

EVERYTHING READY FOR BIG CELEBRATION
(Continued From First Page)
the grandstand. In the afternoon, the barbecue will be spread at the Fair Park, and the motorcycle and bicycle races will be staged on the Haskell County Fair Track.
B. Siegel, chairman of the entertainment committee, states that additional attractions may be secured,

and if so, they will be announced in next week's paper. However, the program as now arranged provides for entertainment throughout the day for everyone.
Practically all the business houses in the city will be closed for the day, as has been the custom in the past, in order that the business men may join in the day's celebration. It is probable that some arrangement will be made whereby the filling sta-

tions and garages will remain open a part of the day in order to care for visitors, and arrangements to this effect will be given next week.
Henry Alexander, director of the races for the Fourth, has received a number of entries for the day's events, and says that if the inquiries he has received is a fair index, that the number of entrants will eclipse that of any previous year. The motorcycle races here on the Fourth is the only event of its kind being staged in the Southwest on this date, and for this reason some of the fastest racers in Texas and Oklahoma will be contenders during the races here. The purses offered are very attractive, and keen competition is assured in every event. Riders who are known throughout the Southwest for their skill who have already signified their intention of entering the event here are: Rural Murray, Gus LaBude, Geo. Zerchausky, Pilgrim, E. A. Kathcart, Chalk Athens, Wade Anthony, and Hiram Thompson. Many others have asked for entry blanks, and doubtless the list of entries will be doubled before the end of the week.

RULE CREAMERY TO BE IN OPERATION SATURDAY JUNE 22

The Rule Creamery Inc. will be ready for business next Saturday, June 22nd, and will receive cream both sour and sweet. Their prices will be in line with other companies and you will have the advantage of getting returns on your cream at once if delivered to the Creamery, and the next day if picked up from one of the pick up stations.
The Rule Creamery is one of the most up-to-date in this part of the country and in the near future they will have a formal opening, at which time the public will be invited to come and inspect and see for yourself the modern machinery and the sanitary way in which the Creamery will be operated. They have employed Mr. W. B. Jones to run the plant. Mr. Jones has had several years of experience in this line of work and is well qualified to give the public the very best service that can be had.
The management has informed us that they will have pick-up stations at the following towns: Haskell, Monday, Weiner, Knox City, O'Brien, Rochester, Sigerton and Oil City. In addition to these stations the creamery will receive cream at the plant any day. They have purchased a refrigerator truck and this truck will make regular runs each day to the pick-up stations, where they will take your cream, place it on ice and bring it back to the plant in perfect condition. There your cream will be tested and the following day your check and can will be returned to you thru your station. For any other information that you may wish regarding cream, get in touch with your station and he will explain any details.
The creamery will manufacture ice cream in all the popular flavors, butter from both sweet and sour cream, pasteurized sweet milk and Bulgarian butter milk.
The creamery has also offered a grand prize of \$25.00 to the person submitting the best name for their ice cream and butter. Any name

that you wish to submit will be received up to July 1st. The judges will select a name from the list received and make the award as soon as the decision is made and a name adopted. Every person young or old is eligible to participate. Send in your choice to the Rule Creamery Inc., Rule, Texas, with your name and address.
Watch for the date of the formal opening.

AUTO RACES AT ABILENE JULY 4TH

(Continued From First Page)
sanction of the AAA, only seven of them will offer larger prizes. This, of course, does not take into consideration the eleven contests listed on the championship circuit.
The southwest area, in which is included Texas, Oklahoma, Arizona, California and Colorado will have thirty-five officially sanctioned AAA race contests during this year. The November 16 date at Phoenix is the only one that will offer larger prizes to winning drivers than is guaranteed at Abilene. The Phoenix purse totals \$2,750 and by the time the winners in the July 4 contest at Abilene get their cut on the gate receipts, which will be given in addition to the \$2,500 guarantee, it is likely that the total will be more than the Phoenix race will pay.
Only two other race contests will be held in the southwest district on July 4, under AAA sanction, in addition to the contest to be offered at Abilene. One of them will be at Denver, Colorado, for a purse of \$1,800 for all winners in the various events and the other is to be in Banning, California, for total premiums of \$500.
There will be five events on the card presented on Independence Day under direction of D. H. Jefferies, Texas supervisor of the American Automobile Association. The feature of the day will be a 15 mile contest for first money of \$650 and a percent of the receipts.
Born to Mr. and Mrs. Alvin Bird of Center Point, twins, a boy and girl, Sunday, June 16th. Mother and babies are doing nicely.

MAKE WAR ON FINNY TRIBE

Marvin Medford, Bill Thace, Paul Josselot and Bill Schwartz of Josselot Switch were victorious last week in landing a cat fish from the Clear Fork which weighed 30 1/2 pounds and four other smaller fish were caught. Bill Schwartz was wounded in the foot with the big one, but he is not complaining, because he made good in the landing. These boys feel like they are real fishermen and when they talk about catching fish it is just common place with them. The big one never gets away from this bunch to hear them tell it.

HASKELL CITIZEN MAKES MONEY ON COWS

H. B. Weaver living in the north west part of the city gave out the statement regarding the production of his four cows he is keeping in a small lot and feeding them every bite they eat. Last week he sold 17 1/2 gallons of whole milk at 50 cents per gallon and churned 23 pounds of butter which he sold at 50 cents per pound making a total of \$20.25 besides the buttermilk and the milk and butter the family used. This is some more proof that the cow and the hen will pay. But they must have good attention.

M. D. LADIES CANNING

In spite of the dry weather, other hindrances, Mrs. J. L. Thomas and Mrs. J. L. Thomas of the Pleasant Valley have made a good start in their budget for home canning. Mrs. Thomas has canned 10 green beans, 4 quarts of 30 quarts of plums, Mrs. Thomas has canned 22 quarts of plums, Mrs. Thomas has canned 22 quarts of plums, Mrs. Thomas has canned 22 quarts of plums. And these are going forward with them. They are both members of the Home Demonstration

INTERIOR OF GRISSOM BUILDING REMODELED

Work was started last week on remodeling the interior of the Grissom building on the northwest corner of the square, which will be occupied after August first by Perry Bros. Variety Store.
A crew of carpenters has been busy all week installing new fixtures, show windows, etc., and remodeling the entire ground floor of the building. New plumbing and fixtures have also been installed, and when the work is completed, this building will be one of the most desirable locations in the city's business section.

WEST TEXAS UTILITIES CO. IMPROVING SERVICE

Construction gangs of the West Texas Utilities Company are working overtime in virtually all of the 10 districts on the properties of the company extending distribution systems, building additional high lines and improving electric service.

This construction activity has been made necessary by the numerous additions of new customers, heavy sales of electrical merchandise and equipment and extensive building programs now under way in many West Texas cities and towns.

The following projects now are under construction or soon will be:

1. Mile 2300 volt line from Abilene to Abilene Christian College addition, northeast of town; 1000 feet primary and secondary distribution system in A.V. addition; four-mile construction with Southwestern Bell Telephone Company.

2. Three phase 400 volt line to serve motor in Humble Pipe Line station; Cook Oil Field, Shackelford County.

3. One and three fourths mile single phase 2300 volt line to serve County Club property north of Crowell, Tex. Rebuilding 2300 volt single phase line at Rochelle to serve 10 new lighting and two range customers.

4. Improve distribution system at Menard.

5. Construction 110 and 220 volt line at Miles to serve new addition.

6. Increase and extend distribution system at McCamey to serve 55 new customers.

7. Extend distribution systems at Wellington and Hedley to serve new light and range customers.

8. Extend series street lighting circuit in Westland Park, San Angelo and install seven additional lights. This also will serve 17 metal standards in Westland Park.

WEINERT LADY RETURNS FROM SANITARIUM SUNDAY

Mrs. N. B. Allright, who underwent a number of operations in the Stamford Sanitarium, was expected to be brought to her home in Weinert last Sunday if no other complications set up. She has been in the Sanitarium for more than 30 days and her many friends will be glad to learn that she is doing nicely now and Mrs. Jones and Mrs. Mosher daughters who live in Weinert will look after her keeping her in their homes.

Miss Phoebe Hays of Hays, Ariz., was a recent graduate of the telegraphy Department of the public Business College in Independence, Missouri has accepted a position in the local Western Union office.

Mrs. Wm. C. Schwartz was shopping in the city from Saperton Route 1, Saturday.

NEW STREET MACHINERY IN OPERATION AT RULE

The new tractor and grader for maintenance of the streets of the city of Rule have arrived and were put into operation at once. The citizens of Rule are elated over the work that this machine can perform in keeping their streets in good condition. It is thought that this machine can get over the streets of the city as often as needed which will be a great saving and pleasure to the inhabitants to be able to drive over well-kept streets.

NEW GOLF COURSE FOR WEINERT

The city of Weinert, especially the male population is very much elated over the new nine-hole golf course which is now established in the Ferguson pasture about one mile south east of the city. The business men of Weinert are giving quite a bit of time to the links and putting them in the best possible condition. This will prove to be a source of recreation for the boys these long afternoons.

OPERATION FATAL TO ATTACK VICTIM

Clarence E. Kelley, 32 Westaco banker who was attacked while asleep in the home of his father-in-law, E. J. Couch, at Westaco last March, died in a Dallas hospital Monday, according to press dispatches. He had been operated on in an effort to restore his voice which he lost after the attack.

Mr. Kelley was well known in this section and his brother Norman E. Kelley, formerly resided here. His father-in-law, E. J. Couch is a brother-in-law of John A. Couch, George Couch and R. C. Couch, all of this city.

Miss Dorothy Boone of Weinert spent the week with her grand mother Mrs. J. S. Boone.

A. E. McIvor who recently moved from Haskell to East Texas has returned and will move his family back to Haskell this week.

Mrs. Davis Hammond of Paris, Texas is the house guest of her sister and family, Mr. and Mrs. Joe Hendricks.

Mr. and Mrs. George Thomason and family moved to Dallas last Saturday. The primary reason for this change was to take advantage of the Dallas schools especially Southern Methodist University. A new brick home completely furnished throughout with new furniture awaited them on their arrival at Dallas.

Mrs. John Robertson of Clyde and Mrs. L. T. Cunningham of Houston are guests of their parents, Mr. and Mrs. W. T. Hudson and other Haskell relatives.

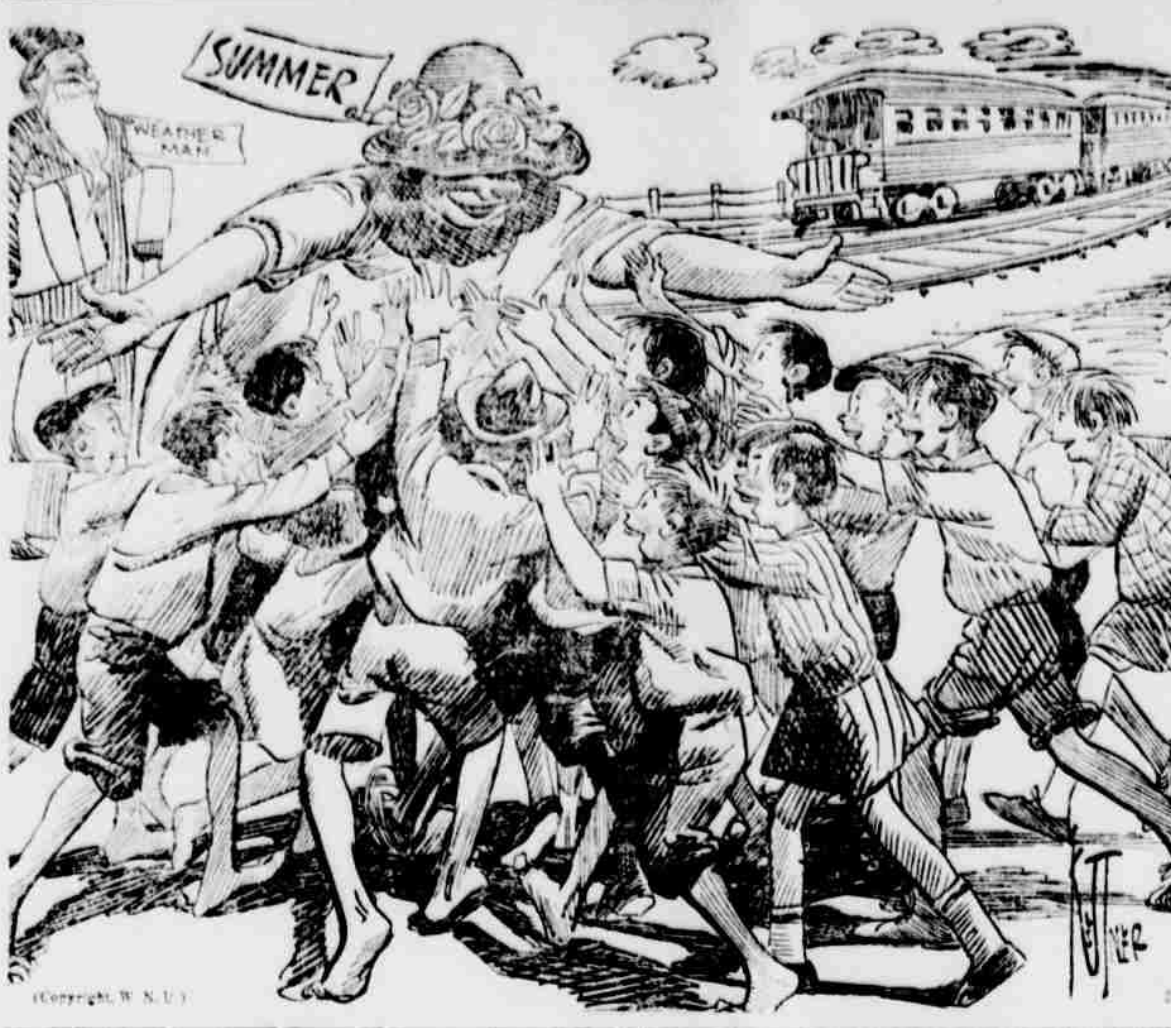

Mrs. W. Jordan and children have gone to Pampa and Shamrock to visit relatives and friends.

Mrs. J. F. Potts was the guest of Mrs. J. E. Giverson of Abilene last Thursday and Friday and was home guest at a lovely dinner party given by Mrs. Giverson.

Walter Miller, who has been teaching arithmetic in Oklahoma high school, the past three years, is visiting his parents, Mr. and Mrs. J. D. Miller who live in Weinert.

Mr. and Mrs. W. E. Lewis are guests of their daughter and family, Mr. and Mrs. W. A. Dink, Jr. and son and family, Mr. and Mrs. Baxter Council, Dallas.

FORMER DISTRICT CLERK OF HASKELL CO. BUILDS WEEK'S POULTRY HOUSE

Mrs. Estelle Tenmyson Lee former District Clerk of Haskell County but who now resides in the city of Rule has erected two sections of the Week's type poultry house and has at this time about 400 pullets which she expects to place in the sections of the poultry house. She also has about two hundred young cockerels which she expects to sell on the market. Mrs. Lee is a poultry fancier and from the success she has had so far, in raising these chickens we predict for her a profit and lots of pleasure in the poultry business.

The hard fight with most poultrymen is in raising their chicks. Mrs. Lee has gone through with this fight and is now ready to reap the reward of her labors in egg production. It has been proven that the Week's California type poultry house which is known as the covered shed plan is the most successful way to handle laying hens for profit. The protection with fresh air and sunshine makes it the favorite poultry house in all the land. It costs less to build a Week's house.

Mrs. J. F. Morrison has returned from Eastland where she visited her father Rev. W. P. Walthall for a few days, returning Monday. She was accompanied home by her brother, Mark Walthall.

Mr. and Mrs. W. M. Brook and children of Mankin were last week's guests of her sister and family, Mr. and Mrs. J. M. Maxwell. They all enjoyed a fishing trip to Ocean Hole on Friday.

Guaranteed USED CARS

OF MANY MAKES ARE TRADED IN FOR THE NEW FORD

Some people think we accept nothing but used Fords for trade-ins when selling the Madel A. That is a wrong impression. Cars of many makes are traded in for the new Ford—some low priced and some are not so low—and many of them are unusual bargains in un-used transportation.

There is a definite reason why we can offer you extra value in these used cars. The value of the new Ford is so high, and the cost so low, that excessive trade-in concessions on buyers' used cars are not possible. In other words we set the trade-in figure at just what the used car is worth.

This means that when we offer a used car for sale, there is no "padding" the price to take care of an unreasonable trade-in allowance. Our used-car department is based on a spirit of fair-dealing—fair-dealing with the first owner who makes the trade-in, and the second owner who buys the unused mileage.

Model T Fords are reconditioned, and carry a guarantee. Other makes are priced strictly according to the unused transportation in them. Come in today and see some of the bargains we are in a position to offer.

Epworth League Institute At Abilene Last Week.

Mrs. E. Gaston Foote, sponsor for the Senior Epworth League of the First Methodist Church has returned from the Epworth League Institute which convened in Abilene last week. Also the delegates who were in attendance there were: President, Charles Foote, Thomas Patterson and Misses Naomi Poteet, Lena Bell Kemp, Elizabeth Gilbert, Vivian Bernard, Geneva Golden, Martha Lou Rogers, Ruby Spurlock and Virginia Sills. The supervised study of an Epworth League Institute are very fine for boys and girls and the presence alone of Dr. Robert E. Goodrich of Shreveport, La. before a body of young people is well worth the trip. Dr. Goodrich was the main speaker on the program.

PIONEER WOMAN OF ROCHESTER DIES

Many hearts were made sad in Rochester last Saturday morning when it was announced that Mrs. Mary E. Wadzick a pioneer of Rochester had passed away at 1:15 o'clock. She was 76 years of age when the end came at the home of her son, M. E. Wadzick near the city. She was a noble Christian woman and had been a member of the Methodist Church since girlhood. She is among the first people to live in the Rochester section of the county and during her long stay she has made many friends who learned to love her because of her sweet Christian character.

Funeral services were held at the Methodist Church by the pastor, Rev. J. B. Hibbert at 4 o'clock Saturday afternoon after which her remains were laid to rest in the family lot in the Rochester cemetery, beneath a bank of beautiful flowers placed there by loving friends in token of the high esteem she was held by them. She is survived by four sons and two daughters. Her husband preceded her in death. The funeral was in charge of the Mansell Bro. Undertaking Department.

Mother of Mrs. A. H. Wair Dies In Ft. Worth

Mrs. Jennie Jones, age 59, and mother of Mrs. A. H. Wair of this city, died at her home in Fort Worth Sunday afternoon, and was buried in Greenwood cemetery in that city on Monday following.

Mr. and Mrs. Wair were at the bedside when the end came, having gone to Fort Worth several days ago for a visit with Mrs. Wair's mother. While there, Mrs. Jones was taken seriously ill, her daughter and family remaining with her until the end.

The deceased was well known here, having been a frequent visitor in the home of her daughter in this city, and her beautiful Christian character and disposition had won for her a large circle of friends. She is survived by three daughters, Mrs. A. H. Wair of Haskell, Mrs. C. P. McLeary of Fort Worth, and Mrs. L. B. Brown of Cleco, and four grandchildren: Catherine, A. H. Jr., and Nancy Sue Wair of this city, and Harold McLeary of Fort Worth.

Mrs. Jones was born in Tennessee, coming to Texas about fifteen years ago. She was a devoted member of the Methodist Church, and her life was spent in the service of her Master. The many friends in this city of the deceased and her daughter, Mrs. Wair, extend their sympathy to the bereaved one in their sad loss.

PENDER DAY AT ROCHESTER CHURCH

Rev. R. C. Pender of Abilene representative for the Buckner Orphans Home of Dallas was in Rochester last Sunday and preached at the Baptist Church Sunday morning. There was a large congregation present and a good collection was taken for Buckner's Orphans Home. Bro. Pender is loved by all the churches of West Texas, and they are always glad for his annual visit.

Server Leon and J. E. Davis of Rule were in the city Wednesday and made this office a pleasant call. These boys are working in the interest of the Rule Creamery and you will find their add in this issue of the Free Press.

John L. McCollum of Washington D. C. is spending his vacation with home folk.

Mr. and Mrs. N. I. McCollum and family.

Rev. and Mrs. George H. Morrison were in Abilene Saturday guests of their son and family.

Mr. and Mrs. Thomas Morrison.

Miss Pauls McClerry of Memphis, Tenn. is the house guest of Mr. and Mrs. N. I. McCollum.

Judge and Mrs. J. G. Foster and son J. G. Jr. motored to Hamlin and visited friends and attended to business last Saturday.

LOCAL NOTES

R. F. Whorton of Chillicothe has moved to Haskell and is connected with the Service Cleaners of this city. Mr. Whorton is an experienced tailor and we are glad to welcome him to our city.

George Atchison of this city is reported very ill and his many friends will regret to learn of his illness. Mr. Atchison is one of the county's best citizens and has lived in this section of Texas for a number of years. We trust that he will soon recover from his sickness which is reported quite serious.

We regret to announce that Chas. McGregor of this city was carried to a Wichita Sanitarium this week for the benefit of his health. He has been sick for some time, though able to be up most of the time and it was thought that it would help him to go to the Sanitarium. His many friends are anxious about his condition and hope that he will soon regain his health.

Mrs. J. W. Liles and children of Myers were shopping in the city Wednesday.

Mrs. Ida Reid of Dallas is spending the week end with her brother, Mike Perry and family.

Shelby Harris of Sayles was a business visitor to the city Saturday.

Albert Peiser of Irby was a business visitor to this city Monday. He is a good farmer and was getting along nicely.

Ollie Harrell a young farmer of the Foster community was in the city Saturday on business. Mr. Harrell is a White Leghorn fancier and has a fine flock of hens and pullets.

Mr. and Mrs. George Mobley of Wichita Falls came overland last Tuesday and visited Haskell friends. Mr. Mobley returned to Wichita Falls but Mrs. Mobley (nee Miss Leda Bolin) remained for a visit with Mrs. Frank Ragsdale in the home of her parents, Mr. and Mrs. H. M. Smith.

Mrs. Henry Lee has been suffering with a serious cold for the last five weeks and left Wednesday for the Quannah Hospital where she will be under treatment of Dr. Hannah. Mrs. Lee will also have her tonsils removed while there. Dr. Hannah is a specialist in the Quannah Hospital and also a cousin of Mrs. Lee.

W. W. Koonce is established in his new office in The Texas Theatre building. Mr. Koonce will handle loans, insurance and real estate. This is one of the best sites in the city and every one is extended a cordial invitation to call at the new office.

MANKINS OIL FIELD WORKER PRAISES ORGATONE

"I'VE GAINED TEN POUNDS AND FEEL BETTER NOW THAN I HAVE IN A LONG TIME," SAYS SHUGART

"I have taken two bottles of Orgatone and have actually gained ten pounds," was the statement made by Mr. J. C. Shugart, living in Mankins, Texas, a local oil field worker there.

"I had lost a lot of weight and if you had seen me the day I started taking Orgatone, you wouldn't take me for the same man now. I began having trouble with my stomach several years ago," he continued, "and nothing I have ever taken did me any good. I was in a very weak and run-down condition and did not have any appetite at all, and what little I did eat I just forced myself to do so, to keep me going. I didn't rest at all of a night and food soured on my stomach, and wouldn't digest. I was constipated and was gradually losing what strength and energy I did have."

"Orgatone was advertised so highly and I knew several of the people who had taken it and thought that it wouldn't do me any harm so I got a bottle. It was a very lucky day for me. I eat everything I can buy, and stomach trouble doesn't bother me at all. I'm not nervous anymore, and sleep and rest fine. I'm glad I bought Orgatone for it has certainly been worth a lot more to me than it costs. I've taken a lot of medicine but Orgatone has done the work for me. I now feel like a different person and look it too. I am glad to say what I can for this medicine, and anyone would not be making a mistake to take it, if they suffer as I did."

Genuine Orgatone may be obtained in Haskell from the Oates Drug Store.

THE CHURCH

The Church was organized by our Saviour. The Church is the only Divine Institution. The ultimate purpose of the Church is to carry the Gospel to the world. If the world is ever brought to Christ it will be done through the Church. The Church makes our community a better place in which to live. The Church even adds value to your property in dollars and cents.

WHAT ARE YOU DOING FOR THE CHURCH?

The Baptist Church Welcomes You

Rev. Kinser of Abilene at the morning service. He is one of our best preachers and will bring you a soul-stirring message.

Mr. and Mrs. W. P. Trice, Mr. and Mrs. Hill Oates, Mr. and Mrs. J. P. Payne, Mr. and Mrs. Lee Glazener, Mr. and Mrs. Theron Cahill, Mr. and Mrs. Clyde Grissom, and Misses Lela Welsh and Lois Earnest.

Newcomb Murray.

Miss Veda Newcomb of Lueders and Mrs. Troy Murray of Alpine were united in marriage in a most beautiful church wedding at the Rockdale Baptist church on Monday evening, June 10, at 8:30 p. m. Rev. E. J. Barb, the pastor of the church read the ceremony that united these young people in the holy bonds of wedlock.

Miss Clairene Newcomb sister of the bride, was maid of honor, while Mr. Walter Garnett of Alpine, a life time friend of the groom was best man. The bride's attendants were Miss Reba Cobb of Lueders, Miss Nell Mewshaw of San Benito and Miss Bessie Terry of Stamford. The ushers were, Mr. Burl Bunkley and Mr. Walter Adams of Stamford and Mr. Leo McKeever of Lueders.

Little Miss Pearl Newcomb, baby sister of the bride, acted as flower girl, and Master S. G. Cobb, Jr. son of Mr. and Mrs. S. G. Cobb presented the ring on its satin pillow. The bride was lovely in a shell pink gown with a rhinestone ban-

deau used instead of a veil. Miss Clairene Newcomb wore yellow; Miss Mewshaw, orange; Miss Cobb, blue; Miss Terry, orchid and little Miss Pearl Newcomb, deep pink. These delicate pastel shades formed a lovely picture against the green and white candle lighted altar.

Proceeding the ceremony, Mrs. Ruth Moore sang, "At Dawning." Mrs. E. J. Barb played the Mendelssohn wedding march for the procession.

Mrs. Murray has been one of the most popular young women of her home community. Last year she taught in the Post school. Before that she taught for three years at the Cobb school. Mr. Murray is the Studebaker agent at Alpine where they will make their home.

Edwards-Keel.

Mr. Elmo Edwards of the Ballev community and Miss Clara Keel of the Powell community took their many friends by surprise when they drove to Rule Saturday morning and were united in Marriage by Elder W. H. Richards at his home in that city about 11 o'clock. The bride is the beautiful daughter of Mr. and Mrs. L. M. Keel and is well and favorably known. The groom is the son of Mr. and Mrs. J. B. Edwards who is known to be an energetic young farmer of good

habits. The happy young couple have a host of friends who wish for them much joy through life. They will make their home in the Ballev community where the groom is engaged in farming.

Jossett H. D. Club.

Mrs. Bulah Toliver was hostess to the Jossett Home Demonstration Club, which met in regular session, on the second Wednesday afternoon of June 12, with ten members present.

This was a very pleasant meeting and all members that were absent missed a very pleasant afternoon and the interesting topics that were discussed.

Our Club is progressing nicely and our members are beginning on their canning budget for the home use. Our club members have canned about three hundred quarts of fruits and vegetables, and are still going forward in their canning work. All members are urged to be present at our next regular meeting as that is our last meeting before the dress contest closes.

Judge J. W. Mason of Rule was a business visitor to our city Monday.

J. V. Lewis living west of Weinert was in the city Monday on business.

Presbyterian Church

Rev. and Mrs. M. L. Baker are in Kerrville this week attending the young people's conference. They have a fine group of young people from Haskell with them. They are: Misses Rachel Solomon, Mary Frazier, Lucile Roberts and Dixie Orr. They will be away for about ten days.

There will be no church services next Sunday on account of the Pastor's absence and the members are urged to attend the services of some of the other churches, especially the evening services at the Christian Church where the revival meeting is in progress.

The Sunday School will meet at the regular hour, 9:45 a. m. Every member is urged to be present on time.

The Chevrolet Six offers all the Distinct Advantages of BODY by FISHER

STYLE QUIETNESS

The new Fisher bodies on the Chevrolet Six are unusually smart and attractive. Concave front pillars lengthen the profile—the effect of the side paneling extends well up over the roof line—and all rear quarters are artistically molded.

As a result of their composite wood and steel construction, Chevrolet's new Fisher bodies are exceptionally quiet. The roof is padded to prevent rumble. And wherever wood and metal contact, a layer of insulation prevents noise.

COMFORT APPOINTMENTS

In comfort, too, these new Fisher bodies represent a marked advance. The seats are deeply cushioned. Upholstery is "built-up" for added luxuriousness. And the driver's seat is easily adjustable, forward and back.

All hardware fittings on Chevrolet enclosed bodies are designed and built by Ternstedt. Door handles are of the remote control type—window lifts are smart and convenient—and all exterior bright metal parts are chromium-plated.

STRENGTH FINISH

Another outstanding feature of these new Fisher bodies is their sturdy construction. Built of selected hardwood and steel, they provide a measure of strength, endurance and safety that is unapproached in any other low-priced car.

No single feature of Chevrolet bodies has created more widespread comment than their beautiful finish—made possible by the superlatively smooth surface of the steel body panels. Applied against this silken surface, Chevrolet finishes are uniform, lustrous and permanent.

Farm News

By W. M. FREE
Field Editor

In order to find out the damage done by the storm of Tuesday afternoon of June the 11th, we drove out north of the city. Friday morning we visited a number of the farmers who were struck by the storm.

Fred Monke.
About 75 acres of Fred Monke's cotton crop was destroyed by the storm and he is now planting it over. The hot sun and wind have dried out the ground so much, there is a chance of not getting a good stand without more rain. The cotton which is left looks scorched as if by fire. According to Mrs. Monke the wind blew very hard and was twisting just like a real cyclone.

J. W. Liles.
According to reports, J. W. Liles living on one of Mr. Fred Monke's farms, lost about 100 acres of cotton during the storm. He had at least 150 acres up to a good stand and now he is planting over the 100 acres. Mr. Liles has been living in the county for a number of years and is hardened to the ways of West Texas. He is going right ahead doing his part.

G. W. Jetton.
According to Mrs. C. W. Jetton their crop was not so badly damaged. She thought that not more than 15 or 20 acres of their cotton would be to plant over. Mr. Jetton lives on Fred Monke's home place, a little north of where Mr. Monke and Mr. Liles live and the storm was not quite so severe.

E. E. Eastland.
According to E. E. Eastland, he will have to plant over at least 50 acres of his cotton crop, but the damage was not as great as he first thought. He says the wind was very destructive at his place but quite a lot of his cotton will come out he believes.

M. E. Park.
At the farm of Mr. M. E. Park, the storm was very severe. He was running his planters and putting the cotton seed in the ground with a rush. Very little of his cotton crop was left and he is anxious because of the lateness of the season to get his cotton crop replanted.

Calvin Wheeler.
There is one thing the storm did not damage and that was Calvin Wheeler's flock of Leghorn hens, but his cotton was damaged more or less. Just how badly we did not learn, but he is planting some of his cotton over, his neighbors reported.

W. J. Lane.
The cotton crop of W. J. Lane of the Dennis Chapel community was destroyed by hail during the storm and flood of rain fell in that section in a very short while. According to Mrs. Lane he will have to replant his entire cotton crop. Feed was damaged but thought to be in condition to make.

J. V. Lewis.
On the farm of J. V. Lewis west of Weinert, the storm did very little damage and they had a good rain. He has a good crop and he and daughter Miss Florence were in Eastland County visiting relatives and canning some fruit while there to bring home.

E. S. McGuire.
On a small farm our friend E. S. McGuire lives west of Weinert and he cultivates this farm with the help of the family and his farming career is one of success. The storm did very little damage to his place and he is busy with his farm work.

Two years ago from this small farm he made more than \$4,000.00 worth of farm products and last year his farm receipts were more than \$3,000 and this year with good seasons he stands a chance to raise these figures. He bought 100 White Leghorn baby chicks and Mrs. McGuire said they were doing nicely and would increase their flock of laying hens next year. The man on the small farm usually makes a success.

Lawson Bailey.
Running two rigs plowing cotton and rushing to get over is the policy of Lawson Bailey a good farmer living west of Weinert. He suffered no storm damage but had a light rain which helped his crop very much. Mrs. Bailey has a pretty yard of roses and shrubbery.

E. F. Reeves.
Living north of Weinert a mile or so E. F. Reeves and his son A. R. are cultivating the same farm. They are getting along nicely with their farm work and the prospects are good at this time.

G. A. McKinster.
Prospects are fine on the farm of G. A. McKinster, living two miles north of Weinert. He reports no storm damage, but said a good rain fell on his farm. He was chopping cotton and stated that his cotton was almost knee high and had lots of squares and will have some blooms in a few days. He lost about 20 acres of his crop by a sand storm about three weeks ago but he replanted and it is up to a good stand and growing nicely. Mrs. McKinster gave us a good dinner while in their home and we appreciated our stay with them during the noon hour very much.

I. J. Troy.
Coming from Parker to Haskell County, I. J. Troy moved north of Weinert a few years ago where he engaged in farming. He is still on the job and has a good growing crop this year. He had a good rain the day of the storm, but no damage reported. He watches closely his crop conditions and keeps every thing in tip-top shape with the plow. Mrs. Troy has a fine bunch of turkeys and hopes to have a good flock for the market this fall.

M. D. Underwood of Howard Plains recently moved from the South Plains and is farming this year, was in the city Saturday morning. He has 100 White Leghorn hens which through egg production have bought all the family groceries and he still had a credit on the right hand side of the ledger of his groceryman. Dewitt is a hard worker and a good man and we are glad to have him move back and be one of us again. He slipped us the price of the Free Press while here Saturday and will read the county news each week.

Mr. and Mrs. E. W. Welch of Gilliam community were Haskell shoppers Saturday. Mr. Welch is engaged in farming.

G. L. Walker living north of the city was here Saturday. George is one of our good citizens and cultivates a large crop every year.

Earl McNeill who is now living at Brownfield was here this week visiting relatives. He says that they have good crops on the south plains at this time and have plenty of rain.

George Piland of the Rose community was trading with our merchants in the city Saturday. George is one of our leading farmers who keeps cows and chickens on the side.

Mr. and Mrs. L. N. Lusk of the Midway community were shopping in the city Saturday. Mr. Lusk said the sand storm of last week did not damage his crop much.

Rev. H. W. Barnett, former Methodist pastor of Weinert who is now stationed at Wheeler on the north plains is spending a few days with friends in Weinert.

C. G. Stark a good farmer living east of town was marketing produce in the city Saturday. He sells enough from the farm each week to buy his groceries.

Mr. and Mrs. Jess Adams of Foster were shopping in the city Saturday. Jess has some funny stories to tell about the big sand storm they had in his section last week.

H. L. Wood of the Midway community was a business visitor to the city Saturday. Mr. Wood sells lots of eggs each week and he says that diversifying pays.

George Klose living east of the city was here Saturday. He brought in a big bucket of eggs for the market which is an every Saturday occasion with George. He is a real good farmer.

Mr. and Mrs. A. S. Bristow of Foster were shopping in the city Saturday. Ab stated that he had been working hard for the past few weeks but was getting up with his work and could find time to come to town on Saturdays.

M. B. Howard and wife of the Howard community were Haskell shoppers Saturday. Bunyon says this year as been an unusual year with the farmers and he is hoping to see the weather get off the extreme and go back to normal.

C. W. Mathews of the Rose community was in the city Saturday. He says he is cultivating 100 acres with one team and he says it has kept him stepping about 14 hours every day to keep up his plowing.

J. C. Halliburton and his son and daughter were Haskell visitors Saturday. Mr. Halliburton owns a good farm near Foster School house. He stated he had finished planting his crop the past week. He lives in the sand and is not in a rush about planting his crop too early in the spring. He grows a living on this farm besides his cotton and feed crop. He has a good garden, lots of fruit and berries. He keeps cows and is one of the best hog raisers in the county. He is a pioneer breeder of Red chickens and has helped to create the desire among the farmers to raise better chickens.

T. D. Strickland was in the city Saturday from the Sayles community where he is engaged in farming and says that he lead the way last week in an aggressive cultivating campaign on his farm and that his crop is looking good.

H. D. Gammill of Rochester Route Two was a business visitor to the city Saturday. Mr. Gammill owns a good farm. He has a large hog pasture and keeps chickens and cows, and has some fine Alfalfa growing on his farm.

I. H. Harrell of the Foster community is becoming one of the largest poultrymen in the county. He will have 900 Leghorn hens enclosed in a Week's hen house next year. He bought his chickens by the thousand in the spring and raised his pullets selling his cockerels when about six weeks old. Ike is a good farmer and attends closely to what ever he undertakes to do.

T. A. Payne of south of town was seen on our streets Saturday for the first time in quite a while. He has been a very busy man having a scrap with General Green, but we guess he is more than conqueror or he would have remained in the battle to the end.

E. A. Howard and wife of the Post community were Haskell shoppers Saturday. Emmett says they have had lots of rain in the Post community, but that it's getting a little dry on the old feed. But he says crops are pretty good.

Industries Are Trekking Toward the Smaller Towns

CONGESTED quarters, high rents, exorbitant taxes and unsatisfactory labor conditions are slowly but surely driving industries from the larger cities to the country.

THOUSANDS of manufacturers, mill owners and big businessmen yearly are realizing the advantages of quiet, unobtrusive, inexpensive living and excellent labor conditions offered by small town and are trekking in that direction.

THE majority of the small towns in West Texas can have their share of industrial development because they have the necessary facilities, of which none is more important than uninterrupted, economical electric power.

THE WEST TEXAS UTILITIES COMPANY, with more than 2,000 miles of transmission lines and 70,000 horsepower of electrical energy, guarantees the industry the same efficient service they have enjoyed in the great cities of the country.

FORTY-THIRD YEAR

COUNTY GETS FOURTH PRODUCING OIL WELL

Oil Company's No. 4 Brought in by Reported Best Producer in Pool.

Haskell county's fourth producing well, the Superior Oil Company's No. 4, was brought in Tuesday morning of this week, and reports from the field state that the new well is the best producer of the pool. Production from this field is being taken care of by the Humble Company's pipe line, which was recently completed to the field.

Reports also state that the Superior Company's No. 5 which is now drilling, is nearing the sand and will be brought in within a few days. It is almost assured as a producer, as the formation is logging with the other four wells brought in.

The well being drilled by Haggard and others on the Bernard-Wilson lease is reported drilling at 250 feet, and expects to tap the producing sand at around 1800 feet their location being on a slight elevation from the Superior Company's producers. Several other locations in this section are rumored, and it is likely that the next few weeks will see much activity in drilling in the locality of the producing wells.

GIVE REPAIRS MADE ON BATES BUILDING

Remodeling entirely the building on the northeast square was started this week. H. Mathes contractor and a large crew of helpers is one of the old brick building in the square years it has been the Corner Drug Store, one of the oldest business places in town. It will not be closed the store during remodeling, it is stated, and has been made to be open while the work is going on.

The work will be for the addition on the east end building, with a plate brick and the front on brick. The entire east wall will be of faced brick, adjoining buildings to the alley on the west side of the building, and will serve its occupants for many years. It is expected that the building will be finished within a few days.

CARL MAPLES NEW DRIVER FIRE DEPT.

Carl Maples, former resident here, who has been living at Plainview for the past year, last week accepted the position as driver for the Haskell Fire Department filling the vacancy caused by the resignation of R. A. Hays, and assumed his new duties Monday of this week. Carl is well known here, and his many friends will be glad to know that he and his good family are again residents of Haskell.

Rule Merchant Sails For Europe To Spend Vacation

Sam Salem and family left Rule last week in their automobile and expect to reach New York by June 18th on which date they expect to take passage on a steamer and sail for Europe. They also expect to take their automobile with them on the boat so they will have the means of touring the different countries of the old world. Mr. Salem will visit his old home in Syria and he expects to visit Jerusalem, Damascus and many cities of the Holy land before he returns home. He expects to visit Germany, France and Egypt while away. He is the proprietor of the Fair Store at Rule and has lived there a number of years. His brother George, formerly of Rochester will have charge of the store in his absence.

Foundation Laid For New Christian Church In Rule

The foundations have been poured for the First Christian Church of Rule and as soon as it hardens and sets the walls will be erected. This will be a splendid church building, brick veneered on the outside and neatly finished within. The lumber of the old building which is well seasoned, will be used as far as it will go in the new structure.

DS DISASTROUS TO GROWING CROPS

Thousands of Acres of Cotton in West Part of County Will Be Planted Over.

It all depends on the season of the fall. But some of the crops are fine, the destruction to crops is in spots which helps the situation very much. One thing we noticed the hens and cows are still on full production. Stay with the cow and hen and keep out of debt.

SAGERTON LUMBERMAN ADDS TO RESIDENCE

Ben Hess the progressive manager of the Higginbotham, Bartlett Lbr. Co. of Sagerton is now building two rooms and two galleries to the residence he recently purchased and when completed will move his family to this place to make his future home. This will be when completed a modern stucco residence and Mr. Hess and family will have one of the most beautiful homes in the city.

A full course of Sunday School work will be taught the entire two weeks. Among the teachers are: G. S. Hopkins, State Secretary of Dallas; Rev. I. L. Parrack, pastor of the Advanced Standard Sunday School of Merkel; Rev. Chas. T. Whaley, Sweetwater; Rev. G. F. Brown of Midland; Rev. E. M. Agee of Wichita Falls; Rev. W. C. Moffett of Stamford; Mrs. A. T. Douglas of Abilene; and Rev. Sam Morris of Abilene.

Stewardship and Missions will be emphasized by Dr. B. L. Lockett returned missionary from Africa, and by Rev. C. D. Owen of Abilene. Provision has been made to take care of the children, the leaders of the athletic features are hard at work and people all over this section are planning to be on hand.

A caterina will be on the ground, simply equipped to take care of the situation.

CAR REGISTRATION LAW IS CHANGED

Purchasers of automobiles will benefit from the new law now in effect regarding the registration of automobiles, according to Tax Collector Ed Fouts.

Beginning with June first, all cars registered before January 1, 1930, will be taxed only for the number of months remaining this year, instead of the charge being made by quarters, as heretofore. In other words, cars registered during June will be charged for seven months, remaining in this year; in July the charge will be for only six months—the charge being computed on a monthly basis. The new method will effect a considerable saving to automobile owners who have cars and trucks which are operated only during the fall months, and purchasers of new cars will also benefit from the new law.

ROCHESTER CITIZEN BUILDS NEW HOME

Albert Allen manager of the Grocery Department of the Hunt Store of Rochester began the erection of a new 5 room stucco residence with bath and two porches last Monday morning in the south part of Rochester. He is tearing away the old building and will use the lumber in the new. A. C. Roberts of this city is doing the carpenter work and we note that Horace Pinkerton and his son also of this city are helping him. This will be a cozy and comfortable home when completed.

Revival at First Christian Church Is Attracting City-Wide Attention

MRS. OWEN M. WALKER

REV. G. ROBT. FORRESTER

OWEN M. WALKER

The Revival meetings being conducted in First Christian Church by the Pastor, G. Robert Forrester, assisted by Owen M. Walker as director of young people's and children's work is attracting city-wide attention. From the initial service last Sunday morning the meetings have been going strong. All churches of the city dismissed their people for the evening service and a great throng crowded the large auditorium for that service.

As soon as Mr. Walker stepped to the platform and started to direct the music of the service, every one realized that a master was at the helm. He knows how to direct the singing in such a way as to not only get the people to sing but also to prepare them spiritually for the sermon which follows. The common expression that is heard on the street is that Mrs. Walker can get more music out of a piano than I ever thought was in it. If all the people in and around Haskell do not hear these great leaders it will be a loss and a misfortune to the people themselves.

Rev. Forrester is well known to the people of the city, having been pastor of this church five and a half years. Everyone knows just what to expect from him in the way of sermons. He preaches the simple truths of the Gospel faithfully,

SAGERTON TO VOTE BONDS FOR NEW SCHOOL BUILDING

According to reliable information a petition has been signed by the proper amount of legal voters of the Sagerton School district which will be presented to the Commissioner's Court at the earliest possible moment and a bond election ask for \$30,000.00 to be used in the erection of a new school building for Sagerton. The old building which was erected in 1908 has served a good purpose, but after the storm of a few weeks ago was damaged which caused an inspection by the State Auditor and the building was declared unsafe for school purposes.

Plans for the new school building have been drawn by the architect which will be erected should the bond issue carry will consist of 8 class rooms, large auditorium, cloak and library rooms with modern equipment. The material in the old building is planned to be used in the new and the new building will occupy the same location after the old building has been removed. This when complete will be one of the best school buildings in the county.

AUTOMOBILE RACES ABILENE JULY 4TH

The automobile race program to be presented on the West Texas Fair Speedway in Abilene on July 4 will be the outstanding Independence Day sport event in the southwest.

A check of the American Automobile Association's 1929 racing schedule reveals that there will be only seven speed car contests in the United States during this year that will be larger than the program to be given in Abilene on July 4. Only one of the seven is in the southwest and it is November 16 at Phoenix, Arizona.

Guaranteed prizes totaling \$2,500 will be awarded to the winners in the five races that will make up the program to be held there on Independence Day. Of the 183 other races to be held in various parts of the United States during 1929, under (Continued From First Page)

SAGERTON GIN SOLD LAST WEEK

W. G. Weinka of Old Glory has purchased the Farmers Gin of Sagerton and is repairing and remodeling all the machinery and putting it in the very best condition. Mr. Weinka is one of the best known gin men in West Texas and his coming to Sagerton has added much enthusiasm to the city. He has been a strong cotton buyer and the farmers of that community are expecting things to hum in the cotton market in Sagerton this fall.

EVERYTHING READY FOR BIG CELEBRATION

Fourth of July Celebration Bids Fair to Be Biggest Event Ever Held Here.

All plans have been practically completed, and everything is in readiness for the biggest celebration ever held in this section—Haskell's Big Free Barbecue on July Fourth—and advertising for the barbecue and Motorcycle Races which are being staged in connection is being distributed this week.

Arrangements are being made this week for experienced men to prepare the barbecue for the day, and plans are being made to provide barbecue for some eight or ten thousand people on this day. The barbecue will be free to everyone, and plenty of bread, pickles and ice water will also be furnished free to all who come.

The program of entertainment for the day has been arranged and appears in another column on this page. All events for the morning will take place on the square and the courthouse lawn, with the exception of a baseball game which will be played at the Fair Park in front of (Continued on Last Page)

Farmers and stockmen of this section who have fat calves or heaves suitable for barbecuing are requested to get in touch with either J. V. Hudson, T. E. Ballard, or A. J. Josselyn of this city, if they wish to sell their fat stock. These men have charge of purchasing the heaves for the Fourth of July Barbecue, and state that they would prefer buying from local people who have stock to sell, rather than from the packing houses.

HASKELL TEAM ENTERS THE JONES COUNTY LEAGUE

Arrangements were completed this week whereby the Haskell Baseball team entered the Jones County League, composed of Anson, New Hope and Lueders, Haskell taking the place of the Hamlin team, which withdrew from the league recently.

A complete schedule of games has been arranged by the managers of the teams, each team playing two games each week. However, the Haskell team must play seven games before June 27, in order to finish the first half of the season. These games will be as follows: Haskell at Anson, June 20th. Two games.

Leaders at Haskell, June 23. Anson at Haskell, June 25. Two games.

New Hope at Haskell, June 27. Two games.

Two games are scheduled here next week, the locals meeting Anson here Tuesday June 25th, and New Hope on Friday June 27th. A complete schedule of games for the second half of the season, which starts June 28th, will be given in next week's paper.

O'Brien Citizen III
W. J. (Grandpa) Goddard a well known and much loved citizen of O'Brien is reported very ill, but it is hoped by his loved ones and friends that he will soon regain his health. He has lived in and near O'Brien for many years.

GIN AT O'BRIEN BEING REPAIRED

The Farmers Gin Company of O'Brien are remodeling their gin plant and getting it ready in time for the fall. This gin was erected last year by the citizens of O'Brien and her trade territory and they are striving to take special care of their machinery and keep it in the very best condition. This gin made a satisfactory run last season and they are expecting a good patronage this fall.

R. J. Paxton an insurance man of Haskell was in Rochester on business Tuesday.

EXTENSIONS MADE ON TWO RURAL ROUTES

Large Number of Patrons on Weinert and Rule Routes to Be Served by Extensions.

Two Rural Routes of the county are to be extended beginning July 1st. Weinert Route One which is carried by W. O. Lewis will be extended ten miles, leaving the old Route One at Josselyn Switch coming south on highway 30 to the Moser Filling Station just outside the corporation of the north side of Haskell going back to the old Benjamin Road to Curry Chapel where it comes back to the old route. According to Carrier W. O. Lewis 46 families can be served by this extension who are not on rural mail route.

Rule Route One, carried by C. O. Davis will be extended six miles beginning also on the 1st day of July. The extension will begin at the corner of the Oates and Herrin farm north of Midway School house and go east through what is known as Herrin lane coming into the Rochester and Haskell Road near site.

The Sego farm and coming south to the home of Clarence Burson on the Whitman farm turning back west to Midway school house thus completing the 16 mile extension in the two routes.

In order to get service on the new routes, larger boxes are demanded by the Postal Department and all must comply with this demand before mail can be delivered to your home. Below we give a copy of the ruling.

On and after July 1, 1929, boxes of new type, which are the larger size, must be provided by patrons on new routes, or extensions thereof, or by patrons desiring to provide boxes of sufficient capacity to contain parcel post mail. After the date named services must not be provided to new patrons unless they shall have furnished and erected boxes of the standard type of the large Rochester and Haskell Road near site.
