WICHITA FALLS CARPENTER HIGHLY PRAISES ORGATONE

"I Was Unable To Work At Times And Could Not Lie Down And Couldn't Rest—Orgatone Relieves Me," Says Maloney

"Orgatone is certainly a wonderful medicine and I want to tell everybody what it has done for me," says J. D. Maloney, residing at Wichita Falls. Mr. Maloney made this remarkable statement while talking with an Orgatone representative in the Drug Store.

"For a long time I've suffered with stomach trouble and indigestion," he continued, "gas would form on my stomach and affect my heart and I could not lie down and get any rest at all at night. There's been many a day when I couldn't work from such misery. I was in a very nervous condition most all the time and couldn't hardly eat anything I had to be very careful of what I ate."

"While talking with an engineer in Denton, Texas, he advised me to take Orgatone, saying that it has relieved him of a serious condition and so I decided to try it. I am sure thankful that he told me about it for I am not bothered with indigestion anymore, gas does not bother me any more and the soreness is all gone out of my stomach, and it won't be long until I can eat anything I want, and that certainly is saying a lot for I was unable to eat the things I cared for. I can keep right on with my work now, and am gaining in every way. Orgatone has been a help to me and I could tell the difference after the first few doses. I am glad to recommend it to my fellow sufferers who are troubled like I was for it does what they say it will."

Genuine Orgatone may be obtained in Haskell from the Oates Drug Store. Adv.

Rule Home Burns

The five room residence of B. B. Peters of Rule was destroyed by fire after midnight last Friday. The building and all its contents were a total loss and the family escaped with their clothing. The origin of the fire was not known as it occurred about 1:30 o'clock in the morning. Mr. Peters was awakened by the flames which had burned its way into his room through a wall from an adjoining room and he only had time to arouse the family and escape from the burning building. It is not known at this time how much insurance if any was carried.

Sophs Defeat Juniors

Seeking revenge for the defeat at the hands of the Fish the Sophs took a slugging match from the Juniors 30-25. Every man of both teams hit the ball hard and often. The Juniors had one large inning the fourth, when they scored ten runs. The Sophs scored every inning but one. The Sophs were in the lead all the time except in the fourth when the Juniors got a three run lead.

Pippen	R. Field	Foote

Sophomores Defeat Seniors

The Sophs defeated the Seniors in a seven inning game Thursday afternoon. This was the best game of the year and the hardest fought. The final score was 6-5. The Seniors tried hard to put this game in the win column but the Sophs were not to be denied. The teams each have one more game.

The Seniors threatened in the seventh. With one down two errors, a walk, and a hit gave them three runs but Welsh watched the third one go by.

The Sophs stand a good chance of winning the pennant.

GIRLS ARE HONOR GRADUATES OF CLASS

Although the number of boys and girls in the class of 1929 is about even, it appears that the girls have furnished the honor graduates for the class. A careful canvass of the records of the graduates gave the highest scholastic standing to girls in both the first two places. These honors go to Misses Elsie Bradley and Martha Lou Rogers. Both young ladies will receive scholarships.

Mrs. Ree Gardner and daughter, Brucille, spent the latter part of the week with Mrs. P. O. Purcell at Lueders. She attended the graduation exercises, when Mrs. Purcell's daughter, Eula, graduated. While there Mrs. Gardner attended a fishing party on Lake Penick with fifty or sixty other young folks and fishing and swimming were enjoyed by all.

ed by the members of the club, and briefly outlining a few of the aims of the organization during the coming year.

Following Mr. Menefee, Mrs. O. E. Patterson, Haskell's most gifted pianist, gave two beautiful piano selections and Mrs. B. Gaston Foote gave two excellent readings. Lion Tamer Mack Martin next asked each member to rise and introduce himself to the assemblage, giving his name, age and occupation. This stunt provided a great deal of amusement, and brought to light a variety of vocations that had never been thought to exist in Haskell. Lion A. H. Wair during the evening also gave an exhibition of magic that kept every one present guessing for some time.

Rev. Foote was the principal speaker of the evening taking "Lionism" as the subject of his address, calling attention first to the embodiment of strength as attributed to the name of the club. He stressed its service to humanity, to our town and community, and mentioned the possibilities for advancement of our town in every way through the application of the active principles of Lionism.

Music for the occasion was furnished by the High School Orchestra and the Home Economics Class of the High School under the direction of Mrs. Ed. Sprowls, had charge of serving the banquet, which was prepared by the Elks Cafe.

At the next meeting of the Club, on May 16, nominations for officers for the ensuing year will be the main business for the day, the election to be held in the following meeting date.

RULE UNDERTAKING FIRM BUYS NEW AMBULANCE

Floyd E. Gauntt who is the proprietor of a well stocked furniture store and undertaking establishment in the city of Rule says that he has purchased a new ambulance which will arrive about June 1st.

Mr. Gauntt is elated over the purchase of this splendid modern vehicle and believes it will be a permanent asset to his business. He gave us his subscription to the Free Press stating that he appreciated the effort of the paper in making a real county paper.

J. T. (Tom) Johnston, son of Mr. and Mrs. J. T. Johnston of this city spent the week end with his parents. He is employed with an Oil Company with head quarters at Wichita Falls and he has been with this company a number of years and has made good.

HOMES OF FARMERS NEAR WEINERT IMPROVED

J. T. Therwhanger of west of Weinert has been making some marked improvements on the tenant houses of the ranch. The home where John Cooper lives has been repaired and made very comfortable and also the home of A. D. Bennett has been remodeled. The improvements on these home are substantial and will afford many conveniences to these families.

GRANDMA PORTER OF RULE REPORTED VERY ILL

Mrs. M. A. (Grandma) Porter mother of Mrs. Charlie Richardson of Rule is reported to be very ill at the home of her daughter Mrs. Richardson. Most of her children from other parts of the state have been called in to see their mother the past week. Her many friends in Rule are praying for her recovery but owing to her age and the seriousness of her illness she is thought to be in a very critical condition.

Miss Ann Howard of Weinert has recently returned from Ranger and other points where she visited friends and relatives.

Mr. and Mrs. Hob. Smith of Rochester are sporting a new Ford and all the blessings which are to be had among Ford owners.

J. B. Taylor of Rochester whose duty it is to keep the highway in first class condition, that passes from Knox to Jones county lines through the cities of O'Brien, Rochester and Sagerton gave us his subscription for a year to the Haskell Free Press with all its blessings. He has been road maintainer for a number of years. On his road he uses teams only because of his line running through the sandy section of the county where tractors are not practical at this time.

B. M. Whiteker, Agricultural Manager of the West Texas Chamber of Commerce spent the week end at home.

Mr. and Mrs. Roy English and family of Plainview are the week's guests of Mrs. English's parents, Judge and Mrs. S. A. Hughes and other relatives and friends.

The State of Texas, County of Haskell. To All Persons Concerned: Notice is hereby given that a Road Bond Election will be held within Road District Number Seven of Haskell County, Texas, on the Second Saturday in June, A. D. 1929, the same being the 8th day of June, A. D. 1929, to determine whether or not the Bonds of said Road District Number Seven of Haskell County, Texas, shall be issued in the amount of \$125,000.00 and to determine whether or not an ad valorem tax shall be levied upon the property of Road District Number Seven of Haskell County, Texas, subject to taxation, for the purpose of paying interest on said bonds and to provide a sinking fund for the redemption thereof at maturity, as fully set out in the following order, to-wit:

ORDER OF COMMISSIONERS' COURT OF HASKELL COUNTY, TEXAS, AUTHORIZING AND ORDERING ROAD ELECTION IN ROAD DISTRICT NUMBER SEVEN OF HASKELL COUNTY, TEXAS.

The State of Texas, County of Haskell. Be it remembered that on this the 3rd day of May, A. D. 1929, there was begun and holden within and for the City and County of Haskell, State of Texas, at the Court House thereof, a Special Session of the Honorable Commissioners' Court of Haskell County, Texas, with the Hon. Joe A. Jones, County Judge, present and presiding and G. B. Tanner, Comr. Prec. No. 1, R. B. Guess, Comr. Prec. No. 2, J. P. Simmons, Comr. Prec. No. 3 and L. C. Phillips, Comr. Prec. No. 4, all being present at which time there came on to be considered the petition of W. P. Carville and more than fifty other qualified resident property taxpayers voters of Road District Number Seven of Haskell County, Texas, praying for the Hon. Commissioners' Court to order an election to be held for the purpose of determining whether or not the bonds of said territory, known and designated as "Road District Number Seven of Haskell County, Texas," shall be issued in the sum of \$125,000.00, bearing interest at the rate of five per centum per annum, and maturing at such times as may be fixed by the Commissioners' Court, severally or otherwise, not to exceed thirty years from date thereof, for the purpose of constructing, maintaining and operating macadamized, gravelled or paved roads and trottoirs, or in aid thereof, and whether or not an ad valorem tax shall be levied upon the property of said Road District Number Seven of Haskell County, Texas, subject to taxation, for the purpose of paying the interest on said Bonds and to provide a sinking fund for redemption thereof at maturity. And it appearing to the Court that said petition is signed by more than fifty of the resident property taxpayers voters of said Road District Number Seven of Haskell County, Texas, said Road District having been heretofore established by order of the Commissioners' Court of Haskell County, Texas, on the 9th day of April, A. D. 1929, and of record in the Commissioners' Court Minutes in Book No. 5 at Page 144, within the following metes and bounds, to-wit: Beginning at a point in the West boundary line of Haskell County, Texas, where said West line intersects the North boundary line of

B. & C. R. R. Co. Survey to the S. W. corner of Haskell County; Thence North with the W. B. line of Haskell County and the E. B. line of Stonewall County to the place of beginning; It is therefore directed, considered and ordered by the Commissioners' Court that an election be held in said Road District Number Seven of Haskell County, Texas, on the Second Saturday in June, A. D. 1929, which is not less than thirty days from the date of this order, to determine whether or not the Bonds of said Road District Number Seven of Haskell County, Texas, shall be issued in the amount of \$125,000.00 with interest at the rate of 5 per cent per annum and being serial Bonds the first twenty of which shall be in the sum of \$4,000.00 each, and the last nine of which shall be in the sum of \$5,000.00 each, numbered from 1 to 29 both inclusive, and maturing as follows: Bond No. 1 to mature on April 1st, A. D. 1931, and one bond to mature on April 1st, each year thereafter until the entire 29 bonds have matured, none to exceed 20 years from their date and whether or not an ad valorem tax shall be levied upon the property of Road District Number Seven of Haskell County, Texas, subject to taxation for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity. Notice of said election shall be given by publication in a newspaper of general circulation published in said Road District Number Seven of Haskell County, Texas, if a newspaper be published therein, for three successive weeks prior to the date of said election, and if no newspaper is published therein, then such published notice shall be given in some newspaper published in the county, if there be one, and in addition

thereto, for three weeks prior to the date of said election, notice shall be posted by the County Clerk at three public places within said District and one at the Court House Door of said County. Said Election shall be held at the following voting boxes within said District: Bunker Hill Voting Box No. 20 and Sagerton Voting Box No. 17. Alfred Rinn is hereby appointed presiding officer to hold said election in voting box No. 20 and F. Pilley is hereby appointed presiding officer to hold said election in voting box No. 17. And it is further provided that at said Election the qualified voters of Election Precinct No. 18 known as the Joe Bailey Box, residing within the boundaries of said Road District Number Seven of Haskell County, Texas, shall vote at the Bunker Hill Voting Box No. 20, and the qualified voters of Election Precinct No. 19, known as the Tanner Paint Voting Box, residing within the boundaries of said Road District Number Seven of Haskell County, Texas, shall vote at Sagerton Voting Box No. 17. The manner of holding such election and canvassing and making returns thereof, shall be governed by the General Laws of this State, and only qualified voters who are property tax payers of Road District Number Seven of Haskell County, Texas, shall be allowed to vote, and all voters desiring to support the proposition to issue bonds, shall have written or printed on their ballots the words "FOR THE ISSUANCE OF BONDS AND THE LEVYING OF THE AD VALOREM TAX IN PAYMENT THEREOF" and those who desire to oppose the proposition to issue bonds shall have written or printed on their ballots the words "AGAINST THE ISSUANCE OF BONDS AND THE LEVYING OF THE AD VALOREM TAX IN PAYMENT THEREOF." And it is further ordered that a copy of this order, signed by the County Judge and attested by the County Clerk of said County, shall serve as a proper notice of said Election, and the County Judge is directed to cause said notice to be published in the Haskell Free Press, which is a newspaper of general circulation published in said County there being no newspaper published in Road District Number Seven of

Haskell County, Texas, for three successive weeks next preceding the date of said Election, and he shall cause to be posted a true copy of this order as a notice thereof at three public places in Road District Number Seven of Haskell County, Texas, and one such notice to be posted at the Court House door in the County of Haskell, for a period of three weeks prior to the date of said Election. The above order being read, it was moved and seconded that same do pass. Thereupon the question being called for, the following members of the Court voted AYE: G. B. Tanner, R. B. Guess, J. F. Simmons, and L. C. Phillips, and the following voted NO: None. (Commissioners' Court Seal) Joe A. Jones, County Judge, G. B. Tanner, Comr. Prec. 1; R. B. Guess, Comr. Prec. 2; J. F. Simmons, Comr. Prec. 3; L. C. Phillips, Comr. Prec. 4. ATTEST: Jason W. Smith, Clerk of the County Court and Ex-Officio Clerk of the Commissioners' Court of Haskell County, Texas. The State of Texas, County of Haskell. I, Joe A. Jones, County Judge of Haskell County, Texas, do hereby certify that the above and foregoing is a true, full and correct copy of an order passed on May 3rd, A. D. 1929, by the Commissioners' Court of Haskell County, Texas, authorizing and ordering a Road Bond Election in Road District

Number Seven of Haskell County, Texas, as the same appears in the minutes of the Commissioners' Court of Haskell County, Texas. To Certify to all of which I hereunto subscribe my name and affix the seal of the Commissioners' Court of Haskell County, Texas, attested by the County Clerk on this the 3rd day of May, A. D. 1929. Grow Half and Half Cotton

HALF and HALF Cotton the money making variety for the Farmer. One of the earliest varieties grown has a light foliage and 1200 pounds of seed cotton will make a bale. Mr. Farmer, are you making money growing cotton? If not you should grow S. N. Reed's "Half and Half" seed grown in the West, out of weevil district, culled on my new Air Blast Culler. And without doubt, in my mind, increase your bank account and make you an independent man. One farmer near Carlisle, Ark. made over two bales per acre grown from my seed. Others are doing equally as well. Ask the farmers in your community that are growing my seed what results they are getting and if they are not prospering better than before they used my cotton. My seed are the "Summerous" variety, has a fair staple, high lint turn out at gin, and a large yield per acre. If you are not making what you think you are entitled to make, place your order now for my seed before supply is sold out. Only have a few hundred bushels left for sale. Mr. Farmer, remember the sweetness of low price will not offset the bitterness of low quality. I will pay you to buy the very best seed regardless of price, as the best are the cheapest. I have been growing and selling this variety of cotton 8 years and guarantee to each customer satisfaction or money refunded.

A Few Testimonials From Satisfied Customers

Karnack, Texas, Dec. 15, 1922. Dear Sir: I am sending you a check for which send me 12 bushels of your pure Half and Half cotton seed. Ship to Karnack, Texas. I ordered 6 bu. of your seed last year and they simply are fine. I will never plant any other kind. Out of 1200 pounds of seed I got a 580 pound bale. J. L. WISDOM, Karnack, Texas. S. N. REED: I am in the market for some more cotton seed. The seed that I bought from you last year made good. W. M. ORUM, Garrison, Texas. Leigh, Texas. S. N. REED: I ordered 3 bushels of your Half and Half cotton seed last year and planted 10 1/2 acres. I got 4 1/2 bales. I planted it the 20th of May. It is the best cotton I ever saw. If it still holds out I will never plant any other kind. P. R. MARINA, Leigh, Texas. Kirkland, Texas. S. N. REED: Dear Sir: I want to tell you what results I got from the Half and Half seed I got from you. I took first prize on the best stalk of cotton at the Childress State Fair in 1927, a 580 pounds per acre, ginned 1310 lbs., and got 580 pounds lint. Good turn out on every bale. L. COLLINS, Kirkland, Texas. S. N. REED: I got my cotton seed and they were all O. K. Thanking you for the good seed sent me. J. T. MINNEINETT, Chico, Texas.

Half and Half Cotton turns out more lint from seed cotton than any other variety in the world. 1200 pounds of seed cotton will always make a good bale, sometimes running as high as a 580 pound bale. The lint is where you make your money. Why plant cotton that makes only 300 pounds lint out of 1200 pounds of seed cotton when S. N. REED'S Half and Half Cotton will give you a 500 pound bale? That extra 200 pounds of lint on a reasonable market brings \$40.00 to \$50.00. Just think of it! \$50 extra on every 1200 pounds of seed cotton! S. N. REED'S Half and Half Cotton will make the extra money for you. S. N. REED'S Half and Half Cotton is climated. You will run no risk in planting seed. These seeds are Western grown and are thoroughly matured. Their high germination enable you to get a good stand without skips in the row. S. N. REED'S Half and Half Cotton is grown near O'Brien in Haskell county out of the weevil area and the seeds are not contaminated with boll weevil eggs when you plant S. N. REED'S Half and Half seed. S. N. REED'S Half and Half Cotton is also jointed with good heavy bolls which enables it to make more cotton per acre.

My seed are sacked in 3 bu. bags and my regular price is \$2.50 per bu. However, as I am clearing out I am making a price of \$2.00 per bu. Seed are stored in my warehouse at O'Brien. Can give prompt service. Get your orders in early as possible.

It costs very little to recondition a MODEL T FORD THE Ford Motor Company is making a new car, but it is still proud of the Model T. It wants every owner of one of these cars to run it as long as possible at a minimum of trouble and expense. Because of this policy and because of the investment that millions of motorists have in Model T cars, the Ford Motor Company will continue to supply parts as long as they are needed by Ford owners. So that you may get the greatest use from your Model T, we suggest that you take it to the nearest Ford dealer and have him estimate on the cost of any replacement parts that may be necessary. You will find this the economical thing to do because a small expenditure now will help to prevent costlier repairs later on, increase the value of the car, and give you thousands of miles of additional service. For a labor charge of only \$2.60 you can have your generator put in first-class condition. A new universal joint will be installed for a labor cost of \$3. Overhauling the carburetor costs \$1.50; steering gear, \$3.50; radiator, \$7.50. A complete overhauling of the rear axle assembly runs between \$5.75 and \$7 for labor. An average price of \$22.50 covers the overhauling of the motor and transmission. These prices are for labor only because the need and number of new parts depend on the condition of each car. The cost of these parts is low, however, because of the Ford policy of manufacturing and selling at a small margin of profit.

No. 82669
Notice of Sale of Real Estate Under Execution
 The State of Texas, County of Haskell, By virtue of a writ of execution issued out of the District Court of the Seventeenth Judicial District of Texas, in Tarrant County, on a judgment rendered in said Court in the cause of The Alliance Trust Co. Limited (Without banking privileges) vs. J. T. Mullis et al and numbered 82669 upon the docket of said Court, on the 9th day of April, A. D. 1929, in favor of The Alliance Trust Co. Limited (Without banking privileges) against J. T. Mullis and L. B. Hammer for the sum of \$1,320.13 with interest thereon from date of judgment at ten per cent, and the further sum of \$288.55 costs of suit, also a foreclosure of its deed of trust lien against each and all of the defendants, J. T. Mullis, and wife, Easter Mullis, L. B. Hammer, Mrs. Blanche Yancy, a widow and G. R. Couch, on the hereinafter described real property, lying and being situated in the County of Haskell, and State of Texas, and being 100 acres of land out of the H. O. Campbell League Survey, Patent No. 205, vol. 16, said 100 acres described by metes and bounds as follows:

Beginning at the S. W. corner of the 1000 acre tract sold to A. G. Jones by Clara Kaufman, a stake in the S. B. line of said Campbell Survey; Thence East 772 1/2 yds. to stake; Thence North 730 1/2 yds. to stake; Thence West 772 1/2 yds. to stake in W. B. line of said 1000 acre tract; Thence South 730 1/2 yds. to place of beginning, and containing 100 acres of land.

And whereas in said suit, Defendant, G. R. Couch, also recovered a judgment of foreclosure against Defendants, J. T. Mullis, and wife, Easter Mullis, L. B. Hammer, and Mrs. Blanche Yancy, a widow, foreclosure of his vendor's lien as against said Defendants for the sum of \$2,134.11 with 8 per cent interest thereon from date of said judgment, on said lands and premises above described, expressly subject, however, to described lien foreclosed by Plaintiff, The Alliance Trust Co., Limited, (Without banking privileges), I did on the 6th day of May, A. D. 1929, at 11:30 o'clock a. m. levy upon the said above described tract of land, as the property of the said J. T. Mullis, and wife, Easter Mullis, L. B. Hammer, Mrs. Blanche Yancy, a widow, and G. R. Couch; and on the 4th day of June, A. D. 1929, being the first Tuesday of said month, between the hours of 10 o'clock a. m. and 4 o'clock p. m. at the Court House door of said County, I will offer for sale and sell at public auction for cash all the right, title, and interest of the said J. T. Mullis, L. B. Hammer, Mrs. Blanche Yancy, a widow, and G. R. Couch, have in and to said property. Dated at Haskell, Texas, this 6th day of May, A. D. 1929.

No. 1300 In Bankruptcy
Notice of Bankrupt's Petition For Discharge
 In the District Court of the United States for the Northern District of Texas. In the matter of James J. Tucker, Bankrupt.

OFFICE OF REFEREE
 Abilene, Texas, May 1, 1929
 Notice is hereby given that James J. Tucker, of the County of Haskell, and district aforesaid, did on the 20th day of April 1929, file in the Clerk's office of said Court, at Abilene, a petition setting up that he has been heretofore duly adjudged a bankrupt under the act of Congress approved July 1, 1898, that he has duly surrendered all his property and rights of property, and has fully complied with all the requirements of said act and of the orders of the Court touching his bankruptcy, and praying for a full discharge from all debts provable against his estate in bankruptcy, save such debts a safe excepted by law from such discharge.

On considering the above mentioned petition, it is ordered that any creditor who has proved his claim, and other parties in interest, if they desire to oppose the discharge prayed for in said petition, shall, on or before the 10th day of June 1929, file with the Referee for the Abilene Division of said district a notice in writing of their opposition to a discharge in the above entitled cause. D. M. OLDFHAM, JR., Referee in Bankruptcy.

FARMER MAKES SUCCESS WITH FLOCK OF POULTRY
 Calvin Wheeler living on the old Benjamin Road north of town was in the city and when asked about his success with poultry the young man smiled and said: "I sold \$115.00 worth of eggs the first 4 months of the new year, have 200 young chickens 6 weeks old, and I have fed \$36 worth of commercial feed. I have only 93 hens from which I have made all my sayles and hatched my chickens and we have had all the eggs for home use we needed and are now beginning to eat fryers." What else could Mr. Wheeler have realized more profit from than this small flock of hens. You will remember the egg price has been low and he set eggs during the better prices to raise his young flock. He is giving his flock close attention and knows how to make a profit from a small flock. He expects to increase his flock to 150 or more layers for the next season.

J. S. Abernath of O'Brien was in the city Monday on business. He was Commissioner of Precinct 1 for a number of years.

Check Value for Value Price for Price!

The COACH \$595

If you are considering the purchase of an automobile, you owe it to yourself to check the new Chevrolet Six against any other car—value for value and price for price!

Here, in the price range of the four, is offered a smooth, powerful, six-cylinder valve-in-head motor—which delivers better than 20 miles to the gallon of gasoline—and whose smooth, quiet, velvety operation, with its complete lack of drumming and vibration, is a revelation. Here are beautiful bodies by Fisher—with fittings by Ternstedt... rich, deep-tufted upholsteries and adjustable driver's seat. And throughout the entire chassis are found numerous examples of advanced engineering—such as quiet, non-locking 4-wheel brakes... ball bearing steering mechanism... and automatic acceleration pump.

But no mere recital of features can give you any conception of Chevrolet's value leadership. So we urge you to come in and see for yourself why over 500,000 people have chosen the new Chevrolet Six since January 1st!

AIRPORT FOR HASKELL

A very important matter is being neglected by the citizenship of Haskell—the establishment of a modern airport.

We do not believe that it would be necessary to spend a large sum of money at this time on equipment of a landing field, but we do believe that steps should be taken immediately to secure the site and properly mark the field.

GOOD ROADS A COMMUNITY ASSET

Alarm is expressed by many taxpayers when states and municipalities borrow money for road construction.

An expenditure for good roads is different from many kinds of outlay. A costly public building is a good advertisement for a community, but it does not usually save any expense in running that city.

But when a state or municipality builds a fine road, there is a direct saving of money to the citizens. It takes less gas to run their cars over that road, the tires do not wear out so fast, cars will stand up longer and with less repairs.

Letting any important road remain in poor condition imposes a heavy tax on the people dependent on the road and it is not good policy.

A FEW LEADERS CONTROL

Minimizing the importance of the reapportionment of membership in the National House of Representatives, Senator Thomas of Oklahoma, declares that it really does not matter how many members there are, as four or five men run things anyway.

This is doubtless true. So far as legislation is concerned the average Congressman has very little influence, and all the eloquent speeches

made on the floor change few votes, if any. The leaders decide what legislation is to be passed and if they find that they cannot command enough votes to put the measure through they just sidetrack it and await a more favorable time.

Hundreds of bills are introduced which their proposers well know have not the slightest chance of enactment, but these gestures sometimes impress folks back home, and when they fail there is always a plausible alibi ready.

Every Congressman performs much useful work in Washington for his constituents, however, in looking after matters before the various executive departments and bureaus, and most of them are able to get a new postoffice building or an appropriation of some kind for their districts occasionally, which adds to their prestige.

But so far as influencing general legislation is concerned a very few numbers run the machine. The rest might as well stay at home.

The same is true of the Texas Legislature. A few leaders who are not members of the legislature get together and decide what legislation is to be enacted and that generally settles it.

Farmers Buy Registered Cattle

R. H. Rife, Guss Kieck and W. J. Earnest of Sagerton recently purchased 5 registered Shorthorn Durhams and have them already on their farms. Mr. Rife purchased a cow and heifer, Mr. Earnest purchased a cow and heifer and Mr. Kieck purchased the male. Mr. and Mrs. Earl Bishop of Floydada were here Saturday, they are spending the week end with relatives and friends. Earl formerly lived in the Howard community.

Jesse Bland of Sayles was in the city Monday on business and stated that he had 3 or 4 inches of rain at his place Sunday afternoon and night.

Floyd Gilliland of the Howard community was in the city Saturday doing his trading for the week. He brought two buckets of eggs to town for the market and remarked that the Rhode Island Reds were egg producers. He has one of the best reds in that section, has about 20 hens in a pen which he is delighted with and expects to go in for better birds next year. Floyd believes in progression.

Along the Way

It's sure been a tough spring on the Haskell backyard gardener.

It sometimes takes a lot of fiction to explain the truth.

CHAMPIONS ARE OFTEN SEEN IN EACH OTHERS COMPANY

Herewith we have Jimmie Rodgers, Victor's most famous recording artists, driving one of the new Champion Studebaker Commander Cabriolets.

Jimmie Rodgers has been touring the south and was recently in Abilene. With Mr. Rodgers making the tour were his wife and daughter, who are also in the picture.

Jimmie Rodgers states that out of all the automobiles he has ever driven, the new Studebaker Commander Eight is the Champion of them all.

The Studebaker is distributed in this territory by the Ed S. Hughes Motor Company, who are one of the largest automobile distributors or organizations in West Texas.

Miss De Witt was introduced to
Mrs. Morrison as a teacher of piano
who would be in Haskell next year.
The Rule students added much to
the program and special mention
should be made of the young Violin
Artist, Belmont Eaton, who re-
dered La Capriccioso by Fritz
Kreiser. Besides the musical
numbers Miss Wayne Koonce sang
"A May Morning" by Dwea.

Students from Rule who had a
part in the piano duos, duets, solos
and quartets were: Misses Frances
Rogers, Joy Lindsey, Faye McLand-

The Duchess Says Her Prayers

Mrs. C. M. Kaigler will present
her Senior pupils, with some other
help in the charming classical drama
"The Duchess Says Her Prayers," at
the conclusion of the piano recital
by Senior students of Mrs. Geo. H.
Morrison, Friday evening, May 17th,
at the First Christian Church.
"The Duchess Says Her Prayers"
by Mary Cass Canfield is one of the
most popular one act plays of the
season. The scene is laid in a
chapel of Italy. The Lord Duke of
Bari Italy is madly in love with the
beautiful and brilliant Cecilia. She
returns his affection, but the Lord
Duke is forced into a political mar-
riage with Beatrice d Este. Cecilia
goes into the chapel to pray when
the Lord Duke of Bari follows her
to dissuade her from marrying
Count Bergamini. While they are
there, the young "Duchess of Bari"
comes in to say her prayers. Cecilia
will be played by Christine Rig-
lard.
The Lord Duke of Bari—Joe Short.
The Duchess—Geneva Golden.
The Herald of the Duchess—Jack
Binum.
Louise Kaigler will be the accom-
panist at the piano. There will be
no admission price and an invita-
tion is extended to all to be present.

T. C. U. Girl to Tour Europe After Graduation

Miss Maurine Moore who will re-
ceive her Bachelor of Education de-
gree from Texas Christian University
in June, will sail June 6 from New
York City for a tour of Europe.
Others in the party will be Miss
Moore's mother, Mrs. Nannie Mae
Moore, 3021 Tomlinson Street, and
her brother, Mr. Jerome Moore and
wife of Denton.
Their headquarters will be in Paris

where Mr. Moore will study in Sar-
bonne University. From there they
will tour France, England, Switzer-
land, Italy, Germany, Spain and Bel-
gium.
Miss Moore has served two years
on the girls' post squad and is a
member of Psi Gamma Mu, national
social science fraternity.
Mr. Moore is also a former student
of T. C. U. having bachelor and mas-
ters degrees. He received his Ph. D.
year and now is a teacher of Spanish
in the college of Industrial Arts,
Denton.

Mrs. Jerome Moore is a graduate
of T. C. U. She formerly was Miss
Ruby Scott and finished with the
class of 1928.
The above article is taken from the
Fort Worth Star-Telegram.
Miss Moore is a daughter of the
late Dr. J. A. Moore, who was at
one time a physician in Haskell. She
is also a niece of Mrs. W. R. Dun-
lap and Mrs. R. O. Scott of this city.
Miss Maurine with her mother and
younger brother, Monelle Moore,
spent the summer with her two
aunts here several years ago.

FARM NEWS

After serving Haskell county for
a number of terms as county com-
missioner, J. S. Abernatha has re-
turned to farming. He owns one of
the best farms in the O'Brien sec-
tion and he lives on this farm and
gives it his personal attention. He
prides himself of the fact that he
keeps the residence and farm in good
repair and condition and takes
much interest in gardening and poul-
try raising. He mentioned the fact
that he never failed to grow pota-
toes but once since he has lived in
that section. He was reared in the
State of Alabama and learned to
work during his boyhood days and
when he became a man he did not
put away the idea of thrift through
hard work. He is planting half cot-
ton and half feed. This has been
his practice for the 21 years he has
lived in Haskell county. Good cows
and Black-Longshang chickens are
are to be found on this farm for all
needs. He grows hogs for meat and
lard. In fact he lives at home from
his orchard and garden selling the
surplus to his less fortunate neigh-
bors and people of the world who are
looking to others for support. Mrs.
Abernatha is his partner in all
things and they are living happily
in the home they have made. Their
children are all married and have
homes for themselves, some of
them live near the old home and
are frequent visitors to their parents.
Mrs. Abernatha has a nice flower
yard which adds beauty to this
home. We enjoyed the hospitality
of this home very much. Mrs. Aber-
natha prepared a good dinner which
we enjoyed very much.

Cottonwood H. D. Club

The Cottonwood Home Demon-
stration Club met on Thursday,
May 9th in regular meeting at the
home of Mrs. J. O. Merchant.
Miss Gunn was sick and was not
able to be present. "Dress Mater-
ials" and "Dress Making" were the
subjects for study. Quite a num-
ber of members were present and
several visitors. We had a very
interesting meeting. The next meet-
ing will be with Mrs. D. R. Holcomb,
Thursday, May 23. Plans for a play
will be discussed. All members are
urged to be present.

W. M. Sweatman Dies

W. M. Sweatman of the Mitchell
community living 5 miles north of
O'Brien died last Friday night at
the family residence after a linger-
ing illness of many months. He was
about 70 years of age and was
among the best citizens of the
county. He has resided here many
years and was well known and loved
by many. His going brings
sadness to the entire community.
Funeral services were held at the
Baptist Church in Rochester, Satur-
day afternoon by Rev. A. L. Heath
of the church, after which his re-
mains were laid to rest in the Roch-
ester cemetery.

Gone But Not Forgotten

Agnes dear, of you we are dreaming,
And your loveliest face appears
In the golden sunshine streaming
Through the window of the years.
In the tender vision gleaming
Shines the infinite of grace
For the smile of God is beaming
In the lovelight of your face.

FORMER HASKELL GIRL DIES IN CHILLICOTHE

The following account of the funeral of Alvie Metcalf was taken from the Chillicothe News.

Funeral services for Alvie Corn Metcalf, daughter of Mr. and Mrs. G. F. Metcalf, were held Sunday afternoon at the First Baptist Church, with the Rev. R. B. Stanton, pastor of the local church, officiating.

Alvie was a member of the senior class of the high school, and the senior class students took an active part in the service, pall bearers being six of the boys of her class.

She was considered one of the brightest students and was loved by all her classmates, and it is a blow to the students body as a whole.

Being on the threshold of young womanhood, age about 17, she would have graduated shortly. She was a member of the First Baptist Church, and was an active member of the Sunday school class of Mrs. Grady Roberts.

She is survived by her parents, Mr. and Mrs. G. F. Metcalf, and one brother and two sisters.

Interment was in Chillicothe Cemetery.

Does your motor SING or POUND? STOP in the middle of a good substantial hill and listen to the various sounds coming from motors which are climbing it. Some glide along like song birds—others hallow forth like jazz-crazed saxophones. Why the difference? Simply this—the fuel. With Conoco Ethyl Gasoline in the tank, your motor literally sings along because Conoco Ethyl delivers a steady, even flow of power—up hill or on the level. It won't knock. Hence, it eliminates that pounding noise—so hard on the ears as well as on the motor. Being a proper admixture of Conoco, the extra miles motor fuel and Ethyl Brand of Anti-Knock Compound, Conoco Ethyl is the acknowledged pace setter for summer driving. It keeps the engine cool at all speeds—delivers maximum power and assures smooth, quiet running. And best of all, it more than saves its slight extra cost by reducing wear and tear and by giving you the greatest motoring satisfaction you have ever enjoyed. Try Conoco Ethyl today.

MRS. LUCILE HAYDEN
I was so weak I was practically exhausted. Then neuritis and I had those pains, as well as constipation, blood became impoverished, my circulation was weak, my sight of food almost nil. My rights were lost and my days were miserable. I lost weight. I tried medicines, several treatments from specialists. They did me no good. A few days after I started Sargon I felt better than ever. The neuritis and malaria were gone, my digestion is perfect, my appetite is wonderful, my complexion is clear and healthy. I feel like I have been made all over. I am full of new strength and I have regained my weight.

HARP SINGING BE ORGANIZED HERE
An effort among the older of the county to re-organize the Harp Singing Class will meet the fourth Sunday in September in one of the churches to perfect the old and continue the old services which is appreciated by those who learn in the old book in their old days. Another effort will be made later as to time and place where the will be held. Tell all the old and have them watch the date.

TERRACE BY LEVEL NOT BY EYE
Trying to run terrace lines by the eye instead of the faro level invariably proves disastrous, yet instances are reported nearly every month of the attempt being made, according to M. R. Bentley, farm engineer in the Extension Service. A Tarrant county farmer tried it the other day and succeeded in drawing the water to the center of the field at the rate of a three-foot fall in 250 yards. M. C. Counts, county agent, straightened the mess out at a cost to the farmer of seven days' work, worth, as he expressed it, the price of two levels.

In Concho county last year Roy Terry, county agent, located three terraces on a field belonging to J. M. James, running the lines uphill, according to the boy who was helping. Lack of time prevented the building of terraces in the rest of the field, but when the rains came the boy discovered to his amazement that the terraces were true, and when harvest time came Mr. James gathered 23 bales from the 85 acre field. He estimated that half of it came from the terraced portion. A neighbor on similar unterraced land made only 27 bales from 100 acres.

With thousands of farm levels scattered over the state and with hundreds of men besides county agents trained to use them, there is no need of looting up a field by hand can not be done. Mr. Bentley is running lines by the eye. "It just can not be done," Mr. Bentley says.

MOTORISTS ARE QUICK TO RESPOND TO IMPROVEMENTS
Motorists are quick to respond to mechanical improvements employed by automobile manufacturers in their products which provide added conveniences, safety and comfort. This response is seen in the wide public acceptance of the new Super Whippet fours and sixes which bring to the low priced field, in addition to outstanding beauty and design, mechanical improvements which set a new high standard of perfection in this price classification.

Notable among the features on these new Willys-Overland products is the "Finger-Tip Control" which is admitted to be the greatest single driving convenience since the self starter.

The "Finger-Tip Control" mechanism consists of a button in the center of the steering wheel, this making it possible for the driver to start the motor, operate the lights and sound the horn without changing the driving position.

With the introduction of these cars the public immediately disclosed unusual interest in the "Finger-Tip Control," so marked was it a new convenience in driving. Then followed the demand for the cars which has resulted in a popularity for these models never rivalled before in the company's history.

This same interest is also disclosed by Willys-Knight buyers, the Toledo manufacturer also being equipped with the "Finger-Tip Control."

Owners of the new Whippet fours and sixes and the new Willys-Knight sixes declare that the safety factor being able to operate the lights in night driving without changing position is equally as important as being able to start the engine without having to fumble and search for a starter button in the footboard.

BUNKER HILL BOY WINS LOVING CUP
Melvin Boedecker, fourteen-year old school boy of Bunker Hill community, received a silver loving cup for having the best record book in 4-H Club work in Haskell county last year. The cup was presented at the first meeting of the Bunker Hill 4-H Club this year and is a permanent trophy.

The book that won the cup was a record kept on maize raised last year by Melvin Boedecker and it showed a remarkable record.

Mr. Trice gives a cup each year for the best record book, and in this way the club members are encouraged to keep accurate records of the club work done through the year.

Tuesday, April 29, Mr. Trice visited the school and helped the members of the Bunker Hill 4-H Club organize for regular work.

Officers for the year were elected as follows: Thurman Rice, president; Beatrice O'Keefe, vice president; and Lila Dyson, secretary-treasurer.

Mr. Trice made a talk on "The Advantages of Club Work," and gave several good points on the different kinds of poultry raising and maize crops.

After the election, Thurman Rice made a talk on "Betterment of the Club," and Melvin Boedecker, who won the cup for the best record book, talked on "How I Kept My Record Book."

Mr. and Mrs. Steve Sloan were in the city Saturday shopping. Mr. Sloan is one of our best farmers living in the open section and brought a lot of fancy eggs for the market.

FARMER FINDS THAT DIVERSIFYING PAYS
G. W. Piland one of our progressive farmers east of the city was here Saturday and stated that he is making plans for diversification this year more than ever before. His cows are paying him a little more than \$1000 per week and he further stated that he received the \$100 bonus a local concern gave for the one who brought the most butter fat to their place in one day. He has about 100 White Leghorns and will increase his layers before another season. He stated that he was getting about 14 gallons of whole milk each day. He is selling the cream and feeding the skimmed milk to his hogs. He expects to add more cows, chickens and hogs as the demand asserts itself.

DISTRICT 3 S. ASSOCIATION MEETS WITH SWEET HOME
A meeting of interest was held at the Sweet Home Baptist Church last Sunday afternoon by the District Sunday School Association. Alfred Pierson of Haskell who is the Superintendent was present and a good program was rendered. Rev. O. L. Dennis, pastor of the Sweet Home Church made a splendid talk on the need of trained teachers in the Sunday School which was appreciated very much by the audience.

The Free sisters rendered a duet by request and the class singing was very good. Other features of the program was timely and helpful and the entire afternoon was well spent in this good service. The next meeting of the Association will be held at Smith Chapel about 12 miles north of Haskell, the second Sunday in June which will be the 9th beginning at 3 o'clock. This will be Pender Day at that church and lunch will be served at noon and the Sunday School program will be given in the afternoon. Good attendance is expected throughout the entire day.

MIDWAY FARMER ADVOCATES EARLY BREAKING OF LAND
H. Brock of the Midway community was in the city Saturday and in conversation with a Free Press reporter said that this was a year up to the present when good farming counted. Mr. Brock has won the distinction of being a good farmer. He is a man who watches carefully his plans and notes the results. He said that he has three stages of farming in his preparation for the 1929 crop. He has some lands that he plowed very early and on this ground the soil is fine and moist and the crops planted on that ground looks fine. He next has some ground which he bedded a little later, it is also showing a good start with the feed and cotton planted. Then he has some that was broken later in the season and on this crop he has the poorest prospect and expects the least yield. According to Mr. Brock when the ground is broken in late fall or early spring it has the best opportunity to make a good crop.

Joe Stogger of Stanton, Texas visited his old friend, L. T. Atchison last week. He was accompanied by Mrs. Henry Stogger and her two children and Miss Connie Jones who are nieces of Mr. Atchison. Joe Stogger has lived near Stanton in Martin County for 46 years and was there before the county was organized. He is said to be the oldest citizen in his county. Not the oldest man but has lived there longest. He came there in 1883 when that country was wild and woolly. He said that Haskell was one of the prettiest towns in Texas. When you look this statement square in the face we believe that Mr. Stogger is correct. Haskell is a beautiful city.

Be Prepared for Summer Have a Cool, Comfortable Kitchen!

THE kitchen, where women spend so much of their time, can now be as cool as any room in the house. For, when cooking is done electrically all the heat is used for cooking, none is wasted, and the kitchen does not get hot and stuffy.

—Less time is spent in the kitchen when you have a Hotpoint Electric Range. Your dinner can be placed in the oven, hours before meal-time . . . then set the time and temperature controls and forget your foods until you are ready to serve. You will find your foods cooked to perfection and, oh, so delicious.

—By all means investigate this scientific manner of cooking with the Hotpoint Electric Range. . . It is cleaner, more convenient and economical.

Simmons Resigns Office of J. P. Precinct No. 1

The resignation of R. P. Simmons as Justice of the Peace of Precinct No. 1 was accepted by the Commissioners' Court, Tuesday afternoon, effective June 1st. D. T. Dotson, now serving as Deputy Sheriff, was appointed to fill the vacancy caused by Mr. Simmons' resignation. Mr. Simmons has served as Justice of the Peace for over eight years, and during that time has made an efficient and impartial officer, this fact being attested to by the fact that he has been re-elected a number of times with no opposition. In resigning from the office, Judge Simmons states that he will devote his time to other interests. Mr. Dotson, appointed to fill the office, has been a resident of Haskell for a number of years, and has served as a peace officer for a great part of the time. He is familiar with the office to which he has been appointed, and his appointment will meet with the approval of everyone.

NEGRO CONVICTED HERE IDENTIFIED AS CONVICT

Robert Bennett, negro, who was given a total sentence of fifteen years in the penitentiary in District Court here recently in connection with three burglaries at Weimer, has been identified as an escaped convict, according to Sheriff W. T. Sarrells. Bennett escaped from the state penitentiary at Huntsville Jan. 2, where he was serving a sentence of twenty-four years in connection with a hold-up and four burglaries in Dallas, having been tried and sentenced in that city in the spring of 1923.

Two new rooms were added and other improvements made to make the residence cozy and comfortable. Mr. and Mrs. Hutchens are elated over the nice appearance of their home.

FARMER DIVERSIFYING AND LIKES THE JOB

W. L. Button living on Rule Route One, eight miles west of Haskell is one of our best farmers and at this time has some of the best feed growing that he has ever had at this season of the year. He is just planting his cotton this week stating that now is the time to plant the ground to bring it up. He believes in diversifying and makes the effort through chickens, a good cow and some hogs to make his living aside from his farm crops. He and Mrs. Button have 98 White Leghorn hens which are doing their part in keeping up the family expenses by producing the very best breakfast food the world knows anything about, "The Pearly White Egg." They have 100 baby chicks growing nicely from which they expect to grow their next year's layers.

The people of Rochester and surrounding communities were called together Tuesday morning at the Rochester Cemetery where they met to clean off the cemetery grounds and decorate the graves of their loved ones and friends. According to reports there was a large throng of workers who spent the entire morning in the cemetery beautifying the city of the dead.

EMPLOYEE TAKES POT SHOT AT BURGLARS WHEN THEY ATTEMPT TO ENTER GARAGE

Burglars who had forced an entrance into the Bert Welsh Garage Monday night between 12 and 1 o'clock were routed by Doyle Jacobs, an employee at the garage, before they had time to make way with anything. Doyle who sleeps in the building, was awakened when the men were trying to force a window open on the south side of the building. After the window had been forced open, one man entered the garage and started toward the office in the front of the garage. When Doyle called for him to stop the man turned and ran, escaping through the open window. Doyle fired three shots from a 22-caliber rifle, but all the bullets went wild, two striking the window facing and one bullet going through the glass.

SERVICE ON ORIENT HAMPERED BY RAIN

The cities of O'Brien, Rochester and Sagerton have been without train service since the big rain Sunday night which fell along the drainage of Red and Pease Rivers to the north and a heavy rain caused a washout to the south and towns mentioned above were stranded regarding train and mail services. Most of the mail where it was possible was routed through Haskell and carried across by E. Thornton Star Route man out of Haskell. The service is expected to be resumed today (Wednesday) if there is no further trouble.

Mr. and Mrs. C. W. Jetton of Meyers Community were trading in the city Saturday.

HEAVY RAINS FELL SUNDAY AFTERNOON OVER THIS SECTION

The rain fell Sunday night in the City according to Judge P. D. Sanders was .93 of an inch with cloudy weather following most of the day Monday. According to farmers living a few miles south of Haskell the rain fall was much greater. Jesse Bland of Sayles says it must have rained 3 or more inches at his place. Cleve Phillips and Frank Simmons, commissioners in the south part of the county stated that quite a lot of damage was done in their districts by bridges and roads caused by the heavy rain fall of Sunday afternoon and night. Rule reports about 75 of an inch of rain. Rochester and O'Brien report about a half of an inch each and Weimer about the same. According to D. M. Guinn of Sagerton the rain fall was about 2 inches at his place one half mile south of town and he further stated that it was the best rain this section has had in two years. Crop prospects have been greatly increased in all the sections mentioned above. Foster community reports very little rain in some places.

IT WILL COST MORE TO GET MARRIED UNDER THE NEW MARRIAGE LICENSE LAW

According to Jason W. Smith County Clerk of Haskell county the new Marriage License Law goes into effect on the morning of June 13th of this year. According to the requirements of the new law parties who expect to get married must file their names with the county clerk not less than three nor more than 30 days before a license to wed can be issued. The cost of getting married will be increased when the contracting parties comply with all the requirements of the new law. Just how much in Haskell county we are not able to say, but the boys may expect to kick in a little more.

BONDS VOTED TO IMPROVE O'BRIEN SCHOOL BUILDING

O'Brien in an election held last Saturday voted \$18,000.00 school bonds for the purpose of building two new rooms to the High School building and thoroughly repairing the old building. Work, according to the president of the board C. M. Walsworth, will begin as soon as the bonds are approved and sold. O'Brien has enjoyed a splendid school for years and the increasing need is more room and better equipment. Prof. T. M. Moore who has been Superintendent for the past several years has resigned his place with the O'Brien School and has accepted a place with High School at Jean in Young County for next year and his vacancy will be filled by T. H. Cunningham who is teaching this year at Cliff. The bonds carried 76 to 28 in a very quiet election.

JEROME SANDERS IS AWARDED HONORS AT TEXAS TECH COLLEGE

Jerome Sanders who has been a student in Lubbock Tech for the past three years was made an assistant teacher in the Chemical Department early in this year and was later chosen with one other (the two highest grade students in the chemical department) to accompany Dr. Reid, head of the Chemical Department to the International Chemical Association in New York City, convening in that city the second week in May. Dr. Reid was an officer and was influential in having Jerome appointed one of the pages of the convention. In a very interesting letter Jerome described the convention building as covering a block and costing fifty thousand dollars for one week's use. He has secured a position for the summer with the Standard Oil Company with headquarters in New Haven, Conn. and began work Tuesday, May 14th.

SON TAKES THE PLACE OF FATHER IN STORE

The Grocery Store in O'Brien operated by the late U. V. Thomas at the time of his death will be continued by the Junior partner, Will Thomas, the eldest son of the deceased. This has been a progressive store patronized by a host of friends and the business will be conducted along the same lines.

TWO CHILDREN TAKEN TO STATE INSTITUTION

Two little girls, Allie Mae Milstead, 7 years, and Velta Mae Milstead, 4 years old, were taken to the State Home for Dependent and Neglected Children at Waco last Friday by District Clerk, Miss Lois Earnest, after Hon. Bruce W. Bryant, District Judge, had committed them to this institution upon the plea of their father, who stated that he was unable to properly care for them. The mother of the children was recently committed to an asylum, and the father, a one-armed man 75 years of age filed a petition in District Court last week in which he asked that the children be placed in a State Institution.

VERDICT FAVORING LOCAL PEACE OFFICERS IN DAMAGE SUIT HERE

A verdict favoring the defendant was rendered by the jury in the damage suit instituted by Hallie Chapman and wife versus Sheriff W. T. Sarrells, County Attorney F. M. Robertson, et al, which was tried in District Court here last Thursday. Selection of the jury occupied Thursday morning and evidence in the case was finished during the afternoon, eight witnesses being placed on the stand, three by the plaintiff and five by the defendants. Defense witnesses who testified were W. T. Sarrells, C. A. Lewellen, Dr. L. F. Taylor, and Miss Dorothy Herrin, 12 years of age. Witnesses testifying for the plaintiff were Mrs. Hallie Chapman, Mrs. Roy Weaver, and Mrs. M. M. Emerson.

Jury Returns Verdict Friday Afternoon After Forty-Five Minutes Deliberation in \$20,000 Damage Suit Against Sheriff and County Attorney.

The five-weeks term of District Court will end next week, with the docket in better shape than for the past five years, according to court officials.

5-WEEKS SESSION OF DISTRICT COURT ENDS NEXT WEEK

One civil case has been set for Monday. On Tuesday the case of The State of Texas vs. Snowdie Bradley, charged with violation of the liquor laws, remains as the only criminal case set for trial next week. The remainder of the week will be devoted to the trial of non-jury cases, more than likely.

JURY FAILS TO AGREE IN LIQUOR VIOLATION CASE

Warren Henry, son of Mr. and Mrs. A. C. Henry of Rule, underwent an operation for appendicitis at the Plainview Sanitarium about 10 days ago and on last report he was doing nicely. Warren lives now in Plainview but was reared near Rule where he has many friends who will be glad to know that his operation was successful. Mr. and Mrs. Henry, his father and mother, were present at the time of the operation.

JURY FAILS TO AGREE IN LIQUOR VIOLATION CASE

A case tried in District Court which was overlooked in last week's paper was that of the State of Texas vs. Snowdie Bradley, charged with selling intoxicating liquor. The jury in this case was unable to arrive at a verdict and was discharged after several hours' deliberation. The case was set for re-trial next Tuesday, May 21st.

SUMMER SESSION OF HASKELL SCHOOLS WILL START MAY 27

After an elapse of one week, the summer session of the Haskell High School will open. It is planned to offer work in all the courses perhaps perhaps excepting the languages. For the first summer, work will be offered for the grade children also. The summer school will afford an opportunity for students to continue their study through the six or seven weeks when only idleness would prevail. It will be a better day for the schools when the doors will remain open through the year, work continuing during the summer. The summer school will be valuable especially for those who have made-up work to do. Other students may take new work toward advanced credit or for the purpose of "warming up" on a new course where no credit is desired. It is hoped that an increased number of patrons will take advantage of sending students for summer study. Classes will be held from 7 until 12 in the forenoon during six days per week. Any student or patron desiring information should communicate with Supt. J. Horace Bass or Prin. J. O. Dodson.

Miss Johnnie Morgan of Stamford was last week's guest of her parents Mr. and Mrs. Earle Morgan and was accompanied home by Miss Evelyn Warrick of Stamford.
