## Epworth League Friendship Party.

The Epworth League of the Methodist church seems to have taken on a new life since it is under the supervision of Mrs. E. Gaston Foote. They have done a number of noteworthy things that has attracted the attention of the church. First they sat in a body at the evening service of the church and on the following Sunday evening they met in large numbers at the parsonage in a hot tamala feast and went from there to the church where they enjoyed a splendid program. On last Friday evening they had a friendship party in the home of Mrs. Elizabeth Martin, where games, contests and "eats" kept them busy for several hours. Jello and cake was served to Misses Henrietta Isabelle, Ruby Payne Thomason, Vivian Bernard, Marjorie Rogers, Bertha Carmen, Constine Guest, Wilda Pippin, Eleanor Foote, Edith Foote, Lucia Mask, Erma Mask, Bessie Bee Kaigler, Janie Lysle Martin, Mrs. P. A. Womble, Rev. and Mrs. E. Gaston Foote and Mrs. Elizabeth Martin.

## A Surprise Anniversary Dinner.

Mrs. W. E. Kirkpatrick and Mrs. Leon Gilliam surprised their parents, Mr. and Mrs. S. A. Hughes, on Tuesday Dec. 18th, their golden wedding anniversary, with a family dinner at the home of Mrs. Kirkpatrick. Mrs. M. R. Smith and children were the only out of town guests. Those unable to be present on account of sickness were: Mrs. H. K. McWhirter of Dallas, Reid Hughes of Dallas, Mrs. R. R. English of Plainview, A. M. Hughes, Amarillo, Sam A. Hughes Jr. Carlsbad, N. M. But telegrams and beautiful gifts were received from each child and guest.

The table fairly groaned under its weight of good things to eat. The beautiful center piece was a lovely wedding

cake embossed in gold with the dates 1875-1925, made by Mrs. Sam A. Roberts.

Mr. and Mrs. Hughes have 8 living children and 22 grand children. Other guests present were Mr. Wesley Applegate and their "adopted children" Mr. and Mrs. Sam A. Roberts, and Mr. and Mrs. R. J. Paxton. The dinner was served by their faithful family servant Emma Barnes.

## Lucky Thirteen Club In Christmas Party.

Misses Lois Earnest and Agnes Cox were hostesses in the home of the former last Wednesday evening to the Lucky Thirteen Club and special guests for an evening of bridge. Christmas motifs throughout the reception suite were lighted from green and red candles shining amid the branches of a Christmas tree and from the glow of the fire place. Further reminders of the season were miniature trees which entered each table when the guests were served date pudding, topped with whipped cream, olives and coffee. A nut square were passed throughout the evening to Misses Marguerete Stephens, Aline Mitchel, Bertha Carmen, Florence and Mildred Shook, Ermine Daugherty, Lela Welsh, Eunice Huckabee, Nettie McCollum, Helen Harbison, Madalin Hunt, Lewis Manley, Elaine Mills and Mesdames Roy Killingsworth, Lo's Welsh and George Wimbish.

**Over a Billion Deadly Germs in a Single Drop of Water**

Germs are so small that there may be as many as one billion, seven hundred million of them in a drop of water. And just a few of these tiny germs, if they get into your blood through a cut in your skin, may make you so sick you will be in bed for weeks—may cause the loss of a limb through blood poisoning—may even infect you with that most dreadful and fatal of diseases, lockjaw.

Just because you can see no dirt in a cut does not mean that it is clean. You cannot see germs. The only safe and sane thing to do, is to thoroughly wash every cut, no matter how small.

with Liquid Borozone, to kill the germs, and then dust it with Borozone Powder, to hasten the healing. Liquid Borozone costs 30 cents, 60 cents, \$1.20 and \$1.50; Borozone Powder, 30 cents and 60 cents, and can be had at Reid's Drug Store or Payne Drug Co.

**Bleeding Gums Healed**  
The sight of sore gums is sickening. Reliable dentists often report the successful use of Leto's Pyorrhea Remedy on their very worst cases. If you will get a bottle and use as directed, druggists will return money if it fails—Martin's Drug Store, south side square.

**Dangerous Business**  
Our stomach and digestive systems are lined with membrane which is delicate, sensitive and easily injured. It is dangerous business, then, to use medicines containing harsh drugs, salts or minerals, when we are constipated. In addition to the possibility of injuring the linings of our digestive system, these medicines give only temporary relief and may prove habit forming. The safe way to relieve constipation is with Herbine, the cathartic that is made from herbs, and acts in the way nature intended. You can get Herbine at Reid's Drug Store or Payne Drug Co.

**An Unpleasant Subject**  
All of the functions of life are not pleasant to consider. Perhaps this is why some mothers refuse to think that such symptoms as restless sleep, loss of

flesh, lack of appetite or itching nose, and fingers in their children, can be caused by round or pin worms. Many mothers have proven, however, that a few doses of White's Cream Vermifuge, hat sure and harmless worm expellant, will make these symptoms disappear. You can get White's Cream Vermifuge for 35 cents per bottle from Reid's Drug Store or Payne Drug Co.

**Money To Loan On Farms and Ranches**

I can get you a loan on your farm at 6 1/2 per cent, or 7 per cent interest, payable annually; the loan to become due at end of ten years, and give you the privilege of paying as much as one fifth of the principal each year if you desire to do so. The cost to you will be the Abstract Fees and Recording Fees. If you want a new loan, or want to renew an old loan write me, or come and see me and I will get you the best loan to be had and take care of your interest and save you some money, so you will be satisfied in the future.

 I hope you will get to Roberts community this year with lots of toys for all the little girls and boys. For Christmas I want a big doll that will walk, talk and say mama. I have a little brother and he wants a little car and train. Bring us lots of nuts, oranges, apples and other kinds of fruits.

Haskell, Texas  
 Dear Santa Claus:  
 I have been wondering the past month if you are going to make your way to Roberts community this Christmas. I think you should be real nice

to me because I have been real nice in the past year. Santa I am asking you to please bring me a big doll that walks, says mama and has black curly hair and blue eyes, a buggy, set of doll dishes and a real live dog. I want it to be about six inches tall and its hair to be white. Santa, Christmas eve night I will be waiting for these.  
 Yours truly,  
 Eufaula Stanford.  
 The box supper at Dennis Chapel was enjoyed by a large crowd Friday night.

**Over a Billion Deadly Germs in a Single Drop of Water**  
Germs are so small that there may be as many as one billion, seven hundred million of them in a drop of water. And just a few of these tiny germs, if they get into your blood through a cut in your skin, may make you so sick you will be in bed for weeks—may cause the loss of a limb through blood poisoning—may even infect you with that most dreadful and fatal of diseases, lockjaw.  
Just because you can see no dirt in a cut does not mean that it is clean.

You cannot see germs. The only safe and sane thing to do, is to thoroughly wash every cut, no matter how small, with Liquid Borozone, to kill the germs, and then dust it with Borozone Powder, to hasten the healing. Liquid Borozone costs 30 cents, 60 cents, \$1.20 and \$1.50; Borozone Powder, 30 cents and 60 cents, and can be had at Reid's Drug Store or Payne Drug Co.

**Inn-Keeper of Bethlehem**  
By HELEN GAINFORD

IT WAS a brilliant night, and the inn-keeper tossed restlessly in his bed. Why couldn't they let him sleep? Now some one was singing—an old hymn, full of "hallelujahs." He thought of his other guests and groaned. He would hear about this disturbance in the morning. "Rebecca," he said to his wife, "get up and tell those noisy singers that they must hush or leave. Shall I have all my lodgers awakened? And here, close the shutters. I never saw so bright a night."

Quietly she did her husband's bidding. He was just falling asleep when Rebecca returned. Her face shone with excitement. She spoke as she entered the door. "Husband, wake! Come and see! You remember that carpenter and his wife—in the manger? Where the Child was born, you know? Well, people are saying that the Child is a King—that He is to be the Savior of the Jews! Shepherds are here from the hills, and princes have come from the Far East—"

"Don't be foolish, Rebecca. A King in our manger?"

"But, it is true! Angels have sung of Him, and there is a great light shining in heaven. All the talk is of omen and prophecy. Hush! They are singing again."

"You are a fool to believe them. Why, the man is a common carpenter from Nazareth, no better than you or I."

"They say he is just now her husband. And the mother is a cousin of Elizabeth, the wife of the priest Zacharias—"

"He whom the angel struck dumb?"

"The same. And we all know their ages, and how they were blessed with a son."

"And they named the child not

Zacharias, but John—"

"Yes, and in that hour the father recovered his voice, and told of a vision. You see? Then is it not possible that this Child in our manger may be, in reality, the Son of God?"

"No, no. They are carried away by their dreams."

"But you believed when you heard of Zacharias."

"Those whom I know have brought me news from the hill country. I must believe what they have seen. But no such thing would happen here—in our very courtyard! It is too ridiculous. You are a dreamer, like the rest. Come, get to bed. Tomorrow we must work again."

"If you see them you will believe,"

"Believe such things would happen here?"

"But there are omens—"

"Oh, come to bed. I don't care about the Child. Do you?"

**THE WISE MEN**

NOTHING is known concern- ... ing the identity of the "wise men." All that we learn from the gospel is that "three men" appeared bringing gifts of gold, frankincense and myrrh. We do not know who they were or what were their names or how many there were. The common supposition is there were three of them. That idea arises from the fact that there were three gifts. Some of the early Christian writers thought there were 12. Later Christian writers still name them, giving their names as Melchior, Caspar and Balthasar. Persia would probably be the place from which they came, because they were interested in the stars and the Persians were great star-gazers. Another tradition gives them the rank of kings, but the gospel tells nothing save that "wise men" came.

**"Never Saw the Stores Look Prettier"**

That was the comment we heard yesterday from a lady who had just completed a shopping tour of the Haskell stores.

The stores of Haskell ARE beautiful this holiday season. The Santa Claus spirit is in the atmosphere.

This same spirit can be detected in the pages of the Free Press. There is much being said about Christmas shopping. You frequently see a picture of Mr. Claus.

We like the hustle and bustle and happiness of the holidays. Don't you?

Visit the stores of Haskell. Take your gift list along. You will find it easy and pleasant to do your Christmas shopping in Haskell.

## SOCIETY Club

**Christmas Tree For Beginner's Department Methodist S. S.**  
Preparations are going forward for the annual Christmas Tree in the Beginner's Department of the Methodist Sunday School. There will be a tree and presents for the babies of the Cradle Roll and all little girls and boys of the beginner's department, and fruit and candies. Let all of the members who have been coming lately tell those who have been kept away on account of sickness or some other reason, to be on time and have a part in next Sunday's festivities. This will be at the regular Sunday School hour, Sunday morning at 9:45. Be on time.

**Mrs. W. H. Murchison Club Hostess.**  
On Thursday afternoon, December 13th, Mrs. W. H. Murchison was club hostess to the Thursday Bridge Club in a lovely party that was ideal in every appointment. Practically every known Christmas decoration was used in carrying out the yuletide motif and these color tones of red and green were brightened by a glow from red candles in silver holders. Table favors were dainty perfume bottles and the ladies fortunate in securing these were

Mesdames Bert Welsh, John Oates, J. E. Bernard and R. E. Hall. High score was won by Mrs. Clyde Grissom and she was given bridge ash trays and Mrs. George Cannon of San Antonio was consoled for winning low score with a Baby Stewart plaque. Mrs. Murchison served her guests a delicious two course luncheon with miniature Santa Clauses as plate favors. These were, Mesdames, George Cannon of San Antonio, Courtney Hunt, R. E. Hall, Frank Thomas, Bert Welsh, Clay Smith, Lynn Pace, C. L. Glazier, John Oates, Hill Oates, J. P. Payne, Clayborn Payne, J. E. Bernard, Clyde Grissom, Theron Cahill and Wiley Reid.

**P. T. A. Tea.**  
The North Ward P. T. A. tendered a lovely tea to the mothers of the girls in the Home Economics Department last Thursday afternoon in the H. E. rooms of the High Schools. Mrs. Sprawls and her girls had the rooms lovely with Christmas decorations. Seventy-five clothing girls stood in the receiving line, each wearing a dress of her own design and making. Over one hundred guests called and looked over this indispensable department of our high school and encouraged both the H. E. Department and the president Mrs. Theodore Jones of the North Ward P. T. A. and her associates in this splendid work. Miss Lois Stoker poured tea and Miss Pauline Grissom served the coffee and with these were served nut sandwiches, fancy cookies, stuffed dates and prunes. Accessories were lemon mints and whipped cream.

**Presbyterian Young People Enjoy Social.**  
Last Friday evening about twenty Christian Endeavor had a most enjoyable time at a Christmas party at the five young people of the Presbyterian church. The social was given by the losing side in a recent contest that was carried on for about six weeks in the Endeavor. They enjoyed a number of games led by Misses Mary Frazier and Beatrice Thomason assisted by the pastor. After the games the guests were lined up behind a leader and followed a string that led them through practically every room in the building and ended up in the beginners room where the refreshments were arranged in Christmas fashion before a glowing fireplace with stockings hanging around it. The guests departed for their homes about ten o'clock.

**Miss Mildred Shook Bridge Hostess.**  
On last Tuesday evening at eight o'clock Miss Mildred Shook was bridge hostess in her home to four tables of guests. The Christmas motif was carried out in every conceivable decoration in the reception suite, the mantles being especially attractive. At the close of the games the hostess served hot punch, fruit cake topped with whipped cream and cherries and green mints to Misses Ermine Daughterty, Nettie McCollum, Elaine Mills, Madeline Hunt, Lewis Manley, Lela Welsh, Eunice Huckabee, Helen Harbison, Bertha Carmen and Mesdames, Frank Thomas, George Wimbish, Ben Bagwell, Lola Welsh, John V. Davis and Roy Killingsworth.

**Henshaw-Whitman.**  
Last Monday evening Mr. E. B. Henshaw and Miss Leta Virginia Whitman were united in marriage at the Presbyterian Manse in Haskell. Rev. M. L. Baker united them in the sacred vows of wedlock.  
The bride is the daughter of Mr. Mark Whitman who recently moved from here to the plains. She has spent the greater part of her life in Haskell, and is a charming young lady loved by all who know her. The groom is the son of Mr. J. M. Henshaw and is a very popular young man of this community. A host of friends unite in wishing a merry Christmas and a most happy home together.  
The bride and groom were accompanied to the marriage altar by Mr. and Mrs. George Henshaw and Mr. L. H. Henshaw, brothers to the groom. Mrs. Henshaw is a life long friend of the bride. They will make their home in Haskell.

**The Lucile Reagan Circle of Baptist W. M. S.**  
The Lucile Reagan Circle of the Baptist Women's Missionary Society met last Monday afternoon in the home of Mrs. R. W. Clanton. Mrs. John Lampkin lead the devotional, using the 6th chapter of Matthew. This circle has completed an earlier book and began at this meeting on their new mission book, "Save America." The books were issued and the first chapter will be taught at the home of Mrs. M. L. Williams next meeting time. A large supply of cookies were brought Monday afternoon and these will be sent as a Christmas offering from the circle to Buckner Orphan's Home, Dallas. Members present last Monday were Mesdames, R. P. Glenn, Ed Fouts, D. Scott, Leon Gilliam, John B. Lampkin, M. L. Williams, M. A. Clifton, W. W. Johnson and the hostess, Mrs. R. W. Clanton.

**Mr. and Mrs. Lewis Fields Honorees at Merrie Dames Club Party.**

Fields home last Thursday, for the entertainment of the Merrie Dames Club, with Mrs. Elam Parish as club hostess, Mr. and Mrs. Lewis Fields of Stockdale, Texas, came to spend the Christmas holidays with Haskell relatives and Mrs. Parish was delighted to introduce them as honor

guests of the club.
