

Mrs. C. M. Kaigler's Expression Classes Will Give Class Programs.
 On the Thursday, September 20th, Mrs. C. M. Kaigler's Expression Class in the South Ward School will give a

class demonstration program interspersed with readings. This will be under the auspices of the South Ward P. T. A. at 8:30 o'clock. Also, Miss Ruby Fitzgerald's room will give a

ing song. This program promises to be highly interesting and will show what the children can do in so short a time. Let all of the patrons of the South Ward School rally to the efforts being put forth by the P. T. A. and be present Thursday afternoon. Every body has a cordial invitation to come. On Friday afternoon at 3:15, Mrs. Kaigler's class at the North Ward will present the same program on the High School stage. The North Ward student body will march over and all of the patrons of both the north ward and the high school are especially invited to be present. However the invitation is general and all who come will receive a hearty welcome.

Following is the personnel of the expression classes in both school wards: They will appear on the two programs: **ESSIE G. FOSTER, Jr., Rose Tillingshast, Mary Lena Tablis, Frances Marie Edwards, Mary Joe Morrison, Elmer Lewis, Jr., Julia Baughman, Ruth Tillingshast, Mervada Miller, Victor Miller, Beverly Gilbert, Cathleen Crawford, Lewis Woodall, Duffer Crawford, Paul Crawford, George William Fouts, John E. Fouts, Martell Clifton, Thomas Lee Clifton, H. J. Hambleton, Helen Looney, Jimmie Crawford, Joyce Neil Hambleton, Sadie M. Smith, Dorothy Josselott, Theda V. Maples, Crockett English, Nell Free and Bob Wheatley.**

Entertains With "42" Party

On Thursday night of last week Mr. and Mrs. G. R. Couch of Weinert entertained in their home with a "42" party.

As the guests arrived they were served with punch by the hostess. The following guests registered: Mr. and Mrs. W. A. Holt, Mr. and Mrs. J. C. Holt, Mr. and Mrs. Weinert, Miss Beatrice Weinert, Mr. Walter Medley, Mr. Fred Reid, Mr. and Mrs. Jack Sills and Mrs. Carrie Moser of Haskell. After several interesting games of forty-two, the guests were served with delicious sherbet and cake.

WILL CONDUCT TODAY JEWELRY AUCTION SALE

Jack Wish, advertised as the world's youngest professional auctioneer, will conduct a three-days Jewelry Auction Sale at Martin's Drug Store on the south side of the square, beginning Thursday of this week. Mr. Wish is ably assisted by Mr. John A. Rowland, and these young men have had phenomenal success in their work in a number of adjoining towns and cities. Mr. Wish, whose home is in San Angelo, is also a buyer of Bankrupt jewelry stocks. He states that two sales will be conducted daily, at 2:30 and 7:30 p. m. Read his ad in this issue.

CURIO AND ANTIQUE DEPT. OF FAIR

Miss Elma Kinnard has charge of the Curio and Antique Department of the Haskell County Fair again this year, and she is trying to make it even better than it was last year.

Miss Kinnard states that she cannot devote all of her time to it, however, and might miss some of the very ones who have the most interesting articles; therefore she makes an urgent request that each and every person who has the least thing of interest in this department to bring it by all means. Of course, this Fair is yours, and it is up to you to make it a "go." Mrs. Kinnard will be more than glad to co-operate with you in any possible way and urges the help and co-operation of everyone in order to make this department of the Fair a success.

LOCAL NEWS ITEMS FROM LAKE CREEK COMMUNITY

Mr. and Mrs. W. B. Tracy spent one day with their daughter Mrs. T. H. Muse last week.

Our school has been doing nicely, but will close Friday for one month so the pupils may help to gather the crops. Mr. J. D. Probst of Throckmorton was here on business Saturday.

We are glad to report that Master Ralph Expert is on the road to recovery and is doing nicely.

FAIR CATALOGUES HAVE BEEN MAILED

Haskell County Fair Catalogs have been mailed. The catalog is very complete and comprehensive and explains every thing about the Haskell County Fair. Any person who does not receive a catalogue should apply at once to Frank Sloan, assistant manager, who will be glad to furnish one and explain any matter concerning the fair. A number of new entries or prizes have been added this year. We urge every one to study the catalog and assist in making a success of the Fifth Annual Haskell County Fair by entering whatever they have that is worthy.

Many people have inquired about the catalogs and it is regretted that they were not out a little earlier, however they are out three weeks before the fair—ample time in which to study the prizes, score cards, etc.

LOCAL NEWS ITEMS FROM BRUSHY COMMUNITY

The crops are not looking very favorable now, however some folks are gathering their cotton.

The regular semi-monthly Baptist preaching appointment was filled by Rev. J. A. Kinsler. He was accompanied by his wife and daughter Margaret. Bro. Kinsler has accepted the call to pastor the Brushy church for another year.

Women's Wear

Purses

The costume, when otherwise perfect, is lent a charming addition through the selection of a harmonious purse. We are showing beautiful bags in both black and colors. Some have the modernistic designs so extremely popular now. You will be able to find purses to match every costume here—and all are very popularly priced.

Lingerie

Sheer, filmy undergarments of exquisite texture and colors form a most satisfying foundation to the new Fall costume. We are showing many interesting garments among our lingerie—including teddies, slips, step-ins, brassieres, French panties and night-wear. Lingerie with an appeal to the most discriminating woman makes up our stock.

Hosiery

A trim ankle is largely a matter of fine hosiery. To give the proper accent to Fall's shoes and dresses, proper hosiery becomes an absolute necessity. Texture and weave first, with colors to match Fall wear second, become most essential in making hosiery selections. A visit to our hosiery department will reveal many interesting things to you.

Dresses

Dresses in the Fall mode beggar description. A visit to our dress department is the only truly satisfying means of learning how enormously complete our line is. Let it suffice to say that there are dresses here for every type and for every figure.

Men's Clothing

Men's wear has not been left without consideration this Fall. We are showing many all-wool suits and outer coats this year in newest styles to please every man—whether he prefer the collegiate or the conservative models. Sizes are complete in all grades of suits.

Bed Clothes

Anticipate winter's needs now. We lay special stress on our blanket stocks. Lovely blankets—soft as a baby's caress—warm as eider-down—will be most enjoyable this winter. Supply yourself with them now. They are priced very reasonable, too.

BLANKET Sale

Men's Wear

Shirts

Entirely new effects in stripes and small neat designs on subdued grounds—madras and broadcloth and a wonderful value during our Removal Sale.

Ties

Fall and winter demands an entirely new group of ties for the man. Rich, warm colors on heavy silk will add a touch of warmth to man's otherwise more or less drab, wintery wardrobe. We suggest that you take advantage of the Removal Sale prices and select several Ties while they are offered at reduced prices.

Hosiery

Men's hosiery is no longer a matter of solid blacks for Fall and winter. Lises, silks, wools and mixtures of these materials carry interesting patterns in rich colors. Some are "flashy" while others, more conservative, are handsome in their interesting patterns.

Presbyterian Church

The regular services will be held here next Sunday. Sunday School at 9:45 a. m. Morning worship at 11 o'clock. The Christian Endeavor will meet at 7 p. m. and the evening worship will begin at 8 p. m.

Now that vacation season is over all the members of this congregation are urged to get the habit of being regular in their attendance, and on time each Sunday. Rally Day will be observed on the First Sunday in October. This will also be the quarterly communion service. Help make this a red letter day. The public is most cordially invited to all services here.

Cemetery Association to Meet

There will be a very important meeting of the Cemetery Association, next Tuesday afternoon, September 25, in the home of Mrs. R. B. Fields. All members are requested to be present.

Nature Thought of Everything

Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us. Thus if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they have contracted worms. Then if we are wise, we buy a bottle of White's Cream Vermifuge and safely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 35c a bottle. T. E. L. Class Party

Thirty-nine members of the T. E. L. Sunday School class responded to the invitation to meet in the home of Mrs. Jno. Ellis for their quarterly business and social meeting.

Members and guests were greeted at the door by Mesdames W. E. Kirkpatrick and Sam Roberts and shown into the spacious living room, made bright and attractive with fall flowers, by the hostess.

The teacher of the class, Mrs. B. M. Whiteker led a very helpful and spiritual devotional, telling of the organization of this class for mothers in 1906, and how the name T. E. L. (Timothy, Eunice and Lois) was chosen because Eunice, the mother, and Lois the grandmother, had taught their son Timothy, the scripture from childhood (II Timothy 3:15 and II Tim-

thy 1:13), and making special mention of the blessings that came from personal service.

The reports from the committee that followed, showed that this class has been busy along this line, many cards have been sent for various purposes, flowers have been sent to the sick and bereaved and numbers of visits made.

Several Bible contests and games were enjoyed. Special Music by Mrs. Will Whitman and Vocal Solo by Mrs. Harry Staleup added much to the program.

We felt that it was good to be there. We want every Baptist mother and all others who will to come join our class and let us study the Bible and carry out its teachings in our lives.

This was the last meeting of the year. The officers for the coming year are: President, Mrs. K. D. Simmons; Vice President, Mrs. M. Pierson; 2nd. Vice President, Mrs. John Couch; 3rd. Vice President, Mrs. R. J. Paxton; Sec. Mrs. Sam Roberts, Treas. Mrs. Ethel Rousseau; Reporter, Mrs. W. E. Kirkpatrick; Teacher, Mrs. B. M. Whiteker.

Delicious chicken sandwiches, potato chips, olives and ice tea was served to the following: Mesdames B. M. Whiteker, Scott Green, K. D. Simmons, Bailey, Vaughn, Bailey, W. K. Stoler, Bert Davis, E. V. Davis, Ware, Boyd Reid, Cate, Ethel Rousseau, R. C. Couch, John Couch, D. Scott, Eoff, Joe Maples, Norton, Clarence Norton, Merchant, J. A. Gestrap, Harry Staleup, Will Whitman, W. C. New Chrysler "75" Royal Sedan, \$1595 (Wire wheels extra)

"Volume won through value" the story of CHRYSLER success

Why can Chrysler, in the new "75" and "65," give more than others can give?

Because - Chrysler begins with quality, wins volume through value, spreads the cost of quality and value over five great cars in five great markets, makes five great operations basically one, and by these savings is able to spend more for you in beautifying and enhancing the new "75" and "65."

The new Chrysler "75" and the Chrysler "65" are much more than two new cars; or even two new Chrysler cars.

They represent a new significance in style, in performance and in value-giving, an increase in buying power which affords the entire structure of the industry, up to the highest in price.

New Chrysler "75" Prices - Royal Sedan, \$1595; 2-door Sedan, \$1495; 4-door Sedan, \$1695; 2-door Coupe, \$1795; 4-door Coupe, \$1895; 2-door Sedan, \$1495; 4-door Sedan, \$1695; 6-ply full-balloons \$1995. All prices f.o.b. Detroit.

REMINISCENCES OF A PIONEER RESIDENT ON THE EARLY DAYS

Old-time residents of Haskell county, more particularly those who were in Haskell county in the pioneer days of thirty-five and forty years ago, will read with pleasure the letter given below from H. B. Martin of Amarillo, one of the pioneer settlers of Haskell, and was identified with his brother, Oscar Martin, in the publishing of the Free Press in those early days.
 Mr. Martin was in Haskell for the Old Settler's Reunion several weeks ago and while in town was a pleasant visitor at the Free Press office, where he spent several hours examining the old files of the papers published during the 80's.

His letter is given in full below:
 To the Haskell Free Press:
 More than forty-four years ago I spent my first night in Haskell county, and slept in the old Lew Casner ranch house about three miles from where the old settlers had their picnic last Thursday. When I arrived in Haskell by covered wagon with my mother, brothers and sisters, there were just thirteen houses in the town, counting everything that could be called a house. And these thirteen buildings housed about thirteen families of as fine a people as it has ever been my pleasure to know.

Some were unlettered, and most were unlearned. But the fires of ambition in their bosoms had burned. And when culture came, they drank in turn—As the years go by. These fires still burn.

The sting of the rattler had claimed one victim and the cemetery was marked by one lonely grave.

I shall treasure last Thursday as one of the happiest days of my life, though it was tinged with sadness because of the absence of many of my old time friends, some of whom have gone to meet their rewards. As I look back over the years, I feel that these original thirteen families laid well the foundation which drew unto themselves an empire of culture, progress and refinement.

While in Haskell I visited the old jail which has fallen in ruins by disuse, and saw the old cap rock over the old jail well, which I hauled in over forty years ago from the quarries on California creek eighteen miles away. The well is but a memory and the stone has shifted from its moorings, and the scar in still in the north wall of the jail where one prisoner, in 1887, tunneled his way to freedom. His trail was lost in the mountain recesses of New Mexico, where, let us hope, opportunity offered amnesty and claimed him for good citizenship.
 H. B. Martin, Amarillo, Texas.

Suits laid away for use next season. Should be cleaned if for only this reason. Moths at soiled clothing will chew and tear. And holes made thus are hard to repair. Also, why put suits away maybe to rot from an overdose of stain and spot?

CO-OPERATION

It once was thought the life of trade was mostly by competition made; But men of genius later found Co-operation must abound. One reason we are in high ranks is partly due corresponding banks. The man who tries to go alone will find he has poor judgment shown. The Farmers State Bank is ready to Always co-operate with you.

When We Say Service

We've had something to say about service in recent advertisements.
 Everybody in the tire business talks service these days but not everybody is clear on the meaning.
 Service means two things—a complete stock of new fresh dependable tires on hand all the time—we offer you Good-years. And secondly, making it easy and economical for you to get every last mile out of your tires.
 Therefore, we have a modern clean store located convenient for everyone.
 Drive-in service—lots of room—no fender scraping, no waiting.

The latest equipment for tire repairing—any size, high pressure or balloon.
 A machine to check wheel alignment.
 Up-to-date wash and grease racks too—done while you wait if you wish.
 Anything you want—when you want it.
 And, oh yes—a service car in case of road trouble. A phone call brings you instant assistance.

Hours 6:00 A. M. to 9:00 P. M. (Sundays) 9:00 to 11:00

The next best thing to Good-year Tires is **GOODYEAR SERVICE**. We have both—try us!

Haskell, Texas, Thurs., Sept. 20, 1929

DEATH OF HASKELL CO. DUE FROM HEART ATTACK

The entire citizenship of Haskell was grieved last Friday afternoon when a message came over the radio, that J. W. Collins, Ex-Sheriff and pioneer citizen of Haskell county had died of heart trouble, while en route from Wichita Falls to this city in his automobile. He was traveling alone and was about 35 miles out of Wichita Falls when he was found in a dying condition by Dr. Smith of Munday who started back to Wichita Falls with him. When they reached a drug store about five miles from that city, Mr. Collins was dead. The deceased had been suffering from heart attacks for the past four years.

The body was prepared for burial at Wichita Falls and shipped to Austin where it was laid to rest Sunday afternoon with Masonic honors, by the side of his wife, the mother of his three children, Dr. Bailey Collins, Miss Alice Collins and Miss Mary Sue Collins, all of Wichita Falls and all graduates of the University of Texas. The mother died in 1922.

The deceased also survived by three brothers and two sisters. Mr. Collins' first wife and a daughter by his first wife are both buried in Willow Cemetery at this place.

Mr. Collins came from Kaufman county to Haskell County more than 35 years ago. As much as he has always claimed Haskell as his home. He was in the mercantile business in this city for a number of years, and served the county as Sheriff and Tax Collector for eight years, making one of the best officers the county has ever had.

The Collins family moved to Austin a number of years ago for educational advantages. During a part of that time Mr. Collins served the State as Inspector of Weights and Measures. During the past few years he has lived at Mineral Wells for his health, but has been a frequent visitor to our city. He was here only a few days before his death. He has always voted here and holds membership in a number of lodges at this place. The deceased was 72 years of age when the end came.

Funeral services were held from Haskell to Austin by the Old Settlers and by the Masons to be held in the grave of their friend, whom they held in highest esteem.

NEW GENERATING STATION OF W. T. U. CO. AT LAKE PAULINE IN OPERATION

Furnishing unlimited power to the 104 cities, towns and communities served by the company, and providing a reserve supply of electricity to serve at least half a hundred more communities, the electric generating station at Lake Pauline was put into operation late Monday night, it was announced from the general offices of the company in Abilene.

The new plant was tied into the Crowell-Quanah and Quanah-Vernon highlines forming an inter-connection with the other generating stations of the company. This is the first of three units planned at Lake Pauline, which is five miles northeast of Quanah. When the three units are completed this will be one of the largest generating stations in the southwest.

The newly completed unit has a generating capacity of 20,000 horsepower, raising the company's available generating capacity at approximately 70,000 horsepower, an increase of over 50 per cent.

In addition to serving on the properties of the West Texas Utilities Company, the Lake Pauline station will transmit 6,000 horsepower to the properties in Oklahoma of the Southwestern Light & Power Company of Oklahoma City.

What is considered by electrical experts as a record for construction was established in the building of the plant. It was completed in just a few days over six months and did not include night shifts. There were approximately 200 workmen on the job. Operation of the plant will require 30 men. W. E. Huss of Abilene is chief engineer and J. N. Green is resident engineer. Earle Hoppe, chief engineer of the company was in charge of all construction work.

The plant was designed by Sargent and Lundy, Chicago engineers and the contract for erection of the building was awarded to Robert E. McKee, contractor of Abilene, El Paso and Los Angeles.

The Mosher Steel and Machinery Co. of Dallas furnished 520 tons of steel for the plant and J. Lee Vilbig & Co. of Dallas was contractor for excavation work.

Machinery in the plant includes a

30,000 horsepower General Electric turbine and three 1,000 horsepower boilers. The turbine is of the latest design and operates on 375-pound steam pressure. The boilers operate on 300 per cent of rating.

The Plant will be known as the Lake Pauline Power Station, deriving its name from the fact that it is located upon that broad body of water covering 600 acres which once was used as an old irrigation project.

Pursuant to the Policy of the West Texas Utilities Company, the lake will be fenced and landscape artists will convert the bald open prairie into a veritable flowerland. Parks will be laid out and flower gardens will be planted around the plant. The company will erect 12 picturesque Spanish type homes for employees.

With a new branch of the Fort Worth and Denver railroad recently built to the plant and company employees making their homes near the plant, it is predicted that a thriving little town soon will be built at Lake Pauline.

Bunker Hill and Post Schools To Have Fair Exhibits

Bunker Hill and Post are to enter the community exhibits and compete for the \$75.00 prizes that the Fair Association offers for the best rural school community exhibit.

The progressive communities are taking their proper place in the advancement of their communities and are to be commended. Not only do they put forward their communities, but they will help their County Fair. The fact that the Haskell County Fair offers from \$3,000 to \$5,000 in prizes and premiums for the products of Haskell County almost assures that the entries and from all parts of the County comes word that more entries are to be made this year than ever. Already more rural communities have added for space than last year and others are yet to come in. This is gratifying to the heads of different departments who are working day and night to make the Fifth Annual Fair a truly bigger and better fair. Some few weeks ago a number of people felt that the fair could not be a great success this year on account of short crops, but that that spirit has gone and on every hand enthusiasm prevails. There can be no doubt as to the fair this year. It is going over in a real truly wonderful way and the spirit of co-operation being manifested is simply grand. We have a big record to beat, but we are going to beat it. If you have not planned to take a part—do your part—get busy and have a part in the success of this Fifth Annual County Fair. Do Something for the Fair.

Men's Bible Class Entertains.

On last Friday evening the Men's Bible Class of the Baptist Church with their families, prospective members and other invited guests met in the park of the West Texas Utilities Co. and enjoyed a watermelon feast. After about two hours spent in games, story telling, recitations and songs, the ice cold melons were brought over from the ice house and cut in halves and every one was furnished with a spoon. Mr. Bass led the programme and proved himself an artist at the game. We are very grateful to Mr. Coburn of the Utilities Co. in providing chairs, benches, water and lights and the park for our pleasure.

Rev. H. R. Whatley is our very able teacher and we hope this social may mean the enlistment of some new members.

Let us have more men in this class next Sunday.

Reporter.

Outlook Good For Agricultural and Livestock Exhibits

Live Stock and Agricultural directors report good outlook for fine exhibits. W. G. Pope, director of agriculture has been over a good part of the County this week and reports much interest in agriculture to be exhibited at the fair. He states that there is no small grain but that a number of farmers are selecting white, yellow and red corn, as well as other things of agriculture for the fair and while some of the specimens may not be up to last year they are going to bring the best Haskell County can produce this year, which will be good and will compare favorably with any of the adjoining counties.

T. A. Pinkston, director of live stock states that there will be a large live stock exhibit this year, especially in dairy cattle, hogs and draft horses and mules. Last year we made a record for draft horses and mules and this year a number of entries will be seen that were not here last year. The number of good dairy cattle are increasing and considerable more will be shown this year. Hogs have been increasing from year to year and already a number of pens have been spoken for that did not enter last year which indicates that a good showing of registered swine will be seen at the fair. The fair is coming along wonderfully well and by the opening day we look for the largest crowd to enter the gates that has ever entered on opening day.

R. E. Sherrill and Will Chastain returned Friday evening from a business trip to the Plains and New Mexico. They report crops looking good on the plains, but stated that the worms and insects had seriously damaged the cotton crop in several sections of the territory visited by them.

Would You Know One If You Saw It?

If you ever come face to face with a germ, would you recognize it? Of course it is not likely that you ever will see a germ, unless you own a tremendously powerful microscope, for you would have to magnify one over a thousand times to make it as big as a pin head. But you should recognize the fact that these tiny germs can get into your blood streams through the smallest cut, and give you typhoid fever, tuberculosis, lockjaw, blood poisoning, and many more dangerous and perhaps fatal diseases. There is one sure safeguard against these dangers—washing every cut, no matter how small, thoroughly with Liquid Borozone, the safe antiseptic. You can get Liquid Borozone at Reid's Drug Store or Payne Drug Co.

LOWER GROCERY PRICES

With the gathering of the cotton crop well under way, we are starting this week, special low prices on our entire grocery stock. We realize the cotton crop is short, and for this reason the farmer will want to make his money go as far as possible. Therefore we have decided to cut our prices, at a time when you have the money to take advantage of the savings offered you on your grocery bill. We want an increased volume of business this fall, and to get it we are offering you worthwhile savings on your purchases here. Look over the prices given in this advertisement—they will give you an index of the low prices throughout the store. Every item is included in this price-cutting, and you will find it easy to save several dollars on the average bill of groceries at these prices. Read these items, make out your bill, and bring it to this store—you'll find anything you want in the grocery line at prices below what you have been paying.

LOBOS DEFEAT INDIANS 6-4 AT CINCO FRIDAY

Pos. Haskell
 C.—Virgil Reynolds
 R. G.—Rogers Gilstrap
 R. T.—Clarence Whiteker
 R. E.—Lonnie Henshaw
 L. G.—Wallace Sanders
 L. T.—Thomas Patterson
 L. E.—O. B. Ratliff
 R. H.—Ellis Medley
 L. H.—Claud Phippen
 Full—William Kimbrough
 Quarter—Herman Pitman

The names of the Lobos, who were outstanding in the game, are not mentioned, because their numbers could not be secured before the game. Cisco was well represented by a brass band, practically the entire student body, and most of the business men.

FIRST QUARTER
 Kimbrough kicked off and the ball rolled off the field. The Lobos asked for another kick and got it. Henshaw made the first tackle. There was no gain the first down. Van Horn made a yard around left end. Lobos punted forty yards, and no return was made. Kimbrough plowed one yard through center. Medley lost a yard. Kimbrough kicked, but it was blocked and covered by the Lobos. Lobo right over center. Reynolds got his man on line. The ball was carried over and the extra point was made by a kick.

SECOND QUARTER
 The Lobos carry the ball over and kick their extra point. Kimbrough made a good kick and the ball was returned 8 yards. Sanders tackled this man. A 75 yard run was made for a touchdown, and the extra point was kicked. When Kimbrough kicked this time no return was made. Watson relieved Kimbrough. Lobos complete a pass, but it was taken back and the Lobos were penalized. Patterson caught the 8 yard punt of the Lobos. No gain was made by the Indians. Pitman passed the ball to Henshaw and a touchdown was made. No extra point was made by trying to kick. Patterson made a fair kick and a good

return was made. The Lobos gained 20 yards with a pass. Whiteker broke through the line and recovered a fumble. Pitman lost a yard and was called from the field by Coach Dotson. Raul English went into the place, and Watson filled the quarter place. Henshaw punted, and the ball was returned with but small gain. Little, the Lobos right half was knocked unconscious, and was forced from the field. Three end runs gave the Lobos 21 yards, but in the next four downs the Indians held them and the ball went to Haskell. Henshaw kicked, and a Lobo ran 40 yards for a touchdown. The extra point was made.

Patterson kicked and an 8 yard return was made. A Lobo ran 50 yards for another touchdown, gaining the extra point. Patterson kicked again just as the half was up.

THIRD QUARTER
 Floyd Taylor took Sanders place. Patterson's punt was returned 25 yards. Gilstrap caught the unsuccessful attempt for a pass, but he was caught by two men. Henshaw was forced to punt and it was returned ten yards. Cisco was forced to punt. Watson caught the ball but the Lobos were on him before he could start. Henshaw's forced punt was returned 10 yards. 14 yards was made by Cisco. Whiteker recovered their fumble. Henshaw's forced punt on fourth down was blocked. For three downs the Lobos made little gain; then one of their men ran 18 yards for a touchdown. No extra point was made.

Patterson kicked again. Taylor made a good tackle. The Lobos made long gains by passing the pigskin. The third quarter was up as a pass was in the air. The Indians quit, but a Lobo received the ball close the goal.

FOURTH QUARTER
 Kimbrough went in again, taking English's place. Cisco made another touchdown and extra point. Kimbrough's good kick was returned 20 yards. The Lobos received a 50 yard penalty for holding. Watson returned the punt 4 yards. Kimbrough got a good punt off on the third down. Watson received a short punt. The Indians were held for four downs and the ball went over. A Lobo made a good run, but fumbled and Patterson covered it. The pass of the Indians was not successful. Joe Short made a long run for a tackle. Edwards took Short's place. Another touchdown was made. Kimbrough's kick was good. Three downs and the fourth brought another touchdown with an extra point. Welsh took Gilstrap's place. Kimbrough kicked again, and the ball went out at the other end. Medley was unable to break up the Lobo passes. Reynolds made the last tackle.

SENIORS HAVE WATERMELON FEAST MONDAY NIGHT

The Senior Class of H. H. S. began their social year with a watermelon feast Monday night at one of the West Texas Utilities' Parks. About thirty iced watermelons were served to the majority of the class and High School Faculty.

HIGH SCHOOL HAS FIRST CHAPEL EXERCISES

The Haskell High School had its first chapel exercises Wednesday, Sept. 12.

Announcement was made by Superintendent J. Horace Bass that award cups similar to the ones given to Elsie Bradley, of the graduating class this year and to Johnnie Banks, who graduated last year, will be given to the outstanding girl and the outstanding boy of the high school again this year.

The following editors were then elected for the high school section of The Haskell Free Press.

Editor-in-Chief—James Mullino.
 Assistant Editor—Martha Lou Rogers.
 Society Editor—Naomi Poteet.
 Sport Editor—Jerry Irby.
 Asst. Sport Editor—David Ratliff.
 Joke Editor—Joe Shore.

The student body was then entertained by two readings by Mrs. Thomas, who is teacher of expression in the high school.

The exercises were concluded by two songs sung by the student body as a whole.

NEW TEACHERS ADDED TO SOUTH WARD FACULTY

Superintendent J. Horace Bass announces that, due to the crowded conditions in the first two grades at the South Ward, two new teachers, Misses Nettie Mullino and Alma Sprowls, have been added to the faculty and will begin teaching Monday, Sept. 24.

Pep Squad Organized

Last Tuesday afternoon eighty one girls met and organized the Pep Squad for the football season of '28 and '29. The leaders elected were: Geneva Golden, Clara Weaver, Vivian Bernard, Elsie Bradley and Naomi Poteet. G. W. Reynolds was elected as secretary. All girls were measured for new costumes. This year the squad is to have gold sweaters, with Indian head symbols, and black sun-burst plated skirts. We are ready and "arin" to go to boost for the Indians. They haven't got the pep. They haven't got the jazz. They haven't got the team that Haskell has.

Senior Notes

The Senior Class of Haskell High School met and organized their class on Wednesday afternoon, September 5. The following officers were elected for the term of 1928-29.

O. B. Ratliff—President.
 Elsie Bradley—Vice President.
 John English—Sect. and Treas.
 Mary Frazier—Class Representative on Editorial Staff.
 Miss Frances Porter, who is attending Haskell High School, spent the week end at her home in Brushy.
 Miss Thurza Bowman, a Senior in Haskell High School, visited her parents in Brushy this week end.
 The following Seniors, living out of

town, are attending school in Haskell: Misses Bernice and Linnie Adams, Midway; Thurza Bowman, Brushy; Geneva Golden, Bomarton; Erna Mouna, Myers; G. W. Reynolds, Throckmorton; Monte Singleton, Post; Annie West, McClellan; Goodwin, Midway; Owen (Continued on Page 2)
