was doing other so much good that I would give it a trial and I am certainly glad that I finally decided to do so. Well, Sir, I am actually surprised at the results I got from Orgatone. In just a little while my appetite came back, and the more Orgatone I took the more I wanted to eat and the best part of what I eat went into my stomach. I had verily but my stomach in such a fine condition that I can eat meats, vegetables, fruits and in fact anything that anybody else can eat. I am going so well and strong that I can get out and go through my days work and never stop to rest. My nerves seem to be in normal condition and I am free from constipation and never have those awful headaches any more. I am gaining in weight and feel full of strength and energy and am more than glad to recommend Orgatone to others. "Genuine Orgatone may be obtained at Haskell from the Oates Drug Store." (Adv.)

## Baptist Pastor Closes Successful Revival at Munday

There were seventy-two additional converts, fifty-three by baptism to the First Baptist Church at Munday during a two week meeting which closed last Sunday night. This revival was conducted by Rev. R. R. Whitley, pastor of the First Baptist Church of this city and T. T. Hodges of Denton, Texas, who conducted the four services. Large congregations were said to be in attendance at all times and the sermons by Bro. Whitley were superb in their gospel appeals to the young and old alike. They were so original and profound in thought, that they at once commanded the adult mind, the methods of presentation were so simple, that the children could readily grasp the truths set forth. The music under the direction of Mr. Hodges was unusually good and his special numbers were a delight to every one. It is reported that these two men constitute a real evangelistic team whose ability is seldom equaled. Rev. W. H. Allertson, pastor of the church is elated over the success of the meeting. This is one of the greatest revivals in the history of the Munday Baptist Church and a great blessing will follow this great spiritual awakening.

## Mother's Day, Sunday, May 12th

"If I were hanged on the highest hill I know whose love would follow me still. Mother o' Mine..."

We are hard-headed business men, callous doctors, careless students, giddy debutantes, "hard-boiled" by the crowded contacts of modern civilization. But somewhere in all of us there is a soft spot reserved for Mother. One day a year we like to reserve to do homage to that wonderful little woman who guided our first faltering footsteps, who endured our childish peccadillos and who today perhaps is wistfully wishing that she might receive just a bit of attention from those to whom she gave EVERYTHING. Let us make it a big day for Mother. Let us show her that she still has "adorers at her shrine."
