Beneficence,

silk dresses or damping their feet, has been a systematically curtailed without corresponding mystery to him ever since. Here was a religious meeting completely collapsed, and a social party reduced only about twenty per cent., and all by the same storm. How is it not entrance we almost whether we will or mesphere needs for its own purification, so

two Indians on horseback, driving off horses as fast as they could hurry them. We rode after them and when they saw that we would overtake them, they dismounted. They had two large American horses, shod all round, and in good order.

They had and in good order.

They had ard so good order.

They had ard so good order.

They had two large American horses, shod all round, and in good order.

They had the unfortunate red men of the forest. I whistle, you give all, hazard all for what you might obtain a much lower rate, then wake, because the thouse something like salt out of the said vessel, and put it into the child's mouth which the flocks of said vessel, and put it into the child's mouth which the flocks of the said vessel, and put it into the child's mouth which the flocks of said vessel, and put it into the child's mouth which the flocks of the said vessel, and put it into the child's mouth which the flocks of the said vessel, and put it into the child's mouth which not being very galatable, the little feithen, even that water which in its face.

He then took something like salt out of the said vessel, and put it into the child's mouth which the flocks of the the took something like salt out of the said vessel, and put it into the child's mouth which the flocks of the said vessel, and put it into the child's mouth which the flocks of the would draw at the well at which the flocks of the said vessel, and put it into the child's mouth which the flocks of the said vessel, and put it into the child's mouth which the flocks of the said vessel, and put it into the child's mouth which the flocks of the said vessel, and put it into the child's mouth which the flocks of the said vessel, and put it into the child's mouth whi water. The ancients assumed that there was a difference of level between the Red Sea and the Mediterranean, and precautions were taken to prevent the salt water of the ro. The general decay of Egypt brought about a decay of this canal again, and it beand back of the neck, and wiping each place annointed with the cotton, having some Latin leave it to your own judgment and recollectormula for each application. He seemed twery cautious that he did not mix the contract the productions of the highest name in these latter days. In the Bible every agent appears are to the productions of the highest name in these latter days. In the Bible every agent appears and neck as a self-subsisting individual; each report. The length was about nipety-three miles, through a low, barren, sandy plain, at the camp and put the two squaws and their camp equippage on two of the Indian ponies, and came over the branch where we was guarding the two we had. The two Indians and a guard on each side of them swere walking ahead of the company. Just as they got to us, or near by, one of the guard stepped before one of the Cherokees and struck him with his fist on his nose and line and struck him with his fist on his nose and line and cart the struck of the made of the camp and put the two squaws and practically accepted as an equivalent.—You must throw away the brass in your proposed to another part, as he wpct as the fingers carefully after each application. He higher power of an omning the reconciled in the higher power of an omning the reconciled in the higher power of an omning the reconciled in the higher power of an omning the reconciled in the higher power of an omning the two we had. The two Indians and a guard on each side of them sway your rays of self-righteousness, that you may be clad in "fine linen, clean and white;" throw away your rush-lights and sate they got to us, or near by, one of the guard stepped before one of the Cherokees and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nose and line and struck him with his fist on his nos and the Mediterranean were identical, and La Pere made a great mistake, which he attributed to a hasty survey made in the time Indian looked him in the face and smiled as pleasantly as the creature could in his suffering condition. We moved on from this place a mile or two, and stopped about four o'clock, for the night. The next move was to catch the other Indian which was out hunting. Some fifteen men were sent round in different directions to watch for him, and about sunset two of them drove him, and about sunset two of them drove him, and about sunset two of the modern the place and the previous day. He had done on the previous day and the reason find the free was any Indians killed, to fetch him a which you cling to as if they were really valuable, there was any Indians killed, to fetch him a which you cling to as if they were really valuable, are but dross in God's esteem, yea, about all the time, and you will they appear to you when you have laid all down at the cross of Christ, and have, in lieu there, of the Red Sea, towards the Bitter Lakes, consisting of a catch the ceremony of baptizing at the cross of Christ, and have, in lieu there, of the Red Sea, towards the Bitter Lakes, consisting of the catch the ceremony of baptizing at the cross of Christ, and have, in lieu there, and you will have some idea of the ceremony of baptizing at the cross of Christ, and have, in lieu there, and you will they appear to you when you have laid all down at the cross of Christ, and have, in lieu there, the had of the Red Sea, towards the Bitter Lakes, the bit we some idea of the ceremony of baptizing at the cross of Christ, and have, in lieu there, and the will only the complete the present Would you then be so happy as to die in of war. The possibility of restoring this ancient canal was discussed. There is a ridge at the present moment at the end of the Red N. S.

to believers.

3. Frequently clear up your evidences for with a fresh stream from the canal of Sesosteaven, and beware of letting sin blot them tris, and from it Lake Temah was supplied with pure water.

Sir George Simpson, on the authority of Russian America, states 5. Meditate much on those premises which that there is standing in that province,, a tree

THE TEXAS WESLEYAN BANNER.

A Critic.

Our correspondent, R. G., who criticises garded his will as law.

"O'erwhelmed with his stupendous grace, They onward with rejoicing move; And breathe unutterable praise.

And rapturous awe and silent love."

offered up to the throne of heavenly grace?

Many very successful campmeetings have been held the present year, and we trust that been held the present year, and we trust that been held the present year, and we trust that been held the present year, and we trust that the force of again, and that conversion is instantaneous;

The Substance of wesieyan Freaching from the North than from the North than the Stated:

"The great truths that men must be born again, and that conversion is instantaneous; the substance of wesieyan Freaching from either of the depositories, be sent to me as from either of the depositories, be sent to me as again, and that conversion is instantaneous;

be a year of the most signal prosperity of the most signal prosper Let the universal mind of the church be He was standing on a table board in an erect of regeneration as something entirely differbe a year of the most signal prosperity of the church in Texas—one in which the light preach: though I have heard many a fine the church in Texas—one in which the light preach: though I have heard many a fine the church in Texas—one in which the light preach: though I have heard many a fine the preached about an hour in such performance of ceremonies, from a manner as I scarce ever heard any man performance of ceremonies, from a manner as I scarce ever heard any man performance of ceremonies, from a manner as I scarce ever heard any man performance of ceremonies, from a manner as I scarce ever heard any man performance of ceremonies, from a manner as I scarce ever heard any man performance and a monkish life; of regener sixteen whites and fifteen hundred and forty-performance and a monkish life; of regener sixteen whites and fifteen hundred blacks.

The Wesleys.

Wesley's which abounds with interesting the filtering will be read with interest fully prepared to make upon verified the section of the communication, not having had time for a cert off persual. Our present inpression is that its length and highly speculative claration objects to its publication in our columns. We are the interesting and the print and ability of the print ability of the print and ability of the print ability of the print and ability of the print gy, good judgment and earnestness remained pation was so terrible. counsellor of her son when he was assailed

follows:

those which are to be held will be attended with gracious results. At all of them may the ministers be as flames of fire and the saints rejoice in goodness.

What may we not expect from these extraordinary meetings which cause the public mind to palpitate with profound interest on the subject of religion? Who will not indulge the largest hopes? Shall not the success of this surpass that of last year?

Let the universal mind of the church be largest hopes with the service of the saints and that conversion is instantaneous; again, and that conversion is instantaneous; that they must be justified by faith; that they must be justified by f of truth shall shine forth from Zion, and gleam along the entire firmament of our land, and the most glorious results will follow.

Such an expectation as this will ensure success, as it must be associated with strong faith in the divine promises, and in the efficiation in the divine promises, and in the efficiation of fervent, believing prayer.

Has not word for truth shall shine forth from Zion, and gleam along the entire firmament of our ceptation of sermons, I never heard any man sermon, according to the common taste or accountenance and a monkish life; of regener dation, as a mysterious change of the heart, wrought by the Spirit of God, which no one can comprehend, but as real and undeniable as our own existence on hundred blacks. The Congregationists, (Clapp.) number two discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident signs of a vehement description of sermons, I never heard any man discover such evident sign cacy of fervent, believing prayer. Has not God said to all his people, "According your faith it shall be unto you?"

at Oxford, and still later, when thousands re-Our correspondent, R. G., who criticises garded his will as law."

John Wesley preaching on his father's tombstone, deeply interested the writer—in short an abiding place. At first he allowed the morth-east corner. That would look about as beautiful as to have both eyes of a man on one side of his nose.

We think their present position is more in accordance with the dictates of good taste.

As to the Editor's table, we cannot be driven from our conviction of its propriety: all good papers have it, or what is equivolent thereto.

We are glad to find any of our betthren.

We are glad to find any of our betthren.

We are glad to find any of our betthren.

We are glad to find any of our betthren.

We are glad to find any of our betthren.

An excellent constanting any memory the the excellency but an abiding place. At first he allowed them to preach at one station but one or two months; subsequently, one, or at the utmost of the Editor's table, we cannot be driven from our conviction of its propriety, be says. at six I came and sake when the excellency by Mr. John H. Its Bowman of Law to the beauty of the mysteries of the beauty subsequently one, or at the utmost of ways and the power is of God, and not of man. They must demonstrately one or at the utmost of ways and the power is of God, and not of man. The meeting was continued from day to be sent to the beart an abiding place. At first he allowed them to preached for a wager. John Thorpe jumped on the table last, in great glec. opened the Bible, and his eyes fell to the table last, in great glec. opened the Bible, and his eyes fell all likewise perish. He became serious and prother with the subsequently one, or at the utmost and the power is of God, and not of man.

They must always stand ready them to preached for a wager. They must always stand ready to be sent to the ble last, in great glec. opened the Bible, and his eyes fell all likewise perish. He became serious and prother with the feelings which came serious and all likewise perish. He became serious and a Campmerfings.

Campmerfings.

Of the great utility of campmeetings, most of our readers are fully apprised. Their success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success in Texas fully warrants their continuous and the properties of the success of the success in Texas fully warrants their continuous and the properties of the success of the success in Texas fully warrants their continuous and the properties of the success of t success in Texas fully warrants their continuance.

At these meetings, in past years, thousands have been awakened, born of the spirit, and have been awakened.

Their the utmost. Upon that hallowed spot he was inspired, as Southey says, "like the Greek tinspired, as Southey says, "like

have been awakened, born of the spirit, and have been awakened, born of the spirit, and affectionate, the holiest, the profoundest feel. The most affectionate, the holiest, the profoundest feel. The defendants in the Suit instituted by the eternity. The degree of A. B. was then exulted in the divine witness of their ac- ings of his nature were touched. "Seven nary forms of selfishness. WASHINGTON GOUCHER, BRICK-LAYER,

AUSTIN COLLEGE HUNTSVILLE, TEXAS

IT is perhaps not known at a distance that the Trustees of Austin College, at their last meeting, gave encouragement to a preparatory school,

BRITISH PERIODICALS AND THE

LEONARD SCOTT & CO. NO. 54 GOLD ST., NEW YORK,

dreamless grave, and the only approach thereto is through a dark valley, inwrapped in
deepest shade. No wonder that the poet
should mournfully exclaim,

"And thou art terrible, O, death."

The day before her death I entered her
room and found her suffering greatly—she
can conquer this "terrible" foe. It meets the
"strong man armed" with one "stronger than
he." It leads the Christian to the gloomy
vale, but as he enters its shadows, it hangs

dreamless grave, and the only approach there
is though a dark valley, inwrapped in
deepest shade. No wonder
that the poet
should mournfully exclaim,

"And thou art terrible, O, death."

The day before her death I entered her
room and found her suffering greatly—she
was gasping for breath—but still she faintly
smiled and said, O, my brother, I can't talk
much now, but will talk it all over when we
get to heaven."
